PUCK DROP

The University of Delaware Fightin' Blue Hens step out of AHA play this weekend, hosting Union College for a two-game non-conference series at Fred Rust Ice Arena.

The two programs met last year in a weekend series at Union. The Garnet Chargers won both contests by scores of 7-0 and 3-0. **Mattie Robitzer** and **Charlotte Payne** made 36 and 33 saves, respectively, in the two games.

Delaware is coming off a two-game AHA series at RIT last weekend, falling just short in both games. **Lily Myers** scored her first-career goal in the weekend opener, while **Danica Mark** and **Reese Reid** both scored in the second game. Reid's goal was the first of her career. **Charlotte Payne** made 58 saves over the two games.

The Fightin' Blue Hens have scored 10 goals through their first six games of the season. Last year it took 11 games to score the team's 10th goal. Nine different players have scored a goal this year and, in all, 16 different players have registered at least one point. Of the nine goal scorers for the Blue Hens, six have registered their first-career goals.

Delaware returns 17 letterwinners from its inaugural season, including 14 sophomores. Fifth-year **Tiana McIntyre** is back to anchor the UD blue line, while senior forward **Danica Mark** and senior goalie **Mattie Robitzer** round out the returning upperclassmen.

The Blue Hens have added eight newcomers to the roster for this year including two transfers and six freshmen.

WHAT TO LOOK FOR...

- A victory this weekend would match Delaware's total wins (2) in all of its inaugural season.
- Delaware freshman defenseman **Reese Reid** enters the weekend with points in three-straight games (1g, 2a).
- Transfers **Hailey Anderson** and **Shea Frost** are looking for their first points in the Blue & Gold.

ten goals, nine different scorers

The Blue Hens have scored 10 goals through their first six games of the season and have had nine different scorers. **Danica Mark** is the only one to have scored multiple goals. In all, 16 different players have registered at least one point.

Of Delaware's nine different goal scorers this season, six - **Morgan Link**, **Kyla Schneider**, **Wren Abboud**, **Emma MacIntyre**, **Lily Myers**, and **Reese Reid** - have scored their first-career goals.

goalie of the week honors

Charlotte Payne earned her first-career AHA Goaltender of the Week honors for her performance against RIT in UD's home-opening weekend. She stopped 33-of-34 shots in Delaware's 4-1 win and finished the weekend with 56 total saves to go with a 2.04 GAA in two games.

bringing the winged helmet to the ice

During its home-opening series against Lindenwood, Delaware debuted its secondary winged helmet. The design, which has been a staple for the Blue Hens on the gridiron since 1951, is the only one of its kind in Division I women's ice hockey.

The winged helmet was first developed by Princeton Head Football Coach Fritz Crisler in 1935. Crisler brought the design to Michigan when he was named the head coach in 1938 and David M. Nelson, who played at Michigan under Crisler, brought the winged helmet to Newark when he was named Delaware's head coach in 1951.

strong debuts

Eight Blue Hens - six freshmen and two transfers - made their Delaware or collegiate debuts in the season-opening weekend at Holy Cross. Freshman **Morgan Link** scored her first collegiate goal with 13.7 seconds remaining in the opener to send the game to overtime. She tipped in a shot from classmate **Reese Reid**, who picked up her first collegiate point. Freshman **Lily Myers** scored the lone goal in the shootout. In game two, goalie **Mackenzie Sunderbruch** made her debut in net and stopped 36 shots.

re-union weekend

Delaware senior forward Danica Mark is taking on her former team this weekend when the Blue Hens host Union. Mark played two seasons for the Garnet Chargers, appearing in 17 games with a goal and two assists, before transferring to UD.

welcome back

Delaware returns 17 letterwinners from its inaugural season, including 14 sophomores. Fifth-year **Tiana McIntyre** is back to anchor the UD blue line, while senior forward **Danica Mark** and senior goalie **Mattie Robitzer** round out the returning upperclassmen.

Sophomores **Francesca Barresi** and **Katelynn Charlton** are the Blue Hens' two returning leading scorers after registering 12 and 10 points, respectively, as freshmen last season.

pulled from the portal

Delaware brought in two key transfers this season. Fifth-year defenseman **Shea Frost** comes to the Blue Hens after four years at Boston College. Junior forward **Hailey Anderson** will don the Blue & Gold after two seasons at Franklin Pierce. She had nine goals and 13 assists last year as a sophomore, helping lead the Ravens to a NEWHA championship and berth in the NCAA Tournament.

freshmen class

The Blue Hens welcome in six freshmen to this year's squad, including four forwards (**Katie Belk**, **Morgan Link**, **Lily Myers**, **Kyla Schneider**), a defenseman (**Reese Reid**) and a goalie (**Mackenzie Sunderbruch**).

shattuck pipeline

The Blue Hens have opened up a pipeline from Shattuck St. Mary's School, the elite hockey prep school in Minnesota. Three members of this year's roster are products of Shattuck, including junior forward **Hailey Anderson**, sophomore defenseman **Lexie Lonask**, and freshman goaltender **Mackenzie Sunderbruch**. Additionally, assistant coach **Melissa Samoskevich** also attended and played at Shattuck St. Mary's before her collegiate playing career at Quinnipiac.

freshmen on a mission

Three members of Delaware's freshman class come to Newark with a lot of familiarity with each other. The trio of **Morgan Link**, **Lily Myers**, and **Kyla Schneider** are all coming from the Chicago area and played club hockey together on the same line for the Chicago Mission.

something in the "wooder"

One of the top girls' club programs in the country is the Philadelphia Jr. Flyers, and a quartet of Blue Hens have made the stop in Philadelphia on their journey to Newark. Senior **Mattie Robitzer**, junior **Hailey Anderson** and sophomores **Billi Roman** and **Taylor Schooley** all played for the Jr. Flyers before embarking on their collegiate careers.

a day for the record books

The Blue & Gold picked up the first victory in program history on October 5, 2025, securing a 2-1 win against Holy Cross. **Charlotte Payne** made 49 saves, then a career-high, while **Meera Smith** scored her first-career goal in the second period and **Katelynn Charlton** scored the program's first power play goal which proved to be the game-winner.

impressive in the classroom

Delaware put up impressive numbers in the classroom in its inaugural year, registering a 3.50 team GPA with a roster that featured 17 freshmen. The Blue Hens had 14 representatives on the 2025-26 AHA All-Academic Team, which requires a minimum 3.0 GPA across both semesters.

perfect payer

Charlotte Payne, a mathematics & data science major, was one of 21 student-athletes in the conference to be named an AHA Student-Athlete of the Year for recording a perfect 4.0 GPA for the 2025-26 academic year.

delaware degree

Fifth-year defenseman **Tiana McIntyre** earned her bachelor's degree in psychology this past May from the University of Delaware, along with a minor in Spanish. She is currently pursuing her master's certificate in strategic leadership.

oh captain, my captain(s)

Delaware will be led by three captains this season. Fifth-year **Tiana McIntyre** will wear the captain's "C" while seniors **Mattie Robitzer** and **Danica Mark** will serve as alternate captains. The trio were all captains during last year's inaugural season along with **Kaitlin Finnegan**.

bringing the payne

Sophomore **Charlotte Payne** was among one of the best freshman goaltenders in the country last season. She appeared in 20 games, posting a .914 save percentage and a 3.80 GAA with 802 saves. Payne had 11 games with at least 40 saves, including a season-high 51 twice. Nationally, she ranked third in total saves and fourth in save percentage among freshmen who played at least 20 games.

fearless shot blockers

The Blue Hens' defense blocked 758 shots to lead all of Division I last season. Saint Michael's ranked second with 579 blocks. UD had 12 games with at least 25 blocks, with a season-high 44 at Brown (Nov. 9).

Individually, **Lexie Lonask** led the entire country with 141 blocked shots and was one of just two players with more than 100. She had two games with at least 10 blocks, including a career-high 11 at Brown (Nov. 9). **Bailey Gray** (73) ranked 15th nationally.

saves on saves on saves

Delaware goaltenders **Mattie Robitzer** and **Charlotte Payne** were exceptionally busy in the crease last season, ranking third in all of Division I with 1,357 combined saves. Overall, the duo has 16 games with at least 40 saves and six games with at least 50 saves.

Robitzer had five games with at least 40 saves, including a career-high 63 saves at Mercyhurst. She also had 62 stops against Penn State, and 57 against Holy Cross.

Payne had 11 40-save performances, highlighted by her 49-save performance to earn her first collegiate victory against Holy Cross, sealing Delaware's first-ever win. Payne has made a career-high 51 saves twice.

first commit, first goal

Sophomore **Francesca Barresi** cemented herself in the program record book when she scored the first-ever goal in Delaware ice hockey history during the Blue Hens' inaugural game against LIU on September 26. The Ottawa, Canada native blocked a pass and came in alone on a breakaway to net her first-collegiate goal midway through the third period. It was only fitting as Barresi was the first player to commit to play for the program in November 2024.

diverse roster

Delaware's roster has 25 student-athletes made up of 17 Americans, seven Canadians, and one Norwegian. Twelve different states are represented on the roster with only four states (Illinois, Massachusetts, Minnesota, Pennsylvania) called home by more than one Blue Hen. The other eight states include Arizona, Colorado, Delaware, South Carolina, Texas, Utah, Virginia, and Wisconsin.

two is better than one

Delaware had three different players score two goals in a game during its inaugural season. **Katelynn Charlton** became the first Blue Hen to do it against Holy Cross (Oct. 4), including scoring the program's first power play goal and game-winning goal. **Kaitlin Finnegan** scored twice in the first period against Lindenwood (Nov. 14), including Delaware's first shorthanded tally. **Francesca Barresi** scored two power play goals in a 1:47 span against RIT (Jan. 8) to become the first Blue Hen to score two power play goals in a game.

cool cousin

Freshman forward **Katelynn Charlton** is the cousin of Mikyla Grant-Mentis who currently plays for the Seattle Torrent of the PWHL. Grant-Mentis played college hockey at Merrimack before playing four seasons in the PHF, earning MVP honors her rookie season.

taught them everything

Assistant coach **Melissa Samoskevich** has twin younger siblings who both play professional hockey. Her brother, Mackie, was a first-round draft pick (24th overall) by the Florida Panthers in 2021 and has won two Stanley Cups. He was traded to the Seattle Kraken before the 2026-27 season. Her sister, Maddy, was drafted in the fifth round (39th overall) by the Vancouver Goldeneyes in 2025 after a stellar playing career at Quinnipiac.

home sweet home

Even before putting on the Delaware sweater, a pair of Blue Hens were quite familiar with UD's Fred Rust Ice Arena. Sophomore **Billi Roman** played her high school hockey at Fred Rust while playing for The Tatnall School (Wilmington), and senior **Mattie Robitzer** grew up just over the Pennsylvania border in Kennett Square and often played youth hockey on UD's campus.

destined to be a blue hen

Sophomore **Billi Roman** is not only the lone Delawarean on the roster, but the only woman from the First State playing Division I hockey. Hailing from Hockessin, Roman attended The Tatnall School in Wilmington, where she suited up for the boy's hockey team that played its home games at Fred Rust Ice Arena.

Roman has several relatives who attended UD, including her father and grandfather, as well as an uncle and two cousins who played for Delaware's club hockey programs. She is wearing No. 21 in honor of her late uncle, Tim Roman, who played for the Blue Hens in the early 1990s.

no stranger to starting programs

Head coach **Allison Coomey** was hired as the Blue Hens' first head coach in March 2024. She spent 18 months compiling a roster and coaching staff ahead of the program's inaugural season.

This isn't the first time that Coomey has helped launch a new program. As a student-athlete, she was a member of the inaugural women's ice hockey team at Niagara University. She played four seasons for the Purple Eagles, serving as an alternate captain her senior season when Niagara advanced all the way to the 2002 NCAA Women's Frozen Four.

there's something in the gene pool

The genetic trait of twins runs strong on the Blue Hens roster. **Mattie Robitzer** has a twin sister - Lily - while **Tiana McIntyre** has a twin brother - Colten - who is the traveling practice goalie and EBUG for the Utah Mammoth. Head coach **Allison Coomey** has a twin sister - Alissa - while assistant coach **Melissa Samoskevich** has two younger siblings who are twins - Mackie and Maddy - who both play professional hockey.

not exactly hockey hotbeds

Sophomore **Billi Roman** (Hockessin) is the only active Division I women's ice hockey player to hail from the state of Delaware. Likewise, junior **Hailey Anderson** (Greer) is the only active player in DI from South Carolina.

When fifth-year **Tiana McIntyre** (Park City) entered her freshman season at Quinnipiac in 2022-23, she became the first woman from the state of Utah to play Division I ice hockey. There are now two as Eden Granley (American Fork) is a sophomore at St. Anselm.

Freshman goaltender **Mackenzie Sunderbruch** (Richland Hills) is one of three Texans on Division I rosters this year. She is joined by senior Victoria Petruska (Plano) of LIU and fellow freshman goalie Bianca Birrittieri (Flower Mound) at Providence.

Sophomore **Lexie Lonask** (Chandler) is one of four active players in Division I from Arizona. The other three include Union freshmen Natalie Andelova (Loveen Village) and Isabel Powers (Scottsdale) and Saint Michael's sophomore Kaydence Carpenter (Phoenix).

norwegian national

Sophomore **Ida Haave** is a member of the Norwegian National Team. A native of Kristiansand, Norway, Haave represented her home country at the last three IIHF Women's World Championships. In 2024 in Austria, Haave helped lead Norway to the top spot at the Women's World Championship Division I Group A in Austria, earning a promotion into the top division in 2025 for the first time since 1997. At the 2025 games in Czechia, Haave recorded one assist in four games as Norway went 1-3 in pool play, finishing fourth of five teams in Group B. She played in all five games for Norway at the 2026 Women's World Championship Division I Group A in Budapest.

45th in the first state

Delaware became the 45th college or university to sponsor a Division I women's ice hockey program. The Blue Hens are the first program to start at the Division I level since Assumption College started its program ahead of the 2023-24 season.

Head coach **Allison Coomey** (2017-24) and assistant coach **Melissa Samoskevich** (2020-22) both spent time behind the bench at Penn State.

delaware's team

The Blue Hens are the first Division I ice hockey team, men or women, in the state of Delaware. The only NHL player to have ever come from the First State is Mark Eaton, who played for Philadelphia, Nashville, Pittsburgh, and the New York Islanders from 1999-2013.

22nd varsity program

Delaware announced the addition of ice hockey as the University's 22nd varsity sport in December 2023, with play beginning in the 2025-26 season. The addition of hockey was in conjunction with Delaware's transition to Conference USA and FBS football and UD's continued commitment to stay Title IX compliant.

hockey in the south

Of the 45 Division I women's ice hockey teams in the country, the University of Delaware is the second-most southern program. Only AHA-foe Lindenwood is further south. With a latitude of 38.79°, St. Charles, Missouri is approximately 62 miles south of Newark, Delaware (39.68°).

nhl partners

Shortly after announcing the addition of women's ice hockey as a varsity sport, the University of Delaware made another important announcement. In a first-of-its-kind pairing, Delaware and the Philadelphia Flyers formed a strategic partnership aligned around growing the game of hockey, community engagement, and launching a world-class women's ice hockey program. The Blue Hens became the only NCAA Division I women's ice hockey program in the country to have a partnership with an NHL team.

Delaware ice hockey student-athletes will have access to career and professional development with the Flyers, as well as a chance to participate in the Flyers Next Shift program. The program was developed to allow women in college to shadow professional women throughout the organization on game nights. Other opportunities for internships in both business and hockey operations could happen as well.

HEAD COACH ALLISON COOMEY

With over two decades of women's ice hockey coaching experience, the University of Delaware selected Allison Coomey to be the inaugural head coach of the women's ice hockey program on March 26, 2024.

In Delaware's first season, the Fightin' Blue Hens saw continuous growth throughout the year. With a roster featuring 17 freshmen, the program recorded its first-ever victory with a 2-1 win over Holy Cross on October 5, 2025. It was also Coomey's first win as a head coach. UD had 11 games decided by two goals or less, and went to overtime four times. Delaware was the least-penalized team in Atlantic Hockey America.

Coomey came to Newark after spending the past seven seasons at Penn State. She served as an assistant coach for three seasons before being promoted to associate head coach in 2020-21.

Over the course of her career, Coomey has coached four student-athletes to the Olympics, eight to national teams, four All-Americans, 15 major conference award winners, and 47 all-conference selections.

Coomey and the Nittany Lions captured two CHA tournament titles and three regular season championships in her last four seasons. Primarily responsible for the defense, Coomey's leadership turned Penn State into one of the best defensive units in the country by allowing just 1.88 goals per game from 2019-24.

Selected for various international coaching roles with USA Hockey, Coomey was on staff with the silver-medal winning USA National Team at the 2022 Beijing Olympic Games as a team scout and extension of the coaching staff. Coomey served as the head coach for the U23 US Women's National Team in 2021 and 2022. She also spent time as an assistant coach for the USA senior national team during the 2021 IIHF World Championship and was also a member of USA Hockey's scouting staff at the 2019 IIHF U18 Women's World Championship.

At the 2019 America Hockey Coaches Association Convention, Coomey received the AHCA Women's Hockey Assistant Coach of the Year award for her outstanding career resume.

Prior to Penn State, Coomey spent nine seasons at Boston University where she helped the Terriers qualify for the NCAA Tournament six times, including a pair of NCAA Championship appearances in 2011 and 2013. While at BU, Coomey coached four Olympians who combined to win six gold medals for the Canadian National Team at the 2010 and 2014 Winter Olympic Games.

A four-year letterwinner at Niagara, Coomey returned to her alma mater as an assistant coach from 2004-08, helping the Purple Eagles reach the CHA title game twice.

Before Niagara, Coomey served as an assistant coach at Plattsburgh in 2003-04 where she helped guide the Cardinals to the 2004 Eastern Collegiate Athletic Conference (ECAC) West Division III regular-season title and the NCAA Division III semifinals. Coomey secured her first job in the industry as an assistant women's hockey coach at Connecticut College.

The Baldwinsville, New York, native earned two degrees from Niagara, a bachelor's degree in education in 2002 and a master's degree in school counseling in 2008. She was a two-time ECAC All-Academic Team member and earned a spot on the Metro Atlantic Athletic Conference All-Academic Team.

Coomey was a two-sport letterwinner at Niagara, playing ice hockey and lacrosse from 1998-2002. On the ice, she served as an alternate captain during her senior season and helped the team to its most successful campaign in program history. The Purple Eagles reached the 2002 NCAA Women's Frozen Four and finished tied for third in the final national poll. On the lacrosse field, she earned the team's rookie of the year award.
