**STEP 2**

You must have parent & student accounts with unique email addresses. Manage personal contact information, medical history, emergency contacts, athletic wearables sizes & more.

Select the sport(s) you plan on participating in. *You can select multiple sports/seasons.*

Once a sport(s) is selected, a parent **and** the student will go through to e-sign all athletic forms online.

Add '[mailman@finalforms.com](mailto:mailman@finalforms.com)' to your approved senders list to receive notifications from coaches & athletic department staff. You might need to check junk or spam folders for missed messages.

**To be able to attend tryouts or practices, you MUST select the sport in your profile & ALL forms must be GREEN.**

*Students who have not selected the sport or are not **green** will NOT be able to participate.*

Print a copy of your pre-filled\* OHSAA PPE Physical (for Physicians) packet directly from FinalForms to take to your exam. *\*This pulls medical history entered through the registration process. In your student's profile, look for:*

Take packet & visit doctor/clinic for a physical exam. Exams are good for 13 months from exam date in the state of Ohio, *not* the date forms might be filled in at Dr's office.

Upload only **2** of the completed forms\* from the packet directly to your student's FinalForms profile as **.PDF's**.  
\* We only need the [Physical Examination Form](#) & the [Medical Eligibility Form](#) on file. *Please do not upload the whole packet.* BOTH forms MUST list the student's name, DOB and be signed & dated with exam date by a doctor.

*To upload the 2 forms, start at the Parent Profile in FinalForms. Under 'My Students', click file folder icon next to student's profile & follow instructions. Hard copies not required.*

*Simply uploading forms does not mean they are cleared to participate. An Athletic Administrator will clear the forms once they are reviewed. You will receive a notification email with the updated expiration date.*

◆ **FINISH**

*\* If you have not selected a sport in FinalForms, go back and start there.*

Make payment for your sport(s) sessions through your UltraCamp account. This includes any team incidentals (*required team gear or equipment fees*). Ensure your student-athlete school grade and method of payment on your account is correct.

You can make payment in full now or schedule payment to come out on the specified payment pull date\*. Please see launch email for instructions and deadlines.

*\*A late fee will be assessed after that deadline and a password will be required to proceed. The student-athlete will not be able to participate until payment is processed.*

*Thank you in advance for making your payment promptly.*
