PUCK DROP

- 🎺 A new era of Delaware Athletics begins on Friday night as the Delaware ice hockey team begins its inaugural season.
- Delaware announced the addition of ice hockey as its 22nd varsity sport in December 2023. The Blue Hens are the 45th Division I women's ice hockey program in the country.
- * The Fightin' Blue Hens have 22 student-athletes on their inaugural roster, featuring 17 freshmen and four transfers. Additionally, Delaware brought up goalie Sydney Butler, who spent the last three years playing for UD's club women's hockey team.
- Only four players on Delaware's roster have previously suited up in a Division I hockey game. Forward Kaitlin Finnegan appeared in 107 games in five seasons at Lindenwood, defenseman Tiana McIntyre played in 67 games in three seasons at Quinnipiac, forward **Danica Mark** saw action in 17 games over two seasons at Union, and goalie Mattie Robitzer appeared in four games in two seasons at Northeastern.
- The Blue & Gold will play 10-consecutive home games at Fred Rust Ice Arena to start the season, including Atlantic Hockey America (AHA) series against Penn State, Syracuse, and Robert Morris.
- LIU is also one of the newer Divison I women's hockey programs, playing its first season in 2019-20. The Sharks are coming off a successful campaign last season, finishing 22-11-4 and advancing to the New England Women's Hockey Alliance (NEWHA) championship game.
- * LIU has had three-straight 20-win seasons and is looking to replace its leading scorer and top goaltender from the 2024-25 season.

A NEW ERA

After a nearly 18-month wait, the new era is finally here and the University of Delaware Fightin' Blue Hens are officially full members of Conference USA as of July 1, 2025. Fourteen of UD's 22 varsity programs will be housed in CUSA, with seven others joining as affiliate members in the Atlantic Sun (women's lacrosse, men's and women's swimming & diving), Atlantic 10 (men's lacrosse), Mid-American Conference (rowing), The Summit League (men's soccer), and Atlantic Hockey America (ice hockey). Field hockey will be joining Mountain Pacific Sports Federation (MPSF) for the 2025 season, joining UC Davis as one of two founding members of the league's sponsorship

An athletic department built on history and tradition, Delaware brings an abundance of success to CUSA having won 10 national championships, 172 team conference titles, 282 individual conference crowns, 342 major conference awards, 2,655 all-league selections, and 543 all-americans.

UD student-athletes complement their athletic success with strong academic performances. During the 2024-25 academic year, the Blue Hens compiled a cumulative 3.41 grade-

point average-the highest in department history, excluding academic terms impacted by COVID-19. This marked the 11th-consecutive year and the 23rd-straight semester in which UD student-athletes have posted a 3.00 GPA or better.

The move will push the Delaware brand across the nation, spanning from the northeast down into Florida, and west as far as New Mexico. However, the reach won't stop there. At least five football games will hit the national scene on CBS Sports Network/ESPN family of networks, including a non-conference tilt on FOX against Colorado. Men's and women's basketball will also have the chance to play nationally televised games as part of CUSA's media rights agreement with CBS Sports Network and ESPN.

Speaking of reach, Delaware's initial announcements about joining Conference USA reached over two billion people according to social media analytics. Put that into perspective - just over one million people live in the state of Delaware. That means these announcements reached over 2,000 Delawares.

With the announcement of Delaware football transitioning to FBS, the University was committed to adding a women's sport to continue to stay Title IX compliant. The University looked at a number of key criteria, including the feasibility, continued commitment to gender equity, recruiting footprint, conference fit, facilities, and ability to win championships.

In its due diligence, the University of Delaware performed a feasibility study funded by the Industry Growth Fund, a joint initiative of the NHL and NHLPA, with the goal of empowering schools exploring the addition of Men's and/or Women's DI varsity ice hockey. The results of the study reinforced UD's findings and made clear that women's ice hockey was the best path forward. In addition to this being the right decision for the University of Delaware, there's also the great benefit of helping to grow a sport that is popular in this region of the country.

22nd varsity program

Delaware announced the addition of ice hockey as the University's 22nd varsity intercollegiate program in December 2023. The addition of hockey was in conjunction with Delaware's transition to Conference USA and FBS football and UD's continued commitment to stay Title IX compliant.

45th D1 program

Delaware becomes the 45th college or university to sponsor a Division I women's ice hockey program. The Blue Hens are the first program to start at the Division I level since Assumption College started its program ahead of the 2023-24 season.

first state, first season

The inaugural season is not only the first year that UD will have a Division I program, but the Blue Hens are the first Division I ice hockey team, men or women, in the state of Delaware.

The only NHL player to have ever come from the First State is Mark Eaton, who played 13 seasons for the Philadelphia Flyers, Nashville Predators, Pittsburgh Penguins, and New York Islanders.

hockey in the south

Of the 45 Division I women's ice hockey teams in the country, the University of Delaware is the second-most southern program. Only Lindenwood in St. Charles, Missouri, also in Atlantic Hockey America (AHA), is further south.

pro relations

A pair of Blue Hens are related to professional hockey players in both the NHL and PWHL.

Freshman forward **Katelynn Charlton** is the cousin of Mikyla Grant-Mentis who currently plays for PWHL Seattle.

Assistant Coach **Melissa Samoskevich** has twin younger siblings who both play professional hockey. Her younger brother, Mackie, was a first round draft pick (24th overall) by the Florida Panthers in 2021 and has won two Stanley Cups. Her sister, Maddy, was drafted in the fifth round (39th overall) by PWHL Vancouver in 2025.

proud members of aha

Delaware is the seventh member of Atlantic Hockey America (AHA), joining fellow league members Lindenwood, Mercyhurst, Penn State, RIT, Robert Morris, and Syracuse. Formerly College Hockey America (CHA), the conference merged with the men's Atlantic Hockey Association prior to the 2024-25 season to form the AHA which now features 10 men's teams and seven women's teams.

The AHA has had alumni compete for eight countries at the Winter Olympics and skated off with 14 medals, including four gold. Professionally, several conference alumni are currently on Professional Women's Hockey League (PWHL) rosters, including three selections in the 2025 PWHL Draft in June.

no stranger to starting programs

Head coach **Allison Coomey** was hired as the Blue Hens' first head coach in March 2024. She has spent the past year and a half compiling a roster and coaching staff ahead of the program's inaugural season.

This isn't the first time that Coomey has helped launch a new program. As a student-athlete, she was a member of the inaugural women's ice hockey team at Niagara University. She played four seasons for the Purple Eagles, serving as an alternate captain her senior season when Niagara advanced all the way to the 2002 NCAA Women's Frozen Four.

for the 302

Delaware is one of 11 states that are represented by one area code. Delaware is the 302, while the other states are: Alaska, Hawaii, Maine, Montana, New Hampshire, North Dakota, Rhode Island, South Dakota, Vermont, and Wyoming.

catamount connection

Delaware assistant coach **Taylor Willard** and LIU Head Coach Kelly Nash overlapped for three seasons (2014-17) at the University of Vermont. Nash was an assistant coach for the Catamounts during Willard's first three years as a student-athlete.

diverse roster

Delaware's inaugural roster features 22 student-athletes including 15 Americans from 12 states, six frin Canada, and one from Norway. Only three of the 12 states represented (Massachusetts, Minnesota, Pennsylvania) are called home by more than one Blue Hen. The other nine states include Arizona, Colorado, Connecticut, Delaware, Kansas, New York, Utah, Virginia, and Wisconsin.

norwegian national

Freshman forward **Ida Haave** is a member of the Norwegian National Team. A native of Kristiansand, Norway, Haave represented her home country at the 2025 IIHF Women's World Championship in Czechia, recording one assist in four games. Norway went 1-3 in pool play, finishing fourth of five teams in Group B.

oh captain, my captains

Delaware will be led by four captains this season. Graduate student Kaitlin Finnegan and senior Tiana McIntyre will be the first Blue Hens to don the captain's "C" while juniors Mattie Robitzer and Danica Mark will serve as alternate captains.

Finnegan has appeared in 107 career games after spending her first five seasons at Lindenwood. McIntyre played 67 games over her first three seasons at Quinnipiac.

Robitzer and Mark both played two seasons at Northeastern and Union, respectively.

destined to be a blue hen

Freshman forward **Billi Roman** is not only the only Delawarean on the roster, but the only woman from the First State playing Division I hockey. Hailing from Hockessin, Roman attended The Tatnall School in Wilmington, where she suited up for the boys hockey team that played its home games at Fred Rust Ice Arena.

Roman has several relatives who attended UD, including her father and grandfather, as well as an uncle and two cousins who played for Delaware's club hockey programs.

She is the only active Division I women's ice hockey player to hail from the state of Delaware.

another first for mcintyre

Senior captain **Tiana McIntyre** is in her first season on the UD blue line after transferring from Quinnipiac. When she joined the Bobcats ahead of the 2022-23 season, McIntyre became the first women from the state of Utah to play Division I ice hockey. There has since been a second as Eden Granley will be playing for St. Anselm this season.

elevated

Senior goalie **Sydney Butler** is entering her fourth year at the University of Delaware. The wildlife ecology and conservation major spent her first three years playing for UD's women's club hockey team.

UD ranks among the country's best value propositions, according to U.S. News & World Report, Wall Street Journal, Kiplinger's and Forbes. This summer, The Princeton Review ranked UD among its 209 Best Value Colleges for 2025, earning one of the publication's highest return-oninvestment ratings. Money magazine awarded UD 4½ stars out of a possible five in its 2025-26 rating of America's best colleges. The University, according to Money, "stands out for its affordability" as a public college providing an excellent value for in-state students, and is considered one of the Best Colleges in the Northeast.

home sweet home

While Delaware will be playing its first home games in Fred Rust Ice Arena this season, a pair of Blue Hens are quite familiar with the venue. Freshman forward **Billi Roman** played her high school hockey at Fred Rust while playing for The Tatnall School. Junior goalie **Mattie Robitzer** grew up just over the Pennsylvania border in Kennett Square and often played youth hockey in Newark.

twins

The genetic trait of twins runs strong on the Blue Hens roster. Head coach **Allison Coomey** has a twin Alissa, while junior goaltender **Mattie Robitzer** also has a twin sister - Lily. Assistant coach **Melissa Samoskevich** has two younger siblings who are twins - Mackie and Maddy - who both play professional hockey.

aha connections

Several Blue Hens have strong ties to Delaware's new conference. Graduate forward and team captian **Kaitlin Finnegan** played five seasons at Lindenwood University in Missouri. Finnegan skated in 107 games for the Lions, netting seven goals and adding 16 assists. Freshman defenseman **Taylor Schooley** is the daughter of Derek Schooley, who has been the head coach of the Robert Morris men's ice hockey team since 2004.

Additionally, head coach **Allison Coomey** (2017-24) and assistant coach **Melissa Samoskevich** (2020-22) both
spent time behind the bench at Penn

State.

Head coach Allison Coomey is married to Delaware Women's Soccer Head Coach Kelly Lawrence, who is in her third season at the helm of the Blue Hens

nhl partners

Shortly after announcing the addition of women's ice hockey as a varsity sport, the University of Delaware made another important announcement. In a first of its kind pairing, Delaware and the Philadelphia Flyers formed a strategic partnership aligned around growing the game of hockey, community engagement, and launching a world-class women's ice hockey program. The Blue Hens became the only NCAA Division I women's ice hockey program in the country to have a partnership with an NHL team.

Delaware ice hockey studentathletes will have access to career and professional development with the Flyers, as well as a chance to participate in the Flyers Next Shift program. The program was developed to allow women in college to shadow professional women throughout the organization on game nights. Other opportunities for internship in both business and hockey operations could happen as well.

The partnership also brings co-hosted youth hockey clinics to Fred Rust Ice Arena, the Blue Hens' home in Newark, as well as bringing the Flyers Community Caravan to UD.

HEAD COACH ALLISON COOMEY

With over two decades of women's ice hockey coaching experience, the University of Delaware selected Allison Coomey to be the inaugural head coach of the women's ice hockey program on March 26, 2024.

Coomey comes to Newark after spending the past seven seasons at Penn State. She served as an assistant coach for three seasons before being promoted to associate head coach in 2020-21.

Over the course of her career, Coomey has coached four student-athletes to the Olympics, eight to national teams, four All-Americans, 15 major conference award winners, and 47 all-conference selections over her time at Penn State and Boston U.

Coomey and the Nittany Lions captured the past two league tournament titles, earning a bid to the NCAA Tournament. The team also claimed the CHA regular season title in three of the past four seasons.

Primarily responsible for coaching defense, Coomey's leadership turned the Nittany Lions into one of the best defensive units in the country by allowing just 1.88 goals per game over the past five seasons dating back to 2019-20.

Selected for various international coaching roles with USA Hockey, Coomey was on staff with the silver-medal winning USA National Team at the 2022 Beijing Olympic Games as a team scout and extension of the coaching staff. Coomey also served as the head coach for the U23 US Women's National Team in 2021 and 2022.

Coomey also spent time as an assistant coach for the USA senior national team during the 2021 IIHF World Championship. She was also a member of USA Hockey's scouting staff at the 2019 IIHF U18 Women's World Championship.

At the 2019 America Hockey Coaches Association Convention, Coomey received the AHCA Women's Hockey Assistant Coach of the Year award for her outstanding career resume.

Prior to Penn State, Coomey spent nine seasons at Boston University where she helped the Terriers qualify for the NCAA Tournament six times, including a pair of NCAA Championship appearances in 2011 and 2013. While at BU, Coomey coached four Olympians who combined to win six gold medals for the Canadian National Team at the 2010 and 2014 Winter Olympic Games.

A four-year letterwinner at Niagara, Coomey returned to her alma mater as an assistant coach from 2004-08, helping the Purple Eagles reach the CHA title game twice.
