THE 129TH SEASON OF BISON FOOTBALL

- Bucknell will begin its 129th season of football Aug. 30 vs. VMI at Christy Mathewson-Memorial Stadium. It marks the third time in the last four years the Bison will open their season at home.
- Bucknell last played a game in August in 2003 (W, 28-21 vs. Duquesne).
- After finishing the 2013 campaign with a 35-23 win at VMI, the Bison will be playing the Keydets for a second consecutive game. The last time Bucknell played a team in back-to-back contests was when it played Muhlenberg in the first two weeks of the 1944 season.
- Ten of Bucknell's 11 opponents from 2013 remain on the Bison 2014 schedule. The only change is Bryant taking the place of Dartmouth.
- Bucknell will have five home games this year, making the fifth time in the last six campaigns it has five home contests and six road games.
- Bucknell will have two in-season bye weeks (Sept. 13, Oct. 18) this year for the first time in the history of the program.
- Five of Bucknell's first seven games will be on the road.
- Four of Bucknell's first seven games will begin at 6 p.m. or later.

PRESEASON RECOGNITION

- Seniors DL Demetrius Baldwin-Youngblood, LB Evan Byers and S Matthew Steinbeck earned preseason recognition from the College Football Performance Awards (CFPA). All three veterans were named to the CFPA watch list for their respective position. Baldwin-Youngblood tied for the team lead with eight sacks a year ago, while Byers became the first Bison since the 1990s to record back-to-back 100-tackle campaigns. Steinbeck picked off five passes to rank second in the Patriot League. This is the second straight year Byers and Steinbeck have received preseason recognition from the CFPA.

OPPONENTS

- Bucknell's 11 2014 opponents posted a combined 62-68 (.477) record in 2013.
- Bucknell's 91 meetings with Lafayette make it the most-played rivalry in program history. Lehigh (76 games) is No. 2 on that list.

It was mid-October last fall and Bucknell's record stood at 1-4 and the Bison were embarking on a long drive to Hanover, New Hampshire, to take on Dartmouth. Bucknell came away from that trip with an impressive 17-14 victory and won four of its next five games to finish with its second winning record in three seasons. The Bison were 3-2 in Patriot League play and finished in second place in the conference standings for the first time in more than 15 years.

That late-season success coupled with the return of 17 starters and six All-Patriot League players puts heavy expectations on the 2014 Bucknell squad.

"Finishing strong like we did last year gave us momentum heading into winter workouts and spring practice," said Bison head coach Joe Susan, who enters his fifth year on the Christy Mathewson-Memorial Stadium sideline in 2014. "We graduated some key seniors from last year's team, but the work ethic of the returning guys started in the weight room the Monday after our last game and continued through the winter and spring. Everything builds into the next thing."

Bucknell has nine offensive starters returning and eight defensive starters back in the mix, leading to the high potential for success this fall. All-Patriot Leaguers Demetrius Baldwin-Youngblood (DL), Evan Byers (LB), Julie'n Davenport (OL), Lonnie Rawles (OL), Matthew Steinbeck (S) and CJ Williams (RB) are among the returning players.

"Game experience at this level is so important, especially when you only get them for four years," mentioned Susan, who will tie Pete Reynolds for 10th place on Bucknell's years coached list this season. "One of the things we emphasize with our guys is our talent and experience does not give us a right to be successful, it only gives us a chance to be successful. We have been selling that all along and they have bought into it."

Bucknell's preseason depth chart features 13 seniors, four juniors and five sophomores listed as likely starters. The Bison this year return 40 lettermen. Below is a position-by-position look at the team heading into preseason practice.

OFFENSE

Bucknell in 2013 saw its points per game increase nearly 50 percent from the previous year (15.0 to 21.8) and its total yards per game jumped up 26 (298.4 to 324.4) as it took advantage of a fourth-year starting quarterback, a strong running game and a developing offensive line.

Despite losing four-year starting quarterback Brandon Wesley to graduation, Susan and newly promoted offensive coordinator Mike O'Connor expect to have plenty of weapons at their disposal. With five returning starters on the offensive line, two accomplished running backs and a stable of wide receivers that have already shown flashes of brilliance, the points and yards per game totals should only continue their upward trend.

"We try to take advantage of what a defense gives us," said Susan, who likes to describe the Bison as a "downhill" offensive team. "We have some speed on the outside and we will take shots deep, which we showed during the spring game. If you try to run against an eight-or-nine-man box, you are banging your head into the wall because there are unblocked defenders. We will continue to be run first, then run-action and screens to keep a defense off-balance, while also trying to take advantage of personnel and scheme matchups."

With skilled weapons throughout the offense, Susan noted how the Bison will create unique problems for defenses. He also explained how the Bucknell coaching staff looks at their number of offensive plays in a game as a pie chart and how it must be divided with the best players touching the ball for a percentage of that chart. Dividing that pie up this year will be difficult and could vary significantly from game to game.

"Our players will need to understand their roles and set their egos aside," said Susan. "If we get a hot tailback, we are going to ride him. If another play is working, we will continue to go to that person. It all depends on the game situation."

QUARTERBACK

"With Brandon (Wesley) graduating and having most of the passing records here, we will need to replace his experience on the field. We can't miss him, we have to replace him," commented Susan, an assistant at Rutgers for nearly a decade before coming to Bucknell.

Sophomore RJ Nitti will enter preseason camp as the starter and has some game experience under his belt. The 6'4", 220-pound right-hander appeared in four games a year ago and completed 38 of 78 passes for 371 yards. His 271 passing yards against Holy Cross marked the most by a Bison since 2008.

"RJ is a big, strong quarterback," noted Susan. "He got better with his decision-making process throughout the spring and continuing that progression will be a key to his success. He has a strong arm and continues to improve his release mechanics. He was rehabbing a leg injury last season and is now a lot stronger in his core and there is no reason he can't be the quarterback that we need in this offense."

Susan has mentioned the quarterback position will not have as many running plays called for it this year, based on personnel. Wesley was adept at using his legs to make plays, while Nitti and this year's other quarterbacks are better at staying in the pocket.

"RJ can move his feet to buy some time, and we will use him selectively with the run, but it will not be a staple of our offense," said Susan.

Senior Trey Lauletta — the only other quarterback on the roster with game experience — enters preseason camp as the No. 2 signal caller.

However, Susan noted the veteran prepares like he is the starter.

Lauletta has played in seven games over his first three years and earned his first career start last September

against Sacred Heart. He has totaled 335 yards on 44 completions, including a 22 of 35 performance for 166 yards as a freshman at Colgate.

Sophomore Alexander Romango and freshmen Matt Muh, Jack Horan and John Burkly will battle to move up the depth chart throughout the season. Bucknell has lined up an impressive looking group of quarterbacks with the left-handed Burkly the smallest of the bunch at a sturdy 6'1" and 195 pounds.

Susan compares Muh (6'4", 215 pounds) to Nitti in terms of size, while Horan (6'3", 210 pounds) is also a big rookie, but will enter preseason camp coming off an injury.

"One of our goals early in preseason camp will be figuring out our depth chart at quarterback because repetitions are limited and we already know R.J. needs a lot of reps," commented Susan.

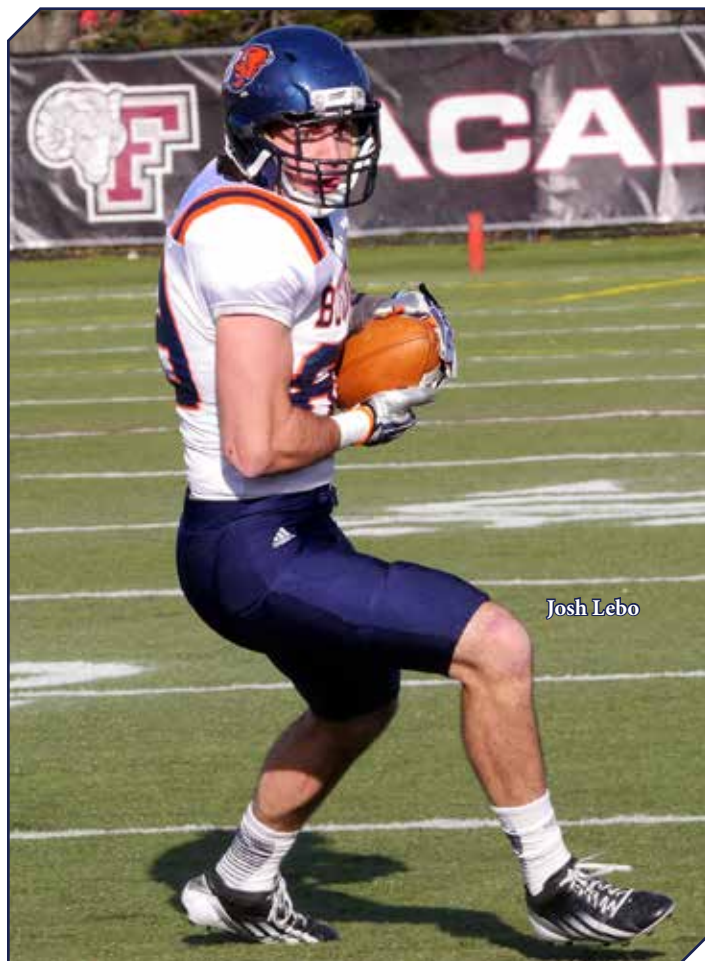

RUNNING BACK

C.J. Williams and Matt DelMauro combined for nearly two-thirds of Bucknell's running attempts last year and Susan only expects that number to jump in 2014. With the Bison's desire to establish a strong running game, coupled with the durability of that pair, they will certainly receive their share of carries.

A Second Team All-Patriot League pick as a freshman last fall, Williams led Bucknell with 899 yards on 212 carries in only 10 games. He posted four 100-yard games, including a 154-yard outing in a 38-point win vs. Lehigh.

After not seeing game action as a freshman, DelMauro ranked second on the squad in rushing attempts (92) and yards (487) as a sophomore in 2013. All three of his touchdowns came in Bison victories.

Josh Lebo

"Both CJ and Matt have game experience and are different types of players," said Susan. "They give us the ability to change pace and not skip a beat. Both have come a long way in terms of their protection skills and within this offense it is critical for the running back to be a protector."

Sophomore Anthony DelRusso, who had an impressive spring, and speedy freshman Joey DeFloria will add depth.

"Having four talented backs is good, but sometimes it is not enough because they take a beating," mentioned Susan. "I am very confident about those top two being able to help us to be the offense we need to be."

FULLBACK

Much like quarterback, the fullback position will have a new starter for the first time since Susan arrived in Lewisburg in 2010. Three-time All-Patriot League player Travis Friend was the stalwart at the position the last four years, but he walked across the graduation stage this past May.

Senior Kareem Hyman has been waiting his chance to play and he will finally get the opportunity this year, while converted offensive lineman Daniel McManus will challenge for playing time. Susan envisions using the 6'0", 260-pound McManus mainly in blocking situations.

Senior Dillon Rupp and freshman Craig Cassidy will add depth at fullback behind the veterans.

TIGHT END

With less game experience at fullback this year, Susan envisions using additional tight ends in some situations that would previously have featured a fullback. He certainly has plenty of options to choose from at tight end with an extremely experienced group that adds significant size to the Bison lineup, averaging 6'3", 226 pounds.

Seniors Patrick Kelly and Josh Lebo have taken the most snaps at tight end among the current contingent, which also includes senior Jake Hartman and juniors Brian Duncan and Matthew Jegede. Hartman converted to tight end from wide receiver prior to last season, while Jegede made the transition this offseason. Freshman Andrew Podbielski has also joined the group and Susan has high expectations for the rookie, who could break into the lineup this fall.

Kelly has the most experience in the group with 33 games played and 19 starts over the last three years. He has 10 catches for 63 yards and is used mainly in a blocking role.

Lebo has been the primary receiver at tight end with 27 receptions for 304 yards. His 200 receiving yards last year ranked fourth on the squad and he hauled in four passes of longer than 20 yards, including a career-best 56-yard reception at Cornell.

Hartman saw action in four games a year ago, including a start at Lafayette, while Duncan appeared in eight games. Jegede appeared in four games at his wide receiver position.

87	Andrew Podbielski	Fr.	6-4	240	--

"We are fortunate Kelly, Lebo and Hartman have played a lot of football here," noted Susan. "Transitioning Jegede to his hybrid tight end position will help him be more successful."

WIDE RECEIVER

Bucknell has four wide receivers — Josh Brake (1), Will Carter (1), Bobby Kaslander (1) and Victor Walker (3) — who have recorded at least one 100-yard receiving game in their careers. That group gives the Bison probably their most talented group of receivers in recent memory.

WIDE RECEIVERS (9)

18	Will Carter	So.	5-10	180	2

81	Vinnie Pini	Sr.	5-9	170	3
5	Victor Walker	Sr.	6-1	204	24

Brake enters his senior campaign with at least one catch in 17 consecutive games and is coming off a year where he led the team with a career-high 445 receiving yards. Brake needs just 97 more receiving yards to hit the 1,000-yard mark for his career.

"Josh is a very consistent and smart receiver and we are lucky to have him back for another year," praised Susan about the Texas native.

Carter had a breakout freshman campaign last fall. After not seeing action in the season's first four contests while he continued to adjust to the college game, Carter erupted for seven receptions and 74 yards in his first career outing against Holy Cross. He followed that with eight receptions against Dartmouth and a season-high 130 yards against Lehigh, marking the sixth-most receiving yards by a Bison this century.

"Will might be the fastest guy on campus," said Susan. "He got a lot better in terms of his approach in the spring. He will be a very good deep ball threat for us as he continues to mature."

Kaslander's big break in 2013 came in a game at Colgate where Carter was out of the lineup. Then a sophomore, Kaslander was inserted into the lineup and caught nine passes for 119 yards in the first significant playing time of his career. He finished the year third on the team in receptions (24) and yards (327) with the bulk of them coming in the final four weeks of the season.

Walker entered 2013 preseason camp as perhaps Bucknell's top receiver, but he suffered an injury and was forced to sit out the entire 2013 season. He has one final semester of eligibility and will try to make the most of the chance. Walker ranks 11th in program history with 1,410 receiving yards and has been remarkably consistent throughout his career with yearly totals of 443, 473 and 494 yards. He is one of just 12 players in program history with at least three 100-yard receiving games.

Senior Vinnie Pini, junior Brandon Farrell and sophomore Nathan Medrano will add depth, while Susan is also high on freshmen Kyle Kinner and Colby Klingerman, who both provide plenty of speed on the outside.

"Both Kyle and Colby are very efficient in and out of their breaks and can really break down cornerbacks," commented Susan.

OFFENSIVE LINE

While there is plenty of talent sprinkled throughout the Bison lineup, Susan thinks the offensive line could and should be the strength of this year's squad.

Two years ago the Bison returned just one starter and had basically a blank slate on the offensive line heading into preseason camp. This

year, in stark contrast, Bucknell returns all five starters and has no fewer than eight players that could easily see playing time.

"We are fortunate we return seven guys that have started and our size is where we need to be to play this offense," noted Susan, a former offensive lineman himself.

Bucknell's projected starting group tips

Ramy Kased

the scales at an average of 300 pounds, while the average height is a towering 6'4 1/2". There is plenty of experience as well with three seniors, one junior and one sophomore among the starters entering preseason.

The most veteran member of the offensive line is left guard Lonnie Rawles. The senior entered the starting lineup midway through his freshman campaign and never left, having started 29 consecutive games. He was a First Team All-Patriot League selection last year and has played left tackle (2011, 2012) and left guard (2013).

Sophomore Julie'n Davenport joins Rawles on the left side of the line, holding down the tackle position. A Second Team All-Patriot League pick last year, Davenport started all 11 games and Susan thinks he could potentially be the best offensive lineman in the Patriot League as soon as this fall.

"Julie'n is so athletic and long," explained Susan. "He has really committed himself in the weight room."

Senior Nevin Hagman enters his senior year as a regular in the starting lineup. He started nine games at right tackle in 2012 and 10 at right guard last season. He should continue to hold down the right guard spot this year and Susan regularly praises his intellect on the field.

Junior Ramy Kased, a 320-pounder, took the right tackle starting spot last year and is expected to keep it this season.

"Ramy has done wonders with his body," praised Susan. "He is not a flashy guy, but he gets the job done."

The center position was a battle last year between Brandon Noblett and Ned Bent and that competition should continue this year. Noblett entered 2013 as the starter, but Bent took over in week five. However, Noblett took the starting spot back with a strong performance in the spring and enters preseason camp listed first on the depth chart. Noblett is a senior with 15 career starts under his belt, while Bent is a sophomore.

Susan has also been pleased with the progression of sophomores Devlin Brennan and Cary Hess, while junior Clayton Hoffmaster also has some starting experience.

DEFENSE

Bucknell's defense under Joe Susan has long been known for creating turnovers and being strong against the run. The Bison have forced 82 turnovers over the last three years and have had at least one interception in 26 of the last 33 games. They have also ranked in the top 10 nationally against the run in each of the last three years.

Those traits will likely continue in 2014 as Bucknell will take advantage of plenty of talent and experience on the defensive side of the ball.

The Bison are expected to continue to employ the 4-2-5 defense they have utilized since 2010, but Susan notes they have simplified some of the schemes so they can transition into a lineup with three defensive linemen when personnel groups and matchups dictate.

As is usually the case, Susan would like to develop as many as eight defensive linemen to use in a rotation, keeping them fresh against opponents' tiring offensive lines. He thinks that is a reachable goal this year with a number of players in the mix for playing time.

A 2013 Second Team All-Patriot

League selection, senior Demetrius Baldwin-Youngblood is expected to be the anchor of the line. He tied for first in the Patriot League in sacks with eight a year ago, while his 11.5 tackles for loss were seventh in the conference.

"Demetrius can be as good as there is," praised Susan, who saw 2013 senior Tracey Smith earn All-America honors on the defensive line.

Fellow seniors Connor Hayes and Dylan McDonnell have seen plenty of playing time over their careers, but Susan is expecting them to jump into lead roles this year. Hayes has appeared in 19 career games, while McDonnell is a veteran of 26.

Susan is looking for someone to complement Baldwin-Youngblood on the inside and was impressed with the spring performances of junior Robert Naylor and sophomore Ben Schumacher. Additionally, junior Jimmy King earned playing time last fall and was solid.

Doug Whitlock, a freshman who enrolled in school last January and participated in spring practice, is in the mix to see playing time at defensive end. He impressed many of the veterans and the coaching staff throughout the spring.

Susan is also high on freshman Abdullah Anderson, who played just one year of high school football, and rookie Chase Watkins, who is 6'4", 270-pounds.

"We have a lot of options, just a lot less experience than we had last year with Tracey Smith and Sean Sellers," noted Susan.

LINEBACKER

Two-time All-Patriot League selection Evan Byers is one of the more dominating players in the conference and Lee Marvel is a two-year starter who has played in all 33 games over his first three years. That duo will take the majority of snaps at linebacker for the Bison for a second straight year.

"With what we ask the linebacker position to do, Evan and Lee can play just about every play," said Susan, who commented that they are two of the better players on the team.

Byers came off the bench as a freshman in 2011, but has started at linebacker each of the last two years, piling up back-to-back 100-tackle campaigns. A two-time Bison Gridiron Club Award winner as Bucknell's MVP, Byers was named to the CFPA Preseason Linebacker Watch List and his 263 career tackles are the most by any Bison player since 2006.

Marvel moved to linebacker last year after playing at safety earlier in his career. The team co-captain finished second on the team to Byers with a career-high 68 tackles and he enters his final season with 150 career stops, including 13 tackles for loss.

Senior Dominique Daniels and sophomore Chris Cardinali will be the primary backups for Byers and Marvel, while Audrey Diejuste will try to work his way back into the lineup after suffering a leg injury in last year's game at Lafayette.

There are also six freshmen — Jake Lawton, Luke Liprando, Mike Pirolli, Mark Pyles, Ben Richard and Tom Adams — in the mix at linebacker, although Susan expects some of them may have to make their mark on special teams.

SAFETY

Bucknell's defense utilizes three safeties and returns all three starters from a year ago. Senior co-captain Matthew Steinbeck (whip safety), junior Clayton Ewell (strong safety) and Louis Taglianetti (free safety) are the incumbents that give Susan a lot of confidence.

A two-time All-Patriot League selection, Steinebck ranks seventh on the program's career interceptions list with 11. He ranked third on the team last year with 64 tackles and his four pass breakups placed him among the team leaders.

Ewell provided a pleasant surprise for Susan last year as he totaled 61 tackles and 12.5 tackles for loss to rank fourth in the Patriot League and 51st nationally.

"I think Clayton can be the best strong safety in the league," praised Susan. "He is such a good blitz guy that in some of our three-down packages we make him a linebacker and bring him. He is so fast and has a knack for getting into the backfield."

Taglianetti joined Ewell as a first-time starter last year after getting his feet wet on special teams in 2012. He registered 57 tackles and posted at least five tackles in a game on seven occasions.

Sophomores Thomas Bodolus and Bret Berg, as well as former cornerback junior Anthony Marcozzi, are the only other returning safeties. Bodolus appeared in seven games, while Berg did not see game action, but Susan praised his progress during the spring. Marcozzi missed last season due to injury after a strong rookie campaign on special teams.

Freshmen Mac Atkins, Connor Golden, Colin Jonov and Jared Morse will also factor into the depth of the safety position.

CORNERBACK

Speedy sophomore Nick O'Brien, who broke into the starting lineup midway through last season, and senior Jaylen Amaker are expected to man the two starting cornerback spots heading into the preseason, but that does not mean there is an absence of competition. Junior Brian Regan has moved from running back to cornerback and will try to earn playing time, while senior Terry Bennett will attempt to expand his role beyond special teams.

Freshman Trey Johnson will also be in the mix for playing time.

8	Nick O'Brien	So.	5-10	195	6
22	Brian Regan	Jr.	5-9	195	--

O'Brien registered 33 tackles, 1.5 tackles for loss and was among the team leaders with six pass breakups last year. His playing time continued to rise as the year moved along.

Amaker was named the team's Most Improved Offensive Player following spring practice and is looking forward to an expanded role after seeing action in a reserve capacity in 15 games over the last two years.

Regan is blessed with plenty of speed and was a strong running back the last two years, but Susan decided he could be better utilized on the defensive side of the ball and will continue with the transition during the preseason.

SPECIAL TEAMS

The loss of Kyle Sullivan, who was Bucknell's punter, punt returner and holder in addition to being a wide receiver, left a big hole in the special teams area, but the Bison will be able to make up for that loss with a number of talented players.

Sophomore Mateo Buraglia is slotted to take over as the punter after missing most of his freshman campaign with an injury. He will likely also split some of the kicking duties with senior Derek Maurer, who was 21-for-22 on extra points and 9-for-13 on field goals last year.

Nick O'Brien will share kickoff return duties again with Brian Regan, while he will likely take over the punt return responsibilities from Sullivan. O'Brien returned 14 kicks last year and ranked 46th nationally in kick return average. Regan returned 10 kicks last fall after ranking 53rd nationally in kick return average as a freshman in 2012.

Josh Brake will likely take over holding duties for Sullivan, while freshman Tom Adams is slotted to take over long-snapping duties from the graduated Jeff Goyette, who was the team's four-year starter at that position.

JOE SUSAN

BOB ODELL HEAD COACH
5TH YEAR AT BUCKNELL
DELAWARE '78

In his first four years on the Bison sideline, Joe Susan has certainly impacted the culture of the Bucknell program. He has his favorite sayings like "The Ball is the Program", which focuses on limiting and creating turnovers, and certain philosophies like the Thought Box, which symbolizes leaving all off-field distractions away from the field during practices and games. Additionally, Susan strives to recruit strong citizens to Bucknell and mold them into even better people by the time they graduate.

With his efficient coaching style and zest for recruiting, it hasn't taken long for Susan to make an impact at Bucknell. In just his second season at the helm of the Bison, Susan led Bucknell to a five-win improvement, equaling the program record. He has now overseen two above-.500 records in the last three years after leading the Bison to five wins in their last six games in 2013, including the program's first victory over nationally ranked Lehigh in 16 years.

The 2014 season will see two classes of Bison that have been recruited with merit aid scholarships at Susan's disposal. With the strong close to the 2013 season and the many positives exhibited over Susan's first four years, the stage is set for even more from the program under Susan, a former Bucknell assistant coach.

Bucknell posted a 6-5 mark last fall (2013) and returns 17 regular starters and six All-Patriot League players, meaning expectations are high going into 2014.

A veteran of nearly 40 years in the college coaching profession, Susan was named the Bob Odell Head Football Coach at Bucknell University on Jan. 27, 2010.

Susan, 58, is Bucknell's 26th head coach since the program's inception in 1883, and he took over a program that currently ranks 19th all-time in Division I Football Championship Subdivision (FCS) victories with more than 580.

Susan, a 1978 graduate of the University of Delaware, served near-

Joe Susan

decade-long stints at Bucknell (1981-1990), Princeton (1991-1999) and Rutgers (2001-2009) before becoming the Bison head coach. He has had tenures at both the Football Bowl Subdivision (Rutgers, Memphis) and Football Championship Subdivision (Bucknell, Princeton, Davidson) levels.

A native of South River, New Jersey, Susan returned to Bucknell from Rutgers, where he spent the previous nine years as an assistant coach on Greg Schiano's staff. Schiano, a three-time letterwinner at Bucknell who was recruited by Susan, played for the Bison teams Susan coached and served as co-captain as a senior in 1987.

"I am thrilled for our student-athletes and football program to be able to welcome Joe Susan and his family back to Bucknell," said Bison director of athletics and recreation John Hardt at the time of Susan's hiring. "His 30-plus years of successful experience in college football have prepared him exceptionally well to lead our program and reestablish the winning traditions of Bison Football. Through his student-focused approach, Joe has demonstrated an ability to recruit and mentor top-notch student-athletes at all levels of college football. Coach Susan has a passion for the sport of football and devotion for the young men he coaches on a daily basis. I know he is eager to get to work, and everyone associated with Bison Athletics is looking forward to welcoming him back to campus."

At Rutgers, Susan spent three years as the offensive line coach before adding tight ends coach and recruiting coordinator to his duties in 2003. As recruiting coordinator, he was integral in securing several highly touted and nationally ranked recruiting classes, including the 2009 group, which was ranked in the top 25 nationally by ESPN.com. His main recruiting areas were Central New Jersey, Western Pennsylvania, Eastern Florida, Delaware and Canada, although he directed Rutgers' national efforts.

Prior to Susan's arrival at Rutgers, the Scarlet Knights had not posted a record above .500 for nearly a decade and had qualified for one bowl game in 131 years of football. In 2009, Rutgers played in its fifth consecutive bowl game and finished 9-4.

Susan directed a deep corps of tight ends during his tenure at Rutgers that included former three-time All-Big East selection Clark Harris, a 2007 seventh-round draft choice of the Green Bay Packers.

Prior to his time at Rutgers, Susan got his first chance as a head coach when spent one year as the frontman at Davidson in 2000. He led the Wildcats to a 10-0 record, the only unbeaten team in school history, and a single-season record for wins. Susan was named the Coach of the Year by the Division I-AA Independents Sports Information Directors Association. Additionally, he received a Presidential Citation from the University of Delaware for outstanding achievement.

At Princeton, Susan served as both the offensive coordinator and offensive line coach for nearly a decade. In addition to recruiting duties at the Ivy League institution, he organized and implemented year-round strength and conditioning programs, developed and coordinated the spring football clinic and coordinated travel plans for away games.

Susan's initial tour of duty at Bucknell began in June 1981. From 1981 through 1988 he was in charge of the offensive line and served as strength coach for the Bison under head coaches Bob Curtis and George Landis. When Lou Maranzana was hired as head coach prior to the 1989 campaign, Susan was promoted to assistant head coach while still keeping his duties with the offensive line.

Susan's first foray into the coaching profession came at his alma mater where he was a graduate assistant on two separate occasions, separated by a one-year volunteer stint at Gettysburg.

Susan enjoyed an outstanding playing career at Delaware (1973-76), as his teams compiled a 36-12-1 record in his tenure there. The 1976 Newark Touchdown Club Offensive Lineman of the Year, Susan helped the Blue Hens to two Lambert Cups (1974, 1976) and the NCAA Division II national championship game.

In addition to a bachelor of arts degree in psychology from Delaware, Susan earned his master's in physical education with an emphasis in exercise physiology from his alma mater in 1982.

Off the field, Susan is a member of the American Football Coaches Association, the National Strength and Conditioning Association, the University of Delaware Alumni Association and the National Football Foundation and College Hall of Fame.

Susan and his wife, Cindy, have three adult children: 30-year-old son Matthew, 28-year-old daughter Jessica and 26-year-old daughter Julia.

BOB ODELL ENDOWMENT

Bob Odell is escorted to the monument that was erected in his honor in 2005.

Bucknell trustee emeritus Norman E. Garrity, a member of the Class of 1962, and his wife Mary Lou Roppel Garrity, a member of the Class of 1964, have established the Bob Odell Head Football Coaching Endowment. The Garritys' significant gift to the university permanently endows the head coach position for football, along with providing funds for the program.

Garrity played under Coach Odell, who passed away in December 2012, and was a member of the 1960 team that won the Lambert Cup title as the best team in the Eastern United States. He also served as an assistant football coach during the 1963 season. Garrity has been a member of Bucknell's Board of Trustees since 1995. In 2004 he received the alumni Athlete Achievement Award, given to former Bucknell athletes who have achieved success in their chosen profession. Garrity served in a variety of manufacturing and engineering management positions with Corning Inc. In 2003 he received the Loyalty to Bucknell Award for extraordinary service to Bucknell as a Trustee, member of Reunion Gift committees and volunteer for the Career Development Center. Garrity was also awarded the Bud Ranck Award for his service and devotion to the football program. In addition to the Odell endowment, he funded the Garrity Family Scholarship and the state-of-the-art artificial surface for the football field.

Prior to the 2005 season finale against Holy Cross, the Bucknell football program and Bison Athletics honored Odell's service and friendship to Bucknell with a special monument, which was unveiled in the closed end of Christy Mathewson-Memorial Stadium.

Odell is a member of the Bucknell Athletics Hall of Fame and the National Football Foundation and College Hall of Fame. As head football coach from 1958-64, Odell took over a struggling program and compiled a 37-26 record. He led the Bison to college football prominence, winning Lambert Cup titles in 1960 and 1964 while producing five straight winning seasons and a 32-13 record from 1960-64.

An All-American himself as a halfback at Penn, Odell won the Maxwell Trophy and finished second in the Heisman Trophy voting in 1943. He later served as head coach at Penn from 1965-70 and at Williams from 1971-86. His overall coaching record stood at 136-104-5. A second-round draft pick of the Pittsburgh Steelers in 1944, Odell served as a communications officer in the U.S. Navy during World War II before starting his football coaching career. He began as an assistant coach at Yale, then moved on to Temple and Wisconsin. Odell retired to Lewisburg and volunteered his time and football expertise back to the program on the field, in the radio booth and as a loyal supporter of the Bison football squad. And, thanks to the generosity of Norm Garrity, he will forever have his name associated with Bucknell's endowed head coaching position — The Bob Odell Head Football Coach."

JACK COFFEY FIELD - BRONX, N.Y.

NOV. 9, 2013 - ATTENDANCE: 6,826

• There were a total of nine turnovers, but just one led directly to points. Bucknell's go-ahead touchdown came immediately after Matthew Steinbeck's fifth interception of the season.

• A wild final minute ended with Fordham blocking a potential game-winning field goal off the foot of Bison kicker Derek Maurer. The Rams were set up in the victory formation and prepared to take a knee, but the Bucknell defense forced a fumble and recovered it. The Bison moved down the field on two long pass completions and a pass interference call, setting up the 37-yard field goal attempt that was turned away.

• Bucknell used some trickery throughout the contest as RB CJ Williams completed a pass to QB Brandon Wesley and WR Josh Brake connected with Williams on a 23-yard touchdown pass.

• A sellout crowd of nearly 7,000 witnessed the game that stretched Fordham's record to 10-0.

• Fordham converted 11 of 20 third downs compared to 3 of 12 for Bucknell.

• Both of Fordham's touchdowns came on third down, while all three of Bucknell's scores came on first or second down.

NOTES

• Bucknell posted its second winning record in the last three years as it won five of its final six contests. The Bison registered their first winning Patriot League record since 2004.

• Bucknell defeated Patriot League rival Lehigh for the first time since 1999, and downed Colgate in Hamilton, New York, for the first time since that same year.

• Bucknell won five of its final six games, marking the first time it posted five victories in a six-game stretch since 2001.

• Bucknell's 3-2 Patriot League record enabled it to finish in a tie for second place with Colgate and Lehigh — two teams it beat — in the final conference standings. The Bison had not finished as high as second in the Patriot League standings since 1997.

• Senior QB Brandon Wesley finished his career first in Bucknell history in pass completions (571), pass attempts (984), passing yards (6,277) and total offense (6,952). He is the first player in program history to post four consecutive 1,000-yard passing seasons and his 26 career touchdown throws are tied for fifth on the school's all-time list.

• Junior LB Evan Byers recorded a team-high 129 tackles to rank first in the Patriot League. That figure is tied for ninth on Bucknell's single-season list. Byers became the first Bison since Willie Hill in 1996 and 1997 to record 100 tackles in back-to-back seasons, and his 263 career stops are the most by a Bucknell defender since Dorian Petersen had 304 from 2003 to 2006.

• Freshman RB CJ Williams rushed 212 times for 899 yards. It marked the second-most rushing yards by a Bison freshman and the most by a Bucknell running back since 2003. Williams became the 12th different Bison to record four 100-yard rushing games in the same season.

• Bucknell finished the season ranked 14th nationally in total defense and fourth in rushing defense. The Bison are one of three teams to finish in the top 10 nationally in rush defense each of the last three years.

• Bucknell ranked in the top 10 nationally in time of possession (3rd), rushing defense (4th), fumbles recovered (4th) and sacks (10th).

Now in its third decade as an all-sport conference combining academic and athletic excellence, the Patriot League sponsors championships in 24 men and women's sports. Initially started as an NCAA Division I-AA football conference in 1986, the Patriot League became an all-sport conference in 1990 and includes American, Army, Boston University, Bucknell, Colgate, Holy Cross, Lafayette, Lehigh, Loyola and Navy as full members, and Fordham, Georgetown and MIT as associate members. These institutions are among the oldest and most prestigious in the nation and their alumni have and continue to play leadership roles in shaping our country.

Since 1998, the Patriot League has ranked first each year among all Division I conferences awarding athletic aid in the NCAA Graduation Rate Report. The League also had more than 93 percent of its teams score above the national APR average in the most recent data, and 92 Patriot League teams earned NCAA Academic Performance Program Public Recognition Awards after posting academic progress rate scores in the top 10 percent of all squads in their respective sports.

The Patriot League's mission is simple: to provide successful competitive athletic experiences while maintaining high academic standards, and to prepare its student-athletes to be leaders in society.

During the 2013-14 academic year, Patriot League student-athletes and teams accomplished the following:

- The Patriot League ranked second among all conferences in multi-year APR rating, and led all leagues in men's basketball APR.
- 81 Patriot League teams recorded perfect graduation success rates and 92 earned NCAA Public Recognition Awards for ranking in the top 10 percent of their sport in APR.
- More than 93 percent of Patriot League teams scored above the national average in APR.
- Patriot League teams won NCAA Tournament games in seven different sports, with American winning twice to advance to the Round of 16 in volleyball.
- League squads also won NCAA first-round or regional contests in football (Fordham), men's soccer (Navy), women's soccer (Boston University), women's lacrosse (Loyola), softball (Boston University) and baseball (Bucknell).
- Navy won the overall Patriot League Presidents' Cup for the second time in three years, while Army took first place on the men's side and Boston University claimed the women's title in its inaugural season.
- Fifteen student-athletes earned Capital One/CoSIDA Academic All-America recognition, including first-team accolades for Fordham's Brett Biestek (Football), Bucknell's Joe Meyer (Men's Soccer) and Navy's Elizabeth Hoerner (Women's Soccer).
- Thirty-five student-athletes received Capital One/CoSIDA Academic All-District recognition.
- There were 2,450 student-athletes on the Patriot League Academic Honor Roll in 2013-14, including 128 with a semester GPA of at least 4.0.
- American women's basketball standout Alexis Dobbs and Navy women's soccer star Elizabeth Hoerner both earned NCAA Postgraduate Scholarships and were later named the Patriot League's nominees for the NCAA Woman of the Year Award.
- Fordham's Brett Biestek earned a Postgradu-

ate Scholarship from the FCS Athletic Directors Association.

- The Patriot League Sportsmanship Awards went to a pair of basketball student-athletes in American's Darius Gardner on the men's side and Army's Krishawn Tillett for the women.

- Lafayette's Alec Golini (Men's Soccer) and Lehigh's Brooke Astor (Women's Track and Field) earned the Patriot League Outstanding Leadership and Character Awards for their excellence in leadership and service.

- Four Patriot Leaguers were named Senior CLASS Award finalists, including three in men's lacrosse.

- Loyola's Joe Fletcher was one of five finalists for the Tewaaraton Award given to the top player in men's lacrosse, and also earned the William C. Schmeisser Outstanding Defensive Player Award from the USILA.

- Fordham's Mike Nebrich placed fifth in the voting for the Walter Payton Award as the top FCS player.

- Twenty-four Patriot Leaguers were named first, second or third-team All-Americans in team sports, including six in football, five in men's lacrosse, four in women's lacrosse and three in men's soccer.

- Loyola spent the majority of the season as the No. 1-ranked team in the men's lacrosse national polls.

- Fordham football and Loyola men and women's lacrosse each finished in the top 10 of national polls, while Navy men's soccer and American volleyball and field hockey each placed in the top 25 of their sport's final national rankings.

- Navy's Jay Stell placed third in the javelin at the NCAA Outdoor Track and Field Championships, matching the best-ever finish for a Patriot League male and earning first-team All-America honors.

- Boston University's Allison Barwise, Rich Peters and Rosa Moriello also competed at the NCAA Outdoor Championships and earned All-America honors, with Barwise receiving first-team status by placing sixth in the high jump for the best NCAA finish by a Patriot League female since 1993.

- Peters and his BU teammate, Monica Adler, both recorded top-10 finishes in the mile at the NCAA Indoor Track and Field Championships to earn All-America recognition.

PRESIDENTS' CUP

The Presidents' Cup signifies overall excellence in the 24 sports sponsored by the Patriot League, and Bucknell has won the Cup 18 times in its 24-year existence, including 14 of the last 17 years.

The Presidents' Cup is awarded annually to the institution that accumulates the highest point total over the entire academic year, with points awarded on the basis of the school's finish in each of the 24 Patriot League sports. If there is a league tournament in a sport, the points are awarded based on the average of the regular season and tournament finish, and if there is no post-season tournament, points are awarded based on regular-season standings.

BUCKNELL FOOTBALL: MORE THAN A CENTURY OF TRADITION

The game bore little resemblance to what we now know as football, and even one of the school names has been changed. In November of 1883, a group of students from Lafayette College journeyed west to play a group from the University at Lewisburg in the relatively new sport of football. The sport was so new, in fact, that the majority of the dozen or so students from Lewisburg, who did not have a coach and had practiced only briefly, had never seen a game of football before playing in one.

The players from Lewisburg, whose school would be renamed Bucknell University in 1886, lost that first game, 59-0, and perhaps because of that experience, their school did not play another official game until 1887.

Still, the seeds had been planted for a program that would grow into one of the most respected programs in the East by the 1950s, and will celebrate its 129th season in 2014.

Scores of marvelous players have donned the Orange and Blue over the course of the 128 seasons of Bucknell football, and each season gives rise to new names, new heroes, new legends.

Here is a quick trip through the colorful tradition that is Bucknell football:

1891

Still playing without a full-time coach, Bucknell gains its first victory ever with a 16-10 triumph over Lafayette. The Bison also defeat Cornell (4-0) and Penn State (12-10) on their way to a 6-2-1 record. The team includes Andrew Wyant, who later goes on to play for the legendary Amos Alonzo Stagg at the University of Chicago and is a member of both the Bucknell Hall of Fame and the National Football Hall of Fame.

1900

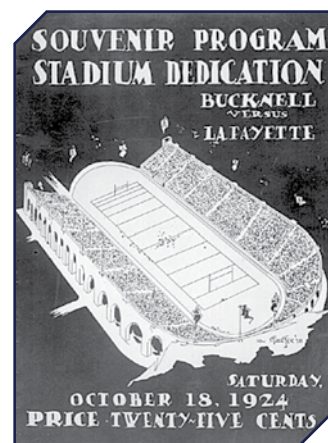

Christy Mathewson concludes his marvelous Bucknell football career and begins a professional baseball career that ranks among the best of all time. A hard-running fullback and tackler, "Matty" also excels as a kicker and gains national attention with two field goals against Army.

1918

Bucknell records the first of its three undefeated seasons. En route to a 6-0 record, the Bison are nothing short of dominant, outscoring opponents 236-7. The season ushers in a quarter-century of prosperity, as Bucknell enjoys 24 winning seasons in the next 26 years.

1924

The team sets a then-school record for victories with an 8-2 mark and meets Lafayette on October 18 in the first football game ever played in Memorial Stadium. Wally Foster, the captain of that Bucknell team, scores the first points in stadium history.

1931

Led by future NFL Hall of Famer Clarke Hinkle, Bucknell rolls to an unbeaten 6-0-3 record. The Bison's undefeated mark is tested in the final game of the season, against also-unbeaten Fordham, but the Bison prevail, 14-13, in a classic at the Polo Grounds.

1934

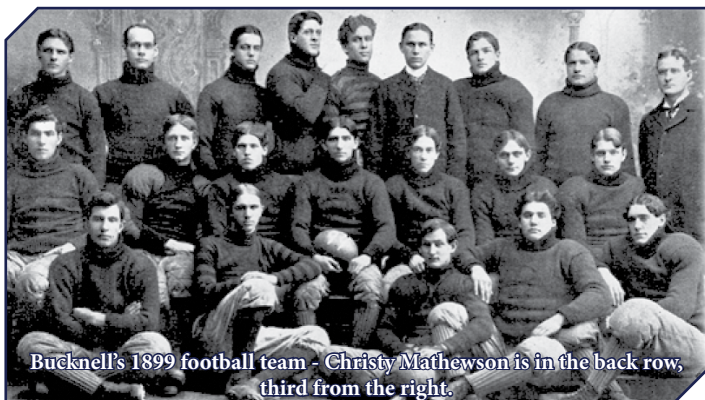

Edward (Hook) Mylin leads the Bison to a 6-2-2 regular-season record and a berth in the first Orange Bowl game, on January 1, 1935. After a two-day train trip to Miami for the game, Bucknell hammers the University of Miami, 26-0.

1951

In the midst of a four-year stretch in which Bucknell goes 27-8, head coach Harry Lawrence and his team finish perfect at 9-0, perhaps the finest season in school history. The defense includes Little All-America defensive tackle George Young (long-time general manager of the New York Giants), while the relentless offense averages 463.3 yards per game. That breaks the Eastern record set in 1945 by a Davis- and Blanchard-led Army team.

1960

After opening the season at 2-2, Bucknell rolls past Lafayette, Lehigh, Colgate, Temple and Delaware — by a combined score of 107-14 — to finish 7-2 and win its first-ever Lambert Cup. Quarterback Paul Terhes earns Little All-America honors.

Bucknell's 1899 football team - Christy Mathewson is in the back row, third from the right.

1964

Just four years after leading Bucknell to its first Lambert Cup title, head coach Bob Odell repeats that feat, as the Bison finish 7-2. After opening the season with a loss, Bucknell wins seven of the next eight games, including a 21-14 season-ending win at Delaware. The Bison squad features Little All-America end Tom Mitchell, who would later enjoy a fine pro career with Baltimore and San Francisco.

1968

Sam Havrilak sets a Bucknell single-game total offense record with 397 yards against Colgate, a mark that still stands. Havrilak, who would graduate with every Bucknell total offense record, later played with Tom Mitchell for the Baltimore Colts.

1978

Ken Jenkins arrives at Bucknell, and over the next four years, develops into one of the finest players in Bucknell history. He would set a school record with 1,270 rushing yards in 1980, and he later played with three NFL teams.

1986

Two years after formation of the league is announced, the Colonial League (later renamed the Patriot League) debuts with six members — Bucknell, Colgate, Lehigh, Lafayette, Holy Cross and Davidson. The Bison's first-ever league game is one for the ages. Trailing Colgate in the fourth quarter, 39-25, Bucknell rallies to take a 40-39 lead with 52 seconds left, but the Red Raiders drive for a game-winning field goal attempt with four seconds left. After a bobbled snap from center, Colgate completes an impromptu pass play that nearly goes for a touchdown, but Bison defensive back Robert Hawkins drags down the receiver at the 9-yard line on the final play of the game.

1989

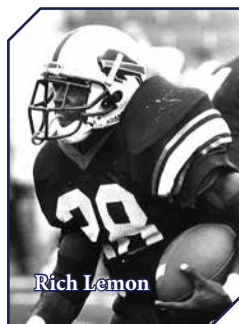

Bucknell's newly-renovated stadium is rededicated in honor of Christy Mathewson. Much like the stadium's namesake, Bucknell opens play in the "new" facility with a victory, handing Dartmouth a 36-20 setback on September 30.

1995

The Tom Gadd tenure begins at Bucknell, and the Bison finish 7-4. Rich Lemon becomes Bucknell's all-time rushing leader on opening day.

1996

Fittingly, Rich Lemon concludes his remarkable career with a Patriot League title, as Bucknell outlasts Colgate, 28-27, in the heart-stopping season finale. The win gives Bucknell its first football title in over 30 years. Lemon graduated with 4,742 rushing yards, nearly 2,100 more than the previous record-holder.

Rich Lemon

1997

The Bison roll out to a 10-0 record before falling to Colgate in their season finale to finish 10-1. The 10 wins were the most in school history, and many came in thrilling fashion, as the Bison won seven times by seven points or less.

2001

Bucknell celebrates its seventh straight winning season, a first in Bison annals.

2003

After the legendary Tom Gadd loses a long battle with brain cancer, Bucknell turns to Tim Landis as its 25th head coach. Landis quickly resores the good fortunes of the Bison football program. After a 2-9/0-7 season in 2002, Bucknell finishes 6-6/4-3 in one of the nation's best one-season turnarounds.

2004

Bucknell wins its final four games of the season for the first time since 1975 to claim its first winning season since 2001 with a 7-4 record.

2006

Bucknell finishes with a 6-5 record and posts a five-game improvement from 2005, equaling the largest jump in program history.

2010

On Jan. 27, Joe Susan is introduced as the 26th head coach in Bucknell history.

2011

In its second year under Susan, Bucknell equals the school record with a five-win improvement from 2010. The Bison posted a 6-5 overall mark one year after going 1-10. Highlighting the campaign was an impressive ability to force turnovers. Bucknell finished first nationally in turnover margin (+2.45) and DB Bryce Robertson led the country in interceptions with 13, breaking both the program and Patriot League standards.

2013

Joe Susan leads Bucknell to five wins in its final six games to register its second above-.500 finish in a three-year span. The Bison finished in a tie for second place in the Patriot League standings, their highest finish since 1997. Four-year starting QB Brandon Wesley graduated following the season, but 17 starters and six All-Patriot League selections from the squad were underclassmen.

THE TOP 10:

A LOOK AT THE TOP 10 MOST SIGNIFICANT BUCKNELL FOOTBALL GAMES EVER PLAYED... AND THE ONE THAT WASN'T

By Brad Tufts

Stephen Taylor wasn't able to observe a football team practicing as he made his way to Harrisburg early in 1846 with the proposed charter for the fledgling University at Lewisburg, but even before the name of the school was changed in recognition of benefactor William Bucknell, the sport had been introduced on campus and gained some popularity.

Today, the sport is a fixture on fall Saturdays, and its history is prominent in any accounting of Bucknell's athletic heritage. The Bison gridiron story (did you know that the word "gridiron" derives from the manner in which the field was formerly marked?) includes many notable games, and we could probably argue for the next 150 years as to which were the most significant.

Before designating the 10 most significant games, please permit a look back at some of the more noteworthy games played by Bucknell football teams.

In 1881, a group of students from Bucknell and State College (as Penn State was known in those days) played a game of football which, at one time, was recognized as the first contest in the sport by either school, though now both schools say that it was only an informal meeting.

Bucknell's first official football game came against Lafayette on Thanksgiving Day, 1883, but a lack of student interest following that initial venture curtailed play for four years. In 1887, the sport returned to stay as Bucknell played its first two official games with Penn State.

Within another four years, Bucknell was playing regular schedules, and by 1895, the university had its first head coach.

The 1900 team finished 4-4-1, but gained national attention in an 18-10 loss to West Point. All the scoring for Bucknell came on two field goals by a hard-running fullback named Christy Mathewson.

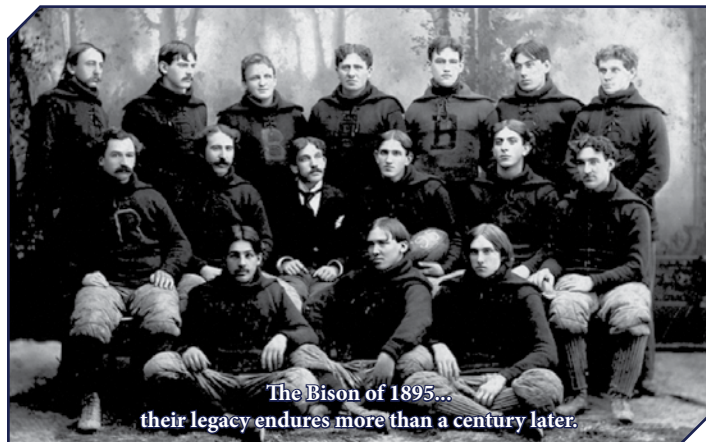

The New York writers covering the game spread the word about this talented athlete, whose 48-yard field goal in that game was the longest in the country that year. Mathewson, who went on to become one of the nation's most admired athletes as a pitcher for the New York Giants, liked football more than baseball, and if the National Football League had existed at the time, it is probable that baseball would have been deprived of one of its greatest and most famous players.

Bucknell originally played football on Loomis Field, now home of the University's Gateway residences. In 1924, the Bison moved into what is now Christy Mathewson-Memorial Stadium, and christened the new field against Lafayette before a crowd of 15,000. Lafayette won the contest, 21-3, despite a 43-yard field goal

by Bison captain Wally Foster to open the scoring.

Late that year, Bucknell beat Navy, 6-0, and Rutgers, 12-7, to highlight the first of three seasons in which Bucknell was coached by "Uncle Charlie" Moran, who had led Centre College's "Praying Colonels" to a memorable upset of Harvard. The Bison finished 8-2 in 1924, which represented the most victories ever by a Bucknell team.

Moran's 1925 team visited President Calvin Coolidge in the White House while in Wash-

ington to play Georgetown, and the Bison were rolling along at 6-2-1 when they played at the University of Detroit on Thanksgiving Day. The Bison won that game, 7-0, but the flamboyant coach also had scheduled a game at Dayton two days later. The travel and two games in three days were too much, and the weary Bison dropped a 19-0 decision.

This was not the first time Bucknell encountered scheduling difficulties. The 1891 team, led by Hall of Famers Andrew Wyant and "Warhorse" Allen, opened the season with a 16-10 victory at Lafayette, but then had to play Lehigh the following day and suffered a 62-4 beating.

Future College Football Hall of Famer Carl Snively made his debut as Bucknell coach in 1927, and promptly posted a 13-7 win over Penn State, the Bison's first win ever in State College. His teams went on to beat the Nittany Lions for the next three years, and then the future Big Ten power dropped Bucknell from its schedule for three years.

Times do change.

In 1929, Bucknell completed its second 8-2 season in history with a 78-0 win over Dickinson. In that game, future college and professional Hall of Famer Clarke Hinkle scored 50 points, still a Bucknell record.

A 7-6 loss to Temple on Oct. 10, 1930 was noteworthy, for it was the first regularly-scheduled night football game ever.

Bucknell went 6-0-3 in 1931 for its second of three undefeated seasons, and the record included season-ending wins over two of the powers of the day, Washington & Jefferson (10-6) and Fordham (14-13). The latter was played before a large crowd at the Polo Grounds, where Christy Mathewson had gained fame for the New York Giants.

Edward "Hook" Mylin arrived on the scene in 1934 and led Bucknell to a 7-2-2 record that included a 13-7 win over Penn State and a 26-0 rout of Miami in the Orange Bowl.

In 1938, the second season under Al Humphreys, the Bison won at Penn State, 14-0. It was the last time that Bucknell would defeat the Nittany Lions, who rose to national prominence following the end of World War II.

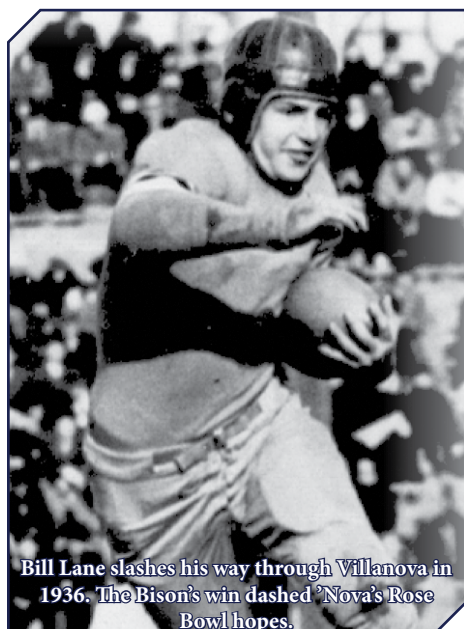

In 1949, Bucknell finished 6-2, and both losses (to Temple and Gettysburg) were by one point. Gettysburg scored the winning TD in its 34-33 win in the final 40 seconds.

Bucknell closed out the 1950 season with four straight wins, which set the stage for the 1951 campaign, in which the Bison rolled to a 9-0 mark. The perfect season concluded with a 21-20 win at Colgate and a 33-6 trouncing of Delaware in Memorial Stadium that led to a more than mild celebration on campus.

The 1951 team boasted several All-East and Little All-America players, and the Associated Press poll released on Nov. 20 listed Bucknell at No. 20 in the nation.

In 1954, BU beat Lehigh, 48-46, in a wild affair that produced the highest losing score ever by a Bison opponent.

One of the great eras in Bucknell football began in 1958 with the arrival of

Bill Lane slashes his way through Villanova in 1936. The Bison's win dashed Nova's Rose Bowl hopes.

Jabu Powell helped Bucknell to its first win at Penn's Franklin Field in more than 30 years in 1999.

Bob Odell, and after a 1-8 mark in that first season, Odell led Bucknell to a 15-8 Homecoming win over Rutgers in 1959. The following year, a shutout of Delaware capped a 7-2 season and earned the first of two Lambert Cups for Odell's teams. The Bison reclaimed Eastern supremacy in 1964, winning the Lambert Cup with a 7-2 mark.

Bucknell won the Middle Atlantic Conference title in 1965 with a 26-14 win over Delaware, and closed the season with a 22-14 win over Davidson. In that game, All-America Tom Mitchell was chasing the national

championship season by winning its first 10 games the following fall and compiling a 12-game winning streak, the second longest in school history. In the process of posting more wins than any other Bison team, Coach Gadd's charges were nationally ranked and led the Patriot League in total defense for the third straight year. However, the memorable season and win streak came to an end with a 48-14 loss at Colgate in a game that again decided the Patriot League crown.

The Bison continued their winning ways in 1999, turning in their fifth straight winning season with a 7-4 record behind an offense that scored 320 points — the third-highest single-season total in school history. Quarterback Don McDowell turned in one of his career-best performances to lead the Orange and Blue to a 21-16 victory at nationally ranked Colgate, while Jabu Powell stepped in at running back and led the Bison to their first win at Penn's Franklin Field (23-16) in over 30 years.

In 2001 the Bison made it seven straight winning seasons — a first in the history of the program — while playing on their new state-of-the-art FieldTurf.

With their football fortunes reaching heights never before seen, the Bison were dealt a devastating blow when Gadd had to step aside in 2002 to battle brain cancer. He lost that battle in March 2003. Gadd tied the BU record for career coaching victories with 48, achieving that figure faster than any of his predecessors.

Tim Landis succeeded Gadd in 2003, and quickly restored Bucknell's recent tradition as a Patriot League contender. The Bison finished in third place with a 4-3 league record, just one year after finishing 0-7. In his second season the Bison improved to 7-4 and were 4-2 in the Patriot League to record their second consecutive third-place finish.

In 2006, Landis helped orchestrate an impressive turnaround as the Bison equaled the program record by posting a five-win improvement from the year before. Bucknell finished with a record of at least .500 for the third time in Landis' tenure as it alternated wins and losses the entire season for a 6-5 mark.

The final game of the 2007 season, an impressive 38-24 win over Patriot League champion Fordham, served as a springboard toward an improved 2008 campaign for the Bison, who finished 5-6, a two-win improvement over the previous season.

Former Bucknell assistant coach (1981-90) Joe Susan took over the Bison in 2010 and is in the process of returning the team to the top of the Patriot League as he enters his fifth season on the Christy Mathewson-Memorial Stadium sideline. In 2011, he led Bucknell to a 6-5 record, a school record-tying five-win improvement from the previous fall.

Last year, Susan once again guided the Bison to a 6-5 record with a 48-10 Homecoming victory over Lehigh, a road win at Colgate and a narrow loss to undefeated and top-10 ranked Fordham highlighting the season that featured Bucknell winning five of its final six contests.

On the following pages are the 10 most significant Bucknell football games ever played, compiled in chronological order. There are certainly many more games that deserve consideration, but we had to make some tough choices. Let the friendly arguments begin.

record for career receiving, and coach Carroll Huntress and his staff devised a formation designed to hit Mitchell with short passes while he was in the backfield. On the second attempt, a bad snap from center led to a big loss, and attempts at the record were abandoned.

Mitch Farbstein, a member of the Bucknell Athletics Hall of Fame, was captured in the pages of *Life* after he led Bucknell to a 14-13 win over Gettysburg in 1971. That same year, the bruising fullback scored five touchdowns in a 33-0 win over Lafayette.

A 39-yard field goal by Al Yuknus with 20 seconds left gave Bucknell a 19-17 win at Dayton in the 1982 season opener, the Bison's first visit to the southern Ohio city since "Uncle Charlie" tried to win two games in three days in 1925. The game was also one of the hottest in Bucknell annals, as gametime temperature on the artificial surface was 112 degrees.

In 1987, back-to-back home games with Holy Cross (a 48-10 loss) and Columbia (a 62-20 win) brought the national news media to Lewisburg in droves.

The media came first to chronicle the Frank Merriwell-like heroics of the Crusaders' Gordie Lockbaum, and then returned the next week as Columbia attempted to escape its collegiate-record losing streak.

The Lions attempted an onside kick on the opening kickoff, but that failed, and Bucknell led 28-0 by the end of the first quarter and the Lions went on to their 37th straight loss.

Lou Maranzana's first season as head coach in 1989 included a very special afternoon, as the Bison's home stadium was rededicated to the memory of Christy Mathewson. Matty would have been proud, as the Bison that day beat Dartmouth, Maranzana's alma mater, 36-20.

The Tom Gadd era began in 1995, and the 7-4 record included a dramatic 21-14 win at Colgate in the first overtime game in Bucknell history.

The drama of that contest, though, paled in comparison to the Bucknell-Colgate game in 1996, as the Bison and Red Raiders again played into overtime, this time with the Patriot League title on the line. In a game that will be long remembered by all in attendance, Bucknell battled to a 28-27 win when a Colgate two-point conversion pass in overtime was batted down by Brandon Little, who would later earn All-America honors.

DID YOU KNOW?

- Bucknell played George Washington at home on Oct. 10, 1925, the day Christy Mathewson was buried in Lewisburg. In his memory, there was no cheering in the first quarter.

- Penn State dropped Bucknell from its football schedule for three years. It happened after the Bison beat the Nittany Lions three straight times between 1927-30.

- The 1935 Orange Bowl game between Bucknell and Miami featured the first-ever college football photograph transmitted over the wire by the Associated Press.

LAFAYETTE 59, BUCKNELL 0 (NOVEMBER 30, 1883)

Certainly not a score for Bucknell followers to remember, but the game is historic because it was the first one. A brief excerpt from an account of the game indicates that the style of both play and writing have changed over the years:

"...At this point the time for the first inning was up, and a breathing spell of fifteen minutes was given. At the beginning of the second inning, the University team came up somewhat discouraged, but nevertheless determined to make the other side work for whatever they might secure.

"They now used several of Lafayette's tricks with good result, and showed that it was but want of skill and practice that they had worked so disastrously in the first part of the game. For a full fifteen minutes, the ball was carried about the field without either side gaining a single point."

BUCKNELL 12, RUTGERS 7 (NOVEMBER 22, 1924)

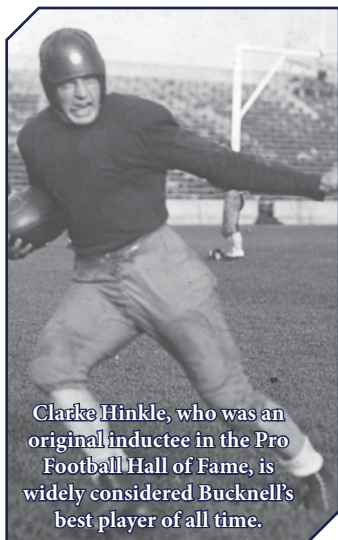

The win gave tremendous recognition to the Bucknell football program. Playing at Franklin Field in Philadelphia, 'Mose' Wilbach scored both touchdowns for the Bison. Rutgers had gone into the contest undefeated.

BUCKNELL 14, FORDHAM 13 (NOVEMBER 21, 1931)

The game, played at the Polo Grounds, capped an undefeated (6-0-3) season and ended the brilliant Bucknell career of Clarke Hinkle, regarded by many as the finest Bucknell player ever.

Fordham also entered the game undefeated, and the contest was covered extensively by the New York media, bringing national attention to Bucknell and its football program.

The game, though, was marred by tragedy; Fordham's Connie Murphy died from injuries sustained in the game.

Clarke Hinkle, who was an original inductee in the Pro Football Hall of Fame, is widely considered Bucknell's best player of all time.

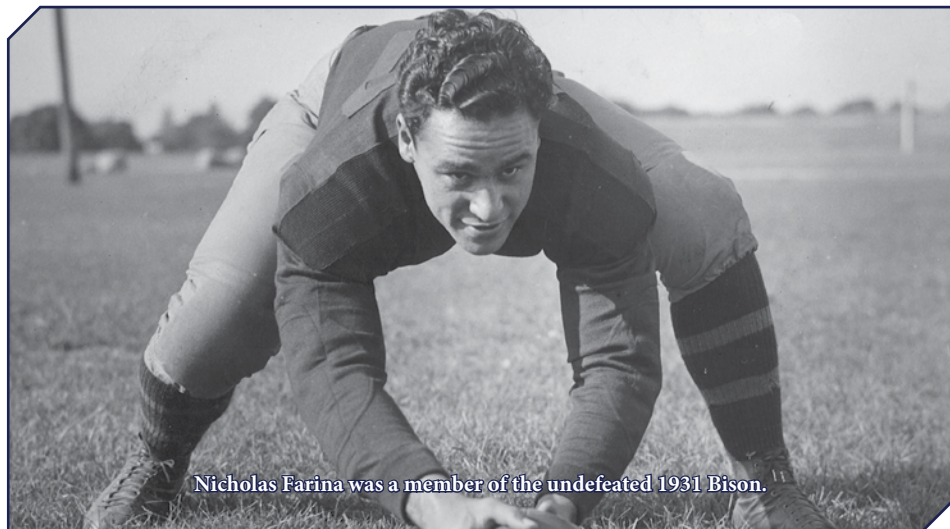

BUCKNELL 26, MIAMI 0 (JANUARY 1, 1935)

The very first Orange Bowl Game, this contest is probably the most written-about game in Bucknell history. The Bison's appearance in the game — which was no doubt aided by tireless efforts of publicity director Art Brandon — continues to bring widespread national publicity to Bucknell each January 1.

The game showcased the coaching talents of "Hook" Mylin, and the first AP photo ever transmitted from a college football game came from this contest.

As for the halftime show, which has become a staple of current Orange Bowl games, a newspaper account indicates that, "between the halves, the University of Miami band paraded around the field, followed by a truck carrying several University coeds in an orange-colored bowl. The young ladies threw oranges and tangerines, with more or less accuracy, among the spectators."

Nicholas Farina was a member of the undefeated 1931 Bison.

BUCKNELL 21, COLGATE 20 (NOVEMBER 10, 1951)

Every victory in 1951 was necessary for the undefeated season, but this win came in the next-to-last game, on the road, and was one of only two games all year decided by seven points or less. It was also Bucknell's only win over Colgate in the 1950s; the Red Raiders ended BU's record 17-game winning streak in 1952.

BUCKNELL 26, DELAWARE 0 (NOVEMBER 19, 1960)

This was the fourth shutout in nine games for a terrific defensive team, and precipitated 24 hours of furious campaigning that led to Bucknell's first-ever Lambert Cup.

The win also came on the heels of eight straight losses to Delaware, and clinched first team Little All-America honors and other awards for quarterback Paul Terhes.

BUCKNELL 24, HARVARD 21 (OCTOBER 3, 1964)

The Bison ended 73 years of frustration against the Ivy League, and the large number of Boston media in attendance were in high praise of Bucknell. The win also provided the impetus for two other three-point wins and Bucknell's second Lambert Cup in four years.

The contest also started Tom Mitchell en route to the first of two straight Little All-America and Eastern small college Player of the Year campaigns.

**BUCKNELL 26, DELAWARE 14
(NOVEMBER 20, 1965)**

The victory clinched the Middle Atlantic Conference title, which was — until 1996 — the Bison's only football conference championship ever. The game also closed the curtain on one of the finest careers in Memorial Stadium history, as Tom Mitchell played his final home game.

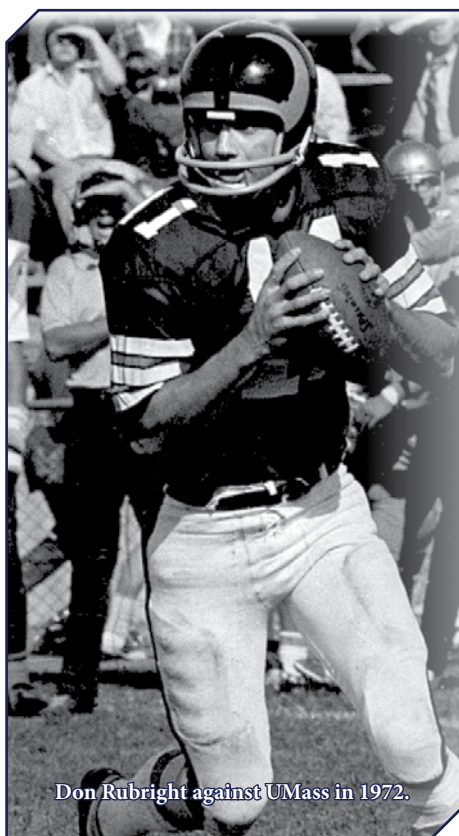

**BUCKNELL 28, UMASS 15
(NOVEMBER 4, 1972)**

&

**BUCKNELL 41, COLGATE 7
(NOVEMBER 11, 1972)**

These games have been combined into one for this list, as they were the final two home games of coach Fred Prender's first year, and resulted in two big upsets.

UMass had entered the game undefeated (6-0), but Mitch Farbstein and Bob Langan each ran for two touchdowns as the Bison beat the Minutemen.

Don Rubright against UMass in 1972.

The next week, Bucknell faced a Colgate team that stood 4-2-1, and had hammered Bucknell, 47-24, the year before. Farbstein was unstoppable, rushing for 192 yards and a touchdown as the Bison routed the rivals from the Chenango Valley.

Student enthusiasm has been unsurpassed since that time, and the goal posts came down after both games.

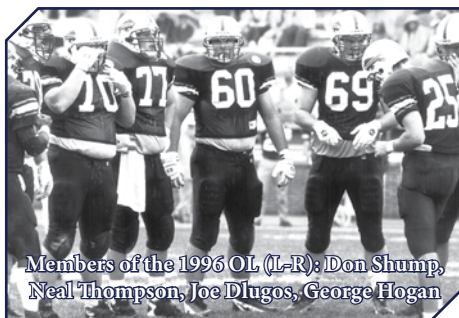

**BUCKNELL 28, COLGATE 27
(NOVEMBER 23, 1996)**

Bucknell and Colgate met in Lewisburg with the Patriot League championship at stake, and the Bison won their first football league title in 31 years in dramatic fashion, as Brandon Little broke up a Colgate two-point conversion try in overtime.

Bucknell had lost an early 14-0 lead, and trailed 21-14 before Jim Fox engineered a remarkable 99-yard scoring drive midway through the fourth quarter, tying the game at 21-21 and forcing overtime.

Bucknell scored first in overtime, with Fox throwing his fourth touchdown pass of the game. Colgate answered, and then opted for a two-point conversion rather than a kick that would have forced a second overtime. With the league title riding on a single play, Colgate quarterback Ryan Vena rolled right and threw into the end zone, but Little batted the pass down, and bedlam ensued.

The game also was the final Bucknell contest for record-setting running back Rich Lemon.

**HONORABLE MENTION:
BUCKNELL ?, DELAWARE ?
(NOVEMBER 23, 1963)**

The list above was restricted to games that were actually played. A game that was never played, however, also deserves mention.

On Nov. 22, 1963, the nation was shocked and paralyzed by the assassination of President John F. Kennedy. The Bucknell campus mourned with the rest of the world, and the football game scheduled at home the next day with the University of Delaware was postponed.

Bucknell had won three of its first five games before stumbling in a 14-13 loss to Lafayette. However, victories over Temple, Colgate and Lehigh brought the Bison to 6-3 going into the Delaware game.

A victory would give Bucknell a tie with Delaware for the Middle Atlantic Conference University Division championship. The Blue Hens were 8-0

overall and ranked first in the national small college polls conducted by both the Associated Press and United Press International.

Interest in the game was at an all-time high on campus, in Lewisburg and the surrounding area, and the media almost certainly would have overflowed Memorial Stadium's press facilities. A sellout was a distinct possibility.

And then the shots rang out in Dealey Plaza. We watched a president take the oath of office on an airplane. We cried. We saw Jack Ruby make a shambles of any pretense of security. We cried again as a young boy saluted his father and the funeral procession moved slowly down Pennsylvania Avenue. We talked about what had happened and tried to get back to some semblance of "normal."

That included trying to reschedule the football game for the following weekend (Delaware said no), Thanksgiving Day (Delaware said no), or at a neutral site (Delaware said no).

The game that might have brought Bucknell its first conference crown and one of the largest home crowds in history was never played.

Delaware finished the season undefeated with its 8-0 record. UPI kept the Blue Hens at the top of their poll and awarded them a national championship plaque. AP, though, asked questions about why the game wasn't played, and learning of the Blue Hens' intransigence, dropped Delaware to second in its final ranking.

The game would be the last Bison contest to be canceled until 2001, when the September 11 tragedy again brought a halt to the sports world, including the Bucknell-Cornell football game.

Daris Wilson broke school marks for rushing yards in a game, season and career by a quarterback.

Bucknell's top two passing leaders - Scott Auchenbach (r) and Jim Given (l). Auchenbach set an NCAA record by completing his first 18 passes against Colgate in 1889. He went on to break Given's career passing records and was elected to the Bucknell Athletics Hall of Fame in 2005. Given joined him in the Hall two years later.

COLGATE

There may be no greater honor in collegiate sports than to be named All-American. While the number of organizations that name All-America teams has fluctuated over the years, the title is nevertheless a distinct honor bestowed only on the best players in the nation. Here is a list of each Bucknell football player that has earned that distinction, along with winners of major academic awards:

GEORGE YOUNG (1930-2001)

George Young, noted National Football League executive and former Bison football star, passed away in December 2001 at the age of 71. Young earned Little All-America honors in 1951 on the Bison team that went 9-0, the last Bucknell team to finish a season undefeated.

A 1952 BU graduate, Young played in the Blue-Gray All-Star Game and then one season with the Dallas Texans before breaking into the front office ranks with the Baltimore Colts in 1968. He held several positions in that organization before moving to the Miami Dolphins as director of personnel and pro scouting in 1974.

Young was named general manager of the Giants in 1979, serving 19 years with that organization and helping it to Super Bowl titles following the 1986 and 1990 seasons. The winner of the NFL's Executive of the Year Award an unprecedented five times, Young was named Senior Vice President of Football Operations for the NFL in 1998.

Young was inducted into the Bucknell Athletics Hall of Fame in 1980.

ACADEMIC All-AMERICA

(1970-1976, College Division;
Since 1980, University Division)

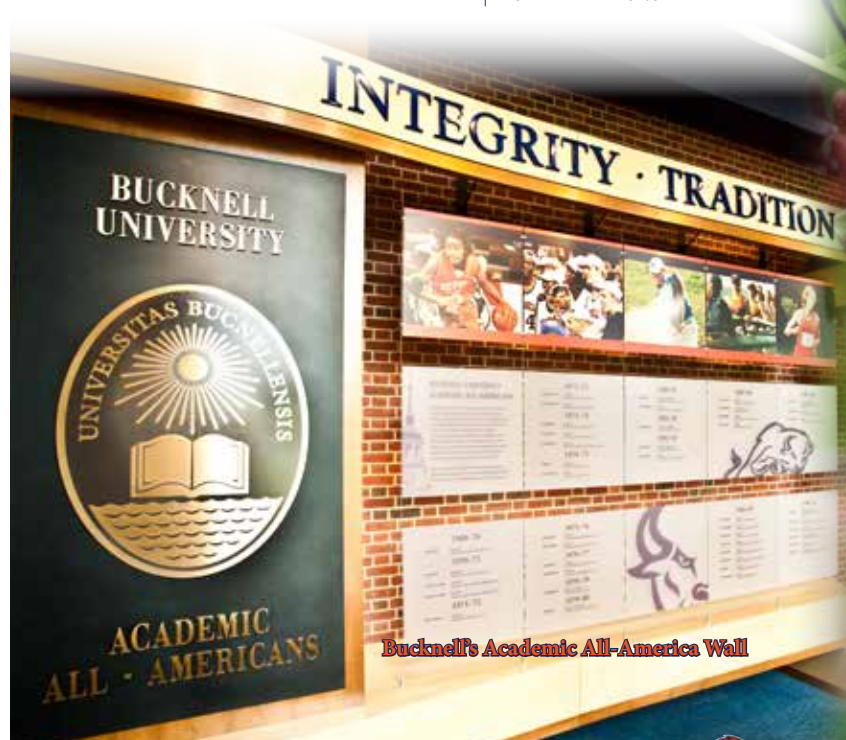

Since the inception of the CoSIDA Academic-All-America program, Bucknell ranks fifth in the nation in Division I in the total number of Academic All-America honorees. To be eligible for the award, a player must be a starter or significant reserve, and carry at least a 3.3 cumulative grade point average. Bison football players have earned that honor 23 times:

** In 1943 and 1944, some servicemen stationed at Bucknell as part of the V-12 program participated in the intercollegiate athletic program. Since they were not regularly enrolled at Bucknell, they did not receive varsity letters, but they did receive a special wartime award, the "Minor B."*

Joe Susan is the 26th head coach in Bucknell Football history.

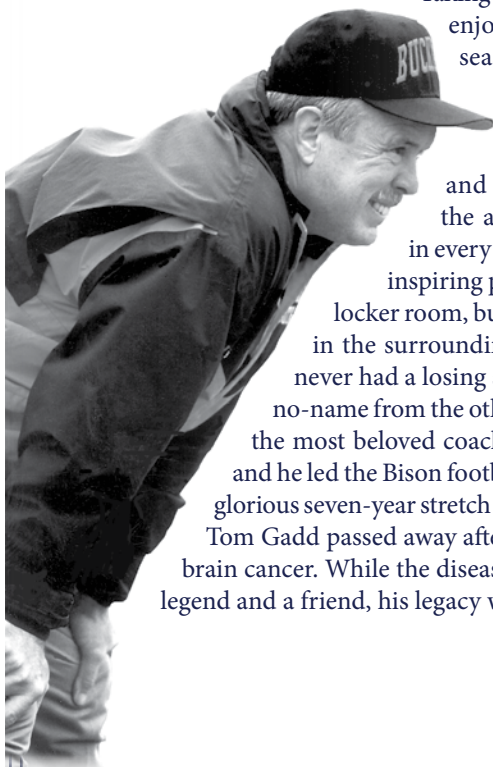

TOM GADD REMEMBERED

On December 22, 1994 Tom Gadd was introduced as Bucknell's new head football coach. Raised in California, Gadd was highly regarded in college football circles as a defensive guru, although he was hardly a household name among Bucknell followers in Lewisburg, Pa. It did not take him long to make his presence felt.

Taking over a program that had enjoyed only one winning season in its previous 14,

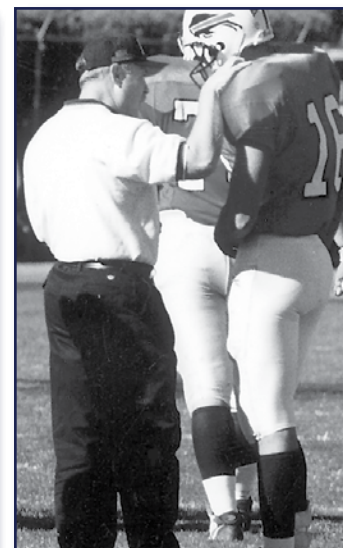

Gadd quickly instilled a winning spirit back into Bison Football, and he re-connected with the alumni, involving them in every step of the program. An inspiring presence not only in the locker room, but all across campus and in the surrounding communities, Gadd never had a losing season at Bucknell. The no-name from the other coast became one of the most beloved coaches in Bucknell annals, and he led the Bison football program to its most glorious seven-year stretch ever. On March 1, 2003, Tom Gadd passed away after a two-year fight with brain cancer. While the disease robbed Bucknell of a legend and a friend, his legacy will long carry on.

THE TOM GADD ERA (1995-2001)

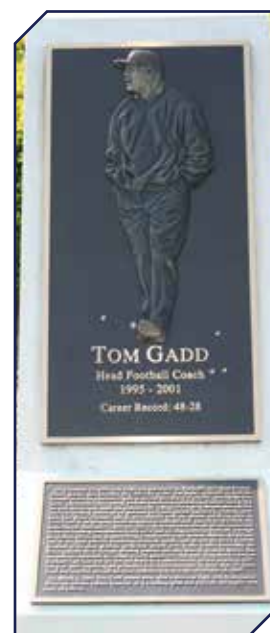

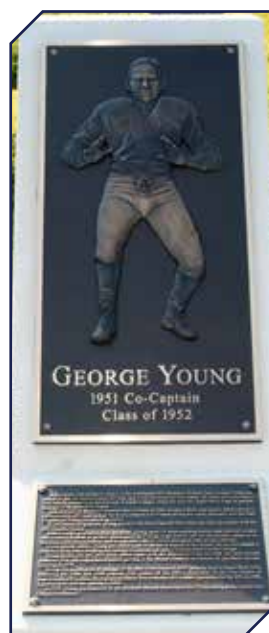

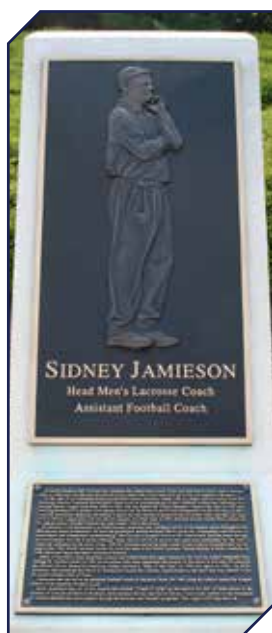

In seven years under Tom Gadd, Bucknell ...

- Enjoyed seven straight winning seasons, the only time in the 120-year history of the program it's ever happened.
- Won 48 games, lifting Gadd into a tie for first on Bucknell's all-time list of winning coaches. He achieved that mark faster than any other coach.
- Won 73.7 percent of its home games. Bucknell went 28-10 at home under Gadd.
- Placed a total of 97 players on the Patriot League Academic Honor Roll, more than any other team.
- Captured only the second conference championship in program history, and the first since 1965. Bucknell won the Patriot League title in 1996.
- Established school records for most wins in a season and in a seven-year period. The Bison enjoyed their first 10-win season in 1997.

CHRISTY MATHEWSON-MEMORIAL STADIUM MONUMENTS

The below monuments are located in the southern part of Christy Mathewson-Memorial Stadium, near the beautifully manicured bushes that spell "Bucknell". The newest monuments were added in fall 2012 when Hall of Fame back Clarke Hinkle and 1951 co-captain George Young received the much-deserved recognition.

Six standout student-athletes and one groundbreaking coach will be part of the Bucknell Athletics Hall of Fame Class of 2014, which will be formally inducted on Homecoming Weekend this fall. The honorees include Lynn Kachmarik, who coached every men's and women's aquatics program over a 17-year span in the 1980s and '90s, along with a pair of All-America defensive linemen in Ed Burman '96 and Adam Lord '03, four-time All-Patriot League guard Lori Houck '00, women's lacrosse all-time goal-scoring leader Suzanne Raffaele '03, All-America lacrosse goalie Justin Sussman '03 and football/lacrosse standout Ralph Turri '76.

The 36th Hall of Fame class will be inducted at a dinner ceremony on Friday, Oct. 31 as part of Homecoming Weekend festivities. The new Hall of Famers will also be re-introduced at halftime of the Bucknell-Lafayette football game on Saturday, Nov. 1.

The Bucknell Athletics Hall of Fame was established in 1979 to honor the very best in the history of Bison athletics. This year's induction brings to 241 the number of outstanding student-athletes, coaches, administrators and friends of Bucknell whose contributions are forever preserved in the Hall of Fame.

ED BURMAN '96 was the MVP of the Bucknell football team and the Patriot League Defensive Player of the Year in 1995, when the Bison finished 7-4 overall and 4-1 in the Patriot League under then-first-year head coach Tom Gadd. Burman was also an Associated Press I-AA Third Team All-America selection that year, when he set a school record with 14.5 quarterback sacks. He broke his own single-season standard of 11 sacks from one year earlier, and his career total of 25.5 sacks is still tied for the most in program history. During that sensational 1995 season Burman also totaled 101 tackles and one interception, which he returned 79 yards for a touchdown in a seven-point win over Fordham. Burman was also a Second Team All-Patriot League choice in 1994, and he earned the Christy Mathewson Award as the top senior athlete in his class at Bucknell.

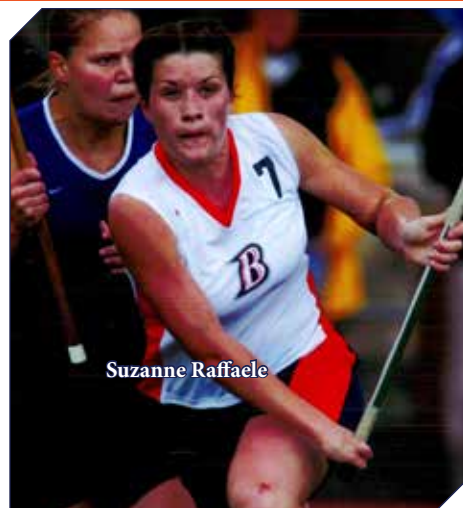

LORI HOUCK STEIGERWALD '00 was a four-time All-Patriot League guard and one of

Lori Houck

the all-time leading scorers for the Bison women's basketball team. She graduated with 1,447 career points, a total that ranked second in program history at the time of her graduation and now ranks fifth. She also ranked second at the time and fifth currently in assists with 336. Houck was captain of the team as a senior in 1999-2000, when the Bison advanced to the Patriot League Championship game. That year she also earned the Patriot League Women's Basketball Scholar-Athlete Award and then the overall Patriot League Female Scholar-Athlete of the Year at the conclusion of the school year.

Like Burman, **ADAM LORD '03** was also a dominant defensive lineman during his days in Orange & Blue. While Burman was a devastating pass rusher, Lord played the more unheralded nose guard position, and he is one of Bucknell's best ever at that spot. It typically required multiple blockers to neutralize Lord, which was a major reason why the Bison led the Patriot League and ranked among the national leaders in rushing defense and total defense in 2001 and 2002. In each of those two seasons Lord earned American Football Coaches Association All-America honors, and he was an Associated Press All-American as a senior in 2002. Lord became Bucknell's first two-time football All-American since Hall-of-Famer Larry Schoeneberger in 1973 and 1974. Lord was a three-time All-Patriot League selection and was also the league's Co-Player of the Year

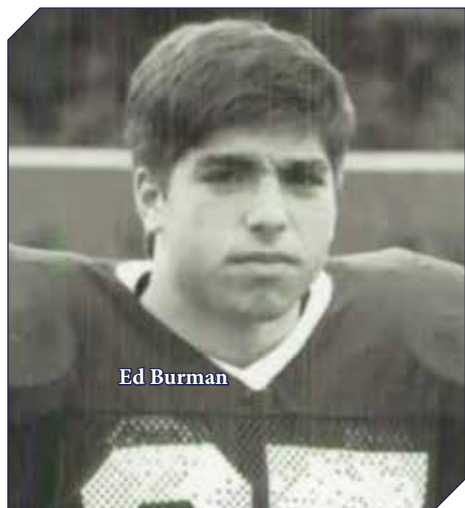

Suzanne Raffaele

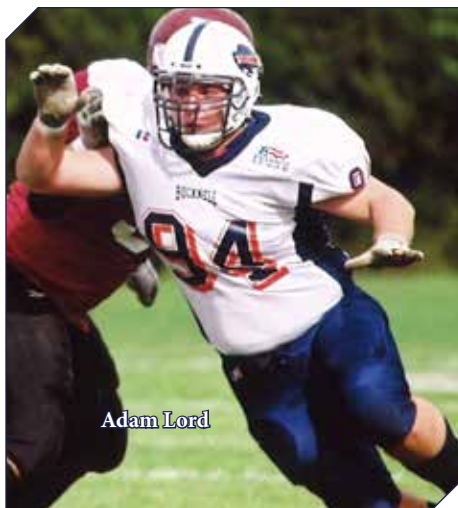

in 2002. He logged 132 career tackles, nearly a quarter of which came in the opposing backfield. After playing on three teams that posted winning records, Lord was a Christy Mathewson Award winner as the top senior athlete.

Now 11 years after her graduation, **SUZANNE RAFFAELE '03** remains the No. 1 goal-scorer in the history of Bison Women's Lacrosse, and she becomes the eighth member of that program to enter the Hall of Fame. Buoyed by a 40-goal season as a senior, Raffaele's 144 goals eclipsed Michelle Manion's previous school mark that had stood for 14 years. At the time, Raffaele was just the fourth Bucknell player to reach the 100-goal mark, and in 2003 she became the sixth player in conference history to earn All-Patriot League honors in all four years of her career. As a senior, she was named to the Brine/IWLCA All-Region Second Team, becoming only the third Bison to achieve that honor. Not only was Raffaele the Patriot League Offensive Player of the Year as a senior in 2003, but she also earned Scholar-Athlete of the Year honors and was the lone Patriot League player selected for the North-South All-Star Game. Raffaele produced four straight 30-goal seasons, and her 173 career points was also a school record at the time of her graduation and now ranks No. 2.

JUSTIN SUSSMAN '03 was one of the top goalies ever to play for the Bison men's lacrosse squad. Even though he was essentially a walk-

on under Hall-of-Fame coach Sid Jamieson, he backstopped Bucknell to four straight Patriot League championships and was a two-time Patriot League Defensive Player of the Year, a three-time All-Patriot League pick and an Honorable Mention All-American in 2003. Sussman graduated with a stellar 30-17 career record, with the 30 wins a school record at the time. He also posted a 21-3 Patriot League mark and was in goal when the Bison faced Notre Dame in their very first NCAA Tournament appearance in 2001. Sussman graduated with a stellar .628 career save percentage, the fourth-best in program history, and he is the only Bison goalie with a save percentage over .600 who played after 1979. Sussman's career-best .664 save percentage in 2003 was just .003 off the national lead, and it is Bucknell's best mark in the last 35 years. His 7.81 career goals-against average was a school record at the time and now ranks second, and his 572 total saves are third-most in program history. Sussman was twice selected in the Major League Lacrosse Supplemental Draft, in the fourth round by Baltimore in 2004 and in the 11th round by Philadelphia in 2006.

RALPH TURRI '76 was an outstanding two-sport athlete at Bucknell in the mid-1970s. He was a three-year starting linebacker on the football team and a two-year starting midfielder in lacrosse, and he served as team captain in both sports. Turri led the 1974 football team with 162 tackles and was named to the Associated Press All-Pennsylvania First Team that year. As a junior, Turri was named to the All-East Coast Conference lacrosse squad.

Including Turri's dual-sport selection, the Bucknell Athletics Hall of Fame will now con-

tain 87 members associated with the football program and 12 from the men's lacrosse program.

LYNN KACHMARIK was a true coaching pioneer at Bucknell, mentoring both men and women student-athletes in four different sports from 1982-98. Kachmarik was a world-class water polo player when she came to Bucknell in 1982 as a lecturer in physical education as well as head women's swimming and diving coach. She is the longest-tenured and winningest coach in the history of that program, compiling a 120-52-1 dual-meet record in 16 years. She led the Bison to the 1987 East Coast Conference team championship and coached 43 individuals and 17 relays to league titles. In 1994, Kachmarik succeeded the legendary Dick Russell as head coach of the Bucknell men's swimming and diving program, and she led the men to a 31-9 dual-meet record and six individual Patriot League gold medals from 1994-98.

In 1984, Kachmarik was appointed assistant coach of the Bison men's water polo team, and following her first year the team picked her as the recipient of the Scott Schulte Award, presented to the "individual who contributes the most to Bucknell water polo." While still serving as women's swimming coach, Kachmarik was named head coach of the men's water polo team in 1987, making her the first woman to coach a men's water polo team in NCAA history. She was named Eastern Coach of the Year in 1987, helped lead the 1988 team to a No. 17 national ranking and posted a four-year record of 56-46. During that time Kachmarik was an avid proponent and advocate for women's water polo, and during the 1998-99 academic year she helped that sport achieve varsity status at

Bucknell for the first time. She was named that program's very first head coach while relinquishing her swimming coaching duties after 16 years. As a water polo player, Kachmarik captained the U.S. National Team for six years and was a team member for nine. She was named to the All-World Team in 1978 and is also a member of the Slippery Rock Athletics Hall of Fame and Collegiate Water Polo Association Hall of Fame.

BISON IN NATIONAL HALLS OF FAME

In addition to the 78 football-playing members of the Bucknell Athletics Hall of Fame, five inductees have also been elected to national football halls of fame.

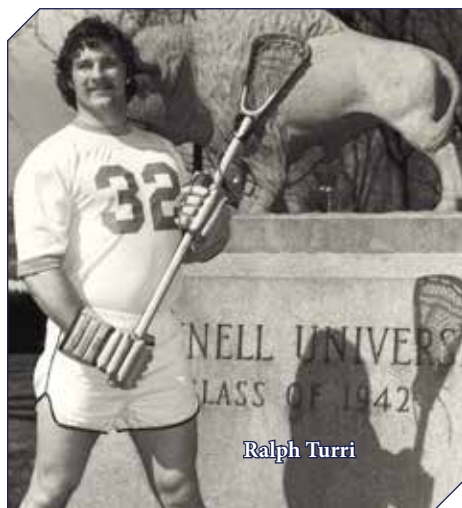

► The most famous member of the Hall is probably Christy Mathewson, who is also a charter member of the Baseball Hall of Fame in Cooperstown, N.Y. At Bucknell, Mathewson was an outstanding dropkicker and fullback on Bison football teams from 1898-1900.

► Clarke Hinkle, an outstanding back who later starred for the Green Bay Packers, is a member of both the National Football Foundation and College Hall of Fame and the Pro Football Hall of Fame in Canton, Ohio.

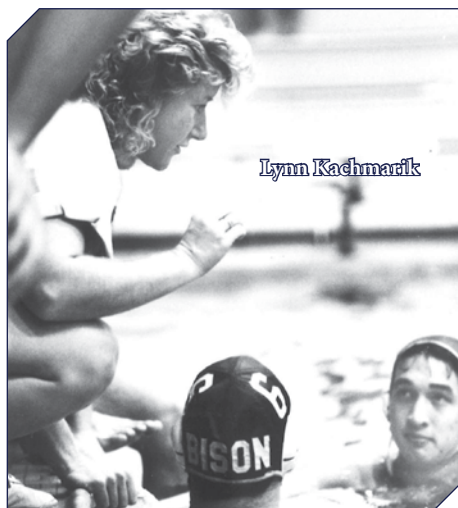

► Andrew Wyant, a Bison star from 1888-91, who later went on to play with the University of Chicago, is a member of the National Football Foundation and College Hall of Fame.

► Carl Snavelly and Edward "Hook" Mylin are members of the National Football Hall of Fame and the Helms Hall of Fame. Snavelly went 42-16-8 at Bucknell from 1927-33 and also coached at Cornell, North Carolina and Washington (Mo.) University. Mylin, who succeeded Snavelly, coached Bucknell's Orange Bowl championship team.

► Bob Odell, who coached Bucknell to Lambert Cup titles in 1960 and 1964, was inducted into the National Football Foundation and Hall of Fame in 1992 in honor of his remarkable career at Penn.

at a Bison Club reception in New Jersey.

Bucknell has continued its long tradition of academic and athletic excellence in large part because of the Bison Club, which provides support for all of Bucknell's varsity intercollegiate athletics programs.

Membership in the Bison Club helps the Bucknell athletics programs defray expenses of recruiting, equipment purchases and team travel. In fact, Bison Club gifts account for nearly 40 percent of the athletic department's operating budget. In recent years the Bison Club has received approximately \$2 million in donations and the goal is to increase that figure every year.

The Bison Club also sponsors the annual Senior Athletic Awards Banquet, one of the highlights of the athletic year at Bucknell. At the banquet, each qualified senior student-athlete is presented with a Bucknell ring, watch or framed varsity letter in recognition of his or her achievements. Special awards honor the most outstanding student-athletes in the senior class.

In addition, the Bison Club sponsors the Buck-

nell Athletics Hall of Fame, which now includes 234 members and is located on the second floor of Bucknell's Gerhard Fieldhouse.

Todd Newcomb, Bucknell Class of 1988, is in his 14th year as the director of the Bison Club. He is the second full-time director of the organization since it was founded nearly 60 years ago, following Jim Campbell, who served in that capacity for 11 years before retiring in the summer of 2000. In addition to his duties as senior associate director of athletics for external affairs, Newcomb coordinates fundraising efforts for all 27 men's and women's varsity sports, alumni functions and special events.

Working closely with Newcomb and the director of annual giving to identify and solicit new annual donors to the Bison Club are director of athletics development Tom Harvey, assistant director of athletics development Terry Conrad and manager of athletics development Meredith Cox.

For more information on supporting the Bison Club, please call Todd Newcomb at 570-577-1771.

The Bison Gridiron Club is an organization of alumni, parents and friends of Bucknell Football whose primary purpose is to promote a heightened awareness of and an active interest in the Bucknell Football program. The main support group of Bucknell Football, the Bison Gridiron Club operates under the umbrella of the Bison Club and the Office of Development and Alumni Relations. The purpose of the Bison Gridiron Club is twofold; to serve as a conduit for Bucknell players, both past and current, to unite behind the program they have built by reconnecting and reengaging in Bison Football; and most importantly, to support and augment the Bucknell Football program with championship level financial and personal assistance. **YOUR SUPPORT MAKES IT POSSIBLE...**

Join your fellow alumni, parents, friends and fans and make your annual gift to the Bucknell Football program and/or to the Bison Club unrestricted fund today. A gift of any size makes a difference, and the more than 700 Bucknell student-athletes are very appreciative of your support.

Nearly 200 golfers returned to campus last July 28-29 for the 18th Annual Bud Ranck-Tom Gadd Memorial Kickoff Classic. The premier highlight of the Bucknell football program's offseason, the event attracted a diverse mix of former Bison players and coaches, along with numerous fans and supporters of the program.

The tournament was founded by the late Bucknell head football coach Tom Gadd, and it has developed into a fun annual event. The weekend also includes a Sunday night dinner that features a season preview from the coaching staff along with a raffle and silent auction.

In the tournament's second year, Gadd named the event after good friend Bud Ranck, who had died earlier that year. To memorialize Gadd after his passing in March 2003, the Ranck family announced at the Sunday evening dinner that the tournament will now bear the names of both Bud Ranck and Tom Gadd.

Another highlight of the Sunday dinner is the announcement of the Bud Ranck-Tom Gadd Award winner, which honors annually an outstanding supporter of the Bucknell football program. Brian Mulhall '89 was the 2013 winner.

As for the golf tournament, winners and runners-up were crowned in both the Ranck and Gadd flights in three divisions: Masters, Open and Gross.

Christy Mathewson- Memorial Stadium

The Home of Bison Football

Bucknell plays its home games in a picturesque, 89-year-old stadium that pays tribute to one of its most distinguished alumni and to its numerous war veterans.

The stadium, dedicated in 1924 in honor of Bucknell men and women who served the United States in time of war, was renovated and renamed in 1989 to recognize perhaps Bucknell's most honored alumni and one of the true heroes of American sports.

Christy Mathewson was one of the five original members of the Baseball Hall of Fame in Cooperstown, N.Y., but gained his initial athletic fame as a fullback, punter and dropkicker at Bucknell from 1898-1900.

One of the truly outstanding players of his era, Mathewson kicked a point after touchdown in the first varsity game of his freshman year, and in the next three years added 13 touchdowns and eight field goals.

Mathewson gained national attention when he dropkicked two field goals against Pennsylvania in 1899 and added a 45-yard field goal against Army the following year. As a result, he was named the "12th man" on Walter Camp's 1900 All-America team.

Reports in Bucknell files indicate that Mathewson practiced his dropkicking hour after hour, and these reports also note that his punting was exceptional throughout his career, a three-year stretch during which he scored 106 points.

"Matty" was also a punishing runner, and one game account makes note of a 65-yard touchdown run and a 70-yard kickoff return.

The facility that bears Mathewson's name has seen plenty of transformation over the last 27 years. A new locker room and weight room were constructed in 1987. The Tom Gadd Weight Room was updated with brand new equipment in 1999, allowing Bison players an outstanding facility for daily use and weight training.

In 1988, the horseshoe edifice was totally resurfaced and new seating was added. New concession stands, restrooms, ticket booths and souvenir stands were added a year later, along with an eight-lane, all-weather track, which was resurfaced in 2003 and

again in the summer of 2012.

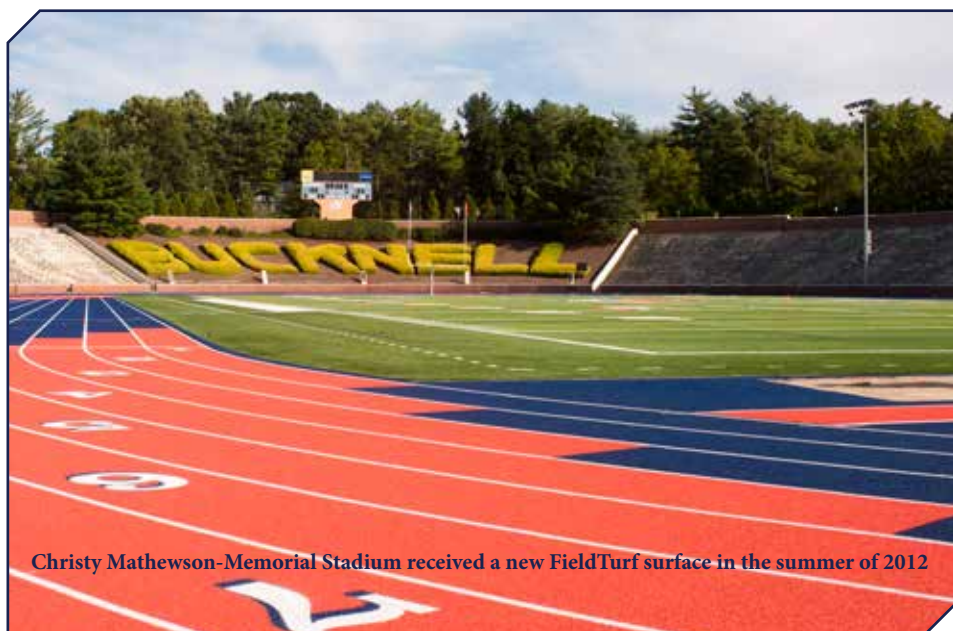

The section at the south end of the stadium was landscaped in 1988, and a new scoreboard and messageboard were added. Other upgrades include new lights, which feature a nearly 10-fold increase in candle power.

A FieldTurf playing surface was initially installed in the summer of 2001 as a gift from Norm Garrity '63 and his wife, Mary Lou '64. That surface was replaced during the summer of 2012 with a new state-of-the-art synthetic grass.

Bucknell was one of the first Division I schools to install FieldTurf as a full-time playing surface in a football stadium.

The Bucknell University Department of Athletics and Recreation prides itself on setting the standard of excellence when it comes to success both on the playing fields and in the classroom.

With 18 Patriot League Presidents' Cups in 24 years, national leadership in graduation rates, 125 Academic All-Americans since 1970 and 136 Patriot League Scholar-Athletes in 24 years, Bucknell is clearly at the head of the class in terms of upholding the scholar-athlete model.

The Kenneth G. Langone Athletics and Recreation Center, one of the finest collegiate athletics and recreation venues of its kind, ensures the continuation of that success.

The facility enhances each of Bucknell's 27 varsity programs and greatly expands the scope of its growing intramural and recreational sports offerings. A visually appealing structure located along Moore Avenue on the "downhill" side of campus, the Langone Athletics and Recreation Center was designed to reach out to all members of the campus community, including the student body, varsity student-athletes, faculty, staff and alumni.

Three primary venues lie within the facility: the Arthur D. Kinney Jr. Natatorium, the 4,000-seat Gary A. Sojka Pavilion and the Krebs Family Fitness Center. Other features include a prominent location for the Bucknell Athletics Hall of Fame, a display of Bucknell's Congressional Medal of Honor recipients, a sports medicine and athletic training suite, classrooms, modern offices for coaches and staff and sufficient locker room space for varsity and recreational athletes.

The facility is named in honor of Ken Langone, a 1957 Bucknell graduate who, along with his wife Elaine, pledged \$11 million toward the center's construction. Langone was a member of the university Board of Trustees from 1980 to 1996.

One of the special qualities of the Langone Athletics and Recreation Center is the manner in which it supplements the pre-existing facilities. The facility surrounds Gerhard Fieldhouse and historic Davis Gymnasium, which serves as a competition venue for the Bison volleyball and wrestling teams, as well as intramural, recreation and other varsity practice activities.

As Bucknell continues to strive toward its mission of setting the standard of excellence in college athletics, the Langone Athletics and Recreation Center is the centerpiece in an already impressive cache of athletics facilities that includes the 13,100-seat Christy Mathewson-Memorial Stadium and its new FieldTurf gridiron and 8-lane track surface; the scenic Bucknell Golf Club and Bachman Golf Center; and the spacious West Fields complex, which encompasses Depew Field (baseball), Becker Field (softball) and the adjoining Graham Field (AstroTurf for field hockey and women's lacrosse) and Emmitt Field (natural grass for soccer) venues that are complemented by the beautiful Holmes Stadium.

A closer look behind the walls of the Kenneth G. Langone Athletics and Recreation Center:

RAMER SCHAFFNER MEMORIAL HALL

Ramer Schaffner Memorial Hall greets guests as they enter the Langone Athletics and Recreation Center. The entry hall features the busts of 2nd Lt. George H. Ramer and 1st Lt. Dwite H. Schaffner, Bucknell's Congressional Medal of Honor recipients, and provides access to Gerhard Fieldhouse and the Krebs Family Fitness Center on the ground level. Guests may proceed to the second level to enter Davis Gym, administrative offices and the Hall of Fame, which celebrates Bucknell's Patriot League championships and other notable feats.

KREBS FITNESS CENTER

Promoting lifetime wellness, the Krebs Family Fitness Center contains state-of-the-art cardiovascular and strength conditioning equipment. The 16,000-square-foot center includes over 175 positions for equipment within three distinct areas. The first-level cardiovascular and pin-select equipment is open for student, faculty and staff use at all times. Directly above, the mezzanine also contains cardio equipment, with scenic views of the campus and natatorium. In July 2008, a new Mondo floor was installed.

The third area, the Berger Family Weight Room, sits on the former site of Freas-Rooke Pool, and is used for instructional free-weight training and varsity workouts. The facility received all new weightlifting equipment in the summer of 2010.

KINNEY NATATORIUM

Kinney Natatorium features a 50-meter by 25-yard Olympic class pool, which accommodates four varsity programs — men's and women's swimming and diving and men's and women's water polo — while enhancing the recreational aquatics opportunities for the Bucknell community. The pool itself features two moveable bulkheads, allowing for multiple team practices and recreational swimming to occur simultaneously.

Natatorium amenities include seating for 500 spectators, restrooms, separated varsity and visiting team locker rooms, a poolside classroom, sauna, steam room and concession stands.

In its first decade, Kinney Natatorium has played host to several major events, most notably the 2005 NCAA Men's Water Polo Championship. The facility has also served as host of six Patriot League Swimming and Diving Championships, three Eastern Water Polo Championships and an exhibition game against the U.S. women's water polo national team, drawing rave reviews at each. Beginning in the spring of 2005, the PIAA state swimming championships moved to Kinney Natatorium.

SOJKA PAVILION

Sojka Pavilion provides the Bison men's and women's basketball programs with one of the finest arenas in the East. A "first-class" venue capable of seating 4,000 spectators for sporting and other campus events, the pavilion has walk-down access to all seats and unobstructed views of the playing surface or concert stage for all spectators. The seating bowl features approximately 1,500 fixed seats and 2,500 retractable seats, enabling an "expandable" open floor area with sufficient space for three basketball courts for recreational activities and varsity practices. The spacious upper-level concourse includes two concession areas, restrooms, handicapped seating and several suites that overlook the floor.

Behind the scenes, on the floor level, Sojka Pavilion provides a green room for performance acts and other functions, a catering kitchen for special events, ticket windows, locker room space for home and visiting teams and officials, and a loading dock capable of accommodating team buses and production trucks for televised events.

Dozens of nationally televised basketball games have been aired from Sojka Pavilion. A 2005 meeting with nationally ranked Villanova drew a school-record crowd of 4,433.

Whether it is the varsity student-athlete, the intramurals participant or the fitness buff looking for a nice workout, members of the Bucknell community benefit from a wide array of first-class athletics facilities. The completion of the **Kenneth Langone Athletics & Recreation Center** in 2003 highlighted a facilities boon at Bucknell. **Sojka Pavilion**, **Kinney Natatorium** and the **Krebs Fitness Center** are the centerpieces of the sparkling indoor facility, nicely complementing the renovated **Davis Gym** and **Gerhard Fieldhouse**, all of which lie under the same roof. **Christy Mathewson-Memorial Stadium** is the largest of the outdoor facilities, with 13,100 seats surrounding the new FieldTurf playing surface and 8-lane track. **Holmes Stadium**, completed in 2007, is an impressive covered grandstand featuring all chair-back seating, along with the accompanying support facilities (locker rooms, athletic training room, press box, concession/merchandise stand, etc.) that service both **Emmitt Field** (natural grass for soccer) and **Graham Field** (AstroTurf for field hockey and women's lacrosse). The next phase of the West Fields improvement project includes significant upgrades for baseball and softball. Both diamonds recently received new playing surfaces. FieldTurf at **Depew Field** (baseball) was laid in time for the start of the 2010 season, while new sod was installed in the outfield of **Becker Field** (softball) in 2012. Both facilities also have beautiful dugouts, fencing and scoreboards, as well as a brick entry plaza, and fundraising continues for the final phase: new grandstands and press boxes for both venues. Also located on the western end of campus are numerous grass fields for intramurals and recreation, as well as a highly regarded 18-hole golf course, the **Bucknell Golf Club**. Recently completed on the BGC property is a new indoor/outdoor instructional golf facility, **Bachman Golf Center**, which provides a year-round training center for the Bison golf teams. The Bison rowing team has its own **Boathouse** located about 10 miles south of campus, along the scenic Susquehanna River. That is the only athletics facility that is not located within a short walk from the center of campus, but the rowing team now has its own **erg room** adjacent to Davis Gym. The quality and location of these venues makes Bucknell one of the most sports-friendly campuses in the nation.

BUCKNELL BISON ATHLETICS

SETTING THE STANDARD OF EXCELLENCE

Bucknell takes great pride in its commitment to excellence on and off the playing fields. From Presidents' Cups to Academic All-Americans to graduation rates that are ranked annually in the national top-10, Bucknell is clearly at the head of the class when it comes to upholding the scholar-athlete ideal.

- According to federal data released by the NCAA each fall, Bucknell's student-athlete graduation rate annually ranks in the top 10 among all Division I institutions. Bucknell has led the nation in graduation rates three times, including in the most recent survey in the fall of 2013.
- Bucknell has claimed a league-high 136 Patriot League Scholar-Athletes of the Year since the league's inception as an all-sports conference in 1990-91.
- A total of 402 Bison appeared on the Patriot League Academic Honor Roll in 2013-14 after recording a GPA of 3.2 or better during their sport's competition season. Among all BU student-athletes, 498 made the Dean's List with GPAs of 3.5 or better during 2012-13.
- In addition to the 125 Capital One Academic All-Americans produced since 1970, Bucknell has also claimed 341 Academic All-District honorees over the same span, including three in 2012-13.
- Bucknell has earned 98 Patriot League championships in 24 years in the league. In addition, Bucknell has had 125 conference players of the year, 104 PL coaches of the year and a whopping 581 individual league champions from sports such as cross country, track & field, swimming & diving, tennis and golf.

- 25 of Bucknell's 27 varsity squads posted team GPAs of 3.0 or better in the spring of 2014.
- Bucknell has captured the Patriot League Presidents' Cup, signifying the league's all-sports champion, 18 times in the 24-year history of the affiliation, including 14 of the last 17 years.
- Bucknell ranks FIFTH in the nation (to Nebraska, Notre Dame, Penn State and Stanford) in total number of Capital One Academic All-America selections with 125.
- A major element in ensuring Bucknell's commitment to athletics excellence is the Kenneth G. Langone Athletics & Recreation Center, which opened fully in 2003. One of the finest collegiate athletics facilities of its kind, the center includes the 4,000-seat Sojka Pavilion, the Olympic class Kinney Natatorium, the Krebs Family Fitness Center and the Berger Family Weight Room. A Hall of Fame area, a display of Bucknell's Medal of Honor recipients, an Academic All-America wall, a sports medicine suite, modern offices for coaches and staff, and locker room and classroom space are also included in the facility's layout.

BUCKNELL BISON ATHLETICS

A NATIONAL MODEL IN PROMOTING THE SCHOLAR-ATHLETE IDEAL

Bucknell Athletics is first and foremost a student-centered organization, one that strives to be a national leader when it comes to operating by a true scholar-athlete model. At Bucknell, student-athletes' academic programs are their first priority, and providing a competitive Division I athletics program only advances the mission, values and residential learning goals of the university. To that end, the Department of Athletics and Recreation proactively seeks ways to assist student-athletes in their daily academic pursuits. Below are just some of the student-athlete support programs currently in place.

BUCKNELL BISON LEADERSHIP ACADEMY: In 2011-12, the Department of Athletics launched the Bucknell Bison Leadership Academy. This program is designed to help student-athletes learn how to be effective leaders on and off the playing fields. The Leadership Academy features programming and instruction that bridge theory, development and real experiences in an interactive learning environment. Through this endeavor, team leaders can enhance their impact on their teammates' and their program's performance immediately and for years to come.

FACULTY ATHLETICS REPRESENTATIVE: The faculty athletics representative (FAR) is a member of the faculty or administrative staff who is designated to represent Bucknell in its relationships with the NCAA and the Patriot League. Bucknell's FAR is Mitch Chernin, Professor of Biology. The FAR can enhance the student-athlete experience by promoting a balance between academics, athletics and the social lives of student-athletes, which affords them opportunities to enjoy a full range of collegiate experiences.

SIDELINE COACH PROGRAM: This program is a truly unique initiative in Division I college athletics, and it involves the invitation of a member of the faculty, administration, staff or community by one of Bucknell's 27 varsity teams. The participant has the opportunity to discuss the overall program with the respective coaching staff, including practice preparation and strategy for the upcoming contest. The sideline coach attends a practice session and an actual intercollegiate competition, where he/she is introduced to the team and gains rarely seen insight into the relationships that exist between player-coach and player-player. The purpose of the Sideline Coaches Program is to foster a better understanding by the faculty and administration of the roles played by coaches and athletes in the university's competitive intercollegiate athletic arena.

ACADEMIC ENHANCEMENT CENTER: In the Fall of 2005, the Department of Athletics opened a study/computer lab for student-athletes on the concourse level of Sojka Pavilion. The center is outfitted with computers, a laser printer, four television monitors and a projection unit with computer, VCR and DVD player. Additionally, the study lab can be used as a meeting place for group projects, tutorial area or just a secluded and quiet study space before or after practice. In addition, the Department of Athletics owns a number of laptop computers that may be signed out by student-athletes for use on away trips.

STUDENT-ATHLETE ADVISORY COMMITTEE (SAAC): Representatives from each varsity team comprise the SAAC, which is designed to enhance the total student-athlete experience by promoting opportunity, protecting student-athlete welfare, and fostering a positive student-athlete image. The Committee is an invaluable resource for promoting communication between athletics administration and student-athletes; promoting communication between athletics and campus-wide administration; providing feedback and insight, as well as soliciting responses into department issues and proposed NCAA legislation; building a sense of community within the athletics program involving all athletics teams; organizing community service projects and efforts; creating a vehicle for student-athlete representation on campus-wide committees; serving as a collective voice of campus student-athletes; and disseminating information to the student-athlete body. Among the programs the Bucknell SAAC has undertaken in recent years are regular volunteer trips to the Lewisburg Food Bank, and involvement with the "Orange and Blue goes Green" sustainability program.

BISON GOOD SPORTS: Now in its eighth year, Bison Good Sports is a sportsmanship awareness program designed to promote appropriate fan conduct at all Bison sporting events. Bucknell teams have some of the best fan support in the Patriot League, and we encourage all fans to enthusiastically cheer on the Orange & Blue in a positive manner.

THE PREMIER SCHOLAR-ATHLETE EXPERIENCE

Bucknell ranked first nationally in student-athlete graduation rate according to the NCAA's fall 2013 report. Bucknell has led the nation in graduation rate on several occasions and annually ranks in the top 10.

Twenty-five Bucknell varsity athletics programs boasted perfect 100 percent Graduation Success Rates (GSR), factoring student-athletes who entered school between the 2003-04 and 2006-07 academic years.

All 27 Bucknell varsity programs easily meet the NCAA's Academic Performance Rate (APR) standards. In fact, a record 21 Bison programs earned 2014 NCAA Public Recognition Awards for ranking in the top 10 percent of all teams in their respective sport, the third-most in the nation.

A student-athlete Academic Enhancement Lab is open six days a week throughout the school year. Fully equipped with computers and audio/visual technology, the study center is conveniently located on the Sojka Pavilion concourse.

LEWISBURG, PENNSYLVANIA

Bucknell's hilltop campus slopes into Victorian Lewisburg, population roughly 6,000, a town in which historic preservationists have influence. Lewisburg enjoys ornamental vanities that are not part of modern architecture. Gingerbread porches, carved wooden doors and three-globed street lights that make this town memorable.

Historical roots are important in Lewisburg. The town celebrates the holidays with the annual Victorian Holiday Parade and exhibits at the Packwood House Museum and the Slifer House Museum. Its many historical sites include an Underground Railroad station. A weekly market brings Amish farmers to town in horse-drawn wagons.

Lewisburg is ranked 15th in the nation in the book, *The 100 Best Small Towns in America*, written by Norman Crampton. The town earned this ranking by scoring high in areas such as the number of physicians per 100,000, the percentage of college-educated residents, the lowest number of serious crimes, and its location near state parks as well as being host to an institution of higher learning.

The borough of Lewisburg began its early life as "Derrstown" named for its settler, landowner, and miller Ludwig Derr. While the date remains obscure, the historians point out that in English, the German name for Ludwig is Lewis.

The town's growth from 1785 until well into the 19th century was slow due to the lack of transportation, until a ferry was built to carry wagons across the Susquehanna River and a canal was completed in 1833. Lewisburg, surveyed in 1769, was not officially founded by Ludwig Derr until 1785. The borough was incorporated on March 31, 1812. Located on the Susquehanna, it has benefited with every development in transportation: turnpike, canal, railroad and now, highways.

Enhanced by the chartering of Bucknell University on February 5, 1846, and the seating of the county government on October 9, 1855, the community expanded its development past Fifth Street to what is now Route 15. Most of the builders of this community are protected through historic district regulation.

In addition to Bucknell, the Lewisburg Federal Prison System and Evangelical Community Hospital enhance the area's financial stability.

Education has always played a primary part in Lewisburg's social society. As early as 1790 the basics were taught in private homes. In 1805 the "Log Cabin Academy" was built. In 1835 three new schools were added, while the present system consists of two elementary schools, a middle school — which was recently named the top middle school in the state — and a high school. Sixty-five percent of Lewisburg's high school graduates go on to college.

TRAINING BISON STUDENT-ATHLETES TO BECOME EFFECTIVE LEADERS IN ACADEMICS, IN ATHLETICS AND IN LIFE

Competitive sports at Bucknell dates back to 1870, and more than a century later Bucknell has established itself as a national leader in providing successful academic and athletic opportunities for student-athletes. Today, the Department of Athletics & Recreation strives to set the standard of excellence among all intercollegiate programs by maintaining academic priorities and supporting educational and personal development, all while providing the rigorous and competitive Division I athletics opportunity sought by Bucknell student-athletes.

As Bison Athletics seeks to create a comprehensive learning environment that meshes with the academic mission of the University, an important element of the complete student-athlete experience is participation in an elite leadership development program designed to identify, develop, challenge and support student-athletes and coaches in their continual quest to become leaders in academics, in athletics and in life.

This is the **Bucknell Bison Leadership Academy**.

ABOUT THE PROGRAM

- In the summer of 2011 the Bucknell Department of Athletics & Recreation implemented a formal leadership development program.
- Initial workshops were facilitated by the Janssen Sports Leadership Center.
- As part of a Patriot League-wide leadership initiative, the program is designed to help student-athletes learn how to be effective leaders on and off the playing fields.
- Initially, a group of 60 student-athletes were identified as members. These workshops for both student-athletes and their coaches have set the stage for ongoing programming that will encompass the Bucknell Bison Leadership Academy.

GOALS FOR THE LEADERSHIP ACADEMY

- Identify and develop high potential leaders in their sophomore or junior years
- Help young best athletes become best leaders
- Create strong leaders by example and set the stage for developing vocal leaders
- Build a strong peer support network for aspiring leaders
- Develop leaders who support and learn from current team captains/leaders
- Practice leading self, their class, and below
- Succession Planning — smoothly replace graduating leaders
- Encourage veteran leaders to step up and be vocal leaders
- Establish a solid, cooperative and ongoing partnership with the coaching staff
- Teach and apply the insights and skills necessary to be a responsible and respected leader
- Provide veteran leaders with ongoing coaching and support as they tackle the tough issues of team leadership
- Provide veteran leaders with a solid peer network for guidance and support
- Provide veteran leaders with highly marketable leadership skills for a lifetime

"I applaud our athletics department for providing our student-athletes with this exciting new program. We are confident the young men and women participating will take full advantage of all that the Bucknell Bison Leadership Academy has to offer."

- **Bucknell University President John Bravman**

"At Bucknell, our intercollegiate athletics program embraces and reflects the University's mission, core values and educational goals. Leadership development is one of the many important opportunities that is inherent in athletics. Cultivating great leadership is of critical importance, as it not only contributes to the success of our teams, but the benefits of becoming a great leader ultimately will extend well beyond the practice and playing fields and last a lifetime."

- **Director of Athletics & Recreation John Hardt**

"The Patriot League believes in the motto of 'today's scholar-athletes, tomorrow's leaders,' and the program provides a unique platform for student-athletes to further their growth into leadership roles. We remain committed to providing student-athletes an opportunity to achieve their potential academically and athletically while preparing to become leaders and make meaningful contributions to society."

BUCKNELL PRESIDENT DR. JOHN C. BRAVMAN

John Bravman, a highly respected academic leader and distinguished professor of engineering, became the 17th president of Bucknell University on July 1, 2010. His longtime dedication to undergraduate liberal arts education at the highest level has set an innovative and dynamic tone for his presidency.

In his first four years at the University, John has steadily built a foundation of support through numerous meetings and speaking engagements with Bucknellians across the country and overseas. In

October 2012, Bucknell launched the public phase of the largest comprehensive campaign in its history, with a goal of raising half a billion dollars for strategic University initiatives. As of February 2014, fundraising was well past \$300 million.

During John's first year in office, the University broke ground on infrastructure for Academic West, Bucknell's first new academic building in nearly a decade, which opened in August 2013. Construction began on four new apartment-style residence halls in November 2013. They will open in August 2015, with a student commons building to follow.

Off campus, John continues to strengthen ties between the University and downtown Lewisburg, where Bucknell recently renovated several University properties, including the Campus Theatre, the Post Office Building and the historic DeWitt Building, which now houses the Small Business Development Center, the Entrepreneurs Incubator and the Samek Art Museum's Downtown Art Gallery.

In his earliest months at Bucknell, John initiated an in-depth examination of the quality of student life by creating the Campus Climate Task Force. This group of faculty, staff and students assessed student views and actions related to personal responsibility and recommended ways to improve the University experience for all students. Ongoing campus dialogue about expectations of students has been firmly established as a top presidential priority.

Prior to joining Bucknell John spent 35 years at Stanford University, where he led its undergraduate program as the vice provost for undergraduate education for 11 years. He played a critical role in Stanford's Campaign for Undergraduate Education, which raised more than \$1.1 billion. In recognition of his accomplishments, Stanford awarded him the university's highest honors for both teaching (1989) and for lifetime service (2010).

Born in 1957, John grew up in New York City and on Long Island. He completed his bachelor's, master's and doctoral degree in materials science and engineering at Stanford. John has published more than 160 peer-reviewed articles and taught primarily in the fields of materials structure and analysis, thin-film mechanical phenomena, microelectronic reliability and high-temperature superconductivity. A tenured professor of electrical engineering, he patented two coatings that may make coronary stents safer for heart-disease patients.

John is married to Dr. Wendelin Wright, an associate professor of mechanical and chemical engineering at Bucknell. They have two young sons, Cole and Cooper. John has two older sons, Christopher and Matthew.

JOHN P. HARDT

DIRECTOR OF ATHLETICS AND RECREATION

At the helm of a proud and flourishing Bison athletics program is director of athletics and recreation John Hardt, who is now in his 14th year at Bucknell and his 28th year in athletics administration. Hardt administers a broad-based sports program with a proud and successful history.

Since his arrival, Hardt has orchestrated one of the nation's most assertive facilities overhauls, built and maintained relationships with major donors, restructured the athletics administration in order to help Bucknell stay ahead of the curve in the fast-paced world of Division I athletics and built upon Bucknell's long-standing tradition of scholar-athlete excellence.

Hardt is privileged to oversee a varsity athletics program that has long been at the head of the class in the Patriot League, both on the playing fields and in the classroom. From Presidents' Cups to Academic All-Americans to the nation's best graduation rate, Bison Athletics carries a proud heritage.

While building on Bucknell's athletic and academic excellence is paramount, Hardt has also incorporated progressive ideas in the area of external relations. Initiatives such as the Bison Magazine online video series, a new graphics identity package, an informative and visually appealing athletics website and a revamped Bison Club all serve to bring Bison Athletics into the homes of its supporters.

During his productive tenure at Bucknell, Hardt has overseen 11 consecutive years of growth in Bison Club donations, including a record \$2.2 million in 2011-12 and 2013-14, and he has seen the program benefit from several major gifts. While the Kenneth G. Langone Athletics and Recreation Center is the crown jewel of a successful university fundraising campaign, other significant offerings include a \$7.6 million donation from William Graham — one of the largest in university history — which was directed toward women's athletics and the successful restoration of wrestling to varsity status. Graham Field, the AstroTurf venue at the West Fields, was also a result of that gift.

Other major gifts have included the funding of the FieldTurf playing surface and new lighting in Christy Mathewson-Memorial Stadium, the Holmes Stadium grandstand/press box facility that supports both Graham Field and Emmitt Field, the ongoing upgrades to the baseball and softball facilities, a brand new instructional golf center, as well as endowments for football, track and field, water polo and swimming and diving.

At Bucknell, Hardt has initiated groundbreaking deals in the area of apparel (adidas), marketing (Learfield Sports) and sports medicine (Geisinger Sports Medicine).

While much has been achieved in the last 13 years, Hardt's vision for Bison Athletics carries well into the future. Working with campus and department leadership, he has developed a long-range plan for Bucknell Athletics that meshes with the University's strategic plan and the We Do capital campaign. Hardt's plan focuses on future facilities upgrades, places an emphasis on diversity and gender equity, and promises the continued commitment to a student-centered athletics and recreation

program that adheres to the student-athlete ideal.

In the fall of 2011, Hardt announced the launching of the Bucknell Bison Leadership Academy, a program designed to identify, develop, challenge and support student-athletes and coaches in their continual quest to become leaders in academics, in athletics and in life.

Hardt, who received the Gen. Robert R. Neyland Outstanding Athletic Director Award in March 2008 the All-American Football Foundation's 91st Banquet of Champions, also remains very active in athletics governance at the national level. In 2006-07 he served as chair of the NCAA Football Championship Subdivision Committee, he recently completed a four-year term on the Division I Baseball Committee, and in 2012 he earned a prestigious post on the NCAA Division I Leadership Council. In 2014 he became a member of the Division I Men's Lacrosse Committee.

Hardt began his tenure at Bucknell on February 15, 2000, after serving four years as associate director of athletics at Michigan State University. While there, Hardt supervised the sports medicine staff, strength and conditioning, equipment operations, computing and tech services and NCAA/Big Ten rules compliance. In addition, he handled legal and contractual issues for the department.

Prior to his tenure at MSU, Hardt spent five years at Syracuse University as director of athletic compliance and four years with the NCAA's national office as a compliance representative.

A native Iowan, Hardt is a 1984 honors graduate of the University of Iowa, and he was a member of the Hawkeyes' 1982 Rose Bowl football team. He later earned his law degree from Iowa and is a doctoral candidate in Iowa's College of Education.

John Hardt welcomes Joe Susan to Bucknell on Jan. 27, 2010.

BUCKNELL ATHLETICS MISSION STATEMENT

The Department of Athletics and Recreation strives to set the standard of excellence for intercollegiate and intramural programs in higher education, thereby advancing and drawing attention to the mission, core values, and educational goals of Bucknell University.

The Department believes that student-athletes' academic programs must be their first priority. It is therefore committed to maintaining Bucknell's high national ranking for student-athletes' graduation rates and for producing Academic All-Americans, and to continued leadership of the Patriot League in Academic Honor Roll nominations, based on grade-point averages. The coaches' and staff's paramount responsibility is maintaining academic priorities and supporting student-athletes' education, even while providing the rigorous and serious NCAA Division I athletic opportunities Bucknell student-athletes seek.

Further, the Department promotes the personal growth of student-athletes and the general student body by encouraging personal health, development, and balance among intellectual, social, civic, and physical pursuits; by celebrating challenge and competition; and by preparing participants for service and leadership in the world. Coaches and staff direct a rich array of athletic programs and recreational opportunities aimed at increasing student engagement, as well as strengthening character, healthy living, teamwork, sportsmanship, and spirit. In creating shared experiences for students, faculty, and staff, as well as alumni, family, and friends, the Department's

programs add substantially to Bucknell's sense of community and foster life-long relationships with Bucknell.

The Department embraces the University's decision to compete at the highest extramural level, in Division I of the National Collegiate Athletic Association (NCAA). Division I membership is valuable not only because this level of competition maximally challenges student-athletes, but also because it signals clearly Bucknell's high standards and seriousness of purpose in all extracurricular endeavors and it helps position Bucknell apart from other National Liberal Arts Colleges. Likewise, the

competitive success the Department seeks, measured in part by consistent contention for the Patriot League Presidents' Cup, reflects positively upon Bucknell's student-athletes and the University alike, and it brings distinction and national recognition to Bucknell.

A student-centered operation, the Department is committed to providing equitable opportunities to women and men, as well as members of minority and majority groups of all kinds. The Department subscribes to, and complies with, all principles and regulations of the Patriot League, the Eastern College Athletic Conference, and the NCAA.

DOUG BIRDSONG

VOICE OF THE BISON

⇒ 15TH YEAR AT BUCKNELL
⇒ MARSHALL '87

Bucknell football hits the airwaves again this fall on the Bison Sports Network. Radio broadcasts of all 11 Bucknell games will be carried live on the Bison Sports Network. The network's flagship station again this season is Eagle 107 (WEGH 107.3 FM). The pregame show begins 30 minutes prior to kickoff.

The broadcasts also have a worldwide audience over the internet with audio-only broadcasts available via BucknellBison.com and video of most games airing on the Patriot League Network.

Doug Birdsong enters his 15th season as the "Voice of the Bison." A 1987 Marshall University graduate who has called play-by-play for college and high school athletics for more than 25 years, Birdsong was named Radio/TV Coordinator and Marketing Specialist at Bucknell in July 2000.

He is just the second full-time "Voice of the Bison," following in the footsteps of Bob Behler, who called the action for 13 years. In addition to calling the Bucknell football action, Birdsong also handles the play-by-play duties for men's basketball, in addition to numerous other Bison teams. He has worked numerous NCAA Tournament contests in men's basketball, women's basketball, baseball, men's soccer and women's soccer during his tenure at Bucknell.

In 2008, Birdsong took on additional duties as he is responsible for all video shown on Bison Vision on BucknellBison.com. He interviews coaches and student-athletes and obtains highlights from many Bison events to post on the popular Bison Vision, which has received rave reviews as it enters its seventh year in 2014-15.

Birdsong also helped initiate and served as host of *Bison Live!* and *Bison Now!*, former radio shows that originated from local restaurants.

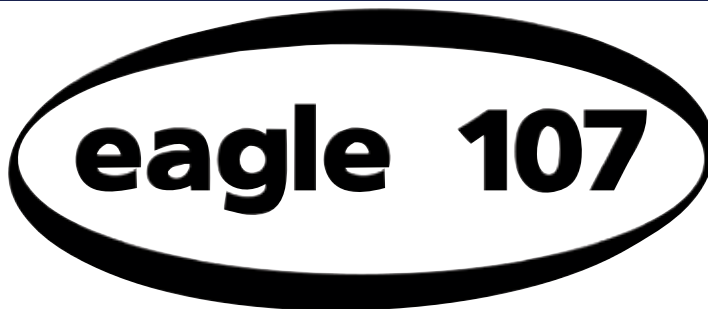

Birdsong, the host of the weekly Bucknell Football Luncheons in the fall, came to Bucknell from AVC Communications in Cambridge, Ohio, where, as the sports director, he managed the play-by-play crews on five radio stations for 12 years. He called play-by-play for Muskingum College football, men's and women's basketball, softball and volleyball, and also handled the same duties plus baseball for area high schools. Birdsong was also responsible for writing and producing 11 daily sportscasts focusing on the six area high schools and Muskingum College.

During his final five years at AVC, Birdsong coordinated advertising and posted an outstanding record, increasing sales by at least 10 percent each year.

Prior to his experience at AVC, Birdsong worked at WTCR in Huntington, W.Va., for a few years after graduating from Marshall. While he was a student at Marshall, he worked for WMUL as its Sports Director and called football, basketball and baseball for the Thundering Herd. In addition,

Birdsong produced and hosted a weekly one-hour sports talk show.

He has won numerous awards, including citations from the Pennsylvania Association of Broadcasters for "Best Local Sporting Event Coverage" two years in a row. Birdsong has also won four Outstanding Sports Operation for Play-by-Play citations from the Associated Press in Ohio, and two from the Associated Press in West Virginia. In 1999, he was chosen as the Eastern Ohio In-

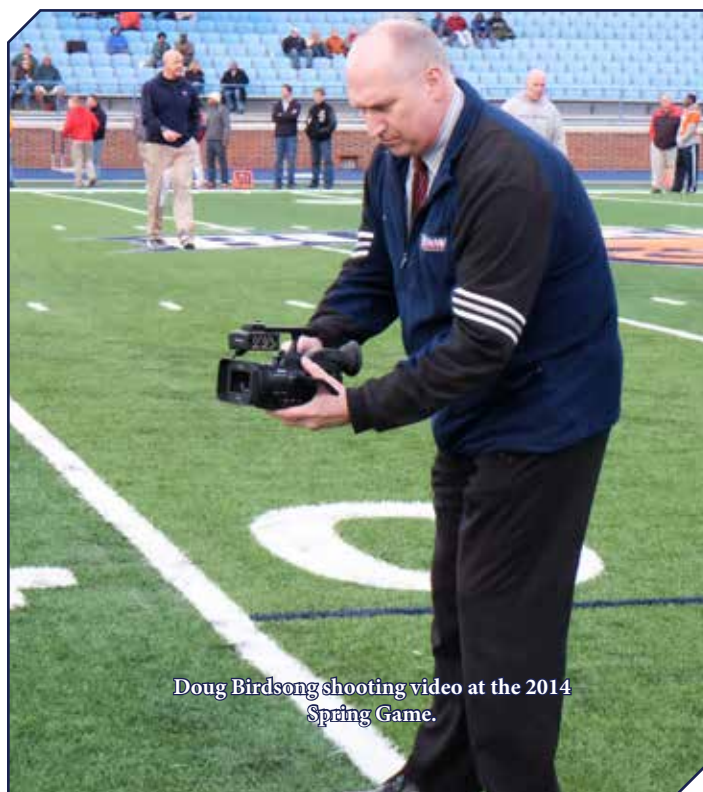

RADIO BROADCASTS

Once again, Bucknell football games can be heard locally on Eagle 107 (WEGH 107.3 FM). Doug Birdsong will handle the play-by-play duties, while Kevin Herr, who is the operations manager at Sunbury Broadcasting, will serve as the color analyst for a seventh consecutive year. The radio broadcasts will also be available online via BucknellBison.com.

VIDEO BROADCASTS

Live video broadcasts of each Bucknell home game that is not nationally televised and select road contests will be available through the Patriot League Network, which can be accessed via BucknellBison.com. All events shown on the Patriot League Network are broadcast free of charge and in a high-quality video format. Additionally, Bison Vision will be updated regularly with interviews and other interesting and informative features on the Bucknell football program.

WHAT IT MEANS TO BE A BISON

“... THE PURSUIT OF ATHLETICS IN COLLEGE NEED NOT INTERFERE WITH A FELLOW’S STUDIES, AND IF YOU GIVE A BOY A WELL DEVELOPED BODY HIS BRAIN WILL GET THE BENEFIT OF IT.”

— CHRISTY MATHEWSON, IN HIS BOOK *WON IN THE NINTH*, WRITTEN IN 1910

The term “student-athlete” signifies something extraordinary on the campus of Bucknell University.

BEING A BISON means that you have the rare blend of physical skills along with the drive and passion needed to succeed at the highest level of collegiate athletics.

BEING A BISON also means that you are a scholar first and foremost. You believe that values associated with Division I athletics, such as time management, leadership, teamwork and grace under pressure, contribute to a well-rounded college experience.

At Bucknell, our students, faculty and staff pride themselves as national leaders in upholding the scholar-athlete ideal that balances a challenging academic program with the demands of successful Division I athletics. **BEING A BISON** means that you have pledged to be a student-athlete in the purest sense. In doing so, you will be rewarded for a lifetime.
