HEAD COACH PAUL CROWLEY

CHRISTOPHER NEWPORT '09
1ST SEASON AS HEAD COACH AT CNU

Paul Crowley was named the third Head Football Coach in Christopher Newport University history on December 8, 2021, after serving as the program's interim coach for just over a month. The former standout Captains offensive lineman will enter his 14th season of college coaching in 2022, and his 12th at CNU. In addition to serving as Head Coach, he will also mentor the Captains quarterbacks.

"Our search led us to many great candidates but none are as uniquely qualified as Paul Crowley," Director of Athletics Kyle McMullin said. "Paul is one of the rocks that the foundation of this program is built upon, and for more than a decade has provided leadership and been a mentor to the young men that compete at Christopher Newport. He is an exceptional recruiter, an outstanding football coach and someone that demands the very best of those around him."

Crowley served on the staff of Matt Kelchner for eight seasons from 2009-2016, as well as the staff of Art Link for three years from 2019-2021. During his tenure, he rose to the level of recruiting coordinator while also working with multiple position groups, including running backs, wide receivers, tight ends and offensive linemen.

"As a graduate of Christopher Newport, Paul understands our commitment to leadership and service in the pursuit of excellence on the gridiron," President Paul Triple said. "His passion for Captains football was evident during his time as a player and his dedication to the program and this university is unwavering."

Christopher Newport's primary play-caller during the 2015 and 2016 campaigns, Crowley led the Captains to two of the top four passing seasons in school history. Additionally, the squad ranked among the NJAC's top two passing offenses both years, as quarterbacks Tyler Quigley and KJ Kearney both earned All-NJAC distinction, while Kearney set the single-season school record for completion percentage in 2016.

In addition to the accolades earned by the Captains' signal-callers during those two seasons, Crowley also produced an all-conference standout during every season in which he was a full-time coach. Highlighting the list of players who benefited from Crowley's tutelage were Wide Receivers Taylor Loudan, the 2016 NJAC Offensive Player of the Year, and Rudy Rudolph, a four-time all-conference standout. As the running backs coach in 2014, Crowley helped Daquan Davis record 16 touchdowns en route to earning All-USA South distinction.

The Virginia Beach native left Christopher Newport and spent two seasons coaching the running backs at the College of William and Mary in 2017 and 2018. He returned to the Captains coaching staff in 2019.

A First Team All-USA South Center with the Captains, Crowley played for CNU from 2005-08. He was also a first-team All-Virginia selection in Division II-III.

Crowley was born in Midland, Texas. He and his wife, Tayler Stanley-Crowley, reside in Toano, VA.

"I am extremely excited and honored to have the opportunity to lead the football program at my alma mater," Crowley said. "This is a university and football program that has a very special place in my heart. I have seen it as both a player and a coach, and know exactly what is required in order for our students to succeed on and off the field."

Craig Smith has returned to Christopher Newport University as the Offensive Coordinator and Wide Receivers coach of the Captains. Smith was part of the CNU staff in 2013 and 2014, when he was initially safeties coach and then became wide receivers coach, helping the Captains claim a USA South title in 2014.

Before returning to CNU, Smith spent time on the staff at his alma mater, Bridgewater College, where he was the Passing Game Coordinator on offense and Co-Special Teams Coordinator. He also held the role of Recruiting Coordinator for the Eagles in the 2019 season. Smith helped Bridgewater football return to the NCAA tournament in 2019, when the Eagles went 10-1 to clinch the ODAC championship.

Smith won four ODAC championships as a student-athlete with the Eagles, from 2002 through 2005. Bridgewater went 50-10 over his time with the program, reaching the NCAA semifinals in 2003 and NCAA quarterfinals in 2002 and 2005.

Matt McLeod enters his first season with the Christopher Newport football program. McLeod comes to CNU after spending 13 years coaching high school football. His extensive experience at the high school level includes three seasons as the head football coach at Deep Run High school in Richmond. He was also the head football coach at Grafton High School for four seasons, and most recently served as an assistant coach at Lafayette High School in Williamsburg, where he was a part of the 2020 3A State Championship squad.

McLeod mentored countless high school players who have gone on to be successful college football players, military commanders, coaches, businessmen and overall productive members of society. Prior to coaching high school football, McLeod spent 14 seasons coaching in the college football ranks. He began as an assistant coach at Clemson University, coaching linebackers and assisting with player development. While at Clemson, McLeod worked with the Tigers' defensive staff and was responsible for the linebacking corps. Among the players he tutored was consensus All-American linebacker and 1999 Atlantic Coast Conference Defensive Player of the Year Keith Adams, who went on to become a Butkus Award finalist and 2001 draft pick of the Tennessee Titans.

Following his tenure at Clemson, Matt then went to work at The College of William and Mary, where he served in several capacities including Defensive Coordinator, Defensive Line, Inside Linebackers, and Special Teams coach. A fiery leader, McLeod motivated and mentored a wealth of all-Conference and all-American talent over his eight seasons at William and Mary.

McLeod enjoys spending time with his family, including his wife, Kirsten, and his two sons, Nate and Ben. In his spare time he likes to go fishing.

DEFENSIVE COORDINATOR ELI WICKLUND

MIAMI (OHIO) '09
1ST SEASON AT CNU

Eli Wicklund joined Paul Crowley's inaugural staff in December, 2021, as Christopher Newport's Defensive Coordinator. He will work with the entire defensive unit, with a special concentration on safeties.

Wicklund spent the last four seasons on Marty Favret's staff at Hampden-Sydney College, where he worked primarily with cornerbacks and linebackers. He also served as the Tigers' Special Teams and Recruiting Coordinator. While at Hampden-Sydney, Wicklund coached multiple All-Conference players including H-SU's all-time leading tackler, Brenden Weinberg.

Prior to Hampden-Sydney, Wicklund coached the cornerbacks and running backs at Bucknell University in Lewisburg, PA, under Head Coach Joe Susan. The 2017 Bison defense ranked 11th nationally in total defense and 4th nationally in pass defense.

In 2014 and 2015, Wicklund served as a Quality Control Coach at Rice University in Houston, TX, on David Bailliff's staff. He oversaw both the special teams and defensive staff, and focused primarily on the linebackers and safeties. Wicklund played a vital role in opponent game planning, scheme installation, and in-game adjustments as an assistant to both the Defensive and Special Teams Coordinators.

Wicklund worked as the Secondary Coach at North Park University in the 2013 campaign, where he contributed to ending a 13-year winless conference streak with a 3-4 conference record, a mark that has yet to be matched, and the team's best finish since 1971.

Wicklund began his coaching career at his alma mater, Miami University of Ohio, where he spent eight seasons in a variety of roles from undergrad to graduate, concluding as the Defensive Graduate Assistant, working with defensive backs and linebackers. After graduating from Miami in 2009, Wicklund accepted dual positions on Mike Haywood's staff as Recruiting/Defensive Intern. The Defensive intern role allowed him to study under Defensive Coordinator and Linebackers Coach Carl "Bul" Reese. As Recruiting Intern, working under Recruiting Coordinator Bill Elias. Wicklund was responsible for assisting in the evaluation of high school athletes as well as maintaining and organizing recruiting strategies and events. He also served as on-campus liaison for visiting high school athletes, a role that allowed Wicklund an integral role in the acquisition of talent, and resulted in the 2010 MAC Conference and Godaddy.com Bowl Championships.

As an undergraduate, Wicklund maintained a variety of responsibilities as a student assistant. In 2008, his senior year, he assisted on-field during practices with the wide receivers and in the coach's box on game days. Off the field, he maintained the responsibilities of Student Defensive Quality Control Coach, assisting in opponent breakdowns. Wicklund began his time with the Redhawks in 2005 as a freshman undergrad volunteer with Aaron Friesenberg's video staff under Head Coach Shane Montgomery.

Wicklund and his wife, Lauren, reside in Midlothian, VA., with their daughters Sydney and Samantha. The family is expecting an addition during the 2022 football season.

COACHING STAFF

ASSISTANT COACH / OFFENSIVE LINE DAN ANTOLIK

FORT LEWIS '69
17TH SEASON AT CNU

Dan Antolik returns to the Christopher Newport University coaching staff for the 2022 season, re-joining the program he was a key part of from the squad's inception in 2001. He will now work under one of his former offensive linemen, Paul Crowley, CNU's new head coach.

Antolik first came to CNU in 2000 during the organization of the newly-announced program to assist Head Coach Matt Kelchner with many of the details of starting a new team. He would enjoy a lengthy run with Kelchner, serving as Offensive Coordinator for the first 16 seasons of CNU football history.

The amazing success of CNU's rushing game over the 16-year span from 2001-2015 is directly attributable to the great blocking provided by Antolik's offensive line. His hard work with the line was visible since day one, and the Captains featured highly-productive rushing games year in and year out.

Antolik had previously been a highly-successful head coach at Lafayette High School in Williamsburg, Va. before coming to CNU. During his tenure, Lafayette went 42-8 beginning in 1997 and advanced to the playoffs each season. His Lafayette squads won three district titles and in 1998 went to the Virginia State Championship.

Antolik's coaching resume also includes stops at Hampton University, Bridgewater College, St. Paul's College and Salem College. He is a graduate of Fort Lewis College in Colorado with a Master's Degree from Adams State College, also in Colorado.

Kepa also spent two seasons with the Frostburg State football program, working with both the wide receivers and quarterbacks. While in Frostburg, his quarterbacks completed nearly 64 percent of their passes and totaled 2,714 yards through the air with 28 touchdowns. Frostburg's passing offense finished second in the NJAC in passing yards per contest (246.7) and 12th in the nation in passing yards per completion (15.78).

Kepa joined the Frostburg State staff after serving as the offensive coordinator at The Apprentice School from 2014-17, where his offense averaged over 300 yards per game in three of his four seasons.

2022 SEASON PREVIEW

As the Captains were preparing to start pre-season camp, Head Coach Paul Crowley took the time to answer some questions heading into his first season leading the Christopher Newport University football program.

Q) Heading into your first season as a head coach, how does it feel to be leading the program you are so well connected with?

A) It's special to be able to lead the program I have been a part of for so many years. The support from alumni and the greater CNU community has been fantastic. And, with that, comes the responsibility of making sure the program lives up to the standards and expectations that have become synonymous with Christopher Newport football over the years.

Q) When you were named head coach in December, what did you feel was the top priority for the program?

A) The top priority was hiring a group of coaches that I felt confident could help me lead the program in the direction I wanted. Ultimately, I wanted to hire coaches I trust are in the business for the right reason, which is the welfare of the student-athletes. This group of coaches is incredibly experienced and they're all great teachers, but more than that they're good people who are coaching to develop great student-athletes both on and off the field.

Q) As you began recruiting as a head coach, how were you received by high school coaches and recruits?

A) I have been fortunate to recruit the Commonwealth of Virginia almost exclusively for better than a dozen years now. And I know the quality of student-athletes that Virginia produces. So, I am excited with the response we have received as a staff from coaches and recruits across the state. And we are certainly going to continue recruiting and developing talent from Virginia our highest priority.

Q) How would you assess your first recruiting class as a head coach?

A) We had a little bit of a late start in recruiting with the coaching change, but we brought in a big freshmen class this year and are excited with the group coming in. Ultimately it will be on these guys to prove themselves once practice starts.

Q) Last year's squad was 5-5 and certainly had some ups and downs...how many from the team have returned and who do you consider the team leaders?

Drew Knott

A) Three guys we are excited to have back are Adam Luncher, Drew Knott, and AJ Atkins, who has decided to come back for a fifth season. I have very good relationships with all three, and have been fortunate to have two of them in my position group. They have been able to learn who I am as a coach during their time, and what my expectations will be. This trio has been impressing these expectations upon the other players, which will be a big help for us.

Q) You were an offensive lineman, who do you think will be the anchors at those spots this year?

A) Drew Knott as mentioned is a good leader, but also an incredibly consistent player on the offensive line. Tyler Palmer and Connor Kirley played very solidly as well, and are both intelligent, tough, and hard-working players. AJ Atkins has a good amount of playing experience as well. These guys represent the epitome of what you want as student-athletes.

Q) Matt Dzieriski had an outstanding 2021 campaign, what's his status for 2022 and who will challenge him at the QB spot?

A) Matt will be our starter going into camp. The great thing about him is he is always wanting and looking for ways to get better. Ty Crabb will be behind him, and had an excellent spring, and is also a guy we trust can be a good starter as well.

Q) Who are the likely key running backs and receivers heading into training camp?

A) One of the great things about a new coaching staff is there are no pre-conceived notions about players. They will have a chance to prove themselves to the new coaches. Competition is going to be big for us at all positions. Very few guys are guaranteed anything at this point, which should make for an exciting camp. With that being said, Xander Jedlick, Adam Luncher, and Isaiah Williams are a few guys at the skills positions coming back that have proven to be trustworthy in the past.

Q) Overall, what sort of defense will the Captains employ in 2022 and who will be the key returners on the defensive line?

A) The defense and personnel we employ will change based on how players do during camp. It is our responsibility to put the 11 best players on the field defensively, and fit the scheme around that. Again, competition is going to be huge. Mike Evans and Keith Martin had good springs for us. And Kindrick Braxton, Josh Uvodich, Shawn Hamilton, and Logan Baker played a good amount for us last year. But again nobody's spot is guaranteed and we are excited as a staff to see who steps up.

Q) Who will be the key special teams personnel?

A) Ryan Castle, our kicker last year, had a good season for us and a great offseason in the weight room. The punter and long snapper spots are up for grabs going into camp.

Q) As you stated, you've assembled an impressive group of assistant coaches...I'm sure you will rely on their vast experiences. Tell us more about your staff.

A) I am extremely fortunate with the staff we have put together. Starting with our coordinators, Craig Smith has been successful everywhere he has been as both a coach and player and I had the opportunity to coach with him in 2013-2014 when we had some very good teams. Eli Wicklund has a good amount of experience at various levels, and I was very impressed with what they did defensively when he was at Bucknell. Bringing Dan Antolik back has been great. The alumni know what he has meant to CNU football, and I know he will bring a toughness to the program. Both Matt McLeod and Zbig Kepa worked at William and Mary under Jimmie Laycock, and I know, from personal experience, the kind of coach you have to be to work there. They are both phenomenal coaches. Alex Smith was instrumental in bringing in this year's recruiting class. And Shomari Wright was an excellent player at CNU and can relate to the players the expectations of what it takes to be a true student athlete here.

Q) The New Jersey Athletic Conference is always a very competitive league...how do you see the conference teams trending heading into 2022?

A) I think the major hallmark of the NJAC is the depth in the league. Very similar to coaching in the CAA, which is one of the better conferences in FCS, each and every week any team has the ability to beat you. Furthermore, there is a physicality to the conference that can wear on any team. And obviously what Salisbury has built is impressive. We certainly have our work cut out for us.

Q) Your first schedule as a head coach features six home games...I'm sure you're excited to lead your squad into action...what are you most excited about?

A) I am most excited about the home game crowds and the alumni support we are going to receive. The support of the Christopher Newport community was a big part of why I chose to come to CNU years ago as a player, and it remains strong as ever. Our players will be working their hardest to put us in a position to be successful in every game. I'm just really looking forward to seeing which players will rise to that challenge.

NJAC AT A GLANCE

The New Jersey Athletic Conference originated in 1957 (then called the New Jersey State Athletic Conference) when founding institutional members Glassboro State College (now Rowan University), Montclair State College (now Montclair State University), Jersey City State College (now New Jersey City University), Newark State College (now Kean University), Trenton State College (now The College of New Jersey), and William Paterson College (now William Paterson University) collectively partnered to compete in intercollegiate competition.

The conference operated strictly as a men's sport athletic league until 1985, when the league members merged with their corresponding institutions in the

Jersey Athletic Conference, a women's sport athletic conference. Since its founding in 1957, the NJAC has captured 63 NCAA Division III national team championships.

While meeting as a joint body to vote on broader policy and procedure matters, the conference continued to operate with separate legislative divisions governing men's and women's sports. Throughout its evolution, the conference has been guided by the following operating principles:

- To legislate through bylaws, policies, procedures, and ethical guidelines the administration of the intercollegiate athletic programs of conference members.
- To promote intercollegiate athletics as an integral part of the total education program.
- To protect the welfare of the student-athlete.
- To foster and uphold the highest standards of athletic competition and academic integrity.
- To support the principles and practices of Title IX and gender equity.
- To encourage allied membership in appropriate state, regional and national organizations.
- To cooperate with other amateur athletic organizations in promoting intercollegiate athletics.

2021 SEASON REVIEW

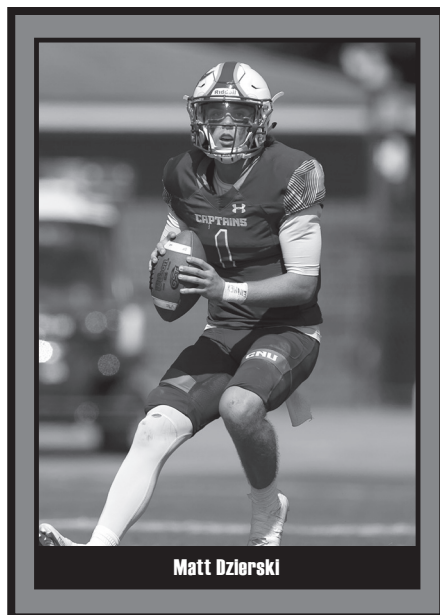

2021 SEASON REVIEW

The 2021 Christopher Newport University football campaign could best be described as a rollercoaster season, with the Captains finishing 5-5 overall and 3-3 in the New Jersey Athletic Conference. For every high point of the season, there seemed to be a low spot to match.

The Captains had much to prove in the fall of 2021, having gone 0-2 in the short CoVID spring session of 2021, and 2-8 in the 2020 season. After a spirited summer camp, the Captains hit the field at TowneBank Stadium on September 4th, and lodged what would prove to be one of their best efforts of the season. Sophomore quarterback Matt Dzierski, making his first career start, completed 29 of 39 passes for 266 yards and two touchdowns as the Captains defeated Washington and Lee, 28-24. Dzierski, from Lorton, Va., was essential to all four scores, as he also ran for two touchdowns, a trend that would continue all season as the youngster emerged as a key offensive weapon for the Captains.

The thrill of the opening week victory was tempered just a week later, as the Captains traveled to Averett and fell in overtime, 30-27. Dzierski again stood out, leading the squad back from a 10-point halftime deficit. But even after throwing for a score and running for two, a turnover in overtime ended the game and the Captains were 1-1.

Week three saw the Captains fall to Ferrum at home, 26-19, but CNU would recover on the final Saturday of September by registering a dominant 31-14 triumph at Catholic in the first meeting ever of the two programs. The

Matt Dzierski

victory evened Christopher Newport's record at 2-2 heading into the New Jersey Athletic Conference schedule.

As the non-conference schedule went, so did the conference slate, as the Captains split their six NJAC tilts. Their league victories included a dominant 28-0 home victory over Montclair State, and two road wins at the College of New Jersey (21-14) and Rowan (35-32 to conclude the season). Unfortunately for the Captains, they found themselves on the wrong side of an overtime battle at home vs. Kean (27-20), and also fell at William Paterson (48-28) and at home to Salisbury (84-14).

Nine members of the Christopher Newport squad were recognized by the NJAC for their outstanding play in 2021. Dzierski was one of five Captains named first team All-Conference, and in addition was chosen the league's Offensive Player of the Year. Dzierski started all ten games for the Captains at quarterback and led the offense by throwing 15 touchdown passes and running for ten scores. He led the NJAC in passing, averaging 231 yards passing per game, and also completed a league-best 68.3 percent of his passes. He was chosen the NJAC Offensive Player of the Week four times, and became the fourth CNU player to receive conference offensive Player of the Year honors, joining Roland Hilliard (2004), Tunde Ogun (2008), and Taylor Loudan (2016).

Joining Dzierski on the first team from the offense were fifth-year senior wide receiver Garrison Mayo and senior offensive linemen Drew Knott and fifth-year senior of-

fensive lineman Nick Norman. Mayo, from Fincastle, Va., caught 50 passes in eight games played, averaging 86.8 yards receiving per game. He also caught five touchdown throws. Knott, from King George, Va., and Norman, from Yorktown, Va., anchored the offensive line by providing outstanding protection for Dzierski and creating opportunities for an offense that averaged 25 points per game, second-most in the conference.

From the Captains defensive unit, fifth-year senior Sean Wilkinson was chosen first team. Wilkinson, from Vienna, Va., led the Captains in tackles with 74, including 35 solo stops, in nine games played. Wilkinson finished sixth in the NJAC in tackles and also made a sack, forced a fumble, and intercepted a pass last season.

Junior fullback Isaiah Williams and junior kicker Ryan Castle were both named second-team All-Conference from the Captains roster. Williams, from Virginia Beach, saw increased playing time in the backfield, providing outstanding blocking for the Captains. Castle, from Dublin, Va., made seven of ten field goal attempts last season, and also converted 31 of 32 extra points, accounting for 52 total points.

In addition, sophomore offensive lineman Tyler Palmer and sophomore safety Shawn Hamilton were named honorable mention. Palmer, from Chesapeake, Va., became a steady presence for the Captains on the offensive line at the center spot. Hamilton, from Virginia Beach, made 43 tackles including 22 solo stops, and also picked off a pass.

Five members of the Captains also were honored with All-State recognition by the Virginia Sports Information Directors (VaSID). Dzierski, Knott, Norman, Wilkinson, and Castle all received second team honors.

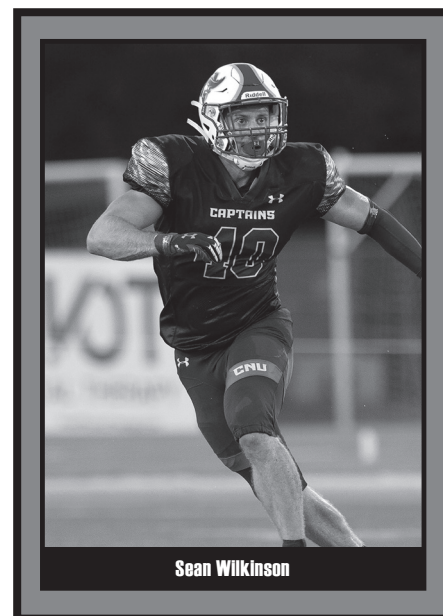

The Captains finished third in the conference standings behind league champion Salisbury and Kean.

GAME 2 VS. AVERETT

September 11 • Danville, Va.
Campbell Stadium

Averett (1-1) def. CNU (1-1), 30-27 (OT)

For the second straight week, the Captains of Christopher Newport were involved in a tight battle that was decided in the game's final seconds. Unfortunately for the Captains, this week the finish was not as enjoyable with CNU dropping a 30-27 overtime decision at Averett.

The Captains trailed for most of the night before coming from behind in the fourth quarter to send the game to overtime. Sophomore quarterback Matt Dzerski ran for two scores and threw a touchdown pass in the road loss.

WIDENER 56 • CNU 7

Christopher Newport became the first team in NCAA history to appear in the playoffs during its first year of existence after winning the 2001 Dixie Conference Championship.

In the postseason, the squad faced Widener, who took control early after scoring on the second play from scrimmage on the way to a 56-7 triumph. Despite the setback, the game saw CNU score its first NCAA touchdown after Kaveh Conway broke free on a 14-yard scamper in the fourth quarter.

CNU 24 • MUHLENBERG 20

Christopher Newport overcame an early 10-point deficit to record its first-ever NCAA Playoff victory after downing Muhlenberg, 24-20.

After finding themselves training by three entering halftime, Hosh Weekes picked off a pass and returned it 23 yards to put CNU up, 17-13. Following a Muhlenberg score that gave the Mules the lead again, Nathan Davis added the final nail for the Captains after hauling in a 16-yard strike from Phillip Jones with 3:03 left in regulation.

WASHINGTON & JEFFERSON 27 - CNU 23

Christopher Newport's valiant second-half comeback bid fell just short as the Captains dropped a 27-23 decision to Washington & Jefferson.

After finding themselves down 27-0 early in the third quarter, the Captains fought back. Hudson Bryant and Curfew Speight connected on a pair of touchdowns, while Roland Hilliard punched in a one-yard score. Later, a special teams safety pulled CNU back within four with a minute left, but the squad could not quite complete its comeback.

Staring at another late deficit, CNU made things interesting as Daquan Davis burst through the defense for a 31-yard touchdown and Marcus Morrast connected with Rudy Rudolph for a three-yard score. Unfortunately, the comeback fell short as the Pride clamped down in the final four minutes.

TOWNEBANK STADIUM

TOWNEBANK STADIUM

TowneBank Stadium debuted in 2001, along with the Christopher Newport football program, and played host to CNU's first game in history, against Salisbury on Sept. 1, 2001.

Although the official capacity is listed at 4,200, a total of 6,135 made their way in through the use of portable stands and standing room to watch that initial contest. The Captains averaged 4,630 in 2001, ranking ninth in NCAA Division III attendance, and sold out all four home games.

In 2003, the stadium project was completed with the addition of brick facade, permanent concession stands and rest rooms, a large press box and beautiful President's Suite. In subsequent years, lights were added and a state-of-the-art video board was installed to improve the fan experience.

Along with the physical structure, TowneBank Stadium has one of the finest grass playing surfaces in the South and has already been host to summer camps featuring many NFL players.

LEAD A LIFE OF SIGNIFICANCE

At Christopher Newport University we care about minds and hearts. Our primary purpose is to form good citizens and leaders. We believe real success is a life well lived. We want our students to choose to live lives of meaning and consequence and purpose. We call that a life of significance.

Because we care about minds and hearts and lives of significance, our curriculum is based on the liberal arts and sciences. We emphasize the study of leadership and have developed a nationally respected President's Leadership Program. Our core curriculum is rigorous, cited by the American Council of Trustees and Alumni as the most rigorous core curriculum of any public college or university in America. Because we care about hearts and minds and creating good citizens and leaders, our students perform thousands of hours of community service, we built a chapel and celebrate our speaking tradition and honor code. We want our students to lead, serve, engage and set the world on fire.

That's what makes Christopher Newport special and that's what makes Christopher Newport an irresistible force.
