A NEW ERA

After a nearly 18-month wait, the new era is finally here and the University of Delaware Fightin' Blue Hens are officially full members of Conference USA as of July 1, 2025. Fourteen of UD's 22 varsity programs will be housed in CUSA, with seven others joining as affiliate members in the Atlantic Sun (women's lacrosse, men's and women's swimming & diving), Atlantic 10 (men's lacrosse), Mid-American Conference (rowing), The Summit League (men's soccer), and Atlantic Hockey America (ice hockey). Field hockey will play an independent schedule this fall as the department continues to work diligently to finalize a new conference for the reigning CAA champions.

An athletic department built on history and tradition, Delaware brings an abundance of success to CUSA having won 10 national championships, 172 team conference titles, 282 individual conference crowns, 342 major conference awards, 2,655 all-league selections, and 543 all-americans.

UD student-athletes complement their athletic success with strong academic performances. During the 2024-25 academic year, the Blue Hens compiled a cumulative 3.41 grade-point average—the highest in department history, excluding academic terms impacted by COVID-19. This marked the 11th-consecutive year and

the 23rd-straight semester in which UD student-athletes have posted a 3.00 GPA or better.

The move will push the Delaware brand across the nation, spanning from the northeast down into Florida, and west as far as New Mexico. However, the reach won't stop there. At least five football games will hit the national scene on CBS Sports Network/ESPN family of networks, including a non-conference tilt on FOX against Colorado. Men's and women's basketball will also have the chance to play nationally televised games as part of CUSA's media rights agreement with CBS Sports Network and ESPN.

Speaking of reach, Delaware's initial announcements about joining Conference USA reached over two billion people according to social media analytics. Put that into perspective – just over one million people live in the state of Delaware. That means these announcements reached over 2,000 Delawares.

Football has already benefitted, nearly filling its schedule through the 2029 season! These opponents include Power 4 games at Colorado and Wake Forest in its inaugural FBS season and hosting UConn in the first FBS game at Delaware Stadium. Other Power 4 road games include Vanderbilt,

Virginia, Penn State, Maryland, Pitt, and Indiana. FBS home-and-home series are set with Coastal Carolina, James Madison, Temple, and Buffalo.

Conference USA is an NCAA Division I conference championing success in college athletics through dedicated leadership, dynamic partnership, and diverse membership. Founded in 1995 and based in Dallas, CUSA is home to nine schools: FIU, Jacksonville State, Liberty, Louisiana Tech, Middle Tennessee, New Mexico State, Sam Houston, UTEP, and WKU. Kennesaw State joined the league in 2024 and Delaware begins competition in 2025.

"Adding the University of Delaware is a tremendous opportunity for Conference USA as we strategically position ourselves for continued success," Conference USA Commissioner Judy MacLeod said. "We are excited to add the state's flagship university with its rich history in athletics and academics and look forward to our partnership with President Dennis Assanis, Director of Athletics Chrissi Rawak, and their leadership group."

WHAT TO LOOK FOR...

- Delaware is tied for the sixth-longest home winning streak in the nation at 10 games
- UD has won eight-consecutive games on Parents & Family Weekend dating back to 2017
- A win would be UD's first-ever CUSA home victory.

THIS WEEK

birthday boy

DE **Nate Ray** turns 21 when the Hens take on the Hilltoppers.

a decade in the making

Friday's game will be the Hens' first nationally-televised game inside Delaware Stadium in exactly a decade. The last game came on October 3, 2015 (NBC Sports Network) when unranked UD fought back from a nine-point fourth quarter deficit and knocked off No. 25 William & Mary Saturday as redshirt freshman K **Frank Raggo** nailed a 29-yard field goal on the final play of the game to give Delaware a hard-fought 24-23 victory.

cbssn history lesson

When the Blue & Gold host Western Kentucky on October 3, it will be the first home game on CBS Sports Network for Delaware since October 10, 2005, when it took on James Madison on College Sports Television (CSTV), the station that predated CBSSN. The Hens most recently appeared on CBSSN for **Ryan Carty's** first-career win at Navy on September 3, 2022.

pfw history lesson

Delaware is riding an eight-game winning streak on Parents & Family Weekend dating back to 2017.

chasing 30 wins

Head coach **Ryan Carty** sits at 29-12 through his first 41 games at the helm of the program. A win against WKU would make him the fourth-fastest in program history to reach 30 wins, behind **Bill Murray** (34), **KC Keeler** (40), and **David Nelson** (41). **Tubby Raymond** did so in 43 games.

PROGRAM NOTES

home win streaking

Delaware has won its last 10 games inside Delaware Stadium, which is tied for the sixth-longest home win streak in the nation with Miami and Memphis. Only Oregon (18), Missouri (14), Alabama (14), Boise State (13), and Indiana (12) have longer streaks.

not so fast

Delaware has gone three-and-out on only 7.7 percent of its drives this season, fewest in CUSA and 12th fewest in FBS.

quality points

UD has scored 2.67 points per drive for most in CUSA and 49th nationally.

wins for the record book

With its 44-41 OT win over UConn, Delaware tallied its first win as a FBS program over another FBS program. UD followed that up the next week with the program's first-ever CUSA win with a 38-16 victory at FIU.

a new era

Delaware enters a new era of Blue Hens athletics as UD makes the jump to FBS football and Conference USA. The Blue & Gold were the first program to announce a transition from FCS to FBS once the transition fee jumped from \$5 thousand to \$5 million. The entire \$5 million was paid for by donors with the money being raised in a seven-month span.

student attendance record

In the home opener against Delaware State, the Hens set a student attendance record of 5,756, which surpassed the previous total of 5,273 in the home opener against Delaware State on Sept. 10, 2022.

PROGRAM NOTES

royal company

The University of Delaware is one of just three institutions with an alumnus elected President (**Joe Biden**), a Super Bowl MVP (**Joe Flacco**), and an NFL MVP (**Rich Gannon**), along with Stanford and Michigan.

coaching royalty

Delaware has three coaches in the College Football Hall of Fame: **Bill Murray** (Class of 1974), **Dave Nelson** (Class of 1987), and **Tubby Raymond** (Class of 2003), which is the most in Conference USA. LA Tech has two, while Middle Tennessee and New Mexico State have one each.

standing in the hall of fame

Football alums **Pat Devlin** and **Joe Carbone** were inducted into the University of Delaware Athletics Hall of Fame the night before the UConn game and were honored at halftime.

g6 wins

Entering 2025, Delaware is tied with Army for the second most wins all-time amongst Group of Six programs at 739. Navy leads the pack with 748. Miami (OH) is fourth with 733 followed by Appalachian State with 669.

great track record

Delaware entered the 2025 campaign with a 38-9 all-time record against opponents on this season's schedule.

bowl bullies

Delaware is the only team in Conference USA to square off with all five bowl-eligible teams in the league from a season ago (LA Tech, Liberty, Jax State, Sam Houston, and WKU). Of the 12 games on UD's schedule, seven of them are against teams who appeared in a bowl game in 2024 with Colorado and UConn joining the five CUSA teams.

fcs history

UD ended its time at the FCS level tied with Northern Iowa for the fifth-most FCS Playoff wins all-time at 26.

no fly zone

While a member of the CAA, Delaware's defense only allowed back-to-back 300-yard passing games one time. In that sequence of two games in 2014, one of the quarterbacks to trouble the Fightin' Blue Hens defense was current assistant coach, **Sean Goldrich**, led by then offensive coordinator, **Ryan Carty**, at New Hampshire.

for the 302

Delaware is one of 11 states that are represented by one area code. Delaware is the 302, while the other states are: Alaska, Hawaii, Maine, Montana, New Hampshire, North Dakota, Rhode Island, South Dakota, Vermont, and Wyoming.

blue hens on the airwaves

For the 27th-straight season, Delaware football games will be carried on FM radio on 94.7 WDSD.

best bird in the land

YoUDEe is one of 11 NCAA inductees in the Mascot Hall of Fame, including one of two from Conference USA, joining Big Red from WKU. The beloved Fightin' Blue Hens' mascot turned 32 on September 4, 2025.

we're in the game

The Delaware Fightin' Blue Hens made their return to the video game world as they were added to EA Sports College Football 26 after the jump to FBS. The Hens last appeared in the college football video game in NCAA Football 2011. To create more buzz around UD in the game, Delaware created the Delaware Dynasty Challenge which exploded in popularity since launch, inspiring fans nationwide to take control of the Blue Hens and chase a national championship. To date, there have been more than 268 submissions from 45 states and four countries, showcasing users that have successfully guided UD to a national championship win. Each entry gives fans a chance to win a trip to a football game of their choice and a Delaware merchandise bundle.

COACHES/STAFF NOTES

birds of a feather

With over 1,100 schools across three divisions in the NCAA, the Blue Hens are one of two institutions with the nickname in the hen family. Pomona-Pitzer, a division III institution, is nicknamed the Sagehens. Both South Carolina and Jacksonville State have the nickname Gamecocks and Coastal Carolina is the Chanticleers, which both fall in the rooster family.

not goin' anywhere

The University of Delaware and Head Football Coach **Ryan Carty** have agreed upon a contract extension that will keep him at the helm of the football program through 2030. The Blue & Gold have gone 26-11 under Carty, and the Blue Hens advanced to the FCS Playoffs in each of his first two seasons, winning first-round games in 2022 and 2023. UD has won at least eight games in three-straight years for the first time since the 1995-97 seasons. The nine wins in both 2023 and 2024 marked the first back-to-back nine-win seasons since 2003-04. UD's win over Rhode Island in 2024 was his 25th victory, tying him with **David Nelson** for third-fastest Delaware coach to reach 25 wins.

home sweet home

UD posts a better record at home under **Ryan Carty** (20-3) compared to on the road (9-9).

age is just a number

Ryan Carty (42) is the third-youngest head coach in Conference USA and the 21st-youngest in FBS. Only Missouri State's Ryan Beard (36) and UTEP's Scotty Walden (35) are younger in CUSA. FAU's Zach Kittley is the youngest FBS head coach at 33.

COACHES/STAFF NOTES

fast start fightin' blue hens

Delaware is 23-5 over the first three months of the season under **Ryan Carty**, including 3-0 in August, 11-2 in September, and 9-3 in October.

he's a winner

Over his tenure, **Ryan Carty** has always had a winning-record, and has never dropped below .500 in a given season.

the portal giveth, but does not always taketh

In an unprecedented era in college football, the transfer portal can run rampant in the offseason. So far, it's been a positive for **Ryan Carty** and co., as the Hens have gained 54 players in the portal and only losing 34 since his hiring in 2022. Out of the 15 Blue Hens to make all-conference teams in the 2024 season, six were acquired via the transfer portal. Four players who have graduated from Delaware after transferring in have earned time with NFL squads (**Joshua Stevens**, **Jackson Taylor**, **Tyron Herring**, and **Phil Lutz**).

keepin' it in the family

Ryan Carty is the fifth of Delaware football's 24 all-time head coaches who have also graduated from the institution (**Ira Pierce** 1896, **Clarence A. Short** 1902, 1906, **Joseph J. Rothrock** 1927-28, **K.C. Keeler** 2002-12, and **Carty** 2022-pres). Carty is one of 15 FBS head coaches working at their alma mater. Carty, a quarterback, graduated from Delaware in 2006 with a degree in management. He was a part of the 2003 FCS National Championship team and was a team captain his senior season. He is one of two head coaches at his alma mater in Conference USA, joining Tony Sanchez of New Mexico State. Other FBS coaches at their alma mater include: Trent Bray (Oregon State), Jeff Brohm (Louisville), Troy Calhoun (Air Force), Timmy Chang (Hawaii), Mario Cristobal (Miami), Kenny Dillingham (Arizona State), Michael Desormeaux (Louisiana), Thomas Hammock (NIU), Brent Key (Georgia Tech), Clark Lea (Vanderbilt), Rich Rodriguez (West Virginia), Tony Sanchez (New Mexico State), Kalani Sitake (BYU), and Kirby Smart (Georgia).

restricted air space

In six seasons under defensive coordinator **Manny Rojas**, the Fightin' Blue Hens have not allowed opposing teams to throw for 300 or more yards in consecutive games.

it's all about the turnover margin

Under head coach **Ryan Carty**, the Blue Hens are 21-0 when winning the turnover ratio. They are undefeated in 11 games in which they haven't committed a turnover, and 10-0 when having a turnover margin of +2 or better in a game.

Ryan Carty holds a 1-1 record in national TV games, having defeated Navy 14-7 for his first career win in 2022. The game was broadcast on CBS Sports Network. 3-high life

UD is one of 23 FBS teams to run a 3-3-5 defense. Defensive Coordinator **Manny Rojas** began dabbling in the system back at Liberty in 2009. The defense originated at Iowa State, but Rojas has taken it and made it his own system. Former Blue Hens DC **Chris Cosh** worked with Rojas on creating Delaware's version of this system. Other FBS programs that run the 3-3-5 are Army, Auburn, Baylor, Cincinnati, FAU, Florida, Florida State, Georgia, Houston, Iowa State, Kansas State, Marshall, Mississippi State, Nebraska, Sam Houston, Syracuse, TCU, Troy, UConn, UTEP, USF, and West Virginia.

COACHES/STAFF NOTES

the gm

Patrick Callaway became the first general manager of Delaware football in program history in January 2025. Callaway was an outstanding linebacker for the Blue Hens from 2011-14, starting in 44 of his 46 career games played and serving as a team captain as a senior in 2014. He registered 303 career tackles, one of just 20 UD players to reach the 300-tackle milestone. Following his graduation from Delaware in 2014, Callaway entered the scouting profession. He spent a year working for Optimum Scouting, where he analyzed NFL draft prospects out of the ACC ahead of the 2016 NFL Draft. Callaway joined the Tennessee Titans in 2016, working as a scouting assistant before being promoted to a college area scout in 2017. As a scout, he developed a league-wide reputation for finding gems in the late rounds of the draft as well as undrafted free agency while also contributing to the evaluations of multiple draft picks that developed into Pro Bowl players.

Senior Offensive Analyst **Tyler Ferguson** and Head Football Athletic Trainer **Annie Stock** got engaged after a spring practice in front of the team on the very field that the two met. talk to me, coach

2025 marks the first season Delaware will be using the "green dot," a sticker on the back of a player's helmet to indicate the use of coach-to-player communication. On offense, the green dot will be worn by the quarterback, while S **KT Seay** will wear it on defense.

Matthews and Cox are also related to 13-year MLB veteran and Delaware Sports Museum Hall of Famer Delino Deshields and seven-year MLB player Delino DeShields Jr.

WR **Max Patterson** comes from a great football family. His dad, Melvin, played receiver at Stephen F. Austin before embarking on a pro career with the Dallas Cowboys, Atlanta Falcons, and Philadelphia Eagles. Following his pro career, Melvin began working for the Drug Enforcement Administration (DEA), which took him to Peru where Max lived from ages 2-7.

WR **Thomas Amankwaa** has been connected to the Carty family since high school. Amankwaa played for **Ryan Carty's** brother, Kevin, at Hillsborough High School in Hillsborough, N.J. The Rutgers transfer has UD ties as well with WR **Max Patterson** being his host on his Rutgers recruiting visit.

Football runs in LB **Dillon Trainer's** family. Dillon's father, Joe, was the head coach of DI Millersville (2005-07) and DI Rhode Island (2009-13). Dillon's brother, Liam, played in 52 career games for the Hens, tallying 197 total tackles. Dillon's sister, Keira, currently works as an operations intern for the New York Jets.

WR **Nick Tyree's** brother, Chris, who went to Notre Dame and Virginia, played for the New Orleans Saints. He signed as UDFA on April 27 and was waived on August 10 due to injury with a designation to return.

WR **Jake Thaw's** brother, Ben, is currently the safeties coach at Austin Peay. He was previously the linebacker coach at Lehigh.

CBs **Nate Evans** and **Keontae Jenkins** are half brothers as they both share a mother, Kawanna Taylor. This will be the first season they play together since high school when they overlapped one season at Frank W. Cox High School in Virginia.

QB **Braden Streeter** already had some roots planted in Newark. His great-uncle, **Chuck Hall**, is a Delaware Athletics Hall of Famer after a storied career as a four-time All-American fullback. He was part of back-to-back Middle Atlantic Conference championship teams in 1968 and 1969 and rushed for 1,000 yards three times. Another of his great-uncles, **Tom Hall**, was a member of the football team, graduating in 1977.

LB **Sean Quick's** and WR **Donovan Lewis's** fathers played football for the Fightin' Blue Hens and were teammates on the 1992 squad. **Paul Quick** and **Marcus Lewis** were part of a team that went 11-3 with a trip to the Division I-AA Semifinals. Lewis ran for 413 yards, scored five touchdowns, and averaged 6.1 yards per carry in his final season in the blue & gold.

Four Hens have or will be having a child entering the 2025 season. DT **Kion Wright** has a one year old daughter named Nyanni, while CB **Keontae Jenkins** welcomed his daughter, Kyrene, this past June. OL **Patrick Shupp** and DT **Keyshawn Hunter** are both expecting boys this year, as Shupp's son is due in October, while Hunter's son is due in December.

BEST VALUE

UD ranks among the country's best value propositions, according to U.S. News & World Report, Wall Street Journal, Kiplinger's and Forbes. This summer, The Princeton Review ranked UD among its 209 Best Value Colleges for 2025, earning one of the publication's highest return-on-investment ratings. Money magazine awarded UD 4½ stars out of a possible five in its 2025-26 rating of America's best colleges. The University, according to Money, "stands out for its affordability" as a public college providing an excellent value for in-state students, and is considered one of the Best Colleges in the Northeast.

UNIVERSITY OF DELAWARE NOTES

distinguished history

In 1743, the school that would become the University of Delaware was just a tiny institution, with a graduating class of about a dozen. Three of those graduates – **Thomas McKean**, **George Read** and **James Smith** – would go on to sign the Declaration of Independence; Read would also sign the U.S. Constitution, helping launch a new paradigm of freedom for an entire nation and a beacon of liberty for much of the world.

first in study abroad

In 1923, UD initiated a program to enhance students' learning by giving them an overseas experience. Influenced by the carnage he saw as an ambulance driver in World War I, professor **Raymond Kirkbride** believed that understanding other cultures was critical to promoting peace. His idea would grow into the first study-abroad program in the United States. Today approximately a third of all UD students participate in study abroad programs offered around the world. This year, the University celebrates the 10-year anniversary of its World Scholars Program, through which a cohort of new students experience their first UD semester abroad. These students return to UD for the spring and, as juniors, they can elect one of 40 study-abroad experiences.

introducing ud's new leadership

Interim President **Laura Carlson** and Interim Provost **Bill Farquhar** have been at the helm since July 1. Carlson joined the University of Delaware community in 2022, serving as its chief academic officer when she became the University's 12th Provost. Farquhar has been a faculty member for more than 23 years in UD's Department of Kinesiology and Applied Physiology. He most recently served as the dean of UD's College of Health Sciences.

student applications are climbing

Interest in a University of Delaware education continues to soar. UD received more than 40,000 applications for this year's class of first-year students, setting a UD record for the seventh consecutive year. Over the last year, UD hosted more than 38,000 visitors (prospective students and their families) at open houses and campus tours, and awarded more than \$200 million in financial aid to its newest students.

incorporating ai into curriculum

AI has the potential to reshape higher education. UD has applied this technology in myriad ways and continues to explore further applications for artificial intelligence – including the launch of new academic offerings like an undergraduate major, a graduate degree program and a certificate; the creation of UD's First State AI Institute; and the incorporation of generative AI into curricula.

UNIVERSITY OF DELAWARE NOTES

udpd's top dog

This summer, the University of Delaware Police Department added a facility dog – an 18-month-old yellow labrador named **Patti**. She's been assigned to UDPD's Community Resource Unit and her role at the department is to build community trust on campus and in the Newark community and contribute to the support services that are available to the department's officers, as well as victims and witnesses.

using sharks as weather sensors

A research study by **Aaron Carlisle**, a professor in UD's College of Earth, Ocean and Environment, collects data from sharks using tags that are applied to their fins. The tags gather temperature readings and other data that can help researchers predict the power and path of hurricanes that originate in the Atlantic Ocean.

studying disaster response

Historic flooding this year in Texas' Kerr County was responsible for catastrophic loss of life and billions of dollars in damage and economic loss. **Julie Elliott**, a Ph.D. student from UD, visited Texas to study collaborative disaster management response. Her research could save lives by helping to inform future flood response.

a game-changing tool for athletes

It's well known that athletes are at higher risk of experiencing lower extremity injuries after suffering concussions. UD professor of kinesiology **Tom Buckley** has developed an AI-powered tool that can predict those injuries with 95% accuracy. That's because the brain changes stemming from a concussion affect an athlete's balance, cognition, and reaction times and – without the tool he's developed – they can be difficult to detect in standard clinical testing.

insects as ... food?

UD assistant professor and agricultural entomologist **Michael Crossley** delivers a popular undergraduate course that teaches students about an environmentally friendly and healthy source of protein – insects. Globally, two billion people each year consume insects as a sustainable food source because they require less water, land and feed than traditional livestock and provide a healthy source of protein. Students in Crossley's course explored ways to prepare and taste several recipes using insects as a primary ingredient.

PROMINENT ALUMNI

**joe Biden**

The 46th President of the United States, Biden is a proud 1965 graduate of the University of Delaware. Named in his honor, UD's Joseph R. Biden, Jr. School of Public Policy and Administration prepares students with the knowledge, skills and values necessary to engage in research and public service activities to improve the quality of life in communities around the world. Former First Lady, Dr. Jill Biden, also graduated from the University of Delaware with a bachelor's degree in English in 1975. In 2007 she received a Doctor of Education (Ed.D.) in educational leadership from UD. The Bidens – in UD terms – are "Double Dels," which is used to describe UD alumni who are a married couple.

**chris christie**

New Jersey's governor from 2010–2018 and a former U.S. presidential candidate, Christie was a UD class president and graduated in 1984 with a degree in political science.

**elena delle donne**

A former professional basketball player and a 2016 Olympic gold medalist, Delle Donne led the Blue Hens to the Sweet 16 of the NCAA tournament in 2012–13. She graduated in 2013 with a degree in human services and a concentration in administration and family policy.

In September 2025, Delle Donne was named the first managing director of the USA Basketball 3x3 Women's National Team,

POSITION BY POSITION PREVIEWS

quarterbacks

Pass Game Coordinator, Recruiting Coordinator, and Quarterbacks Coach **Sean Goldrich** oversees the unit in his fourth season with the Blue Hens.

"I think we've actually done a nice job of balancing out the room," Goldrich said. "We have some more pocket-style guys that are really going to do a great job of processing information, locating the football, and getting the ball out on time. We also have some great athletes in the room, too. Guys that can run really well, and are able to make some people miss in the open space."

The unit is very experienced, led by returnees **Zach Marker** and **Nick Minicucci**, who combined to start eight of 11 games a season ago. Marker has thrown for 1,689 yards and 13 touchdowns over nine games in his two seasons in the 302 after three seasons at Iowa Central Community College. Minicucci has appeared in 15 games, throwing for 1,299 yards and 15 touchdowns in his first two seasons in Newark.

Sophomores **Braden Streeter** and **Austin Troyer** also return, as Streeter played in two games in 2024 as a freshman.

Joining the QB room this season are UCF transfer **Riley Trujillo** and freshman **EJ Archfield Jr.**, who are both looking for their first collegiate action. Trujillo was an ESPN Top 300 recruit out of high school, while Archfield Jr. was a three-star by On3.

running backs

Running Backs Coach **Xavier Dye** is in charge of the running backs in his first season at Delaware. Dye came to Newark from Coastal Carolina, where he was the running backs coach for two seasons.

"We think the guys that we have can execute all the runs and all the pass concepts that we have that go to the running back," Dye said. "I think our guys do a nice job, and it's my job to keep coaching them to get them better."

With the task of replacing New Orleans Saints RB **Marcus Yarns**, the Hens will turn to **Jo Silver**, a senior who has played in 26 career games at UD. Silver was named a candidate for the Doak Walker Award. It is the first time a Blue Hen has been named a candidate for a major FBS award in program history. Silver also earned Preseason All-Conference USA honors from Athlon Sports (First Team) and Phil Steele (Second Team).

Rotating in with Silver are Tulsa transfer **Viron Ellison Jr.** and returnee **Saeed St. Fleur** - both of which have collegiate playing experience. Ellison Jr. played in

11 games as a freshman for the Golden Hurricane, while St. Fleur has appeared in 23 games with Delaware.

Other returning players include **Daniel McConomy**, **Oliver Redd**, and **Greg Spiller**. True freshman **Jared Porter** (Harrisburg, Pa. / Central Dauphin East) rounds out the room.

wide receivers

Assistant Head Coach - Offense, Offensive Coordinator, and Wide Receivers Coach **Terence Archer** leads the room in his fourth season at UD.

"I really feel good about our depth," Archer said. "I told our guys going into [camp] there is no depth chart right now. We got some guys from last year who made some big plays for us, and hopefully will continue to do so. We brought in some good players, freshmen and transfers, that I think can help us."

In a unit that features incredible depth with 18 wide receivers, the returning leaders are **Jake Thaw** and **Max Patterson**. Thaw, the second-leading receiver a season ago for the Hens, finished the campaign with 41 receptions, 334 yards, and five receiving TDs. Thaw also provides a boost on special teams, earning All-CAA Second Team as a punt returner. Patterson appeared in all 11 games last year in his first season in Newark, making five starts with 25 catches and 286 yards.

Junior **Ja'Carree Kelly** was a steady presence for UD last season, appearing in all 11 games with eight starts. Kelly recorded 17 catches for 171 yards and one touchdown. Graduate **Nick Laboy** also played in every game in 2024 for the Hens, making four starts with 15 catches, 164 yards, and a touchdown.

Sean Wilson showed flashes in his lone career game during his freshman campaign, tallying two touchdown receptions on his first two career receptions in a blow-out win over Sacred Heart.

Other returners include **Luke Brown**, **Donovan Lewis**, **Matthew McKinley-Daniels**, **Ashton Navarrete**, **Declan O'Brien**, **Dan Parisi**, and **Nick Tyree**.

A trio of FBS transfers joined the room, including **Thomas Amankwaa** (Rutgers), **Kyre Duplessis** (Coastal Carolina), and **Brandon Rehmann** (West Virginia). **Emmanuel Doku** (Willingboro, N.J. / Holy Cross Prep), **Ty Salazer** (State College, Pa. / State College Area), and **Calvin Thomas** (Gainesville, Fla. / Gainesville) joined the fray as true freshmen.

POSITION BY POSITION PREVIEWS

tight ends

Assistant Special Teams Coordinator and Tight Ends Coach **Garrett Smith** commands the unit in his fourth season with the Blue Hens.

"Elijah [Sessoms] and Connor [Witthoft] have done a really good job helping out all the younger guys: Jackson Whitacre, Scott Moore, Jaxson Bowman, Maddox Sills, and Logan Klein," Smith said. "All those guys are taking the next step during fall camp."

After losing last year's starter **Caleb Fauria**, the room is going to feature key returners, **Elijah Sessoms** and **Connor Witthoft**.

Sessoms has appeared in 24 games over his three years in the 302, while Witthoft appeared in all 11 games in his first year in Newark last season after transferring from New Mexico.

Other returners include **Logan Klein** and **Jackson Whitacre**, as well as freshmen **Jaxson Bowman** (Cherry Hill, N.J. / Cherry Hill East), **Scott Moore** (Girard, Kan. / Girard), and **Maddox Sills** (Benson, N.C. / South Johnston).

offensive line

Run Game Coordinator and Offensive Line Coach **Chris Rogers** spearheads the unit in his fourth season with the Blue Hens.

"Offensive line is an interchangeable position," Rogers said. "In our opinion, blocking is blocking, so there isn't a specific spot where we're really weak or we're really strong because they've been playing all over the place. We challenge them all camp long to play more than one position. If you want to play football at the highest level, you're not just a right tackle or just a left guard. You have to play guard and tackle or guard and center. You have to play more than one thing, right side and left side. So we teach that way. And that's something that has led to success for us in the past."

The offensive line room has the task of replacing three key pieces from a season ago (**Bradly Anyanwu**, **Brock Gingrich**, and **Blaise Sparks**), while returning starters **Anwar O'neal** and **Patrick Shupp**. O'neal was an All-CAA Honorable Mention last season, starting all 11 games, while Shupp has the longest starting streak on the team at 24-consecutive games.

In addition to O'neal and Shupp, returners **Fintan Brose**, **Steven Demboski**, and **Cole Snyder** are expected to play a significant role for UD in 2025. Brose has played in 43 career games at Delaware with Snyder (18) and Demboski (16) each bringing experience to the table, with the latter filling in for an injured Gingrich in the starting lineup last season. This preseason, Brose was named to

the East-West Shrine Bowl 1000, as well as All-CUSA Third Team by Athlon Sports, and to Conference USA's Watch List.

Other returners include **Tyler Burnham**, **Anthony Caccese**, **Thomas Chernasky**, **Wahkeem Roman**, **Jaime Rosario**, and **Carter Sareyka**.

Joining the unit this season are transfers **Patrick Methlie** (West Chester) and **Noah Rosahac** (Syracuse) as well as freshmen **Bentley Allen II** (Bowie, Md. / DeMatha Catholic), **Dylan Stewart** (Burlington, Ky. / Conner), and **Chandler Telfaire** (Garner, N.C. / Enloe Magnet).

defensive line

Defensive Line Coach **Kyre Hawkins** commands the room in his second season at UD.

"We are on the right track up front," Hawkins said. "I am pleased with the development of the D-line."

The defensive tackle spot is a very senior group, with graduates **Jack Hall** and **Keyshawn Hunter** leading the way. Hall has appeared in 43 career games and was an Athlon Sports Preseason All-Conference USA Fourth Team member, while Hunter was a Athlon Sports Preseason All-Conference USA Third Team member with 26 games played.

Seniors **Nick Karika** (31 games played), **Dominick Brogna** (25 games played), and **James Yelbert Jr.** (22 games played) provide more veteran options in the rotation. **Kion Wright** and **Trace Scott III** have played sparingly throughout their careers, while freshman **Micah Pryor** (Stone Mountain, Ga. / Greater Atlanta Christian) joins the room this season.

At the defensive end spot, **Ethan Saunders** (38 games played), Kentucky transfer **Noah Matthews** (26 games played), and **Q'yaier Price** (15 games played) spotlight the rotation.

Other returnees include **Nate Ray**, **Carson Shockley**, and **Kaeden Singleton**. Two freshmen joined the room this season in **Brandon Gorham** (Odenton, Md. / Arundel) and **Yamdry Hernandez** (Atlantic City, N.J. / Atlantic City Institute of Technology).

linebackers

Special Teams Coordinator and Linebackers Coach **Rocco DiMeco** leads both the special teams corps and linebacker unit in his third season with the Blue Hens.

"They're very consistent right now," DiMeco said. "They have a really good grasp of the defense, I think that's the biggest thing. They communicate really well, and they're just on the same page."

POSITION BY POSITION PREVIEWS

Sixth-year graduate **Dillon Trainer** and junior **Gavin Moul** lead the way for the room. Trainer has played in 43 career games with 20 starts at UD, while Moul led the team in tackles last year with 71. Moul earned Preseason All-Conference USA honors from Athlon Sports (Second Team) and Phil Steele (Second Team) as well as being on the CUSA Preseason Watchlist. Trainer found himself on the Athlon Sports Preseason All-Conference USA Third Team.

Marje Mulumba and **Blake Matthews** also bring experience to the room, playing in 34 and 26 games, respectively. **Anthony Crenshaw Jr.** and **Mekhi Carmon** both played in all 11 games last season for UD.

Colin Gallagher, **Chris Collot**, **Meikhi Cuttino**, and **Sean Quick** provide depth as returnees, while Iowa Central CC transfer **Jawarren Corbin**, freshman **Gevaris Lassiter** (Upper Marlboro, Md. / Bishop McNamara) and freshman **Julius Puryear** (Stuart, Fla. / Jensen Beach) joined the room this season.

cornerbacks

Defensive Pass Game Coordinator and Cornerbacks Coach **Corico Wright** leads the unit in his third season with the Blue Hens.

"It's been an awesome camp, a very competitive camp," Wright said. "We have the most depth we've ever had, which is an amazing thing for us, especially covering all the fast receivers on our roster."

The cornerback room features a veteran presence from **A'Khoury Lyde** (24 career games), **Nate Evans** (17 career games), and **Kshawn Cox Jr.** (10 career games). Evans earned Preseason All-Conference USA Third Team honors from Athlon Sports while Lyde was on the fourth team.

Graduate transfer **Keontae Jenkins** (Coastal Carolina) joins the front with experience, playing in 25 career games.

Sophomore returnee **Alex Adebayo** did not see game action as a freshman, while **Jamarion Kolagbodi** (Fort Wayne, Ind. / Snider), **Jalen Ross** (Jacksonville, Fla. / The Bolles School), and **Azir Lee** (Camden, N.J. / Camden) were part of the 2025 recruiting class.

safeties

Assistant Head Coach - Defense/Special Teams and Safeties Coach **Art Link** leads the unit in his fourth season with the Hens. "We have three to four guys that are in that starter-realm," Link said. "If you tier it, we have a mix of ones, twos, and threes, where our threes are just young and athletic, and they're able to learn from the other guys. When you have a nice layer of experienced

guys and then you have a nice group of freshmen, it helps because you're not relying on that talented freshman to play right away.

The room is one of the most experienced on the roster, featuring **KT Seay**, **Jason Scott**, and **Hasson Manning Jr.** who started 11, 10, and nine games, respectively, a season ago. Seay was a All-CAA Third Team selection last season.

Mysonne Pollard is another returning veteran, appearing in all 11 games off the bench in 2024. Other returnees include **Alex Nash-Lally**, **Kingsley Royal**, and **Nate Spak**. New this year are number changes for Seay (14 to 7), Manning Jr. (31 to 3), and Pollard (18 to 2).

Joining the unit this season are Boston College transfer **Kahlil Ali** as well as freshmen, **Nasir Eatmon** (Waldorf, Md. / North Point), **AJ Graham** (Mooresville, N.C. / Mooresville), **Dillon Griffith** (Newark, Del. / Appoquinimink), and **Noah Jefferson** (Hampton, Va. / Phoebus).

specialists

"They're both going to kickoff and kick field goals," DiMeco said in relation to Nate Reed and Skyler Sholder. "Nate also has the ability to punt. [Brenden Lach] is a kid who has a ton of upside and he's done it in games. He's got a ton of leg potential."

Nate Reed is the incumbent place kicker with **Skyler Sholder** backing him up. Reed has suited up in 33 career games for the Hens, while Sholder has appeared in two games. Reed earned Preseason All-Conference USA honors from Phil Steele (Fourth Team) as well as being on the CUSA Preseason Watchlist. Reed set the Delaware single-season record for touchbacks in 2024 with 47, in addition to going 7-for-10 on field goals and 35-for-39 on PATs.

Michigan Tech transfer punter **Brenden Lach** will serve as the primary punter for UD this season with **Josh Cupitt** scheduled to miss the entire season due to injury. Lach has appeared in 29 games at Michigan Tech, including 22 consecutive.

Noah Vitko will be the long snapper after 15 games for the Hens in his career. Freshman **Bodie Frederick** (Bethany Beach, Del. / Cape Henlopen) is the backup.

HEAD COACH RYAN CARTY

A 2006 University of Delaware alum and member of the 2003 national championship team, Ryan Carty was named the head football coach in December 2021.

In January 2025, Carty signed an extension that will keep him in Newark through the 2030 season.

Entering 2025, the Blue & Gold have gone 26-11 under Carty. In his first two seasons, the team won a FCS First Round game. UD has at least eight wins in three-straight years for the first time since the 1995-97 seasons, and the nine wins in both 2023 and 2024 marked the first back-to-back nine-win seasons since 2003-04. Delaware's win over Rhode Island in 2024 was Carty's 25th career victory, tying him with David Nelson for the third-fastest Delaware coach to reach 25 wins. The Hens have scored at least 40 points on 14 occasions and surpassed 400 total yards 19 times, including 11 games with 500-plus.

UD has had 34 All-CAA honorees during Carty's tenure, including a league-high 15 in 2024. Five Blue Hens have received All-American selections. The program has also been successful off the field with 254 CAA Commissioner's Academic Honor Roll honorees, 14 CSC Academic All-District selections, and two Campbell Trophy Award semifinalists.

Prior to being named the head coach at his alma mater, Carty spent four seasons as the offensive coordinator at Sam Houston. He was named the FCS Coordinator of the Year by FootballScoop.com and to Dave Campbell's Texas Football's "Top 40 Coaches Under 40" list, Carty played an instrumental part in Sam

Houston winning the 2020 FCS National Championship as well as advancing to the 2021 FCS quarterfinals.

Carty's offense helped lead Sam Houston to a 34-10 record from 2018-21 and a 21-1 mark in his final two seasons. During his four-year stint with Sam Houston, the Bearkats advanced to the playoffs in back-to-back years and won two conference titles.

The Bearkats had an undefeated regular season in 2021 and advanced to the FCS Quarterfinals. Sam Houston finished the season ranked third in the nation in scoring offense (41.0 ppg), fifth in total offense (490.9 ypg), and sixth in rushing offense (228.2 ypg).

During the Bearkats' undefeated 10-0 Spring 2021 season, SHSU ranked first nationally in total yards (4,403), first in touchdowns (45), third in first downs (204), seventh in passing yards per attempt (8.6), eighth in passing yards per completion (14.3), ninth in scoring offense (38 ppg), 13th in total offense (440 ypg), and 13th in passing offense (282 ypg).

Before his stop in Huntsville, Carty had an 11-year run on the New Hampshire coaching staff, including six years as the offensive coordinator and quarterbacks coach. During Carty's stint at New Hampshire, the Wildcats qualified for the FCS playoffs in each of Carty's six seasons as offensive coordinator, compiling an 8-6 postseason record and reaching the semifinals in 2013 and 2014.

The Branchburg, N.J. native, a team captain during his 2006 senior campaign, earned his bachelor's degree in management from Delaware in 2006.

DELAWARE STADIUM

Delaware Stadium was completed in 1952 and after renovations in 2020 and 2021, came the addition of the Whitney Athletic Center.

Delaware Stadium is home to the Fightin' Blue Hens football team as well as both the UD's men's and women's lacrosse programs since 2010.

With the newest renovation to include a new press box as part of the Whitney Athletic Center project, the capacity now sits at 18,077.

The stadium served as a host site of NCAA Division I Men's Lacrosse tournament competition

four times, most recently in 2017 for the Men's Division I Lacrosse Quarterfinals.

Delaware Stadium has undergone extensive renovations throughout the years, including the installment of a new synthetic FieldTurf surface that in July 2017. Also included in the renovations were new bleachers, eight poles of permanent broadcast-quality lights (2000), and handrails installed throughout the stadium seating areas (2011). The most recent renovation was the addition of a new Daktronics video board in the north end zone in 2023.

In 2002, the Delaware Stadium playing surface was dedicated as Tubby Raymond Field, recognizing Delaware's College Football Hall of Fame head coach who retired following the 2001 season after compiling 300 victories in 36 seasons. Raymond passed away in December, 2017.

Other events held in the stadium include the annual Blue-Gold Delaware High School Football All-Star game and University of Delaware graduation ceremonies.

WHITNEY ATHLETIC CENTER

The Whitney Athletic Center opened its doors in 2021. The facility houses performance nutrition, strength & conditioning, athletic training rooms, academic spaces and student athlete development and compliance offices.

On the first floor of the multi-million dollar facility, you can find the main athletic training room which includes three hydrotherapy pools and provides athletes with direct access to the Flacco Strength & Conditioning Center. The Flacco Strength & Conditioning Center provides athletes with a 10,000 sq. foot state of the art strength and conditioning center outfitted with 14 double-sided Sorinex squat racks and a 15-yard turf field directly attached to it.

Just outside of the Flacco Strength & Conditioning Center and the athletic training room is the sports performance nutrition center where athletes can have a grab-and-go breakfast, smoothies, cooking demos, and snacks throughout the day.

The second floor includes the Puglisi Family Cardio Mezzanine with multiple treadmills, stationary bikes, and other cardio equipment. Outside the Puglisi Family Cardio Mezzanine is the student-athlete academic success suite that houses student-athlete development, career, and NCAA compliance offices. Across the hall is the Sparks Student Success Suite and the Whitney Kitchen. The Whitney Kitchen is open to all UD

students and can be added as part of a student's meal plan.

Off of the Whitney Kitchen is the Stadium Club and the President's Suite to enjoy football and lacrosse games in Delaware Stadium in comfort.

The top floor of the Whitney is home to the Delaware Stadium press box as well as individual booths for press, media, coaches for both teams, broadcasting, and game day operations. Suites are also provided for the Athletic Directors for both schools at any given event at Delaware Stadium.

MEDIA RELATIONS

Media may contact the Conference USA office by phone (214-774-1300) or e-mail to be included on the league's e-mail lists for releases and information.

Statistics are updated on Sundays, weekly releases on Mondays, and press conference quotes on Mondays and Tuesdays.

Please contact Josh Yonis (jyonis@conferenceusa.com) in the conference office with requests or questions.

Conference USA sponsors competition in 19 sports – eight for men (baseball, basketball, cross country, football, golf, tennis, and indoor and outdoor track and field) and 11 for women (basketball, beach volleyball, bowling, cross country, golf, soccer, softball, tennis, indoor and outdoor track and field, and volleyball).

The league's schools are among the nation's best in academic performance of student-athletes, bolstered by the fact that student-athletes at league schools have a higher graduation rate than the general student population. Each year the league names recipients to the Commissioner's Honor Roll and awards the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom. Honor Roll is awarded to student-athletes in conference-sponsored sports that have achieved a 3.0 cumulative GPA or above, while Academic Medal recipients have achieved a 3.75 cumulative GPA or above. CUSA annually awards each institution a Jim Castañeda Postgraduate Scholarship, along with the Sport Academic Awards, Scholar-Athletes of the Year and the Institutional Academic Excellence Award.

CUSA emphasizes the relationships our student-athletes form with our member communities through volunteer service and has implemented several initiatives designed to maintain strong ties within our communities, as well as with fans and alumni across the country. Individually, student-athletes are recognized each season through the Spirit of Service award.

CUSA enjoys significant exposure through a new multimedia rights deal that launched in 2023-24. These partnerships, which include long-term partners CBS Sports Network and ESPN, emphasize accessibility, opportune scheduling models, along with increased national linear and digital exposure for football, men's and women's basketball and conference Olympic sports. Through its partnership with Sidarm Sports, the league's official website, ConferenceUSA.com, features a nationally recognized content management system providing a place for fans, members, and media to connect with us. Additionally, CUSA partnership with industry-leader INFLCR supplies a content delivery platform for our student-athletes.

CUSA BOWL SYNOPSIS

Conference USA is in the final year of the league's six-year cycle of the bowl lineup, concluding with the 2025 season. The conference is guaranteed seven bowl appearances in each year of the cycle and will have associations with up to 16 different bowls.

As part of the new bowl cycle, CUSA will annually send teams to the Bahamas Bowl against a Mid-American Conference opponent, and to the R+L Carriers New Orleans Bowl, against a Sun Belt Conference school. The league has participated in all 10 Bahamas Bowls and has placed a team in the New Orleans Bowl 20 times in its first 24 years.

The league continues its relationship with the Radiance Technologies Independence Bowl. CUSA is guaranteed to send a team to the Shreveport, Louisiana-based bowl in 2025, while holding a secondary agreement with the bowl in the other years of the cycle.

The conference's remaining guaranteed selections in the cycle (either four or five per season) will include the 68 Ventures Bowl (Mobile, Alabama) or from among 11 games which are owned and operated by ESPN Events. A backup opportunity also exists for the Quick Lane Bowl after ESPN and/or Independence Bowl slots have been filled.
