COLLEGE FOOTBALL PLAYOFF

OVERVIEW

EVERY GAME COUNTS

The College Football Playoff (CFP) is a postseason event to determine college football's national champion on the field, while emphasizing the significance of college football's unique regular season where every game counts.

RANKINGS

The selection committee ranks the teams based on the members' evaluation of the teams' performance on the field, using conference championships won, strength of schedule, head-to-head results, and comparison of results against common opponents to decide among teams that are comparable.

TRADITION

The New Year's holiday period belongs to college football, with two Playoff Semifinal games rotating annually among the Cotton Bowl, Fiesta Bowl, Orange Bowl, Peach Bowl, Rose Bowl Game and Sugar Bowl.

CHAMPIONSHIP MONDAY

The two teams that win the Playoff Semifinals compete for the College Football Playoff National Championship. The national championship game is in a different city each year, always on a Monday night.

UNIVERSAL ACCESS

Every Football Bowl Subdivision (FBS) team has equal access to the College Football Playoff based on its performance during the regular season. No team automatically qualifies.

GOVERNANCE

University presidents and chancellors from all 10 FBS conferences and Notre Dame serve as the board of managers and govern the administrative operations, with commissioners and Notre Dame athletics director (the Management Committee) managing the event. A small staff in the CFP office in Irving, Texas, carries out the day-to-day responsibilities.

SELECTION COMMITTEE

A talented group of 13 high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are Chris Ault, Mitch Barnhart, Boo Corrigan (chair), Chet Gladchuk, Jim Grobe, Mark Harlan, Warde Manuel, David Salyer, Will Shields, Gene Taylor, Joe Taylor, Rod West and Kelly Whiteside.

SELECTION COMMITTEE RESPONSIBILITIES

- Rank the top 25 teams and assign the top four to Playoff Semifinal sites.
- Assign teams to New Year's bowls.
  - Create competitive matchups.
  - Attempt to avoid rematches of regular-season games and repeat appearances in specific bowls.
  - Consider geography.

PARTICIPANTS IN THE NEW YEAR'S SIX BOWLS

Both participants in the Orange, Rose and Sugar bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl Game; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest-ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the Playoff Semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting Playoff Semifinals, the Cotton, Fiesta and Peach bowls will welcome the highest-ranked teams, any displaced conference champions, and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.

COLLEGE FOOTBALL PLAYOFF NATIONAL CHAMPIONSHIP TROPHY

The College Football Playoff National Championship Trophy is the ultimate goal of college football teams across the United States.

An ascending virtual football, the trophy's handcrafted gold brackets surround a hardened steel core. The trophy was created to be raised in celebration of the highest level of team achievement in college football.

Designed by Pentagram, the trophy was commissioned by the CFP for the new playoff era. The design features a focused football at the center of the base that rises to form an actual-size ball. Standing at a total height of three feet, the trophy and base are two integral but separate pieces, so the trophy may be lifted up independently when it is awarded each year upon conclusion of the national championship game.

The trophy is handcrafted by the master fine art foundry UAP Polich Tallix. Expert craftsmen worked for three months, combining cutting edge technologies with timeless metal casting and finishing techniques to create the trophy.

Handmade from 24k gold, bronze, and stainless steel, the trophy is 26.5 inches tall. The base is formed from bronze with a hand-rubbed black patina finish and is 12 inches high.

COLLEGE FOOTBALL PLAYOFF CHRONOLOGY

2011

With the fourth Bowl Championship Series (BCS) four-year term set to conclude after the 2013-2014 season, the commissioners began creating a process for considering possible formats for the future. These discussions occurred during teleconferences October 4 and 12. The Presidential Oversight Committee members addressed the matter further in their in-person meeting in Denver on November 14.

2012

During the winter and spring, the commissioners and presidents spent countless hours evaluating the many pros and cons of numerous possible formats. These formats ranged from returning to the old bowl system with no attempt to match the top two teams, to continuing the BCS, to creating a multi-team tournament.

The commissioners met in person on January 10 in New Orleans, February 21-22 and March 26 in Dallas and several times by teleconference. They affirmed a commitment to protect college football's regular season, the best in sports, and to preserve the bowl tradition and the bowl experience for student-athletes. Further, they focused on the realities of the academic calendar and options related to where the games should be played. They self-imposed a deadline of the summer of 2012 to decide what changes to propose to the presidents.

April 25: At a meeting in Hollywood, Florida, the commissioners took both an eight-team and a 16-team playoff off the table. They prepared a small number of four-team options for discussion in the conference meetings to be held in May. They discussed in detail the advantages and disadvantages of various ways to rank or qualify teams.

June 12-13: The commissioners met in Chicago to report on the consensus regarding the playoff that was developed during their recent conference meetings.

June 20: Meeting in the Sullivan Room at the InterContinental hotel in downtown Chicago, the commissioners voted unanimously to recommend a four-team playoff for 12 years beginning in 2014-2015, with a selection committee choosing the participating teams.

June 26: Meeting at the Dupont Circle Hotel in Washington, D.C., the BCS Presidential Oversight Committee members voted unanimously to submit legislation to the NCAA Board of Directors that would allow two institutions to participate in two postseason games each year—thereby creating what eventually would be named the College Football Playoff. The presidential group adopted the format and policies that had been recommended by the commissioners on June 20. The NCAA would approve the proposal in August.

The presidents and chancellors also endorsed:

- Rotating the Playoff Semifinals among six bowl sites and playing the national championship game at neutral sites under the management of the conferences;
- Creating a selection committee that would rank the teams to play, giving all the teams an equal opportunity to participate. (among the factors the committee would be instructed to value were win-loss record, strength of schedule, head-to-head results, and whether a team is a conference champion);
- Playing the Playoff Semifinals New Year's Eve or New Year's Day;
- Creating "Championship Monday" by setting the date of the national championship game on the first Monday in January that is six or more days after the Playoff Semifinals;
- Establishing the new format to cover a 12-year term, from the 2014-15 season through the 2025-26 season;
- Distributing revenue from the playoff according to a formula that (a) rewards conferences for success on the field, (b) accommodates teams' expenses, (c) acknowledges marketplace factors, (d) rewards academic performance of student-athletes, and (e) eliminates the "automatic qualification" designation.

September 19: The commissioners agreed to select the host for the first national championship game only, and to choose future hosts later.

November 12: In a Denver meeting, the presidents and chancellors unanimously approved the format that called for a stand-alone national championship game and Playoff Semifinals rotating evenly among three contract bowls and three other bowls over the 12 years. The group also took the following actions:

- Adopted a revenue-distribution plan and agreed to review it after four years to determine whether the allocations should be revised;
- Agreed that the academic pool would be distributed through the conferences or processed directly to the independent institutions;
- Guaranteed a spot in one of the six bowls to the highest-ranked champion from the Big East (later became the American Athletic), Conference USA, Mid-American, Mountain West and Sun Belt conferences, as determined by the selection committee, when such champion does not qualify to play in one of the Playoff Semifinals;
- Confirmed that the media rights would cover 12 national championship games, 24 Playoff Semifinals and 24 host bowls;
- Supported the concept of not having a title sponsor for the national championship game;
- Decided that the Rose and Sugar bowls would host Playoff Semifinals in the same year; Orange Bowl and Host 1 in the same year; and Host 2 and Host 3 in the same year.
- Agreed that the champion of a contract-bowl conference that is displaced by the Playoff Semifinals will play in one of the host bowls;
- Voted to create a limited liability corporation (LLC) to manage the event, with the presidents and chancellors serving as the Board of Managers.

November 14: The Presidential Oversight Committee named Bill Hancock Executive Director. Hancock had been Executive Director of the BCS for three years. He had become BCS administrator in October 2005.

November 18: Michael Kelly was named Chief Operating Officer.

November 21: The group and ESPN reached an agreement in principle for ESPN to present the games for 12 years on an exclusive basis across its platforms. The agreement included the national championship game and Playoff Semifinals, as well as other bowl games that would be a part of the rotation to host the Playoff Semifinals.

2013

January 8: During a meeting in Miami, the commissioners unanimously agreed that the new event would launch with Playoff Semifinals on January 1, 2015, in the Rose and Sugar bowls. The group also agreed that the Orange Bowl and a yet-to-be-named bowl would host the Playoff Semifinals in the second year. The hosts in the third year were also yet to be named.

January 14: Hancock and Kelly opened a temporary headquarters in the Conference USA suite of offices at 5201 N. O'Connor Blvd. in Irving, Texas.

February 5: Reid Sigmon was named Chief Financial Officer.

February 7: The management committee unanimously agreed to implement a philanthropic program when the new structure began. It also decided that the new event warranted a new trophy.

March 13: CFP Administration, LLC, a limited liability company, was organized to manage the administrative operation of the College Football Playoff. Under its operating agreement, members of the company were the 10 Football Bowl Subdivision conferences and Notre Dame. The company would be governed by a board of managers, consisting of a university president or chancellor nominated by each member. Day-to-day operations of the company were to be managed by a management committee, consisting of the FBS commissioners and the Notre Dame athletics director.

April 23: The name "College Football Playoff" was adopted for the new event and was announced in a news conference in Pasadena. Also, the group invited fans to choose the logo through an online voting process.

April 24: Cowboys Stadium in Arlington, Texas, was named to host the first national championship game of the new era. Also, the Fiesta Bowl, Cotton Bowl and Peach Bowl were selected to be part of the Playoff Semifinal host rotation. The management committee established the following Playoff Semifinal rotation: year 1 – Rose and Sugar; year 2 – Orange and Cotton; year 3 – Peach and Fiesta. Also, it was agreed that, for the sake of consistency, the name of a bowl participating in the arrangement should include specific wording, either traditional or descriptive of the local culture, in addition to the title sponsor's name.

April 25: The management committee formulated plans for the selection committee, including,

1. it would be comprised of no more than 18 members;
2. each conference would be invited to nominate prospective members;
3. the management committee would choose the members and their terms, and also the chair;
4. committee members would not receive honoraria but would receive expense reimbursement;
5. members would serve three-year terms, with selected individuals' terms being two or four years initially until a rotation were achieved; and
6. members would not be eligible for re-election after their terms expire.

April 29: Some 101,670 fans participating in an online ballot chose the "gold football" as the CFP's official logo. It received 38 percent of the vote, compared with 25 percent, 24 percent and 13 percent for the other three candidates.

May 7: The board agreed to locate the headquarters for CFP Administration LLC in Irving, Texas, at 545 East John Carpenter Freeway, in The Summit building. The office would open August 5.

June 18: The management committee decided several matters related to the selection committee, including:

1. members would fall into one of five classifications, including sitting athletics directors, and persons with experience as coaches, student-athletes, administrators and journalists;
2. persons currently working for media agencies, or serving as commentators in any media, are not eligible to serve;
3. five slots would go to athletics directors from the ACC, Big Ten, Big 12, SEC and Pac-12;
4. each nominee for the selection committee must be approved by unanimous consent of the management committee; and
5. Selection committee members would not be expected to attend games in person and the CFP would not reimburse expenses for those who do attend games.

October 16: Membership of the first selection committee was announced at a news conference at the CFP headquarters in Irving, Texas. The 13 members were Barry Alvarez, athletics director, Wisconsin; Mike Gould, former superintendent, Air Force Academy; Pat Haden, athletics director, Southern California; Tom Jernstedt, former NCAA executive vice president; Jeff Long (chair), vice chancellor and athletics director, Arkansas; Oliver Luck, athletics director, West Virginia; Archie Manning, former student-athlete, Mississippi; Tom Osborne, former athletics director and coach, Nebraska; Dan Radakovich, athletics director, Clemson; Condoleezza Rice, former provost, Stanford; Mike Tranghese, former commissioner, Big East conference; Steve Wieberg, former journalist, USA Today; Tyrone Willingham, former head coach, Stanford, Notre Dame and Washington.

The four members of the working group (Big 12 Commissioner Bob Bowlsby, SEC Commissioner Greg Sankey, Mountain West Commissioner Craig Thompson, and Notre Dame Athletics Director Jack Swarbrick) presented their recommendation during a virtual meeting of the full management committee after meeting over a two-year period to discuss possible new formats.

June 16: The management committee appointed former Notre Dame tight end/linebacker Rod West to the selection committee, replacing General Ray Odierno, who stepped down for health reasons.

June 17-18: Meeting at the Big Ten Conference office in Chicago, the management committee reviewed and discussed the working group's proposed 12-team playoff format. The management committee unanimously agreed to ask the board of managers to authorize feasibility assessments and the solicitation of feedback from groups that would include student-athletes, athletics directors, faculty, coaches, university presidents and chancellors, bowls and ESPN about the details of the 12-team proposal.

June 22: Meeting in Dallas, the board of managers heard a presentation from the management committee about the recommendation for a 12-team format. The board authorized the management committee to review the proposal with their constituents (e.g., presidents, athletics directors, faculty, coaches and student-athletes) during the summer.

July 7: The management committee appointed former head coach Tyrone Willingham to the selection committee to complete the final year of the term of R.C. Slocum, who stepped down for health reasons.

August 4: The management committee appointed Kansas State athletics director Gene Taylor to the selection committee, replacing Chris Del Conte.

December 20: Byron Hatch became the CFP's chief operating officer after Andrea Williams was named Chief Experience Officer for the Utah Jazz.

December 22: The management committee announced COVID-19 policies for the upcoming postseason. If a team was unavailable to play in a Playoff Semifinal, the game would be declared a forfeit and its opponent would advance. If both teams were unavailable to play, the game would be declared a "no contest" and the winning team from the other Playoff Semifinal would be declared the CFP National Champion. If three teams were unavailable to play in the Playoff Semifinal games, the remaining team would be declared the CFP National Champion. If a team's unavailability was determined after the Playoff Semifinals, the national championship game may be rescheduled to no later than January 14. If one team was able to play and the other was not and the game could not be played, then the team that was unable to play shall forfeit the game and the other team would be declared the CFP National Champion.

Other policies included teams having the option to arrive on site no later than two days before their bowl game; attendance at bowl events would be optional; news conferences would be virtual; non-essential personnel would not have access to the playing field; each institution would use the COVID-testing arrangement that it used during the regular season; and each conference agreed to to accept the other conference's testing protocol.

BILL HANCOCK

Executive Director

Bill Hancock has achieved a unique trifecta at the highest echelon of intercollegiate athletics. He was the first full-time director of the NCAA Final Four, the first executive director of the Bowl Championship Series (BCS) and the first executive director of the College Football Playoff (CFP).

Hancock was named executive director of the CFP in November 2012. He was the only CFP employee at the time. The leaders of the CFP directed him to finalize the details of a media rights agreement, negotiate agreements with the bowl games and with national championship game host cities, build a staff, find office space, contact members to serve on the selection committee, and draft protocol and proedures for the committee to use.

The playoff has been a phenomenal success; in its first year, it was named Sports Event of the Year by SportsBusiness Journal.

Hancock's five-decade career began in 1971 when he became assistant sports information director at the University of Oklahoma. He spent 16 years with the NCAA Division I Men's Basketball Championship, 13 years as its director. In 2005, he was appointed administrator of the Bowl Championship Series (BCS). He became executive director in 2009 and was named to the same role for the playoff when it was created in 2012. Hancock has served on the United States Olympic Committee staff at 15 Olympic Games and two Pan American Games.

He has been inducted into the halls of fame of the state of Oklahoma, College Sports Information Directors and the All-College Basketball Classic. A former newspaper editor, Bill has written two books. His memoir about the cross-country bicycle journey he undertook in the aftermath of his son's death, Riding With the Blue Moth, was among the top sports books after its release in October, 2005. It was re-issued in 2015. His second book, This One Day in Hobart, is a history of his hometown. He is married to his high school sweetheart, the former Nicki Perry.

The gymnasium in Hobart, Oklahoma, is named the "Hancock Event Center" in honor of Bill and his brother, Joe.

In June 2023, Hancock announced that he will step down when his current contract with the CFP expires in February 2025.

CFP SELECTION COMMITTEE PROTOCOL

HOW TO SELECT THE FOUR BEST TEAMS TO COMPETE FOR THE COLLEGE FOOTBALL PLAYOFF NATIONAL CHAMPIONSHIP

(Adopted unanimously by the BCS Group June 20, 2012)

Ranking football teams is an art, not a science. Football is popular in some measure because the outcome of a game between reasonably matched teams is so often decided by emotional commitment, momentum, injuries and the "unexpected bounce of the ball." In any ranking system, perfection or consensus is not possible and the physical impact of the game on student athletes prevents elaborate playoff systems of multiple games. For purposes of any four-team playoff, the process will inevitably need to select the four best teams from among several with legitimate claims to participate.

PROPOSED SELECTION PROCESS

Establish a selection committee that will be instructed to place an emphasis on winning conference championships, strength of schedule and head-to-head competition when comparing teams with similar records and pedigree (treat final determination like a tie-breaker; apply specific guidelines).

The criteria to be provided to the selection committee must be aligned with the ideals of the commissioners, presidents, athletic directors and coaches to honor regular season success, while at the same time providing enough flexibility and discretion to select a non-champion or independent under circumstances where that particular non-champion or independent is unequivocally one of the four best teams in the country.

When circumstances at the margins indicate that teams are comparable, then the following criteria must be considered:

- Championships won
- Strength of schedule
- Head-to-head competition (if it occurred)
- Comparative outcomes of common opponents (without incenting margin of victory)

We believe that a selection committee of experts properly instructed (based on beliefs that the regular season is unique and must be preserved; and that championships won on the field and strength of schedule are important values that must be incorporated into the selection process) has very strong support throughout the college football community.

Under the current construct, polls (although well-intended) have not expressed these values; particularly at the margins where teams that have won head-to-head competition and championships are sometimes ranked behind non-champions and teams that have lost in head-to-head competition. Nuanced mathematical formulas ignore some teams who "deserve" to be selected.

As we expand from two teams to four teams, we want to establish a human selection committee that: (1) will be provided a clear set of guidelines; (2) will be expected to take the facts of each case and specifically apply the guidelines; and (3) will be led by a chair who will be expected to explain publicly the selection committee's decisions.

Some of the guidelines and protocols expected to be established to guide the selection committee would include, but not be limited to, the following:

- While it is understood that selection committee members will take into consideration all kinds of data including polls, selection committee members will be required to discredit polls wherein initial rankings are established before competition has occurred;
- Any polls that are taken into consideration by the selection committee must be completely open and transparent to the public;
- Strength of schedule, head-to-head competition and championships won must be specifically applied as tie-breakers between teams that look similar;
- Selection committee members associated with any team under consideration during the selection process will be required to recuse themselves from any deliberations associated with that team;

We would expect this same set of principles to be applied, particularly at the margins (teams 10-11-12).

CFP SELECTION COMMITTEE PROTOCOL

1. **Mission.** The selection committee's task will be to select the best teams, rank the teams for inclusion in the playoff and selected other bowl games and then assign the teams to sites.

2. **Principles.** The selection committee will select the teams using a process that distinguishes among otherwise comparable teams by considering:

   - Conference championships won,
   - Strength of schedule,
   - Head-to-head competition,
   - Comparative outcomes of common opponents (without incenting margin of victory), and,
   - Other relevant factors such as key injuries that may have affected a team's performance during the season or likely will affect its postseason performance.

3. **Voting Process.** The voting process generally will include seven rounds of ballots through which the selection committee members first will select a small pool of teams to be evaluated, then will rank those teams, with the top-ranked teams being placed in the rankings in groups of three or four. Individual committee members' rankings will be compiled into a composite ranking. Each committee member will independently evaluate an immense amount of information during the process. This evaluation will lead to individual qualitative and quantitative opinions that will inform each member's votes.

4. **Number of Teams to Be Ranked.** The selection committee will rank 25 teams. If no champion of a non-contract conference is among that group on Selection Day, then the committee will compare the five conference champions against each other. The highest ranked of those five teams will be the representative.

5. **Meeting Schedule.** The selection committee will meet in person weekly beginning generally at midseason to produce interim rankings before selection weekend.

   The dates for the fall of 2023 are as follows:

   - Monday and Tuesday, October 30 - 31
   - Monday and Tuesday, November 6 - 7
   - Monday and Tuesday, November 13 - 14
   - Monday and Tuesday, November 20 - 21
   - Monday and Tuesday, November 27 - 28
   - Friday-Sunday, December 1 - 3

6. **Point Persons for Gathering Information.** The selection committee has assigned two members to be the "point persons" to gather material about the teams in each conference and the independent teams. The process will assure that the committee fully reviews each team and that no information is overlooked.

   The point persons will ensure that (1) the selection committee has complete, detailed information about each team, and (2) the conferences and independent institutions have an effective and efficient channel for providing facts to the committee.

   The selection committee wishes to be clear about the role of the point persons. They are not and will not be advocates for teams in any conference or for any independent institution. They will not speak on behalf of any conference or institution during the committee's deliberations or represent any conference's or independent institution's interests during those deliberations. Their function is to gather information and ensure that it is available to the committee. Their role as a liaison to a particular conference or independent institution is purely for the purpose of objective fact-gathering.

   The point persons will communicate with conference staff members on three information-gathering teleconferences during the regular season: one before the first ranking, one before the fourth ranking and one the week before selection day. Outside of these teleconferences, there will be no contact between the point persons and any conference staff member, or vice-versa, but the conference may relay information to the committee through the CFP staff.

   Following are the point persons for the 2023 season:

   American: Jim Grobe, Warde Manuel
   Atlantic Coast: Warde Manuel, Kelly Whiteside
   Big 12: Mitch Barnhart, Jim Grobe
   Big Ten: Gene Taylor, Chris Ault
   Conference USA: Joe Taylor, Mitch Barnhart
   Mid-American: Mark Harlan, Gene Taylor
   Mountain West: Chet Gladchuk, Will Shields
   Pac-12: Rod West, Chet Gladchuk
   Southeastern: Will Shields, Mark Harlan
   Sun Belt: David Sayler, Chris Ault
   Independents: Kelly Whiteside, David Sayler

7. **Metrics.** There will not be one single metric to assist the selection committee. Rather, the committee will consider a wide variety of data and information.

8. **Participants.** There shall be no limit on the number of teams that may participate from one conference in the Playoff Semifinals and the associated bowl games.

9. **Pairings for Playoff Semifinals.**
   A. The team ranked No. 1 by the selection committee will play team No. 4 in the Playoff Semifinals. Team No. 2 will meet team No. 3.

   B. When assigning teams to sites, the selection committee will place the top two seeds at the most advantageous sites, weighing criteria such as convenience of travel for its fans, home-crowd advantage or disadvantage and general familiarity with the host city and its stadium. Preference will go to the No. 1 seed.

10. **Pairings for Selected Other Bowl Games.**

A. All displaced conference champions and the highest-ranked champion from a non-contract conference, as ranked by the selection committee, will participate in selected other bowl games and will be assigned to those games by the committee. If berths in the selected other bowl games remain available after those teams have been identified, the highest-ranked other teams, as ranked by the committee, will fill those berths in rank order.

(Note: A "displaced conference champion" is a champion of a contract conference that does not qualify for the playoff in a year when its contract bowl hosts a Playoff Semifinal.)

B. The selection committee shall create the best matchups in these bowl games in light of the following considerations. None of these considerations shall affect the ranking of teams. Also, none of these considerations will be controlling in determining the assignment of teams to available bowl games.

   - The selection committee will use geography as a consideration in the pairing of teams and assigning them to available bowl games.

   - The selection committee will attempt to avoid regular-season rematches when assigning teams to bowls.

- The selection committee will use geography as a consideration in the pairing of teams and assigning them to available bowl games.
- The selection committee will attempt to avoid regular-season rematches when assigning teams to bowls.
- To benefit fans and student-athletes, the selection committee will attempt to avoid assigning a team, or conference, or the highest-ranked champion of a non-contract conference, to the same bowl game repeatedly.
- The selection committee will consider regular-season head-to-head results when assigning teams to bowls.
- The selection committee will consider conference championships when assigning teams to bowls.

C. When not hosting Playoff Semifinals, the Orange, Rose and Sugar bowls (the "contract bowls") will make their own pairings outside the CFP arrangement. Generally, they will take the champion of their contracted conference; if that champion qualifies for the playoff, the bowl will then choose a replacement from that conference.

Orange Bowl: ACC vs. SEC, Big Ten or Notre Dame*
Rose Bowl Game: Big Ten vs. Pac-12
Sugar Bowl: SEC vs. Big 12

- In non-semifinal years, the following will inform the Orange Bowl's selection of the opponent for the ACC Champion or next highest ranked ACC team not in the playoff:
  - After the Sugar and Rose bowls have chosen, the highest ranked available non-playoff, non-champion of the SEC or Big Ten or Notre Dame.
  - Over the eight years, a minimum of three SEC and three Big Ten appearances must occur, and a maximum of two Notre Dame appearances can occur.

11. Army-Navy Policy. If the committee believes the result of the Army-Navy game could affect Army's or Navy's ranking and therefore its place in the playoff or its selection as the group of five representative, only the pairings that affect Army or Navy would be delayed until after the Army-Navy game. In such a case, the selection committee would convene by teleconference as soon as practicable after conclusion of the game and would announce its revised rankings that Saturday night.

12. Selection Sequence.
- Selection committee will rank teams 1-25.
- Selection committee will place teams in the Playoff Semifinals.
- Contract bowls will fill their berths in accordance with their contracts.
- Selection committee will assign teams to remainder of the Cotton, Fiesta and Peach bowl berths.

13. Recusal Policy. If a selection committee member or an immediate family member (e.g., spouse, sibling or child) (a) is compensated by a school, (b) provides professional services for a school or (c) is on the coaching staff or administrative staff at a school or is a football student-athlete at a school, that member will be recused. Such compensation shall include not only direct employment, but also current paid consulting arrangements, deferred compensation (e.g., contract payments continuing after employment has ended) or other benefits. The committee will have the option to add other recusals if special circumstances arise.

A recused member shall not participate in any votes involving the team from which the individual is recused.

A recused member is permitted to answer only factual questions about the institution from which the member is recused, but shall not be present during any deliberations regarding that team's selection or seeding.

Recused members shall not participate in discussions regarding the placement of the recused team into a bowl game.

Following are the recusals for the 2023 season:

TEAM	MEMBER
Houston	Chet Gladchuk
Kansas State	Gene Taylor
Kentucky	Mitch Barnhart
Marshall	Jim Grobe
Miami (OH)	David Sayler

Nevada	Chris Ault
Notre Dame	Boo Corrigan
	Rod West

14. Terms. Members shall serve three-year terms. Members will not be eligible for reappointment, but a member's term may be extended by one year if the member would serve as chair in what otherwise would be his/her final year. Further, a member appointed to serve an unexpired term may be appointed to serve a full three years.

CFP SELECTION COMMITTEE VOTING PROCESS

STEP 1

Each selection committee member will create a list of the 30 teams he or she believes to be the best in the country, in no particular order. Teams listed by three or more members will remain under consideration. At the conclusion of any round, other teams can be added to the group of teams under consideration by a vote of three or more members.

STEP 2

Each member will list the best six teams, in no particular order. The six teams receiving the most votes will comprise the pool for the first ranking step. This is known as the "listing step."

STEP 3

In the "ranking step", each member will rank the six teams from the listing step, one through six, with one being the best. The best team in each member's ranking will receive one point; second best, two points, etc. The members' rankings will be added together and the three teams receiving the fewest points will become the top three seeds. The three teams that were not seeded will be held over for the next ranking step.

STEP 4

In the next listing step, each member will list the six best remaining teams, in no particular order. The three teams receiving the most votes will be added to the three teams held over to comprise the next ranking step.

STEP 5

Steps No. 3 and 4 will be repeated until 25 teams have been seeded. There will be seven rounds of voting; each round will consist of a "listing step" and a "ranking step".

NOTES

A. Any "recused" member can participate in Step No. 1 but cannot list the team for which he or she is recused. "Recused" teams (i.e., teams for whom a member has been recused) receiving at least two votes in Step No. 1 will remain under consideration.

B. A recused member can participate in Step No. 2 but cannot list the recused team. If a recused team is within one vote of advancing to the pool for the next ranking step, that team will be pooled with the team (or teams) receiving the fewest votes. If necessary, a "tie-breaker" ranking vote will be conducted among those teams to identify the team or teams that would be added to the pool.

C. A recused member cannot participate in Step No. 3 if the recused team is in the pool.

D. Between each step, the selection committee members will conduct a thorough evaluation of the teams before conducting the vote.

E. After each round is completed, any group of three or more teams can be reconsidered if more than three members vote to do so. Step No. 3 would be repeated to determine if adjustments should be made.

F. After the first nine teams are seeded, the number of teams listed in Step No. 2 will be increased to eight, and the number of teams seeded and held in Steps No. 3 and 4 will be increased to four.

G. At any time in the process, the number of teams to be included in a pool may be increased or decreased with approval of more than eight members of the committee.

H. After any round of voting, a team or teams may be added to the initial pool by an affirmative vote of three or more committee members.

I. All votes will be by secret ballot.

CFP SELECTION COMMITTEE FAQs

What is the mission of the College Football Playoff Selection Committee?

The selection committee's task is to select the 25 best teams in college football, rank the teams for inclusion in the playoff and selected other bowl games, and then assign the teams to bowl sites.

What is the voting procedure?

The selection committee first ranks teams Nos. 1, 2 and 3, and continues until all 25 are ranked. After debate and discussion, the selection committee identifies small groups of teams and then evaluates those teams against each other in a detailed and deliberative manner. The selection committee members engage in seven rounds of rankings to create the top 25.

What criteria does the selection committee use to rank the teams?

The selection committee ranks the teams based on the members' evaluation of the teams' performance on the field, using conference championships won, strength of schedule, head-to-head results and comparison of results against common opponents to decide among teams that are comparable. The selection committee is comprised of experts in college football, and they use their expertise in the deliberations.

Selection committee members examine statistical data, and they also review a significant amount of game video. The CFP retains SportSource Analytics to provide the statistical information for the committee's use. This platform allows the selection committee members to compare teams on every possible level. Each member evaluates the data at hand, and then the individuals produce a group decision through the seven rounds of voting.

What are the mechanics of the rankings?

Each round includes a "listing step" and a "ranking step". In the listing step, selection committee members first select a pool of teams to be considered. Teams receiving the most votes then advance to the ranking step, in which each member ranks the teams. Those individual rankings are then compiled into a composite. Teams No. 1, 2 and 3 are ranked in the first round; Teams 4, 5 and 6, in the second round; Teams 7, 8 and 8, in the third round. Then, the committee switches to ranking four teams each in rounds four, five, six and seven. Each committee member independently evaluates the data, and the group engages in thorough discussion during each step and each round. This evaluation brings about individual qualitative and quantitative opinions that inform each member's vote.

Are the committee's deliberations made public?

The selection committee's process and procedures are available on the CFP website at **CollegeFootballPlayoff.com**. The intent is to achieve maximum disclosure, while also allowing the selection committee members to deliberate among themselves in a thoughtful and effective manner and with the appropriate candor. Also, the selection committee conducts "mock" exercises to allow reporters and others to become familiar with all the details of the process.

How many teams does the selection committee rank?

The selection committee ranks 25 teams each week.

Does the selection committee publicize its rankings throughout the season?

Yes, after each meeting. The selection committee members meet weekly, in person, on Mondays and Tuesdays to produce rankings. The selection committee then meets again on selection weekend to conduct a final evaluation and determine the final rankings and pairings for the Playoff Semifinals and New Year's Six bowls.

When does selection weekend happen?

In 2023, selection weekend will take place Friday-Sunday, December 1-3.

Why are there 13 members of the selection committee?

The number was chosen to allow for a diversity of viewpoints, geographical representation, and active discussion. Experience shows this is the right size — not too small or too large.

What criteria were used to choose members of the selection committee?

The top criteria are knowledge and integrity. There are five categories of members: people with experience as (1) coaches, (2) student-athletes, (3) administrators, (4) journalists and (5) sitting directors of athletics. The management committee gives careful consideration to the standards for membership and to identifying high-integrity individuals who meet the criteria. Among the other valued attributes are football expertise, objectivity, ability to carefully evaluate and discern information, and experience in making decisions under scrutiny. Members are asked to commit significant time to the endeavor.

CFP SELECTION COMMITTEE FAQs

Why are athletics directors on the selection committee?

The directors of athletics (ADs) have some of the best knowledge of college football, and the selection committee is much stronger with their participation. Many ADs have careers spanning across Division I football and at more than one conference. The goal is to make the selection committee the best and most knowledgeable it can be, which is why ADs are included. Like all selection committee members, ADs act in the best interest of the game, and they are recused from voting and discussing their schools.

Is there a recusal policy in place for selection committee members?

Yes. Selection committee members are recused from participating in votes involving a school's team if they or an immediate family member receives compensation from the school or has a professional relationship with that school. The selection committee has the option to add other recusals if special circumstances arise.

What are the terms of the recusal policy?

A recused member shall not participate in any votes, nor be present during deliberations involving the team's selection or seeding, but may answer factual questions about the institution from which the member is recused. The recusal policy is virtually identical to the NCAA men's basketball committee policy.

How long are the selection committee members' terms? Can selection committee members serve more than one term?

Each member serves one three-year term. Terms of the first group of selection committee members were staggered to allow for an eventual rotation. A member selected to fill a partial term (e.g., replacing a member who must depart before finishing the term) may serve more than three years.

Can a selection committee member be removed? If so, by whom and for what reasons?

In the unlikely scenario in which a selection committee member is unable to meet the obligations that come with serving on the selection committee, the management committee would appoint a replacement.

Who appoints the chair of the selection committee?

The management committee appoints the selection committee chair.

Are the selection committee members compensated?

No, there is no compensation for selection committee members. Members are reimbursed for their expenses.

Do the selection committee members travel to games to watch in person?

The members are not expected to attend games in person. They are expected to watch live televised games and video replays of games extensively.

What is the role of the selection committee chair?

The chair of the selection committee leads the selection committee's deliberations and cultivates an environment for selection committee members to cooperatively evaluate teams and create rankings, with each member voicing individual opinions. The chair facilitates meetings, helps set the selection committee's agenda and shares spokesperson duties with the College Football Playoff Executive Director. The chair — and the selection committee members — are not involved in the administration of the playoff and the games. The selection committee's sole responsibility is ranking the teams and making the pairings.

What is the role of the College Football Playoff Executive Director and staff as it pertains to the selection committee operations? Is the executive director a voting member?

The executive director does not have a vote, and the staff's role is to provide support to the selection committee. The executive director and staff are responsible for the day-to-day business and administrative operations of the College Football Playoff itself, in keeping with the objectives established by the board of managers and management committee.

The selection committee is an independent body that operates according to the objectives established by the board of managers and management committee.

GAME RECAP

The No. 1 Georgia Bulldogs defeated the No. 3 TCU Horned Frogs, 65-7, to capture the program's second straight College Football Playoff National Championship.

Unlike the 2022 national championship game where the Bulldogs needed to rally to secure the title, Georgia scored on its first six possessions of the contest vs. TCU and entered the locker room with a 31-point halftime lead off 371 yards and averaging 9.3 yards per play. UGA finished with 589 total yards and limited TCU to 188 yards, an average of 3.7 per play. The Bulldogs' 65 points were the most ever in a CFP or BCS title game.

Senior quarterback Stetson Bennett, a former walk-on, threw for 304 yards and four touchdowns, while also pitching in another two rushing scores. Bennett, whose six total touchdowns tied LSU's Joe Burrow (2020) for the CFP National Championship record, was voted the Offensive Player of the Game for the second straight year.

Overall, Georgia's offense posted five rushing touchdowns, including the pair by Bennett and another two from Branson Robinson. Ladd McConkey also pulled down two touchdown receptions on the night, while Brock Bowers grabbed seven passes for 152 yards and a TD.

Sophomore DB Javon Bullard was named Defensive Player of the Game after picking off a pair of TCU passes and recovering a Horned Frog fumble, all in the first half. Overall, the Bulldog defense finished the night with five sacks and nine tackles for loss, including a pair by Bear Alexander. Smael Mondon Jr. led Georgia with five tackles, including four solo stops.

Georgia is the first team in the College Football Playoff era to win back-to-back national championships. The victory marked the Bulldogs' 17th in a row to tie the program record, originally set from 1945-47. UGA completed the 2022-23 campaign with a perfect 15-0 record, joining the 2018-19 Clemson Tigers and 2019-20 LSU Tigers as the third team in the CFP era to accomplish the feat. Georgia's win also marked the third time in the last four seasons (LSU, 2019-20; Alabama, 2020-21) that the top-ranked team went on to win the national title.

GAME RECAP

The No. 3 Georgia Bulldogs defeated the No. 1 Alabama Crimson Tide, 33-18, capturing the program's first national championship in the College Football Playoff and first overall national title in 41 years.

In the contest, senior quarterback Stetson Bennett, a former walk-on, threw two touchdown passes, including scoring throws of 40 yards to Adonai Mitchell and 15 yards to Brock Bowers. Bennett completed 17-of-26 passes for 224 yards en route to being voted the Offensive Player of the Game.

Georgia again leaned on its defense, allowing only 30 rushing yards from the Tide. UGA's title clinching touchdown came on cornerback Kelee Ringo's 79-yard interception return of Bryce Young's pass with less than a minute remaining. It was redemption for a Bulldog defensive unit that hadn't allowed more than 17 points in a game before being humbled in its 41-24 loss to Alabama in the SEC championship game on Dec. 4. The Bulldogs entered the national championship game allowing a nation-best 9.6 points per game.

Junior DB Lewis Cine was named Defensive Player of the Game after collecting seven total tackles, including six solo stops, one from behind the line of scrimmage and a pass breakup.

Linebackers Quay Walker and Channing Tindall led Georgia with eight tackles apiece, while Nolan Smith pitched in two tackles for loss.

Georgia completed the 2021-22 campaign with a 14-1 record, capped by its first national title since the 1980 season under Vince Dooley. The victory also marked the first for UGA head coach Kirby Smart, former Alabama defensive coordinator, in five meetings with Crimson Tide head coach Nick Saban.

GAME RECAP

The No. 1 Alabama Crimson Tide defeated the No. 3 Ohio State Buckeyes, 52-24, capturing its third national championship in the College Football Playoff and 18th national crown overall. The 2021 CFP National Championship victory marked head coach Nick Saban's seventh career title, breaking a tie with former Alabama skipper Paul "Bear" Bryant.

In the contest, Heisman Trophy winner DeVonta Smith compiled 215 receiving yards in the first half to establish a new CFP single-game record (previously set by the Tide's O.J. Howard in 2016). Smith, who finished his freshman campaign with a game-winning touchdown catch from Tua Tagovailoa in overtime of the 2018 CFP National Championship, ended his career at Alabama with a program and SEC-record 3,965 career receiving yards. He also set national championship game records for most receptions (12), receiving touchdowns (3) and points receiving (18) en route to being voted the Offensive Player of the Game.

Alabama junior QB Mac Jones completed 36-of-45 passes for a national championship record 464 yards and five touchdowns. Senior RB Najee Harris rushed for 158 yards on 29 carries, scoring three times for an SEC record 30 touchdowns on the year.

Sophomore DL Christian Barmore was named Defensive Player of the Game after collecting five total tackles, including three solo stops, two from behind the line of scrimmage and a six-yard sack. Linebackers Christian Harris and Dylan Moses led Alabama with six tackles apiece, while Christopher Allen and Patrick Surtain each pitched in a tackle for loss.

Alabama completed the 2020-21 campaign with a perfect 13-0 record, joining the 2019-20 LSU Tigers (15-0) and 2018-19 Clemson Tigers (15-0) as the third consecutive team to win the CFP National Championship with an undefeated record. The Crimson Tide's victory also marked the second time in as many years that the top-ranked team in the CFP selection committee rankings went on to win the national title.

GAME RECAP

The No. 1 LSU Tigers defeated the No. 3 Clemson Tigers, 42-25, capturing its first College Football Playoff National Championship in program history and fourth national crown overall (1958, 2003, 2007). LSU's victory marked the first time in the CFP era that the top-ranked team went on to win the national title.

In the contest, Heisman Trophy winner Joe Burrow became the first quarterback in FBS history to throw 60 touchdown passes in a single season, as LSU snapped defending national champion Clemson's 29-game winning streak.

Burrow, who was voted Offensive Player of the Game, completed 31-of-49 passes for 463 yards, establishing a new CFP National Championship record. His five passing touchdowns and six total TDs (one rushing) also broke the previous highs in the CFP title game.

Sophomore WR Ja'Marr Chase caught nine passes for 221 yards and two touchdowns for LSU, while junior WR Justin Jefferson added 106 yards on nine catches. Junior TE Thaddeus Moss also scored twice with five receptions for 36 yards.

Patrick Queen was named Defensive Player of the Game after leading LSU with eight tackles, including 2.5 behind the line of scrimmage. Fellow junior LB Jacob Phillips added eight stops, while junior S JaCoby Stevens had seven tackles and senior CB Kristian Fulton pitched in six.

LSU completed the 2019-20 campaign with a perfect 15-0 record, joining the 2018-19 Clemson Tigers as the second team in the modern era to accomplish the feat.

GAME RECAP

The No. 4 Alabama Crimson Tide defeated the No. 3 Georgia Bulldogs, 26-23, in an overtime College Football Playoff National Championship victory at Mercedes-Benz Stadium in Atlanta, Georgia.

Despite allowing an interception on the third play of the game, Georgia's offense secured the first half, with its defense leaving the Crimson Tide scoreless.

Trailing the Bulldogs 13-0 at halftime, Alabama gave the nod to true freshman quarterback Tua Tagovailoa. Leading the team to a comeback and 20 points over two quarters to force overtime, Tagovailoa was named Offensive Player of the Game. The backup quarterback threw for three touchdowns, including the game-winning 41-yard touchdown pass to freshman wide receiver DeVonta Smith.

It was Alabama's fifth national title in nine years and the program's second of the playoff era. The win also marked head coach Nick Saban's sixth career national championship.

GAME RECAP

An unprecedented national championship game rematch, the No. 2 Clemson Tigers claimed the program's first national title in 35 years, defeating the No. 1 Alabama Crimson Tide, 35-31, in the 2017 College Football Playoff National Championship.

Heisman finalist and junior quarterback Deshaun Watson broke his own passing record in a national championship game with 420 yards. Watson was responsible for four touchdowns, including two in the fourth quarter, en route to being named Offensive Player of the Game.

Clemson's defense, helped by Defensive Player of the Game Ben Boulware, held Alabama's offense to a season-low 376 yards and gave up just 2-of-15 third-down conversions.

After rallying from an early 14-0 deficit, it was Clemson's offense that prevailed, putting up 21 points in the fourth quarter. The lead changed hands three times in the fourth, with Clemson scoring the game-winning touchdown with one second left in the game.

The Clemson Tigers celebrated the program's first national title since 1981, snapping Alabama's 26 game win streak in the process.

GAME RECAP

The second national championship game of the College Football Playoff era was a thriller, as the No. 2 Alabama Crimson Tide claimed the program's 16th national title, defeating the No. 1 Clemson Tigers, 45-40, at University of Phoenix Stadium in Glendale, Arizona.

In a game in which offense would be pivotal, Clemson quarterback and Heisman finalist Deshaun Watson would set the record for most total yards in national championship game history, putting up 478 yards against the Crimson Tide - a feat that would be overshadowed by performances from Alabama's biggest offensive threats. Heisman Trophy winner Derrick Henry rushed for 158 yards on 36 carries and three touchdowns, while O.J. Howard had five receptions for 208 yards and two touchdowns en route to earning Offensive Player of the Game.

Tied 14-14 at the half, Alabama's special teams unit provided the boost the Crimson Tide needed to roll past the Tigers. A kickoff return for a touchdown, the team's sixth special-teams touchdown of the season (tied for most in the FBS), a blocked field goal in the second quarter and a game-changing onside kick recovery with 10:34 left in the fourth quarter put the Tide in front to stay.

The victory marked Alabama's fourth national championship in seven years.

GAME RECAP

The No. 4 Ohio State Buckeyes claimed the inaugural College Football Playoff National Championship, defeating the No. 2 Oregon Ducks, 42-20, in front of a crowd of 85,689 at AT&T Stadium in Arlington, Texas.

Led by Heisman Trophy winner Marcus Mariota, the Ducks came out charging, putting up 75 yards in 11 plays on the opening drive. However, the Buckeyes and Cardale Jones had different plans on a night that marked just the third career start for the Ohio State quarterback. The redshirt sophomore passed for 242 yards and a touchdown, while helping orchestrate 538 yards of total offense to help the team overcome four turnovers.

Ezekiel Elliott, had a breakout night, running for a career-high 246 yards, setting a championship game (BCS and CFP) record for rushing yards, to go along with four touchdowns on his way to being named the Offensive Player of the Game.

Defensively, Ohio State held Oregon to a season-low 20 points and 465 yards of total offense, almost 100 yards below the team's season average. The Buckeyes also held the Ducks to 132 yards on the ground, over 100 yards fewer than their season average of 241.9. Tyvis Powell was tabbed Defensive Player of the Game after posting nine tackles in the game, including five solo stops and a pass breakup.

Fourteen unanswered points in the fourth quarter sealed Ohio State's fate to become the first national champion of the playoff era, marking the eighth national championship in program history. The Buckeyes' 14 victories on the year tied the NCAA record for most in a season, including a nation's best 13 straight victories.

  Through Ticketmaster, fans have the ability to buy or sell tickets to the College Football Playoff National Championship. Ticketmaster serves as the only resale marketplace able to offer fans real Ticketmaster Verified Tickets.

- **TICKET RESERVATIONS - CFP RSVP**
  Fans may purchase reservations for a team of their choice, with prices determined by demand in the market. If the selected team qualifies for the national championship game, the fan will be charged for face-value game tickets equal to the number of reservations owned. CFP RSVP opens late summer.

- **RANDOM TICKET DRAWING**
  The application process for the College Football Playoff random ticket drawing begins in the spring. All applicants will be notified of their status via email in the fall. Winners will have the right to purchase up to four tickets at face-value to the national championship game.

- **PARTICIPATING TEAMS**
  The majority of game tickets are allocated to the two participating institutions. These tickets will be sold directly through each institution.

REVENUE DISTRIBUTION POLICIES

The following is a breakdown of the CFP revenue distribution:

For the 2023-24 academic year:

1. Each conference will receive $300,000 for each of its schools when the school's football team meets the NCAA's APR for participation in a postseason football game. Each independent institution will also receive $300,000 when its football team meets that standard.

2. A conference will receive $6 million for each team that is selected for a Playoff Semifinal. There will be no additional distribution to conferences whose teams qualify for the national championship game. A conference will receive $4 million for each team that plays in a non-playoff bowl under the arrangement.

3. Each conference whose team participates in a Playoff Semifinal, Cotton, Fiesta, or Peach bowls, or in the national championship game, will receive $2.85 million to cover expenses for each game.

Based on calculations from the 2022-23 season, the following distributions were made in the spring of 2023 (Estimates for the 2023-24 season will be finalized following the 2024 CFP National Championship.):

1. Each of the 10 conferences received a base amount. For conferences that have contracts for their champions to participate in the Orange, Rose, or Sugar bowls, the base combined with the full academic performance pool was approximately $79.41 million for each conference. The five conferences that do not have contracts for their champions to participate in the Orange, Rose or Sugar bowls received approximately $102.77 million in aggregate (full academic pool plus base). The conferences distribute these funds as they choose. Notre Dame received a payment of $3.89 million by meeting the APR standard; the other six independents shared $1.89 million.

2. Certain conferences in the Football Championship Subdivision received approximately $3.08 million in aggregate.

FAMILY REIMBURSEMENT

Through the family reimbursement program, the College Football Playoff offsets expenses for student-athletes' parents or guardians to travel to the Playoff Semifinals and the CFP National Championship.

The program debuted in January 2015 before the first CFP National Championship in North Texas. In August 2015, the CFP expanded the program to include the Playoff Semifinals.

TOM MICKLE COMMUNICATIONS INTERNSHIP

Honoring tradition, the College Football Playoff continues to administer the Tom Mickle Internship. The 2023-24 season will be the 17th year* for the program, which provides an opportunity for a young person to become involved in administering the national championship game. It honors the memory of Mr. Mickle, who made many contributions to college football in general and to the development of the BCS in particular.

At the time of his passing, Mickle was the executive director of Florida Citrus Sports, host of the Capital One Bowl and the Champs Sports Bowl. Prior to his appointment at Florida Citrus Sports in 2002, he was an associate commissioner at the Atlantic Coast Conference and also had been an assistant athletics director at Duke University.
