OPENING DRAW

The Fightin' Blue Hens enter the 2026 ASUN Championship Game as the No. 1 seed in their inaugural season in the conference. Delaware is in search of its first conference title since 1999 (America East) and first NCAA appearance since 2000.

Delaware went 8-0 in ASUN play to clinch the outright regular season championship. It is UD's first regular season championship since 1999, when the Blue Hens won their second of back-to-back America East titles. It is the fifth time in program history that Delaware has finished undefeated in conference play (1999, America East; 1998 America East; 1984 ECC; 1983 ECC).

Delaware is currently riding a 12-game winning streak, which is tied for the longest streak in the country with Stony Brook and Florida. It is the program's longest win streak ever within a single season. Delaware won 18-straight games between the 1982 (7) and 1983 (11) seasons. The defense is allowing a paltry 6.75 goals per game and has held nine opponents under the 10-goal threshold.

The top-seeded Blue Hens defeated No. 4 Lindenwood in the semifinals. **Ella Rishko** (4g, 1a) led the offense with five points, while **Steph Marszal** made nine saves in net. **Kennedy Radziul** and **Sydney O'Donnell** each had three caused turnovers and **Mary Matey** had a career-high five ground balls. It was Delaware's first postseason victory since 2009.

Delaware and Jacksonville met in Newark back on March 26, with the Blue Hens coming from behind to defeat the Dolphins, 14-13. UD overcame an 11-7 third-quarter deficit and ended the game on a 7-2 scoring run over the final 22 minutes. **McKenzie Didio** had career highs of four goals and five points, **Sophia Muscolino** (2g, 3a) recorded her fourth five-point performance and **Morgan Gore** (3g, 1a) added four points. The Blue Hens finished with a 20-9 advantage in draw controls, including nine from **Ella Rishko**, a career-high five by **Mary Matey**, and five by **Molly Baumgratz**.

WHAT TO LOOK FOR...

- A win on Saturday would be the 50th-career victory for head coach **Amy Altig**. The ASUN Coach of the Year has led the Blue Hens to three-straight seasons of at least 10 wins.

- Senior goalie Steph Marszal needs two more saves for 100 on the season, and three more saves to become the 10th Blue Hen to reach 300 saves for her career.

racking up the hardware

Delaware took home some serious hardware when the ASUN announced its postseason awards, including four major awards and six all-conference selections.

Ella Rishko (Offensive Player of the Year), **Morgan Gore** (Midfielder of the Year), **Kennedy Radziul** (Defensive Player of the Year) and **Amy Altig** (Coach of the Year) all won major awards. Altig is Delaware's first conference coach of the year since 1998.

Rishko, Gore, and Radziul were joined on the All-ASUN First Team by senior **Jaclyn Marszal** as Delaware's four first team selections were a league high. Junior **Molly Baumgratz** earned a spot on the second team and freshman **Maggie Porter** was recognized on the all-freshman team.

booksmart

Morgan Gore was named the ASUN Women's Lacrosse Scholar-Athlete of the Year. The senior is set to graduate this spring with a finance degree and owns a 3.98 cumulative GPA.

Kat Baseggio, **Maggie Farragher**, **Jaclyn Marszal**, **Steph Marszal** and **Riley Sturtevant** all joined Gore as ASUN All-Academic selections.

high-powered offense

The Blue Hens set a program record by scoring at least 13 goals in 11-straight games from March 11 - April 22, the first 11 games of their current winning streak. Delaware has had 14 players score a goal in 2026, with six scoring at least 15 goals. Four times, the Blue Hens have had at least 10 different players in the scoring column, with a season-high 12 players scoring a goal at Lindenwood. That is the most since 12 Blue Hens scored in an 18-4 win over Kent State on February 25, 2024.

stiff defense

The Fightin' Blue Hens lead the ASUN and rank 12th nationally with 8.06 goals allowed per game. The defense allowed less than 10 goals in six-straight games from March 4-21, the program's longest streak since 2016. Overall, UD has held its opponents to single digits 11 times in 17 games.

inside the streak

The Blue Hens are currently on a 12-game winning streak, tied for the longest active streak in Division I with Florida and Stony Brook. It is the longest win streak in a single season in program history. Delaware won 18-straight games between the 1982 (7) and 1983 (11) seasons.

During the streak, Delaware has outscored its opponents 193-81 and UD's offense scored at least 13 goals in the first 11 games, the longest streak in program history. Delaware holds a 193-97 advantage in the draw control circle, winning at a .666 clip. The defense has held opponents to 15.9 shot attempts per game and forced 18.1 turnovers per game during the streak. Opponents are clearing at a 70.6% (161-228) success rate, while the Blue Hens are nearly perfect at 93% (187-201).

60-60

Delaware seniors **Jaclyn Marszal** and **Ella Rishko** have both set career highs with 62 and 60 points, respectively, heading into the 2026 ASUN Championship. They are the first set of Blue Hen teammates to both surpass the 60-point mark in the same season since **Jenn Rinnander** (74) and **Jennifer Hadley** (60) did so in 1993.

50-50-50 club

Junior **Sophia Muscolino** sits at 47 points (19g, 28a) despite missing the first three games of the season. She is three points shy of becoming the third Blue Hen to reach 50 points this spring, joining **Jaclyn Marszal** (62) and **Ella Rishko** (60). They would become the first Delaware trio to all hit the 50-point marks since **Sue Daddona** (72), **Kelly Frey** (55) and **Laura Perry** (52) in 1995.

scoreless streaking

Delaware's has shut out its opponents in 14 different quarters this season, including holding three different opponents scoreless for an entire half. Overall, Delaware has had nine different streaks this season of holding opponents scoreless for 20 minutes or more.

The Blue Hens had a season-long scoreless streak of 71:08 in March as they had three-consecutive shutout quarters against Mount St. Mary's (March 14) and the entire first half against Austin Peay (March 19). Against the Mount, UD did not allow a goal for the final 45:16 of the game, before shutting out the Governors for the first 35:52 of game action.

chasing 50

Ella Rishko currently leads the Blue Hens and the ASUN with 52 goals on the season. She is the first Blue Hen since **Jenn Rinnander** in 1994 to reach the 50-goal mark. She became the first Delaware player since **Christine Long** in 2019 to score 40 goals in a season. Rishko is currently tied with Rinnander for eighth on the UD single-season scoring list

filling the tub

In their nine home games at Delaware Stadium this season, the Blue Hens averaged 417 fans per game. That number leads the ASUN and ranks 27th nationally. The Blue & Gold is the only ASUN program averaging more than 300 fans per game.

point machine

Jaclyn Marszal ranks second on the Blue Hens with a career-high 64 points, including 38 assists which ranks third in program history. Marszal has four games this season with at least seven points, including a 10-point performance against Queens earlier this month. Her eight assists at Queens are tied for the third-most in a game in Delaware history and the most by an ASUN player this season.

slayed the dragons

Delaware's winning streak started on March 11 with a 13-6 road victory at Drexel, a former rival out of the CAA. It was **Amy Altig's** first win over the Dragons, and the victory snapped a five-game losing streak against Drexel. The two programs have met every year since 1986 except for 2020 and 2021 seasons (COVID-19), and the Blue Hens moved to 28-13 all-time against the Dragons. Delaware and Drexel were conference rivals as members of the CAA (2002-25), America East (1997-01) and the ECC (1983-91).

sensational steph

Steph Marszal has been dominant in the cage this season, leading the ASUN and ranking 12th nationally in goals against average (8.06). She had three-straight games with 10 saves (Navy, UMBC, Georgetown), and had a .500 save percentage in five-straight games (UMBC, Georgetown, Drexel, Mount St. Mary's, Austin Peay), the longest streak by a Blue Hen since **Tori Zorovich** in 2013 (min. 30 minutes played/game).

Marszal had nine saves in UD's ASUN semifinal win over Lindenwood, setting a career high with a .692 save percentage.

Kennedy going beast mode

ASUN Defensive Player of the Year **Kennedy Radziul** has been a beast in the defensive zone this season, leading the Blue Hens with 36 ground balls and she is second on the team with 30 caused turnovers. It is the fourth-straight season Delaware has had a player record at least 30 ground balls and 30 caused turnovers in the same season. She had a career-high five caused turnovers at Georgetown and has had four ground balls in a game four times this spring.

dominance in the draw

The Blue Hens have been dominant in the draw circle this season, currently ranking seventh in the country with a .620 draw control percentage and 17th nationally with 14.76 draw controls per game. In the regular season finale at Liberty, UD set the program's single-season record, winning its 241st draw of the season. **Ella Rishko** has already set the program's individual season record with 94 draw controls this season, and **Molly Baumgratz** is currently fourth in UD history with 80 draw controls. Delaware is one of two teams (Lindenwood) in the country to have two players with at least 75 draw controls on the season.

Delaware is 38-10 under head coach Amy Altig when winning the draw control battle, including 12-2 this season and 7-0 in 2025

get the lead, hold the lead

The Blue Hens have been very good in recent years in holding a second-half lead. In seven seasons under head coach Amy Altig, UD is 37-6 when leading at halftime, and 39-6 when having the advantage after three quarters.

In the last three years, Delaware is 29-3 when leading at halftime, including a 12-2 mark this season. The Blue Hens are 29-1 when holding a lead after 45 minutes, with a 12-1 record in 2026.

magic number is 10

Since **Amy Altig** became head coach prior to the 2020 season, the Blue Hens are 32-3 when holding opponents under 10 goals, including 10-1 this year. On the flipside, Delaware is 47-18 when the offense scores 10 or more goals, and 13-2 this season.

historic opening weekend

Delaware opened its first season of its ASUN era with a bang, enjoying a historic weekend on the road. The Blue Hens defeated Austin Peay 19-3 and Lindenwood 25-7. The 44 goals over the two-game stretch are the program's most since 1986. Against Lindenwood, the 25 goals are the most by a UD team since 1987 and is tied for the fifth most in program history. The 18-goal margin of victory is the largest since 2015. The Blue Hens dished out 17 assists against the Lions, the second-most in the Delaware record books and most in a game since 1990. Overall, 15 different players had a point over the weekend.

tough non-con

Delaware played a very challenging non-conference schedule, with its eight opponents owning a combined 80-54 record (.597) through April 30. Five have registered at least 10 wins and three of UD's early-season opponents - Rutgers, Navy, Georgetown - have all seen time in the national rankings.

altig here for the long haul

In July, Delaware and head coach **Amy Altig** agreed upon a contract extension that will keep her at the helm of the women's lacrosse program through the 2030 season. Altig was named the seventh head coach in program history in June 2019 and has led Delaware to a 36-40 record through her first six seasons, including back-to-back 10-win campaigns in 2023-24. UD won six CAA games in 2025, the program's most league wins since 1999 when the Blue Hens went 6-0 in America East play.

golden gore

Morgan Gore reached the 100-career point milestone in Delaware's final home game of the season against Coastal Carolina. The senior reached the mark on her third goal of the game. Gore has played in all but one game in her UD career, missing the Navy game earlier this season due to injury.

rishko on fire

Ella Rishko recorded a hat trick in six-straight games from February 13 (Navy) through March 19 (Austin Peay). It was the longest streak since **Caitlin McCartney** also did it in six-consecutive games over the 2012-13 seasons. Rishko also had least four points in five-straight games, the longest streak since **Delaney McDaniel** had four or more points in five-straight games between the 2024-25 seasons.

kat scoops

In Delaware's home-opener against Rutgers, **Kat Baseggio** had a career-high five ground balls to reach the 50-career ground ball milestone in her 34th-career game. The five ground balls are the most in a game by a Delaware player since March 6, 2024. Baseggio also finished with four caused turnovers, tying a career high.

centurion status achieved

Senior **Jaclyn Marszal** hit personal milestones in each of Delaware's first two games this season. She had two assists in the season opener at Temple to reach 100 career points, then added another assist against Rutgers to achieve 100 points in the Blue & Gold. Marszal had two goals as a freshman at Notre Dame.

ella day in philadelphia

Senior **Ella Rishko** reached a trio of milestones at Temple in the season opener. She had a hat trick to reach 100-career goals scored and recorded nine draw controls to surpass 100 for her career. She also reached 50-career ground balls with three on the day.

200 club

In Delaware's season opener against Temple, **Steph Marszal** became the 17th Blue Hen to reach the 200-career save mark. She is the first UD goalie to reach the mark since **Mercy McCarthy** (2019-23).

asun a good fit

The Blue Hens should fit right in during their first season in the ASUN in 2026. Delaware finished 34th in the final 2025 RPI rankings, which would have been at the top of the conference, with Liberty second at 39th. Statistically, Delaware would have ranked first in the conference in free position percentage (.545), second in scoring defense (11.63), and third in caused turnovers per game (11.19), assists per game (6.25) and turnovers per game (14.63).

nakrasius promoted

Back in June, head coach **Amy Altig** announced the promotion of **Kara Nakrasius** to associate head coach. Nakrasius joined the UD program in August 2022 and has spent the past three seasons overseeing UD's efforts on defense and at the draw. In 2025, the Blue Hens ranked eighth nationally in caused turnovers per game (11.19) after ranking ninth in 2024 (10.44). Delaware has set eight program records on defense and at the draw in three seasons under Nakrasius.

Records under Nakrasius

- Team single-game CT (26)
- Team single-game GB (33)
- Team single-game DC (26)
- Team single-season DC (240)
- Individual single-game CT (Hranicka, 11)
- Individual single-season CT (Hranicka, 50)
- Individual single-game DC (Rishko, 15)
- Individual career DC (Livornese, 223)

keep the winning coming

Delaware is looking to build off of back-to-back 10-win seasons. It is the first time the program has had consecutive winning seasons since 2016-17 and the first time it has won at least 10 games in consecutive years since 2015-16.

runnin' it back

The Blue Hens return 10-of-12 starters from the 2025 season after the graduation of All-CAA Second Team selections Delaney McDaniel and Erin Gormley. Overall, UD returns 31 players who were on last season's roster, including 21 who saw action in at least one game and 13 who appeared in at least 12 games.

oh captain, my captains

Delaware will be led by a trio of senior captains in 2026 as **Maggie Farragher**, **Morgan Gore**, and **Ella Rishko** were all selected to lead the squad. Farragher and Gore are both second-time selections after serving as captains in 2025, while Rishko is a first-time captain in her second season as a Blue Hen following her transfer from Virginia Tech.

newcomers

The Blue Hens welcome eight newcomers to the roster in 2026. The group includes seven freshmen - **Amanda Gazelle**, **Jenny Green**, **Erin Hussey**, **Marin Mooney**, **Marina Mersch**, **Maggie Porter** and **Sadie Schultz** - who will all look to make their collegiate debuts in 2026. Porter transferred to Delaware after spending the fall at Penn State. Additionally, sophomore transfer **Meg MacMurray** joined the Hens after a year at Maryland.

roster breakdown

The 2026 Delaware roster features 39 players hailing from nine different states. Sisters **Ella** and **Lulu Rishko** are the only two Delawareans on the roster, while senior captain **Maggie Farragher** (Illinois) is the farthest from home. Maryland (12), Pennsylvania (8) and New York (7) are the three most represented states.

returning offensive firepower

Delaware returns three of its top-five scorers. **Jaclyn Marszal** ranked second on the team with 50 points (21g, 29a), while **Ella Rishko** had a team-leading 36 goals and 45 points, and **Morgan Gore** (30g, 2a) rounded out the top five. saac queen

Senior **McKenzie Didio** is currently in her second year serving as president of Delaware's Student-Athlete Advisory Committee (SAAC). During the 2025-26 academic year, Didio is also serving as a vice chair representative for Conference USA's SAAC, alongside softball graduate student **Claire Woods**.

puerto rico

Senior twins **McKenzie** and **Mia Didio** both represented Puerto Rico at the 2024 World Lacrosse Women's U20 Championship in Hong Kong, China. Their maternal grandmother is a native of Puerto Rico and the two earned spots on the Puerto Rico U20 National Team.

Puerto Rico finished fifth overall with a 6-2 record, going 3-1 in pool play and winning two consolation playoff games. McKenzie finished sixth on the team in scoring with eight goals and two assists. Mia, unfortunately, missed the tournament due to injury.

there's something in the gene pool

The Blue Hens had two pairs of sisters on the team who are both two-thirds of a set of triplets. Seniors **Jaclyn** and **Steph Marszal** have a third sister, Jamie, who is a senior at Loyola Maryland. Sophomores **Lena** and **Stella Stolarick** also have a third sister who is on the Holy Cross track & field team.

The genetic trait of twins runs strong on the Blue Hens' roster. Seniors **McKenzie** and **Mia Didio** have spent their entire careers at UD, while junior **Molly Baumgratz** has a twin sister - Ellie - who attends the University of Tennessee. Freshman **Marina Mersch** has a twin sister - Chiara - who is also a freshman at Delaware.

Ella and **Lulu Rishko** make up a fourth set of sisters on the 2026 roster. Additionally, junior **Mary Matey's** older sister, **Kellie Ann**, layed defense for the Blue Hens from 2021-24. They were both on the roster during the 2024 season.

Senior **Ella Rishko** played her first two collegiate seasons at Virginia Tech before transferring home to the First State to play her final two years as a Blue Hen alongside her sister **Lulu**. The Rehoboth Beach, Delaware native led UD with 36 goals and 55 draw controls in 2025, finishing with 45 total points. In two seasons at Virginia Tech, Rishko had 61 goals and 75 points over 32 games.

impressive in the classroom

In addition to their on-field success, the Hens have been showcasing their hard work in the classroom. The Blue Hens had a 3.52 team GPA during the 2025 fall semester and five student-athletes - **McKenzie Didio**, **Mia Didio**, **Amanda Gazelle**, **Morgan Gore** and **Jaclyn Marszal** - posted perfect 4.0 semesters.

new opponents on schedule

With Delaware beginning a New Era in the ASUN this season, the Blue Hens will be facing a number of first-time opponents. Eight of the team's 16 games will be against programs UD has never played, including seven of Delaware's eight ASUN matchups. The new opponents consist of Navy (Feb. 18), Austin Peay (March 19), Lindenwood (March 21), Jacksonville (March 26), Stetson (March 28), Kennesaw State (Apr. 9), Queens (Apr. 16) and Liberty (Apr. 22).

matey family affair

Junior defender **Mary Matey** is continuing a couple of family legacies as she is the fourth sister in her family to play Division I college lacrosse. She overlapped in Newark with her sister **Kellie Ann** who was also a defender for the Blue Hens from 2021-24). She also had a sister, Rachel, who played defense at James Madison (2019-23) and her oldest sister, Meghan, was a midfielder at Ohio State (2017-20).

Since 2021, Matey and her sisters have all worn #22 on the lacrosse field to honor their late father, Dave, who tragically passed away after a battle with cancer. He wore #22 as a college football linebacker at Ursinus.

red, white, and blue

Head coach **Amy Altig** has been named the Team USA Girls National Team Development Program (NTDP) U-19 Co-Head Coach. She will lead the squad in the Rivalry Challenge this September and the Brogden Cup in October.

Altig will share coaching duties with Mount St. Mary's head coach Lauren Skellchock. The duo previously coached together fall at the 2025 Rivalry Challenge and the 2025 Brogden Cup, leading the U19 squad to a perfect 6-0 combined record. They also coached the USA Select U18 Girls Team to a title at the 2024 Brogden Cup.
