A NEW ERA

After a nearly 18-month wait, the new era is finally here and the University of Delaware Fightin' Blue Hens are officially full members of Conference USA as of July 1, 2025. Fourteen of UD's 22 varsity programs will be housed in CUSA, with seven others joining as affiliate members in the Atlantic Sun (women's lacrosse, men's and women's swimming & diving), Atlantic 10 (men's lacrosse), Mid-American Conference (rowing), The Summit League (men's soccer), and Atlantic Hockey America (ice hockey). Field hockey will play an independent schedule this fall as the department continues to work diligently to finalize a new conference for the reigning CAA champions.

An athletic department built on history and tradition, Delaware brings an abundance of success to CUSA having won 10 national championships, 172 team conference titles, 282 individual conference crowns, 342 major conference awards, 2,655 all-league selections, and 543 all-americans.

UD student-athletes complement their athletic success with strong academic performances. During the 2024-25 academic year, the Blue Hens compiled a cumulative 3.41 grade-point average—the highest in department history, excluding academic terms impacted by COVID-19. This marked the 11th-consecutive year and the 23rd-straight semester in which UD student-athletes have posted a 3.00 GPA or better.

The move will push the Delaware brand across the nation, spanning from the northeast down into Florida, and west as far as New Mexico. However, the reach won't stop there. At least five football games will hit the national scene on CBS Sports Network/ESPN family of networks, including a non-conference tilt on FOX against Colorado. Men's and women's basketball will also have the chance to play nationally televised games as part of CUSA's media rights agreement with CBS Sports Network and ESPN.

Speaking of reach, Delaware's initial announcements about joining Conference USA reached over two billion people according to social media analytics. Put that into perspective - just over one million people live in the state of Delaware. That means these announcements reached over 2,000 Delawares.

Conference USA is an NCAA Division I conference championing success in college athletics through dedicated leadership, dynamic partnership, and diverse membership. Founded in 1995 and based in Dallas, CUSA is home to nine schools: FIU, Jacksonville State, Liberty, Louisiana Tech, Middle Tennessee, New Mexico State, Sam Houston, UTEP, and WKU. Kennesaw State joins the league in 2024 and Delaware begins competition in 2025.

"We are excited to be joining The Summit League," head coach Tommy McMenemy said. "The Summit League has gone from strength to strength as a soccer conference, and have been successful for several years in fielding teams who are competitive on the national stage. The conference's pedigree was highlighted again this past season, sending two teams to the NCAA Tournament. National relevance and ambition as a conference was key in our search process, and we feel we've found the right home in the Summit League."

WHAT TO LOOK FOR...

- A win would tie the program's best start in program history (6-0), which has only previously happened in 2014 and 1970.

- A win would keep the Hens undefeated.

hot start

The Hens' 5-0 start to the season is the program's best start since 2014, in which they won six straight games. The Hens have only had a 6-0 start to the season one other time in 1970.

delaware soccer = undefeated

Delaware men's and women's soccer are one of just two schools (Elon) in the nation in which both programs are still undefeated. UD's women are currently 6-0-2, while the men are 5-0. The men's squad is also the only undefeated team in the Summit Leage thus far.

the summit league

Delaware men's soccer has become an affiliate member of The Summit League heading into the 2025 season.

The league consists of the University of Denver (DU), University of Missouri Kansas City (UMKC), the University of Nebraska Omaha (UNO), Oral Roberts University (ORU), the University of St. Thomas (UST), and the University of Massachusetts Amherst (UMass).

Denver and the UMass played eachother in the 2024 NCAA quarterfinals. DU topped UMass 3-0 before falling to the 2024 National Champion Vermont in penalty kicks (1-1, PK) in the semifinal matchup.

Kansas City also made it to the NCAA tournament last season, but fell 3-2 to Pitt in the the third round.

season 100

The 2025 season marks the 100th season of men's soccer at the University of Delaware. The program's first season was in 1926, and the first-ever game was on October 19, 1926 against Goldey Beacom College.

100 years ago

The first schedule (1926) consisted of only four games and UD finished with a 1-3 record.

The first-ever men's soccer win was on December 11, 1926 as the Blue Hens topped Franklin & Marshall 1-0, for their only win that season.

along the way

Delaware had its first winning season in 1929, as it finished 4-3 overall.

The Blue Hens scored their 100th goal in their 2-1 win on the road against Dickenson on October 23, 1937.

HEAD COACH TOMMY MCMENEMY

Tommy McMenemy was announced as the head men's soccer coach on November 30, 2021. McMenemy arrived in Newark with a wealth of coaching experience at the collegiate and playing levels. Most recently, McMenemy served as the associate head coach and recruiting coordinator at the University of Michigan.

In McMeneny's first season with the Blue Hens, he led them to a two-win improvement. In his first career game as head coach, Delaware defeated Mount St. Mary's 2-0. McMenemy's squad also recorded a draw against UNCW on Sept. 24, which at the time was without a loss in CAA play and had just one loss on the season.

In his second season as head coach at UD, McMenemy and his squad saw solid progress, finishing the season 9-4-6. The team opened the season with a 3-2 win over the Big Ten conference champions, Rutgers, and also won its third game in program history against a nationally ranked team, CAA conference rival Hofstra. In total, five Hens earned CAA honors, including first team, second team, and multiple all-rookie team honors. The 2023 season was the most successful and first winning season for the Hens since 2016. The Hens also recorded the lowest number of losses since the 1976 season.

McMenemy welcomed in six freshmen and two transfers for his third season with the Hens in 2024. In their final year in the CAA conference, the team finished 7-7-2 overall. To open the season, Delaware saw a 3-0 shutout at home against Howard. The squad saw another epic win in their victory against Rutgers when sophomore **Mikey Johnson** scored a hat trick leading to a 4-1 victory.

During his 10 seasons with the Wolverines, six as an assistant coach and four as the associate head coach, McMenemy was responsible for bringing in top talent. He recruited seven top-20 ranked recruiting classes within nine years. He handled all facets of coaching, organizing team training sessions, and led the attacking unit tactics for the Wolverines.

Playing against top teams across the nation, McMenemy played a pivotal role in Michigan winning its first conference title in program history in 2017. Michigan also earned four berths to the NCAA tournament (two top-16 seeds). He coached the Big Ten Offensive Players of the Year in both 2018 and 2019.

Prior to Ann Arbor, McMenemy served as an assistant coach at his alma mater, Columbia University, for six seasons.

As a player for the Lions, McMenemy earned NSCAA Adidas All-American status as a senior in 2003 and was a two-time unanimous First-Team All-Ivy League and first-team all-region selection (2002-03). He led the team in goals and assists in his junior and senior seasons and was selected by his teammates as a team captain as a senior. McMenemy also excelled in the classroom, earning Academic All-Ivy League honors in his final two years as a student-athlete.

ASSISTANT COACH / RECRUITING COORDINATOR

Makar enters his fourth season with the Delaware men's soccer program in 2025.

Prior to joining the Blue Hens staff, Makar served alongside McMenemy on the University of Michigan men's soccer staff since 2014 as the program's director of operations and video coordinator. He was responsible for the day-to-day operations of the program including opponent scouting, postgame and training film analysis, individual player analysis, equipment, team travel, camp organization and promotion, training plans, match preparation and budget management.

During his time in Ann Arbor, the Wolverines advanced to the NCAA Tournament second round in 2017 and 2018 before earning a spot in the Sweet Sixteen in 2019.
