**COMPLETE**  
STUDENT ATHLETE

*Pac-12 students are known for their athletic success, but they are also impressive, **complete** people with outside interests, diverse backgrounds, extracurricular activities, interesting families, busy schedules, and full lives. The release for this week's competition is focused on who California students are in the classroom and community.*

## ACADEMIC SPOTLIGHT

*Senior Sullivan Parker was recently honored at the Cal Athletics Academic Honors Luncheon as the department's Athletic Student Center (ASC) Scholar-Athlete of the Year. The award, along with the ASC's Scholar-Athlete of the Week program, honors a student-athlete for academic development and achievements developed through practice, study habits, course performance and leadership. Parker is an American Studies major with a cumulative GPA of 3.40.*

## COMMUNITY CORNER

*Sophomore Destiny Parker is a member of the Golden Bear Advisory Committee (GBAC), Cal's Student-Athlete Advisory Committee group. She was one of two Bears that recently represented Cal at the Pac-12's semi-annual SAAC Meetings in San Francisco. Part of the experience for Parker was being part of the group's efforts with San Francisco City Impact to do community service in the poverty-stricken Tenderloin District of the city.*

*Parker helped to chronicle the duo's time here:*

## FAMILY TIES

*The current Cal program sports a pair of brothers, junior Trent and freshman Tyler from Granite City, Calif. Trent is a distance specialist – and member of the cross country team – that has recorded some of the team's best times during the outdoor season. Tyler is a multis competitor and has performed well in several jumps, sprints and hurdles in his first season in Berkeley.*

## PERFORMERS

*Sophomore Nuria Tio Peig (3.44) & Senior Sullivan Parker (3.40) recently earned the Golden Bear Achievement Award as the student-athletes with the highest GPAs on their respective teams.*

## HOBBY HUDDLE

*The next time you see a cool flyer or logo design around Berkeley, it may have come from a Golden Bear. Senior Jonte Grant has interest – and skills – in the graphic design area. The long jumper even created a small branding firm with former Bear teammate Arielle Stevenson.*

## NUTRITIONAL CORNER

*Sophomore distance runner Garrett Corcoran is a known lover of platanos maduros (sweet fried plantains), which are a staple of Latin American cuisine.*
