A member of the NCAA's Olympic Committee, he helps select members of America's Olympic teams. He also serves on the Honors Court for the National Football Hall of Fame.

Davis, 53, came to CSU as head football coach in 1947 and he quickly rebuilt Aggie football, piloting the team to second place in his second season and winning Skyline Coach-of-the-Year honors. He held the CSU head coaching reins for nine seasons, capping his fine record with a Skyline championship in 1955 and again winning the Coach-of-the-Year award. His overall record as CSU grid chief was 54 wins, 33 losses and two ties.

Among the talent he developed were a number of men who went on to star in professional football. These include Thurman "Fum" McGraw, Jack Christiansen, Jim David, Dale Dodrill, Gary Glick, and Don Burroughs.

An outstanding quarterback at the University of Utah and team captain in 1929, Davis coached at South High School in Salt Lake City, Weber College in Utah and at Utah U. and Denver U. before coming to CSU.

Director and Mrs. Davis have two sons, Ted and Wes.

DON "TUFFY" MULLISON Head Coach

Don W. "Tuffy" Mullison, a coach with the knack of getting the most from his material, is in his sixth season as chief of CSU football.

The personable Mullison, a firm believer in the teaching of sound fundamentals, was appointed head coach in 1956, succeeding Bob Davis. He served as an assistant on Davis' staff the four preceding seasons.

As an undergraduate at CSU, Mullison won All-Skyline Conference honors at guard in 1948. In wrestling he won four conference championship crowns and went on to join the elite of college grappling, taking third in his weight in 1948 and 1949 NCAA championship meets. He also lettered 3 years on Aggie baseball teams and won the 1949 Nye

Trophy, awarded annually to the school's outstanding senior athlete.

The head coach earned a number of college honors in fields other than athletics. He was a member of Phi Kappa Phi, educational honorary society, and he ranked as the top graduate student in physical education at Colorado State College, Greeley, where he received his master's degree. He was chosen a Pacemaker, served as president of both his junior and senior classes and was a member of student council, inter-fraternity council, and athletic council at CSU.

A native of Fort Morgan, the 37-year-old Mullison first enrolled at CSU in 1942, but his college career was interrupted by a call to military service. He served with the 11th Airborne Division in the Far East before returning to school.

Mullison is married to the former Miss Nyline Wallace and the couple has one son, Michael.

JOE CRIBARI

Line Coach

Joe Cribari, a former All-Conference and All-America center at the University of Denver, is in his fifth season as assistant coach at Colorado State University.

Born and raised at Salida, Colo., Cribari, 38, earned his honors at Denver despite his comparatively small size. He was chosen on the All-Conference teams of 1942, 1947 and 1948 and on the INS All-America Team in 1948.

After completing his competition, Cribari served as an assistant on the DU football staff in the spring and fall of 1949 and in the spring of 1950. He then coached at Kearney, Neb., and at Trinidad Junior College, where he was head coach 2 years before joining Mullison's staff.

Cribari received a bachelor's degree in chemistry and a minor in physical education from DU in 1950 and a master's degree in 1959. He was president of his senior class at Denver, a member of "D" Club, lettermen's organization, listed in "Who's Who in American Colleges and Universities," and a member of Mu Beta Kappa and Phi Beta Sigma. He was a tank instructor in the Marine Corps in the late years of World War II.

Cribari is married and the father of two children, Kim and Chris.

OLLIE WOODS

Backfield Coach

Ollie Woods was appointed to the Aggie football staff in 1958 after his Trinidad Junior College team won the Empire JC title in his first season at the school.

Woods, 38, a native of Montrose, Colo., was a three-sport athlete at CSU from 1946-1949. He earned two letters in football, two in wrestling and one in track, and he won the conference 155-pound mat crown, tied for the league's pole vault title and won all-conference laurels as a half-back, all in 1948.

Woods, who doubles as the Aggie wrestling coach, received his bachelor's degree from CSU in 1949 and his master's degree from the University of Denver in 1953. At CSU he was president of the "A" lettermen's club and was listed in "Who's Who in American Colleges and Universities."

INTRODUCING THE CSU STAFF

He served with the U. S. Navy from 1943-1946, being stationed part of the time in the South Pacific.

Wood's coaching experience before going to Trinidad JC was in Colorado high schools at Craig, Wheat Ridge, Fort Collins and Fort Morgan.

He and Mrs. Woods have two daughters, Lorrie and Amy Lou.

RICHARD "JOE" HARPER

Line Coach

Joe Harper is the most recent addition to the CSU football staff, appointed to replace Dick Tomlinson last winter.

A 3-year letterman at guard at UCLA, Harper captained the Bruins in 1957, his senior year. Following his graduation he was assistant freshman coach at his alma mater in 1959, and head coach at Riverside, Calif., City College in 1960. His team there had an 8-1 record and won the conference title.

Harper, 25, holds B.S. and M.S. degrees in physical education from UCLA. He was a Distinguished Military Graduate there and he later served as a second lieutenant with the artillery.

Harper is a native of Glendale, Calif., and he attended high school there, lettering in football and baseball.

He and Mrs. Harper are parents of a son, Bradley.

Elliott Plese is in his fourth season as head freshman football coach, after assisting for several years.

The 37-year-old Plese was born and raised in Pueblo, Colo. He enrolled at Colorado State University in 1949, assisted with freshman football and received his bachelor's and master's degrees. He was a member of Phi Kappa Phi at CSU.

Plese returned to Pueblo as head football coach at Pueblo Junior College, then came back to CSU in 1956 to join the physical education and freshman football staffs.

From 1943-45 he served with the 11th Airborne Division in the Pacific.

-sizing UP THE 1961 RAMS

GENERAL OUTLOOK

Head coach Don "Tuffy" Mullison, starting the second year in a rebuilding job on Colorado State University football, feels his 1961 Aggie squad "can be reasonably sound and improved" over the 1960 edition.

The reconstruction program started last fall when the Ags, overloaded with young, unseasoned players, turned in a 2-8 record and finished in a cellar tie in the Skyline Conference. From his strong 1959 club, runnerup to Wyoming for the league title, Mullison last term had lost 22 lettermen and had only nine returning. As a result the Rams had to go with an unusually large number of inexperienced hands and that fact was reflected in the record.

Mullison takes a brighter view of the current picture. "Our varsity holdovers," the coach says, "made fine progress in spring training; most of the transfers worked out well and some of our upcoming sophomores showed real promise. We feel the blend of these three groups will give us an interesting team in 1961 — one that should be better than last season. However, we face a real tough schedule, including six strong Skyline teams and four tough non-league clubs. We look for the Skyline to be better balanced than it was a year ago.

"One of the chief reasons why we should be improved," Mullison goes on, "is that there is considerably more competition for positions on the squad than there was last year."

Turning to a more detailed squad analysis, the coach says "we won't have much size, but we will have reasonably good overall team speed and agility. Our backs are not real fast, but they do have fair running ability. The passing game is a question mark and our quarterbacks (one non-lettered varsity returnee and four junior college transfers) will have to develop and come through if we are to have a successful season. Another potential problem is our interior line which we hope to strengthen."

CSU in 1961 will operate from the T formation, using a split end much of the time.

Outlook by Position

ENDS — Junior letterman John Nelson, a regular last season, should be one of the region's standout wingmen. Two other lettermen, Rod Rodeman and Bob Lavender are available and are leaders in the battle for the other starting job. Transfers Bob Hays and Ted Olson indicated in spring ball they will be helpful as did John Swanson and Gary Schroeder, two good sophomores. CSU basketball star Kay McFarland, in his first try at college football, could also help.

TACKLES — Two-year letterman Joe Keegan returns to provide seasoning. Transfers Curtis Threatt and Karl Kurtz both look strong and capable of giving Keegan a run for right side first string berth. More transfers Doug York, Tony Lusk and Frank Wilson appear about equal in ability and are in three-way fight for left tackle slot.

GUARDS — Returning varsityman Ray Burch and outstanding sophomore Purdom Thomas lead right side candidates. Strength real good on left side, featuring Nick Kohls, an All-Skyline candidate, backed up by letterman Rich St. Clair. Transfers Arnold Epps and Mark Kulmus, returning varsityman Mel Foss, and Hiram DeFries, injured in 1960, are on hand to add strength.

CENTERS — Junior John Cook, regular last year, returns to head the group. Transfer LeRoy Porter shows promise and letterman Bob Adams will add depth. DeFries may be used here instead of at guard.

QUARTERBACKS — Transfer LeeRoy Gutierrez definitely out in front at this slot as fall drills opened. Varsity holdover Bill Berringer is developing reasonably well and transfer Barry Carkner passed impressively in spring game.

SIZING UP THE 1961 RAMS

Outlook (Cont.)

He could be an asset if the rest of his game improves. Transfers Jim Kreutz and Rex Wright will add strength.

HALFBACKS — Three lettermen on hand — Dennis Wohlhueter, Rich Brown and Bill Wrenn. The former two have inside track to regular roles and Wohlhueter could be one of the area's top offensive threats. Sophomores Ken Hines, Ron Kaanehe and Stan Williams, returning squadmen Don Gatewood and Larry Schrader and transfers Terry Van Vleet and Paul Love provide capable backing.

FULLBACKS — Letterman Ish Ransaw, transfer Don Pomeroy and sophomore Bill Beitz all looked impressive in spring drills. Ransaw was a regular on defense last season and is counted on as a strong attacking threat as well this term. Wrenn may be switched here from halfback if depth problems develop.

Reason for the optimism is new strength at the end positions and fine veteran talent at other spots. Standouts to watch are backs Ron Cosner, Joe Zuger, Clay Freney, Dornel Nelson, Nolan Jones and Mitch Siskowski; and linemen Jess Bradford, Fred Rhoades, Dick Locke and Larry Reaves.

It was USU's finest campaign on record. This term coach Ralston's squad returns many of its outstanding veterans such as tackles Merlin Olsen, 1960 All-American, and Clark Miller; guard Willie Redmond, and halfback Tom Larscheid who should make the Ags top contenders once more.

General Outlook: Montana should have a fairly strong first team, headed by a classy backfield, but will be plagued by a lack of depth, especially in the line. Coach Jenkins' team has back the entire starting secondary from last year's best MU club in a decade — quarterback Bob O'Billovich, fullback Gary Smith and halfbacks Terry Dillon and Pat Dodson. Conference: Skyline

1960 Record: Won 3, Lost 8

General Outlook: A new era finds the Cougars starting from scratch with a new staff, new system, and new personnel. But the challenge — that of building a strong BYU football tradition — remains the same. New head coach Hal Mitchell has 18 lettermen to work with, but only two of them — guards Mike Conrad and Mike Brady — were regulars on the 1960 team which finished with a 3-8 record. Other standouts will be tackle Kent Horne and backs Perry Ficklin, Bill Wright and Paul Allen.

Head Coach: Bill Weeks (Iowa State '51)

Ath. News Director: George McFadden

Offensive System: Wing T

Nicknames: Lobos, Wolfpack

Enrollment: 7,600

Athletic Director: Pete McDavid

Conference: Skyline

1960 Record: Won 5, Lost 5

General Outlook: The Lobos, fourth in the Skyline last season, should be a strong first-division threat in 1961. Four out of their five victories last year came in a row at the end of the campaign and most of their resurgence was geared to players who return in 1961. Among these key performers are center Gene Scott, guard Chuck Cummings, halfbacks Bob Santiago and Bob Morgan, quarterback Jim Cromartie and end George Heard.

CSU COACHES' RECORDS

Don "Tuffy" Mullison, the present gridiron chief, is the eighth head football coach in Colorado State University's history. Sketchy early records indicated CSU played its first two football seasons, 1893 and 1899, without a coach and George Toomey, who came in 1900, is listed as the first head coach. Here are the Aggie coaches' records:
