BIG GREEN ON TELEVISION

Dartmouth football teams have played before live television cameras 62 times since 1953 when the Big Green met Holy Cross at Manning Bowl in Lynn, Mass., in the first New England college game televised nationally.

The 1953 game, won by the Crusaders, 28-6, was carried on NBC's 82-station network as part of the NCAA's restricted television agreement but wasn't seen on the Dartmouth campus since there were no television stations serving northern New England at that time. The Dartmouth touchdown was scored by end Dave McLaughlin who later would serve as president of the College.

Frequently, during the early years of formal Ivy League football, Dartmouth played before major network regional audiences. Perhaps the most memorable game televised from Memorial Field in Hanover was the 1971 game with Cornell that was ABC-TV's prime regional game with the broadcast team of Chris Schenkel, Bill Fleming and Bud Wilkinson. Cornell was undefeated and led by Heisman Trophy candidate Ed Marinaro. Dartmouth won, 24-14.

Dartmouth's record in televised games is 24 wins, 37 losses and one tie. The Big Green has a 14-19-0 record in games televised at Memorial Field.

Four Dartmouth games are scheduled for regional telecasts in 2008.
