DEAR BISON FOOTBALL FAITHFUL,

As we gear up for the 2025 season, I want to personally thank you for your incredible support and commitment to Bucknell Football. The energy, passion, and pride you bring to this program make a real difference in the lives of our student-athletes — and your role in our recent progress cannot be overstated.

We’re coming off a 2024 season that was nothing short of transformational. The offense, led by Patriot League Player of the Year Ralph Rucker and Patriot League Rookie of the Year Tariq Thomas, almost completely rewrote the single-season record book on its way to leading the conference in total offense at nearly 388 yards per game. That explosive performance helped propel us to the brink of a Patriot League Championship — falling just a few points short — and showed just how far this program has come.

Now, we’re taking that momentum into 2025.

We’re not starting from scratch. We’re building on a culture of resilience, grit, and purpose. But continued growth takes more than effort on the field — it takes a community behind us. That’s where the Bison Gridiron Club continues to play a critical role.

Your support powers everything from recruiting and nutrition to travel, technology, and player development. It allows us to compete at a high level and ensures our athletes have the resources they need to succeed — both on the field and as leaders in life.

This is a special time for Bucknell Football, and I invite you to stand with us as we take the next step. Let’s turn last season’s near-miss into this season’s championship. Thank you for believing in our program and for being part of the team.

Go Bison!
