TODAY'S STORYLINES

HOME IS WHERE THE HEART IS... — Wednesday's game will be EKU women's basketball's first game inside the newly renovated Baptist Health Arena this season. The arena underwent several key renovations over the last two years that includes but not limited to; new chairback seating, raised playing surface, new locker rooms, new coaching offices, new team spaces, two new premium clubs, new video boards, media rooms, courtside seating, scorer's tables, and much more. The arena was unveiled to the public on Nov. 10.

CREATING A RIVALRY! — EKU and Evansville meet for the seventh time on Wednesday night inside Baptist Health Arena. The home-and-home series was created before the 2023-24 season, with the return game being pushed back to this year due to ongoing renovations to EKU's home arena. Since 2021, the Colonels and Purple Aces have played three games with all meetings being decided between 10 or less points. The two teams are currently exploring future dates for additional games.

LET'S TALK ABOUT THE LAST TIME — In the last meeting between EKU and Evansville, the Colonels walked away with a 77-75 thrilling victory over the Purple Aces on the road. EKU's Antwainette Walker, the 2023 ASUN Newcomer of the Year, 2024 First Team All-ASUN pick, finalist for Ann Myers Drysdale, and Dawn Staley Award candidate — finished with a career-high 38 points going 15-for-29 from the floor and 4-of-6 from beyond the arch. Walker's 38 points were the most by an EKU player in the Greg Todd era and the sixth-most in a single game in school history.

EARLY SETBACK — Last time out, EKU suffered a 56-51 loss to old Ohio Valley Conference foe, SIU Edwardsville, slipping to .500 early in the non-conference slate. Through the first two games of the season, Preseason All-ASUN selection Liz Frehofer has impressed, leading the team averaging 15.0 PPG and knocking down three threes — which is top 20 in the NCAA. Additionally, Colorado State transfer Joseana Vaz is nearly averaging a double double with 10.5 points and 8.5 rebounds per game.

UNION CONNECTIONS — EKU's Liz Frehofer and Evansville's Logan Luebbers Palmer, former teammates at Cooper High School in Union, Kentucky, are reunited on Wednesday in the first head-to-head meeting against each other. The duo are either first or second, respectively, on each of their teams this season in scoring.

SEASON STORYLINES

TEAM 55

The start of the 2025-26 season marks the 55th year of Eastern Kentucky University women's basketball. Since the programs inception in 1971, the Colonels have won over 740 games, been to two NCAA Tournaments, won five conference championships, had five players named All-American, and produced 126 all-conference selections.

THE TRANSFER COACH REBRANDED

EKU head women's basketball coach Greg Todd, who is widely known across basketball as a pioneer in the transfer portal and mantra is "The Transfer Coach," has taken on a new challenge in the portal era. Prior to the 2025-26 season, Todd excelled at getting some of the nation's top DI transfers to "mid-major" programs. In the new era, Todd has rebranded his style to include some of the top D2 and NAIA prospects, who are featured on this year's roster. This season, Todd has signed two NAIA All-Americans in Madison Lewis and Joseana Vaz and a D2 All-Region selection in Ndidiama Ndukwe.

DESTINATION RICHMOND

EKU's roster in 2025-26 is comprised of 12 student-athletes from across the United States of America and three international countries. The Colonels have expanded their reach creating pipelines in Kentucky, Florida, Texas, Tennessee, and oceanic countries like Australia and New Zealand.

HOME IS WHERE THE HEART IS

In 2025-26, EKU women's basketball has five student-athletes listed on its roster from the Commonwealth of Kentucky, the most from the state on a singular Colonel roster since the 2021-22 season. The five players include Jasmine Jordan (Ashland), Kenleigh Woods (Catlettsburg), Liz Freihofer (Union), Love Mays (Harrodsburg), and Savannah Gardner (Louisville). Over the last seven seasons, EKU has signed 17 players from across the state.

RIDING OFF INTO THE SUNSET

Upon the conclusion of the 2025-26 season, EKU athletics and the EKU women's basketball team will depart the Atlantic Sun Conference (ASUN) to join the newly-expanded United Athletic Conference (UAC), which has operated as a football-only venture since 2023. Effective July 1, 2026, the Western Athletic Conference (WAC) will rebrand as the UAC and join the ASUN to form a groundbreaking strategic alliance.

The consortium will be led by Executive Director Jeff Bacon, current ASUN Commissioner. The UAC and the ASUN will remain independent conferences, each with their own automatic qualifying bid for postseason play. Both conferences will continue to meet the NCAA sport sponsorship and membership standards. The UAC, which is the current brand used to recognize the ASUN-WAC Football Alliance, will expand to sponsor 15 sports with the following member institutions: Abilene Christian University; the University of Arkansas-Little Rock; Austin Peay State University; the University of Central Arkansas; Eastern Kentucky University; the University of North Alabama; Tarleton State University; the University of Texas at Arlington; and the University of West Georgia.

PRESEASON BUZZ

The Atlantic Sun Conference Women's Basketball Pre-season Awards were announced mid-October. EKU was predicted to finish 5th in the coaches' poll, 4th in the media poll, and sophomore guard Liz Freihofer was named Preseason All-ASUN.

THE KID FROM ASHLAND

EKU freshman guard Kenleigh Woods impressed in her NCAA debut, scoring 16 points off a 6-for-8 showing from the field. The Ashland, Kentucky native added in two 3-pointers and four assists to her final line. Woods, a product of Ashland Blazer High School in KHSAA's 16th Region, logged over 1,800 points in high school and was a 3-time All-State selection.

BAPTIST HEALTH ARENA

First Win: W, 72-58 vs. North Carolina (Jan. 28, 1977)

Longest Win Streak: 18 (1991-93)

Most Home Wins in Single Season: 13 (2012-13)

Undefeated Seasons at Home: 5 (1971-72, 1972-72, 1973-74, 1991-92, 2004-05)

- Alumni Coliseum (Paul S. McBrayer Court at Baptist Health Arena) has been the home arena for Eastern Kentucky University men’s basketball since the 1963-64 season. The women’s basketball team began playing here in 1976. The volleyball team has played in the coliseum since 1991. The arena seats 6,500 fans for athletic endeavors and up to 8,000 for other events including graduation, high school tournaments, and on-campus ceremonies.

- The coliseum features a wooden laminated cross-arched roof spanning 309 feet and providing an unobstructed view of events held in the main auditorium. A total of 616,276 board feet of lumber form the 170 beams and roof, which arches gracefully 81 feet above the floor level. The wood is southern pine finished in its natural beauty.

- Before the start of the 2006-07 season, new scoreboards were added above the north and south bleachers and new shot clocks were installed above the basketball rims.

- In 2013, a state-of-the-art Daktronics HD videoboard was added on the wall on the east end of the arena. The videoboard produces high-quality imaging and allows the program to play real time video, graphics, pre-game videos, sponsor videos, and other content across its display.

- In the summer of 2014 a new playing surface was installed and in 2023 the floor was refurbished to shoe ASUN Conference branding. It was the first time the court had been replaced since Alumni Coliseum was completed in 1963. The new court is a Connor Floor and is made of grade one maple. Besides the fresh look and design, the floor offers much more resiliency, less wear and tear on knees, and a greater traction and “spring” for student-athletes.

- From 2014-23, improvements include new lighting and new basketball goals. Less than 10 schools nationwide had the new indoor LED lighting technology when it was installed. The new system provides much stronger lighting on the playing surface, increasing the strength by more than 100 foot-candles. The new basketball goals are used in the Olympic Games and by many professional and top collegiate teams.

- In the 2024-25 season, EKU completed phase one and two renovations to Baptist Health Arena that included a brand new 300-person concourse club, conference area, courtside club, enhanced concessions, new restrooms, fan shop, updated audio and video capabilities, expanded sports medicine spaces, new men’s and women’s locker rooms, basketball and volleyball player meeting spaces, and new coaches offices.

- In the Fall of 2025, EKU completed phase three renovations to BHA which included new chairback seating in the north and south sideline areas. Additionally, expanded upgrades to the sound system and external rooms in the facility including locker rooms, equipment rooms, athletic training spaces, and staff offices.

ATLANTIC SUN CONFERENCE

The **Atlantic Sun Conference (ASUN)** is a collegiate athletic conference operating mostly in the Southeastern United States. The league participates at the NCAA Division I level, and began sponsoring football at the Division I FCS level in 2022. Originally established as the Trans America Athletic Conference (TAAC) in 1978, it was renamed as the Atlantic Sun Conference in 2001, and briefly rebranded as the ASUN Conference from 2016 to 2023. The conference still uses "ASUN" as an official abbreviation. The conference headquarters are located in Jacksonville, Florida.

WE PUT STUDENTS FIRST

In everything we do, the student-athlete comes first. We lead by example in embracing a student-first culture. For five consecutive years, the ASUN SAAC has held a Social Media Campaign to raise awareness for Mental Health among student-athletes across the NCAA. Held in late January, student-athletes from the conference shared their stories and struggles to help break the stigma of mental health.

WE CAN RISE

We have a history of firsts and remain committed to elevating our student-athletes and bettering our future. Over the past four seasons, the ASUN Conference saw quality postseason success as league teams amassed 20+ wins in national postseason tournaments. Eight of those wins came in NCAA Tournaments, with victories in Baseball, Women's Basketball, Women's Lacrosse and Softball. EKU's Ahmed Jaziri became the second student-athlete in ASUN Conference history to become a national champion after winning the 3,000m Steeplechase. Additionally, more than 70 percent of ASUN student-athletes earned a year-long 3.0 or higher GPA each of the past five years.

WE CAN CONNECT

We are united as a community of students, athletes, coaches, faculty, administrators, staff and fans. The 2024-25 academic year saw a record number of broadcasts with 1,060, an increase of 19 percent over the previous high (894). The ASUN continued its expansion of the ESPN partnership with over 43,000 average viewers and over one million average minutes watched. With the benefit of the ESPN+ platform the ASUN also expanded championship coverage to include the Men's and Women's Outdoor Track & Field Championships.

WE CAN IMPACT

Our success resides in the impact we make in competition, in the classroom and in the community. Making a difference counts. A total of 36 ASUN Conference programs posted perfect Graduation Success Rate (GSR) scores and four league sports finished at or above national standards in the latest report released by the NCAA - Women's Basketball, Men's Golf, Men's Tennis and Volleyball. By sport, Women's Basketball and Volleyball each had a conference-high six teams with perfect 100 percent scores. Men's and Women's Tennis each had five schools hit perfect marks.

TODD BIO

A household name in the Madison County area, Greg Todd was named the 10th head women's basketball coach at Eastern Kentucky University on May 10, 2021.

He signed a 2-year contract extension that runs through the 2027-28 season on May 30, 2024, announced by the university.

Todd, who's spent his entire 32-year coaching career inside the Commonwealth, has taken the ECU women's basketball to new heights in three seasons with the program.

EKU finished the 2023-24 season with a 22-12 overall record and an appearance in the Women's National Invitational Tournament (WNIT) for just the second time in program history, and the first national postseason tournament since 2013. ECU won 20 games for the first time since 2005 and advanced to the Atlantic Sun Conference semifinals. Todd developed two ASUN All-Conference selection in Antwainette Walker (First Team) and Alice Recanati (Third Team).

He became the fastest coach to 50 wins during the 2023-24 season, while knocking down his 300th win milestone after an upset victory over UAB in the 2023 Great Alaska Shootout. ECU spent over 10 weeks receiving votes in the Collegiansider.com Mid-Major Top 25 poll, had its highest ranking of No. 162 in the NET rankings, and finished the year No. 192 in the Massey Ratings – the highest rank since 2005.

Since his arrival, "The Transfer Coach" has signed some of the most high-profile players out of the transfer portal, including Walker (Marquette), Kaitlyn Costner (Ohio State), Danielle Rainey (Florida) – who is currently playing overseas in Serbia. Todd has signed 15 players out of the portal in three seasons in Richmond.

In Todd's second season at the helm of the program, the Colonels finished with an 18-14 record and an 11-7 mark in ASUN play. ECU had conference series sweeps over Stetson, North Florida, and other key wins over Jacksonville State, North Alabama, and Kennesaw State. ECU ended its season advancing to the ASUN Tournament quarterfinals for the second consecutive season. Todd was named the 2023 Herald Leader Women's Basketball Coach of the Year.

Todd helped in the development of Antwainette Walker, who was named to two national awards in the 2023 Ann Meyers Drysdale Mid-Season Top 10 List and the 2023 Dawn Staley Late Season Watchlist. Walker finished the 2022-23 season averaging 21.0 points and 9.4 rebounds per game, her +16.3 points per game increase was the highest in the nation, she also led the ASUN in over 10 statistical categories and top-15 in the NCAA in five categories. Walker was named the 2023 ASUN Newcomer of the Year and First Team All-ASUN, ECU's first player of the year nod in over 10 seasons.

In his first season at the helm of ECU women's basketball, Todd led the program to a 15-16 overall record, 10-5 record at home, and seven conference wins in ECU's inaugural season in the ASUN. He guided the program to an appearance in the ASUN Tournament quarterfinals, defeating Kennesaw State 71-57 in the opening round.

Prior to ECU, Todd served as the women's basketball head coach at Morehead State University for seven years. He led the Eagles to three straight 20-plus win seasons from 2016 to 2019 with two WNIT appearances. During the 2018-19 season, his team advanced to the second round of the WNIT after upsetting Big Ten foe Ohio State in the first round.

"As we set out to hire the next head women's basketball coach to elevate our program, we were pleased with the interest in our position and the opportunity that lies ahead of us. At every step in our process, Greg Todd rose to the top as the ideal coach to lead us at this exciting time." Vice President and Director of Athletics

Matt Roan said. "He's a coach who has dedicated his entire coaching career to women's basketball, has experienced amazing success with each program he's led, has a wealth of experience and understands the landscape, and knows our state incredibly well. His love for his alma mater and desire to build a championship-contending program here are unmatched. He comes highly recommended from all corners of Kentucky and beyond, and those folks speak not only to his ability as a coach, but also to his quality as an individual. He's tested and proven, and we're excited to have him in charge of the Colonels and leading us to victories!"

The success between 2016 and 2019 marked the first time in program history that Morehead State had three straight 20-win seasons. The Eagles' 36 Ohio Valley Conference victories during that time is also the most-ever during any three-year period.

Todd recruited two top-50 nationally ranked players, the highest rated recruits in Morehead State history. He also recruited the junior college national player of the year. Under Todd's guidance, the Eagles' had a team grade-point-average of 3.0 or better each of the past six years.

"It's a great time to be a Colonel under the leadership of Athletics Director Matt Roan and President David McFaddin, and to build the women's basketball program at ECU," Todd said.

From 2006 to 2014, Todd was the head coach at Transylvania University where he led the team to four conference championships and three NCAA tournament appearances. In the 2009 season at Transylvania, Todd led the team to a regular season and conference tournament title while advancing to the second round of the NCAA Tournament for the first time.

In his eight years at Transylvania he helped produce four Heartland Collegiate Athletic Conference (HCAC) Players of the Year.

Before entering collegiate coaching, Todd was one of the most decorated high school coaches in the state of Kentucky. He built a national powerhouse at Lexington Catholic High School from 1999-2006, making five appearances in the state championship game and winning three state titles. Todd won the region championship six of his seven seasons at Lexington Catholic.

Todd's teams finished ranked in the top-10 nationally in 2005 and 2006. His 2005-06 team at Lexington Catholic finished the season ranked No. 3 in the nation by USA Today, which stands as the highest final ranking ever for a boy's or girl's Kentucky team. Todd was named EA Sports National Coach of the Year following that season.

In 2017, Todd was inducted into the Kentucky High School Basketball Hall of Fame.

"Being from Madison County, I am so excited to come home and get the women's basketball program to the top of the ASUN Conference as quickly as possible," said Todd. "I am excited about being able to build a bigger fan base with my local connections around the community."

Todd started his head coaching career at Berea Community High School where in seven seasons he led his team to a 166-54 record and an appearance in the state final four in 1998. Berea won 20 games every year under Todd, despite never winning 20 or more games before in school history. He is a member of the Berea Community High School Hall of Fame as a coach and basketball player.
