THE BASICS

Saturday's game will be the 38th all-time meeting between these two teams, with Carroll holding a 23-14 edge in a series that dates back to 1956 (a 34-0 Carroll victory). The Pioneers have won the last three meetings, including last year's 62-14 drubbing in Waukesha. Prior to last year's game, the previous five meetings were each decided by three points or less. Carroll has scored at least 30 points in each of the last four meetings against Elmhurst.

TEAM DETAILS

Carroll has won two of their last three games, defeating Augustana (IL) 30-20 last weekend. In those three games, the Pioneers have outscored their opponents by an average score of 35-21.

The Pios are scoring 25 points per game this season, which ranks sixth in the CCIW, while ranking fifth in the league in rushing with 144.5 yards per game on the ground. Sophomore Marcus Johnson is averaging 6.5 yards per carry, while ranking fourth in the league with 71.7 rushing yards per game. Making his first career collegiate start last week, Junior Quarterback Charlie King completed 14-of-19 passes for 238 yards and three touchdowns, without tossing an interception.

Defensively, Carroll has recorded 14 sacks on the year, which ranks third in the CCIW. They have put constant pressure on the quarterback all season, recording 13 quarterback hurries in last week's win. The Pio D is led by Will Campbell, who is second in the conference with 9.2 tackles per game. He is part of a run defense that is allowing just 104.3 rushing yards per game, ranking third in the league. Campbell also ranks in the top 25 in Division-III for forced fumbles and fumbles recovered.

PREVIEWING THE BLUE JAYS

Elmhurst enters the weekend on a two-game losing streak after last week's 49-10 defeat to WashU. The Blue Jays have scored at least 23 points in both of their wins this season, while scoring less than 23 points in all of their four losses. The Blue Jays have scored 18.2 points per game this season, while allowing an average of 38.7 ppg, which both rank eighth in the conference.

The Blue Jays' offense ranks eighth in the league in total offensive yards (241.5 ypg), while ranking eighth in passing and ninth in rushing. They are led by Quarterback John Odom, who has thrown seven touchdowns and just two interceptions. Wide Receiver Jacob Cockrell is fourth in the CCIW with 74 yards per game, catching 20 passes, which includes five touchdowns, and averaging 22.2 yards per catch, which ranks second in the league.

Elmhurst's defense has been one of the nation's best at causing turnovers this season, leading the conference in both interceptions (9) and fumbles recovered (6). Two of their nine picks have been returned for touchdowns.

GAME NOTES

NATIONAL TEAM OF THE WEEK

Carroll safety Jake Binkowski has been named to the D3football.com National Team of the Week for his performance in Saturday's 30-20 win against Augustana (IL). This marks the second time a Carroll football player has been selected to the weekly team, with Punter Noah Streveler doing the honors earlier this year.

A senior from Pulaski, Wis. Binkowski recorded a game-high 11 tackles on Saturday, with seven of them solo tackles. He also added a pass breakup as the Pioneers won for the second time in three weeks.

Binkowski currently ranks third on the team in tackles with 42 this season, which is 11th in the CCIW. He has also recorded one of the team's three interceptions, while breaking up three passes.

PIO OF THE WEEK

Making his first collegiate start last Saturday, Carroll Quarterback Charlie King completed 14-of-19 passes for 238 yards, three touchdowns, and zero interceptions as he led the Pioneers past Augustana (IL) by a score of 30-20, helping him secure 'Pio of the Week' honors. His TD passes came from 70, 27, and five yards away, while the junior from Sheboygan Falls, Wis. also rushed for 41 yards on 10 carries (4.1 ypc), including a long of 25.

APPROACHING RECORDS

As the 2024 season progresses, here are some school records to keep an eye on for the remainder of the year:

- Career Interception Return Touchdowns (5): Senior Safety Jake Binkowski has scored three touchdowns on interception returns, all of which came during the 2022 season. That puts the Pulaski, Wis. native in a tie for third in program history, just two shy of the school record holder (Mike Sikma '94 and Jeff Lueck '99). Binkowski has recorded five interceptions during his Pioneer career, including one last week..

- Career Punting Average (38.3): One of the best punters in school history, Senior Noah Streveler currently holds a career punting average of 38.6, which would be a new program record if the season ended today. It does not, which means Streveler has four more games to improve on that number. The record of 38.34 is held by Drew Volkmann '12. Steveler is also on pace to obliterate his own school record for single season punting average. He currently is averaging 43.0 yards per punt, which would top his production of 40.3 yards per punt last season.

- Career Tackles (291): Senior linebacker Damon Loker has been a mainstay in Carroll's defensive lineup during the past few years. In that time, the Kimberly, Wis. native has compiled 231 career tackles, which is 12 shy of the fifth-highest total. The school record of 291 is held by Brian Erickson '88.

- Single Season Tackles (108): Junior Linebacker Will Campbell has been a tackling machine this season, leading the Pios with 55 on the year, which ranks second in the CCIW, just one shy of the league leader. He is more than halfway to the single season school record of 108, which is held by both Mike Dziewit '11 and Dave Uelmen '93.

- Single Season Yards Per Carry (6.78): Through six games this season, Carroll Sophomore Running Back Marcus Johnson is averaging 6.5 yards per carry. That is just 0.28 ypc less than the single season school record holder, Lamont Williams, who set the current record during the 2013 season.
