MEMBERSHIP GUIDE 2022-2023

MESSAGE FROM THE AD

I'm honored to serve in my second year as the Director of Athletics at California Baptist University. We strive to provide a premier Christ-centered NCAA Division I student-athlete experience, and the Lancer Athletics Association (LAA) is instrumental in helping us accomplish that goal. Whether you are a first-time donor or a long-time supporter, I want to thank you for deciding to become an LAA member. You are directly impacting the success of our student-athletes by supporting travel expenses, daily nutrition, capital projects and recruiting efforts for CBU athletic programs.

Through competitive excellence, academic success and uncompromised integrity, we aim to bring the CBU campus and the greater Riverside community together to build CBU athletics into a national powerhouse that will make Lancer Nation proud. I look forward to welcoming you to a game this season. Thank you for being a part of The Team Behind The Team. Lance Up!

In Christ,

TYLER MARIUCCI, DIRECTOR OF ATHLETICS

LAA MEMBER OF THE YEAR

Alan, '69, and Sandy, '69, Young, have been residents of Riverside and supporters of CBU for over 50 years. Both graduated from California Baptist College (CBC) in 1969. Alan obtained his Bachelor of Arts in History and Sandy her Bachelor of Arts in Sociology. Alan and Sandy were selected for teaching internships in the Jurupa Unified School District during their senior year at CBC. Both went on to serve in the field of education and obtained master's degrees. After retiring, both Sandy and Alan taught as adjunct professors at CBU and National University. Alan and Sandy have also greatly supported Lancer Athletics through their financial gifts.

"We wanted to model for our kids, and especially our grandkids, the importance of giving to others," Alan said. The Young Family are Lancer basketball season ticket holders, and Alan is a Lancer Athletics Association Development Board member. In 2019, Alan and Sandy created the John Caleb Williams Memorial Endowment Fund to support Lancer Athletics in honor of their late son-in-law. The Youngs are also members of the "Starting 9," a group of LAA's most generous donors supporting the building of the Baseball/Softball clubhouse. Thank you to Alan and Sandy for your continued support and dedication to CBU Athletics!

NEW BASEBALL AND SOFTBALL CLUBHOUSE

The baseball and softball programs will move into a new 14,200 square foot clubhouse soon to break ground inside the Lancers Outdoor Athletic Complex. The facility, expected to be completed by Summer 2024, will be strategically located between both Totman and Funk Stadiums, featuring amenities such as locker rooms, sports medicine and physical therapy space, offices for the coaching staffs and a conference room. Additionally, gameday concessions will be upgraded to help enhance the fan experience with improved food and beverage options for baseball, softball and soccer home games. The facility will also feature balconies overlooking both fields, providing a unique perspective with great views.

To support the building of this new clubhouse, please contact Robby Mansfield, Director of Development – Athletics, at rmansfield@calbaptist.edu.
