# A NEW ERA

After a nearly 18-month wait, the new era is finally here and the University of Delaware Fightin' Blue Hens are officially full members of Conference USA as of July 1, 2025. Fourteen of UD's 22 varsity programs will be housed in CUSA, with seven others joining as affiliate members in the Atlantic Sun (women's lacrosse, men's and women's swimming & diving), Atlantic 10 (men's lacrosse), Mid-American Conference (rowing), The Summit League (men's soccer), and Atlantic Hockey America (ice hockey). Field hockey will play an independent schedule this fall as the department continues to work diligently to finalize a new conference for the reigning CAA champions.

An athletic department built on history and tradition, Delaware brings an abundance of success to CUSA having won 10 national championships, 172 team conference titles, 282 individual conference crowns, 342 major conference awards, 2,655 all-league selections, and 543 all-americans.

UD student-athletes complement their athletic success with strong academic performances. During the 2024-25 academic year, the Blue

Hens compiled a cumulative 3.41 grade-point average—the highest in department history, excluding academic terms impacted by COVID-19. This marked the 11th-consecutive year and the 23rd-straight semester in which UD student-athletes have posted a 3.00 GPA or better.

The move will push the Delaware brand across the nation, spanning from the northeast down into Florida, and west as far as New Mexico. However, the reach won't stop there. At least five football games will hit the national scene on CBS Sports Network/ESPN family of networks, including a non-conference tilt on FOX against Colorado. Men's and women's basketball will also have the chance to play nationally televised games as part of CUSA's media rights agreement with CBS Sports Network and ESPN.

Speaking of reach, Delaware's initial announcements about joining Conference USA reached over two billion people according to social media analytics. Put that into perspective – just over one million people live in the state of Delaware. That means these announcements

reached over 2,000 Delawares.

Conference USA is an NCAA Division I conference championing success in college athletics through dedicated leadership, dynamic partnership, and diverse membership. Founded in 1995 and based in Dallas, CUSA is home to nine schools: FIU, Jacksonville State, Liberty, Louisiana Tech, Middle Tennessee, New Mexico State, Sam Houston, UTEP, and WKU. Kennesaw State joins the league in 2024 and Delaware begins competition in 2025.

## WHAT TO LOOK FOR...

- A win would earn head coach Tara Zollinger her first career win at Delaware.
- A goal for 13 different Blue Hens would be their first at Delaware.

## a new era

Delaware enters a new era of Blue Hens athletics as UD makes the jump to FBS football and Conference USA. The Blue & Gold were the first program to announce a transition from FCS to FBS once the transition fee jumped from \$5 thousand to \$5 million. The entire \$5 million was paid for by donors with the money being raised in a seven-month span.

## new hen in the flock

**Tara Zollinger** was hired in March 2025 to be the seventh head coach in program history. She won three DII National Championships at Shippensburg, and made the semifinal game in all six of her NCAA Tournament appearances. Zollinger coached to a record of 118-25 (.825), producing 41 all-league players, and 23 All-Americans in her time with the Raiders.

## portal combat

The Hens' coaching staff recruited four players out of the transfer portal this offseason. B **Linde van Leeuwen** (Bryant), M/F **Ashlee Bucksar** (Liberty), M/F **Alexa Michielsen** (Shippensburg), and GK **Kristi Merashoff** (Northeastern) all join the squad after spending the 2024 season at another institution. B **Iris Bekker** returns for her second season after transferring in from Kent State.

## last time out

Volunteer Assistant Coach **Sydney Rhodes-James** was the goalie for the 2019 Blue Hens, who defeated Cal by a score of 4-1. She played 54 minutes, saving one shot in the victory.

## familiar (masked) face

GK **Kristi Merashoff** joined the Fightin' Blue Hens for her final season of collegiate action and to pursue a master's degree in Business Analytics & Information Management. Previously, she was the goalie at former Coastal Athletic Association (CAA) foe, Northeastern. Merashoff won both games she was in the cage for against Delaware in her career, saving 15-of-17 shots on goal (.882).

## ruff at rullo

Since picking the promotion "Ruff at Rullo" back up in 2023, where fans are permitted to bring dogs into Fred P. Rullo Stadium, Delaware is 2-0 in games where they have run that promo.

## conquering cali'

Delaware is 14-5 all-time against teams from California, including Cal, Stanford, and Pacific University.

## fightin' blue hens everywhere

California's game at Monmouth was refereed by Delaware field hockey alum Allie Mikelson '15.

### back home

## HEAD COACH TARA ZOLLINGER

Three-time Division II national championship winning head coach Tara Zollinger enters her first season as the head coach for Delaware field hockey after her hire in March of 2025.

"Tara has a proven track record of winning and competing at the highest levels," Skolnick said. "We are excited to welcome her, her husband Eyoel, and children Isra and Elias to the Blue Hen family. It was clear that she is committed to providing a great student-athlete experience and has a strong vision for player development. We are all looking forward to seeing Tara continue the rich history of success of our field hockey program."

Zollinger comes to Newark after spending the previous eight seasons (2017-24) as the head coach at DII Shippensburg in Pennsylvania where she won national championships in 2017, 2018, and 2021. She also led the Raiders to the 2022 national title game and semifinal appearances in 2023 and 2024.

A Jeannette, Pennsylvania native, Zollinger boasts a 118-25 career record, including 59-8 in conference play, and 10-3 in NCAA Tournaments. She has directed four National Field Hockey Coaches Association (NFHCA) Regional Coaching Staffs of the Year, and a trio of NFHCA National Coaching Staffs of the Year.

Over the course of her eight seasons in Shippensburg, Zollinger has produced 41 all-league players, and 23 All-Americans. She's claimed four regular season Pennsylvania State Athletic Conference (PSAC) titles and a pair of conference tournament titles.

Prior to taking the reins for the Raiders, she spent four seasons (2013-16) as an assistant coach at Syracuse where she worked for former Blue Hen and UD Athletics Hall of Fame inductee (2005) Ange Bradley. She helped Bradley and the Orange to a national championship, ACC regular season title, and both NFHCA regional and national coaching staff of the year awards.

At Syracuse, Zollinger was a part of one the school's most successful seasons. She helped instruct a 2015 team that posted a perfect 16-0 regular-season record – the first team in 25 seasons to achieve the feat. The No. 1-ranked Orange also

swept the 2015 ACC postseason awards, becoming the first team to do so since North Carolina in 1994.

A two-time PSAC Coach of the Year, Zollinger also serves as a coach with USA Field Hockey. She's held a number of roles including nexus coach (2021-25), supplemental coach for the women's U21 team (2024), high performance mid-atlantic region coach (2017-19), talent selection (2013-15, 2018, 2021-24), U14 futures national championship coach (2016-17), futures head coach and director (2014-17), and futures assistant coach (2010-14).

On the national level, Zollinger served a two-year term (2017-18 and 2018-19) as the field hockey representative on the coaches' council for WeCOACH (formerly Alliance of Women Coaches). She was one of 15 coaches from across the country spanning all three NCAA divisions that served on the council, serving as an ambassador in coaching communities and networks. At the completion of her term, Zollinger graduated from WeCOACH Academy 2.0.

She played college field hockey for former Blue Hen and UD Athletics Hall of Famer (1998) Missy Meharg at Maryland. For the Terps, Zollinger was an attacker who won two NCAA Championships (2010, 2011) and two ACC Championships (2009, 2010) – reaching the Final Four in all four of her collegiate seasons. She received Maryland's Kateri Simon Award in 2012, recognizing an athlete that persevered in times of adversity and displayed courage while bringing positive energy to all team sessions.

Zollinger earned her undergraduate degree in sociology in 2013 and was an active member of the Student-Athlete Advisory Committee (SAAC). She was also a development assistant with the University of Maryland Terrapin Club, coordinating and organizing member and donor events.

She also holds two master's degrees in sport administration (2019) and sport and exercise psychology (2018) from Lock Haven.

Zollinger and her husband Eyoel have two children – Isra and Elias.

## ASSISTANT COACHES

**ALLY MOONEY**  
**ASSISTANT COACH**

Mooney enters her first season as an assistant coach with Delaware field hockey in 2025 after being hired in April of 2025.

Mooney comes to Newark after spending the previous three seasons under Zollinger at DII Shippensburg, where she served as the program's defensive coordinator. She led a unit that sat atop the nation in goals against average (0.80) and scoring margin (+2.71), while sitting third in shutouts per game (0.48).

In charge of the Raider goalkeepers, Mooney oversaw the emergence of the NCAA Division II leader in save percentage (.821) and helped guide the Raiders to the PSAC Championship game and the NCAA Division II Semifinals during the 2023 season.

Mooney joined the coaching staff at her alma mater in 2022, and helped guide the Raiders to their second-consecutive NCAA Division II National Championship Game appearance.

Mooney returned to Shippensburg after spending three seasons as an assistant coach at Appalachian State University, contributing to numerous accomplishments with the Mountaineers. In 2021, Mooney helped lead the Mountaineers to their first win over a ranked opponent in program history with a 2-0 shutout of James Madison. In 2019, Mooney helped lead App State to its first winning season since 2003 and set a program best for wins to begin a season with a 6-0 start.

Among the players Mooney coached at App State include the school's first-ever conference player of the year and three All-MAC performers overall. 2019, including five in the team's first six games.

As a student-athlete at Shippensburg, Mooney was a starting goalkeeper who helped the Raiders win three consecutive NCAA Division II National Championships from 2016-18. She registered a 68-16 record and had an incredible .816 save percentage, recording 24 shutouts between the posts and allowing less than a goal per game over the course of her career.

Mooney was a two-time team captain and earned multiple awards during her collegiate career. Along with three national championships, Mooney was named an NFHCA All-American in 2014 and 2016. As a freshman, she earned a spot on the Synapse Sports All-Rookie Team after allowing just 0.76 goals per game.

A native of Spring City, Pa., Mooney earned a bachelor's degree in exercise science with a minor in coaching in December 2018 and her master's degree from Shippensburg in 2023 in organizational development and leadership with a concentration in business.

During her playing career, she was a team captain her senior season and earned All-BIG EAST Second Team honors while helping the Owls achieve their furthest postseason run since 2015.

Her stint as a coach with her former team allowed her to assist with team management and game preparation, as well as mentoring players while encouraging academic and athletic success.

Rhodes-James started her coaching experience working with Harford Hockey Organization (H20) in Harford County, Md., in 2014, a position she held through 2021.

Her collegiate coaching experience includes time as an assistant coach with the University of Pennsylvania, where she spent four seasons from 2021-24 with a specialized focus in coaching the goalkeepers and organizing team logistics.

During that time, Penn was able to have a goalie earn First Team All-Ivy League under Rhodes-James' tutelage.
