Scoring Two Works Almost Everytime

It would stand to reason that scoring goals increases a team's chances of winning. For the Bluejays, that is most certainly the case.

Since the program began in 1989, Creighton owns a 274-23-12 all-time record when scoring two or more goals in a match, including a 2-1-0 record this season. On the flip side, the Bluejays are 46-249-52 when being held to fewer than two goals.

Additionally, the Bluejays are 67-8-3 when scoring two or more goals, but 14-82-24 when netting fewer than two goals since joining the BIG EAST in 2013.

BIG EAST Extends Contract With FloSports

The BIG EAST Conference, including Creighton University, has partnered with FloSports from 2021-25 to deliver hundreds of subscription-based events leaguewide. This includes virtually every Creighton-produced home webcast in men's soccer, women's soccer, volleyball, women's basketball, baseball and softball.

Founded in 2006, FloSports features a growing library of more than 300,000 hours of premium content including news, expert commentary, films, documentaries and more.

A subscription is required to view events on FloSports. A subscription to FloSports grants access to the entire FloSports catalog across all of its websites. So rather than paying for individual subscriptions to multiple BIG EAST schools to watch Creighton play road events, now one subscription to FloSports will let you watch all the school-produced events streamed on-line.

Subscribers who cannot watch a game "live" will still be able to watch an archived version of those games "on-demand".

For a complete rundown of the costs and options, go to the Bluejays website at <https://gocreighton.com/news/2021/8/17/flosports-information.aspx>

He is a seven-time Conference Coach of the Year, a three-time Regional Coach of the Year, and in 2000 while at Tiffin was the runner-up for the BRINE National Coach of the Year award.

Walker's 2020 Bowling Green State team shared the NCAA lead in shutout percentage (.750) and closed the regular-season ranked No. 29 in the RPI. His 2021 club won the MAC regular-season and tournament titles, were ranked No. 4 in the final Midwest Region poll, and was the first in program history to receive Top 25 votes.

His final team at Findlay in 2019 became the first in program history to make the NCAA Tournament. The Oilers were ranked in the Top 25 nationally, and Walker was named the Great Midwest Athletic Conference Coach of the Year.

His tenure at Duquesne was highlighted by a 10-6-1 record in 2005 and the program's first Atlantic 10 Tournament appearance. The 10 victories and .618 win percentage were a school-record at the time.

His first head coaching job came at Tiffin, where his team won five American Midwest Conference titles and went 45-2-1 in league play during his tenure. The Dragons reached the program's first Sweet 16, and was the top-ranked team in the Region at one point. Walker was named AMC Coach of the Year in 1998, 1999, 2000 and 2002.

"When the Creighton job came open, with the soccer tradition, the facilities, the resources and one of the best conferences in the country, it's a really good opportunity for me and my family to take in the next step in my coaching journey," noted Walker. "I can't wait to get to work with the players, and I'm looking forward to the challenge ahead."

Walker earned a pair of degrees from Tiffin University, picking up his Bachelor's degree in Sports Management & Business in 1997 and later earning his Master's degree in Business Administration in 2000. He also has his UEFA B License and earned his United Soccer Coaches Premier Coaching Diploma in 2013.

He helped lead the Dragons to two MOC Championships and was named MOC Player of the Year in 1994. Walker was inducted into the Tiffin University Hall of Fame in 2006.

Walker played with the Academy team at Aston Villa in the English Premier League prior to coming to the United States. His father, James, played and coached professionally in England for over 25 years. His father played for Derby County, which captured two EPL championship crowns, and also coached in the English Premier League with Aston Villa for 15 years where he was the Director of Sports Science for the club.
