## Scouting Creighton

Creighton is 19-14, with wins over the likes of Xavier, Seton Hall and Butler this season prior to Tuesday's 72-54 victory over Alabama. Picked to finish ninth in the preseason, the Bluejays went 9-9 in league play and finished sixth in the BIG EAST this year.

The Bluejays are averaging 79.3 points per game and are 14-1 when scoring 80 or more points this season.

Second Team All-BIG EAST guard **Maurice Watson Jr.** leads the conference with 6.4 assists per contest and Creighton with 14.4 points per game, while **Geoffrey Groselle** tops the club with 6.0 rebounds per game and is third with 10.7 points per game. He's shooting 68.6 percent from the field this year, third nationally among players with at least five attempts per game.

**Cole Huff** (11.3 ppg.) has been in double-figures in eight of the last 10 games, including a career-high 35 points vs. Seton Hall in the BIG EAST Tournament, while **James Milliken** (9.6 ppg.) has

### Scouting Wagner

Wagner is 23-10 on the season after wins in eight of its last nine games. The only loss in that time was a loss to Fairleigh Dickinson in the Northeast Conference Tournament final.

The Seahawks advanced to the second round of the NIT with a 77-75 win at top-seeded St. Bonaventure on Wednesday.

**Corey Henson** (13.5 ppG., 2.9 apg., 1.2 spg.) leads Wagner in points, assists and steals, while also draining a team-best 74 three-pointers.

**Michael Carey** averages 12.6 points and 9.3 rebounds per game.

The third Wagner player in double-figures is **Romone Saunders**, who scores 10.0 points per game and is second with 43 three-pointers.

Wagner averages 70.8 points per game while allowing just 64.3 per game. The Seahawks shoot 42.8 percent from the field, 33.1 percent from three-point range and 71.3 percent from the line. Wagner is also +7.5 on the glass, and has one more total turnover than assist.

### The Coaches

**Greg McDermott** (Northern Iowa, 1988) is in his sixth season as head coach at Creighton. He is 140-71 with the Bluejays. McDermott has previously been a head coach at Iowa State (2006-10), Northern Iowa (2001-06), North Dakota State (2000-01) and Wayne State (1994-2000). He owns a career mark of 420-266 in his 22nd season and is 289-202 in his 15th Division I campaign. McDermott is assisted by **Darian DeVries**, **Steve Lutz** and **Preston Murphy**.

**Bashir Mason** (Drexel, 2007) is 71-54 in his fourth season at Wagner, which doubles as his career record. When he was hired in 2012, he was the nation's youngest Division I head coach. Mason was named Jim Phelan Northeast Conference Coach of the Year after leading the Seahawks to their first regular-season title since 2003. Mason is assisted by **Mike Babul**, **Marquis Webb** and **Scott Smith**.

### The Series With Wagner

Creighton has never faced Wagner, nor **Bashir Mason**.

**Greg McDermott** is 1-0 against Wagner, as his Northern Iowa team defeated the Seahawks 86-56 on Dec. 21, 2004. In that game UNI drained 13-of-23 three-pointers and **Ben Jacobson** scored 15 points to pace the Panthers. **Matt Vitale** paced Wagner with 19 points.

### Not His First Trip

**Bashir Mason** will be making his second trip to CenturyLink Center Omaha, as his Drexel Dragons team played at Creighton on Feb. 17, 2007.

Mason shot 2-of-9 and had six points, five assists and three rebounds in 39 minutes as Drexel

stunned the hosts, 64-58.

That game was televised on ESPN2 and was part of the BracketBusters series.

### Defense Wins Championships

Creighton has made its name over the years for its offensive prowess, shooting ability and "Let It Fly" philosophy, but this year's team unleashed a new wrinkle in Tuesday's win over Alabama.

Creighton held the Crimson Tide to 28.3 percent shooting from the floor, and 54 points overall. Those two figures led all NIT teams on the defensive end in the first round of the postseason.

### Some Loyal Fans

Creighton has attracted 296,416 fans at home this season, surpassing 200,000 fans on Jan. 23 for the 11th straight season.

Creighton had never attracted more than 141,000 home fans in any season prior to the opening of CenturyLink Center Omaha, and now has done it in 13 straight seasons.

Creighton has led its conference in home attendance every year since moving into CenturyLink Center Omaha, which is now in its 13th season.

The 296,416 fans this season ranks fourth-most in school history. There's a solid chance Creighton will move into the top-two on Saturday, and could climb into the top spot with a turnout of more than 6,261 fans.

With a crowd of 3,584 fans or more on Saturday, Creighton would surpass 300,000 home fans in one season for the second time ever.

#### Creighton's Most Home Fans, Season

Rk.	Year	G	Attendance	Average
1.	2008-09	19	302,676	15,930
2.	2010-11	22	297,161	13,507
<b>3.</b>	<b>2015-16</b>	<b>18</b>	<b>296,416</b>	<b>16,468</b>
4.	2012-13	17	291,643	17,155
5.	2014-15	17	289,808	17,048

### Earliest Start In Arena History

There have been 242 all-time regular-season and postseason games played at CenturyLink Center Omaha, but none have ever started earlier than Saturday's scheduled 11:01 am tip time.

The earliest start in facility history was an 11:15 am start on March 20, 2015, when Kansas drubbed New Mexico State in the NCAA Tournament.

The last Creighton home game that started as early as 11:05 am was an 11:01 am tip between Creighton and Fresno State on Feb. 22, 2003. That game, which took place at the Omaha Civic Auditorium, was the first game ever played as part of the now-defunct BracketBusters series.

### Crowd Surfing

Creighton's home crowd of 6,305 on Tuesday was its smallest since a CBI game in 2011, but that still doesn't mean it was still wasn't special.

Creighton's crowd of 6,305 was the fourth-largest first-round crowd during this year's NIT. Three of the top four teams, and four of the top six crowds, belonged to teams in the St. Bonaventure quadrant.

**Khyri Thomas** had his best game of 2016 on Tuesday when he had 15 points, eight rebounds, three steals and two assists in a career-best 33 minutes.

Thomas came out strong early and in the second half threw down his first dunk since December.

**Going For 20 Wins, Again**

Creighton has won 20 or more games in 15 of the previous 17 seasons (through the end of 2014-15), a feat that puts the Jays among an exclusive group, nationally.

Just three schools nationally have had 20 or more wins each of the last 17 years: Duke, Gonzaga and Kansas.

Kentucky, Florida, Texas and Syracuse have each done it in 16 of the last 17 seasons.

Along with Arizona, Xavier, Kent State and Connecticut, Creighton is one of five schools with 20 or more wins in exactly 15 of the past 17 years.

With a win on Saturday, Creighton will have 20+ wins for the 16th time in 18 seasons. Only 10 other schools can say that, as Kent State finished this season with 19 wins.

**Accuracy, Thy Name Is Geoffrey**

**Geoffrey Groselle** has made 23-of-31 field goals during the last five games, upping his league-best 68.6 percent of his field goal attempts from the field (131-191).

He recently surpassed the minimum 300 attempts required to qualify for Creighton's career leaders in field goal percentage.

Groselle enters the NIT having made 217-of-322 career shots from the field, good for 67.4 percent. Creighton's all-time leader in field goal percentage had been **Gregory Echenique**, who made 62.5 percent (374-598).

Groselle could etch his name into the single-season record book for field goal percentage in a season with nine or more field goal attempts on Saturday. Groselle, at 68.6 percent (131-191), would rank first on the list if he made four (or more) of those nine shots.

### All-Time In The NIT

Creighton owns a 6-10 all-time record in 11 appearances in the NIT after Tuesday's 72-54 win over Alabama.

This year marks Creighton's first trip to the NIT since 2009, when it topped Bowling Green 73-71 before falling to Kentucky, 65-63.

Creighton has gone 1-1 in each of its previous three NIT appearances (2009, 2008, 2006), and has not won an NIT game away from home since a March 25, 1942 victory over Toledo at Madison Square Garden (the one that was open from 1925-68).

### Looking To Make It A Double

Creighton has 12 all-time wins in 19 NCAA Tournament appearances and six wins in 11 NIT appearances (including this year), but the Bluejays have never won consecutive postseason games in the same year in either of those tournaments.

A win on Saturday could change all that.

As it stands now, the only time Creighton's ever won consecutive postseason games came in 2011, when Creighton won its first four games of the College Basketball Invitational.

By contrast, Wednesday's win over St. Bonaventure was the first postseason win in Wagner history.

### McDermott In The NIT

At the Division I level **Greg McDermott** has taken six teams to the NCAA Tournament and one to the CBI, but this is his first time coaching a team in the NIT.

McDermott is 8-8 in his Division I career in the postseason, including a 1-0 NIT mark. He was 0-3 at Northern Iowa and is 8-5 at Creighton.

### Common Opponents

Creighton and Wagner share two common opponents this season, St. John's and Seton Hall.

Creighton went 2-0 against St. John's and 1-2 against Seton Hall.

Wagner opened its season with a nine-point loss at St. John's and followed that with a 10-point loss at Seton Hall.

### Against Postseason Qualifiers

Creighton went 5-9 against teams that qualified for the postseason, including a 3-9 mark against NCAA qualifiers (wins over Xavier, Butler and Seton Hall), and a 2-0 mark against NIT qualifiers (Texas Southern, Alabama).

Wagner went 3-4 against teams that qualified for the postseason. That includes a 1-3 mark over NCAA qualifiers (defeating Seton Hall), a 1-1 mark vs. NIT teams (defeating St. Bonaventure) and a 1-0 record over CIT qualifier Fairfield.

### BIG EAST History In The NIT

Creighton was the only BIG EAST team selected to the 2016 NIT.

The BIG EAST did not send any teams to the NIT last year. In 2013-14, Georgetown went 1-1 in the NIT, while St. John's was 0-1.

The last BIG EAST team to make the trek to Madison Square Garden to play in the NIT semifinals was Notre Dame in 2008-09.

The last BIG EAST team to win a postseason tournament in men's basketball was Louisville, which won the NCAA Tournament in 2012-13. No BIG EAST team has won the NIT since West Virginia in 2006-07.

The BIG EAST has picked up multiple postseason victories every season since the formation of the league in 1979-80.

### Back In The Postseason

Creighton is returning to the postseason for the 18th time in 19 years this spring.

That span includes 10 NCAA Tournament appearances, six NIT appearances (including 2016), one CBI and one CIT appearance.

Prior to last year's postseason miss, Creighton had been one of eight teams to make 17 straight postseason appearances. That elite list consisted of Creighton, Duke, Florida, Gonzaga, Kansas, Kentucky, Michigan State and Syracuse.

### Most Postseason Bids By CU Coaches

This year's bid to the NIT is the fifth postseason bid for **Greg McDermott** at Creighton. Only **Dana Altman** (13) has taken the Bluejays to more postseason appearances.

McDermott's eight postseason wins at Creighton are the most in school history, one more than Altman's seven.

McDermott (8-5) is one of two coaches in program history with a winning record in postseason play, joining **Eddie Sutton** (2-1).

If past years are any indication, having the home-court advantage during the NIT is a tremendous factor. Since the NIT was trimmed to 32 teams and taken over by the NCAA in 2007, home-court teams are a combined 201-67 in the event.

In the last 10 years, home teams are 123-37 in

**CenturyLink Center Home To Some Close Games**

Saturday will be Creighton's 12th postseason game at the 13-year-old CenturyLink Center Omaha. Three of the previous 11 games were decided by a single point, and two others were decided by just two points.

Creighton has won seven of its last eight post-season home games at CenturyLink Center Omaha, and nine of the last 10 postseason games at home if you factor in two 2010 CIT games that were played at the Omaha Civic Auditorium.

**Previously In The NIT**

Before Tuesday, only one current Creighton player had ever played in the NIT, **Maurice Watson Jr.**

Watson had seven points, 12 assists and four rebounds vs. Illinois in the 2014 NIT while playing at Boston University. The Fighting Illini won that game, 66-62.

**Postseason Wins In Eight Straight Appearances**

Including Tuesday's NIT win over Alabama, the Creighton men's basketball team has won a post-season game in eight straight appearances.

That figure is easily the longest streak in school history.

**Postseason Features Last-Second Drama**

Eleven of Creighton's previous 13 postseason runs (all but 2010 and 2014) have included a game that was decided in the final seconds.

In fact, Creighton's past 14 postseason openers have had four games decided by one point (including a double-OT finish), two by two points, one game by four points, two by six points (including an OT finish), one game by 10 points, three games by 11 points and two decided by 18 points (including 2016).

In 2013 Cincinnati missed a game-tying three-pointer in the final 20 seconds and Creighton guard **Austin Chatman** made 3-of-4 free throws down the stretch to hold on to a 67-63 win.

In 2012 Creighton edged Alabama in the second round of the NCAA Tournament, 58-57, as **Trevor Releford's** game-winning three-pointer at the buzzer came up short.

Creighton's 2010-11 campaign ended in heart-breaking fashion in the CBI title game at Oregon. Creighton had the ball in a tie game with the shot clock off, but committed a backcourt violation on Oregon's "unique" floor. The Ducks' **E.J. Singler** then banked in a game-winning shot with 2.0 seconds left. A desperation three-pointer by Creighton was off the mark.

In 2009, Creighton rallied from a 14-point deficit and would hang on to beat Bowling Green, 73-71 in the first round of the NIT. The Jays needed a last-second defensive stand, as BGSU's **Darryl Clements'** game-winning three-pointer at the buzzer was off the mark.

The following game, Creighton led Kentucky by one with 36 seconds left, only to miss two free throws and see UK All-American **Jodie Meeks** convert a three-point play. CU's **Booker Woodfox**, the nation's No. 2 three-point shooter, missed an open trey as time expired, and Creighton lost 65-63.

In 2008, Creighton rallied from a 12-point deficit in the final 3:07 to top Rhode Island, 73-72, in the first round of the NIT. **Cavel Witter** hit the game-winner with 3.2 seconds left to give CU its first lead of the game since 3-0.

In 2007, Creighton had the ball for a final shot in a tie game against Nevada in the first round of the NCAA Tournament. **Nate Funk's** shot attempt missed, and a tip-in try was also not converted. The Jays would eventually lose 77-71 in overtime.

In second round of the 2006 NIT, Miami (Fla.) guard **Guillermo Diaz** drained a free throw with 2.6 seconds left to beat Creighton 53-52. A last-second shot attempt by Bluejay senior **Johnny Mathies** was knocked out of his hands.

In the 2005 NCAA Tourney, **Nate Funk** had his three-point try with seven seconds left blocked by **Tyrone Sally**, and Sally raced downcourt for a breakaway dunk with 2.4 seconds left to give West Virginia a 63-61 win. Funk's three-point try from the corner missed at the buzzer.

In 2004, Creighton fell 71-70 to Nebraska in the NIT. The Jays led nearly the entire second half before NU's go-ahead basket with 12 seconds left. **Nate Funk's** game-winning jumper from 18-feet away was blocked by Husker guard **Jake Muhleisen**.

In 2003 Creighton lost 79-73 to Central Michigan in the NCAA's. The Jays trailed 50-24 with 16:24 left but a furious rally got them within two points (72-70) with 1:20 left, only to turn it over the next three possessions.

In the 2002 NCAA's, Creighton beat #15 Florida, 83-82, in Chicago. **Terrell Taylor** hit a game-winning trey with 0.2 seconds left in double-overtime, his final three of 28 points after a scoreless first half.

### About Creighton

Creighton is a private, Jesuit institution located in Omaha, Neb., with 8,435 students. The University was founded in 1878 by **Mary Lucretia Creighton**, who established it in memory of her husband, telegraph pioneer **Edward Creighton**.

Prominent alumni include **J. Joseph Ricketts** (Chicago Cubs owner and founder of TD Ameritrade), **Bob Gibson** (Hall of Fame pitcher), **Kyle Korver** (professional basketball player) and **Pat Venditte** (ambidextrous baseball player).

### McDermott In The Postseason

Creighton coach **Greg McDermott** is making his fifth postseason appearance at Creighton, and seventh overall as a Division I head coach when you include his time at Northern Iowa.

McDermott's Division I teams own a 8-8 record in eight postseason appearances, including an 8-5 mark in five appearances at Creighton.

### Huff Doing His Stuff

**Cole Huff** has thrived of late, scoring 10 or more points in eight of his last 10 games, and leading CU in rebounding in six of the last eight contests. He's averaging 15.3 points per game in that time, along with 7.0 rebounds and 1.3 steals per game.

Huff had 21 points in Creighton's game at Xavier on March 5th, making 8-of-14 shots from the field in his first start since January 12th.

He then went for a career-high 35 points at the BIG EAST Tournament vs. Seton Hall while making 7-of-11 three-point attempts. He also added nine rebounds without a turnover.

Per [Basketball-Reference.com](http://Basketball-Reference.com), Huff joined **Jared Sullinger** and **Bobby Portis** as the only men in the last six seasons with a game of at least 35 points, nine rebounds and no turnovers with one foul or less.

### Multiple Choices

Creighton has four men currently averaging in double-figures, and can add a fifth if **James Milliken** scores 22 points or more on Saturday (If **Isaiah Zierden** plays, he'd need to score three or more points to keep his scoring average at 10.0 or more).

Creighton has had three men finish the season averaging in double-figures just once since 2007-

08 (that coming in 2010-11), and has not had four men finish the year in double-figures since 1979-80, when **Kevin McKenna**, **Jim Honz**, **George Morrow** and **Daryl Stovall** did so.

Creighton has not had as many as five men finish the season scoring with a double-figure average since 1964-65, when **Neil Johnson**, **Elton McGriff**, **Fritz Pointer**, **Tim Powers**, **Bob Miles** and **Charlie Brown** all did so.

### New And Improved

Last season's rare down year saw Creighton finish 14-19 overall, and just 4-14 in the BIG EAST. This year's team is 19-14 overall and 9-9 in league play.

The Bluejays have already greatly exceeded both win totals from a year ago.

Creighton's five-win improvement in league play this season trailed only Seton Hall (+6) for the best in the BIG EAST this year. The only other team to increase its BIG EAST win total by five or more since the league reconfigured in 2014 had been Butler (+8 in 2014-15).

### Milliken Marches On

**James Milliken** scored a career-high 26 points on March 2nd at Providence, then added 22 more on March 5th at Xavier. It was the first time in the senior's career that he's had 20 or more points in back-to-back games.

Combined with his 19-point effort on Senior Day on February 28th, and his 18 at the BIG EAST Tournament on March 10th, he's now averaged 18.2 points per game in the past five games.

Milliken has scored in double-figures in seven of eight career games he's played during the month

of March during his Creighton career, averaging 17.6 points per game in that span.

Milliken is also 23-for-46 (50.0 percent) from three-point range in March during his career.

### 200 Assist Club Adds Watson

**Maurice Watson Jr.** owns 212 assists this winter, a figure that ranks second in program history for a single season.

**Ralph Bobik** owns the CU record with 252 assists in 1973-74, and that mark has never been approached.

### Watson Nabs All-BIG EAST Honor

Junior point guard **Maurice Watson Jr.** was named Second Team All-BIG EAST on March 6th, as selected by league coaches.

Watson led Creighton in scoring and led the entire conference in assists.

Watson is just the second Bluejay in program history to be named First or Second Team All-Conference since CU joined the league in 2013-14, joining Player of the Year and First Team honoree **Doug McDermott** in 2013-14.

Watson is Creighton's first point guard named first or second team all-conference since **Antoine Young** was named Second Team all-Missouri Valley Conference in 2011-12.

### Some Of The Best Wins

Creighton's Feb. 9th win over No. 5 Xavier was the program's eighth all-time victory over a team ranked in the top-10 of the Associated Press poll, and third in the last three seasons.

Each of Creighton's last three wins against top-

10 foes have come by 14 points or more.

It was **Greg McDermott's** third win over a top-10 foe as Creighton coach, matching the three such wins by **Eddie Sutton** from 1969-74.

The Feb. 13th win over Marquette improved Creighton to 7-1 in games following a victory against a top-10 foe.

#### Defense Limits Xavier

Creighton held No. 5 Xavier to a season-low 56 points on Feb. 9th, well under the 80.8 points per game the Musketeers had been averaging.

Keying that defensive effort was limiting Xavier from behind the three-point line, where the Musketeers were 1-for-21.

That game marked the first Bluejay opponent to make just one three-pointer since Indiana State on March 9, 2013 (1-for-13), and it was the first team to shoot less than 7 percent from three-point range against the Jays since Illinois State was 0-for-8 on Dec. 12, 1999.

Creighton held BIG EAST foes to 29.1 percent marksmanship (44-151) from three-point range in its nine league wins, compared to 37.3 percent (75-201) in its nine league setbacks.

#### League Leaders

Creighton had two men lead the BIG EAST in a statistical category in league play.

**Maurice Watson Jr.** paced the league with 6.7 assists per game, finishing ahead of **Kris Dunn's** 5.9. Watson had 15 more assists (121) than any other player in league action.

**Geoffrey Groselle** owned commanding lead in field goal percentage, having made 65.6 percent of his attempts to rank ahead of **Luke Fischer's** 61.0 percent.

#### On Your Mark, Get Set, Go

Creighton has averaged 79.33 points per game in its first 33 contests to date.

**Greg McDermott** is 37-1 as a Division I head coach when his teams score 90 or more points, including a 31-1 mark on the Creighton sideline.

In fact, McDermott's team has already scored 90 or more points 10 times (in 33 games) this season, compared to six total times in 280 games on the sideline in nine years at Northern Iowa and Iowa State.

Creighton had won 75 straight games when scoring 90 or more points at all sites since a Jan. 11, 1988 loss to Southern Illinois, before a March 5th 98-93 loss at Xavier.

Creighton is 53-2 all-time when scoring 100 points or more, including 25 straight wins since a 1977 loss to North Texas State.

#### Big Win on February 28th

Creighton's 100-59 win over St. John's on Feb. 28th was the program's largest margin of victory since a 107-61 win over Alcorn State on Nov. 8, 2013.

Creighton's 53-24 halftime lead was its largest halftime lead since an identical score vs. Butler on Jan. 14, 2014.

Creighton's 41-point victory was the school's largest in a BIG EAST Conference game, and the fifth-largest margin of victory all-time for a league game. The league's last previous win by 41 or more points came on March 5, 2011, when Syracuse topped DePaul 107-59.

Creighton's 47-21 margin on the backboards was also significant. It was tied for the eighth-largest rebound margin ever for a BIG EAST Conference game, and widest spread since Providence out-rebounded Connecticut 55-24 on Jan. 31, 2013. Creighton's +26 rebound margin also tied a CenturyLink Center Omaha record, first set vs. Samford on Dec. 22, 2011 (45-19).

#### BIG EAST Stat Breakdown

Creighton started the season as one of the BIG EAST's best offensive and worst statistically defensive teams in non-conference play. In league play, those numbers have nearly flipped where CU is now among the league's best on the defensive side of the ball in BIG EAST action.

#### Creighton's BIG EAST Ranks

	Non-Con (Rank)	League-Only (Rank)
Scoring Offense	87.4 (2)	74.3 (5)
FG Percentage	.506 (2)	.443 (4)
3FG Percentage	.401 (1)	.317 (8)

Scoring Defense	75.2 (10)	71.1 (3)
FG Pct. Defense	.440 (10)	.434 (5)

#### Most Improved Big Men?

With the possible exception of Providence's **Ben Bentil**, few players around the BIG EAST have improved more than Creighton's **Geoffrey Groselle**.

Groselle entered his senior season averaging 3.2 points and 1.6 rebounds per contest, collecting 200 career points and 102 career rebounds in his first 63 games. This year Groselle owns 10.7 points and 6.0 rebounds per game and has 353 points and 198 rebounds in 33 games (32 starts).

#### Senior Day Stars

Creighton honored two senior players following a Feb. 28th win over St. John's, as **Geoffrey Groselle** and **James Milliken** were recognized. Groselle is a fifth-year senior currently in graduate school, while Milliken transferred in prior to the 2012-13 season and is wrapping up his third year in the program.

During the past five years, Creighton has gone 117-55. The team has been to the NCAA Tournament three times and the NIT once, winning a game each trip. Groselle also won two league tournaments and one regular-season conference title in 2012-13.

Creighton is 5-0 against in-state rival Nebraska since Groselle arrived on campus, 9-3 in conference tournament play, and he and Milliken have

combined for 1,168 points, 452 rebounds and 140 assists in a collective 62 starts.

#### Home Season Finale History

Creighton is 19-2 in the last 21 years in its final home game of the regular-season, losing only in 2002 to Drake, and last year to Xavier.

Each of the last 17 Creighton teams to win on Senior Day would go on to reach the postseason.

Creighton's 41-point win over St. John's was the program's largest margin of victory in its final regular-season home game of a season since a 105-51 win over Morningside in 1961.

#### Senior Citizens

Below is a list of statistics by the Creighton players honored during Senior Day since 2003. **Geoffrey Groselle's** 22 points and 11 rebounds vs. St. John's on Feb. 28th made him the first senior with a double-double on Senior Day since **Randall Crutcher** in 1997.

#### Watson Among An Elite Group

**Maurice Watson Jr.** leads Creighton in both scoring (14.4 ppg.) and assists per game (6.4 apg.), and is also grabbing 3.4 rebounds per game in his 31.4 minutes per contest.

Nationally, Watson joins Michigan State's **Denzel Valentine** and Providence's **Kris Dunn** as the only players to average at least 14 points, six assists and three rebounds per game in less than 34 minutes per game, as seen below:

Name, School	PPG	RPG	APG	MPG

### McDermott Passes McManus On CU Wins List

**Greg McDermott** currently has 140 victories, as the Feb. 28 win over St. John's allowed him to pass **John J. "Red" McManus** (1959-69) for third place on CU's all-time wins list.

McDermott's .664 winning percentage is Creighton's best since **Arthur A. Schabinger's** .714 win rate more 80 years ago.

Below is a list of the most victorious Creighton coaches in program history.

### Playing With The Lead At Home

Creighton did not trail in 9-of-18 home games this season, and hasn't trailed in 61-of-221 overall games played at CenturyLink Center Omaha all-time.

### Against The BIG EAST

Since joining the BIG EAST in 2014, Creighton is unbeaten at home against St. John's, the only team it can say that for. The only two road venues in which it has not won are Providence and Georgetown.

### Watson Named National Player of the Week

Creighton guard **Maurice Watson Jr.** was named National Player of the Week by **CBSsports.com**

and **NBCsports.com** on Feb. 15th after leading the Bluejays to a pair of wins in the previous week. He was also the BIG EAST Player of the Week for the second time this season for his efforts.

Watson averaged 25.0 points, 7.5 assists, 6.0 rebounds and 2.0 steals as Creighton defeated No. 5 Xavier (70-56) and won at Marquette (65-62). Watson made 54.5 percent of his shots from the field and 81.3 percent of his free throw attempts.

The Philadelphia, Pa., native began his week with 32 points, seven rebounds, five assists and two steals in Creighton's victory over No. 5 Xavier. Watson scored 22 of his points after the intermission as Creighton picked up a win at home over a top-five team for the first time since 1970. Watson also became Creighton's first player since **Benoit Benjamin** (in 1985) with at least 32 points, seven rebounds and five assists in a game.

Watson then had 18 points, 10 assists and five rebounds in a 65-62 win at Marquette. Watson tied the game with 2:32 left with a pair of free throws, and assisted on the go-ahead three-pointer with 1:05 left that helped CU move into sole possession of third place in the BIG EAST. The game was Watson's third double-double of the winter, and he became the first Bluejay since **Duan Cole** in 1989-90 with four games of 10+ assists in the same season.

Watson was the first Creighton player named National Player of the Week by **CBSsports.com** since **Doug McDermott** was three times (Jan. 6, Jan. 13, Feb. 17) during a 2013-14 season that

saw him sweep National Player of the Year honors. McDermott was also named [NBCSports.com](#) National Player of the Week on both Jan. 13 and Feb. 17 of that same season.

### Late Game Treys

**Toby Hegner** made three three-pointers in the second half of the Feb. 13 win at Marquette, none bigger than one that tied the game with 3:26 left.

Hegner improved to 12-for-17 from three-point range in the final five minutes of games this season, good for 70.6 percent. Hegner also leads the team with 24 rebounds, six more than any other teammate, in the last five minutes of games this season.

On a related topic, **James Milliken's** go-ahead three-pointer with 1:05 left also was a key to victory. It was Creighton's first go-ahead three-point basket in the final 65 seconds of a game since **Doug McDermott** at Butler on Feb. 13, 2014, exactly two years earlier to the day. McDermott also drained a go-ahead trey to beat St. John's on Jan. 28, 2014, with 2.8 seconds left.

### Stat Sheet Stuffer

**Maurice Watson Jr.** did a little bit of everything in carrying Creighton to a 70-56 win over No. 5 Xavier on Feb. 9, finishing with 32 points, seven rebounds and five assists in the victory.

Watson is Creighton's second player with at least 32 points, seven rebounds and five assists in the same game since the 1980-81 season, joining **Benoit Benajamin's** monstrous game of 45 points, 16 rebounds and five assists vs. Indiana State on January 19, 1985.

Per [Basketball-Reference.com](#), Watson is just the third BIG EAST player in the last six seasons with a 32/7/5 game, joining UConn's **Kemba Walker** (33/12/5) vs. Syracuse on March 11, 2011, and Villanova's **Maalik Wayns** (39/13/6) at Cincinnati on Jan. 14, 2012.

### Stuff On Huff

**Cole Huff** made his first seven shots and finished with 28 points vs. DePaul in Creighton's Feb. 6 win.

Eighteen of Huff's points came in the final 5:14 of the first half, a span during which Creighton scored 20 points as a team. Huff made seven straight shots.

Huff's 28 points came in just 22 minutes, as he drained 9-of-11 shots overall. Huff's the first Bluejay with at least 28 points in 22 minutes or less since **Larry House** had 28 points in 22 minutes in his final home game, a March 3, 2003 win over Wichita State.

Huff's 28 points were the most by a Bluejay reserve since **Cavel Witter** scored 42 points in a double-overtime win over Bradley on March 1, 2008.

### More Points = Better Results

History has shown that the more Creighton scores, the better the team does.

Creighton's best record against any BIG EAST foe since joining the league is the 7-1 mark against DePaul, a team it scores 79.4 points per game against.

Creighton's worst record against any BIG EAST

foe since joining the league is the 1-6 mark against Providence, a team it scores just 63.7 per game against.

PPG	Opponent	CU W-L
79.4	DePaul	7-1
79.3	Xavier	4-3
75.2	St. John's	4-2
74.7	Villanova	2-4
72.0	Seton Hall	3-4
70.0	Butler	3-3
67.8	Marquette	4-2
63.9	Georgetown	2-5
63.7	Providence	1-6

### Bench Impressive

Creighton's bench contributed 51 points in its Feb. 6th victory over DePaul, with 28 of those points coming from **Cole Huff**.

Creighton's 51 points by its reserves were the most since it scored 54 in a double-overtime win over South Dakota on Dec. 9, 2014 and its most in regulation since putting up 54 vs. Alcorn State on Nov. 8, 2013. Creighton last had 50+ points off the bench in a league game on March 1, 2008, when the reserves supplied 77 points in a double-overtime win over Bradley.

The Bluejay bench has scored 881 points so far this season, an average of 26.70 points per contest. That's the program's best figure since the 2007-08 team averaged 36.91 points per game.

Creighton's bench has contributed 34 double-figure performances this season.

Creighton's bench has outscored the bench of its opponents 881-653 this season, and 4,691-3,615 in **Greg McDermott's** six years on the Bluejay sideline.

### Zierden With Efficient Eight vs. DePaul

**Isaiah Zierden's** eight three-pointers at DePaul (Jan. 17) are tied for third-most in Creighton history for a single-game, and one shy of the record set by **Kyle Korver** (1/15/03 vs. Evansville) and **Ethan Wragge** (1/20/14 at #4 Villanova).

Zierden is one of four men with exactly eight trifectas in a contest, joining Korver (12/31/02 at #19 Xavier), **Tad Ackerman** (1/23/95 at Drake) and **Terrell Taylor** (3/15/02 vs. #15 Florida).

Of the players to make eight or more three-pointers in a Creighton game, Zierden's 11 attempts are easily the fewest, two less than Ackerman and Korver (at Xavier). Both Korver (vs. Evansville) and Wragge needed 14 attempts, while Taylor set the school-record with 15 attempts against Florida.

Zierden's eight three-pointers vs. DePaul are tied for the most by any BIG EAST player in a game this season.

### 30 Point Efforts

In **Greg McDermott's** first five years at Creighton, only **Kenny Lawson Jr.** (once) and **Doug McDermott** (27 times) ever scored 30 or more points in a game.

In the last two months alone, **Maurice Watson Jr.** (32 vs. No. 5 Xavier on Feb. 9), **Isaiah Zierden** (31 points at DePaul on Jan. 17) and **Cole Huff** (35 points vs. Seton Hall on March 10) have each surpassed 30 points in a game.

This is the first time since at least 1967-68 that

Creighton has had three different players reach 30 points in the same season.

Huff's 35 points are the most by any Bluejay since **Doug McDermott** also scored 35 in the quarterfinals of the BIG EAST Tournament vs. DePaul in 2014.

Before the Seton Hall loss in the quarterfinals, the last time a Bluejay scored 31 or more in a loss came on Dec. 31, 2002, when **Kyle Korver** compiled 32 points in a two-point loss at No. 19 Xavier.

Creighton had won 29 straight games in which an individual has scored 31 points or more. In addition to one such game from Zierden and Watson, that streak included 31 point (or more) games from **Doug McDermott** (21 times), **Nate Funk** (3), **Kyle Korver** (1), **Johnny Mathies** (1) and **Cavel Witter** (1).

### Dynamite Start For Watson

**Maurice Watson Jr.** has 474 points in his first 33 games as a Creighton Bluejay.

Since 1995-96, Watson's figure is the second-most among all Creighton newcomers through 33 games, six more than **Doug McDermott's** 468 points at this point.

McDermott would finish his career with 3,150 in 145 career games to rank fifth in NCAA history.

### Go Mo Go

Creighton's **Maurice Watson Jr.** is one of four players nationally this year with at least 200 assists, 150 two-point baskets and 30 steals or more.

Last year the only men to do this nationally were **Jerian Grant**, **Kris Dunn** and **Cameron Payne**.

Joining him this year are some of the top point guards in the nation, as seen below:

### What's Your Twenty?

**James Milliken** had a career-high 26 points on March 2nd at Providence, and is one of six Creighton players to score 20 points or more this season. In addition to Milliken (3x), **Isaiah Zierden** (2x), **Cole Huff** (4x), **Maurice Watson Jr.** (6x), **Khyri Thomas** and **Geoffrey Groselle** (5x) have all reached that mark.

By comparison, last year Creighton had five players all year reach 20+ points (**Austin Chatman**, **Toby Hegner**, **Will Artino**, Milliken and Zierden), and in the two previous years had only three players surpass 20 points in any game.

The last previous time that Creighton had six men have 20 or more points in a game during the

same season was 1972-73, when **Gene Harmon, Al Lewis, Ted Wuebben, Doug Brookins, Ralph Bobik** and **Gene Ellefson** all did it.

Creighton also has five different men with 25 points or more in a game this season, the first time it's had five or more 25+ point scorers in the same season since at least 1968-69. The last time CU had four men with games of 25+ points in the same campaign was 1976-77 (**Rick Apke, Robert Scrutchens, John C. Johnson** and **Cornell Smith**).

### Pink Out Auction Raises More Than \$21,000

Creighton raised more than \$21,000 during its "Creighton vs. Cancer Pink Out" game vs. Seton Hall on Jan. 30th.

Bluejay players wore pink shooting shirts and pink jerseys for the game and, like last year's event, fans had the opportunity to honor a friend or family member who has battled cancer or is currently battling cancer by purchasing the apparel via auction (the shooting shirt could be personalized - last name, nickname, etc.).

The first 16,000 fans entering the venue received a complimentary pink t-shirt courtesy of CHI Health and Methodist Estabrook Cancer Center.

Complimentary "Pink Out" posters were also available to fans exiting the venue after the game.

This year's Creighton vs. Cancer jersey auction raised \$16,527.90 and donations brought in an

additional \$5,000. The past five seasons has seen \$126,203.04 raised in the jersey auction.

Below is the final numbers for each item in the auction this year:

### Some People Call Him Maurice

**Maurice Watson Jr.** dished 14 assists in Creighton's win at Seton Hall on Jan. 9. While it was three shy of his collegiate high accomplished while he was at Boston University, the 14 helpers were his most in a Creighton uniform.

Watson's 14 assists tie Providence's **Kris Dunn** (twice) for the most by any BIG EAST player this season, and were the most in a regular-season BIG EAST game since **Dee Davis** had 15 assists vs. Providence on Feb. 7, 2015.

Watson's 14 assists are tied for eighth-most nationally in a game this season, and directly led to 37 points by the Bluejays in that game.

Watson's 14 assists were the most ever by a Creighton player in any conference game.

Watson's 14 assists were the most by any Bluejay since **Ralph Bobik** tied his own school-record with 17 assist vs. Bradley on Jan. 22, 1974. Below is a list of the six occasions in CU history in which a player has had 13 or more assists.

### Full House

Last year's Creighton team averaged 17,048 fans in 17 home dates, good for sixth-nationally, and better than 11 NBA franchises.

It's the 10th straight season that CU has been among the nation's top 25 in average home attendance, and the fourth straight season in the top-six nationally in attendance, as well.

Last year Creighton was the nation's first team to average 17,000+ fans, despite a losing record, since Louisville in 2000-01.

This year's team is averaging 16,468 fans per game, which ranks ninth nationally through March 16th.

### Over .500, Again

Creighton has been better than .500 at the midway point in league play in 19 of the last 20 seasons, including this year.

Creighton has also gone 5-4 or better in the second half of league action in 18 of the last 20 seasons.

Creighton has now made the postseason each of the last 18 times it's been 5-4 or better at the midway point, and missed it the only time they weren't in that span.

Here's how Creighton's teams have fared in the various halves of the MVC/BIG EAST season since 1995-96.

### Standard Five

Creighton used the same starting line-up in each of its first 18 games this season before finally making a change on Jan. 17 (in game 19) when **Toby Hegner** replaced **Cole Huff** in the first five.

Creighton has used six starting line-up combinations this season overall now.

Last season Creighton used 10 different starting line-up combinations, its most in any season since using 11 pairings in 1994-95.

Creighton used the same starting five combination for every game in 2011-12, and then again in 2012-13.

### Watson Dishes and Scores

**Maurice Watson Jr.** continues to extend his team lead in both scoring and assists. In fact, in Watson had owned or shared the team lead in assists in 23 straight games before that streak was snapped vs. Alabama on Tuesday.

Watson is on pace to become Creighton's sixth player since 1970-71 to lead the club in both points per game and assists per game, as seen below:

**Mo' Points, Mo' Assists**

**Maurice Watson Jr.** leads Creighton in both scoring and assists, and he's doing things at a rate that has never been approached in school history.

Since the program began tracking assists in 1970-71, Watson is one of four men to average at least 12 points and five assists per game. However, he's the only one in that quartet that's scored 12 points per game while also averaging six assists per contest.

**Big Deficits, No Big Deal**

Creighton owns 15 victories under **Greg McDermott** after trailing by double-figures at some point, including DePaul (down 12) on January 17th. Eight of those comebacks came away from home.

On Nov. 19, 2014, Creighton trailed 42-24 to No. 18 Oklahoma with 18:30 to go before putting together a comeback for the ages. It was CU's largest comeback victory under **Greg McDermott** (see chart below), the second-largest since 2000 (see chart below), and the second-biggest in the history of CenturyLink Center Omaha (see chart, left column on page five).

On the other hand, CU is 123-8 under McDermott when putting together double-digit leads, including wins 111 of the last 115 times.

**CenturyLink Center Omaha Dramatics**

Providence's **Kris Dunn** hit a game-winning shot as time expired to beat Creighton on Jan. 12th. It was the first game-winning shot with no time left to ever to beat Creighton at CenturyLink Center Omaha, exceeding the previous low with 1.9 seconds left by Butler's **Roosevelt Jones** last year.

Dunn's shot was the first to beat Creighton

(at any site) with no time left on the clock since **Anthony James** drained a game-winning three-pointer for Northern Iowa in a 65-62 win on Feb. 4, 2012 in Cedar Falls, Iowa.

After allowing just two game-winning go-ahead scores in the last 10 seconds in the first 11 seasons at CenturyLink Center Omaha, Creighton has allowed that to happen four times in the past 13 months alone.

Creighton is now 7-6 in games with a game-winning go-ahead score in the final 10 seconds in the 13-year old facility.

**Assists Are Elementary For Watson**

**Maurice Watson Jr.** had his fifth game this season with 10 or more assists when he dished 10 dimes on March 5th at Xavier. Watson had six such games at Boston University in his first two years as a collegian.

Watson is the first Bluejays with four or more games of 10 or more assists in the same season since **Duan Cole**, who had four such games in 1989-90.

**Magic Number is 79**

Creighton has scored 79 points or more in 15 of its 19 wins thus far. Creighton averages 87.1 points per game in its 19 wins this winter, compared to 68.9 per game when it loses.

**Watson Reaches Milestones**

Though he's still relatively new to Creighton, that hasn't kept **Maurice Watson Jr.** from reaching a couple big milestones at the collegiate level.

Watson owns 474 points and 212 assists at Creighton this season, and when combined with his 800 points and 410 assists in two seasons at Boston University, now owns career collegiate totals of 1,274 points and 622 assists.

Only two players have ever attained 1,000 points and 500 assists (all with CU) during their Creighton careers, **Ryan Sears** (1,309/570) and **Antoine Young** (1,342/505). Both Sears and Young got there as seniors.

Watson is currently averaging 6.42 assists per game. Creighton's last player to average 6.0 assists per game or more for an entire season is **Randy Eckker's** 7.3 assists per contest in 1976-77.

Overall, Watson's 1.91 assist/turnover ratio this year ranks eighth in the BIG EAST (min. 3.0 assists per game), and his career ratio (including Boston

of 2.05 assists per turnover ranks 19th-best nationally among active players with 400 or more career assists.

That ratio ranks better than such highly-touted men such as **Yogi Ferrell** (2.00), **Denzel Valentine** (2.02) and **Kris Dunn** (1.76).

Watson surpassed 1,000 career points on Jan. 5 vs. Georgetown in the 81st game of Watson's collegiate career. If you're curious to see how that stacks up with others in recent Creighton history to reach 1,000 career points, here's a list:

**Groselle Good As Gold**

**Geoffrey Groselle** made his last five shots in an 8-for-9 against North Texas on Dec. 21, then followed it with an 8-for-8 showing from the floor vs. Coppin State one week later. On Dec. 31 at St. John's, Groselle made his first eight shots before finishing 9-of-10. Groselle was also perfect from the field vs. Villanova on Jan. 2nd, though he only attempted one shot.

The streak of 21 straight field goals made was just nine shy of the NCAA record set this season by Yale's **Brandon Sherrod**.

The recent play has moved Groselle's field goal percentage to 68.6 percent, the third-best mark nationally (min 5 FGA/game) and best in the BIG EAST (min. 3 FG/game).

If you're curious, the NCAA record (min. 5 FG/game) was set in 1981 by Oregon State's **Steve Johnson**, who shot 74.6 percent, while the Creighton record (min. 200 attempts) is 67.4 percent set by **Vernon Moore** in 1984-85.

Groselle's older brother, **Mike Groselle**, played at The Citadel from 2009-13 and ranks eighth in Southern Conference history with a 58.9 career field goal percentage and led the league in that category as a senior when he shot 57.4 percent from the floor.

**Century Mark Back-to-Back**

Creighton scored 105 points on Dec. 21st against North Texas, then had 102 more on Dec. 28th vs. Coppin State.

Creighton had not scored 100 points or more in consecutive games since Jan. 29 (104 at Idaho

State) and Feb. 2 (115 vs. Memphis) during the 1965-66 season, and had not scored 100 points twice in the same month since February of 1990.

Creighton has scored 100 points or more in fourth different games this season. It's the fourth different season in program history it's done that, and first time since 1971-72's squad did it five times.

The 1965-66 team cracked the century mark seven times, while the 1971-72 club reached triple-digits five times.

### Man Of Steal

**Isaiah Zierden** ranks ninth in the BIG EAST with 44 steals this season. He owns nine games this season with three steals or more, and had at least three in each of CU's first four BIG EAST victories this winter.

By comparison, Zierden had a total of three steals (in 28 games and 304 minutes) as a freshman, and 12 steals (in 20 games and 558 minutes) a year ago. Zierden owned just two steals in 23 career BIG EAST games entering the season.

### The Link Turns Into The Dunk Tank

Creighton has put down 54 dunks in 33 games as a unit this year. By comparison, Creighton had 29 dunks in 33 games all last season.

Eight different men have thrown down a dunk this winter, led by 17 from **Geoffrey Groselle**, 12 from **Zach Hanson** and 11 by **Khyri Thomas**.

### The Fast And The Furious

Creighton has 315 fast break points already this winter. By comparison, last year Creighton had a total of 143 fast break points (4.3 per game), and never had more than 11 in any contest.

Creighton had a whopping 30 fast break points in its Nov. 14 win over Texas Southern, then added 24 more on Nov. 17 vs. UTSA.

Creighton's 30 fast break points are believed to be its most since moving to CenturyLink Center Omaha in 2003, with the next highest mark on file (before Texas Southern on Nov. 14) was listed as 24 vs. Kennesaw State on Nov. 26, 2010.

### Pace Makers

Creighton ranks 38th nationally in scoring offense, averaging 79.33 points p'er game to date.

This year's team has scored 79 points or more in 15 of its 19 victories, significantly better than last year's team that reached 85 points just twice all winter.

Since 2000-01, Creighton owns 54 games of 85+ points in the eight seasons it has made the NCAA Tournament, compared to 31 such outbursts in the eight years it has missed the Big Dance.

### Release, Rotation, Splash, Repeat

Creighton has made at least one three-pointer in 746 straight games since a 59-53 loss at Illinois State on Feb. 20, 1993. The streak is the nation's 22nd-longest active streak.

Creighton's last win without making a three-point basket came on March 3, 1991 when the Jays went 0-for-2 from three-point range in a 71-66 win over Southern Illinois in the championship game of the MVC Tournament.

### Triple Threat

**Khyri Thomas** entered the Dec. 9 game vs. Nebraska with five total assists in Creighton's first eight games, but the freshman guard would match that total in the first 14 minutes, and tallied seven helpers overall.

Thomas finished with seven points, seven assists and nine rebounds against the Cornhuskers. He is just the third Bluejay in **Greg McDermott's** six-year tenure to post at least seven points, seven rebounds and seven assists in the same game, joining **Austin Chatman** and **Grant Gibbs**. Both Chatman and Gibbs did it twice each. **Maurice Watson Jr.** has also done it once since then (Jan. 26 at Georgetown).

Creighton has never had a traditional point/rebound/assist triple-double.

### Thomas Makes History

**Khyri Thomas** opened his Creighton career with 18 points in a win over Texas Southern, which earned him BIG EAST Freshman of the Week honors on Nov. 16th.

Thomas is the first Bluejay in program history to be named BIG EAST Freshman of the Week.

Creighton's last player to be named league Freshman/Newcomer of the Week following the first week of the season was **Doug McDermott** on Nov. 15, 2010, when CU was in the Missouri Valley Conference. McDermott would go on to be named First-Team All-MVC and, MVC Newcomer of the Year and MVC Freshman of the Year.

### Among The Best

Since the start of the 2010-11 season, which coincides with **Greg McDermott's** arrival, Creighton has been the nation's fifth-most accurate team from three-point range.

The Bluejays are 1759-4554 from deep in that time, shooting 38.63 percent.

### A 60 Point Half!

Creighton scored 61 points in the first half on Nov. 17 vs. UTSA, tying a CenturyLink Center Omaha record first done in the second half vs. Houston Baptist on Dec. 12, 2007.

It was also the most points in any first half since scoring 61 vs. Drake on Feb. 3, 1990.

Creighton had not scored 60 points in any half since doing so in the first half on Nov. 25, 2011 vs. Campbell, and the 61 were tied for its second-most point in any half since 1996-97, trailing only a 63-point outburst in the second half of the 2002-03 opener vs. Texas-Arlington.

Creighton scored 60 points in a half for the second time this year when it did so in the second half of a 97-76 win over Massachusetts on Nov. 25th.

### Malik's Magic

Junior guard **Malik Albert** got extended run on Nov. 17 vs. UTSA with **Maurice Watson Jr.** saddled to the bench with two personal fouls. The Detroit native responded in a big way, finishing with 10 assists in 20 minutes of work. The 10 assists led to 28 points from his Bluejay teammates.

In the process, Albert became the nation's third reserve with 10 or more assists in 20 minutes or less in a win against a Division I team since 2010-11. He joins Kansas's **Naadir Tharpe** (12 assists in 20 minutes vs. American on Dec. 29, 2012) and Louisiana Tech's **Kenneth Smith** (10 assists in 20 minutes on Nov. 20, 2013 vs. Central Arkansas).

Per STATS Inc., Albert became the second BIG EAST reserve since 2004-05 with 10+ assists in 20 minutes or less against a Division I team, joining Marquette's **Maurice Acker** (12/28/08 vs. Presbyterian).

Albert is Creighton's only player in the last 30 years to have a game of 10 or more assists as a reserve.

### Big Margin Can Lead To Big Things

Creighton's 104-77 win last year vs. Central Arkansas was the second straight season the team has cracked triple-digits in a season-opener.

The 2015-16 season saw Creighton reach 90 points in each of its first two games this season, just the fourth time that's happened. Each of the previous three times (1973-74, 2011-12, 2013-14), the Bluejays would reach the NCAA Tournament and then win at last one game in the Big Dance.

Nine of Creighton's 19 all-time NCAA Tournament

teams have scored 90 or more points in their season-opener.

Here's a look at Creighton's last eight teams to score 90 or more in a season-opener, which shows that six of those teams to do so reached the NCAA Tournament.

Score	Opponent	Date	Final W-L	Post-Season
93-70	Texas Southern	11/14/15	???	NIT

### Debut News

Creighton started three players on Nov. 14 who were making their Bluejay debut, as transfers **Cole Huff** and **Maurice Watson Jr.** joined true freshman **Khyri Thomas** in the first five.

Thomas' start was especially historic, as he became just the third true freshman to start since 1992-93, joining Bluejay legends **Doug McDermott** (2010-11) and **Ryan Sears** (1997-98). Both McDermott (145 games) and Sears (124) started every contest of their four-year Creighton careers.

### Huff Earns MVP Honor

Nevada transfer **Cole Huff** returned to the Silver State and picked up MVP honors of the 2015 Men Who Speak Up Main Event after averaging 19.0 points and 5.0 rebounds in the two wins.

Huff made 13-of-25 field goal attempts, including 7-of-15 three-pointers. He scored 26 points in the victory over Rutgers before a 12-point effort over UMass in the title game.

### Preseason BIG EAST Poll

Creighton was picked to finish ninth in its third season as BIG EAST Conference members according to a preseason poll of league coaches. Villanova was picked first with 81 points and nine first-place votes, while Georgetown (70, 1), Butler (67), Xavier (55) and Providence (45) round out the top half. The predicted lower half was Marquette (44), Seton Hall (27), DePaul (25), Creighton (23) and St. John's (13).

Creighton did not have any honorees on the Preseason All-BIG EAST Teams, which was led by Preseason Player of the Year **Kris Dunn** from Providence.

### Zierden Returns From Second Knee Injury

**Isaiah Zierden** had 15 points on Nov. 14 after missing the second half of last season after suffering a season-ending injury to his right knee for the second straight campaign.

Zierden was carried off the floor with 4:05 left in the first half on Jan. 21, 2015 at Butler and did not return.

An MRI two days later determined that Zierden partially tore the MCL in his knee, while also suffering an injury to his patella.

Unlike his first injury, Zierden elected to have surgery this time around, as he underwent a medical procedure in Washington, D.C., on Feb. 13, 2015.

The uncommon injury is very similar to one he suffered the previous March at Xavier, which caused him to miss CU's last seven games.

Zierden has missed two of the last three games with a shoulder injury.

### NBA Representation

This year marks the second time since 1970 (joining last season) that Creighton has three NBA players at the same time, as **Kyle Korver** (Atlanta Hawks), **Anthony Tolliver** (Detroit Pistons) and **Doug McDermott** (Chicago Bulls) are all in the league.

Including 2015-16, Creighton has now had an NBA player in 32 of the last 33 years.

Korver ranks eighth in NBA history with 1,859 three-pointers and is also eighth in league history with 43.0 percent marksmanship from three-point range (through March 16). He set a single-season NBA mark that still stands with his 53.6 percent shooting from three-point range in 2009-10. Last season he was named an All-Star and led the league in three-point percentage for the third time.

Tolliver is averaging 5.1 points per game this season for the Pistons, his 10th NBA organization.

McDermott is in his second season with the Chicago Bulls, where he's averaging 9.5 points per game and ranks seventh in the NBA by shooting 42.2 percent from three-point range for fellow Ames High alum **Fred Hoiberg**. Hoiberg, ironically, is the same man who replaced **Greg McDermott** as Iowa State's head coach in 2010.

### Top-20 Crowds

Creighton's Jan. 30 crowd of 17,924 was the program's 18th largest home crowd ever. Here's a look at Creighton's top-20 home crowds all-time.

### Très Bien

Since 2011-12, Creighton is 47-44 (.516) when shooting 40.00 percent or worse from three-point range. While respectable, that pales in comparison to CU's 70-10 (.875) mark the last five years when shooting better than 40.00 percent from downtown.

Lower the standards to 30%, and it's still impressive. Creighton is 102-29 in the last five years when shooting 30 percent or better from deep, compared to 15-25 when shooting 29.99 percent or less.

### NCAA Success

Creighton is one of 18 schools to have won an NCAA Tournament game in at least three of the last four seasons.

Gonzaga, Kansas, Louisville, Michigan State and North Carolina are the only five teams to have won at least one game all four seasons.

The list of teams with an NCAA win in three of the last four campaigns consists of Arizona, Creighton, Florida, Iowa State, Kentucky, North Carolina State, Ohio State, Oregon, Saint Louis, San Diego State, Syracuse, Wichita State and Wisconsin.

### CenturyLink Center Omaha Success

Creighton has played 221 regular and postseason contests at CenturyLink Center Omaha all-time in the 13-year-old facility.

The Bluejays own a 183-38 (.828) record all-time at the facility, and have never lost there on a Thursday (7-0) or Friday (10-0).

Creighton has outscored its opponents 16,823-14,213 in games at CenturyLink Center Omaha, an average margin of 11.81 points per game. Creighton has led wire-to-wire 61 different times, including nine times this year (UTSA, Western Illinois, Nebraska, IUPUI, North Texas, Coppin State, DePaul, No. 5 Xavier and St. John's).

Creighton is also 25-22 all-time in the 47 games at CLCO in which it's fallen behind by double-figures.

Creighton is 86-20 (.810) at CenturyLink Center Omaha under **Greg McDermott**, including a 48-4 record vs. non-conference teams.

Factor in a 17-0 home mark at the Omaha Civic Auditorium in 2002-03 and two wins at the Civic in the 2010 CIT, and the Bluejays are 202-38 (.842) at home since the start of the 2002-03 campaign.

### What A Start!

**Greg McDermott** is 140-71 on the Creighton sideline during his sixth year at the helm. The 140 wins are easily the most in Creighton history in the first six seasons, way more than **Tom Apke's** 109.

#### Most Wins at CU, First Six Seasons

Coach	Years	W-L After 6 Yrs
<b>Greg McDermott</b>	<b>2010-Pres.</b>	<b>140-71 so far</b>
Tom Apke	1974-80	109-55
Tony Barone	1985-91	102-82
Dana Altman	1994-00	99-78
Red McManus	1959-65	91-63

### Pizza Pie, Piled High = Wins

Thanks to a promotion with Omaha-based Godfather's Pizza, Creighton season ticket-holders can get a free mini pizza any time the Jays score 75 points at home.

History has proven that when the team earns the fans pizza, it often leads to a victory as well.

The first three years of CenturyLink Center Omaha (2003-06), Creighton needed 70 points to earn its fans free pizza, and the Jays went 27-3 when reaching that threshold, closing out that run with 12 straight wins.

Since upping the standard to 75 points prior to the 2006-07 campaign, Creighton is 96-1 when scoring 75 points or more at CenturyLink Center Omaha. In other words, Creighton is 108-1 in CenturyLink Center Omaha since Feb. 6, 2005 when scoring enough points to earn its fans some free pizza. The perfect streak of 101-0 was snapped on Dec. 2, 2015 when Arizona State scored three points in the final 15 seconds to sneak away with a 79-77 victory.

### Home Run

Since **Greg McDermott** took over in 2010, Creighton is averaging 78.58 points per home game (8,329 points in 106 home games).

Since a 92-83 loss to Southern Illinois on Feb. 19, 2000, Creighton is 118-0 at home (89-0 at CenturyLink Center Omaha) when scoring 78 points or more, and 99-0 at home (72-0 at CenturyLink Center Omaha) when scoring 80 points or more at home dating to that same setback.

### Last Season Recap

Creighton went 14-19 last season, finishing 4-14 to tie for ninth place in the BIG EAST Conference.

The Bluejays started the season 5-0, including a win over No. 18 Oklahoma, before losing eight remaining games in the final minute.

Senior point guard **Austin Chatman** led Creighton in scoring (11.5 ppg.) and assists (3.7 app.), while fellow senior **Devin Brooks** paced the team in rebounds (5.0 ppg.) and steals (1.0 spg.).

Despite the struggles on the court, Creighton still ranked sixth nationally with 17,048 fans per home game.

### Shuttle Service Provided Again

Chief Bus will provide complimentary shuttle service from the Creighton University campus to CenturyLink Center Omaha for all men's basketball home games this season. The service is available to all fans, not just Creighton students.

The shuttle will start 75 minutes before tip-off and shuttles will continue to operate the route during the game. The three designated stops for pick-up around the CU campus are: 24th & California (nearside/southbound); 20th & Cass (nearside/eastbound) and at Billy Blues Alumni Grill (outside the Mike & Josie Harper Center in the turnaround which is on the east side of the building).

The shuttle will then go eastbound on Capitol Avenue and then go north up 10th Street for drop-off at the CenturyLink Center Omaha convention center entrance. The route is designed for each shuttle driver to make a roundtrip every 15 minutes.

Following the game's conclusion, the shuttle will start at the CenturyLink Center Omaha convention center entrance on 10th Street and loop the original route with the first of three stops at 24th & California Streets.

# Game-by-Game Plus/Minus Chart

The plus/minus figure is a comparison of the Bluejays' points scored (plus) vs. their points allowed (minus) while a specific player is on the floor. For example, if Geoffrey Groselle enters the game in the first half with Creighton trailing by three and he departs two minutes later with the Jays ahead by four, he earns a +7 for that stint. These results are tabulated for every player at the conclusion of each game, and also expressed cumulatively. Underlined totals indicate that player led team that night.

<b>National Invitation Tournament Second Round</b>		
<b>March 23, 2009</b>	<b>CenturyLink Center Omaha</b>	<b>Omaha, Neb.</b>

**Defining Moment:** Jodie Meeks' three-point play with 10.6 seconds left gave Kentucky its largest lead of the game. A potential game-winning three-pointer by Creighton's Booker Woodfox was off the mark and Meeks grabbed the rebound as time expired.  
**Key Stat:** Kentucky's trip to Omaha marked the first visit by an SEC team to Omaha since 1940.
