A NEW ERA

After a nearly 18-month wait, the new era is finally here and the University of Delaware Fightin' Blue Hens are officially full members of Conference USA as of July 1, 2025. Fourteen of UD's 22 varsity programs will be housed in CUSA, with seven others joining as affiliate members in the Atlantic Sun (women's lacrosse, men's and women's swimming & diving), Atlantic 10 (men's lacrosse), Mid-American Conference (rowing), The Summit League (men's soccer), and Atlantic Hockey America (ice hockey). Field hockey will play an independent schedule this fall as the department continues to work diligently to finalize a new conference for the reigning CAA champions.

An athletic department built on history and tradition, Delaware brings an abundance of success to CUSA having won 10 national championships, 172 team conference titles, 282 individual conference crowns, 342 major conference awards, 2,655 all-league selections, and 543 all-americans.

UD student-athletes complement their athletic success with strong academic performances. During the 2024-25 academic year, the Blue Hens compiled a

cumulative 3.41 grade-point average—the highest in department history, excluding academic terms impacted by COVID-19. This marked the 11th-consecutive year and the 23rd-straight semester in which UD student-athletes have posted a 3.00 GPA or better.

The move will push the Delaware brand across the nation, spanning from the northeast down into Florida, and west as far as New Mexico. However, the reach won't stop there. At least five football games will hit the national scene on CBS Sports Network/ESPN family of networks, including a non-conference tilt on FOX against Colorado. Men's and women's basketball will also have the chance to play nationally televised games as part of CUSA's media rights agreement with CBS Sports Network and ESPN.

Speaking of reach, Delaware's initial announcements about joining Conference USA reached over two billion people according to social media analytics. Put that into perspective - just over one million people live in the state of Delaware. That means these announcements reached over 2.000 Delawares.

Conference USA is an NCAA Division I conference championing success in college athletics through dedicated leadership, dynamic partnership, and diverse membership. Founded in 1995 and based in Dallas, CUSA is home to nine schools: FIU, Jacksonville State, Liberty, Louisiana Tech, Middle Tennessee, New Mexico State, Sam Houston, UTEP, and WKU. Kennesaw State joins the league in 2024 and Delaware begins competition in 2025.

"Adding the University of Delaware is a tremendous opportunity for Conference USA as we strategically position ourselves for continued success," Conference USA Commissioner Judy MacLeod said. "We are excited to add the state's flagship university with its rich history in athletics and academics and look forward to our partnership with President Dennis Assanis, Director of Athletics Chrissi Rawak, and their leadership group."

Coley is in her third year with the women's soccer program in 2025.

The Delaware women's soccer program in 2024 earned its first trip to the

CAA Tournament since 2019. During the 2024 campaign, the Blue Hens started off conference play 4-0, while also winning five games in a row. It was the best stretch for the program since 2011.

With the help of Coley, Kyla Burns became the first Blue Hen in program history to earn the conference goalkeeper of the year. Burns also earned first team all-conference honors, while Conny Viehmann, Carly Binn, Caitin St. Leger, Brooke Vogel and Olivia Bley all earned all-conference honors.
