## HOW TO DOWNLOAD A SCHEDULE TO YOUR SMARTPHONE

### Option 1 - For iOS/Win (iPhone) Users

- From your smartphone, go to [ecupirates.com](http://ecupirates.com)
- Select the team from the dropdown menu at the top right
- Once on the team page, click on schedule
- From the schedule page, click on the Subscribe with.... dropdown menu
- Once you select *Import iOS/Win* from the dropdown menu, a new window will appear that asks *Open this page in "Calendar"?*
- Click *Open*
- A second window will open that says *Subscribe to the calendar "2016 Football Schedule-www.ecupirates.com"?*
- Click *Subscribe*
- A window will appear that says *The Calendar "2016 Football Schedule-www.ecupirates.com" has been added*
- Click *Done*
- The schedule has been added to your calendar

### Option 2 - For Android Users

- Once you select *Android* from the dropdown menu, a new window will appear that asks *Do you want to open or save Add2Calendar.vcs from ecupirates.com?*
- Click *Open*
- Click *Save All To Calendar*
- The schedule has been added to your calendar
