OPENING FACEOFF

The No. 4 Pioneers begin their annual Gold Pan series on Friday night in Colorado Springs as they take on the No. 10 CC Tigers.

Denver and Colorado College continues the home-and-set on Saturday at Magness Arena before the yearly series concludes in the regular-season finale.

DU ended a three-game losing skid last Saturday as Carter King scored in overtime to lift the Pioneers to a 3-2 victory at then-No. 7 Western Michigan. Samu Salminen tallied his first career game-tying goal with 1:06 remaining in the third to knot the game at two-all and force overtime.

The Pioneers had won 13 straight regular-season games against the Tigers before dropping their last game at Ed Robson Arena on March 8. Denver had won each of the first five meetings at CC's new arena prior to the defeat.

SNAP SHOTS

- The Pios played their first OT game of the season last Saturday at WMU and the first since defeating Boston University in the 2024 Frozen Four Semis. ***Page 4***
- Denver has captured the last five Gold Pans and has won 18 overall since the trophy's inception in 1993-94. DU is 14-2-0 in the last 16 games vs. CC. ***Pages 4 & 8***
- The Pioneers will wear their 75th Anniversary "throwback" uniforms in both games this weekend. This will be the second series that they have worn them as they debuted on Nov. 8-9 vs. Lindenwood (2-0-0 record).
- Denver is set to play their third top-10 opponent of the season and the second in as many weeks after playing at then-No. 7 Western Michigan last weekend. The Pioneers are 3-1-0 in top-10 outings this year and might play three straight top-10 squads; DU is set to face current-No. 5 Maine when the team return to regular-season play after the Holiday Break on Jan. 3-4.
- This weekend marks the second consecutive top-10 matchup between DU and CC after the Pios and Tigers were also No. 4 & 10 respectively last season on March 8-9. That was the first ranked matchup between the squads since 2012 and the first top-10 series between them since 2009.
- DU is wrapping up a season-long, three-game road swing on Friday, though the team is in a stretch where it is playing five-of-six and seven-of-10 contests away from Magness Arena. ***Pages 13 & 15***
- Aidan Thompson is one goal from tying his career high of 11 set last year. ***Page 6***

NOTES

LAST TIME OUT

The then-No. 2 Pioneers recorded a weekend split at the No. 7 Broncos in a top-10 series, falling 3-2 on Friday before posting a 3-2 overtime win on Saturday.

Denver nearly erased a three-goal deficit on Friday as freshmen **Jake Fisher** and **James Reeder** tallied in the third period. The Pios came back from being down 1-0 and 2-1 on Saturday, as **Samu Salminen** tied the outing with 1:06 remaining before **Carter King** netted the game-winner in overtime.

Zeev Buium combined for three points (1g/2a) in the two games and scored on Saturday. Goaltender **Matt Davis** made 24 saves on Friday and stopped 19 shots on Saturday.

EXTRA GOOD IN EXTRA TIME

Denver played its first overtime contest of the season on Saturday and won 3-2 after **Carter King** tallied at 2:11 of the extra period. It was the Pioneers' first OT game since **Tristan Broz** scored to defeat Boston University 2-1 on April 11 in the 2024 NCAA Frozen Four Semifinals at Xcel Energy Center in St. Paul, Minn.

DU has now won four straight overtime contests and is unbeaten in its last nine outings that have gone beyond regulation (7-0-2). The Pios went 6-1-3 overall in OT games in 2023-24, including picking up an extra-time victory at Western Michigan on Dec. 9, 2024.

King's OT goal was the second of his career as he also netted the winner on Dec. 2, 2023 versus North Dakota. Overall, it was King's second game-winning goal of the season and seventh of his career.

NOTABLES

- Samu Salminen registered his first career game-tying goal on Saturday.
- Matt Davis has started eight-straight games, the longest streak of the season for a DU goaltender.
- DU's streak of scoring a power-play goal came to an end at 11 straight games on Friday night. It was the longest such run by the program in the last 10 years (since 2015-16).
- Connor Caponi missed both games at Western Michigan with a lower-body injury (day-to-day). He had played in 62 straight contests dating back to the 2022-23 season and entered the weekend having dressed in 157-of-163 games in his career since joining as a freshman in 2020-21.
- Denver is now 10-3-1 in the last 14 games vs. Western Michigan and is 9-11-0 all-time at Lawson Arena.
- DU and WMU were playing their final game of the season as Western Michigan and Minnesota Duluth are the only two NCHC squads that won't visit Magness Arena in 2024-25.
- The team lost its 1000th game in program history on Friday—the 21st NCAA squad to reach that mark. It was just the team's second loss away from Magness Arena since Feb. 16, 2024 (17-2-0).
- Denver ended a three-game losing skid with Saturday's win. It was the longest losing streak by the Pioneers since dropping four straight early in the 2021-22 campaign (Oct. 22-Nov. 6, 2021).

DENVER HOLDS THE GOLD PAN

Denver retained the Gold Pan trophy over Colorado College for the fifth consecutive season and 18th time overall after going 3-1-0 in the 2023-24 regular season series, including sweeping the home-and-home set on Nov. 3-4, 2023.

In circulation since 1993-94, the Gold Pan is given to the team that wins the season series between the in-state rivals. Since the Pioneers previously held the trophy, they only needed a series split to retain it while the Tigers had to win the four-game series outright. ***More on Page 8***

DU VS. CC, WE'VE BEEN EVERYWHERE

Denver and Colorado College have faced off in 14 different venues in their history, with DU owning a winning record in 11 of them. The latest rink the teams played in came last season on Jan. 27, 2023 when the Pioneers won 2-0 at Ball Arena, which also marked the program's first-ever regular-season contest at the home of the NHL Colorado Avalanche.

The teams have played in five different rinks in the Denver area, including Coors Field in 2016 for the Battle on Blake and at McNichols Arena, the former home of the Avalanche (also at Magness Arena, DU Arena, Denver Coliseum). DU and CC have squared off against one another in four arenas out of state, with three in Minnesota (Xcel Energy Center, St. Paul Civic Center and Target Center) and the other in Columbus, Ohio, at Nationwide Arena in April 2005 in the Frozen Four national semifinals (the Pioneers won en route to their second consecutive national title).

The teams have also faced each other at the Air Force Academy's Cadet Ice Arena, Broadmoor Ice Palace, World Arena and Ed Robson Arena in the Colorado Springs area.

BUIUM ON 2025 WORLD JUNIOR PRELIMINARY ROSTER

Sophomore defenseman **Zeev Buium** is one of 28 players that have been named to the U.S. National Junior Team's preliminary roster for the 2025 IIHF World Junior Championship. Training camp is set for Dec. 16-17 in Plymouth, Michigan, before pre-tournament games in Ontario on Dec. 21-23. Team USA's final 25-man roster is expected to be announced by Dec. 24.

Buium is set for his second World Juniors after helping the Americans to the gold medal against host Sweden last January. He will be joined on Team USA by DU head coach **David Carle**, director of hockey operations/video coach **Travis Culhane** and equipment manager **Nick Meldrum**, who will all serve in the same roles for the second straight year.

The under-20 tournament is set for Dec. 26, 2024-Jan. 5, 2025 in Ottawa, Ontario. USA is in Group A with host Canada, Finland, Germany and Latvia.

CARLE SET TO RUN IT BACK WITH TEAM USA

Denver's **David Carle** will return as the head coach of the U.S. National Junior Team for the 2025 IIHF World Junior Championship after helping the Americans win their sixth gold medal in the last 20 years at the under-20 tournament in 2024.

USA Hockey made the announcement on April 23 for the next tournament in Ottawa, Ontario, and Carle will be joined by the same staff that accompanied him last year in Gothenburg, Sweden, including DU's **Travis Culhane** as the video coach, Nick Meldrum as equipment manager and former Pioneer assistants **Steve Miller** (Minnesota) and **David Lassonde** (USA Hockey).

The 2024 tournament marked the first time that Carle had coached a USA roster in his career. **Marshall Johnston** at the 1977 tournament is the only other Denver coach to guide a U.S. World Junior squad. Overall, Carle is the third NCHC head coach to lead the U.S. to gold at the WJC, joining former St. Cloud coach Bob Motzko (2017) and North Dakota and Omaha coach Dean Blais (2010 w/Omaha).

PIONEERING OFFENSE

Denver is tied for the nation's lead in scoring with Minnesota by averaging 4.1 goals per game and ranks second behind the Gophers (74) in total tallies with 66. The Pios led the NCAA last season with 202 total goals and a 4.59 average.

DU scored at least four goals in each of the first 11 contests this season, and the Pioneers have had 13 different players score and 19 of the 22 skaters register at least one point this year. Nine DU players have already reached double-digits in points.

THOMPSON MAKING HIS POINT AS NCHC PLAYER OF THE MONTH

Junior **Aidan Thompson** was named the NCHC Player of the Month for November after leading all players in the conference with 11 points and tying for first with six goals. In addition to his five assists, he scored three times on the power play, had four penalty minutes and registered +2 plus/minus rating in eight games.

Thompson began the season by registering a point in each of the first 14 games, a career-long point streak that ended on Friday at Western Michigan after he produced 10 goals and 12 assists. The forward's run was the longest season-opening point streak by a Pioneer in the last 10 years (since 2015-16), surpassing the previous long of **Henrik Borgstrom's** 11-game run to begin the 2017-18 campaign.

His 14-game streak was also tied with **Bobby Brink** for the second-longest by a Pioneer in the last decade (Dec. 31, 2021-Feb. 19, 2022), with only **Danton Heinen's** run of 18 straight contests from Jan. 22-March 27, 2016 being longer. Thompson also registered a personal-best seven-game assist streak from Oct. 18-Nov. 8.

The Fort Collins, Colorado, native set a career high for assists/points in a game on Oct. 19 vs. Northeastern with four helpers—the second four-assist game of the year by a Pioneer as **Jack Devine** also accomplished the feat in the season opener on Oct. 5 at Alaska Anchorage. He ranks tied for third in the country in points (22) and tied for fourth with 10 goals, one away from matching his career high of 11 set last season.

KILLER PENALTY KILL

Denver has killed off 91.1 percent of its penalties this season (41/45), including all three man-disadvantage opportunities in the two contests at Western Michigan last week.

DU has not allowed a power-play goal against in 12-of-16 games this year and ranks third in the country on the penalty kill behind Boston College (97.6%) and St. Lawrence (91.1%).

The Pioneers had a stretch of 17 straight kills that began in the season opener on Oct. 5 at Alaska Anchorage and ended with Wisconsin tallying on its first power-play chance on Oct. 25 (four games)—the longest such streak since they were successful on 19 consecutive man disadvantages during the 2022 postseason from March 11 through April 7, 2022.

Denver was successful in nullifying 89.7 percent of its penalties over the final 13 games in 2023-24, going 26-for-28 in a stretch that began on Feb. 24. DU was perfect in nine of those games, including going 4-for-4 on the PK on three occasions and seven straight in the final five outings of the season en route to the 2024 championship.

PIOS POWER UP

The Pioneers have tallied on the power play in 13-of-16 games this year and leads the country by converting on 32.3 percent of its opportunities. Denver scored at least one man-advantage goal in an 11-game stretch from Oct. 19-Nov. 23, the team's longest run in the last decade (since 2015-16).

DU has converted multiple times while a man-up in four contests this season, including going 4-for-9 in the season opener on Oct. 5 at Alaska Anchorage—the most power-play goals scored in a game by the squad since Dec. 4, 2021 at Arizona State (4-of-6).

Jack Devine is first on the team with 14 power-play points (0g/14a), while **Aidan Thompson** and **Sam Harris** are tied for the squad lead with five man-advantage goals. Five of **Devine's** six assists in Alaska on Oct. 5-6 came while DU was a man-up on the ice, while all four of **Zeev Buium's** assists in that series came on power-play goals.

MONTH BY MONTH

Denver went 6-2-0 in November, the team's 25th straight month where it has posted at least a .500 record dating back to January 2021. The Pios had their run of posting a greater-than .500 mark for 15 straight months end in December 2023 after going 2-2-0 (streak began October 2021).

NOTES (CONTINUED)

SAMMY SCORING

Sophomore **Sam Harris'** 11 goals this year are tied for the second-most in the nation with Wisconsin's Quinn Finley (Boston College Ryan Leonard, 12). He also shares the NCAA lead with BC's Ryan Leonard for game-winning goals with five, with three of them coming in consecutive game: Nov. 8-9 vs. Lindenwood and Nov. 15 at North Dakota—the first time that a Pioneer has notched the winning tally in three consecutive outings in the last four years (since 2021-22).

The San Diego, California, native recorded his second multi-goal game of the year on Nov. 9 vs. Lindenwood (Oct. 5 at Alaska Anchorage), with both tallies coming in a matter of 5:49 to break a 1-1 take and mark the fastest two goals scored by a single Pioneer player this season.

Overall, Harris has points in 11 of the 15 games he's played this season, which included a career-best nine-game point streak from Oct. 18-Nov. 16 (8g/6a).

DIVINE DEVINE

Senior **Jack Devine** leads the nation in scoring with 25 points and also paces all players in the NCAA with 24 assists. He recorded assists in each of each of the first eight contests of the season (1g/15a) for the longest assist and point streak of his career and has points in 15-of-16 games this year.

The Glencoe, Illinois, native has registered multiple points in six games, including in five of the first six games and in three consecutive outings from Oct. 19-26. Devine opened the season with a personal-best four assists on Oct. 5 at Alaska Anchorage (all on the power play) and recorded three points on Oct. 26 vs. Wisconsin (1g/2a) and Nov. 14 at North Dakota (0g/3a)—he owns 12 career three-point games in his college tenure.

Devine was named both the NCHC and National Player of the Month for October after leading all players with 14 points (1g/3a) in six games. It was his first career monthly honors.

RECORD START

DU won its first 12 games of the season, marking the best start in school history. The previous record was wins in its first nine contests that was set by the 2001-02 squad (counting exhibition outings, DU actually won 11 consecutive games that year).

The Pioneers' 12 wins to start the season were the most by a defending national champion since 2000. In fact, it was more than double the previous best start by a reigning champ as North Dakota in 2016-17 and Union in 2014-15 both won their first five contests before suffering their first losses.

WHAT A WIN STREAK

The Pioneers went on a 21-games win streak that began on March 9 against Colorado College and went through Nov. 16 at North Dakota. It was the longest win streak across multiple seasons in program history, as the previous DU record was 19 straight victories that was accomplished twice: Feb. 13-Dec. 13, 1960 and Jan. 13-Dec. 2, 1961.

Overall, the 21-game stretch fell one game shy of tying the longest overall winning streak in school history, as the Pioneers won 22 contests in a row from Jan. 5-March 16, 1968 en route to the team's fourth national championship.

Denver went 9-1-0 in its last 10 games of 2023-24 and 27-2-1 in 30 contests from Feb. 2-Nov. 16.

DOMINANT AT THE DOT

The Pioneers rank eighth in the nation by winning 54.2 percent of their faceoffs this season, including posting season-high winning percentages of .640 and .643, respectively, on Nov. 1-2 at Yale.

Carter King leads Denver in faceoff wins (198) and winning percentage (.593), while **Samu Salminen** is second with a .580 winning percentage in draws and **Kieran Cebrian** is second in draw victories at 130. King set a personal best by winning 20-of-34 faceoffs on Oct. 19 against Northeastern for the most wins by a Pioneer since **Tyson McLellan** went 23-for-35 on Jan. 4, 2020 vs. Massachusetts.

PLAYING AHEAD

The Pioneers have had the lead or have been tied for most of the season, as they've not trailed in 84.2 percent of game play this season (810:21/962:11)—leading for 51.6 percent of the time (496:45) and being tied for 32.6 percent (313:36).

DU has only been down on the scoreboard in 15.8 percent of game play this season (151:50) and didn't trail for the first 244:12 of the season (4+ games).

CELEBRATING 75 YEARS OF PIONEER HOCKEY

Denver is commemorating 75 years of Pioneer hockey throughout 2024-25 to recognize its diamond jubilee as a program. DU hosted its 75th Anniversary reunion on Nov. 8-9 when Lindenwood visited Magness Arena. Among the activities were pre and post-game receptions for alums, alumni games and family skates and an on-ice recognition of approximately 150 former players in attendance during Saturday's first intermission, with each of the team's NCAA-record 10 championship trophies being presented as well.

The 2024-25 season is actually the 76th in DU hockey history, but the team's 75th anniversary of its first game is in December. The Pioneers' first ever contests were at home on Dec. 19-20, 1949 against Saskatchewan, with the squad losing 17-0 and 9-1 in the series. Denver's first win was Jan. 27, 1950 at Wyoming, and the program's first home victory came against that same Wyoming squad on Feb. 18, 1950 (10-6) at the old DU Arena.

THE "TENZER" STREAK

Denver extended its "Tenzer" Streak of winning 20 or more games to 22 consecutive full seasons in 2023-24. It is the longest active such stretch in the country, dating back to 2001-02.

The streak is named after former DU Director of Hockey Operations **David Tenzer**, who spent 16 seasons with the program from 2001-02 (the start of the streak) until retiring in 2017. The program only played 24 total contests in the COVID-shortened 2020-21 campaign.

30 FOR 30 FOR 30

Denver has won 30 or more games in each of the last three seasons, marking the first time in program history it has accomplished that feat in successive years. Overall, the Pioneers have reached the 30-win threshold nine times, with their 34 wins in 1985-86 setting the school record. DU's 32 wins a year ago were tied for the fourth-most in a season in program history. The Pioneers had 30 victories in 2022-23 and 31 in 2021-22.

HISTORY VS. CC

Friday's game between Denver and Colorado College is set to be the 342nd all-time meeting between the teams, as the rivalry is the second-most played series in college hockey history behind Michigan and Michigan State (343 games). DU went 3-1-0 last season against CC, falling in Colorado Springs on March 8—the program's first defeat at Ed Robson Arena and ending its 13-game regular-season win streak versus their rival from down south. The Pioneers have won the Gold Pan in each of the last five seasons and just needs to split this year's four-game series to retain trophy for another year. The Pioneers are 18-3-1 in the last 22 games versus the Tigers and have only officially lost only seven games (non-shootout losses) in the all-time series since the start of the 2014-15 campaign. Denver owns a 197-123-21 all-time record over Colorado College, which includes a 113-54-11 mark at home and a 77-65-10 record in road games. In conference play, the Pios are 166-97-21 all-time against the Tigers.

KALAMAZOO, Mich. — The No. 2 University of Denver hockey team rallied for a 3-2 overtime victory on Saturday night to earn a series split against the No. 7 Western Michigan Broncos at Lawson Arena.

Junior Samu Salminen scored the game-tying goal with 1:06 remaining in the third period and senior captain Carter King tallied at 2:11 of the extra period to help the Pioneers (13-3-0, 3-3-0 NCHC) break a three-game losing streak. WMU won 3-2 in the series opener on Friday.

Sophomore defenseman Zeev Buium had a goal and an assist and fellow blueliner Boston Buckberger registered two helpers. Senior Jack Devine and freshman Jake Fisher also recorded an assist each in the win.

Senior goaltender Matt Davis made 19 saves for the Pioneers and stopped all 12 shots he faced in a scoreless first period.

Western Michigan (10-3-1, 6-1-1 NCHC) opened the scoring as Alex Bump tallied at 8:23 of the second period, but Buium knotted the contest 64 seconds later after the puck caromed off the end wall and landed on the blade of his stick at the top of the crease.

Grant Slukynsky put the Broncos back ahead at 2-1 midway through the third frame, but Salminen forced overtime by finding twine on a one-time snap-shot at the top of the right circle off a feed by Buckberger.

King ended the night with his second career overtime goal after winning a neutral-zone faceoff, regaining possession from Buium and then skating around the three Broncos players on the ice before depositing the puck five-hole on goaltender Hampton Slukynsky.

Denver outshot Western Michigan 34-21 overall, including by a 27-9 margin in the final two-plus periods. The Pioneers had the only shot on goal in the extra stanza.

NOTES (CONTINUED)

ZEEV WITH THE TRICK

Sophomore defenseman **Zeev Buium** recorded his first career hat trick on Nov. 15 at North Dakota to become the first Pioneer blueliner to score three goals in a game in more than 20 years. **Ryan Caldwell** was the last Denver D-man to tally three times when he accomplished the feat on Feb. 14, 2004 vs. Minnesota State, and Buium was the first DU rear guard to register a hat trick on the road since **Ian DeCorby** at St. Cloud State on Dec. 29, 1990. ***See Full List Below***

Buium's three markers were his first of the season and the first such performance by a Pioneer since **Jack Devine** tallied four times on March 10, 2023 vs. Miami. It was just the third hat trick by a D-man in NCHC history, as Western Michigan's Ronnie Attard had the previous two: Oct. 19, 2021 at Colgate and Feb. 4, 2022 at Colorado College.

Overall, it was Buium's second career multi-goal game, joining his two-goal performance that included the overtime-winner in the NCHC Frozen Faceoff Semifinals on March 22, 2024 vs. St. Cloud State at Xcel Energy Center in St. Paul, Minn. His hat trick performance also marked his seventh career three-point contest and second of the season (three assists on Oct. 5, 2024 at Alaska Anchorage).

Senior forward **Jack Devine** registered two assists last weekend at Western Michigan now has 131 career points (45 goals, 86 assists) in 134 games. The Glencoe, Illinois, native ranks 40th on the school's all-time scoring list and is one point from a tie for 37th place with **Bill Stewart** (1979-83), **Dylan Gambrell** (2015-18) and **Joey LaLeggia** (2011-15). He is three points from tying for 35th with **Dave Berry** (1980-84) and **Tom Miller** (1966-69).

PK SHOWS OFF SHOT

Sophomore **Eric Pohlkamp** paces all DU defensemen with four goals and 56 shots and ranks second among blueliners in the NCAA with nine assists and 13 points. The Baxter, Minnesota, native's is tied for 10th in the nation in D-men scoring with 13 points and his four markers are tied for ninth among all NCAA rear guards.

Pohlkamp went on a career-long nine-game point streak (4g/9a) from Oct. 6-Nov. 9 and had a personal-best five-game assist stretch from Oct. 26-Nov. 9.

He recorded a career-high three assists on Nov. 8 vs. Lindenwood, his third three-point game of his career and his second in a three-game span after totaling two goals and an assist on Nov. 1 at Yale—his first multi-point contest as a Pioneer after joining the program as a transfer in the offseason.

DAVIS CONSISTENT IN GOAL

Goaltender **Matt Davis** won 20 straight games from March 9 of last season vs. Colorado College to Nov. 14 at North Dakota. He posted several long shutouts streaks during that time, including setting a new career best of 154:45 that began in the first period on Oct. 26 against Wisconsin and went until the third period on Nov. 9 vs. Lindenwood. It was his third career shutout streak of at least 120 minutes, going along with his other two previous personal bests of 136:53 from April 11-Oct. 4, 2024 and 127:19 from March 9-16, 2024.

Davis won each of his first 11 starts this year, tied for the longest in-season win streak in the last 10 years by a Denver goaltender since **Tanner Jaillet** also won 11 straight from Jan. 21-March 10, 2017. He presently leads all NCAA goalies in wins (12).

The Calgary, Alberta, native started 33 consecutive games from Jan. 5 vs. Niagara to Nov. 1 at Yale before he was finally given the night off. He posted a 27-4-2 record, 2.02 goals-against average, .927 save percentage and three shutouts during the streak that stretched across two seasons.

CAPTAIN KING

Senior **Carter King** was named the 95th team captain in program history prior to the season on Sept. 29. This is the forward's first time serving in the role at any level, but he was an alternate captain on last year's squad led by the now-graduated McKade Webster.

Graduate student **Connor Caponi** and junior **Aidan Thompson** are the alternates this season, with Caponi previously wearing the 'A' alongside King in 2023-24. Thompson, who is from Fort Collins, was last an alternate captain for the USHL Lincoln Stars in 2021-22.

PRESEASON HONORS

Senior forward **Jack Devine** and sophomore defenseman **Zeev Buium** were both selected to the NCHC's 2024-25 Preseason All-Conference Team in a vote by the media. Denver, Colorado College and North Dakota each had two players on the six-man team. Buium was one of two unanimous selections (CC's Noah Laba) on the squad while Devine was listed on 26-of-30 ballots.

NCHC PRESEASON FAVORITES

The Pioneers were voted to win the NCHC regular season in 2024-25 for the third straight season in the conference's annual preseason media poll. This was the fourth time that DU had been voted the preseason favorite, as it also earned the honor in 2017-18, 2022-23 and 2023-24.

A RING FITTING FOR THE KINGS

Denver hockey unveiled its 2024 National Championship ring in a private ceremony on Sept. 7 to celebrate the program's NCAA-record 10th title. The Pioneers' leadership group had input on what the ring ultimately looked like.

Among the unique features of the ring is a "flip top" of the dome that reveals the Frozen Four logo and the final scores of each of the NCAA Tournament games. The interior of the ring also displays a hockey rink with eight red dots on the bottom half to mark the exact position where each goal was scored by the Pioneers during the tournament, while the other half of the "ice" is a red brick in front of the net to symbolize goalie Matt Davis performance throughout the postseason en route to Most Outstanding Player honors.

The sides of the ring feature unique personal and team touches, including once side depicting the moment Zeev Buium jumped on Matt Davis when the final buzzer sounded. The ring also includes several gestures to the number "10" to recognize the Pioneers as the Kings of College Hockey.

SWEET 16-HUNDRED

Denver hockey won its 1,600th all-time game in its victory on Nov 2 at Yale, becoming just the sixth program in college hockey history to reach the mark. Only Minnesota (1927), Michigan (1805), Boston College (1720), Boston University (1671) and North Dakota (1640) have more wins, but the Pioneers are the newest of the programs to reach the milestone (began 1949) as the other five squads started play in 1922-23 or earlier.

The Pioneers all-time winning percentage as of Nov. 3 was .609, which is the fourth-highest among the six programs and higher than both North Dakota and Michigan at the time (both at .604). DU is expected to play in its 2,800th game sometime during the 2025 NCHC postseason.

HOME ICE ADVANTAGE

Denver is 63-12-4 in its last 79 contests at Magness Arena and sport a 70-16-5 record on the DU hilltop since the start of the 2019-20 campaign. The Pios lost back-to-back home games on Nov 22-23 vs. Arizona State, ending a run of 34 straight home series without getting swept. It was their first consecutive losses over a weekend at Magness Arena since March 31-Feb. 1, 2020 vs. Minnesota Duluth.

The Pioneers finished their 20-game home schedule last season with a 14-3-3 record and ended the home campaign on a four-game winning streak from Feb. 24-March 16, matching a season-best stretch (Dec. 2-Jan. 12).

MAGNESS MADNESS

Denver has sold out each of its eight home games season, averaging 6,641 fans. The Pioneers set attendance records on Oct. 18-19 during homecoming weekend against Northeastern, including a new single-game high with a crowd 7,051 on Saturday for its banner-raising ceremony and series finale. Overall, 13,888 people watched the series sweep of NU—the most for a two-game weekend in school history and breaking the previous mark by more than 1,200 fans.

In 2023-24, DU set a home attendance record by averaging 6,130 fans at Magness Arena across 20 games, besting their previous high mark of 6,022 over the course of 24 contests in 2006-07. Denver had a sold-out crowd of 7,033 for its regular-season finale against Colorado College on March 9, which at the time was the highest-attended hockey game at Magness Arena in program history. DU had set its last high mark for attendance in its previous game against CC on Nov. 3 at Magness with a crowd of 7,021.

Overall, 122,594 people watched the Pioneers at Magness Arena in 2023-24 (20 games) after 133,117 people visited DU's home rink in 23 games in 2022-23 (the second-highest attended season in the rink's history). If the 17,952 that witnessed Denver defeat Colorado College at Ball Arena on Jan. 27, 2023 are included in the data (it officially counted as a DU home game), then 151,069 people watched Pioneer home games in 2022-23—the highest total attendance for the team since 1999.

ROAD TRIPPIN'

Denver is set to travel approximately 10,349 miles this season for road games (one way), which includes a trip to Anchorage and the two to the northeast to Yale and Maine. Denver traveled 8,605 miles for road contest during the regular season in 2023-24, which included a trip to Fairbanks and cross country to New England to start the campaign.

Counting postseason play at neutral sites from last season, DU owns a 17-2-0 record in its last 19 games away from Magness Arena since Feb. 16, 2024.

NON-CONFERENCE PLAY

The Pioneers are 10-0-0 in non-conference play and will wrap up their non-NCHC games after the New Year on Nov. 1-2 at the Maine Black Bears. It will be the program's first visit to Orono since Oct. 14-15, 2005 and the second of two trips to the northeast after playing at Yale on Nov. 1-2. DU began the season on Oct. 5-6 at independent Alaska Anchorage.

Denver wrapped up its home non-conference schedule with a pair of 4-1 wins against Lindenwood during the 75th Anniversary Weekend on Nov. 8-9. The Pioneers hosted Hockey East's Northeastern in its first home games of the year as part of Homecoming Weekend on Oct. 18-19, with the team raising it championship banner prior to the Saturday series finale. DU then faced the Big Ten's and former WCHA-foe Wisconsin on Oct. 25-26, winning 4-2 and 6-1.

The Pios have won 19 consecutive games against non-conference opponents since Nov. 11, 2023 at Arizona State and is 12-0-1 at home in non-NCHC contests dating back to Jan. 7, 2023 vs. Alaska Fairbanks. DU went 13-2-1 against non-conference opponents a season ago, which included wins in each of the final nine such contests and four in the NCAA Tournament en route to a championship.

QUICK STRIKE

Carter King's goal at 0:12 of the third period on Oct. 19 vs. Northeastern was the quickest to begin a period this season and the fastest by a Pioneer since **Chris Knowlton** at 0:11 of the first period on Nov. 26, 2011.

Jack Devine had the fastest goal to start a period last season when he tallied 16 seconds into the first on March 8 at CC.

MILESTONE MEN

Graduate student **Connor Caponi** and senior **Jack Devine** each played in a milestone game on Nov. 1 at Yale, as Caponi became the 70th player in program history to play 150 contests while Devine skated in his 125th career outing that night as well. Senior **Carter King** skated in his 125th game on Nov. 9 against Lindenwood.

Caponi was the first player to reach the 150-game mark since **Kyle Mayhew** on March 10, 2023 vs. Miami, and he is 15 contests from tying former teammate **Ryan Barrow's** school record of 168 games played (2017-2022). Barrow reached the milestone in the 2022 NCAA National Championship Game where he scored the game-tying goal that sparked DU to a 5-1 victory against Minnesota State.

CARLE QUICK TO 150 WINS

Head Coach **David Carle** won his 150th career game on Oct. 6 in his hometown against the Alaska Anchorage Seawolves. He ranks fourth in program history in wins behind **Murray Armstrong** (460), **George Gwozdecky** (443) and **Ralph Backstrom** (182).

Carle reached the 150-win mark in 228 career games (seventh season), the second-fastest among DU coaches with only Armstrong doing it faster in 216 contests (seventh season). Gwozdecky reached the mark in his 287th game and Backstrom hit the milestone in his 300th contest, with both coming in their eighth season.

The Anchorage, Alaska, native owns a .698 career winning percentage--*the highest mark by any coach in program history.*

DENVER COACHES WITH 150 WINS

Name (Year)	Games Reached	Years Achieved	Career Wins
Murray Armstrong	216	7	460
David Carle	**228**	**7**	**161**
George Gwozdecky	287	8	443
Ralph Backstrom	300	8	182

ANCHORAGE HOMECOMING

David Carle guided the bench for the first time as a head coach in his hometown of Anchorage on Oct. 5-6. Hired as the program's head coach prior to 2018-19, Carle had only ever coached in America's Last Frontier twice, going 2-0 in games in Fairbanks on Oct. 5-6, 2019 (he missed last year's games in UAF for the birth of his second son, Callum).

The only time Carle served as a "coach" in Anchorage was as an uppclassman in 2011 or 2012 while a student assistant coach under George Gwozdecky. He was still an assistant coach with the USHL Green Bay Gamblers when Denver last played the UAA Seawolves early in 2013-14 (he was hired at DU later on in the year).

WEEKEND OF FIRSTS

Denver freshmen **Hagen Burrows, Jake Fisher, Tory Pitner** and **James Reeder** made their collegiate debuts on Saturday, Oct. 5 at Alaska Anchorage, with transfer players **Eric Pohlkamp** (Bemidji State) and **Samu Salminen** (UConn) playing in their first contests with the Pioneers in that outing as well.

Fisher tallied his first career goal in his debut while **Reeder** and **Salminen** tallied in the series finale on Oct. 6. **Pohlkamp** picked up his first point as a Pioneer with an assist in the Sunday contest.

IN OPENERS

The Pioneers improved to 44-25-7 all-time in season openers and won their fourth such game in a row with a 6-2 victory at Alaska Anchorage on Oct. 5. It was the second straight season that DU began on the road after starting 2023-24 in Fairbanks, Alaska, against the Nanooks. The last time Denver began a campaign on the road in consecutive seasons was when it did it three years in a row: 2017-18, 2018-19, 2019-20.

Denver has a 53-18-5 all-time record in home openers and is 20-4-2 all-time in opening nights at Magness Arena, which includes going 14-2-2 in the last 18 games. The Pioneers are unbeaten in their last eight home openers (6-0-2).

KING'S BANNER NIGHT

Forward **Carter King** had a memorable night on Oct. 19, which began with him taking a lap with the 2024 NCAA Championship trophy and watching the program's 10th national title banner be raised to the Magness Arena rafters. After the pregame festivities, he went out and produced two goals and two assists and won 20 faceoffs.

His faceoff victories were the most in a game in his career while his four points matched a personal best previously set on Nov. 11, 2023 in DU's comeback win at Arizona State (1g/3a).

ROSTER BUILDING

Denver returns 18 players from the 2023-24 championship squad and welcomes seven newcomers—five incoming freshmen and transfer students **Eric Pohlkamp** (Bemidji State) and **Samu Salminen** (Connecticut). DU is bringing back 10-of-15 forwards, 5-of-8 defensemen and 3-of-4 goaltenders from a season ago.

The Pioneers' 25-member squad features graduate student **Connor Caponi** and seniors **Matt Davis, Jack Devine** and **Carter King**. There are also five juniors to round out the upperclassmen.

Five players from last year's team signed NHL professional contracts, while two transferred (Tristan Lemyre, Western Michigan; Lucas Olvestad, Massachusetts).

FOUNTAIN OF YOUTH

DU is the second-youngest squad in college hockey for the second-straight season despite only having five freshmen on its squad. Denver's average age as of Oct. 1 is 20.9 years old—which was also its age to start 2023-24. Boston College, which was the youngest team last season at 20.6, is once again the youngest at 20.7 years of age.

DU's youngest player is defenseman **Tory Pitner** (March 6, 2006) while **Hagen Burrows** also started the season as an 18-year-old with an Oct. 15, 2005 birthday. Last season, **Zeev Buium** (Dec. 7, 2005) was the second-youngest player in college hockey behind only Boston University's and eventual No. 1 overall NHL Draft pick Macklin Celebrini (June 13, 2006). **Jack Devine**, who turned 21 on Oct. 1, was the second-youngest player in the nation as a freshman in 2021-22.

PRO PIOS ON NHL OPENING NIGHT ROSTERS

Denver had 11 former players make NHL Opening Day rosters for the 2024-25 season, the third-most in the conference and tied for ninth in the entire NCAA. Only North Dakota (13) and Minnesota Duluth (12) had more players on NHL teams than the Pioneers among NCHC programs.

The DU alums that began this year on NHL squads are **Bobby Brink** (Philadelphia), **Dylan Gambrell** (Columbus), **Danton Heinen** (Vancouver), **Scott Mayfield** (NY Islanders), **Ian Mitchell** (Boston), **Trevor Moore** (Los Angeles), **Logan O'Connor** (Colorado), **Troy Terry** (Anaheim) and **Jason Zucker** (Buffalo). In addition, **Shai Buium** (Detroit) and **Cameron Wright** (Edmonton) were on their respective teams' injured reserve/non-roster list.

The Pioneers had 11 alums play in an NHL game in 2023-24: **Brink** (Philadelphia), **Heinen** (Boston), **Mayfield** (NY Islanders), **Mitchell** (Boston), **Moore** (Los Angeles), **O'Connor** (Colorado), **Terry** (Anaheim), **Zucker** (Arizona/Nashville), **Magnus Chrona** (San Jose), **Devin Cooley** (San Jose), **Cole Guttman** (Chicago) and **Dakota Mermis** (Minnesota).

ZEEV IN THE RECORD BOOKS

Defenseman **Zeev Buium** produced one of the best rookie campaigns in DU history in 2023-24 as he led the team with 39 assists and was second in scoring with 50 points.

His 50 points were the 10th-most by a freshman player in school history and were the most by a rookie since **John McMillan** had 57 and **Dwight Mathiasen** had 51 in 1983-84. Overall, only two frosh defensemen have recorded more points in a single campaign than Buium: **Craig Redmond's** 54 in 1982-83 and **Greg Woods'** 52 in 1975-76.

The San Diego, California, native's 39 assists were the most-ever by a freshman defenseman and the second-most by a rookie (forward **Dallas Gaume** owns the record with 47 assists in his rookie campaign in 1982-83). Among defensemen all-time, Buium's 39 helpers were fourth-best in Pioneer history.

Buium's 11 goals were the most by a rookie D-man since **Joey LaLeggia** (11) in 2011-12.

DU AWARDED 2028 FROZEN FOUR IN CHICAGO

The NCAA announced on Oct. 2 that the University of Denver has been named the host institution for the 2024 NCAA Frozen Four at United Center in Chicago, Illinois. This will be the second time that DU will serve as the host of the men's ice hockey's championship weekend after also doing so in 2008 at the then-Pepsi Center (now Ball Arena) in downtown Denver.

Ball Arena was not in a position to bid for the 2028 Frozen Four during this most recent NCAA submission cycle, but Denver has a game slated at the home of the NHL's Colorado Avalanche in November 2025 against Minnesota in the U.S. Hockey Hall of Fame Game.

Chicago is one of the University of Denver's largest markets for alumni and current student. The Pioneers won their eighth national championship at the 2017 Frozen Four at United Center.

It was also announced that DU will host the NCAA Regional at Blue Arena in Loveland, Colorado, in 2027 like the school did in 2021 and 2022. It was previously announced that Denver will also be regional hosts at the home of the AHL's Colorado Eagles in 2026.

ANOTHER BALL ARENA SHOWDOWN IN FALL 2025

The University of Denver will host the Minnesota Golden Gophers at NHL's Ball Arena over Thanksgiving Weekend 2025 in the U.S. Hockey Hall of Fame Game. The announcement came on April 15 and preceded a news conference at the downtown home of the Colorado Avalanche.

The DU hockey program will serve as the host of the U.S. Hockey Hall of Fame Game for the third time in its history and will be playing in the contest for the fourth time. DU previously hosted the games at Magness Arena on Oct. 11, 2008 against Notre Dame (5-2 win) and Dec. 29, 2012 versus Boston University (6-0 win). The Pioneers previously played Minnesota in the USHHOF Game on Oct. 9, 2004 at Xcel Energy Center in St. Paul, Minn. (5-2 loss).

Denver will be playing its second-ever game at Ball Arena since the building first opened in 1999. The Pioneers defeated in-state rival Colorado College 2-0 in their first regular-season game at the arena on Jan. 27, 2023 in front of a crowd of 17,952—the highest attended indoor hockey game in the state of Colorado in DU history.

The exact date and time of the 2025 U.S. Hockey Hall of Fame Game will be announced following the NHL schedule release next summer.

David Carle is in his seventh season as the Richard and Kitzia Goodman Hockey Head Coach in 2024-25 after being named to the position on May 25, 2018. The ninth head coach in program history, Carle has led the Pioneers to five NCAA Tournament appearances, three Frozen Four berths and the 2022 and 2024 NCAA National Championship in his first six campaigns behind the bench. Denver's national championship victory in 2024 was the program's 10th in its 75-year history and set the NCAA record for the most-ever by a college hockey team.

At the time of his hire at DU, Carle was youngest head coach in NCAA Division I men's ice hockey at age 28. He became the fourth-youngest coach in history to win a D-I national title in 2022 (32 years, 5 months, 0 days) and is the youngest ever to win two national championships following the Pioneers' victory in 2024 (34 years, 5 months, 4 days). He is the 20th coach in NCAA history to win multiple national championships and the first to do so since Scott Sandelin of Minnesota Duluth (2011, 2018, 2019).

Carle entered this season with a 148-62-16 overall record and a 68-41-11 mark in National Collegiate Hockey Conference play in his first six campaigns at the helm of the program. The Pioneers won their third NCHC Frozen Faceoff Championship and Carle's first in 2024 following back-to-back campaigns where DU captured the conference's Penrose Cup as regular-season champions (2021-22, 2022-23).

Carle's .690 winning percentage going into 2024-25 is the best all-time among Denver hockey coaches. He surpassed his predecessor, Jim Montgomery (125), for sole possession of fourth place on the school's all-time wins list on Nov. 25, 2024, earning his 125th career victory in 13 fewer games than Montgomery.

The Pioneers were the highest-scoring team in the nation in 2023-24 at 4.6 goals per game and became a stingy defensive squad in the postseason as they only allowed three goals against during the NCAA Tournament, including a shutout in the National Championship Game against Boston College on April 13.

Overall, DU went 32-9-3 in 2023-24 for its third consecutive 30-win season, a first in program history. The Pioneers ended the year on a seson-best nine-game winning streak and went 20-4-2 in the final 26 outings after the holiday break.

Carle, 34, was also the head coach of the United States National Junior Team in 2024 during the Americans' run to a sixth gold medal in the last 20 years at IIHF World Junior Championship. In his debut for USA Hockey behind the bench in Gothenburg, Sweden, Carle became the third NCHC head coach to lead the U.S. to gold at the World Juniors, joining former St. Cloud coach Bob Motzko (2017) and North Dakota and Omaha coach Dean Blais (2010 with Omaha). He was just the second Denver bench boss to lead the U.S. World Junior squad, joining Marshall Johnston in 1977. He will return to his role as the USA head coach at the 2025 tournament in Ottawa, Ontario, Canada.

The Anchorage, Alaska, native picked up his 100th career victory on Dec. 10, 2022 at Minnesota Duluth, becoming the fifth head coach in program history to reach the mark. Carle reached the milestone in 160 career games, second-fastest in school history behind Murray Armstrong (125) and five games faster than Montgomery (165). His .666 winning percentage (100-47-13) was also the second-best mark among coaches in their quest for 100 wins (Armstrong, 100-34-9, .731).

He coached his 200th contest with the Pioneers on Dec. 9, 2024 at Western Michigan, becoming the fifth DU bench boss to reach the milestone. His .675 winning percentage was the second-highest among Pioneer coaches through the first 200 games, with only Armstrong having a better mark (.735).

Denver recorded its second-straight 30-win campaign in 2022-23 (30-10-0), and the Pios also won their second consecutive Penrose Cup as NCHC regular-season champions after posting a 19-5-0 mark in league play. It was the first time in the program's 74-year history that the Pioneers won 30 or more games in back-to-back campaigns while the 19 conference wins were the team's most since 2009-10 in the WCHA.

During the program's then-record-tying ninth championship season in 2021-22, Carle and the Pioneers sported a 31-9-1 record and won its second Penrose Cup as conference regular-season champions with an 18-6-0 mark in NCHC play. The program went 17-1-1 at home and 22-1-1 in the state of Colorado during the campaign, which began with the Pioneers winning each of their first eight home contests—the longest streak to begin a campaign since Magness Arena opened in 1999 and tied for the third-longest in school history. Overall, DU began the year on a 15-game unbeaten streak at home, the third-longest in program history and the longest since the 1967-68 season. Carle was named the Coach of the Year by USCHO at the end of the season and was at the helm for the program's 1,500th victory on Oct. 8, 2021, helping Denver become just the fifth college hockey team to reach the milestone.

In his first season as head coach in 2018-19, the Alaskan guided the Pioneers to a 24-12-5 overall record and their 12th straight trip to the NCAA Tournament, which include the program's third berth in the Frozen Four in four seasons.

In Carle's second campaign at the helm, Denver finished its 70th Anniversary with a 21-9-6 record (11-8-5-4 NCHC), extending the "Tenzer

RICHARD AND KITZIA GOODMAN HOCKEY HEAD COACH DAVID CARLE (7TH SEASON)

Streak" by winning 20 games for the 19th straight season and reclaiming the Gold Pan from Colorado College. The Pioneers were set to another NCAA Tournament in 2019-20, but the remainder of the season was eventually canceled due to COVID-19. Denver finished fifth in the Pairwise Rankings and sixth in the national polls with a resume that included top-10 sweeps of Boston College and UMass. The Pioneers opened the year on an eight-game winning streak, their best start to a campaign since 2001-02, and went on an 11-game unbeaten stretch from Dec. 7-Jan. 25, their best single-season unbeaten streak since 2016-17 (13).

Denver retained the Gold Pan for the 15th time (15-13) after sweeping Colorado College to end the 2020-21 regular season. In the single-elimination NCHC Tournament in Grand Forks, North Dakota, the Pioneers defeated Omaha 5-4 in the quarterfinals before falling 2-1 in overtime in the semifinals to the UND Fighting Hawks. Carle earned his 50th career victory with a 4-1 win over North Dakota on Jan. 17 (90th game, 50-28-12), accomplishing the feat in one fewer game than predecessor Jim Montgomery (91st game, 50-33-8).

Prior to being named head coach, Carle served four and a half seasons as an assistant coach with the Pioneers under Jim Montgomery. He joined the program on Jan. 1, 2014 following a season and a half as an assistant coach with the Green Bay Gamblers of the United States Hockey League (USHL). While in Green Bay, Carle assisted the Gamblers to a 37-23-4 record, a second-place finish in the USHL's Eastern Conference and a franchise-record 15-consecutive wins on home ice.

During his tenure as an assistant coach with the Pioneers, Carle helped Denver to a 115-51-23 record, a 66-32-14-8 mark in the NCHC, one NCHC regular-season title (2016-17), two NCHC Frozen Faceoff titles (2014, 201), five NCAA Tournament appearances (2014-2018), two Frozen Four appearances (2016, 2017) and the 2017 National Championship.

Carle served four seasons as a student assistant coach with the Pioneers from 2008-2012 after being diagnosed with hypertrophic cardiomyopathy, the primary disease of the myocardium muscle of the heart, and being forced to retire from his playing career. Carle graduated from the University of Denver in 2012 with a business administration degree in finance.

As a player, Carle was a defenseman at Shattuck-St. Mary's prep school in Faribault, Minnesota, where he helped the Sabres capture back-to-back national titles in 2007 and 2008 and was recruited to play at Denver. A 2008 NHL Draft-eligible prospect, Carle was drafted that year by the Tampa Bay Lightning (seventh round, 203rd overall) despite his diagnoses.

He resides in Denver with his wife, Mellissa, and sons, William and Callum.

John MacMillan played in the NHL for both the Detroit Red Wings and Toronto Maple Leafs and became the first DU player to win the Stanley Cup by raising the trophy with the Leafs in both 1962 and 1963.

MacMillan, 53, resides with his wife, Deon, and has three daughters, Taryn, Camryn and Lauryn, and two grandsons, Decker and Bryer. An athletic family, Camryn played five seasons and was a captain on the Denver women's soccer team (2018-2023), while Lauryn also attended DU and used to play hockey as a goaltender. ASSISTANT COACH: RYAN MASSA (4TH SEASON)

Ryan Massa is in his second season as an assistant coach on the Pioneers after spending the previous two years on the staff as a volunteer assistant coach. He was promoted to his current role on Sept. 5, 2023, and the 2024-25 campaign marks his fourth with the Denver hockey program.

Massa, 34, first joined the DU coaching staff on Aug. 1, 2021 after spending the previous four years training goaltenders at various levels in the state of Colorado. Among his responsibilities is working with the Pioneers' goaltenders, assisting in on-ice skill development, providing scouting reports and assisting in managing the bench during games.

In his time at Denver, Massa has been a part of the Pioneers' 2022 and 2024 NCAA Championship victories, as well as the 2024 NCHC Frozen Faceoff Championship and two Penrose Cup as NCHC regular-season champions (2021-22, 2022-23).

The Littleton, Colorado, native helped guide goaltender Magnus Chrona to 50 wins and 10 shutouts across the 2021-22 and 2022-23 campaigns, which included being named the NCHC Goaltender of the Year award in 2023. In 2023-24, he helped Matt Davis post a 20-4-2 record in the final 26 games of the season and post a 0.63 goals-against average and .979 save percentage in four NCAA Tournament contest, including a shutout in the NCAA Championship Game.

A graduate of the University of Nebraska Omaha with a degree in finance and investment banking, Massa was a goaltender on the Mavericks men's hockey team all four years and helped the program reach its first NCAA Frozen Four in 2015. He also played two seasons professionally with the Orlando Solar Bears of the ECHL from 2015-2017 before co-founding Elite Edge Athlete in the Denver area in 2018.

He currently resides in Littleton with his wife Natalie and son Julian.
