# Niko Medved
## Head Coach (189-156 overall, 110-68 at CSU)
## 11th Season Overall, Sixth at CSU

Niko Medved became the 10th coach in Colorado State men's basketball history in March of 2018. Returning to Fort Collins after he was an assistant coach from 2007-13.

In his five years in charge of the Rams, he has compiled a 92-64 record including a trip to the NCAA Tournament in 2022 and advancing to the NIT semifinals in 2021. The NCAA Tournament appearance in 2022 was the program's first in nine seasons. Over his first four years in Fort Collins, he saw his team's wins improve year over year.

Medved has a great record of developing talent having coached 16 all-conference selections, three conference players of the year and four NABC and USBWA all-district selections over his nine-year head coaching career. This long list of players includes 2021 All-America selection, David Roddy. Roddy earned Colorado State's first All-America honors since Gian Clavell in 2017 and was just the fifth player in CSU history to be an All-American. He went on to be Medved's first NBA Draft pick, being selected by the Memphis Grizzlies with the 23rd overall pick in 2022.

The 2021-22 season was a special one for Colorado State going 25-6 and making the NCAA Tournament. Medved earned USBWA District Coach of the Year honors. David Roddy was the Mountain West Player of the Year along with a finalist for the Karl Malone Power Forward of the Year, Lute Olson National Player of the Year and John Wooden Award. Meanwhile, Isaiah Stevens was a finalist for the Bob Cousy Point Guard of the Year.

Medved helped the Rams improve from 11 to 12 wins in his first season at the helm of the Green and Gold but took it to another level posting three straight 20-win seasons.

He made his head coaching debut at Furman, leading the Paladins from 2013-16. He had an overall record of 62-70 at Furman, taking them to the CIT in 2016 and 2017 and earning the Southern Conference Coach of the Years honor in 2017. He twice coached the SoCon Player of the Year.

Before returning to Colorado State, Medved spent one year at Drake for the 2016-17 season. He saw instant success with the Bulldogs going 17-17 and leading them to their first postseason tournament in six years competing in the CIT.

Medved started his coaching career at the University of Minnesota as a student manager and assistant before taking his first full-time job at Macalester College. He became an assistant coach at Furman, Minnesota and CSU before becoming a head coach. During his stint as an assistant coach with Colorado State, Medved was on staff for teams that went to five straight postseason tournaments, including back-to-back NCAA Tournaments in his final two seasons.

He earned his bachelor's degree and master's degree from Minnesota in kinesiology and sport management, respectively.

Medved and his wife Erica have two daughters, Aly and Taylor.

## Moby Madness
CSU has a record of 605-249 (.706) all-time at Moby Arena, including 58-14 (.788) the last five years.

2019-20's 12-4 mark had to do with some significant difference in major categories in favor of the Rams, with similarities returning in a 10-1 mark in 2020-21, tying for the fifth-best single-season win percentage in Moby.

2021-22's 14-1 record at home follows a similar trend, as CSU tied for the second best home win percentage.

Colorado State had a 13-game home win streak that extended from the 2020-21 season to the 2021-22. It tied for the fourth-longest in arena history and sixth-longest in program history.

## Valuing the Ball
Colorado State did a good job taking care of the basketball in 2022-23. CSU ranked 55th in the nation in turnovers per game at a rate of 11.2 and 14th in assist-to-turnover ratio at 1.48.

Isaiah Stevens was impressive averaging 6.7 assists and an assist-to-turnover ratio of 3.07. Those numbers ranked fourth and sixth in the country.

CSU is back to that formula once again this year with a 1.89 assist-to-turnover ratio to rank second in the nation and 42nd turning the ball over just 10.2 times a game.

Eleven times this year, the Rams have turned the ball over less than 10 times including a season-low five at Fresno State.

Stevens is once again leading the charge with his 3.29 assist-to-turnover ratio that is 13th in the nation and third best 7.3 assists per game.

## Find the Best Shot
A key to CSU's success in 2022-23 was not forcing bad shots. The Rams shot 48.8% from the field. That led the Mountain West and was ninth in the nation. Colorado State was second in the conference in effective field goal percentage at 55.8%, that put them 11th in the nation.

CSU has continued that trend during the 2023-24 season. The Rams are shooting 50.6% from the field to rank sixth in the nation. Their effective field goal percentage of 57.8% is fourth the nation.

The Rams offense is the 21st most efficient according to KenPom.

## Sharing is Caring
Ball movement and sharing the ball are key components of Niko Medved's offense. The Rams are averaged 16.5 assists per game in 2022-23. That ranked second in the Mountain West and 12th nationally.

Good ball movement and taking care of the ball also helped the Rams turn in the 14th best assist-to-turnover ratio in the nation at 1.48.

The Rams put this idea on display in the second game of the season when they recorded 37 assists on 42 makes.

The 37 assists set a program record and are the most assists in a game featuring two Division I teams since 2019. It is tied for the 18th most assists ever in an NCAA game.

CSU surpassed the 30 assists mark again when they had 33 against Adams State on 41 makes.

The Rams have recorded 20-plus assists in nine games and 15-plus, 18 times.

Colorado State is averaging 19.3 assists per game to rank third in the nation and have the nations second best assist-to-turnover ratio of 1.89.

Guard Isaiah Stevens is third in the nation with 7.3 assists per game.

### Out in Transition
CSU has done a good job getting out in transition this season averaging 14.13 fast break points per game. That ranks 33rd in the nation and second in the Mountain West.

The Rams have scored 20-plus fast break points five times this year and topped the 15 point mark, eight times.

### Fort Collins 76ers
The Philadelphia 76ers held their three-day training camp inside Moby Arena prior to the start of the 2023-24 season. The Rams were able to take in teams practices while the 76ers were on campus.

### What's Ahead
Colorado State hits the road for a big test next Tuesday at San Diego State. The Rams and Aztec tip-off at 7 pm MT.
