Bold = During 2022 Season

Ross Paule guided his seventh Creighton team to a 7-10-2 record during the 2021 campaign.

Creighton looks to rebound with the return of 11 players who started 10 more matches a season ago and will be seeking its second trip to the BIG EAST Tournament in the past three seasons.

Individually, striker **Aida Kardovic** was named Preseason All-BIG EAST and produced on the pitch earning All-BIG EAST First Team honors for the second straight season.

Kardovic finished second on the team last season with three goals and two assists. The

senior owns 21 starts during two seasons of action in Omaha and will be relied on to provide an offensive spark.

Junior **Abigail Santana** returns as the only player to record at least 10 points last season after pacing the team with eight goals. Santana will look to build off of her sophomore campaign and continue to contribute to the Bluejays' attack.

Ansley Atkinson, a co-captain of the 2021 squad, is expected to return to the pitch this season after having her year cut short due to a knee injury. Atkinson tallied a total of nine assists, which led all of Division 1, before suffering her injury. The fifth-year graduate student will

once again make an impact in guiding the Bluejays offense.

Defenders **Jordy Rothwell**, **Maddie Radke**, **Gabby Gimaldi** and **Peighton Steffen** each return after playing significant roles for the Bluejays backline, which produced seven shutouts a season ago. Rothwell, a co-captain, started each of the first 12 matches and scored a pair of goals before suffering a season-ending foot injury. Steffen stepped up in the absence of Rothwell to lead the backline, starting all 19 contests and logging a team-high 1,764 minutes of action a year ago.

Senior **Keelan Terrell** is expected to lead Creighton's defense in her third season as

the starting goalkeeper. The Olathe, Kan., native started all 19 matches in goal, posting a 0.98 goals against average. Terrell recorded seven clean sheets, including a stretch of five straight shutouts that set a program record with 507:38 consecutive minutes without allowing a goal.

Creighton welcomes in 11 newcomers for the 2022 season, which includes six freshmen, four players with two years of experience and one with one year of playing experience.

Ariana Mondiri, a transfer from the University of Northwestern Ohio, tallied 25 goals and five assists on the way to First Team All-Wolverine Hoosier Athletic Conference and NAIA Honorable Mention All-American honors in her two seasons with the Racers. A proven goal scorer, Mondiri will make an immediate impact in the Bluejays offensive production.

Lara Kazandjian comes to the Hilltop after playing two seasons at Memphis. As a Tiger, Kazandjian tallied two goals while appearing in 19 matches.

Freshmen **Ella Findlay** and **Jess Torres** are also expected to make an immediate impact for the Bluejays this season.

The Bluejays will be tested from the first day of the regular season as Creighton opens the year away from home for matches against Montana and Gonzaga.

Creighton starts its home slate with a match against Kansas City to open a stretch of five straight contests inside the friendly confines of Morrison Stadium. In total, Creighton will host 10 regular-season matches.

The Rothwell Sister Duo

In their second season on the pitch together, sisters **Hailey** and **Jordy Rothwell** have a special bond on the field. It is a unique experience that a lot of people don't get to do.

This season Creighton is one of 50 Division I schools to have a set of sisters playing on the same team. Of those 50 schools, nine schools have two sister tandems.

BIG EAST Extends Contract With FloSports

The BIG EAST Conference, including Creighton University, has partnered with FloSports from 2021-25 to deliver hundreds of subscription-based events leaguewide. This includes virtually every Creighton-produced home webcast in men's soccer, women's soccer, volleyball, women's basketball, baseball and softball.

A subscription is required to view events on

FloSports.

Founded in 2006, FloSports features a growing library of more than 300,000 hours of premium content including news, expert commentary, films, documentaries and more.

A subscription to FloSports grants access to the entire FloSports catalog across all of its websites. So rather than paying for individual subscriptions to multiple BIG EAST schools to watch Creighton play road events, now one subscription to FloSports will let you watch all the school-produced events streamed on-line.

Subscribers who cannot watch a game "live" will still be able to watch an archived version of those games "on-demand".
