OPENING DRAW

The Fightin' Blue Hens enter the 2026 ASUN Championship as the No. 1 seed in their inaugural season in the conference. Delaware went 8-0 in conference play and is riding an 11-game winning streak.

Delaware clinched the outright regular season championship with a 17-5 victory at Liberty in the regular season finale. It is UD's first regular season championship since 1999, when the Blue Hens won their second of back-to-back America East titles. It is the fifth time in program history that Delaware has finished undefeated in conference play (1999, America East; 1998 America East; 1984 ECC; 1983 ECC).

The 11-game winning streak is tied for the longest streak in the country with Stony Brook and Florida. It is the program's longest win streak since winning 11-straight games to open the national championship 1983 season. The Blue Hens have scored at least 13 goals in all 11 games, the longest streak in program history. The defense is allowing a paltry 7.0 goals per game and has held eight opponents under the 10-goal threshold.

The Blue Hens are looking for their first postseason victory in exactly 17 years. Delaware's last conference tournament win came on April 30, 2009, an 8-6 win over Old Dominion in the CAA Semifinals.

Delaware and Lindenwood met in Missouri on the first weekend of ASUN play. UD's offense exploded for 25 goals and had 11 different goal scorers in a dominant 25-7 victory. The Blue Hens outscored the Lions 9-1 in the third quarter and 16-1 in the second half on its way to scoring the program's most goals in a game since 1987. Jaclyn Marszal finished with a team-high eight points (2g, 6a) all of which came after halftime. She tied a then-career high with six assists. Sophia Muscolino tied a career high with seven points, recording her first-career hat trick and Grayson Buono scored a career-high five goals.

A NEW ERA

After a nearly 18-month wait, the new era is finally here and the University of Delaware Fightin' Blue Hens are officially full members of Conference USA as of July 1, 2025. Fourteen of UD's 22 varsity programs will be housed in CUSA, with eight others joining as affiliate members in the Atlantic Sun (women's lacrosse, men's and women's swimming & diving), Atlantic 10 (men's lacrosse), Mid-American Conference (rowing), The Summit League (men's soccer), Atlantic Hockey America (ice hockey), and Mountain Pacific Sports Federation (field hockey).

An athletic department built on history and tradition, Delaware brings an abundance of success to CUSA having won 10 national championships, 172 team conference titles, 282 individual conference crowns, 342 major conference awards, 2,655 all-league selections, and 543 all-americans.

UD student-athletes complement their athletic success with strong academic performances. During the 2024-25 academic year, the Blue Hens compiled a cumulative 3.41 grade-point average—the highest in department history, excluding academic terms impacted by COVID-19. This marked the 11th-consecutive year and the 23rd-straight semester in which UD student-athletes have posted a 3.00 GPA or better.

The move will push the Delaware brand across the nation, spanning from the northeast down into Florida, and west as far as New Mexico. However, the reach won't stop there. At least five football games will hit the national scene on CBS Sports Network/ESPN family of networks, including a non-conference tilt on FOX against Colorado. Men's and women's basketball will also have the chance to play nationally televised games as part of CUSA's media rights agreement with CBS Sports Network and ESPN.

Speaking of reach, Delaware's initial announcements about joining Conference USA reached over two billion people according to social media analytics. Put that into perspective – just over one million people live in the state of Delaware. That means these announcements reached over 2,000 Delawares.

WHAT TO LOOK FOR...

- **Ella Rishko** needs two more goals to give her 50 on the season. She would become the first Blue Hen to reach the 50-goals mark since 1994.

- A win over Lindenwood would be Delaware's first postseason victory since 2009 when it defeated Old Dominion in the CAA semifinals.

racking up the hardware

Delaware took home some serious hardware when the ASUN announced its postseason awards, including four major awards and six all-conference selections.

Ella Rishko (Offensive Player of the Year), **Morgan Gore** (Midfielder of the Year), **Kennedy Radziul** (Defensive Player of the Year) and **Amy Altig** (Coach of the Year) all won major awards. Altig is Delaware's first conference coach of the year since 1998.

Rishko, Gore, and Radziul were joined on the All-ASUN First Team by senior **Jaclyn Marszal** as Delaware's four first team selections were a league high. Junior **Molly Baumgratz** earned a spot on the second team and freshman **Maggie Porter** was recognized on the all-freshman team.

booksmart

Morgan Gore was named the ASUN Women's Lacrosse Scholar-Athlete of the Year. The senior is set to graduate this spring with a finance degree and owns a 3.98 cumulative GPA.

Kat Baseggio, **Maggie Farragher**, **Jaclyn Marszal**, **Steph Marszal** and **Riley Sturtevant** all joined Gore as ASUN All-Academic selections.

balanced scoring effort

Delaware has had 14 players score a goal in 2026, with six scoring at least 15 goals. Four times, the Blue Hens have had at least 10 different players in the scoring column, with a season-high 12 players scoring a goal at Lindenwood. That is the most since 12 Blue Hens scored in an 18-4 win over Kent State on February 25, 2024.

tough non-con

Delaware played a very challenging non-conference schedule, with its five opponents owning a combined 53-26 record (.671) through April 29. Three of its early-season opponents - Rutgers, Navy, Georgetown - have all seen time in the national rankings.

inside the streak

The Blue Hens are currently on an 11-game winning streak, tied for the longest active streak in Division I with Florida and Stony Brook. It is the program's longest win streak since winning 11-straight games to open the national championship 1983 season.

During the streak, Delaware has outscored its opponents 183-77 and UD's offense has scored at least 13 goals in all 11 games, the longest streak in program history. Delaware holds a 183-91 advantage in the draw control circle, winning at a .668 clip. The defense has held opponents to 15.5 shot attempts per game and forced 17.6 turnovers per game during the streak. Opponents are clearing at a 72% (147-204) success rate, while the Blue Hens are nearly perfect at 93.3% (167-179).

stiff defense

The Fightin' Blue Hens lead the ASUN and rank 15th nationally with 8.31 goals allowed per game. The defense allowed less than 10 goals in six-straight games from March 4-21, the program's longest streak since 2016. Overall, UD has held its opponents to single digits 10 times in 16 games in 2026.

60-60

Delaware seniors **Jaclyn Marszal** and **Ella Rishko** have both set career highs with 62 and 60 points, respectively, heading into the 2026 ASUN Championship. They are the first set of Blue Hen teammates to both surpass the 60-point mark in the same season since **Jenn Rinnander** (74) and **Jennifer Hadley** (60) did so in 1993.

50-50-50 club

Junior **Sophia Muscolino** sits at 46 points (19g, 27a) despite missing the first three games of the season. She is four points shy of becoming the third Blue Hen to reach 50 points this spring, joining **Jaclyn Marszal** (62) and **Ella Rishko** (60). They would become the first Delaware trio to all hit the 50-point marks since **Sue Daddona** (72), **Kelly Frey** (55) and **Laura Perry** (52) in 1995.

scoreless streaking

Delaware's has shut out its opponents in 12 different quarters this season, including three-consecutive quarters against Mount St. Mary's (March 14) and first half against Austin Peay (March 19) in consecutive games.

Against the Mount, UD did not allow a goal for the final 45:16 of the game, before shutting out the Governors for the first 35:52 of game action for a consecutive scoreless streak of 71:08. Overall, Delaware has had eight different streaks this season of holding opponents scoreless for 20 minutes or more.

chasing 50

Ella Rishko currently leads the Blue Hens and the ASUN with 48 goals on the season. She is the first Blue Hen since **Christine Long** in 2019 to reach the 40-goal mark in a season. The last time Delaware had a player with 50 goals in a season was **Jenn Rinnander** with 52 in 1994.

filling the tub

In their nine home games at Delaware Stadium this season, the Blue Hens averaged 417 fans per game. That number leads the ASUN and ranks 27th nationally. The Blue & Gold is the only ASUN program averaging more than 300 fans per game.

point machine

Jaclyn Marszal leads the Blue Hens with a career-high 62 points, including 37 assists which ranks third in program history. Marszal has four games this season with at least seven points, including a 10-point performance against Queens earlier this month. Her eight assists at Queens are tied for the third-most in a game in Delaware history and the most by an ASUN player this season.

slayed the dragons

Delaware's winning streak started on March 11 with a 13-6 road victory at Drexel, a former rival out of the CAA. It was **Amy Altig's** first win over the Dragons, and the victory snapped a five-game losing streak against Drexel. The two programs have met every year since 1986 except for 2020 and 2021 seasons (COVID-19), and the Blue Hens moved to 28-13 all-time against the Dragons. Delaware and Drexel were conference rivals as members of the CAA (2002-25), America East (1997-01) and the ECC (1983-91).

dominance in the draw

The Blue Hens have been dominant in the draw circle this season, currently ranking fifth in the country with a .621 draw control percentage and 15th nationally with 15.06 draw controls per game. In the regular season finale at Liberty, UD set the program's single-season record, winning its 241st draw of the season. **Ella Rishko** has already set the program's individual season record with 88 draw controls this season, and **Molly Baumgratz** is currently fifth in UD history with 77 draw controls. Delaware is one of two teams (Lindenwood) in the country to have two players with at least 75 draw controls on the season.

Delaware is 37-10 under head coach Amy Altig when winning the draw control battle, including 11-2 this season and 7-0 in 2025

get the lead, hold the lead

The Blue Hens have been very good in recent years in holding a second-half lead. In seven seasons under head coach Amy Altig, UD is 36-6 when leading at halftime, and 38-6 when having the advantage after three quarters.

In the last three years, Delaware is 28-3 when leading at halftime, including a 11-2 mark this season. The Blue Hens are 28-1 when holding a lead after 45 minutes, with an 11-1 record in 2026.

magic number is 10

Since **Amy Altig** became head coach prior to the 2020 season, the Blue Hens are 31-3 when holding opponents under 10 goals, including 9-1 this year. On the flipside, Delaware is 46-18 when the offense scores 10 or more goals, and 12-2 this season.

sensational steph

Steph Marszal has been dominant in the cage this season, leading the ASUN and ranking 15th nationally in goals against average (8.31). She had three-straight games with 10 saves (Navy, UMBC, Georgetown), and had a .500 save percentage in five-straight games (UMBC, Georgetown, Drexel, Mount St. Mary's, Austin Peay), the longest streak by a Blue Hen since Tori Zorovich in 2013 (min. 30 minutes played/game).

kennedy going beast mode

ASUN Defensive Player of the Year **Kennedy Radziul** has been a beast in the defensive zone this season, leading the Blue Hens with 34 ground balls and is second on the team with 27 caused turnovers. She had a career-high five caused turnovers at Georgetown and has had four ground balls in a game four times this spring.

historic opening weekend

Delaware opened its first season of its ASUN era with a bang, enjoying a historic weekend on the road. The Blue Hens defeated Austin Peay 19-3 and Lindenwood 25-7. The 44 goals over the two-game stretch are the program's most since 1986. Against Lindenwood, the 25 goals are the most by a UD team since 1987 and is tied for the fifth most in program history. The 18-goal margin of victory is the largest since 2015. The Blue Hens dished out 17 assists against the Lions, the second-most in the Delaware record books and most in a game since 1990. Overall, 15 different players had a point over the weekend.

altig here for the long haul

In July, Delaware and head coach **Amy Altig** agreed upon a contract extension that will keep her at the helm of the women's lacrosse program through the 2030 season. Altig was named the seventh head coach in program history in June 2019 and has led Delaware to a 36-40 record through her first six seasons, including back-to-back 10-win campaigns in 2023-24. UD won six CAA games in 2025, the program's most league wins since 1999 when the Blue Hens went 6-0 in America East play.

golden gore

Morgan Gore reached the 100-career point milestone in Delaware's final home game of the season against Coastal Carolina. The senior reached the mark on her third goal of the game. Gore has played in all but one game in her UD career, missing the Navy game earlier this season due to injury.

rishko on fire

Ella Rishko recorded a hat trick in six-straight games from February 13 (Navy) through March 19 (Austin Peay). It was the longest streak since **Caitlin McCartney** also did it in six-consecutive games over the 2012-13 seasons. Rishko also had least four points in five-straight games, the longest streak since **Delaney McDaniel** had four or more points in five-straight games between the 2024-25 seasons.

kat scoops

In Delaware's home-opener against Rutgers, **Kat Baseggio** had a career-high five ground balls to reach the 50-career ground ball milestone in her 34th-career game. The five ground balls are the most in a game by a Delaware player since March 6, 2024. Baseggio also finished with four caused turnovers, tying a career high.

centurion status achieved

Senior **Jaclyn Marszal** hit personal milestones in each of Delaware's first two games this season. She had two assists in the season opener at Temple to reach 100 career points, then added another assist against Rutgers to achieve 100 points in the Blue & Gold. Marszal had two goals as a freshman at Notre Dame.

ella day in philadelphia

Senior **Ella Rishko** reached a trio of milestones at Temple in the season opener. She had a hat trick to reach 100-career goals scored and recorded nine draw controls to surpass 100 for her career. She also reached 50-career ground balls with three on the day.

200 club

In Delaware's season opener against Temple, **Steph Marszal** became the 17th Blue Hen to reach the 200-career save mark. She is the first UD goalie to reach the mark since **Mercy McCarthy** (2019-23).

asun a good fit

The Blue Hens should fit right in during their first season in the ASUN in 2026. Delaware finished 34th in the final 2025 RPI rankings, which would have been at the top of the conference, with Liberty second at 39th. Statistically, Delaware would have ranked first in the conference in free position percentage (.545), second in scoring defense (11.63), and third in caused turnovers per game (11.19), assists per game (6.25) and turnovers per game (14.63).

nakrasius promoted

Back in June, head coach **Amy Altig** announced the promotion of **Kara Nakrasius** to associate head coach. Nakrasius joined the UD program in August 2022 and has spent the past three seasons overseeing UD's efforts on defense and at the draw. In 2025, the Blue Hens ranked eighth nationally in caused turnovers per game (11.19) after ranking ninth in 2024 (10.44). Delaware has set eight program records on defense and at the draw in three seasons under Nakrasius.

Records under Nakrasius

- Team single-game CT (26)
- Team single-game GB (33)
- Team single-game DC (26)
- Team single-season DC (240)
- Individual single-game CT (Hranicka, 11)
- Individual single-season CT (Hranicka, 50)
- Individual single-game DC (Rishko, 15)
- Individual career DC (Livornese, 223)

keep the winning coming

Delaware is looking to build off of back-to-back 10-win seasons. It is the first time the program has had consecutive winning seasons since 2016-17 and the first time it has won at least 10 games in consecutive years since 2015-16.

runnin' it back

The Blue Hens return 10-of-12 starters from the 2025 season after the graduation of All-CAA Second Team selections Delaney McDaniel and Erin Gormley. Overall, UD returns 31 players who were on last season's roster, including 21 who saw action in at least one game and 13 who appeared in at least 12 games.

oh captain, my captains

Delaware will be led by a trio of senior captains in 2026 as **Maggie Farragher**, **Morgan Gore**, and **Ella Rishko** were all selected to lead the squad. Farragher and Gore are both second-time selections after serving as captains in 2025, while Rishko is a first-time captain in her second season as a Blue Hen following her transfer from Virginia Tech.

newcomers

The Blue Hens welcome eight newcomers to the roster in 2026. The group includes seven freshmen - **Amanda Gazelle**, **Jenny Green**, **Erin Hussey**, **Marin Mooney**, **Marina Mersch**, **Maggie Porter** and **Sadie Schultz** - who will all look to make their collegiate debuts in 2026. Porter transferred to Delaware after spending the fall at Penn State. Additionally, sophomore transfer **Meg MacMurray** joined the Hens after a year at Maryland.

roster breakdown

The 2026 Delaware roster features 39 players hailing from nine different states. Sisters **Ella** and **Lulu Rishko** are the only two Delawareans on the roster, while senior captain **Maggie Farragher** (Illinois) is the farthest from home. Maryland (12), Pennsylvania (8) and New York (7) are the three most represented states.

returning offensive firepower

Delaware returns three of its top-five scorers. **Jaclyn Marszal** ranked second on the team with 50 points (21g, 29a), while **Ella Rishko** had a team-leading 36 goals and 45 points, and **Morgan Gore** (30g, 2a) rounded out the top five. Overall, the Blue Hens bring back 67% of its goal-scoring production from last season

The Blue & Gold ranked eighth in the country in 2025 with 11.19 caused turnovers per game. The Hens bring back starters **Kat Baseggio** (23 CT, 29 GB), **Maggie Farragher** (13 CT, 20 GB), and **Kennedy Radziul** (12 CT, 20 GB). Overall, UD returns 69% of its caused turnover production from 2025.

caa postseason honors

Delaware returns three of its five All-CAA selections from a season ago. Senior **Morgan Gore** was an All-CAA Second Team pick in 2025, earning her second-career postseason nod, and sophomores **Lulu Rishko** and **Kennedy Radziul** were both selected to the CAA All-Rookie Team.

saac queen

Senior **McKenzie Didio** is currently in her second year serving as president of Delaware's Student-Athlete Advisory Committee (SAAC). During the 2025-26 academic year, Didio is also serving as a vice chair representative for Conference USA's SAAC, alongside softball graduate student **Claire Woods**.

puerto rico

Senior twins **McKenzie** and **Mia Didio** both represented Puerto Rico at the 2024 World Lacrosse Women's U20 Championship in Hong Kong, China. Their maternal grandmother is a native of Puerto Rico and the two earned spots on the Puerto Rico U20 National Team.

Puerto Rico finished fifth overall with a 6-2 record, going 3-1 in pool play and winning two consolation playoff games. McKenzie finished sixth on the team in scoring with eight goals and two assists. Mia, unfortunately, missed the tournament due to injury.

there's something in the gene pool

The Blue Hens had two pairs of sisters on the team who are both two-thirds of a set of triplets. Seniors **Jaclyn** and **Steph Marszal** have a third sister, Jamie, who is a senior at Loyola Maryland. Sophomores **Lena** and **Stella Stolarick** also have a third sister who is on the Holy Cross track & field team.

The genetic trait of twins runs strong on the Blue Hens' roster. Seniors **McKenzie** and **Mia Didio** have spent their entire careers at UD, while junior **Molly Baumgratz** has a twin sister - Ellie - who attends the University of Tennessee. Freshman **Marina Mersch** has a twin sister - Chiara - who is also a freshman at Delaware.

Ella and **Lulu Rishko** make up a fourth set of sisters on the 2026 roster. Additionally, junior **Mary Matey's** older sister, **Kellie Ann**, layed defense for the Blue Hens from 2021-24. They were both on the roster during the 2024 season.

always fightin'

Senior **Jaclyn Marszal** transferred to Delaware after playing her freshman season at the University of Notre Dame, going from the Fighting Irish to the Fightin' Blue Hens. Marszal is UD's top returning scorer from a season ago when she had 21 goals and 29 assists for 50 points. Entering her third season with the Blue & Gold, Marszal has 97 points (46g, 51a) in 32 games for Delaware after scoring two goals in five games at Notre Dame.

no place like home

Senior **Ella Rishko** played her first two collegiate seasons at Virginia Tech before transferring home to the First State to play her final two years as a Blue Hen alongside her sister **Lulu**. The Rehoboth Beach, Delaware native led UD with 36 goals and 55 draw controls in 2025, finishing with 45 total points. In two seasons at Virginia Tech, Rishko had 61 goals and 75 points over 32 games.

impressive in the classroom

In addition to their on-field success, the Hens have been showcasing their hard work in the classroom. The Blue Hens had a 3.52 team GPA during the 2025 fall semester and five student-athletes - **McKenzie Didio**, **Mia Didio**, **Amanda Gazelle**, **Morgan Gore** and **Jaclyn Marszal** - posted perfect 4.0 semesters.

new opponents on schedule

With Delaware beginning a New Era in the ASUN this season, the Blue Hens will be facing a number of first-time opponents. Eight of the team's 16 games will be against programs UD has never played, including seven of Delaware's eight ASUN matchups. The new opponents consist of Navy (Feb. 18), Austin Peay (March 19), Lindenwood (March 21), Jacksonville (March 26), Stetson (March 28), Kennesaw State (Apr. 9), Queens (Apr. 16) and Liberty (Apr. 22).

matey family affair

Junior defender **Mary Matey** is continuing a couple of family legacies as she is the fourth sister in her family to play Division I college lacrosse. She overlapped in Newark with her sister **Kellie Ann** who was also a defender for the Blue Hens from 2021-24). She also had a sister, Rachel, who played defense at James Madison (2019-23) and her oldest sister, Meghan, was a midfielder at Ohio State (2017-20).

Since 2021, Matey and her sisters have all worn #22 on the lacrosse field to honor their late father, Dave, who tragically passed away after a battle with cancer. He wore #22 as a college football linebacker at Ursinus.

red, white, and blue

Head coach **Amy Altig** has been named the Team USA Girls National Team Development Program (NTDP) U-19 Co-Head Coach. She will lead the squad in the Rivalry Challenge this September and the Brogden Cup in October.

Altig will share coaching duties with Mount St. Mary's head coach Lauren Skelchuck. The duo previously coached together fall at the 2025 Rivalry Challenge and the 2025 Brogden Cup, leading the U19 squad to a perfect 6-0 combined record. They also coached the USA Select U18 Girls Team to a title at the 2024 Brogden Cup.

glenelg pipeline

The Blue Hens have done well recruiting in Maryland, with 12 Marylanders on the 2026 roster. There are four Hens on the roster who hail from Howard County and attended high school in Glenelg. Senior twins **Jaclyn** and **Steph Marszal** (Catonsville) as well as sophomore **Nichelle Desbordes** (Ellicott City) come from Glenelg Country School, while sophomore **Lara Hoeflich** (Glenelg) went to Glenelg High School.

HEAD COACH AMY ALTIG

Amy Altig enters her seventh season at the helm of the Fightin' Blue Hens in 2026. She was named the seventh coach of University of Delaware women's lacrosse program on June 3, 2019.

Altig has led the Blue Hens to immense success on the field, qualifying for the CAA Championship in three of four years since 2022. The program recorded back-to-back 10-win seasons in 2024-25, achieving the mark for the first time 2016, and UD's 7-1 record to begin the 2024 season was the best start since the 2016 season. Delaware won six CAA games in 2025, the most since joining the conference and the program's most league wins since 1999.

On March 11, 2022, the Blue Hens defeated No. 18 Temple on the road for their first win over a nationally-ranked opponent since 2017.

Delaware's student-athletes have taken home plenty of hardware since Altig arrived in Newark. Delaney McDaniel earned CAA Rookie of the Year honors in 2018, UD's first conference major award winner since 2016. Madison Hranicka was named the CAA Defensive Player of the Year in consecutive seasons (2023-24). The Blue Hens have earned 14 all-conference honors, led by three-straight All-CAA First Team selections by Hranicka (2022-24) and three by McDaniel. On the national level, Hranicka earned All-America honors in 2024 and all-region recognition in both 2023 and 2024. Erin Gormley was an all-region selection in 2025.

The Blue & Gold have had several statistical achievements with Altig at the helm. In 2025, the Blue Hens led the CAA and ranked sixth nationally in free position percentage (.545) while also ranking eighth in the country in caused turnovers per game (11.19). Against Lafayette in 2024, the Blue Hens set a program record for caused turnovers (26) and tied the record for ground balls (33). Goalkeeper Steph Marzsai finish ninth in the country in save percentage (.489) in 2024. Hranicka set the single-season program record in 2023 with 50 caused turnovers.

Altig arrived to Newark following nine seasons at Penn State University, where she was an assistant coach for six years and an associate head coach for the final three. She helped lead the Nittany Lions to 111 wins with seven NCAA Tournament appearances and two trips to the NCAA Tournament Final Four. During her tenure, she coached 19 All-Americans, 36 all-region performers, 40 all-conference selections in addition to more than 25 student-athletes who received academic honors. Additionally, PSU boasted three Conference Goalkeepers of the Year under Altig's guidance.

After helping Penn State to a third NCAA quarterfinal appearance in four years in 2015, Altig was named IWLCA Assistant Coach of the Year and was inducted to the U.S. Lacrosse Virginia Chapter Hall of Fame.

Prior to her time at PSU, Altig held assistant coaching stints at Princeton University (2007-10) and the University of Richmond (2005-06).

As a goalkeeper at James Madison University from 2001-05, Altig led the Dukes to two CAA titles, was a two-time all-conference pick and was selected to the North/South STX Senior All-Star Game. A two-time team captain, she also earned a nod to the 2004 CAA All-Tournament Team and still ranks in the Top 12 of three career statistical categories at JMU.

Altig earned a spot on the USA National Team in 2003 and was part of the 2009 USA World Cup Training Team and 2008 USA Prague Touring Team. She also served as a field coach for USA Tryouts from 2015-17. Since 2017, Altig has been the defensive coordinator/goalkeepers coach for the USA National Team.

A native of Millersville, Md., Altig earned a bachelor's degree in kinesiology with a concentration in sports management from James Madison in 2005. She and her wife, Megan, have two daughters, Ava, and Ryan, and a son, Brooks.

BEST VALUE

UD ranks among the country's best value propositions, according to U.S. News & World Report, Wall Street Journal, Kiplinger's and Forbes. This summer, The Princeton Review ranked UD among its 209 Best Value Colleges for 2025, earning one of the publication's highest return-on-investment ratings. Money magazine awarded UD 4½ stars out of a possible five in its 2025-26 rating of America's best colleges. The University, according to Money, "stands out for its affordability" as a public college providing an excellent value for in-state students, and is considered one of the Best Colleges in the Northeast.

distinguished history

In 1743, the school that would become the University of Delaware was just a tiny institution, with a graduating class of about a dozen. Three of those graduates – **Thomas McKean**, **George Read** and **James Smith** – would go on to sign the Declaration of Independence; Read would also sign the U.S. Constitution, helping launch a new paradigm of freedom for an entire nation and a beacon of liberty for much of the world.

first in study abroad

In 1923, UD initiated a program to enhance students' learning by giving them an overseas experience. Influenced by the carnage he saw as an ambulance driver in World War I, professor **Raymond Kirkbride** believed that understanding other cultures was critical to promoting peace. His idea would grow into the first study-abroad program in the United States. Today approximately a third of all UD students participate in study abroad programs offered around the world. This year, the University celebrates the 10-year anniversary of its World Scholars Program, through which a cohort of new students experience their first UD semester abroad. These students return to UD for the spring and, as juniors, they can elect one of 40 study-abroad experiences.

introducing ud's new leadership

Interim President **Laura Carlson** and Interim Provost **Bill Farquhar** have been at the helm since July 1. Carlson joined the University of Delaware community in 2022, serving as its chief academic officer when she became the University's 12th Provost. Farquhar has been a faculty member for more than 23 years in UD's Department of Kinesiology and Applied Physiology. He most recently served as the dean of UD's College of Health Sciences.

student applications are climbing

Interest in a University of Delaware education continues to soar. UD received more than 40,000 applications for this year's class of first-year students, setting a UD record for the seventh consecutive year. Over the last year, UD hosted more than 38,000 visitors (prospective students and their families) at open houses and campus tours, and awarded more than \$200 million in financial aid to its newest students.

incorporating ai into curriculum

AI has the potential to reshape higher education. UD has applied this technology in myriad ways and continues to explore further applications for artificial intelligence – including the launch of new academic offerings like an undergraduate major, a graduate degree program and a certificate; the creation of UD's First State AI Institute; and the incorporation of generative AI into curricula.
