

CAL POLY POMONA BRONCOS BASEBALL

Baseball Alumni and Friends:

On Friday, January 25, 2013, we will be hosting the return of the Bronco Baseball Golf Tournament and Dinner at Western Hills CC in Chino Hills. We will be honoring the 1983 National Championship team. Former Assistant Coach (Current Head Coach at RCC) Dennis Rogers has the honor of introducing the 1983 team. All proceeds will help benefit our current and future Student-Athletes.

We have some good news to pass along. Over the past two seasons we have added new windscreens, a new on field batting cage, new L screens and new turf for the bullpens. We look to continue to improve the areas such as the batting cage and clubhouse.

In addition, the university is continuing the campaign for the new Scolinos Stadium Project. We have received some generous gifts from alumni (thank you!) but our challenge remains.

Under the direction of head coach Randy Betten the past two seasons, the program has won 67 games and advanced to the West Region Championship Game in 2011. Centerfielder Travis Tajeron (2011), and pitcher Geoff Broussard (2012) received All American Honors. Travis and Geoff were both selected in the Amateur draft by the Mets and Phillies respectively.

Coaching with the Broncos are longtime Bronco Jimmy (Kimo) Ramos who works with outfielders and hitters. Jimmy was named head coach for the Philippine National Team in the World Baseball Classic. Another former Bronco, Pitching Coach Bret Lachemann, returns for his third season. Jenzen Torres will serve in his first season as an assistant after setting the Bronco home run record in his four-year tenure (2009-2012).

For the 2013 season, the Broncos have a strong core of returning players and a number of the top recruits in the area. Our goal is to contend for the CCAA Championship and advance to the postseason.

Please join us and participate in honoring our past champions and if you are not able to attend, I hope you will make a contribution to support Bronco Baseball.

The Alumni Baseball game will be at 12 p.m. on Saturday, January 26, so make it a great weekend and plan to attend both!
