COLLEGE FOOTBALL PLAYOFF

COLLEGE FOOTBALL PLAYOFF

OVERVIEW

EVERY GAME COUNTS

The College Football Playoff (CFP) is a postseason event to determine college football's national champion on the field, while emphasizing the significance of college football's unique regular season where every game counts.

RANKINGS

The selection committee ranks the schools based on the members' evaluation of their performance on the field, using strength of schedule, head-to-head results, and comparison of results against common opponents.

THE BRACKET

The format of the College Football Playoff is built on a 12-team bracket. The 12 participating schools are the five conference champions ranked highest by the CFP selection committee, plus the next seven highest-ranked teams. The four highest-ranked schools will be seeded 1-4 and will receive a first-round bye. The remaining teams will be seeded 5-12 based on their final ranking. If any of the five highest-ranked conference champions falls outside of the top 12, they will be seeded at the bottom of the 12-team pool.

TRADITION

The New Year's holiday period and bowl games belong to college football. This season following the CFP first-round games on campus, the four Playoff Quarterfinal games will be played in the Cotton Bowl Classic on New Year's Eve, and the Orange Bowl, Rose Bowl Game and Sugar Bowl games will be played on New Year's Day. The following week, the Fiesta Bowl and Peach Bowl will host the Playoff Semifinals.

CHAMPIONSHIP MONDAY

The two teams that win the Playoff Semifinals compete for the College Football Playoff National Championship. The national championship game is in a different city each year, always on a Monday night.

UNIVERSAL ACCESS

Every Football Bowl Subdivision (FBS) team has equal access to the College Football Playoff based on its performance during the regular season. No team automatically qualifies.

GOVERNANCE

University presidents and chancellors from all 10 FBS conferences and Notre Dame serve as the board of managers and govern the administrative operations, with commissioners and Notre Dame athletics director (the Management Committee) managing the event. A small staff in the CFP office in Irving, Texas, carries out the day-to-day responsibilities.

SELECTION COMMITTEE

A talented group of 13 high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are Chris Ault, Troy Dannen, Mark Dantonio, Mark Harlan, Jeff Long, Ivan Maisel, Chris Massaro, Mike Riley, David Saylor, Wesley Walls, Carla Williams and Hunter Yurachek (chair).

SELECTION COMMITTEE RESPONSIBILITIES

- Rank the top 25 teams, assign the schools to the 12-team playoff bracket and assign the Playoff Quarterfinal and Playoff Semifinal bowl sites.

COLLEGE FOOTBALL PLAYOFF

COLLEGE FOOTBALL PLAYOFF NATIONAL CHAMPIONSHIP TROPHY

The College Football Playoff National Championship Trophy is the ultimate goal of college football teams across the United States.

An ascending virtual football, the trophy's handcrafted gold brackets surround a hardened steel core. The trophy was created to be raised in celebration of the highest level of team achievement in college football.

Designed by Pentagram, the trophy was commissioned by the CFP for the new playoff era. The design features a focused football at the center of the base that rises to form an actual-size ball. Standing at a total height of three feet, the trophy and base are two integral but separate pieces, so the trophy may be lifted up independently when it is awarded each year upon conclusion of the national championship game.

The trophy is handcrafted by the master fine art foundry UAP Polich Tallix. Expert craftsmen worked for three months, combining cutting edge technologies with timeless metal casting and finishing techniques to create the trophy.

Handmade from 24k gold, bronze, and stainless steel, the trophy is 26.5 inches tall. The base is formed from bronze with a hand-rubbed black patina finish and is 12 inches high.

COLLEGE FOOTBALL PLAYOFF CHRONOLOGY

2011

With the fourth Bowl Championship Series (BCS) four-year term set to conclude after the 2013-2014 season, the commissioners began creating a process for considering possible formats for the future. These discussions occurred during teleconferences October 4 and 12. The Presidential Oversight Committee members addressed the matter further in their in-person meeting in Denver on November 14.

2012

During the winter and spring, the commissioners and presidents spent countless hours evaluating the many pros and cons of numerous possible formats. These formats ranged from returning to the old bowl system with no attempt to match the top two teams, to continuing the BCS, to creating a multi-team tournament.

The commissioners met in person on January 10 in New Orleans, February 21-22 and March 26 in Dallas and several times by teleconference. They affirmed a commitment to protect college football's regular season, the best in sports, and to preserve the bowl tradition and the bowl experience for student-athletes. Further, they focused on the realities of the academic calendar and options related to where the games should be played. They self-imposed a deadline of the summer of 2012 to decide what changes to propose to the presidents.

April 25: At a meeting in Hollywood, Florida, the commissioners took both an eight-team and a 16-team playoff off the table. They prepared a small number of four-team options for discussion in the conference meetings to be held in May. They discussed in detail the advantages and disadvantages of various ways to rank or qualify teams.

June 12-13: The commissioners met in Chicago to report on the consensus regarding the playoff that was developed during their recent conference meetings.

June 20: Meeting in the Sullivan Room at the InterContinental hotel in downtown Chicago, the commissioners voted unanimously to recommend a four-team playoff for 12 years beginning in 2014-15, with a selection committee choosing the participating teams.

June 26: Meeting at the Dupont Circle Hotel in Washington, D.C., the BCS Presidential Oversight Committee members voted unanimously to submit legislation to the NCAA Board of Directors that would allow two institutions to participate in two post-season games each year—thereby creating what eventually would be named the College Football Playoff. The presidential group adopted the format and policies that had been recommended by the commissioners on June 20. The NCAA would approve the proposal in August.

The presidents and chancellors also endorsed:

- Rotating the Playoff Semifinal games among six bowl sites and playing the national championship game at neutral sites under the management of the conferences;
- Creating a selection committee that would rank the teams to play, giving all the teams an equal opportunity to participate (Among the factors the committee would be instructed to value were win-loss record, strength of schedule, head-to-head results, and whether a team is a conference champion);
- Playing the Playoff Semifinals New Year's Eve or New Year's Day;
- Creating "Championship Monday" by setting the date of the national championship game on the first Monday in January that is six or more days after the Playoff Semifinals;

- Establishing the new format to cover a 12-year term, from the 2014-15 season through the 2025-26 season;
- Distributing revenue from the playoff according to a formula that (a) rewards conferences for success on the field, (b) accommodates teams' expenses, (c) acknowledges marketplace factors, (d) rewards academic performance of student-athletes, and (e) eliminates the "automatic qualification" designation.

September 19: The commissioners agreed to select the host for the first national championship game only, and to choose future hosts later.

November 12: In a Denver meeting, the presidents and chancellors unanimously approved the format that called for a stand-alone national championship game and Playoff Semifinals rotating evenly among three contract bowls and three other bowls over the 12 years. The group also took the following actions:

- Adopted a revenue-distribution plan and agreed to review it after four years to determine whether the allocations should be revised;
- Agreed that the academic pool would be distributed through the conferences or processed directly to the independent institutions;
- Guaranteed a spot in one of the six bowls to the highest-ranked champion from the Big East (later became the American), Conference USA, Mid-American, Mountain West and Sun Belt conferences, as determined by the selection committee, when such champion does not qualify to play in one of the Playoff Semifinals;
- Confirmed that the media rights would cover 12 national championship games, 24 Playoff Semifinals and 24 host bowls;
- Supported the concept of not having a title sponsor for the national championship game;
- Decided that the Rose and Sugar bowls would host Playoff Semifinals in the same year; Orange Bowl and Host 1 in the same year; and Host 2 and Host 3 in the same year.
- Agreed that the champion of a contract-bowl conference that is displaced by the Playoff Semifinals will play in one of the host bowls;
- Voted to create a limited liability corporation (LLC) to manage the event, with the presidents and chancellors serving as the Board of Managers.

November 14: The Presidential Oversight Committee named Bill Hancock Executive Director. Hancock had been Executive Director of the BCS for three years. He had become BCS administrator in October 2005.

November 18: Michael Kelly was named Chief Operating Officer.

November 21: The group and ESPN reached an agreement in principle for ESPN to present the games for 12 years on an exclusive basis across its platforms. The agreement included the national championship game and Playoff Semifinals, as well as other bowl games that would be a part of the rotation to host the Playoff Semifinals.

2013

January 8: During a meeting in Miami, the commissioners unanimously agreed that the new event would launch with Playoff Semifinals on January 1, 2015, in the Rose and Sugar bowls. The group also agreed that the Orange Bowl and a yet-to-be-named bowl would host the Playoff Semifinals in the second year. The hosts in the third year were also yet to be named.

1. it would be comprised of no more than 18 members;
2. each conference would be invited to nominate prospective members;
3. the management committee would choose the members and their terms, and also the chair;
4. committee members would not receive honoraria but would receive expense reimbursement;

6. members would not be eligible for re-election after their terms expire.

April 29: Some 101,670 fans participating in an online ballot chose the "gold football" as the CFP's official logo. It received 38 percent of the vote, compared with 25 percent, 24 percent and 13 percent for the other three candidates.

2. persons currently working for media agencies, or serving as commentators in any media, are not eligible to serve;
3. five slots would go to athletics directors from the ACC, Big Ten, Big 12, SEC and Pac-12;
4. each nominee for the committee must be approved by unanimous consent of the management committee; and
5. committee members would not be expected to attend games in person and the CFP would not reimburse expenses for those who do attend games.

October 16: Membership of the first selection committee was announced at a news conference at the CFP headquarters in Irving, Texas. The 13 members were Barry Alvarez, athletics director, Wisconsin; Mike Gould, former superintendent, Air Force Academy; Pat Haden, athletics director, Southern California; Tom Ierstedt, former NCAA executive vice president; Jeff Long (chair), vice chancellor and athletics director, Arkansas; Oliver Luck, athletics director, West Virginia; Archie Manning, former student-athlete, Mississippi; Tom Osborne, former athletics director and coach, Nebraska; Dan Radakovich, athletics director, Clemson; Condoleezza Rice, former provost, Stanford; Mike Tranchese, former commissioner, Big East Conference; Steve Wieberg, former journalist, USA Today; Tyrone Willingham, former head coach, Stanford, Notre Dame and Washington.

December 22: The management committee announced COVID-19 policies for the upcoming postseason. If a team was unavailable to play in a Playoff Semifinal, the game would be declared a forfeit and its opponent would advance. If both teams were unavailable to play, the game would be declared a "no contest" and the winning team from the other Playoff Semifinal would be declared the CFP National Champion. If three teams were unavailable to play in the Playoff Semifinal, the remaining team would be declared the CFP National Champion. If a team's unavailability was determined after the Playoff Semifinals, the national championship game may be rescheduled to no later than January 14. If one team was able to play and the other was not and the game could not be played, then the team that was unable to play shall forfeit the game and the other team would be declared the CFP National Champion.

Other policies included teams having the option to arrive on site no later than two days before their bowl game, attendance at bowl events will be optional, news conferences being virtual, non-essential personnel not having access to the playing field, each institution using the COVID-19 testing arrangement that it used during the regular season, and each conference agreeing to accept the other conference's testing protocol.

2022

January 25: The management committee named Boo Corrigan chairman of the selection committee. Chet Gladchuk, Jim Grobe, Warde Manuel and Kelly Whiteside were appointed to the selection committee.

February 18: The board of managers accepted a recommendation from the management committee to continue the current four-team playoff for the next four years, as called for in the CFP's original 12-year plan.

August 15: The CFP announced Miami as the host of the 2026 national championship game at the conclusion of the 2025 regular season.

August 16: The CFP announced Atlanta as the host of the 2025 national championship game at the conclusion of the 2024 regular season.

September 2: The board of managers unanimously voted to expand the current four-team playoff into a 12-team playoff. The new format, consistent with a proposal the board of managers reviewed in the fall and winter of 2021-22, was to begin for the 2026 college football regular season. The board of managers tasked the management committee with assessing the possibility of beginning the expanded playoff in either the 2024 or 2025 regular season.

December 1: The board of managers unanimously agreed to begin the newly-expanded 12-team playoff in the postseason after the 2024 regular season. The first round in 2024 would take place the week ending Saturday, December 21, at either the home field of the higher-seeded team or at another site designated by the higher-seed institution (No. 12 at No. 5, No. 11 at No. 6, No. 10 at No. 7, and No. 9 at No. 8.) The 2024-25 Playoff Quarterfinals would take place in the Fiesta, Peach, Rose and Sugar bowls, while the Cotton and Orange bowls would host the Playoff Semifinals. The 2025-26 Playoff Quarterfinals would take place in the Cotton, Orange, Rose and Sugar bowls, while the Fiesta and Peach bowls would host the Playoff Semifinals. The national championship games were scheduled to be played January 20, 2025, in Atlanta, and January 19, 2026, in Miami.

The 12-team bracket will be seeded directly based on the final ranking of the selection committee, with the four highest-ranked schools receiving a first-round bye. If one or more of the five highest-ranked conference champions are ranked outside the top 12, that team(s) would move up to the 12th seed, or 11th seed, based on the number of champions outside the top 12.

COLLEGE FOOTBALL PLAYOFF

CFP SELECTION COMMITTEE PROTOCOL

- 1. Mission.** The committee's task will be to select the best teams, rank the teams for inclusion in the playoff and then assign the teams to the playoff bracket and their game sites.
- 2. Principles.** The committee will select the teams using a process that distinguishes among otherwise comparable teams by considering:
 - Strength of schedule,
 - Head-to-head competition,
 - Comparative outcomes of common opponents (without incenting margin of victory), and,
 - Other relevant factors such as unavailability of key players and coaches that may have affected a team's performance during the season or likely will affect its postseason performance.
- 3. Voting Process.** The voting process will include seven rounds of ballots through which the committee members will first select a small pool of six teams to be evaluated, then will rank those teams, with the teams being placed in the rankings in groups of four for four rounds, then three for the final three rounds. The rounds will address the following:
 - Round One: Focus on ranking the top four teams, which will receive first-round byes.
 - Round Two: Focus on ranking teams five through eight, which will host home games.
 - Round Three: Focus on ranking teams nine through 12, which will become the four visiting teams in the Playoff. (Note: A team or teams could be displaced if one or more of the five highest-ranked conference champions are not ranked inside the top 12.)
 - Round Four: Focus on ranking teams 13 through 16, which will become the final teams outside the Playoff.
 - Round Five and Six: Focus on ranking teams 17-19 and 20-22.
 - Round Seven: Focus on ranking teams 23-25, which will become the final three teams in the rankings.
- 4. Number of Teams to Be Ranked.** The committee will rank 25 teams. The five highest-ranked conference champions and the next seven highest-ranked teams will be in the playoff.
- 5. Conference champions rankings.** If fewer than five conference champions are among the top 25 on Selection Day, then the committee will rank the remaining conference champions. The highest ranked of those teams will be added to the playoff until five conference champions are included in the playoff. A conference champion(s) from outside the top 12 will be placed at the bottom of the 12-team seeding in rank order.
- 6. Meeting Schedule.** The committee will meet in person weekly beginning generally at mid-season to produce interim rankings before selection weekend.

The dates for the fall of 2025 are as follows:

- Monday and Tuesday, November 3-4
- Monday and Tuesday, November 10-11
- Monday and Tuesday, November 17-18
- Monday and Tuesday, November 24-25
- Monday and Tuesday, December 1-2
- Friday through Sunday, December 5-7

- 7. Point Persons for Gathering Information.** The committee has assigned two members to be the "point persons" to gather material about the teams in each conference and the independent teams. The process will ensure that the committee fully reviews each team and that no information is overlooked.

The point persons will ensure that (1) the committee has complete, detailed information about each team, and (2) the conferences and independent institutions have an effective and efficient channel for providing facts to the committee.

The committee wishes to be clear about the role of the point persons. They are not and will not be advocates for teams in any conference or for any independent institution. They will not speak on behalf of any conference or institution during the committee's deliberations or represent any conference's or independent institution's interests during those deliberations. Their function is to gather information and ensure that it is available to the committee. Their role as a liaison to a particular conference or independent institution is purely for the purpose of objective fact-gathering.

The point persons will communicate with conference staff members on three information-gathering video conferences during the regular season: one before the first ranking, one before the fourth ranking and one the week before Selection Day. Outside of these video conferences, there will be no contact between the point persons and any conference staff member, or vice-versa, but the conference may relay information to the committee through the CFP staff.

Following are the point persons for the 2025 season:

American:	Mike Riley and Ivan Maisel
Atlantic Coast:	Chris Ault and Troy Dannen
Big 12:	Hunter Yurachek and Mark Dantonio
Big Ten:	David Saylor and Wesley Walls
Conference USA:	Wesley Walls and Chris Ault
Mid-American:	Ivan Maisel and Hunter Yurachek
Mountain West:	Chris Massaro
Pac-12:	Jeff Long and Carla Williams
Southeastern:	Carla Williams and Mike Riley
Sun Belt:	Troy Dannen
Independents:	Chris Massaro and Jeff Long

- 8. Metrics.** There will not be one single metric to assist the committee. Rather, the committee will consider a wide variety of data and information.
- 9. Participants.** There shall be no limit on the number of teams that may participate in the CFP from one conference.
- 10. Pairings.**
 - A. The four highest-ranked conference champions will be seeded 1, 2, 3 and 4 and will receive byes in the first round. The remaining eight teams, including the fifth conference champion, will be seeded 5 through 12 based on their final ranking. If the fifth conference champion is not ranked among the top 12 teams, it will be seeded at No. 12.

CFP SELECTION COMMITTEE PROTOCOL

- B. Teams seeded 5, 6, 7 and 8 will host first-round games against teams seeded 12, 11, 10 and 9, respectively.
- C. In the Playoff Quarterfinals, the team seeded No. 1 will meet the winner of the game between seeds 8 and 9. No. 2 will meet the 7 vs. 10 winner; No. 3 will meet the 6 vs. 11 winner; No. 4 will meet the 5 vs. 12 winner.
- D. In the Playoff Semifinals, the winner of the game between No. 1 vs. 8/9 will meet the winner of No. 4 vs. 5/12. The winner of the game between No. 2 vs. 7/10 will meet the winner of No. 3 vs. 6/11.
- E. Traditional contract-bowl relationships will be the top priority when the committee assigns teams to Playoff Quarterfinal sites, but such priority cannot be guaranteed because of the bracket. For example, if the Big 12 Conference champion were ranked No. 1 and the Southeastern Conference champion were ranked No. 2, then the Big 12 champion would be assigned to the Sugar Bowl.

The committee will use geographic proximity for the No. 1 seed when assigning the Playoff Semifinal sites.

11. Games played after Selection Day. The committee will establish the final rankings on Selection Day; as a result, the committee will not consider the results of games played after Selection Day.

12. Selection Sequence. The committee will adhere to the following sequence:

- Rank the teams 1-25.
- Teams ranked Nos. 1 through 4 will be seeded accordingly and receive first-round byes.
- Seed the remainder of the field.
- Assign the No. 1, No. 2 and No. 3 seeds to quarterfinal games in sequential order. The No. 4 seed will play in the remaining quarterfinal game.
- Assign the group containing the No. 1 seed to the semifinal game as noted herein.
- Assign the No. 2 seed's group to the other semifinal game.
- Place Seed Nos. 5 through 12 in the bracket per the policies herein.
- There will be no reseeding after any round of the CFP.

13. Recusal Policy. If a committee member or an immediate family member (e.g., spouse, sibling or child) (a) is compensated by a school, (b) provides professional services for a school or (c) is on the coaching staff or administrative staff at a school or is a football student-athlete at a school, that member will be recused. Such compensation shall include not only direct employment, but also current paid consulting arrangements, deferred compensation (e.g., contract payments continuing after employment has ended) or other benefits.

A member shall be deemed fully recused from the evaluation of a team if the member: (a) receives direct compensation from the institution in question; or (b) has an immediate family member who is a football student-athlete, football staff member, or senior administrator at the institution. A fully-recused member shall not participate in any vote concerning the team, nor shall the member be present during any deliberations related to the team's ranking or placement into the postseason bracket.

A member shall be deemed partially recused if the member has a secondary relationship with the institution (e.g., an immediate family member employed by the institution but outside of the football program or senior administration). A partially-recused member may remain present and participate in discussions related to the team, but shall not be allowed to participate in votes involving the team in question.

The executive director shall have the authority to impose a partial recusal if he or she determines that a non-compensated institutional affiliation (e.g., alumna/alumnus, former player, former administrator or former coach) exists that could reasonably be perceived to compromise the impartiality of the committee member in question.

Following are the recusals for the 2025 season (full recusal unless otherwise specified):

TEAM	MEMBER
Appalachian State	Hunter Yurachek
Arkansas	Jeff Long (partial) Hunter Yurachek
Miami (OH)	David Sayler

14. Terms. Members shall serve three-year terms. Members will not be eligible for reappointment, but a member's term may be extended by one year (1) if the member would serve as chair in what otherwise would be his/her final year or (2) if other circumstances warrant. Further, a member appointed to serve an unexpired term may be appointed to serve a full three years.

CFP SELECTION COMMITTEE VOTING PROCESS

STEP 1

Each committee member will create a list of the 30 teams he or she believes to be the best in the country, in no particular order. Teams listed by three or more members will remain under consideration. At the conclusion of any round, other teams can be added to the group of teams under consideration by a vote of three or more members.

STEP 2

Each member will list the best six teams, in no particular order. The six teams receiving the most votes will comprise the pool for the first ranking step. This is known as the "listing step."

STEP 3

In the first ranking step, each member will rank those six teams, one through six, with one being the best. The best team in each member's ranking will receive one point; second-best, two points, etc. The members' rankings will be added together and the four teams receiving the fewest points will become the top four ranked teams. The two teams that were not ranked will be held over for the next ranking step.

STEP 4

Each member will list the six best remaining teams, in no particular order. The four teams receiving the most votes will be added to the two teams held over to comprise the next ranking step.

STEP 5

Steps No. 3 and 4 will be repeated for four rounds until 16 teams have been ranked.

STEP 6

For the final three rounds of voting, the same process will take place during the listing step, but during the ranking step, only the three teams receiving the fewest points will become the next three ranked teams. In total, there will be seven rounds of voting; each round will consist of a "listing step" and a "ranking step."

NOTES

- A. Any "recused" member can participate in Step No. 1 but cannot list the team for which he or she is recused. "Recused" teams (i.e., teams for whom a member has been recused) receiving at least two votes in Step No. 1 will remain under consideration.
- B. A recused member can participate in Step No. 2 but cannot list the recused team. If a recused team is within one vote of advancing to the pool for the next ranking step, that team will be pooled with the team (or teams) receiving the fewest votes. If necessary, a "tie-breaker" ranking vote will be conducted among those teams to identify the team or teams that would be added to the pool.
- C. A recused member cannot participate in Step No. 3 if the recused team is in the pool.
- D. Between each step, the committee members will conduct a thorough evaluation of the teams before conducting the vote.
- E. After each round is completed, any group of three or more teams can be reconsidered if more than three members vote to do so. Step No. 3 would be repeated to determine if adjustments should be made.
- F. After the first 16 teams are ranked, the number of teams ranked and held in Steps No. 3 and 4 will be decreased to three for the remaining three rounds.
- G. After any round of voting, a team or teams may be added to the initial pool by an affirmative vote of three or more committee members.
- H. All votes will be by secret ballot.

1**INITIAL POOL**

Group of teams that is a compilation of each member's top 30 teams.

2**LISTING STEP**

Each member lists the six best teams from the initial pool.

NOTE

In rounds two through seven, the holdovers will be combined with new teams from the initial pool to create the ranking pool.

3**RANKING POOL**

Group of six teams consisting of the holdover teams plus others identified in the listing step.

4**RANKING STEP**

Teams from the ranking pool are ranked sequentially.

HOLDOVERS

Unseeded teams from the ranking step are automatically included in the next ranking pool.

SEED LIST

Top teams from the ranking step [three or four] are set in descending order. This will yield the top 25.

**NEXT ROUND BEGINS**

Back to step 2

CFP SELECTION COMMITTEE FAQs

What is the mission of the College Football Playoff Selection Committee?

The selection committee's task is to select the 25 best teams in college football, rank the teams for inclusion in the playoff, assign the teams to the playoff bracket, and then determine their bowl sites.

What is the voting procedure?

The selection committee first ranks teams Nos. 1, 2 and 3, and continues until all 25 are ranked. The selection committee begins the process by identifying small groups of teams and evaluating those teams against each other in a detailed and deliberative manner. The selection committee members engage in seven rounds of rankings to create the top 25.

What criteria does the selection committee use to rank the teams?

The selection committee ranks the teams based on the members' evaluation of the teams' performance on the field, using strength of schedule, head-to-head results and comparison of results against common opponents to decide among teams that are comparable. The selection committee is comprised of experts in college football, and they use their expertise in the deliberations.

Selection committee members examine statistical data, and they also review a significant amount of game video. The CFP retains SportSource Analytics to provide the statistical information for the committee's use. This platform allows the selection committee members to compare teams on every possible level. Each member evaluates the data at hand, and then the individuals produce a group decision through the seven rounds of voting.

What are the mechanics of the rankings?

Each round includes a "listing step" and a "ranking step". In the listing step, selection committee members first select a pool of teams to be considered. Teams receiving the most votes then advance to the ranking step, in which each member ranks the teams. Those individual rankings are then compiled into a composite. Teams No. 1, 2, 3 and 4 are ranked in the first round; Teams 5, 6, 7 and 8, in the second round; Teams 9, 10, 11 and 12, in the third round; Teams 13, 14, 15 and 16 in the fourth round. Then, the committee switches to ranking three teams each in rounds five, six and seven. Each committee member independently evaluates the data, and the group engages in thorough discussion during each step and each round. This evaluation brings about individual qualitative and quantitative opinions that inform each member's vote.

Are the committee's deliberations made public?

The selection committee's process and procedures are available on the CFP website at CollegeFootballPlayoff.com. The intent is to achieve maximum disclosure, while also allowing the selection committee members to deliberate among themselves in a thoughtful and effective manner and with the appropriate candor. Also, the selection committee conducts "mock" exercises to allow reporters and others to become familiar with all the details of the process.

How many teams does the selection committee rank?

The selection committee ranks 25 teams each week.

Does the selection committee publicize its rankings throughout the season?

Yes, after each meeting. Beginning in early November, the selection committee members meet weekly, in person, on Mondays and Tuesdays to produce rankings. The selection committee then meets again on selection weekend to watch the conference championship games, conduct a final evaluation, determine the final rankings and create the playoff bracket.

When does selection weekend happen?

In 2025, selection weekend will take place Friday-Sunday, December 5-7.

Why are there 13 members of the selection committee?

The number was chosen to allow for a diversity of viewpoints, geographical representation, and active discussion. Experience shows this is the right size — not too small or too large.

What criteria were used to choose members of the selection committee?

The top criteria are knowledge and integrity. There are five categories of members: people with experience as (1) coaches, (2) former student-athletes, (3) administrators, (4) sitting directors of athletics, and (5) journalists. The management committee gives careful consideration to the standards for membership and to identifying high-integrity individuals who meet the criteria. Among the other valued attributes are football expertise, objectivity, ability to carefully evaluate and discern information, and experience in making decisions under scrutiny. Members are asked to commit significant time to the endeavor.

CFP SELECTION COMMITTEE FAQS

Why are athletics directors on the selection committee?

Athletics directors (ADs) have some of the best knowledge of college football, and the selection committee is much stronger with their participation. Many ADs have careers spanning across Division I football and at more than one conference. The goal is to make the selection committee the best and most knowledgeable it can be, which is why ADs are included. Like all selection committee members, ADs act in the best interest of the game, and they are recused from voting and discussing their schools.

Is there a recusal policy in place for selection committee members?

Yes. Selection committee members are fully recused from participating in discussion or votes involving a school's team if they or an immediate family member receives compensation from the school, is a football student-athlete at the school, or has a professional relationship with that school.

A member shall be partially recused if they have a secondary relationship with an institution (e.g., an immediate family member employed by the institution but outside of the football program or senior administration). A partially-recused member may participate in discussions related to the team, but is not allowed to participate in votes involving the team in question.

The CFP Executive Director has the option to add other recusals if special circumstances arise.

What are the terms of the recusal policy?

A recused member shall not participate in any votes, nor be present during deliberations involving the team's selection or seeding, but may answer factual questions about the institution from which the member is recused.

How long are the selection committee members' terms? Can selection committee members serve more than one term?

Each member serves a three-year term. Terms of the first group of selection committee members were staggered to allow for an eventual rotation. A member selected to fill a partial term (e.g., replacing a member who must depart before finishing the term) may serve more than three years.

Can a selection committee member be removed? If so, by whom and for what reasons?

In the unlikely scenario in which a selection committee member is unable to meet the obligations that come with serving on the selection committee, the management committee would appoint a replacement.

Who appoints the chair of the selection committee?

The management committee appoints the selection committee chair.

Are the selection committee members compensated?

No, there is no compensation for selection committee members. Members are reimbursed for their expenses.

Do the selection committee members travel to games to watch in person?

The members are not expected to attend games in person. They are expected to watch live televised games and video replays of games extensively.

What is the role of the selection committee chair?

The chair of the selection committee leads the selection committee's deliberations and cultivates an environment for selection committee members to cooperatively evaluate teams and create rankings, with each member voicing individual opinions. The chair facilitates meetings, helps set the selection committee's agenda and shares spokesperson duties with the College Football Playoff Executive Director. The chair — and the selection committee members — are not involved in the administration of the playoff and the games. The selection committee's sole responsibility is ranking the teams and establishing the playoff bracket.

What is the role of the College Football Playoff Executive Director and staff as it pertains to the selection committee operations? Is the executive director a voting member?

The executive director does not have a vote, and the staff's role is to provide support to the selection committee. The executive director and staff are responsible for the day-to-day business and administrative operations of the College Football Playoff itself, in keeping with the objectives established by the board of managers and management committee.

The selection committee is an independent body that operates according to the objectives established by the board of managers and management committee.

GAME RECAP

Ohio State can once again celebrate a national title after holding off a Notre Dame comeback bid to walk away with a 34-23 victory over the Fighting Irish.

Will Howard hit big-play receiver Jeremiah Smith for 56 yards on a late third-and-11 to lock down a game that had been a laugher, then turned into something else.

Trailing 31-7, Notre Dame scored two touchdowns and two 2-point conversions to make the score 31-23 late in the fourth quarter.

The Irish stopped Ohio State on the first two plays of the next drive and used their timeouts to also stop the clock. But on third down, Howard found Smith in single coverage on the right sideline and dropped his best pass of the season into the hands of the second-team All-American.

It set up a field goal that started the celebration in earnest, closing out a seven-week climb from the depths of a loss to rival Michigan to the top of college football. Ohio State brought home its sixth national championship to the Horseshoe in Columbus and first since the inaugural CFP National Championship in the 2014-15 season.

Howard, a transfer-portal success story from Kansas State, threw for 231 yards and two scores, but nothing will beat the pass to Smith with everything on the line.

The receiver, who had been bottled up by Texas in the Playoff Semifinals then fairly quiet for most of the title game, finally got loose for the kind of play he had been making all year. He finished with five catches for 88 yards.

Ohio State scored touchdowns on its first four possessions, then added a field goal on its fifth to take that 31-7 lead.

When Quinshon Judkins (100 yards, 11 carries, three TDs), a transfer from Mississippi, busted a 70-yard run to set up the score that made it 28-7, this game looked over.

Really, though, Ohio State was the better team. The Buckeyes outgained Notre Dame 445 yards to 308. Howard completed his first 13 passes and never really got stopped. The proof: Ohio State punted a grand total of once.

The Buckeyes rolled through four games in the new, 12-team playoff — what great timing for Ohio State — by a combined score of 145-85.

Head Coach Ryan Day joins a list of title-winning coaches with Urban Meyer, Jim Tressel, Woody Hayes and Paul Brown. Also, Day's .873 winning percentage is third all-time among coaches with 50-plus games — one spot behind none other than the Notre Dame legend Knute Rockne, himself.

This marked the first time the Big Ten has taken back-to-back titles since 1942.

GAME RECAP

The No. 1 Michigan Wolverines defeated the No. 2 Washington Huskies, 34-13, capturing the program's first national championship in the College Football Playoff era, first overall national title since 1997 and 12th in program history.

Michigan rushed for 303 yards, including 229 in the first quarter alone behind 41 and 46-yard touchdown runs by Donovan Edwards, both of which rank as the second and third-longest ever in the CFP National Championship. Edwards, who is the first player to run for multiple 40+ yard touchdowns in the national championship game, finished the outing with 104 rushing yards and joined fellow RB Blake Corum in the century club. Corum racked up 134 yards, including two fourth-quarter TDs to seal the victory and capture Offensive Player of the Game honors. It was the first time in CFP history that a team produced multiple 100-yard rushers in the national championship game.

The Wolverines, who appeared in the Playoff Semifinals the previous two seasons, held Washington to one passing touchdown, while allowing only 46 rushing yards from the Huskies. All 15 of Michigan's opponents were held under 25 points per game, making UM the first FBS team to limit 15 different teams under that threshold in a single season since Minnesota in 1903.

Sophomore DB Will Johnson was named Defensive Player of the Game after picking off a Washington pass to open the second half and collecting four tackles. Fellow DB Mike Sainristil also collected an interception on the night, returning it 81 yards to set a CFP title game record. He also led the team with eight tackles.

The 2023-24 campaign is the winningest season in Michigan history, as the Wolverines join the 2018-19 Clemson Tigers, 2019-20 LSU Tigers and 2023-23 Georgia Bulldogs as the fourth team in the CFP era to finish a season with a perfect 15-0 record. Michigan's victory also marked the second straight year (Georgia, 2022-23) and fourth time in the last five seasons (LSU, 2019-20; Alabama, 2020-21) that the top-ranked team went on to win the national title.

GAME RECAP

The No. 1 Georgia Bulldogs defeated the No. 3 TCU Horned Frogs, 65-7, to capture the program's second straight College Football Playoff National Championship.

Unlike the 2022 national championship game where the Bulldogs needed to rally to secure the title, Georgia scored on its first six possessions of the contest vs. TCU and entered the locker room with a 31-point halftime lead off 371 yards and averaging 9.3 yards per play. UGA finished with 589 total yards and limited TCU to 188 yards, an average of 3.7 per play. The Bulldogs' 65 points were the most ever in a CFP or BCS title game.

Senior quarterback Stetson Bennett, a former walk-on, threw for 304 yards and four touchdowns, while also pitching in another two rushing scores. Bennett, whose six total touchdowns tied LSU's Joe Burrow (2020) for the CFP National Championship record, was voted the Offensive Player of the Game for the second straight year.

Overall, Georgia's offense posted five rushing touchdowns, including the pair by Bennett and another two from Branson Robinson. Ladd McConkey also pulled down two touchdown receptions on the night, while Brock Bowers grabbed seven passes for 152 yards and a TD.

Sophomore DB Javon Bullard was named Defensive Player of the Game after picking off a pair of TCU passes and recovering a Horned Frog fumble, all in the first half. Overall, the Bulldog defense finished the night with five sacks and nine tackles for loss, including a pair by Bear Alexander. Smael Mondon Jr. led Georgia with five tackles, including four solo stops.

Georgia is the first team in the College Football Playoff era to win back-to-back national championships. The victory marked the Bulldogs' 17th in a row to tie the program record, originally set from 1945-47. UGA completed the 2022-23 campaign with a perfect 15-0 record, joining the 2018-19 Clemson Tigers and 2019-20 LSU Tigers as the third team in the CFP era to accomplish the feat. Georgia's win also marked the third time in the last four seasons (LSU, 2019-20; Alabama, 2020-21) that the top-ranked team went on to win the national title.

GAME RECAP

The No. 3 Georgia Bulldogs defeated the No. 1 Alabama Crimson Tide, 33-18, capturing the program's first national championship in the College Football Playoff and first overall national title in 41 years.

In the contest, senior quarterback Stetson Bennett, a former walk-on, threw two touchdown passes, including scoring throws of 40 yards to Adonai Mitchell and 15 yards to Brock Bowers. Bennett completed 17-of-26 passes for 224 yards en route to being voted the Offensive Player of the Game.

Georgia again leaned on its defense, allowing only 30 rushing yards from the Tide. UGA's title clinching touchdown came on cornerback Kelee Ringo's 79-yard interception return of Bryce Young's pass with less than a minute remaining. It was redemption for a Bulldog defensive unit that hadn't allowed more than 17 points in a game before being humbled in its 41-24 loss to Alabama in the SEC championship game on Dec. 4. The Bulldogs entered the national championship game allowing a nation-best 9.6 points per game.

Junior DB Lewis Cine was named Defensive Player of the Game after collecting seven total tackles, including six solo stops, one from behind the line of scrimmage and a pass breakup.

Linebackers Quay Walker and Channing Tindall led Georgia with eight tackles apiece, while Nolan Smith pitched in two tackles for loss.

Georgia completed the 2021-22 campaign with a 14-1 record, capped by its first national title since the 1980 season under Vince Dooley. The victory also marked the first for UGA head coach Kirby Smart, former Alabama defensive coordinator, in five meetings with Crimson Tide head coach Nick Saban.

GAME RECAP

The No. 1 Alabama Crimson Tide defeated the No. 3 Ohio State Buckeyes, 52-24, capturing its third national championship in the College Football Playoff and 18th national crown overall. The 2021 CFP National Championship victory marked head coach Nick Saban's seventh career title, breaking a tie with former Alabama skipper Paul "Bear" Bryant.

In the contest, Heisman Trophy winner DeVonta Smith compiled 215 receiving yards in the first half to establish a new CFP single-game record (previously set by the Tide's O.J. Howard in 2016). Smith, who finished his freshman campaign with a game-winning touchdown catch from Tua Tagovailoa in overtime of the 2018 CFP National Championship, ended his career at Alabama with a program and SEC-record 3,965 career receiving yards. He also set national championship game records for most receptions (12), receiving touchdowns (3) and points receiving (18) en route to being voted the Offensive Player of the Game.

Alabama junior QB Mac Jones completed 36-of-45 passes for a national championship record 464 yards and five touchdowns. Senior RB Najee Harris rushed for 158 yards on 29 carries, scoring three times for an SEC record 30 touchdowns on the year.

Sophomore DL Christian Barmore was named Defensive Player of the Game after collecting five total tackles, including three solo stops, two from behind the line of scrimmage and a six-yard sack. Linebackers Christian Harris and Dylan Moses led Alabama with six tackles apiece, while Christopher Allen and Patrick Surtain each pitched in a tackle for loss.

Alabama completed the 2020-21 campaign with a perfect 13-0 record, joining the 2019-20 LSU Tigers (15-0) and 2018-19 Clemson Tigers (15-0) as the third consecutive team to win the CFP National Championship with an undefeated record. The Crimson Tide's victory also marked the second time in as many years that the top-ranked team in the CFP selection committee rankings went on to win the national title.

GAME RECAP

The No. 1 LSU Tigers defeated the No. 3 Clemson Tigers, 42-25, capturing its first College Football Playoff National Championship in program history and fourth national crown overall (1958, 2003, 2007). LSU's victory marked the first time in the CFP era that the top-ranked team went on to win the national title.

In the contest, Heisman Trophy winner Joe Burrow became the first quarterback in FBS history to throw 60 touchdown passes in a single season, as LSU snapped defending national champion Clemson's 29-game winning streak.

Burrow, who was voted Offensive Player of the Game, completed 31-of-49 passes for 463 yards, establishing a new CFP National Championship record. His five passing touchdowns and six total TDs (one rushing) also broke the previous highs in the CFP title game.

Sophomore WR Ja'Marr Chase caught nine passes for 221 yards and two touchdowns for LSU, while junior WR Justin Jefferson added 106 yards on nine catches. Junior TE Thaddeus Moss also scored twice with five receptions for 36 yards.

Patrick Queen was named Defensive Player of the Game after leading LSU with eight tackles, including 2.5 behind the line of scrimmage. Fellow junior LB Jacob Phillips added eight stops, while junior S JaCoby Stevens had seven tackles and senior CB Kristian Fulton pitched in six.

LSU completed the 2019-20 campaign with a perfect 15-0 record, joining the 2018-19 Clemson Tigers as the second team in the modern era to accomplish the feat.

GAME RECAP

The No. 4 Alabama Crimson Tide defeated the No. 3 Georgia Bulldogs, 26-23, in an overtime College Football Playoff National Championship victory at Mercedes-Benz Stadium in Atlanta, Georgia.

Despite allowing an interception on the third play of the game, Georgia's offense secured the first half, with its defense leaving the Crimson Tide scoreless.

Trailing the Bulldogs 13-0 at halftime, Alabama gave the nod to true freshman quarterback Tua Tagovailoa. Leading the team to a comeback and 20 points over two quarters to force overtime, Tagovailoa was named Offensive Player of the Game. The backup quarterback threw for three touchdowns, including the game-winning 41-yard touchdown pass to freshman wide receiver DeVonta Smith.

It was Alabama's fifth national title in nine years and the program's second of the playoff era. The win also marked head coach Nick Saban's sixth career national championship.

GAME RECAP

An unprecedented national championship game rematch, the No. 2 Clemson Tigers claimed the program's first national title in 35 years, defeating the No. 1 Alabama Crimson Tide, 35-31, in the 2017 College Football Playoff National Championship.

Heisman finalist and junior quarterback Deshaun Watson broke his own passing record in a national championship game with 420 yards. Watson was responsible for four touchdowns, including two in the fourth quarter, en route to being named Offensive Player of the Game.

Clemson's defense, helped by Defensive Player of the Game Ben Boulware, held Alabama's offense to a season-low 376 yards and gave up just 2-of-15 third-down conversions.

After rallying from an early 14-0 deficit, it was Clemson's offense that prevailed, putting up 21 points in the fourth quarter. The lead changed hands three times in the fourth, with Clemson scoring the game-winning touchdown with one second left in the game.

The Clemson Tigers celebrated the program's first national title since 1981, snapping Alabama's 26 game win streak in the process.

GAME RECAP

The second national championship game of the College Football Playoff era was a thriller, as the No. 2 Alabama Crimson Tide claimed the program's 16th national title, defeating the No. 1 Clemson Tigers, 45-40, at University of Phoenix Stadium in Glendale, Arizona.

In a game in which offense would be pivotal, Clemson quarterback and Heisman finalist Deshaun Watson would set the record for most total yards in national championship game history, putting up 478 yards against the Crimson Tide - a feat that would be overshadowed by performances from Alabama's biggest offensive threats. Heisman Trophy winner Derrick Henry rushed for 158 yards on 36 carries and three touchdowns, while O.J. Howard had five receptions for 208 yards and two touchdowns en route to earning Offensive Player of the Game.

Tied 14-14 at the half, Alabama's special teams unit provided the boost the Crimson Tide needed to roll past the Tigers. A kickoff return for a touchdown, the team's sixth special-teams touchdown of the season (tied for most in the FBS), a blocked field goal in the second quarter and a game-changing onside kick recovery with 10:34 left in the fourth quarter put the Tide in front to stay.

The victory marked Alabama's fourth national championship in seven years.

GAME RECAP

The No. 4 Ohio State Buckeyes claimed the inaugural College Football Playoff National Championship, defeating the No. 2 Oregon Ducks, 42-20, in front of a crowd of 85,689 at AT&T Stadium in Arlington, Texas.

Led by Heisman Trophy winner Marcus Mariota, the Ducks came out charging, putting up 75 yards in 11 plays on the opening drive. However, the Buckeyes and Cardale Jones had different plans on a night that marked just the third career start for the Ohio State quarterback. The redshirt sophomore passed for 242 yards and a touchdown, while helping orchestrate 538 yards of total offense to help the team overcome four turnovers.

Ezekiel Elliott, had a breakout night, running for a career-high 246 yards, setting a championship game (BCS and CFP) record for rushing yards, to go along with four touchdowns on his way to being named the Offensive Player of the Game.

Defensively, Ohio State held Oregon to a season-low 20 points and 465 yards of total offense, almost 100 yards below the team's season average. The Buckeyes also held the Ducks to 132 yards on the ground, over 100 yards fewer than their season average of 241.9. Tyvis Powell was tabbed Defensive Player of the Game after posting nine tackles in the game, including five solo stops and a pass breakup.

Fourteen unanswered points in the fourth quarter sealed Ohio State's fate to become the first national champion of the playoff era, marking the eighth national championship in program history. The Buckeyes' 14 victories on the year tied the NCAA record for most in a season, including a nation's best 13 straight victories.

REVENUE DISTRIBUTION POLICIES

The following is a breakdown of the CFP revenue distribution:

For the 2025-26 academic year:

1. Each conference will receive \$300,000 for each of its schools when the school's football team meets the NCAA's APR for participation in a postseason football game. Each independent institution will also receive \$300,000 when its football team meets that standard.
2. A conference will receive \$4 million for each team that makes the College Football Playoff (12 schools) and each team that advances to the Playoff Quarterfinals (eight schools).
3. A conference will receive \$6 million for each team that advances to a Playoff Semifinal (four schools) and each team that advances to the national championship game (two schools).
4. Each conference whose team participates in the College Football Playoff will receive \$3 million to cover expenses for each round.

Based on calculations from the 2024-25 season, the following distributions were made in the spring of 2025 (Estimates for the 2025-26 season will be finalized following the 2026 CFP National Championship.):

1. Each of the 10 conferences received a base amount. For conferences that have contracts for their champions to participate in the Orange, Rose, or Sugar bowls, the base combined with the full academic performance pool was approximately \$93.07 million for each conference. The five conferences that do not have contracts for their champions to participate in the Orange, Rose or Sugar bowls received approximately \$116.09 million in aggregate (full academic pool plus base). The conferences distribute these funds as they choose. Notre Dame received a payment of \$5.38 million by meeting the APR standard; the other two independents shared \$0.68 million.
2. Certain conferences in the Football Championship Subdivision received approximately \$3.33 million in aggregate.

FAMILY REIMBURSEMENT

Through the family reimbursement program, the College Football Playoff offsets expenses for student-athletes' parents or guardians to travel to each round of the College Football Playoff. The program debuted in January 2015.

TOM MICKLE COMMUNICATIONS INTERNSHIP

Honoring tradition, the College Football Playoff continues to administer the Tom Mickle Internship. The 2024-25 season will be the 18th year* for the program, which provides an opportunity for a young person to become involved in administering the national championship game. It honors the memory of Mickle, who made many contributions to college football in general and to the development of the BCS in particular.

At the time of his passing, Mickle was the executive director of Florida Citrus Sports, host of the Capital One Bowl and the Champs Sports Bowl. Prior to his appointment at Florida Citrus Sports in 2002, he was an associate commissioner at the Atlantic Coast Conference and also had been an assistant athletics director at Duke University.
