

Coppertop Golf Club

Coppertop Golf Course is an 18-hole layout that marches over rolling fairways and tight tree-lined fairways. Water comes into play on a few holes, but it is the mature trees that will test your skill. These trees give Coppertop its beauty, but they place a premium on accuracy. On several occasions you will be driving from tee boxes overlooking the fairways. One of the most beautiful courses in the area, Coppertop is a fun place to play golf conveniently located in Valley City, Ohio.
