NOTES

SCOUTING THE BLUE HENS

Delaware comes into this game scorching hot, riding a seven game win streak. The Blue Hens are 8-4 on the year and are a perfect 4-0 in conference play, currently first place in the ASUN.

Delaware features a trio of players with at least 39 points: Ella Rishko, Sophia Muscolino, and Jaclyn Marszal. The latter two have 24 and 23 assists, respectively and are the top two players in the ASUN for assists per game. Rishko also shines defensively, with 16 ground balls and a team-high 22 caused turnovers, and also leads the team with 66 draw controls. Kennedy Rasziul leads the Blue Hens in ground balls with 25 and is second in caused turnovers with 21. In the cage, Delaware has rode with Steph Marzal for every minute this season, sporting a 9.00 goals-against average and 71 saves.

SCOUTING THE FLAMES

Liberty comes into this matchup with a 4-9 record on the year, 2-2 in the ASUN, and 0-8 at home. The Flames have lost four in a row, including conference games against Stetson and Jacksonville. Six of the nine losses have come against teams either ranked or receiving votes in the week nine Inside Lacrosse women's poll.

Offensively, Liberty has four players with at least 30 points: Sophia Nesci, Ava Rajala, Olivia Young, and Katie Colavito. Defensively the Flames are the top team in the ASUN in ground balls and caused turnovers, with six players who have at least 20 ground balls and eight players with at least 15 caused turnovers. In the cage, Rachel Hines has played nearly every minute and has saved 116 shots, with a 13.02 goals-against average.

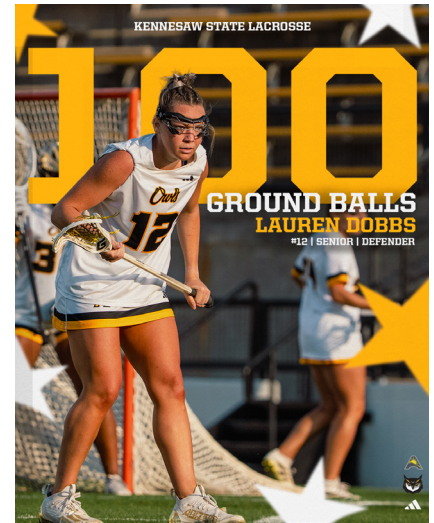

HOMEGROWN OWLS

There are 19 players who hail from the Peach state on the roster for KSU, representing Acworth, Alpharetta, Buford, Canton, Cumming, Dacula, Dallas, Johns Creek, Marietta, Powder Springs, and Woodstock.

A HISTORIC SEASON FOR DOBBS

Lauren Dobbs has anchored the defense for the Owls for her entire tenure, and leads the team in ground balls with 32 and caused turnovers with 28. Dobbs has started every game of her collegiate career and became the seventh player in program history to reach 62 career starts.

With a then career-high five caused turnovers against Gardner-Webb and four more the following week against Mercer, Dobbs became the second player in KSU history with consecutive games with four or more caused turnovers. The senior then tied the program record with six caused turnovers in a game against Presbyterian. Dobbs reached a new career-high of caused turnovers in a season in only eight games, securing her twentieth caused turnover of the year against La Salle.

The senior showed out against Austin Peay on senior day, forcing two caused turnovers and picking up a season-high six ground balls. The two caused turnovers put her up to 28 on the season, tying the school record set by Laura Jordan in 2015. The defender also became just the third player in program history to reach 80 career caused turnovers. Coming into the game needing just one ground ball to become the seventh Owl all-time to reach 100 in their career, Dobbs collected six to push her career total up to 105, the sixth highest total in KSU history.

FIRST EVER OVERTIME WIN

In a back-and-forth battle against Queens University of Charlotte Royals, the Owls won 8-7 for the first overtime win in the 14-year history of Kennesaw State lacrosse. The Owls won the fight for the opening draw control of overtime, where Lavona Watkins wasted no time, driving left at the goal before firing right across her body into the net, walking off Queens and securing the Owls' fifth win in the month of March.

TINKER WINS ASUN OFFENSIVE PLAYER OF THE WEEK

Sophomore Lexi Tinker earned the first offensive player of the week award of her career after collecting 11 goals, four assists, and 15 points on a .579 shot percentage during games against Delaware State, La Salle, and No. 7 Florida.

On the year, Tinker has been wildly productive, ranking first on the team with 29 goals, 11 assists, 40 points, and a .527 shot percentage. After the team found themselves in a 7-6 hole with just two and a half minutes left in the game against Queens, Tinker charged down the field, spinning away from the Queens defender and scoring the goal to send the game to overtime.

TRANSFER QUARTET

Brooke Kelly, So., D (Xavier): The Marietta native was a 13-game starter at defender for the Musketeers in 2025; she finished third on the team in caused turnovers with 13 and sixth in ground balls with 18. Was one of three players on Xavier with at least 10 in each category.

Kelly has started every game for the Owls and has been a valuable member of the fourth-best scoring defense in the ASUN. She has been consistent force with 18 ground balls, eight caused turnovers and adding in 12 draw controls.

Caleigh Shore, Sr., ATK/MF (Monmouth): A Dallas, Ga., native, Shore returns home after spending two seasons at Monmouth, starting 14 games in 2025 and appearing in 29 total for the Hawks. For her Monmouth career, she totaled nine goals, four assists, 12 ground balls, and 67 draw controls.

The late transfer addition has proved to be an incredible find for the Owls, becoming one of the biggest contributors on the team. She ranks second on the team with 26 goals, second with five assists, tied for fifth in ground balls with 14, and second in draw controls with 57. The senior had the best game of her career against La Salle, finding the net five times with eight draw controls.

Elle Busby, Jr., MF (Xavier): Appeared in 14 games across two seasons for the Musketeers, notching two goals and two draw controls.

Busby has appeared in twelve games this year with three starts, picking up six ground balls and causing two turnovers on the year. The junior made her first two career starts against Queens and Lindenwood, scooping up two ground balls in each game.

Cybella Smith, Jr., GK (Longwood): Another Dallas, Ga., native returning home, Smith started 18 games and appeared in 29 across two seasons, totaling 995 minutes and 209 saves. She ranked third in the Big South in saves per game at 8.36 and fourth in save percentage at 42.7%.

Smith started off slow on the year before cementing herself as the starting goalkeeper and anchoring the Owls' defense during their four-game win streak. On the year, she has started twelve games with 73 saves and 10.79 goals-against average, for a 6-2 record. After a dip in production against No. 7 Florida, the junior picked up where she left off during the winning streak, going the distance against Queens. Smith was on fire during the overtime win with nine saves, seven ground balls, and two caused turnovers.

MAJOR MILESTONES APPROACHING

This year has been a welcome improvement from recent seasons, surpassing last season's five-win total with the first ever overtime win in school history against Queens. Through thirteen games, the Owls' seven wins is enough for a tie for the fourth highest total in program history.

As a team, the Owls have been aggressive defensively all year, causing turnovers and gaining extra possessions for the offense. Through 13 games KSU has 117 caused turnovers, already the ninth most all time.
