From the Sports Information Office

Greetings from the Chadron State College Sports Information Office.

As sports information directors are apt to do, I figured the college's centennial celebration would be a perfect time to compile stacks and stacks of information into one publication. I'm glad I did because it's certainly convenient to have this all in one place. Plus, it was an opportunity to honor Chadron State's great athletic tradition from the last 100 years.

Please don't think I did this project alone. Those who came before me, most notably Con Marshall, did a fantastic job of keeping statistics, names of letterwinners and coaches and photos long before a computer made it easier and less burdensome.

I also have to thank Elizabeth Most, a former volleyball player at Chadron State, for typing all the names of the letterwinners. She was an intern for me in 2008 and I promise if there's a typo, I won't take her internship credit away.

Speaking of typos, I'm sure there are plenty. First, let me apologize in advance if your name or if someone you know has a name misspelled. It's hard to proofread something this size, especially since there are so many names. If you know of a name being spelled incorrectly, please let me know.

Unfortunately, the information, particularly the statistics and coaching staffs, for many of the sports that are no longer in competition at Chadron State are incomplete. If you have any information about those sports, once again, let me know.

I would also like to thank the Alumni and Foundation Office for letting me invade its bookshelves to dig through annuals. I was able to find a lot of photos of former coaches and learn more "fashion."

According to the school's records, there have been 90 total coaches in 100 years at Chadron State. Of those 90, 40 coached at least one other sport.

Also, through my research, I've determined Chadron State has a cumulative record of 3,149 wins and 3,433 losses. I could misplace some of the losses to get us closer to .500, but if those numbers signify anything its that this school has been a beacon in Northwest Nebraska for longer than you or I have been alive. Over 6,500 recorded games have featured this school and I'm sure there's thousands more in its future. We should all be proud of what our alma mater has accomplished. Because of Chadron State, we're all linked to a small campus in a quiet town. I hope this publication reaffirms that fact.

Here's to another century.

Best wishes and Go Eagles!

Note: For several years, Successful Farming magazine selected Farm All-American teams, giving recognition to athletes who had grown up on farms and ranches. Scholarships of at least $500 were presented in the name of the athletes to their schools. Chadron State had several of these honorees. Football first-team selections included Corey Campbell, 1995; Casey Beran, 1997, 1998 and 1999; Mike Brownfield, 1998; and Matt Strand, 2000. Jeremy Eardley was a second-team choice in 2000 and Amy Oldaker was a volleyball selection in 1998. Athletes from all collegiate levels were recognized. Beran was named defensive captain of the 1999 football team. In addition, Jeremy Slaughter, the starting center for the CSC football team in 2004, received a special honor that season, when he was among the handful of players named to the American Football Coaches Association's Good Works Team for his involvement primarily in Christian, youth-related activities. Another special honor went to Judd Hoos and Adam Hofmaier. Each received the Unsung Hero award from the College Football Chronicle. Hoos won it in 1996 and Hofmaier claimed the award in 1997.

Athletes, former coach nab all-time RMAC honors

All-time teams were chosen throughout 2009 to help celebrate the 100th anniversary of the Rocky Mountain Athletic Conference and Chadron State College certainly wasn't left out of the festivities.

Representatives from the conference's schools selected the RMAC all-time teams. The RMAC is the fourth oldest conference in the country, and the most historic in the western U.S.

The All-Time Football Team is dominated by former Eagles. Tailback Danny Woodhead is the RMAC All-Time Offensive Player, linebacker Kevin Homer is the All-Time Defensive Player, and current CSC athletic director Brad Smith is the All-Time Coach.

In addition, Joe Planansky is on the offensive all-time team and Casey Beran is on the defensive team.

The football squad wasn't the only all-time team to feature former CSC athletes. Tricia Lukawski was placed on the women's basketball team, Ally Malzahn is on the women's golf team and Jacqueline Wells is on the track and field team.

Woodhead, who played at CSC from 2004-07, set the NCAA all-divisions rushing record of 7,962 yards. He was a two-time winner of the Harlon Hill Award, which goes to the top player in NCAA Division II, and a three-time All-American. At the conclusion of his career, he owned nine NCAA records, nine RMAC records and 13 school records. He is currently a member of the New York Jets.

Homer, who played at CSC from 1995-98, is the Eagles' all-time leader in tackles with 525. No other CSC player has ever recorded 400 tackles. Homer also has the most tackles in a season with 156 in 1997. He was inducted into the RMAC Hall of Fame in 2006 and was an All-American in 1998.

Smith coached the CSC football team from 1987-2004 before stepping down to become the college's full-time athletic director. He helped usher the Eagles into the RMAC in 1991 and posted a 110-39 record during 14 seasons. He had an 81-25 record in RMAC games and claimed five conference titles. He also led CSC to four NCAA Division II playoffs and he was a three-time RMAC Coach of the Year.

Planansky, a tight end at CSC from 1991-94, finished his career with 154 receptions and 1,877 yards. He was an All-American in 1993 and played a season with the Miami Dolphins in 1995.

Beran, a defensive end who played from 1995-99, is CSC's all-time sacks leader with 37. He's also tied for the most sacks in a season with 14. He was an All-American in 1999.

Malzahn, a native of Sidney, had a great career at CSC from 2005-08. In just three seasons, she had nine top 10 finishes, including two individual championships.

As a junior in 2007-08, she led the Eagles at nearly every meet and she was named to the RMAC Women's Golf First Team and the RMAC All-Academic First Team.

Wells, who graduated from CSC in 2006, owns four Chadron State records. They are 48-1 ¾ in the shot put and 61-9 in the weight indoors, and 52-1 in the shot put and 178-0 in the hammer throw outdoors. Her outdoor shot put mark is also an RMAC record.

Wells was a nine-time conference champion and a 10-time All-American in the throws. She was selected the RMAC Regional Athlete of the Year following both the indoor and outdoor meets in 2005. Altogether, she won first in throwing events 55 times during her career.

A graduate of East Chicago (Ind.) Central High School, Lukawski is Chadron State's all-time women's basketball leading scorer and possessed 12 school records when she graduated in 1993. She poured in 1,869 points in 100 games for the Eagles. She averaged 16 points as a freshman, 20.3 as a sophomore, 18.3 as a junior and 19.7 as a senior.

She graduated with a 3.83 cumulative grade point average and is in her 14th year as a physical education teacher and coach at schools in the Chicago area. She was inducted into the East Chicago Sports Hall of Fame in 2007 and the CSC Athletic Hall of Fame in 2008.

Note: Chadron State was in the Great Plains Region prior to 1979-80, when it moved to the Central Rocky Mountain Region. No one from CSC finished first or second in the region in years not listed. Beginning in 2005, the top three finishers in each event from each region qualified for the College National Finals Rodeo.
