

Rowing Association of American Colleges and Intercollegiate Rowing Association History

The Rowing Association of American Colleges, the predecessor of the Intercollegiate Rowing Association, was formed in 1870, with the first championship regatta taking place in 1871 on the Connecticut River just outside Springfield, Mass.

Columbia, Cornell and Penn were the organizing stewards of the IRA Regatta, first held on the Hudson River at Poughkeepsie, N.Y., in 1895. The format through 1967 with the exception of 1964 was to line all the entries in the race onto stake-boats and fire a shotgun for the start. In the last race of this format in 1967 on Onondaga Lake, sixteen varsity crews waited for the gun to begin their three mile race – winner take all. The format was changed in the Olympic year, 1968, to heats and finals over a 2,000-meter, six-lane course. This heat-rep-final, six-lane, 2000 meter format continues today.

Intercollegiate Rowing Association (IRA) Regatta Trophies and Results

Varsity Challenge Cup

Presented to the IRA by Dr. Louis L. Seaman of Cornell University in 1898, the silver cup is awarded annually to the Varsity Heavyweight Eight Champions.

Kennedy Challenge Cup

This trophy, for the men's second varsity eight contenders, was originally presented to the IRA in 1898 by Davidson Kennedy of the University of Pennsylvania, as a trophy for four-oared races. This trophy is now annually awarded to the winner of the Heavyweight Second Varsity Eight.

Stewards Cup

The Stewards Cup was presented in 1900 to the IRA by Francis S. Banks of Columbia University. The trophy is awarded to the Heavyweight Freshman Eight Champions. Washington and Pennsylvania tied for the honor in 1969 in a dead heat.

** The 1954 Ten Eyck Memorial Trophy was vacated due to Navy's disqualification from the Varsity 8 race.*

Jim Ten Eyck Memorial Trophy

A replica of the original hand-carved mahogany plaque, the Ten Eyck Trophy pays just honor and respect to Jim Ten Eyck, Syracuse University's revered and famed crew coach from 1903 to 1938.

From 1952 through 1973, the trophy went to the university amassing the largest number of points in the varsity, junior varsity and freshman eights. Starting in 1974, all races counted in the scoring under a system adopted by the coaches of the Eastern Association of Rowing Colleges.
