Opening Kickoff

Opening Up: The Cougars close out their season high three game home-stand on Saturday before heading to Wisconsin to begin a five-game road stretch that will stretch until the end of September. CUC has shown growth through their first two matches which came against very strong sides during the Concordia Invitational last weekend.

Series History: CUC has faced off with Webster four times in program history. Webster leads the all-time series 3-1-0. The Gorloks took the first three matches with the Cougars taking their last match 1-0 on September 3, 2011. The Cougars have faced Beloit twice since 2014 with CUC taking both matches from Beloit by scores of 2-1 and 2-0.

Recapping 2016: The Cougars fought hard but were unable to score at times. The strong goaltending effort of Roberto Aragon and Zachary Adamec helped to keep the Cougars in games all year long. CUC did find success last season when they scored first, going 3-1 on the season when they netted the first goal of the match.

A Word from Coach Arango: "We learned a lot about ourselves as a team over the first two games. We created some good opportunities going forward in the two matches but now we need to learn to put them away. The boys fought hard against two strong sides to open up the season. Now the challenge is to put it all together for 90 minutes and put some shots into the back of the net and earn a decision."

About the Gorloks: Webster comes into Saturday's match with a 1-1 record after dropping their season opening match to Illinois College before rebounding to defeat Monmouth College in their home opener 1-0. The game winning goal came off of the foot of Tyler Kendrick who came on as a sub in the match. One of the most consistent programs in the Midwest, Webster is known for playing one of the most rigorous non-conference schedules before entering SLIAC play. When in conference, the Gorloks won four straight titles between 2011 and 2015 under the direction of current head coach Mike Siener.

About the Buccaneers: Beloit College comes into Sunday's contest 0-3-0 after falling to three familiar opponents to Cougar fans in Edgewood, Wisconsin Lutheran and Marian. All of the Buccaneers' matches thus far have come on the road as well. Beloit's latest match came on September 6th, when they fell to Marian by a final score of 2-0. Beloit has made two Midwest Conference Tournament appearances since 2011. After a couple tough years Beloit finished 7-8-1 in 2016. Beloit is under the direction of first year head coach Duncan Gillis.

Cougar Stadium

Concordia Stadium was built in 2000 to accommodate the addition of Cougar women's and men's soccer teams, women's and men's lacrosse, and the Cougar football program. Field Turf was installed to replace the old natural grass surface, and new bleachers and a press box were constructed.

The facility was officially dedicated on Sept. 1, 2001 as the Cougar football team hosted Trinity International University. Subsequent firsts for the Cougar soccer teams came on Sept. 4 for the women (University of St. Francis) and Sept. 5 for the men (Dominican University).

Concordia Stadium is the host for the annual Cougar Invitational, in which the CUC track and field team welcomes several of its local rivals for an exciting daylong competition. The stadium's track is used by many local high schools during the spring. The annual Lutheran Sports Association Track & Field Championships in May is also a highly anticipated annual event.

Outside soccer teams have also utilized the facility including the Chicago Red Stars' professional women's team. The Illinois High School Association has hosted playoff games on the CUC turf.

Head Coach

Michael Arango is entering his first season as head coach of the Concordia University Chicago men's soccer team.

"I am excited about this next challenge in my coaching career, and I'd like to thank (CUC director of athletics) Pete Gnan and the administration for this opportunity," said Arango. "I have enjoyed these last two years at Concordia, and I am very excited for what lies ahead."

Arango came to Concordia-Chicago in 2015 as an assistant coach for the women's soccer team, with head coach Chris Brown citing him for his "knowledge of the game, passion and ability to teach the game." His work with the women's team included working with Brown to create daily training plans, leading postseason evaluations for freshmen players and assisting with the team's recruiting efforts. Off the field, Arango also helped the winter's futsal events, which has been a popular campus event in its first few years.

Arango comes to Concordia-Chicago from suburban Wilmette where he served as the Director of Coaching for the Wilmette Wings and was responsible for the U8 to U14 teams. Prior to Wilmette, Arango was the Boys Director of Coaching for Campton United SC in St. Charles, IL. While there, he helped create a comprehensive club curriculum, worked with coaches to create a philosophy and program style of play, led the boys' program into the Midwest Developmental League (one of the tops in the country) and helped with the College Showcase event hosted by the club. The boys' programs won multiple state titles, earned multiple regional berths and were two-time Disney College Showcase Finalists.

Arango, who holds a United States Soccer Federation (USSF) A License, has been involved with the Illinois Youth Soccer Association (IYSA) Olympic Development Program as both a head and assistant coach since 2004 and is part of the USYSA Region II staff (ODP). He is certified to teach the USSF National D and E courses and is currently on the IYSA Coaching Education staff.

Arango has been part of two different USSF coaching education trips, going behind the scenes to see what the most successful clubs in the world value and how everything comes together. He worked with both Spanish and Belgian national programs to understand how they best teach their athletes. (Spain, 2012 and Belgium/Amsterdam 2016)

Locally, Arango coached at Team Evanston and FC United prior to his time at Campton. He is a graduate of Northeastern Illinois with a BA in elementary education. Arango resides in the Lincoln Park neighborhood of Chicago.
