NCAA/NAIA Tournament History

2017 NCAA Regional

Whitewater, Wis.

The Saints returned to Whitewater, Wisconsin for a Midwest Regional and for the third straight year would be part of an eight-team regional. For the second consecutive season, CSS entered the regional as a No. 4 seed, but would be paired against two-time defending regional champion University of Wisconsin-La Crosse in the first game. The No. 23 Saints were one of only two teams ranked in the D3baseball.com Top 25 poll at the regional, with top-seeded University of Wisconsin-Whitewater ranked No. 3. Concordia University-Chicago was the No. 2 seed and Adrian College (Mich.) the No. 3 seed. The University of St. Thomas was the No. 6 seed and Macalester College the No. 7 seed. St. Norbert College (Wis.) rounded out the field at the No. 8 seed. St. Scholastica could not have asked more from its starting pitching at the regional as through the first five innings of the four games, CSS starters allowed only three runs and 11 hits.

Game 1: UW-La Crosse 11, St. Scholastica 2 - The Saints got two solo home runs from Tyler Duex and Eric Pearson and held a 2-1 lead entering the sixth inning. However, the Eagles plated six runs in the sixth and then added four more runs in the ninth to score 10 unanswered and win 11-2. CSS finished with only three hits in the contest against second team All-American pitcher Caleb Boushley. It was St. Scholastica first multi-home run game at a NCAA Regional since 2008.

Game 2: UW-Whitewater 4, St. Norbert 2

Game 3: Adrian 5, St. Thomas 2

Game 4: Concordia-Chicago 8, Macalester 3

Game 5: St. Scholastica 2, St. Norbert 0 - eliminated - For the second straight year Martin Alcoverde pitched the Saints to victory in the first elimination game of the tournament, becoming the first CSS pitcher to throw a complete-game shutout in a NCAA postseason game in the 2-0 victory over the Green Knights. Alcoverde also had a program-high 13 strikeouts in a NCAA postseason game. With game time "feels like" temperatures below 40 degrees, Brian Minks singled in Tyler Duex in the top of the first. Then in the fourth inning Trevor Bernsdorf drove in Steven Neutzling and that was all the scoring the Saints needed. Duex finished 3-for-4 at the plate.

Game 6: St. Thomas 3, Macalester 2 (F/11) - eliminated

Game 7: UW-La Crosse 5, UW-Whitewater 2

Game 8: Concordia-Chicago 7, Adrian 2

Game 9: St. Thomas 7, UW-Whitewater 2 - eliminated

Game 10: St. Scholastica 11, Adrian 8 - eliminated - After sitting around most of the day waiting out the weather, the Saints and Bulldogs played the final game of Saturday night and it turned out to be one of the best games of the regional. CSS opened up a 4-0 following two-run home runs by Eric Pearson and Tyler Duex. The Bulldogs rallied with four runs in the sixth to tie the game. Adrian then took a 5-4 lead in the seventh before the Saints responded with three runs in the eighth thanks to a Trevor Bernsdorf RBI single and a Drew Colvard two-run double. However, Adrian answered in the bottom frame with three runs to take an 8-7 lead. Down to their last two outs in the ninth, Steven Neutzling hit a two-run double to give the Saints a 9-8 lead. That was followed by RBIs from Pearson and Conor Wollenzien to give the Saints an 11-8 victory in the fog of Whitewater.

Game 11: Concordia-Chicago 14, UW-La Crosse 0

Game 12: St. Thomas 10, St. Scholastica 5 - eliminated - The Saints and Tommies met again in an elimination game at a NCAA Regional. CSS took an early lead on a Brian Minks home run. With St. Thomas ahead 2-1, Conor Wollenzien led off the fifth inning to tie the game at 2-2. That was St. Scholastica's sixth home run of the regional. However, the Saints bullpen struggled for a third game at the regional, allowing eight runs in the final two innings to end St. Scholastica's season 10-5.

Game 13: UW-La Crosse 8, St. Thomas 3 - eliminated

Game 14: Concordia-Chicago 17, UW-La Crosse 3 - eliminated

Concordia-Chicago advances to the NCAA Div.-III World Series.

2016 NCAA Regional

La Crosse, Wis.

For the second straight year the Saints were back in La Crosse, Wisconsin for the Midwest Regional Tournament. It would also be an eight-team regional for the second consecutive season. The Saints entered as the No. 4 seed, their highest-ever seed in an eight-team regional. CSS also had a higher seed than any MIAC school for the first time in program history. The regional featured the host and reigning national runner's-up, UW-La Crosse, as the No. 1 seed. Concordia University Chicago returned as the No. 2 seed. North Central College (Ill.) came from the Central Region as a No. 3 seed. MIAC Tournament champion, Saint John's University was the No. 5 seed. Luther College (Iowa), who won the IIAC Tournament was the No. 6 seed from the Central Region. Kalamazoo College (Mich.) also came from Central Region as the No. 7 seed and Beloit College (Wis.) from the Midwest Conference was the No. 8 seed.

Game 1: Saint John's 7, St. Scholastica 2 - The Saints and Johnnies met for the first time in the postseason and despite 10 strikeouts from Jordan Risse, CSS fell 7-2. The Saints matched a season-high by stranding 13 runners on base. Steven Neutzling had two hits and drove in a pair of runs in the loss.

Game 2: UW-La Crosse 17, Beloit 2

Game 3: Luther 8, North Central 6

Game 4: Concordia-Chicago 13, Kalamazoo 2

Game 5: St. Scholastica 8, Beloit 1 - eliminated - Martin Alcoverde threw a complete-game five-hitter as the Saints snapped a six-game NCAA Regional losing skid with an 8-1 victory over the Buccaneers. Andrew Colvard drove in a career-high four runs on the day. Trevor Bernsdorf added a pair of RBIs. Alcoverde's complete game was the first by a Saint in a NCAA Regional since the 2011 season. Also just like 2010, the Saints would be the No. 3 seed in the tournament and would have to battle their way back after dropping their first game. Just like 2008, the Saints would do so and make their second regional final in the last four years with same outcome as the 2008 regional championship.

Three more runs on a pair of St. Norbert errors in the fourth frame gave CSS a 5-0 advantage. A Saints fielding miscue resulted in four Green Knights runs in the top of the fifth. NCAA/NAIA Tournament History

2007 NCAA Regional

Wisconsin Rapids, Wis.

Traditionally regarded as the strongest Regional Tournament in the NCAA Div.-III National Baseball Tournament, the 2007 NCAA Regional became a bit of a one-man show in UW-Stevens Point's Jordan Zimmermann. The Pointers rode Zimmermann's arm and bat to the World Series, despite being hit hardest by the St. Scholastica Saints. Zimmermann went on to be selected in the second round of the MLB Draft in July.

Game 1: UW-Stevens Point 11, St. Scholastica 3 - For the third consecutive season, the Pointers and Saints locked horns in the opening contest of the NCAA Midwest Regional Tournament. The Saints defeated the Pointers and Jordan Zimmermann 4-3 in 2006, but UWSP had downed CSS 7-6 early in the 2007 regular season. The Pointers plated single runs in each of the first three innings against Saints senior starter Mark Moriarty. Moriarty worked five strong innings with seven strikeouts. CSS touched up Zimmermann and tied the game with a solo homerun by Kyle Wojtysiak in the third inning and a two-run blast by Mike Lewis in the fourth. The game remained knotted at 3-3 until the bottom of the seventh, when the Saints' defense uncharacteristically collapsed. Eight unearned runs in two frames pushed the Pointers to the victory and only two of UWSP's 11 runs were earned.

Game 2: St. Thomas 5, UW-Oshkosh 1

Game 3: Ripon 4, St. Olaf 1

Game 4: UW-Oshkosh 11, St. Scholastica 5 - eliminated - The Titans took advantage of the long ball and the short fences of Witter Field with a pair of two-run homers in the early innings. The Saints, trailing 6-0 and held to one hit through four innings, scored three runs but left the bases loaded in the fifth inning. Poor defensive play haunted the Saints again, as CSS committed four more errors. The 10-error total through two tournament games accounted for nearly 20% of the team's errors all season long.

UW-Stevens Point earns berth in the NCAA III World Series

2006 NCAA Regional

Wisconsin Rapids, Wis.

In arguably the strongest Regional in the 2006 NCAA National Baseball Tournament, the Saints edged the hottest team entering the tournament (UW-Stevens Point) before dropping their next two contests. The Pointers battled back through the loser's bracket to advance to the World Series. St. Scholastica, who finished the regular season ranked fourth in the polls was awarded the No. 4 seed.

Game 1: St. Scholastica 4, UW-Stevens Point 3 - For the second consecutive year, St. Scholastica defeated UW-Stevens Point in the first round of the NCAA Div.-III tournament as the Saints edged the Pointers 4-3. The Saints took advantage of limited opportunities against the Pointers' pitcher Jordan Zimmermann, scoring four runs on just four hits without leaving a runner on base. After spotting the Pointers a run in the opening frame, St. Scholastica tied the score in the bottom of the first inning when Chad Weiss led off with his third home run of the season. Offense was hard to come by, as Saints starter Mark Moriarty matched Zimmermann pitch-for-pitch for over six innings. Kyle Wojtysiak gave the Saints the lead for good with a two-run single in the bottom of the fifth inning. Moriarty, who allowed two earned runs on seven hits with seven strikeouts was relieved by freshman closer Adian Kummet, who earned his third save of the season.

Game 2: St. Olaf 17, Dominican 8

Game 3: Coe 5, St. Thomas 4 (10)

Game 4: Ripon 14, St. Scholastica 8 - Thirteen hours after downing the Pointers in a game featuring great pitching and little offense, the Saints fell in a shootout against Ripon. The Saints jumped on the board early, with two runs in the top of the first, but the Red Hawks answered with four runs of their own in the bottom of the inning. A Brandon Swartz RBI in the top of the second trimmed the lead to 4-3 and took a 6-4 lead in the fourth, but Ripon notched three runs to take the lead in the bottom of the frame. The Saints battled back, but the Hawks stood strong, adding five runs in the eighth to secure victory.

Game 5: St. Thomas 22, Dominican 3 - eliminated

Game 6: St. Olaf 8, Coe 2

Game 7: St. Thomas 13, St. Scholastica 3 - eliminated - The Saints took an early 1-0 lead on a Swartz sacrifice fly in the first inning, but St. Thomas turned around and hit two home runs for four runs in the second. The Tommies never looked back as pitcher Dan Lesie earned a complete-game victory.

Game 1: UW-Whitewater 7, St. Thomas 4

Game 2: St. Scholastica 5, UW-Stevens Point 3 - St. Scholastica senior pitcher Jake Eiler had a stellar outing against top-seeded Stevens Point, earning a complete-game win after surrendering three runs on seven hits while collecting 11 strikeouts without a walk. Tied 3-3 entering the top of the 6th, back-to-back two-out singles put the Saints ahead as Kenny Kolquist batted in Mike Lewis. Tom Simonson scored an insurance run after a D.J. Game 4: UW-Whitewater 6, St. Scholastica 0 - Whitewater kept the Saints offense at bay as Ryan Bruns, Mike Lewis, and Kenny Kolquist collected the only hits in the game for St. Scholastica. 2000 NAIA Regional/Super Regional

Sioux City, Iowa.

Following a record-setting regular season, the Saints breezed through the UMAC Tournament to earn a berth in the NAIA Region 3 Tournament held in Sioux City, Iowa. The Saints wasted no time showing why they were on a 20-game winning streak by winning the first two contests of the tournament by a combined score of 22-2.

CSS topped Sioux Falls University 13-1 behind a complete-game performance from Joe Wicklund. Wicklund allowed only four hits while striking out seven and walking none. Josh Lamppa led the Saints past Huron University 9-1, tossing a seven-hitter with five strikeouts. Chris LePine had six hits and six runs in the two games and Leland Swenson knocked in six runs.

The Saints then sent ace pitcher Corey Kemp to face perennial power Mayville State (N.D.) University. Kemp battled, allowing four earned runs while striking out seven in 7 1/3 innings. The Saints scored three runs in the bottom of the second to break a 1-1 tie, including a solo homer by Nick Bjerken. CSS scored four more runs in the fifth inning, three coming on a triple by Greg Young. Young finished the day 4-for-5 with three RBIs. Freshman Brett Nyquist finished off the 12-6 victory with 1 1/3 innings of perfect relief.

"The thing that was nice to see against Mayville State was that our younger guys played so well," Saints coach John Baggs said after the game. "We expect our seniors to be playing well, they're at the end of their careers. But the younger kids have been outstanding; we had two sophomores and two freshmen who were 11-for-19."

Riding a school-record 23-game winning streak, the Saints faced No. 2 seed and tournament host Briar Cliff University. The Saints fell behind 9-0 early and were never able to regroup as the Chargers' bats never cooled off in an 18-11 victory.

Staring season-ending elimination in the face, the Saints did the obvious ... they switched uniforms, to their favorite gold with pinstripes; a uniform combination they'd never lost in.

The new-look Saints took a 2-0 lead in the top of the first inning on a single by Young, a triple by Swenson and a sacrifice fly by Derek Bilben. CSS scored four more in the fourth, highlighted by Bilben's homer, to extend their lead to 10-3. St. Scholastica never looked back, winning 15-9. Bilben finished the day with four hits, a school-record eight RBIs and a prolific homerun.

Freshman left-hander Nick Bjerken started and Nyquist pitched five innings of relief to get the win, allowing eight hits and three runs. Sophomore Dan Birkholz went the last two innings to earn the save.

Following the regional championship, the Saints hosted former national champion Bellevue (Neb.) University in the Super Regional at Wade Stadium in a best-of-three series.

1,420 fans were on hand to see the opening game, one of the most memorable in St. Scholastica athletics history.

Bellevue built a four-run lead, scoring two runs in the second on catcher Kevin Bratetic's two-run homer and two more in the sixth on designated hitter Nate Lueder's two-run double. The Bruins made it 7-3 when Saints' relievers Josh Lamppa and Nyquist struggled, walking in two of three runs in relief of starter Wicklund.

The Saints battled back with five runs in the top of the eighth inning to take an 8-7 lead. The Bruins tied the score with a run in their half of the eighth, and a scoreless ninth.

In the tenth, following a Bilben triple, Justin Harriman ripped an RBI single to plate the Saints' ninth run. Bjerken then slashed a triple down the right-field line to knock in three more runs. The Saints added another run to push the lead to 13-8. CSS again gave the ball to Birkholz and he delivered, slamming the door on the Bruins in the bottom of the inning. Birkholz worked 2 1/3 innings to pick up the win, striking out four of the seven batters he faced.

The tournament-tested Bruins toppled the Saints in the second game by a 14-7 score, forcing a third and deciding contest.

With a record-breaking 1,630 fans on hand, the Saints took on the Bruins for the fifth time in the 2000 season. CSS fell behind 4-0 in the second inning, but ignited the crowd with a four-run rally in the top of the third. Swenson, Harriman, junior Joey Wood and Bjerken each hit RBI singles.

But it was all the Saints could muster against Bellevue, as the Bruins posted two more runs in the third and six runs in the fifth. The 13-4 victory sent Bellevue (49-26) to their fourth-straight NAIA World Series and ended the Saints season at 41-11.

"I don't know what is harder; seeing the seniors lose this game after all the hard work they've put in over the last four years, or knowing that next year I won't have Justin Harriman catching," Baggs said to reporters following the game. "And I won't have Leland Swenson starting at shortstop or Chris LePine in centerfield - or Joe Wicklund or Josh Lamppa in the pitching rotation. That's what's going to be tough. I'll miss these seniors like no other class."

A hard swinging, power hitting left hander, Sean occupied the number three spot in the lineup for almost his entire career.

“Claw” finished his career as a .382 hitter, and his name can be found in the Top Five of almost every career offensive category in the Saints record book, including 205 career hits (fifth place all-time), 163 runs batted in (fourth), 21 home runs (fourth), 187 runs (third), and 54 doubles (third).

Although not known for his speed or defense throughout his career, “Claw” was a near perfect 20-21 in stolen bases and finished his career with a .988 fielding percentage.

His best offensive year could quite possibly be his sophomore season of 2008 when he batted .447 with 10 home runs, 18 doubles, and carried a slugging percentage of .830.

In all, Clagherty was a three-time All-UMAC selection including being named 2008 Player of the Year and was named All-Region three times as well. In 2008, he received All-American honors.

2B JEFF LAHTI Class of 1999

5

Although you will not find Jeff’s name near the top of the career leaders, from 1996-1999, you could associate his name with being one of the best leaders to ever captain the Saints.

During his senior season of 1999, Jeff led the Saints to their first ever NCAA tournament. That season, playing on a team filled with future hall of famers and members of this 25th anniversary team, Jeff led the team with 50 runs batted in, batted .353 and played in all 48 games.

Jeff’s presence and handle-bar mustache was often intimidating to opponents and sometimes even his teammates. His “I-won’t-lose” attitude helped create a culture that every his teammates followed.

Following graduation, Jeff played professional baseball for the Duluth Superior Dukes and finished his professional career as a .283 hitter.

Lahti was named All-UMAC twice and received All-Region honors in 1999.

Sickler’s postseason honors including being named NCAA Midwest Division-III Athlete of the Year in 1997, three All-Region selections, and two All-American Selections.

SS **LELAND SWENSON**
Class of 2000

9

Leland Swenson came to the Saints as a freshman in 1996. For the next four years if you showed up at the ball park to watch the Saints, there was a good chance that Leland would be starting at shortstop.

Swenson not only played flawless defense, but he provided the Saints a tremendous amount of offense with his 225 career hits, 173 runs scored, a .399 batting average, and 166 runs batted in.

He shares the single-season hits record of 83 and holds the single-season RBI record with 77. His .464 batting average is the third highest single season total.

Following his four years at CSS, Leland became the first Saints baseball player to play for a major league organization when the Texas Rangers signed him to a contract in 2000.

He went on to play two seasons in the Texas Rangers organization, one season with the Duluth-Superior Dukes, and finished his career as the starting short-stop for the St. Paul Saints.

C **JUSTIN HARRIMAN**
Class of 2000

7

A first team All-American catcher following his senior year of 2000, "Harry" made an immediate impact as a freshman by batting .360 with 30 RBIs.

A career .393 hitter, Harriman ranks 2nd in career hits with 243 as well as doubles with 56. His 24 home runs are the third-most for any Saints hitter and his 178 runs batted in are the most in program history. Most would argue his most impressive accomplishment was his 42-game hitting streak from 1999-2000, but those in attendance would argue his walk-off home run in 1999 that gave the Saints their first ever win in an NCAA Tournament.

Although he had a strong dislike for pitchers, Harriman was responsible for much of the success Saints pitchers endured during his four years behind the plate.

Harriman was a four-time All-UMAC selection and three-time All-Region honoree.

DH **GREG YOUNG**
Class of 2002

3

Greg Young's legacy in Saints baseball history was created with his bat as he is possibly the greatest hitter to ever wear the Saints uniform.

In his freshman season in 1999, "GY" appeared in 14 games and collected only 4 hits, but one was a home run.

His sophomore season was sensational, posting a .444 batting average, 44 RBIs, 28 stolen bases, and a slugging percentage of .630.

Over the next two years Greg began to cement himself in CSS baseball glory, hitting .474 in 2001 and .465 in 2002 – the two highest batting averages during a single season in the program's history.

"GY" is the all-time leader in batting average at .455 and also sits atop the slugging percentage list at an amazing .767. His 24 home runs rank second for a career, as do his 176 RBIs. Additionally, he is the single season leader in stolen bases with 40.

Young was named UMAC Player of the Year twice and received All-UMAC honors a third time. He was the 2001 Region Player of the Year while receiving three All-Region nods. He also received All-American honors twice.

CSS Baseball 25th Anniversary Team

LF **DEREK BILBEN**
Class of 2000

21

Derek Bilben knocked 34 career home runs – the most by any Saint – and didn’t even play four years with the team.

Bilben is also the single-season leader with 16 round trippers, may have been the most feared Saints hitter to opposing hurlers. Standing at 6’1” 215 pounds, Bilben was responsible for much of the Saints offensive success from 1998-2000.

During the Regional Championship game in 2000, Bilben put the Saints on his back and drove in 8 runs, leading his team to their first and regional title.

Bilben was a three-time All-UMAC selection and named All-Region in 1998.

CF **CHRIS LEPINE**
Class of 2000

20

The first great center fielder and lead-off hitter in Saints history, Chris LePine was the motor of the Saints.

The program’s career hit leader with 245, he also ranks second in runs with 227, fourth in doubles with 54, and second in stolen bases with 96. His 83 hits in 2000 tie him with Leland Swenson for the most in a single season, and his 80 runs scored are the most ever in one season.

LePine was also well known for his ability to chase down any ball hit his way. He galloped from gap to gap, turning would-be hits into outs. But perhaps the most electrifying weapon in his arsenal was his ability to run the bases, turning singles into doubles and doubles into triples.

LePine was named an All-UMAC selection in each of his four years as a Saint and received All-Region honors twice, including an All-American selection in 2000.

RF **JOSH WETTLAUFER**
Class of 2004

5

Another great centerfielder in Saints baseball history, Josh Wettlaufer began his career as a freshman in 2001 and was instantly inserted into the starting line up.

Over his four-year career, Josh played in 176 games, missing just six. Josh was the spark plug of the Saints during his tenure.

He ranks first in career runs scored with 253 and also in stolen bases with 101. He is third in career hits with 240 and batting average at .408.

Wettlaufer was not your stereotypical lead-off hitter who would hit singles and steal bases. He also possessed the ability to hit the long ball and following zero homeruns during his freshmen year, he went on to hit 15 over the next three years – including ten during his senior season to go along with a team-high .463 batting average and 30 stolen bases.

During Josh’s senior season, his team won a program-best 42 games – and he was leading the way.

At the conclusion of his career in 1995, “Avi” was the program’s leader in wins, ERA, and strikeouts. He finished his career with 13 wins, a 2.70 ERA, 160 innings pitched and 160 strikeouts.

In a period of Saints baseball where wins did not come easy, Avi’s teams set program records for wins each year he played for the Saints -- winning 16 games in 1993, 18 games in 1994, and, finally, 24 games in 1995. In 1995, Avikainen was named an All-Region pitcher and received All-District honors twice.

P **BRETT NYQUIST**
Class of 2002

44

The first Saint to be selected in the Major League Baseball Draft, Brett Nyquist, was chosen by the Montreal Expos in the 13th round of the 2002 MLB draft.

During his three-year career at CSS, the six-foot-seven-inch left-hander, developed into the hardest thrower in the program’s history – topping out at 94 miles per hour during junior season.

Major League scouts were a common sight when he was on the mound in 2002, as he posted a single-season best 1.09 ERA and struck out 83 batters while holding them to a .198 batting average.

During his sophomore season he tossed a complete-game no-hitter against the number one team in the country, the University of St. Thomas, and during his freshmen year, he earned the win in the Saints’ regional championship game.

His postseason honors included two All-UMAC selections including being named 2002 UMAC Pitcher of the Year as well as All-Region and All-American nominations in the same season.

13

Tied for second in career wins with 24, fourth in career strikeouts with 238, and posting the second-lowest single-season ERA at 1.51 and third-highest single-season strikeout total with 93, Jake Eiler was a work horse for his Saints teams.

Jake drew the Saints toughest opponents over his final two seasons for the Saints, meeting the challenge each time he took the mound. During his junior and senior seasons, Jake was a combined 18-3 with 177 strikeouts compared to only 15 walks.

Eiler was named All-UMAC four times including a Pitcher of the Year nod in 2005. He also was named All-Region three times.

During his sophomore season, “Mo” struck out 106 batters, the second-most in a single season for a Saints pitcher. He is also the current record holder for the most strikeouts in a single game with 16.

During the NCAA Tournament in 2006, Moriarty outdueled a future Major Leaguer in the Washington Nationals’ Jordan Zimmerman to give the Saints a 4-3 win. In the summer of 2009, Moriarty played professional ball himself for the St. Paul Saints.

Moriarty’s postseason honors including a 2006 UMAC Pitcher of the Year selection and two All-Region selections. He received All-UMAC honors three times.

CSS Baseball 25th Anniversary Team

P

COREY KEMP
Class of 2001

18

The soft-throwing lefty relied on a mix of 79-mile per hour fastballs, slow changeups, and an even slower curve ball, to earn the most wins in the program's 25 year history.

His career totals of 29 wins, 233 innings and 258 strikeouts are all tops for a Saints pitcher, and his 11 wins in 2000 tied him with Ben Sickler for the most in a single season by a Saints pitcher.

As a sophomore in 1999, "CK" came out of the bullpen to pitch 8 innings and earn the first ever win for the Saints in an NCAA Tournament when Justin Harriman hit a walk off homerun against Wis.-Stevens Point.

Kemp was a great example of how working fast, changing speeds, and throwing strikes can make you a successful college pitcher. He was named UMAC Pitcher of the Year twice (2000, 2001) and received All-UMAC honors in each of his four years at CSS.

"CK" earned All-Region and All-American honors twice in his four-year career. His number (18) was retired by the program in the fall of 2023.

The other 26 were out of the bullpen as the Saints closer, recording nine saves and helping his team win numerous close games by shutting down the opposition in the late innings. Kummert overpowered opposing batters with his sweeping slider and lively fastball by striking out 215 batters (fifth-most all-time) in 198 innings.

The 2007 UMAC Pitcher of the Year, Kummert earned all-conference and all-region honors each of his four years at CSS and was named an All-American in 2009.

JOHN BAGGS
Head Coach

33

Hired at the young age of 24, Coach Baggs was the youngest college baseball head coach in the country. He inherited a baseball program that had won only 34 games during its first five years – and had never won more than 11 games in a single season.

It did not take long for Coach Baggs to change the culture of his new program. They won 11 games in his first season of 1992, the following year 16 wins, the next year 18, then 26. In 1996, his team won 33 games; in 1997, 33 more. For his career, Coach Baggs had 567 wins in 18 years..

Although he valued a victory, what was more important to him was developing quality student-athletes who were good students and even better people in the community. He cared about the accomplishments they would achieve in their life after baseball and was always there for support.

Every strong family has a leader, and for 18 years, John Baggs was the leader of Saints Baseball– and even though he is not with us on the field today, he will always be leading The Saints Baseball Family in our hearts.

Opening on July 16, 1941, Wade Stadium was built as part of Franklin Roosevelt's Work Progress Administration - a federal jobs program implemented during the Great Depression. Paving bricks from Grand Avenue were installed by masons hired by the Federal Government and were used to create the grandstand which still stands today. Wade Stadium was originally called All-Sports Stadium. Since 1941 more than 1 million fans have attended games at Wade Stadium.

Kevin Richard of Ballpark Digest writes in his online review of Wade Stadium, "I will be upfront about my passion for Wade Stadium and Duluth, for I strongly believe that there is no better place to watch a baseball game on the face of the Earth."

In the fall of 2014, Wade Stadium got its biggest renovation in recent memory when the natural playing surface was torn up and field turf was installed throughout the field. New lights were also installed as well as cosmetic work on the exterior of the stadium.

In Fall of 2024 New turf was put in.
