### OPENING FACEOFF

The No. 6 Pioneers begin their penultimate series of the regular season on Friday as they host St. Cloud State at DU.

This weekend marks the only time this season that Denver and St. Cloud State will play each other, as the Pios won't visit the Huskies or the Omaha Mavericks during the 2024-25 main campaign. SCSU is the only NCHC squad that Denver has yet to play this year.

DU is coming off a weekend sweep at Miami, winning 5-1 last Friday and 5-2 on Saturday. The Pioneers are 6-2-1 in their last nine games and are 10-4-1 in the past 15 contests dating back to Dec. 14.

### SNAP SHOTS

- Denver went 4-0-1 in 2023-24 against St. Cloud State, including wins in each of the final three meetings. **Page 8**
- The Pioneers and SCSU Huskies are meeting for the first time since Zeev Buium scored the overtime-winning goal in the 2024 NCHC Frozen Faceoff Semifinals in St. Paul, Minnesota. **Page 8**
- Aidan Thompson and Carter King both reached 100 career points last Friday, Feb. 21 at Miami, while Jack Devine recorded 150 career points on Saturday, Feb. 22 in Oxford. **Pages 4 & 5**
- Devine was the first Pioneer to reach 150 career points since Rhett Rakhshani (2010) and is currently tied for 18th place on the team's all-time scoring list with Rakhshani and Bill Abbott. **Page 5**
- Devine is close to another milestone, as he only needs two assists to be the 12 player with 100 helpers in his career at Denver. He will also be one of just 10 Pioneers ever in the 50-goal, 100-assist and 150-point club. **Page 5**
- Boston Buckberger became the third DU rear guard this season to be named NCHC Defenseman of the Week after totaling two assists and five blocked shots in the two games last weekend in Miami. **Pages 4 & 5**
- DU had 13-of-15 players that were named to the Academic All-Conference Team also earn honors as Distinguished Scholar-Athletes (3.5+ GPA). **Page 6**
- Radio broadcaster Jay Stickney is set to call broadcast his 1,000th DU hockey game on Friday night. He is in his 25th year calling Pioneer contests and has called each of Denver's five national championships this century. **Page 11**

### MILESTONES IN MIAMI

DU's top line trio of seniors **Jack Devine** and **Carter King** and junior **Aidan Thompson** each recorded major milestones last weekend at Miami. Thompson became the 104th player in program history to record 100 career points in the second period, while King also joined the century club early in the third and 7:43 of game time after his teammate hit the mark. The Denver duo were the first to reach 100 career points since Devine on March 8, 2024 at Colorado College.

**Devine** became the 22nd player to reach 150 career points on Saturday, as he reached the milestone in his 150th career game at Denver and with an assist on Zeev Buium's goal with 1:27 remaining in the second period. He is the first Pioneers player to hit the 150-threshold since **Rhett Rakhshani** in 2010.

His 151 career points are the second-most among active players in the NCAA behind only Arizona State Grad student Lukas Sillinger (157).

### DEVINE CLIMBING DU'S SCORING LISTS

Senior forward **Jack Devine** owns 151 points (53 goals, 98 assists) in 150 career games and is tied with **Rhett Rakhshani** (2006-2010) and **Bill Abbott** (1951-55) for 18th place on the school's all-time scoring list. He is three points from tying **Jason Elders** (1991-95) for 17th place and four points from a tie for 16th with **Gabe Gauthier** (2002-06)—the highest scoring Pioneer player since 1999.

The Glencoe, Illinois, native is two assists away from 100 in his career and will be the 12th player in DU history to reach the century mark in helpers. If Devine reaches 50 goals, 100 assists and 150 points in his career, he will become just the 10th player in Denver's 50-100-150 club and the first since **Dave Shields** from 1986-1990.

Devine scored his 50th career goal on Feb. 1 against Omaha to become the 61st player in school history to reach the half-century mark. Devine's former teammate **Cole Guttmann** was the last Pioneer to tally 50 career goals on Feb. 11, 2022 against Minnesota Duluth.

### BUCKING THE TREND

Defenseman **Boston Buckberger** was named the NCHC Defenseman of the Week on Monday after totaling two assists, five blocked shots and a +4 plus/minus rating in the weekend series at Miami. He had a helper in each game against the Red-Hawks and tied a career high with three blocked shots on Friday.

Buckberger became the third different Denver rear guard to earn Defenseman of the Week honors this season (3x, **Zeev Buium**; 2x, **Eric Pohlkamp**) and picks up his second career top defender honor from the conference. He was previously named D-man of the Week on Oct. 23, 2023 and was named Rookie of the Week on Oct. 30, 2023 during his freshman campaign.

The Saskatoon, Saskatchewan, native has recorded nine points in the last eight games (3g/9a), and his six goals this season have already surpassed his total as a rookie from a year ago (five). ## PIONEERING OFFENSE

Denver is tied for the NCAA lead in scoring with Minnesota at 4.0 goals per game and its 129 total goals scored rank second behind the 135 of Minnesota, which has played two more games than DU. The Pios led the NCAA last season with 202 total goals and a 4.59 average.

DU scored at least four goals in each of the first 11 contests and has 20 such games overall this season. The Pioneers have had 16 different players score this year and 20 of the 22 skaters have registered at least one point. Denver also already has 13 skaters that have reached double-digits in points.

## SCHOLAR ATHLETES

The NCHC announced last Thursday that 15 returning Denver players have been named to the 2024-25 NCHC Academic All-Conference Team and 13 Pioneers were recognized as Distinguished Scholar-Athletes. DU's **Kent Anderson, Cale Ashcroft, Garrett Brown, Boston Buckberger, Connor Caponi, Kieran Cebrian, Matt Davis, Jack Devine, Paxton Geisel, Freddie Halyk, Sam Harris, Carter King, Rieger Lorenz, Aidan Thompson** and **Jared Wright** are members of the league's All-Academic Team.

To be eligible for the NCHC Academic All-Conference Team, a student-athlete must have compiled a 3.0 cumulative grade-point average or better while also having completed one full academic year at his institution.

**Anderson, Ashcroft, Buckberger, Caponi, Cebrian, Davis, Devine, Halyk, Harris, King, Lorenz, Thompson** and **Wright** were recognized as NCHC Distinguished Scholar-Athletes. Distinguished Scholar-Athletes have a cumulative GPA of 3.5 or better.

Seniors **Devine** and **Davis** have been named to the Academic All-Conference Team and Distinguished Scholar-Athlete in each of their last four seasons at DU. Senior **King**, who joined Denver midseason during the COVID-shortened 2020-21 campaign, and graduate student **Caponi** have been named to the Academic All-Conference Team five times at DU, with King also earning distinguished honors each year.

The NCHC will add freshmen and first-year transfers to its lists this summer after the academic year is completed.

## "TENZER" STREAK EXTENDED

DU won its 20th game of the season on Feb. 7 at Arizona State, extending its "Tenzer" Streak of winning 20 or more games to 23 consecutive full seasons dating back to 2001-02.

The longest active streak in the country, the stretch is named after former DU Director of Hockey Operations **David Tenzer**, who spent 16 seasons with the program from 2001-02—the start of the streak—until retiring in 2017. The program only played 24 total contests in the COVID-shortened 2020-21 campaign.

## SAMMY SCORING

Sophomore **Sam Harris** leads the Pioneers with 19 goals this season, ranking tied for eighth overall in the NCAA. His nine power-play markers are also first on the team and is tied for the top spot in nation.

Harris is tied for fourth in the country with six game-winning goal, and he is one game-winner away from joining a five-way tie for fourth place in the program record book for the most in a single season. Three of Harris' game-winners came in consecutive games: Nov. 8-9 vs. Lindenwood and Nov. 15 at North Dakota—the first time that a Pioneer has notched the winning tally in three consecutive outings in the last four years (since 2021-22).

The San Diego, California, native recorded his second eight-game point streak of the season from Jan. 11-Feb. 14 (7g/4a), which also marked the longest consecutive games point stretch of his career as he missed one game due to injury (Nov. 2 at Yale) in the middle of his career-long nine-game run earlier this season from Oct. 18-Nov. 16 (8g/6a).

Harris scored three goals on Feb. 8 at Arizona State for his first career hat trick and the second by a Pioneer this season, as **Zeev Buium** also did it on Nov. 15 at North Dakota. It was also Harris' first career three-point contest, and his three markers came in a matter of 27:43 for the fastest three goals scored by a Pioneer since **Tristan Broz** tallied a trio in 6:57 on Jan. 14, 2023 vs. Miami.

## HONORING MR. RITCHIE

Denver hockey players will wear special 'DR' decals on their helmets and patches on their jerseys for the remainder of the 2024-25 season to honor Chancellor Emeritus **Daniel L. Ritchie**, who passed away on Jan. 30 at the age of 93.

Ritchie was immense supporter of DU Athletics during his time as the school's "Cowboy Chancellor" beginning in 1989, and his support for all 18 D-I programs continued after he left the position in 2005. Among his accomplishments as Chancellor was leading the University to new success academically and moving the school to full Division-I status in 1999—the same year the Daniel L. Ritchie Center of Sports and Wellness opened on campus.

The University hosted a memorial for Mr. Ritchie on Feb. 13 at Magness Arena to celebrate his remarkable life and legacy. *Learn more about Daniel L. Ritchie at [DenverPioneers.com](http://DenverPioneers.com) and [DU.edu](http://DU.edu).*

## 75 YEARS OF PIONEER HOCKEY

Denver is commemorating 75 years of Pioneer hockey throughout 2024-25 to recognize its diamond jubilee as a program. DU hosted its 75th Anniversary reunion on Nov. 8-9 when Lindenwood visited Magness Arena. Among the activities were pre and post-game receptions for alums, alumni games and family skates and an on-ice recognition of approximately 150 former players in attendance during Saturday's first intermission, with each of the team's NCAA-record 10 championship trophies being presented as well.

The 2024-25 season is actually the 76th in DU hockey history, but the team's 75th anniversary of its first game was in December. The Pioneers' first ever contests were at home on Dec. 19-20, 1949 against Saskatchewan, with the squad losing 17-0 and 9-1 in the series. Denver's first win was Jan. 27, 1950 at Wyoming (8-7), and the program's first home victory came against that same Wyoming squad on Feb. 18, 1950 (10-6) at the old DU Arena.

### CAPONI SETS GAMES PLAYED RECORD

Graduate student forward **Connor Caponi** set the school record for career games played on Feb. 8 at Arizona State as he suited up in his 169th contest as a Pioneer. Caponi has only missed seven games in his four-plus year career at DU and played in 62 straight outings before missing the Dec. 6 outing at Western Michigan due to a lower-body injury.

The Milwaukee, Wisconsin, native broke the DU hockey games played record that was previously held by former teammate **Ryan Barrow** (2017-2022), who skated in his 168th career game during the 2022 NCAA National Championship Game where he also scored the game-tying goal that sparked DU to a 5-1 victory against Minnesota State. **Ed Cristofoli** (1985-1989) owned the mark at 167 games before Barrow.

This year's seniors became the 16th class to win at least 100 games when they accomplished that feat on Nov. 1 at Yale.

Among the 2025 seniors' accomplishments have been three Gold Pan trophies over rival Colorado College, two Penrose Cups as conference regular-season champions, an NCHC Frozen Faceoff title and two national championships.

Last year's seniors (2024) are tied for fifth all-time with 103 victories and registered a .708 winning percentage (103-41-5).

### "TENZER" STREAK EXTENDED TO 23 SEASONS

Denver won its 20th game of the season on Feb. 7 at Arizona State, extending its "Tenzer" Streak of winning 20 or more games to 23 *consecutive full seasons* dating back to 2001-02.

The longest active streak in the country, the stretch is named after former DU Director of Hockey Operations David Tenzer, who spent 16 seasons with the program from 2001-02—the start of the streak—until retiring in 2017. The program only played 24 total contests in the COVID-shortened 2020-21 campaign.

### EXTRA GOOD IN EXTRA TIME

Denver is 2-1-1 in overtime this season after playing in extra time in both games at Arizona State on Feb. 7-8. The last time Denver played two overtime games against the same opponent in a weekend series was Dec. 9-10, 2022 at Minnesota Duluth, winning 3-2 and 4-3.

The Pioneers went unbeaten in 11 straight outings (8-0-3) that went beyond regulation before losing the series finale in OT on Feb. 8 at ASU. It was DU's first overtime loss since the Sun Devils also beat them in Tempe on Nov. 10, 2023; the Pios went 6-1-3 overall in OT games in 2023-24.

Junior forward **Aidan Thompson** tallied his fifth career game-winning goal and third overtime marker in the Feb. 7 victory at Arizona State—with each of the three extra-time tallies coming on the road.

The Pioneers played two overtime games during the 2024 National Tournament, with **Tristan Broz** scoring the winner in each to become the first player in NCAA history to score multiple OT goals in the same tournament.

### RICHTER SEMIFINALIST

Denver's **Matt Davis** is one of 10 goaltenders in the nation and among three in the NCHC that were named on Feb. 13 as semifinalists for the Mike Richter Award, given to the nation's top D-I net-minder. A panel of voters from across the hockey community that includes coaches, members of the national media, professional scouts and representatives of USA Hockey selected the 10 semifinalists.

The Hockey Commissioners Association will announce three finalists in early March and the winner will be announced during this year's Frozen Four in St. Louis. DU has had one previous recipient of the Mike Richter Award: **Tanner Jaillet** (2017).

### HOBEBY NOMINEES

The Pioneers have three players nominated for this year's Hobey Baker Award as senior forward **Jack Devine**, junior forward **Aidan Thompson** and sophomore defenseman **Zeev Buium** are all up for the honor as the top player in college hockey. Overall, the DU trio are among 97 total nominees in college hockey and 21 from the NCHC. The Pioneers are one of 14 programs with three nominees.

Devine was a Hobey Baker Award Top-10 finalist as a junior last season.

The Pioneers have had two previous winners of the Hobey Baker Award: **Matt Carle** (2006) and **Will Butcher** (2017).

### COACH CARLE CEMENTING HIMSELF

Head Coach **David Carle** won his 150th career game on Oct. 6 in his hometown against the Alaska Anchorage Seawolves and coached in his 250th contest on Jan. 25 at Minnesota Duluth.

Carle ranks fourth in program history in wins and games coached behind **Murray Armstrong** (460 wins), **George Gwozdecky** (443 wins) and **Ralph Backstrom** (182 wins). His .696 winning percentage through his first 250 games (166-68-16) was the second-best mark among all coaches behind only Armstrong's .728.

The Anchorage, Alaska, native reached the 150-win mark in his 228th game behind the bench (seventh season), the second-fastest among DU coaches with only Armstrong doing it faster in 216 contests (seventh season). Gwozdecky reached the mark in his 287th game and Backstrom hit the milestone in his 300th contest, with both coming in their eighth seasons.

*Carle owns a .696 career winning percentage—the highest mark by any coach in program history.*

**OXFORD, Ohio** — The No. 6 Denver Pioneers hockey team beat the Miami RedHawks 5-2 on Saturday night to sweep the two-game series at Steve "Coach" Cady Arena in the Goggin Ice Center.

Denver (23-8-1, 12-7-1 NCHC) had five different players score for the second-straight night, with junior forward Aidan Thompson and sophomore defenseman Zeev Buium both finishing with a goal and an assist. Senior Carter King, sophomore Kieran Cebrian and freshman Jake Fisher also scored.

Senior forward Jack Devine had two assists to surpass 150 career points. He reached the milestone with the primary helper on Buium's seventh goal of the season with 1:27 left in the second period, giving DU a 3-1 lead at the time.

Devine is the 22nd player with at least 150 career points and is the first Pioneer to reach the milestone since Rhett Rakhshani in 2010. His second assist came on Thompson's empty-net goal with 2:13 left to play, and he is now tied with Rakhshani (2006-2010) and Bill Abbott (1951-55) for 18th place on the school's all-time scoring list.

Denver outshot Miami 31-23 in the contest, with DU goaltender Freddie Halyk making 21 saves in his fourth victory of the year.

The Pioneers led 2-0 after the first period with goals from King and Cebrian and were up 3-2 at the second intermission. Miami scored with 41 seconds left in the middle stanza to cut its deficit to one after Buium's marker.

Fisher tallied his second goal in as many nights at 10:30 of the third to push the Pioneers' lead back to two goals and give them insurance en route to their eighth series sweep of the season. DU's last sweep came against Miami at home on Jan. 10-11, and its last on the road was Nov. 15-16 at North Dakota.

Hampus Rydqvist and Conner Hutchison scored for the RedHawks (3-25-2, 0-20-0 NCHC) while MU netminder Ethan Dahlmeir made 26 stops.

Neither team scored on its lone power-play opportunity in the game.

## AVALANCHE OF GOALS

Denver's 11 goals scored on Feb. 1 against Omaha marked the program's most in a contest in nearly 30 years, as the Pioneers last reached that total with an 11-1 victory on Dec. 27, 1995 against Air Force. The Pioneers' 11-2 win vs. the Mavericks was their largest margin of victory since winning 9-0 on Nov. 25, 2023 against Yale.

Overall, DU's 11 goals scored tied the NCHC record for the most goals in a conference game. It was the fourth time that an NCHC squad tallied 11 goals and the first since St. Cloud State did it against Miami on Jan. 21, 2022.

## QUICK STRIKES

The Pioneers scored their fastest two (0:16), three (2:46), four (8:11), five (13:22) and six (18:21) goals in a game this season on Feb. 1 against Omaha. The last time that Denver tallied faster two, four and six goals was two seasons ago in 2022-23 (all on Jan. 13, 2023 vs. Miami), while the Pios had faster three and five markers last year.

Overall, DU tallied nine of its goals on Feb. 1 in a matter of 27:26 from 0:25 of the second period to 7:51 of the third period.

The Pioneers' goals by **James Reeder** (2:55/2nd) and **Boston Buckberger** (3:11/2nd) in a matter 16 seconds bested their previous season high of 1:37 for the fastest two strikes that was set on Friday against Omaha by **Eric Pohlkamp** (19:34/2nd) and **Zeev Buium** (1:12/3rd). DU scored two goals in nine seconds in the second period on Jan. 13, 2023 versus Miami.

Denver's fastest goal to begin a period this season was 12 seconds by **Carter King** in the third period on Oct. 19 against Northeastern. It was the fastest DU goal to start a period since Chris Knowlton at 0:11 of the first frame on Nov. 26, 2011 vs. Miami.

## PLAYING CLOSE

Denver has played in 12 one-goal games this season, going 6-6 in those contests. The Pioneers played their fourth 2-1 hockey game of the season on Jan. 25 at Minnesota Duluth and owns a 3-1 record in such contests this year—DU didn't play its first 2-1 game last season until the NCAA Tournament (and then played three in a row).

## THREE-POINT ZEEV

Sophomore **Zeev Buium** has recorded four three-point contests this season and has nine such games in his career. He had three assists on Feb. 1 vs. Omaha and also recorded a trio of points on Oct. 5 at Alaska Anchorage (0g/3a), Nov. 15 at North Dakota (3g/0a) and Jan. 10 vs. Miami (1g/2a).

Buium has registered 22 points (5g/17a) in the last 18 games he's played and has recorded at least a point in 21-of-28 games this year. The San Diego, California, native ranks second among all NCAA defensemen with 32 points and leads his position group with 27 assists this season.

## POHLKAMP PICKING UP POINTS

Defenseman **Eric Pohlkamp** owns 14 points (3g/11a) in his last 14 games and ranks second among team defensemen in scoring with 27 points. He is tied for the lead among all Denver D-men with seven goals and is first among his position with 114 shots, ranking tied for eighth and second overall on the squad, respectively.

The Baxter, Minn., native recorded a career-high three assists on Nov. 8 vs. Lindenwood, his third three-point game of his career and his second in a three-game span after totaling two goals and an assist on Nov. 1 at Yale—his first multi-point contest as a Pioneer after joining the program as a transfer in the offseason.

## PIOS POWER UP

Denver ranks second in the nation on the power play with a 31.5-percent success rate and has tallied on the power play in 22-of-32 games this year. The team scored at least one power-play goal during an 11-game stretch from Oct. 19-Nov. 23—the team's longest run in the last decade (since 2015-16). The Pioneers have recorded multiple man-advantage goals in nine outings this year, including last Friday at Miami (2/3)..

**Jack Devine** is first on the team with 22 power-play points (3g/19a), while **Sam Harris** leads the squad and is tied for first in the country with nine man-advantage goals.

The Pios opened the season by going 4-for-9 on the PP on opening night at Alaska Anchorage on Oct. 5—the most power-play goals scored in a game by the squad since Dec. 4, 2021 at Arizona State (4-of-6). Five of **Devine's** six assists in Alaska on Oct. 5-6 came while DU was a man-up on the ice, while all four of **Zeev Buium's** assists in that series came on power-play goals.

## KILLER PENALTY KILL

Denver has an 82.0-percent success rate on the penalty kill, and the team hasn't allowed a power-play goal in 18 games this year and went 4-for-5 on the PK last weekend at Miami. DU didn't allow multiple man-advantage goals against in a contest in 2024-25 until Miami did it on Jan. 11 in Denver.

The Pioneers had a stretch of 17 straight kills that began in the season opener on Oct. 5 at Alaska Anchorage and ended with Wisconsin tallying on its first power-play chance on Oct. 25 (four games)—the longest such streak since they were successful on 19 consecutive man disadvantages during the 2022 postseason from March 11-April 7, 2022.

Denver was successful in nullifying 89.7 percent of its penalties over the final 13 games in 2023-24, going 26-for-28 in a stretch that began on Feb. 24. DU was perfect in nine of those games, including going 4-for-4 on the PK on three occasions and seven straight in the final five outings of the season en route to the 2024 championship.

## MONTH BY MONTH

Denver has a 5-2-0 record in February to secure its 28th straight month where it has posted at least a .500 record dating back to January 2021.

## NOTES (CONTINUED)

### HOME ICE ADVANTAGE

Denver is 68-13-5 in its last 86 contests at Magness Arena and sport a 75-17-6 record on the DU hilltop since the start of the 2019-20 campaign (98 games). The Pios lost back-to-back home games on Nov 22-23 vs. Arizona State, ending a run of 34 straight home series without getting swept. It was their first consecutive losses over a weekend at Magness Arena since March 31-Feb. 1, 2020 vs. Minnesota Duluth.

The Pioneers finished their 20-game home schedule last season with a 14-3-3 record and ended the home campaign on a four-game winning streak from Feb. 24-March 16, matching a season-best stretch (Dec. 2-Jan. 12).

### MAGNESS MADNESS

Denver has sold out each of its 15 home games season, averaging 6,618 fans. The Pioneers set attendance records on Oct. 18-19 during homecoming weekend against Northeastern, including a new single-game high with a crowd 7,051 on Saturday for its banner-raising ceremony and series finale. Overall, 13,888 people watched the series sweep of NU—the most for a two-game weekend in school history and breaking the previous mark by more than 1,200 fans. Denver had a sold-out crowd of 6,455 in attendance for its exhibition vs. UNLV on Dec. 28.

In 2023-24, DU set a home attendance record by averaging 6,130 fans at Magness Arena across 20 games, besting their previous high mark of 6,022 over the course of 24 contests in 2006-07. Denver had a sold-out crowd of 7,033 for its regular-season finale against Colorado College on March 9, which at the time was the highest-attended hockey game at Magness Arena in program history. DU had set its last high mark for attendance in its previous game against CC on Nov. 3 at Magness with a crowd of 7,021.

Overall, 122,594 people watched the Pioneers at Magness Arena in 2023-24 (20 games) after 133,117 people visited DU's home rink in 23 games in 2022-23 (the second-highest attended season in the rink's history). If the 17,952 that witnessed Denver defeat Colorado College at Ball Arena on Jan. 27, 2023 are included in the data (it officially counted as a DU home game), then 151,069 people watched Pioneer home games in 2022-23—the highest total attendance for the team since 1999.

### ROAD TRIPPIN'

Denver is set to travel approximately 10,349 miles this season for road games (one way), which includes a trip to Anchorage and the two to the northeast to Yale and Maine. DU traveled 8,605 miles for road contests during the regular season in 2023-24, which featured a trip to Fairbanks and cross country to New England to start the campaign.

The Pioneers had a stretch where they played five-of-six games on the road around the holidays and New Year from Dec. 6-Jan. 4 and seven-of-10 games from Nov. 15-Jan. 4.

Counting postseason play at neutral sites from last season, Denver owns a 19-5-0 record in its last 24 games away from Magness Arena since Feb. 16, 2024.

### GOLD PAN SERIES TIED AT 1-1

Denver and Colorado College split their first series of the season for the 2024-25 Gold Pan, with the Pioneers falling 5-4 on Dec. 13 on the road before winning 2-1 on Dec. 14. The trophy will be decided in the regular-season finale on March 7-8.

In circulation since 1993-94, the Gold Pan is given to the team that wins the season series between the in-state rivals. DU has won the trophy in each of the last five seasons and has captured it 18 times compared to CC's 13. Since the Pioneers previously held the trophy, they only need a series split to retain it while the Tigers have to win the four-game series outright.

### CAPTAIN KING

Senior **Carter King** was named the 95th team captain in program history prior to the season on Sept. 29. This is the forward's first time serving in the role at any level, but he was an alternate captain on last year's squad led by the now-graduated McKade Webster.

Graduate student **Connor Caponi** and junior **Aidan Thompson** are the alternates this season, with Caponi previously wearing the 'A' alongside King in 2023-24. Thompson, who is from Fort Collins, was last an alternate captain for the USHL Lincoln Stars in 2021-22.

### PRESEASON HONORS

Senior forward **Jack Devine** and sophomore defenseman **Zeev Buium** were both selected to the NCHC's 2024-25 Preseason All-Conference Team in a vote by the media. Denver, Colorado College and North Dakota each had two players on the six-man team. Buium was one of two unanimous selections (CC's Noah Laba) on the squad while Devine was listed on 26-of-30 ballots.

### NCHC PRESEASON FAVORITES

The Pioneers were voted to win the NCHC regular season in 2024-25 for the third straight season in the conference's annual preseason media poll. This was the fourth time that DU had been voted the preseason favorite, as it also earned the honor in 2017-18, 2022-23 and 2023-24.

### A RING FITTING FOR THE KINGS

Denver hockey unveiled its 2024 National Championship ring in a private ceremony on Sept. 7 to celebrate the program's NCAA-record 10th title. The Pioneers' leadership group had input on what the ring ultimately looked like.

Among the unique features of the ring is a "flip top" of the dome that reveals the Frozen Four logo and the final scores of each of the NCAA Tournament games. The interior of the ring also displays a hockey rink with eight red dots on the bottom half to mark the exact position where each goal was scored by the Pioneers during the tournament, while the other half of the "ice" is a red brick in front of the net to symbolize goalie Matt Davis performance throughout the postseason en route to Most Outstanding Player honors.

The sides of the ring feature unique personal and team touches, including once side depicting the moment **Zeev Buium** jumped on **Matt Davis** when the final buzzer sounded. The ring also includes several gestures to the number "10" to recognize the Pioneers as the Kings of College Hockey.

### THOMPSON MAKING HIS POINT

His 14-game streak was also tied with **Bobby Brink** for the second-longest by a Pioneer in the last decade (Dec. 31, 2021-Feb. 19, 2022), with only **Danton Heinen's** run of 18 straight contests from Jan. 22-March 27, 2016 being longer. Thompson also registered a personal-best seven-game assist streak from Oct. 18-Nov. 8.

It was also the longest point streak in the NCAA season this season until Michigan's T.J. Hughes current 15-game run that began on Dec. 14.

The Fort Collins, Colorado, native set a career high for assists/points in a game on Oct. 19 vs. Northeastern with four helpers, the second four-assist game of the year by a Pioneer as **Jack Devine** also accomplished the feat in the season opener on Oct. 5 at Alaska Anchorage.

## NOTES (CONTINUED)

### CLUTCH CALE

Sophomore defenseman **Cale Ashcroft** scored his third game-winning goal of the season on Jan. 3 at Maine, hitting twine on a shot with 20 seconds left in regulation. Each of his first three goals this year were game-winners, which were also the first GWGs of his career.

He also scored in the third period on Oct. 25 vs. Wisconsin and Dec. 14 vs. Colorado College. His goals on Dec. 14 and Jan. 3 marked the first time in his career that he registered points in back-to-back games, and he recorded his first multi-point game on Feb. 1 vs. Omaha (1g/1a).

### SAMU GOES SHORTY

Junior forward **Samu Salminen** scored two short-handed goals late in the first period on Dec. 13 at Colorado College. He tallied while Denver had a man disadvantage at 16:37 and 19:13 of the opening frame. Among the accomplishments of his feat:

- Became the sixth DU player to score two short-handed goals in the same game in program history and the fourth to do so in the same period as **Tyler Bozak** was the last to do so on Nov. 4, 2007 at Minnesota. The other two players to score two shorties in a single stanza were **Gabe Gauthier** on Oct. 22, 2004 vs. St. Cloud State and **Bob Pazzelli** on Oct. 29, 1977 at Michigan.
- Second-straight season that a Pioneer scored two short-handed goals in a game as **Carter King** also did so on Nov. 10, 2023 at Arizona State.
- The last time that Denver scored two shorties in the same period was when **Chris Butler** (11:06) and **Tyler Bozak** (18:40) found the back of the net in the second frame on Feb. 22, 2008 vs. Alaska Anchorage.
- First short-handed goals of the year and the first by a DU player since **Rieger Lorenz** on Jan. 12, 2024 vs. St. Cloud State.
- Salminen recorded his second and third career short-handed goals after scoring his first on Oct. 7, 2023 at Colgate while a member of Connecticut.
- First career multi-goal game at DU and became the third Pioneer to score twice in a single period this season.
- His two scores came in a matter of 2:36, the quickest two goals by the same Denver player this year.

### MID-POINT MARKERS

Denver had a 14-4-0 record at the halfway point of the season, with its .777 winning percentage tied for the program's best mark at the midpoint in the last 20 years. Both the 2022-23 and 2007-08 squads also had a 14-4-0 record midway through their 36-game regular season.

Only the 2001-02 team has posted a better winning percentage since the turn of the century, as that group had an .888 mark and a 16-2-0 overall record at the halfway point of its 36-game campaign.

### ZEEV WITH THE TRICK

Sophomore **Zeev Buium** recorded his first career hat trick on Nov. 15 at North Dakota to become the first Pioneer defenseman to score three goals in a game in more than 20 years. **Ryan Caldwell** was the last Denver D-man to tally three times when he accomplished the feat on Feb. 14, 2004 vs. Minnesota State, and Buium was the first DU rear guard to register a hat trick on the road since **Ian DeCorby** at St. Cloud State on Dec. 29, 1990.

#### *See full list below*

Buium's three markers were his first of the season and the first such performance by a Pioneer since **Jack Devine** tallied four times on March 10, 2023 vs. Miami. It was just the third hat trick by a D-man in NCHC history, as Western Michigan's Ronnie Attard had the previous two: Oct. 19, 2021 at Colgate and Feb. 4, 2022 at Colorado College.

It was Buium's second career multi-goal game, joining his two-goal performance that included the overtime-winner in the NCHC Frozen Faceoff Semifinals on March 22, 2024 vs. St. Cloud State at Xcel Energy Center in St. Paul, Minn. His hat trick performance also marked his seventh career three-point contest and second of the season (three assists on Oct. 5, 2024 at Alaska Anchorage).

### NON-CONFERENCE SUCCESS

The Pioneers wrapped up non-conference play with an 11-1-0 record. DU concluded its non-NCHC games on Jan. 3-4 at Maine, splitting the series in its second of two trips to the northeast this year after playing at Yale on Nov. 1-2. DU began the season on Oct. 5-6 at independent Alaska Anchorage.

Denver's last home non-conference outings were Nov. 8-9 with the team earning a pair of 4-1 wins against Lindenwood during the 75th Anniversary Weekend. The Pioneers hosted Hockey East's Northeastern in its first home games of the year as part of Homecoming Weekend on Oct. 18-19, with the team raising its championship banner prior to the Saturday series finale. DU then faced the Big Ten's and former WCHA-foe Wisconsin on Oct. 25-26, winning 4-2 and 6-1.

The Pios had won 20 consecutive games against non-conference opponents dating back to Nov. 11, 2023 at Arizona State before falling 2-1 at Maine in the series finale on Jan. 4. Denver owns a 12-0-1 mark at home in non-NCHC contests since Jan. 7, 2023 vs. Alaska Fairbanks. DU went 13-2-1 against non-conference opponents in 2023-24, which included wins in each of the final nine such contests and four in the NCAA Tournament en route to a championship.

### WHAT A WIN STREAK

The Pioneers went on a 21-games win streak that began on March 9 against Colorado College and went through Nov. 16 at North Dakota. It was the longest win streak across multiple seasons in program history, as the previous DU record was 19 straight victories that was accomplished twice: Feb. 13-Dec. 13, 1960 and Jan. 13-Dec. 2, 1961.

Overall, the 21-game stretch fell one game shy of tying the longest overall winning streak in school history, as the Pioneers won 22 contests in a row from Jan. 5-March 16, 1968 en route to the team's fourth national championship.

DU went 9-1-0 in its last 10 games of 2023-24 and 27-2-1 in 30 contests from Feb. 2-Nov. 16.

### RECORD START

DU won its first 12 games of the season, marking the best start in school history. The previous record was wins in its first nine contests that was set by the 2001-02 squad (counting exhibition outings, DU actually won 11 consecutive games that year).

The Pioneers' 12 wins to start the season were the most by a defending national champion since 2000. In fact, it was more than double the previous best start by a reigning champ as North Dakota in 2016-17 and Union in 2014-15 both won their first five contests before suffering their first losses.

### DAVIS CONSISTENT IN GOAL

Goaltender **Matt Davis** won 20 straight games from March 9 of last season vs. Colorado College to Nov. 14 at North Dakota. He posted several long shutouts streaks during that time, including setting a new career best of 154:45 that began in the first period on Oct. 26 against Wisconsin and went until the third period on Nov. 9 vs. Lindenwood. It was his third career shutout streak of at least 120 minutes, going along with his other two previous personal bests of 136:53 from April 11-Oct. 4, 2024 and 127:19 from March 9-16, 2024.

Davis won each of his first 11 starts this year, tied for the longest in-season win streak in the last 10 years by a Denver goaltender since **Tanner Jaillet** also won 11 straight from Jan. 21-March 10, 2017.

The Calgary, Alberta, native started 33 consecutive games from Jan. 5 vs. Niagara to Nov. 1 at Yale before he was finally given the night off. He posted a 27-4-2 record, 2.02 goals-against average, .927 save percentage and three shutouts during the streak that stretched across two seasons.

### ASSISTANT COACHING EXPERIENCE

DU assistant coaches **Tavis MacMillan** and **Dallas Ferguson** own a 9-1-0 all-time record when running the bench in head coach **David Carle's** absence (family, illness, World Juniors). Both MacMillan and Ferguson are former head coaches at Alaska Fairbanks.

The Pioneers outscored opponents 23-8 in four games in 2023-24 while Carle was away for the birth of his second son, Callum (Oct. 7-8, 2023), and coaching at the 2024 World Junior Championship (Jan. 5-6, 2024).

### BACK-TO-BACK WORLD JUNIOR GOLD FOR PIONEERS

Denver hockey was once again well-represented on Team USA at the 2025 IIHF World Junior Championship with head coach **David Carle** leading the Americans' bench for the second-straight year and sophomore defenseman **Zeev Buium** serving as an alternate captain on this year's team.

Team USA defeated Finland in overtime in the Gold Medal Game on Sunday to give the Americans their first-ever back-to-back World Junior titles. **Buium** played the second-most minutes among all players at the tournament at 25:13 per game and totaled six points on two goals and four assists, including registering helpers on both the U.S.'s game-tying and game-winning goals in the overtime victory against Finland in the final.

Carle and Buium were joined on the United States team with Denver director of hockey operations/video coach **Travis Culhane** and equipment manager **Nick Meldrum**, who also served in the same roles in on Team USA 2024. Also on Carle's staff are former Pioneer assistants **Steve Miller** (Minnesota) and **David Lassonde** (USA Hockey).

The 2024 tournament marked the first time that Carle had coached a USA roster in his career, and he joined **Marshall Johnston** (1977) as the only Denver coaches to guide a U.S. World Junior squad. Carle is the only U.S. coach to win multiple World Junior titles and he is the third NCHC head coach to lead the Americans to gold at the tournament, joining former St. Cloud coach Bob Motzko (2017) and North Dakota and Omaha coach Dean Blais (2010 w/Omaha).

### KING'S BANNER NIGHT

Forward **Carter King** had a memorable night on Oct. 19, which began with him taking a lap with the 2024 NCAA Championship trophy and watching the program's 10th national title banner be raised to the Magness Arena rafters. After the pre-game festivities, he went out and produced two goals and two assists and won 20 faceoffs.

His faceoff victories were the most in a game in his career while his four points matched a personal best previously set on Nov. 11, 2023 in DU's comeback win at Arizona State (1g/3a).

### SWEET 16-HUNDRED

Denver hockey won its 1,600th all-time game in its victory on Nov 2 at Yale, becoming just the sixth program in college hockey history to reach the mark. Only Minnesota (1927), Michigan (1805), Boston College (1720), Boston University (1671) and North Dakota (1640) have more wins, but the Pioneers are the newest of the programs to reach the milestone (began 1949) as the other five squads started play in 1922-23 or earlier.

The Pioneers all-time winning percentage as of Nov. 3 was .609, which is the fourth-highest among the six programs and higher than both North Dakota and Michigan at the time (both at .604). DU is expected to play in its 2,800th game during the 2025 NCHC postseason.

## NOTES (CONTINUED)

### ANCHORAGE HOMECOMING

**David Carle** guided the bench for the first time as a head coach in his hometown of Anchorage on Oct. 5-6. Hired as the program's head coach prior to 2018-19, Carle had only ever coached in America's Last Frontier twice, going 2-0 in games in Fairbanks on Oct. 5-6, 2019 (he missed last year's games in UAF for the birth of his second son, Callum).

The only time Carle served as a "coach" in Anchorage was as an upperclassman in 2011 or 2012 while a student assistant coach under George Gwozdecky. He was still an assistant coach with the USHL Green Bay Gamblers when Denver last played the UAA Seawolves early in 2013-14 (he was hired at DU later on in the year).

### IN OPENERS

The Pioneers improved to 44-25-7 all-time in season openers and won their fourth such game in a row with a 6-2 victory at Alaska Anchorage on Oct. 5. It was the second straight season that DU began on the road after starting 2023-24 in Fairbanks, Alaska, against the Nanooks. The last time Denver began a campaign on the road in consecutive seasons was when it did it three years in a row: 2017-18, 2018-19, 2019-20.

Denver has a 53-18-5 all-time record in home openers and is 20-4-2 all-time in opening nights at Magness Arena, which includes going 14-2-2 in the last 18 games. The Pioneers are unbeaten in their last eight home openers (6-0-2).

### FOUNTAIN OF YOUTH

DU entered this season as the second-youngest squad in college hockey for the second-straight season despite only having five freshmen on its squad. Denver's average age as of Oct. 1 was 20.9 years old—which was also its age to start 2023-24. Boston College, which was the youngest team last season at 20.6, is once again the youngest at 20.7 years of age.

DU's youngest player is defenseman **Tory Pitner** (March 6, 2006) while **Hagen Burrows** also started the season as an 18-year-old with an Oct. 15, 2005 birthday. Last season, **Zeev Buium** (Dec. 7, 2005) was the second-youngest player in college hockey behind only Boston University's and eventual No. 1 overall NHL Draft pick Macklin Celebrini (June 13, 2006). **Jack Devine**, who turned 21 on Oct. 1, was the second-youngest player in the nation as a freshman in 2021-22.

### WEEKEND OF FIRSTS

Denver freshmen **Hagen Burrows**, **Jake Fisher**, **Tory Pitner** and **James Reeder** made their collegiate debuts on Saturday, Oct. 5 at Alaska Anchorage, with transfer players **Eric Pohlkamp** (Bemidji State) and **Samu Salminen** (UConn) playing in their first contests with the Pioneers in that outing as well.

**Fisher** tallied his first career goal in his debut while **Reeder** and **Salminen** tallied in the series finale on Oct. 6. **Pohlkamp** picked up his first point as a Pioneer with an assist in the Sunday contest.

### ROSTER BUILDING

Denver began this year with 18 returning players from the 2023-24 championship squad while welcoming seven newcomers—five incoming freshmen and transfer students **Eric Pohlkamp** (Bemidji State) and **Samu Salminen** (Connecticut). DU brought back 10-of-15 forwards, 5-of-8 D-men and 3-of-4 goalies from a season ago.

The Pioneers' present 24-member squad features graduate student **Connor Caponi** and seniors **Matt Davis**, **Jack Devine** and **Carter King**. There are also five juniors to round out the upperclassmen.

Five players from last year's team signed NHL professional contracts, while two transferred (Tristan Lemyre, Western Michigan; Lucas Olvestad, Massachusetts).

### 30 FOR 30 FOR 30

Denver has won 30 or more games in each of the previous three seasons, marking the first time in program history it has accomplished that feat in successive years. Overall, the Pioneers have reached the 30-win threshold nine times, with their 34 wins in 1985-86 setting the school record. DU's 32 wins a year ago were tied for the fourth-most in a season in program history. The Pioneers had 30 victories in 2022-23 and 31 in 2021-22.

### THE PICKS ARE IN

Defenseman **Zeev Buium** became the second-highest draft pick in DU hockey history after being selected No. 12 overall by the Minnesota Wild in the league's annual selection last summer on June 28 at the Sphere in Las Vegas. Buium was the first American chosen in the draft and became just the fifth Pioneer to be picked in the first round. **Craig Redmond** at No. 6 by the Los Angeles Kings in 1984 is the only Denver player to be chosen earlier.

Overall, DU had four players selected as 2024-25 incoming freshmen **Jake Fisher** (Round 4, No. 121, Colorado), **Hagen Burrows** (Round 4, No.

128, Tampa Bay), **Tory Pitner** (Round 6, No. 185, Colorado) and **James Reeder** (Round 7, No. 198, Los Angeles) were

also chosen. *Denver's four incoming freshmen chosen are the most in a single draft in program history.*

#### DENVER FIRST ROUND DRAFT PICK HISTORY

**Zeev Buium, 2024 - #12 (Minnesota)**

### ZEEV IN THE RECORD BOOKS

Defenseman **Zeev Buium** produced one of the best rookie campaigns in DU history in 2023-24 as he led the team with 39 assists and was second in scoring with 50 points.

His 50 points were the 10th-most by a freshman player in school history and were the most by a rookie since **John McMillan** had 57 and **Dwight Mathiasen** had 51 in 1983-84. Overall, only two frosh defensemen have recorded more points in a single campaign than Buium: **Craig Redmond's** 54 in 1982-83 and **Greg Woods' 52** in 1975-76.

The San Diego, California, native's 39 assists were the most-ever by a freshman defenseman and the second-most by a rookie (forward **Dallas Gaume** owns the record with 47 assists in his rookie campaign in 1982-83). Among defensemen all-time, Buium's 39 helpers were fourth-best in Pioneer history.

David Carle is in his seventh season as the Richard and Kitzia Goodman Hockey Head Coach in 2024-25 after being named to the position on May 25, 2018. The ninth head coach in program history, Carle has led the Pioneers to five NCAA Tournament appearances, three Frozen Four berths and the 2022 and 2024 NCAA National Championship in his first six campaigns behind the bench. Denver's national championship victory in 2024 was the program's 10th in its 75-year history and set the NCAA record for the most-ever by a college hockey team.

Carle, 34, has also served as the head coach of the United States National Junior Team in each of the past two years, leading the Americans to their sixth and seventh gold medals in the last 21 years at the IIHF World Junior Championship. Under Carle's guidance, Team USA won back-to-back World Junior golds for the first time in the country's history.

He is the third NCHC head coach to lead the U.S. to gold at the World Juniors, joining former St. Cloud coach Bob Motzko (2017) and North Dakota and Omaha coach Dean Blais (2010 with Omaha). The past two years marked the only times that Carle has coached for USA Hockey, and he was just the second Denver bench boss to lead the U.S. World Junior squad, joining Marshall Johnston in 1977.

At the time of his hire at DU, Carle was youngest head coach in NCAA Division I men's ice hockey at age 28. He became the fourth-youngest coach in history to win a D-I national title in 2022 (32 years, 5 months, 0 days) and is the youngest ever to win two national championships following the Pioneers' victory in 2024 (34 years, 5 months, 4 days). He is the 20th coach in NCAA history to win multiple national championships and the first to do so since Scott Sandelin of Minnesota Duluth (2011, 2018, 2019).

Carle entered this season with a 148-62-16 overall record and a 68-41-11 mark in National Collegiate Hockey Conference play in his first six campaigns at the helm of the program. The Pioneers won their third NCHC Frozen Faceoff Championship and Carle's first in 2024 following back-to-back campaigns where DU captured the conference's Penrose Cup as regular-season champions (2021-22, 2022-23).

Carle's .690 winning percentage going into 2024-25 is the best all-time among Denver hockey coaches. He surpassed his predecessor, Jim Montgomery (125), for sole possession of fourth place on the school's all-time wins list on Nov. 25, 2024, earning his 125th career victory in 13 fewer games than Montgomery.

The Pioneers were the highest-scoring team in the nation in 2023-24 at 4.6 goals per game and became a stingy defensive squad in the post-season as they only allowed three total goals against during the NCAA Tournament, including a shutout in the National Championship Game against Boston College on April 13.

Overall, DU went 32-9-3 in 2023-24 for its third consecutive 30-win season, a first in program history. The Pioneers ended the year on a season-best nine-game winning streak and went 20-4-2 in the final 26 outings after the holiday break.

The Anchorage, Alaska, native picked up his 100th career victory on Dec. 10, 2022 at Minnesota Duluth, becoming the fifth head coach in program history to reach the mark. Carle reached the milestone in 160 career games, second-fastest in school history behind Murray Armstrong (125) and five games faster than Montgomery (165). His .666 winning percentage (100-47-13) was also the second-best mark among coaches in their quest for 100 wins (Armstrong, 100-34-9, .731).

He coached his 200th contest with the Pioneers on Dec. 9, 2024 at Western Michigan, becoming the fifth DU bench boss to reach the milestone. His .675 winning percentage was the second-highest among Pioneer coaches through the first 200 games, with only Armstrong having a better mark (.735).

Denver recorded its second-straight 30-win campaign in 2022-23 (30-10-0), and the Pios also won their second consecutive Penrose Cup as NCHC regular-season champions after posting a 19-5-0 mark in league play. It was the first time in the program's 74-year history that the Pioneers won 30 or more games in back-to-back campaigns while the 19 conference wins were the team's most since 2009-10 in the WCHA.

During the program's then-record-tying ninth championship season in 2021-22, Carle and the Pioneers sported a 31-9-1 record and won its second Penrose Cup as conference regular-season champions with an 18-6-0 mark in NCHC play. The program went 17-1-1 at home and 22-1-1 in the state of Colorado during the campaign, which began with the Pioneers winning each of their first eight home contests—the longest streak to begin a campaign since Magness Arena opened in 1999 and tied for the third-longest in school history. Overall, DU began the year on a 15-game unbeaten streak at home, the third-longest in program history and the longest since the 1967-68 season. Carle was named the Coach of the Year by USCHO at the end of the season and was at the helm for the program's 1,500th victory on Oct. 8, 2021, helping Denver become just the fifth college hockey team to reach the milestone.

In his first season as head coach in 2018-19, the Alaskan guided the Pioneers to a 24-12-5 overall record and their 12th straight trip to the NCAA Tournament, which include the program's third berth in the Frozen Four in four seasons.

## RICHARD AND KITZIA GOODMAN HOCKEY HEAD COACH DAVID CARLE (7TH SEASON)

In Carle's second campaign at the helm, Denver finished its 70th Anniversary with a 21-9-6 record (11-8-5-4 NCHC), extending the "Tenzer Streak" by winning 20 games for the 19th straight season and reclaiming the Gold Pan from Colorado College. The Pioneers were set to another NCAA Tournament in 2019-20, but the remainder of the season was eventually canceled due to COVID-19. Denver finished fifth in the Pairwise Rankings and sixth in the national polls with a resume that included top-10 sweeps of Boston College and UMass. The Pioneers opened the year on an eight-game winning streak, their best start to a campaign since 2001-02, and went on an 11-game unbeaten stretch from Dec. 7-Jan. 25, their best single-season unbeaten streak since 2016-17 (13).

Denver retained the Gold Pan for the 15th time (15-13) after sweeping Colorado College to end the 2020-21 regular season. In the single-elimination NCHC Tournament in Grand Forks, North Dakota, the Pioneers defeated Omaha 5-4 in the quarterfinals before falling 2-1 in overtime in the semifinals to the UND Fighting Hawks. Carle earned his 50th career victory with a 4-1 win over North Dakota on Jan. 17 (90th game, 50-28-12), accomplishing the feat in one fewer game than predecessor Jim Montgomery (91st game, 50-33-8).

Prior to being named head coach, Carle served four and a half seasons as an assistant coach with the Pioneers under Jim Montgomery. He joined the program on Jan. 1, 2014 following a season and a half as an assistant coach with the Green Bay Gamblers of the United States Hockey League (USHL). While in Green Bay, Carle assisted the Gamblers to a 37-23-4 record, a second-place finish in the USHL's Eastern Conference and a franchise-record 15-consecutive wins on home ice.

During his tenure as an assistant coach with the Pioneers, Carle helped Denver to a 115-51-23 record, a 66-32-14-8 mark in the NCHC, one NCHC regular-season title (2016-17), two NCHC Frozen Faceoff titles (2014, 201), five NCAA Tournament appearances (2014-2018), two Frozen Four appearances (2016, 2017) and the 2017 National Championship.

Carle served four seasons as a student assistant coach with the Pioneers from 2008-2012 after being diagnosed with hypertrophic cardiomyopathy, the primary disease of the myocardium muscle of the heart, and being forced to retire from his playing career. Carle graduated from the University of Denver in 2012 with a business administration degree in finance.

As a player, Carle was a defenseman at Shattuck-St. Mary's prep school in Faribault, Minnesota, where he helped the Sabres capture back-to-back national titles in 2007 and 2008 and was recruited to play at Denver. A 2008 NHL Draft-eligible prospect, Carle was drafted that year by the Tampa Bay Lightning (seventh round, 203rd overall) despite his diagnoses.

He resides in Denver with his wife, Mellissa, and sons, William and Callum.

### ASSISTANT COACH: TAVIS MACMILLAN (10TH SEASON)

Tavis MacMillan is in his 10th season as an assistant coach with the Pioneers and has helped the program win three NCAA Championships since being named to the position on May 27, 2015.

McMillan has served on Denver's coaching staff in its 2017, 2022 and 2024 National Championship wins and helped the program reach five Frozen Four appearances, seven NCAA Tournament berths, two NCHC Frozen Faceoff championships and three NCHC regular-season titles in his decade with the team. Among his coaching duties on David Carle's staff include working with the forwards and penalty kill and leading the program's recruiting efforts.

Prior to joining DU, MacMillan served eight seasons as a scout for the NHL's Winnipeg Jets and 10 seasons as a coach for his alma mater, University of Alaska Fairbanks. MacMillan spent seven seasons as an assistant coach (1996-2003) and three seasons as the head coach of UAF from 2004-2006 (46-54-15 record as head coach).

As a player, the Milk River, Alberta, native played four seasons with Alaska Fairbanks (1990-1994), recording 192 points (56g/136a) in 135 NCAA games. Professionally, MacMillan played with the Greensboro Monarchs of the ECHL in 1994-95 and the Alaska Gold Kings of the West Coast Hockey League (WCHL) in 1995-96, serving as a player/marketing director for the team.

MacMillan's uncle, John, is a Denver alum and won two national titles with the Pioneers (1958, 1960) before embarking on a decade-long pro career. John MacMillan played in the NHL for both the Detroit Red Wings and Toronto Maple Leafs and became the first DU player to win the Stanley Cup by raising the trophy with the Leafs in both 1962 and 1963.

MacMillan, 53, resides with his wife, Deon, and has three daughters, Taryn, Camryn and Lauryn, and two grandsons, Decker and Bryer. An athletic family, Camryn played five seasons and was a captain on the Denver women's soccer team (2018-2023), while Lauryn also attended DU and used to play hockey as a goaltender. Taryn is a former NCAA soccer player as well and played at North Dakota and Concordia University St. Paul.

### ASSISTANT COACH: DALLAS FERGUSON (7TH SEASON)

Dallas Ferguson is in his seventh season as an assistant coach with the Pioneers after being hired to the position on July 3, 2018. Ferguson has helped Denver win both the 2022 and 2024 NCAA National Championships, as well as the 2024 NCHC Frozen Faceoff Championship, two Penrose Cups as NCHC regular-season champions (2021-22, 2022-23) and help the team reach three Frozen Fours (2019, 2022, 2024).

The Wainwright, Alberta, native's primary responsibilities on David Carle's staff include working with the defensemen and power play.

Prior to coming to DU, Ferguson served as the head coach of the Calgary Hitmen of the Western Hockey League for the 2017-18 campaign after spending the previous nine seasons as the head coach of the University of Alaska Fairbanks. He led the Nanooks from 2008-2017 and guided the team to an NCAA Tournament appearance in 2010, the first in the program's D-I history.

Ferguson, 51, began his coaching career as an assistant coach with the Fairbanks Ice Dogs junior team (2002-2004) before returning to his alma mater to serve as an assistant at UAF from 2004-2008, working under fellow DU assistant and then-Alaska head coach Tavis MacMillan from 2004-2007.

Ferguson played four seasons with Alaska Fairbanks from 1992-1996, serving as a captain of the squad during his senior campaign. He finished his college career with 104 points (17g/87a) and 64 penalty minutes in 138 games and graduated with a bachelor's degree in business administration.

The defenseman went on to play four seasons of professional hockey with the Richmond Renegades of the ECHL as well as with the Alaska Gold Kings and Anchorage Aces of the West Coast Hockey League. He recorded 69 points (6g/63a) points in 159 career WCHL games.

Ferguson resides with his family in Highlands Ranch, Colorado.

### ASSISTANT COACH: RYAN MASSA (4TH SEASON)

Ryan Massa is in his second season as an assistant coach on the Pioneers after spending the previous two years on the staff as a volunteer assistant coach. He was promoted to his current role on Sept. 5, 2023, and the 2024-25 campaign marks his fourth with the Denver hockey program.

Massa, 34, first joined the DU coaching staff on Aug. 1, 2021 after spending the previous four years training goaltenders at various levels in the state of Colorado. Among his responsibilities is working with the Pioneers' goaltenders, assisting in on-ice skill development, providing scouting reports and assisting in managing the bench during games.

In his time at Denver, Massa has been a part of the Pioneers' 2022 and 2024 NCAA Championship victories, as well as the 2024 NCHC Frozen Faceoff Championship and two Penrose Cup as NCHC regular-season champions (2021-22, 2022-23).

The Littleton, Colorado, native helped guide goaltender Magnus Chrona to 50 wins and 10 shutouts across the 2021-22 and 2022-23 campaigns, which included being named the NCHC Goaltender of the Year award in 2023. In 2023-24, he helped Matt Davis post a 20-4-2 record in the final 26 games of the season and post a 0.63 goals-against average and .979 save percentage in four NCAA Tournament contest, including a shutout in the NCAA Championship Game.

A graduate of the University of Nebraska Omaha with a degree in finance and investment banking, Massa was a goaltender on the Mavericks men's hockey team all four years and helped the program reach its first NCAA Frozen Four in 2015. He also played two seasons professionally with the Orlando Solar Bears of the ECHL from 2015-2017 before co-founding Elite Edge Athlete in the Denver area in 2018.

He currently resides in Littleton with his wife Natalie and son Julian.
