# A NEW ERA

After a nearly 18-month wait, the new era is finally here and the University of Delaware Fightin' Blue Hens are officially full members of Conference USA as of July 1, 2025. Fourteen of UD's 22 varsity programs will be housed in CUSA, with eight others joining as affiliate members in the Atlantic Sun (women's lacrosse, men's and women's swimming & diving), Atlantic 10 (men's lacrosse), Mid-American Conference (rowing), The Summit League (men's soccer), Atlantic Hockey America (ice hockey), and Mountain Pacific Sports Federation (field hockey).

An athletic department built on history and tradition, Delaware brings an abundance of success to CUSA having won 10 national championships, 172 team conference titles, 282 individual conference crowns, 342 major conference awards, 2,655 all-league selections, and 543 all-americans.

UD student-athletes complement their athletic success with strong academic performances. During the 2024-25 academic year, the Blue Hens compiled a cumulative 3.41 grade-point average—the highest in department history, excluding academic terms impacted by COVID-19. This marked the 11th-consecutive year and the 23rd-straight semester in which UD student-athletes have posted a 3.00 GPA or better.

The move will push the Delaware brand across the nation, spanning from the northeast down into Florida, and west as far as New Mexico. However, the reach won't stop there. At least five football games will hit the national scene on CBS Sports Network/ESPN family of networks, including a non-conference tilt on FOX against Colorado. Men's and women's basketball will also have the chance to play nationally televised games as part of CUSA's media rights agreement with CBS Sports Network and ESPN.

Speaking of reach, Delaware's initial announcements about joining Conference USA reached over two billion people according to social media analytics. Put that into perspective – just over one million people live in the state of Delaware. That means these announcements reached over 2,000 Delawares.

**WHAT TO LOOK FOR...**

- A win on Saturday would move the Blue Hens to 4-0 all-time against Mount St. Mary's, including wins in each of the past three seasons.

- **Steph Marszal** has had three-straight games with at least a .500 save percentage. She had a streak of four such games in 2024 in games against Georgetown, Lafayette, Wagner and Drexel.

**rishko on fire**

Ella Rishko has recorded a hat trick in five of UD's six games this season, including each of the past four. It is the longest streak since Danielle Livornese had four-straight hat tricks to open the 2023 season. The last Blue Hen to do it in five-straight games was Christine Long during the 2019 season.

Rishko also as four points in three-straight games. The last Delaware player to have at least four points in four-consecutive games was Delaney McDaniel in the first four games of the 2025 season.

**welcome back phia**

Sophia Muscolino missed the first three games of the season due to injury, but returned to the lineup against UMBC on March 4, making her first-career start. The junior has had at least two points in all three games she has played, including setting career highs with four assists and five points at No. 24/18/16 Georgetown.

**she's ours now**

Delaware associate head coach **Sam Pratt** spent six seasons on the coaching staff at Mount St. Mary's, serving as an assistant coach and associate head coach for the 2019-24 seasons. She helped lead The Mount to 63 wins in her six seasons, including a program-record 16 wins in 2019 and a pair of NEC championships (2021-22).

**everybody gets a goal**

In Delaware's 16-8 win over UMBC on March 4, 10 different Blue Hens scored a goal. It marked the most players in the scoring column since 11 Blue Hens scored a goal in a 16-6 victory over Campbell on April 12, 2024.

**kat scoops**

In Delaware's home-opener against Rutgers, **Kat Baseggio** had a career-high five ground balls to reach the 50-career ground ball milestone in her 34th-career game. The five ground balls are the most in a game by a Delaware player since March 6, 2024. Baseggio also finished with four caused turnovers, tying a career high.

**centurion status achieved**

Senior **Jaclyn Marszal** hit personal milestones in each of Delaware's first two games this season. She had two assists in the season opener at Temple to reach 100 career points, then added another assist against Rutgers to achieve 100 points in the Blue & Gold. Marszal had two goals as a freshman at Notre Dame.

**ella day in philadelphia**

Senior **Ella Rishko** reached a trio of milestones at Temple in the season opener. She had a hat trick to reach 100-career goals scored and recorded nine draw controls to surpass 100 for her career. She also reached 50-career ground balls with three on the day.

**200 club**

In Delaware's season opener against Temple, **Steph Marszal** became the 17th Blue Hen to reach the 200-career save mark. She is the first UD goalie to reach the mark since **Mercy McCarthy** (2019-23).

**keep the winning coming**

Delaware is looking to build off of back-to-back 10-win seasons. It is the first time the program has had consecutive winning seasons since 2016-17 and the first time it has won at least 10 games in consecutive years since 2015-16.

**runnin' it back**

The Blue Hens return 10-of-12 starters from the 2025 season after the graduation of All-CAA Second Team selections Delaney McDaniel and Erin Gormley. Overall, UD returns 31 players who were on last season's roster, including 21 who saw action in at least one game and 13 who appeared in at least 12 games.

**newcomers**

The Blue Hens welcome eight newcomers to the roster in 2026. The group includes seven freshmen - **Amanda Gazelle, Jenny Green, Erin Hussey, Marin Mooney, Marina Mersch, Maggie Porter** and **Sadie Schultz** - who will all look to make their collegiate debuts in 2026. Porter transferred to Delaware after spending the fall at Penn State. Additionally, sophomore transfer **Meg MacMurray** joined the Hens after a year at Maryland.

**roster breakdown**

The 2026 Delaware roster features 39 players hailing from nine different states. Sisters **Ella** and **Lulu Rishko** are the only two Delawareans on the roster, while senior captain **Maggie Farragher** (Illinois) is the farthest from home. Maryland (12), Pennsylvania (8) and New York (7) are the three most represented states.

**oh captain, my captains**

Delaware will be led by a trio of senior captains in 2026 as **Maggie Farragher**, **Morgan Gore**, and **Ella Rishko** were all selected to lead the squad. Farragher and Gore are both second-time selections after serving as captains in 2025, while Rishko is a first-time captain in her second season as a Blue Hen following her transfer from Virginia Tech.

**asun a good fit**

While 2026 will be the Blue Hens' first season in the ASUN, their 2025 numbers suggest the program will fit right in. Delaware finished 34th in the final 2025 RPI rankings, which would have been at the top of the conference, with Liberty second at 39th. Statistically, Delaware would have ranked first in the conference in free position percentage (.545), second in scoring defense (11.63), and third in caused turnovers per game (11.19), assists per game (6.25) and turnovers per game (14.63).

**returning offensive firepower**

Delaware returns three of its top-five scorers. **Jaclyn Marszal** ranked second on the team with 50 points (21g, 29a), while **Ella Rishko** had a team-leading 36 goals and 45 points, and **Morgan Gore** (30g, 2a) rounded out the top five. Overall, the Blue Hens bring back 67% of its goal-scoring production from last season

**defensive dawgs**

The Blue & Gold ranked eighth in the country in 2025 with 11.19 caused turnovers per game. The Hens bring back starters **Kat Baseggio** (23 CT, 29 GB), **Maggie Farragher** (13 CT, 20 GB), and **Kennedy Radziul** (12 CT, 20 GB). Overall, UD returns 69% of its caused turnover production from 2025.

**get the lead, hold the lead**

The Blue Hens have been very good in recent years in holding a second-half lead. In 2025, the squad went 10-1 when leading at halftime and 9-0 when having the advantage after three quarters. Similarly, Delaware was 8-0 in 2024 when up at the midway point and 10-0 when leading after three quarters.

**it starts at the draw**

The Blue Hens went 7-0 in 2025 when winning more draws than their opponents. **Ella Rishko** set the program single-game record with 15 draw controls at Towson (April 13).

**magic number is 10**

Since **Amy Altig** became head coach prior to the 2020 season, the Blue Hens are 22-2 when holding opponents under 10 goals. On the flipside, Delaware is 34-17 when the offense scores 10 or more goals.

**caa postseason honors**

Delaware returns three of its five All-CAA selections from a season ago. Senior **Morgan Gore** was an All-CAA Second Team pick in 2025, earning her second-career postseason nod, and sophomores **Lulu Rishko** and **Kennedy Radziul** were both selected to the CAA All-Rookie Team.

**puerto rico**

Senior twins **McKenzie** and **Mia Didio** both represented Puerto Rico at the 2024 World Lacrosse Women's U20 Championship in Hong Kong, China. Their maternal grandmother is a native of Puerto Rico and the two earned spots on the Puerto Rico U20 National Team through a tryout.

Puerto Rico finished fifth overall with a 6-2 record, going 3-1 in pool play and winning two consolation playoff games. McKenzie finished sixth on the team in scoring with eight goals and two assists. Mia, unfortunately, missed the tournament due to injury.

**altig here for the long haul**

In July, Delaware and head coach **Amy Altig** agreed upon a contract extension that will keep her at the helm of the women's lacrosse program through the 2030 season. Altig was named the seventh head coach in program history in June 2019 and has led Delaware to a 36-40 record through her first six seasons, including back-to-back 10-win campaigns in 2023-24. UD won six CAA games in 2025, the program's most league wins since 1999 when the Blue Hens went 6-0 in America East play.

**there's something in the gene pool**

The Blue Hens had two pairs of sisters on the team who are both two-thirds of a set of triplets. Seniors **Jaclyn** and **Steph Marszal** have a third sister, Jamie, who is a senior at Loyola Maryland. Sophomores **Lena** and **Stella Stolarick** also have a third sister who is on the Holy Cross track & field team.

The genetic trait of twins runs strong on the Blue Hens' roster. Seniors **McKenzie** and **Mia Didio** have spent their entire careers at UD, while junior **Molly Baumgratz** has a twin sister - Ellie - who attends the University of Tennessee. Freshman **Marina Mersch** has a twin sister - Chiara - who is also a freshman at Delaware.

While not twins, **Ella** and **Lulu Rishko** make up a fourth set of sisters on the 2026 roster. Additionally, junior **Mary Matey** has an older sister, **Kellie Ann**, who played defense for the Blue Hens from 2021-24. The two overlapped on the roster during the 2024 season.

In 2025, the Blue Hens ranked eighth nationally in caused turnovers per game (11.19) after ranking ninth in 2024 (10.44). Delaware has set eight program records on defense and at the draw in three seasons under Nakrasius.

During the 2025-26 academic year, Didio is also serving as a vice chair representative for Conference USA's SAAC, alongside softball graduate student **Claire Woods**.

**always fightin'**

Senior **Jaclyn Marszal** transferred to Delaware after playing her freshman season at the University of Notre Dame, going from the Fighting Irish to the Fightin' Blue Hens. Marszal is UD's top returning scorer from a season ago when she had 21 goals and 29 assists for 50 points. Entering her third season with the Blue & Gold, Marszal has 97 points (46g, 51a) in 32 games for Delaware after scoring two goals in five games at Notre Dame.

**no place like home**

Senior **Ella Rishko** played her first two collegiate seasons at Virginia Tech before transferring home to the First State to play her final two years as a Blue Hen alongside her sister **Lulu**. The Rehoboth Beach, Delaware native led UD with 36 goals and 55 draw controls in 2025, finishing with 45 total points. In two seasons at Virginia Tech, Rishko had 61 goals and 75 points over 32 games.

**new opponents on schedule**

With Delaware beginning a New Era in the ASUN this season, the Blue Hens will be facing a number of first-time opponents. Eight of the team's 16 games will be against programs UD has never played, including seven of Delaware's eight ASUN matchups. The new opponents consist of Navy (Feb. 18), Austin Peay (March 19), Lindenwood (March 21), Jacksonville (March 26), Stetson (March 28), Kennesaw State (Apr. 9), Queens (Apr. 16) and Liberty (Apr. 22).

**impressive in the classroom**

In addition to their success on the field, the Hens have been showcasing their hard work in the classroom as well. As a team, the Blue Hens had a 3.52 GPA during the 2025 fall semester and five student-athletes - **McKenzie Didio**, **Mia Didio**, **Amanda Gazelle**, **Morgan Gore** and **Jaclyn Marszal** - posted perfect 4.0 semesters.

She overlapped in Newark with her sister **Kellie Ann** who was also a defender for the Blue Hens from 2021-24). She also had a sister, Rachel, who played defense at James Madison (2019-23) and her oldest sister, Meghan, was a midfielder at Ohio State (2017-20).

Since 2021, Matey and her sisters have all worn #22 on the lacrosse field to honor their late father, Dave, who tragically passed away after a battle with cancer. He wore #22 as a college football linebacker at Ursinus.

**HEAD COACH AMY ALTIG**

Amy Altig enters her seventh season at the helm of the Fightin' Blue Hens in 2026. She was named the seventh coach of University of Delaware women's lacrosse program on June 3, 2019.

Altig has led the Blue Hens to immense success on the field, qualifying for the CAA Championship in three of four years since 2022. The program recorded back-to-back 10-win seasons in 2024-25, achieving the mark for the first time 2016, and UD's 7-1 record to begin the 2024 season was the best start since the 2016 season. Delaware won six CAA games in 2025, the most since joining the conference and the program's most league wins since 1999.

On March 11, 2022, the Blue Hens defeated No. 18 Temple on the road for their first win over a nationally-ranked opponent since 2017.

Delaware's student-athletes have taken home plenty of hardware since Altig arrived in Newark. Delaney McDaniel earned CAA Rookie of the Year honors in 2018, UD's first conference major award winner since 2016. Madison Hranicka was named the CAA Defensive Player of the Year in consecutive seasons (2023-24). The Blue Hens have earned 14 all-conference honors, led by three-straight All-CAA First Team selections by Hranicka (2022-24) and three by McDaniel. On the national level, Hranicka earned All-America honors in 2024 and all-region recognition in both 2023 and 2024. Erin Gormley was an all-region selection in 2025.

The Blue & Gold have had several statistical achievements with Altig at the helm. In 2025, the Blue Hens led the CAA and ranked sixth nationally in free position percentage (.545) while also ranking eighth in the country in caused turnovers per game (11.19). Against Lafayette in 2024, the Blue Hens set a program record for caused turnovers (26) and tied the record for ground balls (33). Goalkeeper Steph Marzsai finish ninth in the country in save percentage (.489) in 2024. Hranicka set the single-season program record in 2023 with 50 caused turnovers.

Altig arrived to Newark following nine seasons at Penn State University, where she was an assistant coach for six years and an associate head coach for the final three. She helped lead the Nittany Lions to 111 wins with seven NCAA Tournament appearances and two trips to the NCAA Tournament Final Four. During her tenure, she coached 19 All-Americans, 36 all-region performers, 40 all-conference selections in addition to more than 25 student-athletes who received academic honors. Additionally, PSU boasted three Conference Goalkeepers of the Year under Altig's guidance.

After helping Penn State to a third NCAA quarterfinal appearance in four years in 2015, Altig was named IWLCA Assistant Coach of the Year and was inducted to the U.S. Lacrosse Virginia Chapter Hall of Fame.

Prior to her time at PSU, Altig held assistant coaching stints at Princeton University (2007-10) and the University of Richmond (2005-06).

As a goalkeeper at James Madison University from 2001-05, Altig led the Dukes to two CAA titles, was a two-time all-conference pick and was selected to the North/South STX Senior All-Star Game. A two-time team captain, she also earned a nod to the 2004 CAA All-Tournament Team and still ranks in the Top 12 of three career statistical categories at JMU.

Altig earned a spot on the USA National Team in 2003 and was part of the 2009 USA World Cup Training Team and 2008 USA Prague Touring Team. She also served as a field coach for USA Tryouts from 2015-17. Since 2017, Altig has been the defensive coordinator/goalkeepers coach for the USA National Team.

A native of Millersville, Md., Altig earned a bachelor's degree in kinesiology with a concentration in sports management from James Madison in 2005. She and her wife, Megan, have two daughters, Ava, and Ryan, and a son, Brooks.

## BEST VALUE

UD ranks among the country's best value propositions, according to U.S. News & World Report, Wall Street Journal, Kiplinger's and Forbes. This summer, The Princeton Review ranked UD among its 209 Best Value Colleges for 2025, earning one of the publication's highest return-on-investment ratings. Money magazine awarded UD 4½ stars out of a possible five in its 2025-26 rating of America's best colleges. The University, according to Money, "stands out for its affordability" as a public college providing an excellent value for in-state students, and is considered one of the Best Colleges in the Northeast.

## distinguished history

In 1743, the school that would become the University of Delaware was just a tiny institution, with a graduating class of about a dozen. Three of those graduates – **Thomas McKean**, **George Read** and **James Smith** – would go on to sign the Declaration of Independence; Read would also sign the U.S. Constitution, helping launch a new paradigm of freedom for an entire nation and a beacon of liberty for much of the world.

## first in study abroad

In 1923, UD initiated a program to enhance students' learning by giving them an overseas experience. Influenced by the carnage he saw as an ambulance driver in World War I, professor **Raymond Kirkbride** believed that understanding other cultures was critical to promoting peace. His idea would grow into the first study-abroad program in the United States. Today approximately a third of all UD students participate in study abroad programs offered around the world. This year, the University celebrates the 10-year anniversary of its World Scholars Program, through which a cohort of new students experience their first UD semester abroad. These students return to UD for the spring and, as juniors, they can elect one of 40 study-abroad experiences.

## introducing ud's new leadership

Interim President **Laura Carlson** and Interim Provost **Bill Farquhar** have been at the helm since July 1. Carlson joined the University of Delaware community in 2022, serving as its chief academic officer when she became the University's 12th Provost. Farquhar has been a faculty member for more than 23 years in UD's Department of Kinesiology and Applied Physiology. He most recently served as the dean of UD's College of Health Sciences.

## student applications are climbing

Interest in a University of Delaware education continues to soar. UD received more than 40,000 applications for this year's class of first-year students, setting a UD record for the seventh consecutive year. Over the last year, UD hosted more than 38,000 visitors (prospective students and their families) at open houses and campus tours, and awarded more than \$200 million in financial aid to its newest students.

## incorporating ai into curriculum

AI has the potential to reshape higher education. UD has applied this technology in myriad ways and continues to explore further applications for artificial intelligence – including the launch of new academic offerings like an undergraduate major, a graduate degree program and a certificate; the creation of UD's First State AI Institute; and the incorporation of generative AI into curricula.
