This indemnification includes claims based upon negligence or other breach of duty by the University.

### 3.0 Authorizations.

I understand that the University will not have medical personnel available while my Child is participating in the Event, and grant permission to authorize emergency medical treatment for my Child, if necessary in their judgment, including hospitalization and/or medical, dental and surgical care, and that all actions taken by the University and all student leaders of this Event are subject to this Release. I further understand and agree that the University does not assume any responsibility for any injury or damage that may arise out of or in connection with such authorized emergency medical treatment.
