TEAM 21

2025 marks the 21st season of EKU women's soccer. Since the program's inception in 2005, the Colonels have won over 130 games and produced 68 all-conference players.

ON THE RISE

Last season, EKU ended its year in the Atlantic Sun Conference championship match, falling to No. 2 seed Lipscomb by a narrow 1-0 result in Fort Myers, Fla. It was the third time in school history the Colonels reached the conference finals, EKU has qualified for the ASUN Tournament in all four of its seasons as a member institution in the league.

RECORDS ON RECORDS ON RECORDS!

Last season, EKU set single season program records in assists (31), points scored (89), and shots attempted (287). The Colonels also had the second-most wins (12), goals scored (29), and shots on goal (121) in school history.

Additionally, junior Chiara Premoli set the EKU single season record for assists (7), single game record with three assists against Bellarmine on Oct. 25, 2024, and senior Maddy Murphy tied the most goals scored in a single game with two at Northern Kentucky on Sept. 5, 2024 for the 19th time in program history.

CLEAR THE RUNWAY

Prior to last season, the 2024 recruiting class was regarded as the most decorated signing class in program history that consisted of three all-Americans out of high school. In the historic 2025 season, those signees carried the program to one of its more prominent seasons in school history. Six student-athletes in the 2024 class combined for 13 goals, 13 assists, 39 points, 63 shots on goal, and 146 shot attempts. Additionally, combined for 44.8 percent of EKU's goals, 41.9 percent of its assists, 43.8 percent of its points, 50.8 percent of its shots, and 52 percent of its shots on goals throughout the season.

LET'S TALK ABOUT SOME ADDITIONS

This offseason, EKU signed 13 newcomers to its roster consisting of 10 incoming freshman and three adds from the transfer portal. The Colonels have widened their recruiting area with the 2025 class, signees have come from nine different states (Florida, Georgia, Kentucky, Ohio, Maryland, Michigan, Missouri, Tennessee, and Virginia) and two international countries (Spain and Taiwan).

NITTY GRITTY

Coming off 12 wins last year, EKU unveiled its full 18-game Fall schedule in June. The Colonels will play important non-conference fixtures facing a potential top-25 opponent at Tennessee on Aug. 17, going on the road against two former Ohio Valley Conference foes at Morehead State for the Bluegrass Cup on Aug. 28 and at Belmont on Sept. 4, and hosting emerging in-state rival Northern Kentucky on Sept. 11.

ASUN DIVISION PLAY ON DECK

For the first time in EKU's four seasons as a member of the ASUN Conference, the league is implementing division play during the regular season. The Colonels will be in the ASUN Gold Division and play traditional home and away games with *Austin Peay, Bellarmine, Central Arkansas, Lipscomb, and North Alabama*. On the counter, the ASUN Graphite Division will consist of *Florida Gulf Coast, North Florida, Jacksonville, Queens, Stetson, and West Georgia*.

SEASON STORYLINES

PROS MADE HERE

Prior to the 2025 season, EKU alum Nerea De Diego inked a professional soccer contract in Spain. Last season, as the No. 5 seed, the Colonels advanced to the ASUN Finals including three wins over conference opponents from Florida; vs. Jacksonville (T, 1-1 adv. PKs), at North Florida (W, 1-0), and at FGCU (W, 2-1 OT).

EKU WOMEN'S SOCCER GAME NOTES

ATLANTIC SUN CONFERENCE

The **Atlantic Sun Conference** (ASUN) is a collegiate athletic conference operating mostly in the Southeastern United States. The league participates at the NCAA Division I level, and began sponsoring football at the Division I FCS level in 2022. Originally established as the Trans America Athletic Conference (TAAC) in 1978, it was renamed as the Atlantic Sun Conference in 2001, and briefly rebranded as the ASUN Conference from 2016 to 2023. The conference still uses "ASUN" as an official abbreviation. The conference headquarters are located in Jacksonville, Florida.

WE PUT STUDENTS FIRST

In everything we do, the student-athlete comes first. We lead by example in embracing a student-first culture. For five consecutive years, the ASUN SAAC has held a Social Media Campaign to raise awareness for Mental Health among student-athletes across the NCAA. Held in late January, student-athletes from the conference shared their stories and struggles to help break the stigma of mental health.

WE CAN RISE

We have a history of firsts and remain committed to elevating our student-athletes and bettering our future. Over the past four seasons, the ASUN Conference saw quality postseason success as league teams amassed 20+ wins in national postseason tournaments. Eight of those wins came in NCAA Tournaments, with victories in Baseball, Women's Basketball, Women's Lacrosse and Softball. ECU's Ahmed Jaziri became the second student-athlete in ASUN Conference history to become a national champion after winning the 3,000m Steeplechase. Additionally, more than 70 percent of ASUN student-athletes earned a year-long 3.0 or higher GPA each of the past five years.

WE CAN CONNECT

We are united as a community of students, athletes, coaches, faculty, administrators, staff and fans. The 2024-25 academic year saw a record number of broadcasts with 1,060, an increase of 19 percent over the previous high (894). The ASUN continued its expansion of the ESPN partnership with over 43,000 average viewers and over one million average minutes watched. With the benefit of the ESPN+ platform the ASUN also expanded championship coverage to include the Men's and Women's Outdoor Track & Field Championships.

WE CAN IMPACT

Our success resides in the impact we make in competition, in the classroom and in the community. Making a difference counts. A total of 36 ASUN Conference programs posted perfect Graduation Success Rate (GSR) scores and four league sports finished at or above national standards in the latest report released by the NCAA - Women's Basketball, Men's Golf, Men's Tennis and Volleyball. By sport, Women's Basketball and Volleyball each had a conference-high six teams with perfect 100 percent scores. Men's and Women's Tennis each had five schools hit perfect marks.

WHAT OTHERS ARE SAYING ABOUT COSINUKE...

"Matt Cosinuke is, first and foremost, a great person. He has impeccable character, cares for others, and places great emphasis on building positive relationships. Matt is passionate, positive, and has a magnetic personality. I was fortunate enough to work alongside Matt for over three years, and witnessed his work-ethic and willingness to grind first-hand. He will provide an immediate infusion of energy into the program. I can't overstate how excited I am for Matt, as he is fully deserving of this great opportunity. I firmly believe that EKU made a great hire!" - **Nate Lie, Xavier University**

"Matt Cosinuke is a tremendous hire for EKU. Matt has an incredible work ethic and isn't afraid to grind, and he is one of the hardest working coaches on the recruiting trail. He knows how important it is to bring the right people, not just good players, into the program and he will work tirelessly to get the right people on board that will establish the foundation for a winning culture, both on and off the field. Matt has a very bright future ahead of him as a head coach, and EKU will experience a great deal of success and be a contender in the OVC under his watch. Matt and his

family will be a great addition for EKU." - **Stefanie Golan, University of Missouri**

"EKU made a fantastic hire in Matt Cosinuke. Matt is one of the bright young coaches out there in the college game today. Matt's a player's coach, talented, ambitious and hard working with a good knowledge of the game. Matt has a passion for people and I have no doubt that he will make all those around him better for it. The lessons the student-athletes will learn from Matt, on and off the field and in and out of the classroom, will be invaluable during their post-collegiate careers. I'm excited to watch and see the heights that Matt takes EKU." - **Neil Stafford, University of Cincinnati**

HC MATT COSINUKE

Matt Cosinuke was hired as the head coach of the Eastern Kentucky University women's soccer program on January 3, 2019. In April of 2023, Cosinuke received a new 3-year contract keeping him at the helm through 2025. He signed an additional extension following the 2024 season.

"We recognize the positive contributions Matt has made, and continues to make, in the development of our program and student-athletes, both on and off the pitch," said former ECU vice president and athletics director Matt Roan. "We appreciate his passion and vision for the program, and we are excited to have him leading Colonel soccer and chasing championships and excellence for years to come."

A student-athlete-first coach, players have thrived on and off the field under Cosinuke's guidance since his arrival in 2019. Five Colonels have been named United Soccer Coaches All-Region, Nerea de Diego was named the ASUN Conference Freshman of the Year in 2021, Katie Shaffer was named First Team All-Conference twice in 2019 and 2020, and a total of 33 players have received conference postseason awards.

Additionally, ECU has defeated three schools in the NCAA RPI top 100 and one school in the top 50. The Colonels achieved the third-highest national rank of No. 98 by the NCAA RPI rankings in the 2022 season.

In academic and character roles, Larissa Heslop (2020) and Billie Clark (2021) were ECU's NCAA Woman of the Year Nominees. Heslop was voted an Academic All-American in 2019 followed by four ASUN Conference All-Academic selections from Lauren Seedlock (2022), Baylee Lanter (2022), and Marah Krick (2023, 2024).

In 2024, Cosinuke took the program to new heights guiding the club to the ASUN Conference Championship match for just the third time in program history defeating Jacksonville, North Florida, and Florida Gulf Coast in the progress—all three contests away from the Colonels' home pitch. In the regular season, ECU finished 12-8-3 and 7-3-1 in conference play, marking the second-most overall wins and conference wins in school history.

Statistically, Cosinuke's 2024 club set additional program records in points (89), assists (31), shots attempted (287), and had the second-most goals (29) and shots on goal (121). Chiara Premoli and Ella Grode were named Second Team All-ASUN while the program had four Third Team All-ASUN selections, two ASUN All-Freshman picks, and three players named to the ASUN All-Tournament Team. Premoli set the ECU single season record with seven assists, including a program record three assists in a home win against Bellarmine.

Prior to the season, Cosinuke signed three All-Americans out of high school and the 2024 class was regarded as the highest-rated signing class in program history. ECU's freshmen in 2024 made national and local headlines for their contributions to the historical season.

From 2021-23, Cosinuke guided the ECU program in its transition from the Ohio Valley Conference to the Atlantic Sun Conference. Since 2021, the Colonels won 23 games with back-to-back 9-win seasons from 2021-22 and qualified for the ASUN Championship in every season they've been a member in the league. ECU set a conference record for being one of two teams in ASUN history, first since 1999, to advance in the tournament in the first two years in the conference.

In the spring of 2020, the Colonels posted the highest single-semester GPA in program history of 3.837 while winning four games on the pitch in the COVID-shortened OVC only season.

On the field, ECU improved greatly from 2019 to 2020, especially on the attacking end. After averaging 0.67 goals-per-game in 2019, the Colonels averaged 1.4 goals-per-game in 2020.

After going 1-7-1 at home in 2019, Eastern went 3-1-0 at home in 2020, including shutout wins over rival Morehead State and Belmont and a Senior Day victory over then-unbeaten Southeast Missouri.

In Cosinuke's first season at the helm, ECU tied for the OVC lead with four shutouts during conference play. The Colonels recorded clean sheets on the road over Jacksonville State, Eastern Illinois, and rival Morehead State, and at home against Belmont.

EKU also recorded an impressive 1-0 shutout win over Milwaukee during non-conference play. Milwaukee came into the game undefeated and had only lost twice in its last 50 games dating back to 2016.

On Sept. 12, 2019, in Cosinuke's seventh game as head coach, the Colonels hosted Kentucky, marking the first time ever an SEC school visited ECU Soccer Field. A record-setting 1,045 fans were in attendance for the intrastate contest.

Cosinuke came to ECU following five successful seasons as an assistant coach / recruiting coordinator at the University of Cincinnati (2014 to 2018). He helped lead the Bearcats to the 2015 American Athletic Conference (AAC) Tournament championship and a trip to the 2015 NCAA Tournament.

"I'd like to thank the administration for believing in me to lead this program," Cosinuke said upon being hired. "I'd also like to especially thank Neil Stafford for helping to shape me into the coach I am today. Richmond is a wonderful town and ECU is an exceptional university. I feel blessed to be given this opportunity, and I look forward to the challenge. My wife Alexis, my daughter, Iris, and I are ready to be part of the community and extended ECU Family. Go Big E!"

During Cosinuke's five seasons at Cincinnati, the Bearcats' RPI rose from No. 237 to No. 11. UC recorded five consecutive losing seasons (2009 to 2013) before Cosinuke joined the staff. In Cosinuke's first four seasons in Cincinnati (2014 to 2017), the Bearcats went 46-23-14 (18-13-5 AAC).

Cincinnati notably finished the 2015 season with a record of 13-6-5 (5-3-1 AAC), giving the Bearcats their best league finish since 2002. UC then stormed through the AAC Tournament and stunned USF in a penalty-kick shootout in the title game to win its first ever conference championship and earn its first NCAA bid since 2010.

In 2017, Cosinuke helped guide Cincinnati to a record of 12-4-3 (5-2-2 AAC). UC keeper Natalie Smith led the AAC in shutouts during conference play (five) and ranked second in the league in goals-against average (0.82).

In addition to his duties as recruiting coordinator, Cosinuke worked primarily with UC's goalkeepers and defenders. During the championship season of 2015, the Bearcat defense recorded 12 shutouts, second-most in a season in the history of the American Athletic Conference. In 2017, UC notched 11 clean sheets, third most in conference history.

Prior to joining the women's soccer coaching staff at Cincinnati, Cosinuke was a volunteer goalkeepers coach for the UC men's soccer program from 2012 to 2013. During that time, he instructed a goalkeeper who led the Big East in shutouts and ranked 21st in the country in saves.

Cosinuke experienced great success as a volunteer goalkeepers coach for the Dartmouth College men's soccer program from 2010 to 2012. During the 2010 season, the Big Green reached the NCAA Sweet 16 before falling to No. 8 UCLA, 2-1, in double overtime. In 2011, Cosinuke helped lead Dartmouth to the Ivy League title and back to the NCAA Tournament. He mentored goalkeeper Noah Cohen to honorable mention All-Ivy League honors in 2011.

Before arriving at Dartmouth, Cosinuke spent one season as a volunteer goalkeepers coach at his alma mater, Florida Atlantic University, in 2009.

A native of Lebanon, New Hampshire, Cosinuke graduated from Kimball Union Academy in Meriden, New Hampshire before going on to play Division-I soccer at FAU.

Cosinuke holds an Advanced National Goalkeeping License from the National Soccer Coaches Association of America and several licenses from the U.S. Soccer Federation.

He graduated from Florida Atlantic University with a bachelor's degree in psychology. He also holds a master's degree in sport management (certificate in athletic administration) from the University of Southern New Hampshire.

Cosinuke and his wife, Alexis, have a daughter, Iris, and two sons, Maddox and Miller.
