In addition to the NCAA Division II Play-offs, the MIAA has access to two certified bowl games this year.

Beginning with the 2009 the MIAA will be sending a representative to the Kanza Bowl in Topeka, Kan. to battle a Lone Star Conference foe.

The MIAA has been sending teams to the Mineral Water Bowl in Excelsior Springs, Mo. to take on a team from the NSIC since 2001.

The MIAA has had a representative in the NCAA Division II National Championships in each of the last five seasons and seven times in the last 11 years.

Last time ESU reached the Post-Season

ESU reached the NCAA Division II Playoffs in 2003. The Hornets held a 3-0 lead at the half before Winona State scored 10 unanswered points to grab a 10-3 victory. Tyler Paul rushed for 107 yards and Tad Hatfield passed for 150 yards.

Last time ESU won in the post-season

In 2002 ESU knocked off Winona State 34, 27 in overtime at the Mineral Water Bowl. Tyler Paul scored on the Hornets overtime possession and ESU defense held Winona State to earn the victory in annual game held in Excelsior Springs, Mo. Paul ran for 224 yards and three touchdowns as quarterback Tad Hatfield passed for 236 yards. Justin Gray hit two field goals including one from 28 yards away with only two seconds remaining on the clock to send the game to overtime.

ESU Runningback Brian Shay rushed his way to the Harlon Hill Trophy and NCAA Division II Player of the Year in 1998.

WELCH STADIUM

In 2009 Emporia State University will celebrate its 69th season in Francis G. Welch Stadium. The stadium is named in honor of ESU's long-time coach and athletic director. Welch guided the efforts of the Hornet football program from 1928-42, and then again from 1946-54. In those two spans, Welch won 115 games and is the all-time winningest coach in ESU football history. The Super Turf playing surface is named for the W.S. and E.C. Jones Trust that provided the lead gift for the artificial surface.

Opened in 1937 and dedicated in 1960, the stadium sits just north of beautiful Lake Wooster and has seated as many as 10,000 fans when bleachers were added in each end zone. Permanent lighting makes it possible to televise games and play at night.

The facility also has been used extensively by individuals outside the University community. Welch Stadium is the home field of the Emporia High School football team and has hosted the Hershey Track and Field State Championships, Special Olympics, the 1998, 2004 and 2008 Kansas Shrine Bowl. The 1995, 1999 and most recently the 2006 NCAA Division II National Track Championships were held here at the Zola Witten Track.

In 1992, the "GOING THE DISTANCE CAMPAIGN" was initiated. With its completion, track and field events once again were held at ESU. In 1995 and 1999, the NCAA Division II National Track and Field Championships were held on the new Zola Witten Track within Welch Stadium.

In 1994, as part of the campaign's second phase, the east and west side concession areas, restroom facilities, and entrances were renovated. A new scoreboard was hoisted into place at the south end of the stadium and a new landscaped fence was erected.

In 1997, the final phase was completed in time for the University's 100th season of intercollegiate football. The Hutchinson Family Pavilion is a three-tiered facility

which has enclosed theatre seating on the first floor, a president's box and four sky-boxes on the second floor, and a game-day management and media center on the third floor.

The facility was one of the first on the NCAA Division II level to offer enclosed sky-boxes and is still one of only a few across the nation.

The latest upgrades to the historic facility came prior to the 2006 season with the addition of the Super Turf playing surface and upgrade of the stadium's sound system.

The first game at Welch Stadium came on Armistice Day, 1937. The Hornets tied St. Benedict's College, 20-20. More than 6,000 fans saw the first game in the facility.

The Hornets gained a tie for the Central Intercollegiate Conference title by beating Pittsburg State, 7-0, on Homecoming 1951. Quarterback Bob Sherrer won the game with a 69-yard TD run.

The Hornets defeated Washburn on Homecoming 1972, 41-7. With the win, the Hornets won the Great Plains Athletic Conference and earned a berth in the Boot Hill Bowl Game.

In 1973, a record crowd of 10,000 saw the Hornets defeat Northern Colorado, 10-0, as the Hornets vaulted to a No. 3 ranking in the NAIA. ESU tied UNC for the Great Plains Athletic Conference championship in 1973.

The Hornets defeated Harding, 32-9, as ESU advanced to the NAIA semifinals in 1989. After winning on the road the following week at Adams State, ESU played for the national title against Carson-Newman.

The Hornets won their first ever Mid-America Intercollegiate Athletics Association game when they defeated Missouri Western, 23-22, before a crowd of more than 5,800 on September 21, 1991.

The Hornets defeated Washburn, 64-35, in front of a regional television audience, on October 30, 1997. Brian Shay became the school's all-time leading rusher and finished the game with an MIAA-record 469 all-pur-

pose yards.

On September 19, 1998 the Hornets defeated Pittsburg State, 38-28, in front of 9,200 fans - the second largest crowd in Welch Stadium history.

Emporia State again defeated Pittsburg State on October 12, 2002 this time by a score of 13-3 on the way to the Hornets first postseason appearance since 1989.

The Hornets went 4-2 on the Jones Field at Welch Stadium turf in 2008, their best home record since 2003.

The addition of Jones Field at Welch Stadium to the Hutchinson Family Pavilion ESU has maintained its position as one of the finest football facilities at the NCAA Division II level in the nation.

FACILITIES

A new Super Turf artificial surface was installed at Welch Stadium in the summer of 2005.

A new sound system was installed in the summer of 2006, to enhance the enjoyment of the gameday experience for Hornet fans.

The Hutchinson Family Pavilion includes private suites and has served as a model for programs across the country wishing to upgrade their facilities.

A weight room, office complex, and locker room improvements were implemented during the 1999 season. These improvements were made possible by the generous support of individuals known as "Difference Makers."

The ESU football program is committed to providing an environment for the student-athlete which hopefully maximizes the potential for success.

Former Hornet Garin Higgins enters his third season at his alma mater with a 58-24 record as a head coach after going 7-15 in his first two seasons at ESU.

Prior to ESU, Higgins compiled a 51-9 record (.857) as the head coach at Northwestern Oklahoma State University before becoming the co-offensive coordinator at NCAA Division II member Minnesota State in 2005. He was the offensive coordinator at Northeastern State University of the Lone Star Conference in 2006. NSU was 3-2 in the LSC, their first winning conference record since 2000.

While at NWOSU, the Rangers qualified for the NAIA playoffs five consecutive seasons, had three national title game appearances and he was named the Central State Football League Coach of the Year five straight years from 2000 through 2004. He also led the Rangers to five CSFL titles during that span. Higgins's offense rolled up over 42 points per game from 1999-2003 and his rushing offense led the nation in 1999 and 2000. The Rangers won 31 consecutive games from Oct. 1998 through December 2000 and were 15-3 against NCAA Division II schools under Higgins. His .857 winning percentage is the highest in NWOSU history.

Higgins has coached three players that have gone on to play in the NFL - Lynn Scott with the Dallas Cowboys, Sam Breden with the Green Bay Packers and current Dallas Cowboy Patrick Crayton. In 2006 season he coached Jarrett Byers to the Lone Star Conference North Wide Receiver of the Year Award

"Emporia State can and will compete for conference championships in football," said Higgins. "And the MIAA is hands down the best conference in the nation."

A native of Blackwell, Okla. where he was an all-state quarterback, Higgins earned his undergraduate degree at Emporia State in 1992. He was a four-year letterman for the Hornets and helped lead the team to a national runner-up finish in 1989. He has been involved with four teams that have played for or won national championships as a player, coordinator or head coach.

"Emporia State provided me a wonderful experience as a student-athlete and I hope to do the same for my players," said Higgins. "We are going to recruit kids that want to come to ESU and represent this university well on the field, in the classroom and in the community."

Higgins and his wife Heather, a 1995 graduate of ESU, are the parents of three children - son Halen and daughters Harlee and Gracyn.

What brought you back to Emporia State?

First of all, anytime you get a chance to come back to your alma mater as the head football coach, it really is a dream come true and it is something I always thought about ever since I got into the profession. Second, along with being a great University and a great community, I think this is a great location to recruit kids too, to get an education and play football.

What are your goals for the 2009 season?

We definitely want to improve from last year. We lost three games by eight points or less and we need to improve on that. We need to begin to win those close games and beat an opponent that everybody else perceives us to be an underdog to. We have different goals within our program, but definitely would like to be in post season play this year whether it's the play offs or a bowl game.

What most excites you about your third season?

We're beginning to look at our team picture and see 80-85% of the team begin to be players we recruited and watching the steps they have taken to become good football players. We are still relatively young so it's exciting to continue to watch them compete and develop.

What should fans expect to see out on the field when they come to Welch Stadium?

We definitely want to be a team that plays with a lot of enthusiasm and energy. We'll respect our opponents, but want to have the attitude that we will never take the field without the belief that we will win.

How do you want the typical Hornet football player to be perceived?

A player that has a strong work ethic, is concerned about his teammates and is mentally and physically tough. Along with having the right type of character off the field.

When a player graduates from your program, what do you want them to remember from it?

I definitely want our player to have the same type of experience that I did as a student athlete at ESU. We want to be proud not only of our football program but of this great institution. We want them leaving here with a sense of pride that their alma mater is Emporia State University. We want them to be leaders in their communities and be a positive impact in everything they want to do in life.

COACH SAIA

Bryce Saia

**Assistant Head Coach
Secondary**

Years Coaching at ESU: First
College: Fort Hays State '96
Recruiting Area: Kansas City, Kan.
Eastern Oklahoma

Coaching: Bryce Saia is in his first season as the assistant head coach and secondary coach for the Hornets.

Saia has spent the last two seasons in the Arena Football League with the Arizona Rattlers. Last season, Saia served as the defensive line coach and special teams

coordinator, as the Rattlers advanced to the AFL playoffs.

Before joining the Rattlers, Saia spent four years, from 2004-2007, coaching the defensive line at Southern Illinois University under former ESU head coach Jerry Kill. The Salukis were ranked either first or second in sacks and against the rush in the Missouri Valley Conference during his tenure and in 2004 had the top ranked scoring defense in the nation.

From 1998-2003, Saia served as the defensive coordinator and defensive back coach at Coffeyville Community College. The Red Ravens led the Jayhawk Conference in total defense in 2003 and were consistently ranked in the top ten nationally in defense. Prior to his stint at CCC, Saia coached the linebackers at Butler County Community College in 1997.

College Experience:

He played linebacker for his father Tom Saia at Butler County CC from 1990-1991.

High School: He was a two-time all-state linebacker in high school, first as a junior at Buhler HS and again as a senior at El Dorado HS.

Coach Bryce Saia

Ken Gordon

**Defensive Coordinator
Linebackers**

Years Coaching at ESU: Third
College: Northwest Missouri State
1996
Recruiting Area: East Texas

Coaching: Ken Gordon is in his third season as the defensive coordinator and linebacker coach for the Hornets. He came to ESU from Minnesota State where he was the defensive coordinator the previous two seasons. The Mavericks were ranked second in the NCC in total defense during the 2005 season.

Prior to MSU, Gordon spent two years at Pierce (Calif.) College as defensive coordinator. The Brahma Bulls led the Western States Conference in total defense in his final season there.

He began his coaching career at Northwest Missouri State and was a member of the Bearcat coaching staff that won NCAA Division II National Championships in 1998 and 1999.

College Experience: Gordon played linebacker at NWMSU in 1995 and 1996 and was a first-team All-MIAA performer as a senior.

Coach Ken Gordon and wife Jessica with their son Dominik.

COACH WALTER

Matt Walter

Wide Receivers/Special Teams**

Years Coaching at ESU: First
College: Northwest Oklahoma State
2001

Coaching: Matt Walter begins his first season as ESU's Strength and Conditioning and Special Teams coach, wide receivers and special teams.

Walter has spent the last four seasons as the head strength and conditioning coach for the New Mexico State football team.

Known to his athletes as 'The Punisher'

for his grueling strength, speed and agility training, Walter guided the Aggies to break numerous school records in lifting, running and jumping. He also implemented a nutrition supplement

program as well as the Lifter of the Year Award, given to the most outstanding achiever during the Aggies' off-season program. Walter is also recognized as a National Speed & Explosion Association certified coach.

Walter previously served as the head strength and conditioning coach at Southeastern Louisiana for one year. Prior to that, Walter spent one year at Louisiana Tech as an assistant strength and conditioning coach.

College Experience: As a running back for coach Higgins at Northwest Oklahoma, Walter was named a 2000 NAIA Honorable Mention All-American as his squad finished as national runners-up. In 1999, Walter helped his team capture the NAIA National Title posting a 13-0 record.

Coach Matt Walter with wife Suzanne and son Rowan.

2009 PREVIEW

A football team that saw nearly half of its two-deep made up of freshmen last year, yet was just 16 points from a 7-4 season, feels that it has something to prove as Emporia State begins year three of the Garin Higgins era.

Andre Sloan-El led the Hornets with 1,416 yards passing and 439 yards rushing. He also had 16 total touchdowns on the year.

OFFENSE

The Hornets return all of their passing yards from last year, along with over 60 percent of their rushing yards and scoring from last year.

Quarterback

A key to the Hornets success will be a healthy Andre Sloan El. The senior signal caller has played in just 18 of 22 games in his first two years at ESU, but is poised to move into the top four in career passing yards and career total offense with a healthy 2009. ESU was 3-1 in his first four starts before getting injured in the second quarter of the Ft. Hays State game. Up to the point of his injury, he had produced 799 yards of total offense and was responsible for eight touchdowns in just over 12 quarters of action. He missed almost two full games with the injury but still managed to rank sixth in the MIAA in passing efficiency and seventh in total yards and passing yards. He is the third leading quarterback returning in the conference in those

three categories. Zach Rampy saw action in nine games at quarterback as a redshirt freshman with a start at Central Missouri. He completed over 50 percent of his passes with a 2-1 touchdown to interception ratio on the season. Sheldon Smith played the entire second half of the UCM game at quarterback while his athleticism put him on the field for six games, mostly at wide receiver.

Adrian Abner carried the ball 68 times for 289 yards in 2008.

Running Back

The Hornets have been sixth in the MIAA in rushing offense the last two seasons, but the addition of NJCAA first-team All-American La'Darrian Page to sophomore Adrian Abner could have ESU moving up those ranks. Page gained 1,340 yards with ten touchdowns for Hutchinson Community College last season after gaining 1,261 yards with 14 touchdowns and second-team All-MIAA honors for Missouri Western in 2007. He was named the Offensive MVP of the Mineral Water Bowl for the Griffons as a freshman. Abner had 225 of his 289 rushing yards last season in the first four games before getting injured against Ft. Hays State. He had 115 yards on 14 carries at Neb.-Omaha, the fourth highest rushing total against the Mavs last season.

Tight Ends

Dominic Mirocke is in his sixth year with the Hornets after attending school part time last spring to preserve his final season of eligibility. He had a season long 71 yard touchdown catch against Western State last season. Tracy Hageman is moving to tight end from receiver after gaining 224 yards on 21 catches last season. Tim Chandler brings good size at 6-4 and 240 pounds after redshirting last season.

Danny McEvoy made team high six touchdown catches last season.

Wide Receiver

The Hornets have improved their speed and athleticism at the wide out position this year. Danny McEvoy's six touchdown receptions tied him for fourth in the MIAA last season. He is the leading receiver returning for ESU with 25 catches for 326 yards. Speedster Brian Murphy has made the move from running back to receiver this season. True freshman James Kelly was a two-star recruit by rivals.com. He along with Chris Woods and Shjuan Richardson have a chance to make an immediate impact for ESU.

Offensive Line

Although ESU is returning four players that started at least five games on the offensive line last season, Steve Underwood is the only upper classman among the four. Ben McKaig and Jor-

dan Godberson were slated as starters for all 11 games as redshirt freshmen. John Buckman joins the Hornets after redshirting at Miami (Ohio) last year. The 6-8, 335 pound Garnett, Kan. native was a second-team All-Jayhawk performer at Coffeyville Community College.

The ESU defense returns its four top tacklers in 2009.

DEFENSE

The ESU defense returns three of their top four tacklers from a year ago when they ranked fifth in the MIAA in total defense.

Defensive Line

The Hornets return four players that have seen considerable time over the last two years, but after that the back ups are largely unproven. Angelo Webb earned second-team All-MIAA honors last season after ranking fifth in the league with 4.5 sacks. He went to school part time in the spring to preserve his final year of eligibility. Daniel Webb had 4.5 tackles for loss among his 21 stops on the season. Casey Finlayson added 2.0 TFL in his 19 tackles last year. Keith Maples provides size in the middle of the line and is the only senior besides Angelo Webb in the unit. Mark Mintken had three tackles in five games while battling injuries last season. Harold Ayodele is a 6-1, 339 pound transfer from Tennessee State that is expected to solidify the middle of the line.

Nathan Linsey made 37 tackles from his linebacker spot last year. He also came up with three tackles for a loss.

Linebackers

Katrel Larkins was the Hornets leading tackler last season with 80 stops on the year. He played the entire year at linebacker after splitting time at wide receiver, safety and linebacker during his first two years at ESU. Blake Ringwall had 40 tackles despite missing the first three games with a knee injury. He was an honorable mention All-MIAA selection as a sophomore. Nathan Linsey recorded 37 tackles with 3.0 tackles for loss last season. Matt Rosenhamer is moving into the linebacker corps after starting ten games a defensive end last season. Hutchinson CC transfer Vince Harris should push for playing time after recording 13 tackles for loss for the Blue Dragons last season.

Defensive Backs

The defensive backfield is young but could be the deepest unit for the Hornets in terms of athleticism. Travis Lee is the elder statesman of the group as a three-year letterwinner. He earned second-team All-MIAA honors as a sophomore after returning two interceptions for touchdowns and becoming the first player in MIAA history to return an interception 100 yards for a touchdown and score a defensive extra point in the same season. Chris Poston was an honorable mention All-

MIAA selection as a true freshman and was the Hornets' third leading tackler with 44 stops. Kameron Gee was right behind Poston with 42 tackles and had a team high three take aways. Quincy Williams had a team high seven pass break-ups last season. Derek Lohman returns to the safety position after spending the last part of his freshman season at linebacker. Julian Dozier was rated the 68th best cornerback in the country according to rivals.com and could make an immediate impact at this deep position.

SPECIAL TEAMS

The Hornets were second in the MIAA in punt returns last season. Brian Murphy was an honorable mention All-MIAA returner and set an ESU record with his 82 yard punt return against Western State. Will Maxwell was 11 of 13 on PAT's for the Hornets last season and had three touchbacks on kick offs. For the first time in four years Johnny Torres will not handle the punting duties for the Hornets. Tyler Chilson will look to replace the four year starter.

SCHEDULE

After going 4-2 on Jones Field at Welch Stadium during the 2008 season, the Hornets will again have six home games during the 2009 season. ESU will open the season on Aug. 27 against Southwestern Oklahoma State in the first Thursday night game at Welch Stadium since a 13-10 win over Ft. Hays State on August 26, 2004. The Hornets will also play their final two games of the regular season at home. Missouri Western will be the Halloween Homecoming opponent on Oct. 31 and the 106th playing of the Turnpike Tussle will take place on Nov. 7 in Welch Stadium.

Emporia State outgained Missouri Southern by 79 yards, but had to settle for a school record four field goals from Matt Perry in a 19-18 loss to the Lions on Saturday in Emporia.

The Hornets took an early lead on Perry's 36 yard field goal to cap a 13 play, 40 yard opening drive. After the Lions missed a 35 yard field goal on their first possession, the Hornets went 68 yards on nine plays before Perry hit a 29 yard field goal to give ESU a 6-0 lead. The lead would go to 9-0 when Perry hit a career best 39 yarder with eight seconds left in the first quarter. The Hornets went 19 yards following a Renard Johnson fumble for the field goal.

Over the past 95 years, the MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 12 NCAA team championships and, since 1964, 153 individual national titles. The MIAA currently conducts championships in eight sports for men and eight for women.

For the men, champions are crowned in football, cross country, basketball, indoor and outdoor track & field, baseball, tennis and golf. The women compete for titles in volleyball, cross country, soccer, basketball, indoor and outdoor track & field, softball, golf and tennis.

The MIAA turned a new page on July 1, 1992, when the NCAA Division II conference changed its name from the Missouri Intercollegiate Athletic Association to the Mid-America Intercollegiate Athletics Association.

The decision to make the change originated in 1989, when Pittsburg State University and Washburn University became the first schools outside the state of Missouri to gain membership in the MIAA.

The conference was first organized in 1912 with 14 member institutions. Of those original members, the University of Central Missouri, Truman State University, and Northwest Missouri State University still remain a part of the MIAA.

The first change in membership came in 1924, when the MIAA reorganized to include only the five regional Missouri state colleges: Central, Truman (at the time known as Northeast Missouri State), Northwest, Southeast Missouri State University and Southwest Missouri State University (now Missouri State).

Over the next 56 years, three schools joined the membership: the Missouri School of Mines (later the University of Missouri-Rolla) in 1935, Lincoln University in 1970, and the University of Missouri-St. Louis in 1980.

The 1980s brought the biggest changes in the conference. In 1981, Southwest Missouri State University

opted to move to NCAA Division I and the MIAA appointed its first full-time commissioner, Ken Jones, in July.

He would be in the position for 16 years, retiring in 1997. Former Gulf South and Metro commissioner Ralph McFillen succeeded Jones, serving 10 years before his retirement in 2007. Jim Johnson succeeded McFillen in July of that year.

Southwest Baptist University brought membership back to eight schools in 1986, before the major expansion of the conference in 1989. Pittsburg State, Washburn, Missouri Southern State College (now University) and Missouri Western State College (now University) °© formerly members of the Central States Intercollegiate Conference °© began competition in the 1989-90 season.

Southeast Missouri State left the MIAA following the 1990-91 season to move on to NCAA Division I, and was replaced by Emporia State University in the 1991-92 season.

In August 1991, Judy Willson was hired as the MIAA's first full-time sports information director. She left in 1994, and was succeeded by Matt Newbery, formerly the assistant sports information director at Pittsburg State. He became the assistant to the commissioner for media relations in 2005. Kellen Coleman replaced Newberry as Director of Communications for the 2008-09 season. A third full-time staff member was added in 2005, as former Emporia State track and field athlete Natasha Oakes was hired as the assistant to the commissioner for compliance. Larry House joined the staff in August 2007 as coordinator of external affairs.

The current membership of the MIAA is at 11 schools, with the departure of Missouri-St. Louis in 1996 and Missouri-Rolla in 2005, the forfeiture of membership by Lincoln in 1999 and the addition of Fort Hays State University in 2006 and the University of Nebraska-Omaha in 2008.

ESU CENTENNIAL FOOTBALL TEAM

Twenty-five individuals were honored during the 1997 season, the institution's 100th of football competition, as members of the ESU Centennial Football Team, presented by Birch Telecom. More than 300 former players were considered for the honor which was based on playing career at ESU; awards, recognition and achievement as a Hornet football player; team success; and contribution to the overall betterment of the program. Fans from across the country sent in more than 350 ballots, with the top 100 vote-getters forwarded to a committee which boasted more than 120 years of association with the ESU program.

- ESU is 10-8 in Homecoming games since 1991.
- ESU has won seven of the last 11 Homecoming contests.
- ESU has averaged 5513 fans at the last five Homecoming games.

For the fifth straight year the Emporia State University Athletic Department finished in the top fifty among nearly 300 NCAA Division II schools in the Learfield Sports Director's Cup. The Hornets made the select company thanks to top 20 finishes by six of the schools 15 athletic programs.

The first MIAA Championship for the volleyball team highlighted the fall sports season. The Hornets jumped out to an impressive 22-1 mark to open the season, winning 19 straight matches. ESU clinched their first outright MIAA Championship with a 3-0 win over Washburn in front of an MIAA record crowd of 2,432 in White Auditorium. The excitement grew as the Hornets played host to the NCAA South Central Regional. ESU averaged over 1700 fans for its three games in the regional and the South Central Regional in White Auditorium was the best attended regional tournament in the country. ESU ranked second in the nation in average attendance. Ting Liu and Arica Shepard each earned All-American honors with Liu named the Most Valuable Player in the MIAA.

With over 20 freshmen on the two-deep roster, the Hornet football team went 4-2 on the turf of Jones Field at Welch Stadium. The four home wins were the most by the Hornets since going 4-2 during the 2003 season. ESU was just 15 points from going 7-4 on the year with three losses by less than eight points. The excitement of the young team helped the Hornets rank 33rd in the nation in average attendance.

The ESU soccer team showed a four match improvement in the win column and played their first on campus match. The Hornets split the home season between the TRYSA Complex in northwest Emporia and the ESU Pitch north of the HPER Building. The move to campus helped the Hornets rank 35th in the nation in attendance.

Skyler Delmott and Katie Mona both earned All-MIAA status in cross country for the Hornets.

Winter saw the Lady Hornets capture their second straight MIAA Regular Season Women's Basketball Championship and seventh title in the last 12 years. ESU was 26-6 on the year, the seventh straight 20 win season and the sixth time they have eclipsed 25 wins under Brandon Schneider. Ida Edwards continued a four year run of Lady Hornets being named All-American, earning first-team WBCA/State Farm honors. Cassondra Boston also earned first-team All-MIAA honors for the Lady Hornets. ESU capped another successful run in White Auditorium going 14-1 on their home court. For the 12th straight year the Lady Hornets finished in the top six of the nation in attendance, averaging over 2,000 fans per game in White Auditorium.

A year after becoming the first eight seed to advance to the MIAA Tournament Championship Game, the Hornet men finished third in the MIAA during the regular season with an 18-10 record. Lamar Wilbern finished in the top ten of the MIAA in scoring and rebounding on his way to second-team All-MIAA honors while Robert Moores led the nation in three point shooting accuracy. The Hornets were 12-2 in the confines of White Auditorium and were 16th in the nation in average attendance last season.

Josh Honeycutt provided the highlight for the indoor track & field season, winning the national championship in the triple jump. His effort led the Emporia State men to a 14th place showing nationally.

The ESU men had six individual championships and six runner-up performances as they finished second at the MIAA Indoor Championships. Vincent Howze led the Hornets with 21 points at the meet to earn MIAA Freshman of the Year honors.

The ESU women finished sixth in the MIAA team standings, just one point out of fifth, after placing second last season. Katie Mona won the women's Freshman of the Year award with 18.5 points. At the national meet the ESU women broke a string of scoring in 13 straight indoor national championship meets, which was the sixth longest active streak in the nation entering the championships.

The spring seasons again brought great success to Emporia State, highlighted by a national runner-up finish for the Hornet baseball team.

ESU won their second straight MIAA regular season championship before dropping four of eight games to end the regular season and bowing out of the MIAA tournament after just two games. The Hornets entered the NCAA South Central Regional as a fourth seed and opened the tourney with a 23-0 win over two seed Angelo State. ESU would go on to out-score their opponents 57-19 in five games at the regional, including a 15-6 victory over host Central Missouri in the championship game. In their second trip to the D-II World Series in four years, the Hornets defeated Grand Valley State, Mesa State and UC-San Diego before falling 2-1 to Lynn in the national championship game. Conner Crumbliss earned All-American honors for ESU and was drafted by the Oakland A's after setting numerous hitting records at ESU.

The Hornet softball team battled through the loser's bracket to pick up their sixth straight MIAA tournament title. ESU has gone 26-1 in the MIAA tournament over the last six years. With the tourney win the Hornets advanced to the NCAA tournament for the seventh time in school history. Miranda Campbell was named a Louisville Slugger/NFCA All-American for the second straight year.

Six Hornets scored individual championships and Emporia State had nine other runner-up finishes at the MIAA Outdoor Track and Field Championships. As a team ESU placed third on the men's side and sixth with the women. The Hornet men placed 15th at the NCAA Outdoor Championships, the third straight year they have placed in the top 20 nationally, while the women were 36th.

With a move to a new region came a reduction in the number of tennis teams that could qualify for the national tournament. For the first time since 2004 that neither ESU tennis team advanced to the NCAA tournament. Kevin Schoon was named the MIAA Sportsmanship Award in a vote of the league coaches and players. It is the third straight season an ESU player has earned that award.

Emporia State excelled in the classroom as well with 19 Emporia State student-athletes named MIAA Scholar Athletes during 2008-09. To earn this distinction, student-athletes must have a cumulative 3.50 grade-point average and earned All-MIAA honors in their sport over the past season. ESU is ranked tenth in the nation in producing Academic All-Americans named by CoSIDA in the 21st century. Hornet student-athletes have been named Academic All-America 16 times since 2000. Over half of the Hornet student-athletes made the ESU Athletic Director's Honor Roll with a 3.00 GPA over the previous semester.

All of the success on the field and in the classroom showed up in the attendance figures as well. Over 110,000 fans turned out for ESU home athletic events during the school year with volleyball, football, men's and women's basketball and soccer all ranked in the top 35 nationally.

The Hornet volleyball team set an MIAA single match record when 2,432 showed up for their MIAA championship clinching match against Washburn. ESU also drew over 2,000 for their regional final against Truman and ranked second in the nation in average attendance. The Lady Hornet basketball team ranked in the top six of the nation in average attendance for the 12th straight year.

This is the sixth-straight year in which ESU has gone over 100,000 in total attendance in all sports combined.

HORNETS WRAP UP ANOTHER SEASON OF SUCCESS

For the fifth year in a row, the Emporia State Athletic Department placed in the top 50 out of nearly 300 NCAA Division II institutions in the Learfield Sports Director's Cup standings. The Hornet baseball team led the way with a national championship game appearance.

“YAPS, YELLOW JACKETS AND HORNETS”

Here come the Hornets! Go Hornets Go! How did Emporia State University really get to known as the Hornets?

A casual conversation between Vic Trusler and an Emporia Gazette reporter named Cecil Carle led the establishment of the Hornets as Emporia State's mascot. In the early 1930's, the Teachers College students were called the Yaps. It is uncertain why the students were called that except popular legend suggests that because they were teachers, they did a lot of "yapping." In any case, most of the students were not fond of the moniker.

Trusler, a legendary figure on campus in the "30's," and coach at Roosevelt High School, and Carle, without design, were instrumental in getting the name changed. Carle was seeking information on the official name of the Roosevelt High School team. Trusler suggested he call the Roosevelt team the Bluejackets since they wore blue jerseys.

In that momentous conversation, Trusler further commented that the students at the Teacher College really did not like being called the Yaps. Instead he suggested they be called the Yellow Jackets because the men wore yellow sweaters with black stripes on the sleeves. And, like the insect, they had quite a sting to them. Nothing further was said, but the next Gazette article about the Teachers College referred to the students as Yellow Jackets.

The evolution of the name Yellow Jacket to Hornet is almost anti-climatic. A lack of newspaper space forced the Yellow Jacket to be shortened to Harnet. For a while the two names were interchanged and used throughout the state.

To further cement the Hornet tradition, the football team received new uniforms in 1936. They were almost entirely black prompting some to suggest that the team be called the Mud Daubers, which are yellowjackets, which are hornets, which game more sting to the legend.

"Corky" first appeared on the scene in 1934 when Paul Edwards, then a sophomore, made what he thought was a more representative figure of the school mascot than the stereotyped hornet being used. He entered it in a contest and finished second. Not to be discouraged Edwards redrew his hornet and showed it to Ray Maul, then manager of the Memorial Union, who thought he could "use the buzzard." The Corky figure would soon become popular on campus.

Edwards liked his Corky so much he patented the bug in 1936, which dated its 50th anniversary to 1986. During Homecoming 1987, Edwards dedicated a Corky the Hornet statue he sculpted and is now on display in the Memorial Union Bookstore. A large number of Corky's cropped up beginning in 2003 during a Parade of Corkys throughout Emporia and many of them are still on display in the community.

**The Corky Tradition -----
The Sting Lives On!**

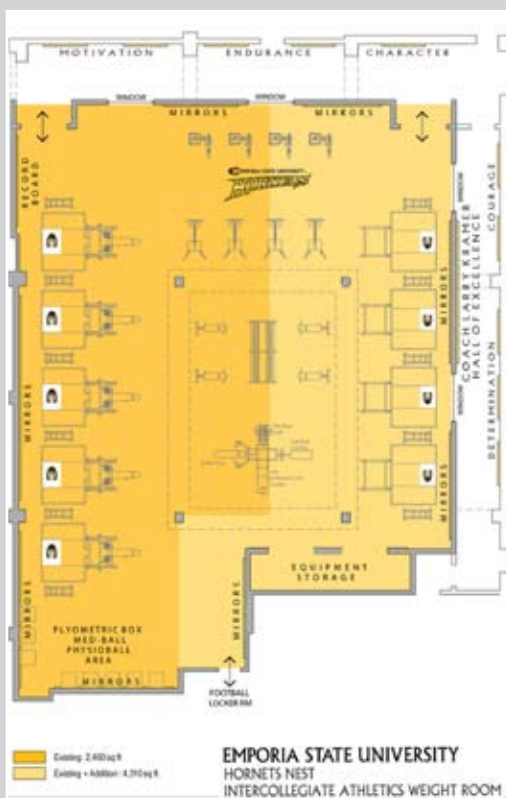

Over the last three years, Emporia State has implemented several projects to upgrade their facilities. The projects continue to give Emporia State some of the finest venues in NCAA Division II.

The Emporia State Athletic Department recently announced plans to renovate and expand the ESU Athletics Weight Room into one of the top facilities in the MIAA. The renovation will expand the current "Hornet's Nest" from 2,460 square feet to over 4,300 square feet and includes state of the art equipment. That will place ESU in the top third of the MIAA in terms of weight room size. When the current Hornet track and field weight room, located on the lower level of the HPER Building, is added to the total ESU will have over 6,000 square feet dedicated to athletic strength and conditioning.

Opened in 1937 and dedicated in 1960, Welch Stadium sits just north of beautiful Lake Wooster in the heart of the ESU campus. Crowds as large as 10,000 fans have watched games when bleachers were added in each end zone. Permanent lighting makes it possible to televise games and play at night.

The facility also has been used extensively by individuals outside the University community. Welch Stadium is the home field of the Emporia High School football team and has hosted the Hershey Track and Field State Championships, Special Olympics, the 1998 and 2004 Kansas Shrine Bowl. The 1995, 1999 and 2006 NCAA Division II National Track Championships were held here as well.

A new Super Turf playing surface was installed at Welch Stadium in the fall of 2005. The new field is named Jones Field at Welch Stadium in honor of the W.S. and E.C. Jones Testamentary Trust, the lead contributor to the project. The Super Turf surface allows the Hornet football team multiple practices and games in the stadium that were not possible with the natural grass surface.

Zola Witten Track at Welch Stadium was resurfaced over the summer of 2005 as well. The resurfacing prepared ESU as the host site of the 2006 NCAA II men's and women's outdoor track and field national championships. The facility hosted the same event in 1995 and 1999.

The Hanna Clubhouse at the Trusler Sports Complex, just north of the ESU campus, has been in place since 2007. The facility houses locker rooms for baseball and softball, as well as coaches offices. It gives Hornet student-athletes on the teams a place to call home before and after games and practices. The second floor of the building serves as an observation deck where fans may have parties.

Throughout NCAA Division II programs, White Auditorium is regarded as one of the premier basketball arenas in the nation. The 69 year old facility was upgraded during the fall of 2008 with a new scoreboard and video board as well as a new color scheme on the arena floor and the throughout the entire building.

The approximately \$270,000 improvement project was funded with City of Emporia general fund and Convention and Visitors Bureau money, along with contributions from ESU, the Walter S. and Evan C. Jones Trust, Emporia Sports Promotions, Inc., and Sunflower Gymnastics.

Mounted on the south wall of the arena, the video board displays everything from player photos and statistics to game action from the floor.

John Decker, ESU's graphic artist, created the color scheme, decorative striping and lettering design which gives the arena its bright new look. The auditorium's inch-thick maple floor was sanded and refinished as well.

Built in 1940 as a product of President Franklin D. Roosevelt's Public Works Administration (PWA), William Lindsay White Auditorium serves the needs of the Emporia community and Emporia State University.

ESU dedicated Milton Tennis Courts in 2004 in honor of former coach George Milton. Milton was a coach at ESU from 1966-99. The facility, located west of the HPER Building on campus, is used by the men's and women's tennis program and it hosted the Hornet women's first ever trip to the NCAA tournament in 2005. The Hornets also play matches at the Emporia High School Courts in northwest Emporia. The EHS complex has 12 lighted courts, allowing for men's and women's matches to be played at the same time

Jones Park in northwest Emporia is the home of the Emporia State cross country program. The park provides practice facilities and the host-site for the ESU Invitational, a meet hosted by ESU each year. In 2009 Jones Park will serve as the host site for the MIAA Championships in cross country.

For the first time in the programs eight year history, Hornet soccer will play their entire home schedule on the ESU campus. The ESU Pitch is located north of the HPER Building and provides easy access for Hornet fans.

Emporia State is committed to providing student-athletes with an environment that will maximize the potential for success. ESU's Health, Physical Education and Recreation Building houses offices for coaches and administrators, weight room facilities, a swimming pool, computer lab, five practice gymnasiums and a state-of-the-art training room. The practice gyms allow the baseball, softball and track and field teams a chance to practice indoors, as well as offer additional practice space for basketball and volleyball.

The computer lab on the HPER Building is just one of many available to student-athletes on the ESU campus. Over 200 computers are available on campus, providing ESU students the highest technologies available.

A swimming pool in the HPER Building provides student-athletes conditioning and an additional option for physical therapy.

The Emporia State training room facilities offer student-athletes the finest athletic medicine care available. Athletic trainers John Baxter, M.S., ATCR, and Leslie Kenney, M.S., ATCR, establish injury and illness prevention programs, evaluate and provide immediate care for injury or illness, rehabilitate and recondition athletic injuries, and provide health care administration, education and counseling as related to injury or illness, all under the supervision of team physician Dr. Marshall Havenhill, M.D. Assisting Baxter and Kenney are two certified graduate assistants and numerous undergraduate student assistants.

Emporia State student-athletes didn't just provide the Emporia community with exciting sports action throughout the year, the Hornets also provided the community with over 2,100 hours of community service during the 2008-09 year.

Working with organizations like the Make-A-Wish Foundation, Special Olympics, Rebuilding Together, Abundant Harvest Food Kitchen and several local elementary schools, the Hornets contributed over 2100 hours of community service. From painting homes for the disadvantaged, cheering on Special Olympics competitors, collecting canned foods and to recycling, Emporia State student-athletes could be seen all around Emporia lending their time.

A total of 19 Emporia State student-athletes were named MIAA Scholar Athletes in 2008-09. To earn this distinction, student-athletes must have a cumulative 3.50 grade-point average in two terms of attendance at the nominating institution, and earned All- MIAA honors in their sport over the past season.

The student athlete advisory committee will be hosting the fourth annual Senior Citizen Prom in early April in the MU Ballroom. This year's event will feature the Tall Grass Big Band.

"Senior citizens play a big role in all of our athletic events and SAAC wants to show how much we appreciate them," said former ESU softball player and SAAC member Megan Grisell. "We learned about the senior prom idea at the NCAA Leadership conference and thought this would be a great way to get our new Community and Student Involvement team off the ground."

Our relationship has been and will continue to be very strong with Emporia. Our teams have been a constant in the community. The teams pay attention to the community perceives them and it is important that we maintain our great relationship.

THIS IS EMPORIA STATE

Emporia State University is a comprehensive Regents university primarily serving residents of Kansas by providing leadership in quality instruction, related scholarship and service. A student-centered institution, its central mission is to develop lifelong learning skills, impart society's cultural heritage, and education and prepare for both the professions and advanced study. Faculty, staff and students interact in a collegial atmosphere that fosters freedom of inquiry and expression.

ESU provides undergraduate educational opportunities designed to meet the broad goals of basic skill development and general education, as well as the more specific goals of a variety of programs in art and sciences, business, education, and library and information management.

Graduate programs serve needs and provide leadership within the region, the state and the Great Plains area. The university offers programs of national distinction in Education and Library and Information Management, including a Ph.D. in Library and Information Management.

ESU's arts and sciences programs and offerings at the undergraduate and graduate levels provide a solid foundation for further learning, preparation for the many avenues of employment to which the basic disciplines lead, and the advanced knowledge necessary to enable professionals, including teachers, to move ahead in their fields and accept increased responsibilities and challenges.

As a national leader in teacher preparation, the Teachers College at ESU has a rich history of preparing teachers to succeed in the classroom. ESU offers well-established teacher preparation programs that support the growing need for quality teachers in all disciplines. ESU's teacher education program was selected as one of four "model" teacher preparation programs in the nation.

The School of Library and Information Management (SLIM) prepares students to analyze and manage information on a global scale. With coursework through the doctorate level, SLIM offers graduate-level instruction for information managers in all professions. SLIM is the only school accredited by the American Library Association in a 12 state area.

ESU's School of Business educates students to be entrepreneurs, critical thinkers and leaders in the workplace. Graduates hold leadership positions in some of the most prestigious companies throughout Kansas and the Nation. The School of Business is accredited by the Association to Advance Collegiate Schools of Business (AACSB International) AACSB, the mark of quality distinction most widely sought after by business schools. Less than one fourth of the business programs in the U.S. are accredited by AACSB International. The accreditation is the "gold standard" that identifies programs of the highest quality.

Fundraising is currently underway to launch an \$18.5 million renovation of ESU's Memorial Union. Construction of project's first phase is scheduled to begin next spring, and the total project is slated to be complete by fall, 2012.

The Memorial Union was constructed in 1925 in

memory of the students who fought and died in World War I. Additions were constructed in 1958, 1963 and 1972.

As an institution of higher education, Emporia State University is committed to helping students, faculty, staff and administrators acquire those skills necessary to enable them to think critically, to question intelligently, and to analyze complex and diverse ideas in order to become thoughtful, educated world citizens.

In a recently-released survey, Emporia State University surfaces as an institution that enables close partnerships and communication between students and faculty. The National Survey of Student Engagement (NSSE), administered to freshmen and seniors, compares responses from Emporia State students with their peers at colleges and universities in Kansas and across the nation.

Emporia State University is an equal opportunity institution of higher education where individuals of diverse backgrounds and beliefs come to learn and work together professionally and respectfully. As a university, we seek to create and uphold high intellectual standards within a learning community, to make those intellectual standards accessible to all who engage in the learning process, and to foster a curiosity about life and society that will lead to informed and involved citizenship. Learning requires critical thinking about the production of knowledge and the various beliefs that people may hold, as well as opportunities to test and actively engage with new ideas.

EMPORIA CITY PROFILE

Among Emporia's notable citizens are William Allen White, editor and owner of The Emporia Gazette newspaper, and NASCAR Sprint Cup driver Clint Bowyer. Today, Emporia is a manufacturing, education, transportation, trade, medical and cattle center of the east-central Kansas region. Emporia is the county seat of Lyon County, with a total county population of approximately 35,500.

Located midway between Kansas City and Wichita on the Kansas Turnpike, Emporia is an important crossroads and trade area for the east-central Kansas population of approximately 85,000 people.

The Burlington Northern Santa Fe railroad mainline passes through Emporia. The Emporia Municipal Airport, with a 5,000 ft. hard surface runway, can accommodate most corporate aircraft.

Emporia State University is one of the finest medium-sized universities in the Midwest. More than 6,000 students are enrolled in outstanding programs in education, business, arts and sciences, library science and information management.

MEMORIAL UNION RENOVATION

Fundraising is currently underway to launch an \$18.5 million renovation of ESU's Memorial Union. Construction of project's first phase is scheduled to begin next spring, and the total project is slated to be complete by fall, 2012. The Memorial Union was constructed in 1925 in memory of the students who fought and died in World War I. Additions were constructed in 1958, 1963 and 1972.

Students approved, 739-181, a fee increase to help pay for the project.

A Lawrence architectural firm, Treanor Architects P.A., designed the renovation plan following a series of meetings with ESU students, staff and Emporia residents.

Included in the renovation:

- Creation of new student lounge space and performance area

- Renovation of the current student cafeteria

- An addition on the east side of the building featuring a new entrance, information center and Admissions office

- Redesigned entrances to the building's west, south and east sides

- Redesigned meeting spaces and traffic patterns inside the building

- Environmentally-friendly improvements to the building's heating, ventilation and cooling systems

The process to get the renovation going has been a long one with the first meeting about the project occurring in 1999. Still, the effort didn't start in earnest until the fall of 2007

The Memorial Union has a long and storied history on the ESU campus. Originally opened in 1925, the union was built as a tribute to the students who fought and died in World War I. Since then, the union has had four additions.

The current renovation plans aim to make the union into a "living room space" for ESU students, ESU President Michael Lane said.

"I think it's really critical to our current and future students," Lane said. "It really is supposed to serve as a functional meeting place, a social place, a gathering place, an eating place for our students as well as our faculty and staff."

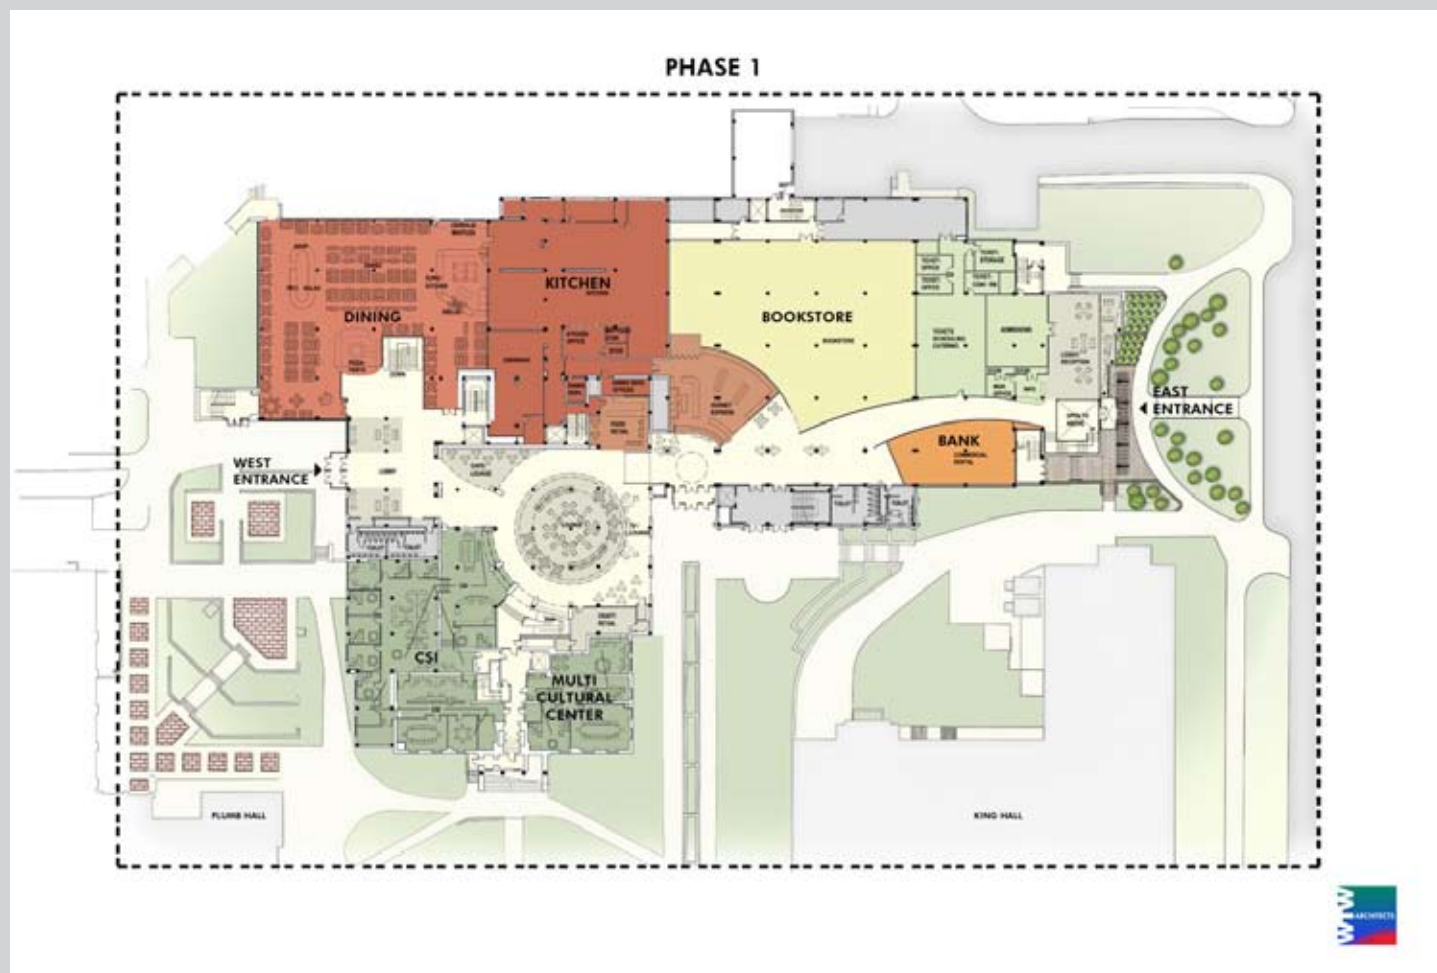

The renovation also looks to make the union a greener building.

"We want to upgrade the windows and lighting to make them environmentally friendly," Lane said, "as well as more efficient heating and cooling that will be environmentally friendly. The finishes will be done with environmentally friendly materials as well. We want to make the building as green as we can as well as comfortable for our students, faculty and staff."

In addition, the university is looking to move its admissions office to the union.

"(The union) will become the university's front door," Lane said, "and it needs to be attractive to current and prospective students."

The project has been broken into two phases, with construction on Phase One scheduled to start in spring of 2010. The renovation should be finished by the start of the fall 2012 semester.

•In the 2008-09 academic year, 53 percent of ESU's student athletes achieved a grade-point average of 3.0 or better.

•Free health care, pharmacy, and legal services are available as part of your student fee package.

•In recent years, off-campus locations for courses at ESU have included the jungles of Peru, the caves and coral reefs of the Bahamas, and the castles of Spain.

•Nearly 500 students from almost 50 countries across the globe make up ESU's diverse international student population.

•Emporia State University and Kansas State University, both founded in 1863, were the first two universities in the state.

•ESU was one of the nation's first campuses to be accessible to the physically challenged.

•Every room in the ESU Residence Halls is wired for Internet access and if you don't have a computer there are over 200 computers available in various labs across campus.

•ESU helped establish the National Teachers Hall of Fame, located in Emporia, in 1989.

•Modern and beautifully remodeled residence halls, along with fraternity and sorority houses, and married student apartments, provide excellent and comfortable living units to ESU students.

•ESU hosted the 1995, 1999 and 2006 NCAA Division II Outdoor Track and Field Championships, 1996 NCAA Women's Softball Championships, and 1998 NCAA II Cross Country Championships as well as numerous NCAA regional tournaments.

•Emporia State University, nationally known for its teacher preparation program, was named one of four 'model' teacher preparation programs in the nation in a report "Educating School Teachers" written by Arthur Levine, president emeritus of Columbia University Teachers College.

•ESU is the first and only university in the world to offer a four-year degree in Engraving Arts.

•Emporia State University was named one of the "Best in the Midwest" by the Princeton Review. One thing that puts this ranking above the rest is that it is based on student opinion data and surveys filled out by current ESU students.

•Over 93% of graduates from the ESU Teachers College remain in the profession after five years. Nationally, 30 to 50% leave the profession before completing three years in the classroom.

•Emporia State University's School of Business is proud to hold the distinction of being accredited by the Association to Advance Collegiate Schools of Business (AACSB). Less than 1% of all business programs in the US hold this distinction. This accreditation is the "gold standard" that identifies programs of the highest quality.

**President****Dr. Michael R. Lane**

Dr. Michael R. Lane became the 15th president of Emporia State University on November 1, 2006. Under his watch the Hornet Athletics program has seen thirteen of the fifteen athletic programs compete in NCAA postseason competition while maintaining a 3.00 cumulative GPA. ESU

has maintained a top 40 standing in the Learfield Sports Director's Cup standings under his watch and was the top MIAA school, finishing #11 in the nation in the 2007-08 Director's Cup Standings.

The success is not only in the playing arena as ESU had an MIAA high two ESPN The Magazine Academic All-Americans in 2007-08 and ranks tenth in the nation in producing Academic All-Americans in the 21st century.

The NCAA and National Association of Collegiate Marketing Administrators recognized Emporia State as the MIAA's recipient of the 2008 Community Engagement Award of Excellence.

"Athletics is a key part of the educational experience at Emporia State," says Lane. "We try to foster a positive environment of sportsmanship and integrity for our student-athletes."

Dr. Lane earned a Ph.D. in Accounting from Texas A&M University, a master's degree from Northeastern University and a bachelor's degree from Lowell Technological Institute (now the University of Massachusetts at Lowell).

A native of Melrose, Massachusetts, Dr. Lane's career in higher education began in Boston as an assistant professor of accounting at Northeastern University. As a professor at Bradley University he served as Chair of the Department of Accounting, Associate Dean of the College of Business and Director of the MBA Program. In 1994 he was named dean of the School of Business at Indiana University-Purdue University Fort Wayne. He later advanced to dean of the Campbell School of Business at Berry College in Rome, Georgia. At Mansfield University of Pennsylvania, Lane served over four years as provost and vice president for academic affairs. Prior to coming to Emporia State University, he was vice chancellor for academic affairs and provost at the University of Arkansas – Fort Smith.

Dr. Lane was active for many years in the American Accounting Association, serving on the board of the Midwest region. He served Beta Alpha Psi, the national accounting honors and professional fraternity for several years as faculty vice president at Northeastern University and Bradley University where he was selected as one of five "Outstanding Faculty Vice President" by the national organization. Dr. Lane also served on the national Council of Beta Alpha Psi.

As a business dean, Dr. Lane was active in regional activities of Association to Advance Collegiate Schools of Business (AACSB). Dr. Lane has published or presented more than two dozen papers and has written ethics cases for a principles of Accounting text book.

President Lane is a member of Congressman Jerry Moran's Executive Committee. He also serves on the Advisory Committee for Science, Technology and the Future, chaired by Senator Pat Roberts. He recently completed a term as a member of the Math and Science Education Advisory Committee to the Kansas Legislature. He is currently a member of the Kansas Park Trust, and the Steering Committee for the Visitor's Center at the Tallgrass Prairie National Preserve. He also serves on the Board of Directors for the Kansas Business Hall of Fame, the Regional Development Association of East Central Kansas and the National Teachers Hall of Fame. He is a member of the Kansas Cavalry, Emporia Area Chamber of Commerce and the Rotary Club of Emporia.

President Lane's wife, Dr. Peggy Lane, is an Associate Professor in the Department of Accounting and Information Systems in the ESU School of Business. Their household includes a beagle (Lucy) and a cat (Brandy).

**Athletic Director
Kent Weiser**

Under the leadership of Director of Athletics Kent Weiser, Emporia State has consistently competed at the national level in NCAA Division II on the field, in the class room and in the stands. ESU has ranked in the top 50 of nearly 300 D-II

schools in each of the last five years, highlighted by an MIAA best 11th place finish in the 2007-08 US Sports Academy Director's Cup Standings and a 12th place finish in 2005-06. In the classroom, Emporia State is ranked tenth in the nation in producing Academic All-Americans in the 21st century. The athletic and academic success has combined to place every ESU program in the top 25 in national attendance at some point during Weiser's nine year tenure.

The Hornets have won 22 MIAA regular season team championships and have finished in the top 20 of Division II in eleven different sports under Weiser's leadership.

The Hornets had six top 20 finishes in 2008-09 as ten of 15 programs made the NCAA post-season. ESU had top ten finishes in volleyball and a runner-up finish at the NCAA Championship Tournament by the Hornet baseball team highlighting the year. ESU also picked up top 20 finishes by the men's indoor track & field, softball, women's basketball, and men's outdoor track & field teams. ESU has played for a national championship in softball or baseball in three of the last four years.

In the classroom ESU ranks tenth in the nation among Division II schools with 16 Academic All-Americans in the 21st century. ESU regularly places over 50 percent of its student-athletes on the A.D.'s Honor Roll and has had an NCAA Top VIII Award winner under Weiser. Nine coaches hired by Weiser have been named MIAA Coach of the Year in their respective sports. Ten of ESU's 15 varsity programs earned Top 25 recognition at some point during the 2007-08 school year. During the 2003-04 school year Emporia State was the first NCAA Division II institution to advance to the postseason in football, men's and women's basketball, baseball and softball with 11 of ESU's 15 programs competing in the NCAA postseason.

Major capital improvements, such as the Hanna Baseball/Softball Clubhouse, Jones Field SuperTurf, the artificial turf infield at Glennen Field, new scoreboards at the Trusler Sports Complex and White Auditorium and the resurfacing of Witten Track have been completed under his watch with 100% of the nearly \$2 million coming from donors. These improvements have helped maintain those facilities as some of the best in the nation at the Division II level. His leadership of ESU's fund raising efforts led to the largest single gift for athletics scholarships in school history, a \$1.25 million contribution in 2004.

He helped establish the first department-wide shoe and apparel contracts in NCAA Division II, when ESU partnered with adidas in 2000. ESU is still just one of just two NCAA Division II athletic programs in the nation to be a Direct Sales Partner with adidas. The agreement stretches buying power of all 15 Hornet programs and is similar to programs designed for NCAA Division I institutions.

While other institutions were faced with reducing sports, Weiser spearheaded the effort to add women's soccer as a varsity sport, increasing participation opportunities for women at the University for the first time since 1980. His efforts helped ESU receive a grant from the NCAA in support of expanding administrative opportunities for women and minorities. Weiser has been a guest panelist at numerous NCAA and NACDA meetings, including for the Division II Strategic Alliance Matching Grant Enhancement Program and the NCAA Leadership Institute for Minority Males.

Weiser, a native of Great Bend, Kan., received a Bachelor of Arts and a Master of Science in Education from the University of Kansas. He began his career in athletics at KU, where he worked from 1981-88. During that time, he held administrative positions as ticket manager and marketing director. He also served as the Kansas women's golf coach from 1984-88.

He was the associate director of development for Ottawa University from 1990-93. He joined Emporia State in 1999, after serving as associate athletic director at Oregon State University for six years.

Weiser is married to the former Amy Pangrac, and the couple has two daughters, Katie and Abby.

**Associate Athletic
Director for
External Operations
Shane Shivley**

Shane Shivley is in his seventh year with the Emporia State Athletic Department. Promoted to Associate Athletic Director in August of 2006, Shivley directs and manages all income generating activities for the athletic

department. This includes supervision of the marketing, ticketing, and facilities offices.

Under his supervision the Hornets have spearheaded campaigns to construct the Hanna Baseball/Softball Clubhouse, SuperTurf for Jones Field at Welch Stadium, the resurfacing of the Witten Track, a remodel of the Basketball Practice Facility, Glennen Field Baseball Turf,

and a state of the art baseball hitting facility. These improvements have helped maintain those facilities as some of the best in the nation at the Division II level.

Shivley has also led efforts to increasing the annual athletic giving each year of his tenure. In 2008-09 Athletic giving topped \$1.12 million according to figures from the ESU Foundation.

A native of Parsons, Kansas, Shivley earned a bachelor's degree in business from Emporia State in 2000 and his Master's in Sport Administration from Wichita State in 2002.

He is married to the former Mary Decker. The couple are the proud parents of a daughter, Alexa and a son, Maddox.

**Associate Athletic
Director for Internal
Operations/SWA
Carmen Leeds**

Carmen Leeds is in her ninth year as Associate Director of Athletics for Internal Operations and Senior Woman Administrator (SWA). She oversees areas of NCAA compliance, CHAMPS/Life

Skills, student-athlete services and athletic training.

Carmen oversees the student-athlete advisory committee (SAAC) and community service. Under her supervision, each year ESU student-athletes perform over 2000 hours of community service. The student-athlete advisory committee has sponsored the annual Senior Citizen's Prom for the local community, winning the inaugural Community Engagement Award of Excellence for the MIAA. SAAC has raised over \$1,100 the past two years for the Make-a-Wish Foundation.

She currently serves on the NCAA CHAMPS/Life Skills Advisory Team and NCAA Softball Regional Advisory Committee. She is a past member of the NCAA Division II national women's basketball committee. She has been

a facilitator at the NCAA Leadership Conference, the Division II Regional Leadership Conference and NCAA CHAMPS/Life Skills Orientation Conference.

She was formerly the head women's basketball coach and SWA at South Carolina-Upstate. She coordinated the Athletes Can Educate (ACE) program and implemented the school's Student-Athlete Advisory Committee (SAAC). As basketball coach, she had a 100 percent graduate rate among four-year players.

She received her bachelor's degree from Appalachian (N.C.) State and her master's from Clemson University.

She is married to Greg Leeds, a 1984 ESU graduate, and the couple has three sons, Brian, Matt and Parker.

Assistant Athletic Director for Media Relations
Don Weast

Don Weast has been in charge of media relations at Emporia State for ten years and is in his 11th year as a full-time member of the ESU Athletic Department.

Promoted to the title of assistant athletic director for media relations in 2003, Weast oversees media relations, publications and Web site management for the 15 sport intercollegiate athletic program at ESU.

His office has won three Best in Nation awards from CoSIDA for publication excellence. Hornet student-athletes have been voted to All-American honors 19 times and Academic All-American honors 16 times, including two national players of the year and two Academic All-Americans of the Year.

A 1998 graduate of ESU, Weast was a sports supervisor at the Emporia Recreation Commission prior to returning to ESU as a student in the sports information office in 1997.

After a year of graduate work at Central Missouri, he returned to ESU in 1999 as the director of sports promotions. He began his association with the Hornets as a student athletic trainer in 1986. Weast spent part of the 1989-90 season with the now defunct Topeka Sizzlers of the CBA as an athletic trainer.

He earned his BFA from Emporia State in 1998 and is married to the former Terri Kaiser, a 1998 MLS graduate of ESU. The couple have a daughter, Emelie Rae.

Director of Athletic Publications
Josh Slaughter

Josh Slaughter begins his third full year as Assistant Director of Athletic Media Relations and Director of Athletic Publications at Emporia State after coming in February of 2007. His responsibilities include designing media guides, preparing game notes and other game day responsibilities. During his time as baseball contact five players have been named All-Americans and Keith Hernandez was named the 2008 NCAA Division II Player of the Year.

Prior to coming to Emporia Josh was a Kansas Press Association award winning photojournalist with the Osage County Herald-Chronicle in Osage City, Kan. He has also been read as a freelance journalist and columnist for several area

newspapers. He is also currently one of the radio voices of the NAIA VSN All-Star Football game played in Kansas City every May.

He is a 2006 graduate of Sterling College where he was involved in both print and broadcast journalism. While in college he was both a KACP and KCB award winner. He was the very first radio voice of the Sterling College Warriors when Sterling College Radio went on air in 2005. He also hosted a national NAIA Athletics Radio Show called "Evening the SCOR" from 2005 to 2006.

He was a 2003 graduate of Chaparral High School in Anthony, Kan., where he was a two-year letterwinner in baseball.

**Director of Marketing****Tim Callahan**

Tim Callahan is in his second year as the Director of Athletic Marketing for Emporia State University. He set records for athletic marketing income in his first year at ESU.

Prior to coming to Emporia, Tim spent time at the University of Nebraska Kearney as well as at the University of North Texas. Both of these positions were actively involved with running the day-to-day marketing and promotions operations.

His primary duties at Emporia State revolve around overseeing the sponsorships and advertising revenue as well as the direction of athletic marketing and promotional efforts. He also oversees much of the department's print production, enhancement of student and fan participation, enhancement of game-day atmosphere and assisting with all phases of event management and operations.

Callahan graduated from the University of Nebraska Kearney with a bachelor's degree in Exercise Science in 2003 and went on to receive a Master's Degree in Sports Administration in 2005. He is a native of Greeley, Neb.

**Director of Operations & Event Management****Cody Moors**

Cody Moors is in his second year as Director of Athletics Operations/Events and Facilities. He oversees game management of home events, scheduling and maintenance of the athletic buses, and oversees the athletic facilities of ESU Athletics.

Moors served as the ESU Athletic Administrator for the 2009 Division II Leadership Academy assisting student-athletes in developing leadership action plans to take back to their universities. Along with his national leadership training, he has implemented the Hangin' with a Hornet mentoring program for Emporia Middle School to help develop social, academic, and leadership skills for 7th and 8th graders, as well as ESU Student Athletes.

Prior to coming to ESU, Moors served eight years as an At-Risk Aid/Event Supervisor for Eisenhower Middle School in Manhattan, Kan. He served as the Head Wrestling Coach for two years and an assistant coach for six years. He was actively involved in the supervision and athletic event game management for EMS. Moors is a 2008 graduate of Kansas State University with a Bachelor of Science degree in Sociology.

He is married to the former Jessi Decker, a 2003 graduate of Emporia State, and the couple has one daughter Madison.

**Athletic Business Manager****Davonne Hinz**

Davonne Hinz is in her eleventh year as the athletic business manager at Emporia State. The Melvern, Kansas native has been at Emporia State since 1985 and has worked in the Hornet Athletic Department since 1995.

She is responsible for the day to day business operations of the 15 sport athletic program at ESU and maintains the budget for the Hornet athletic department.

She has a daughter, Kelsi.

ESU Athletic Media Relations

HPER 113 • 1200 Commercial • Box 4020
Emporia KS 66801

Emporia State University media guides assist you in your coverage of the Hornets and the Mid-America Intercollegiate Athletics Association. Additional information may be requested by calling Don Weast at (620) 341-5526 or via e-mail at dweast@emporia.edu. His office is housed in the HPER Building, Room 113.

Credentials

Credentials for all Hornet events may be obtained by calling Weast by noon one-day prior to a home game. Your name will be placed on the media pass list located at the entrance to facility. Should you need a credential for a road contest, you are advised to make your request at least one week prior to the road trip so we can place you on our media list.

Parking

Parking around ESU Athletic venues is not reserved for members of the media. Please arrive in plenty of time to ensure a parking spot close to the facility.

Game Services

A media packet including a game program, press release, statistics, etc., is available to media before the game. Complete statistics will be available following the game.

ESU Post-event Interviews

ESU head coaches and selected players will be available in a designated interview area following a brief cool-off period. Please give a list of requested players to ESU athletic media relations personnel.

Please check with the opponent SID for their post-game policy.

Mid-week Interviews

Practice is open to the media during the week. Please check with Don Weast for the time. Should you need to do a mid-week interview with a player, we request 24-hours notice in meeting your demands.

ESU on the Radio

For the 19th straight season, Hornet athletics can be heard on KFFX-FM, 104.9. ESU football and men's and women's basketball, along with selected baseball and softball games, will be broadcasted. Emporia's Radio Stations (KFFX-FM, KVOE AM and FM) will once again provide ESU fans with the best source for keeping up with the Hornets. Salina native Greg Rahe is in his 19th year of serving as the Voice of the Hornets. Rahe has been honored by the Kansas Association of Broadcasters and taken first place for "sports play-by-play" in a Kansas medium market. In addition to game coverage, Rahe will host a weekly show "Hornet Talk" on Mondays at noon. Saturday Morning Sports Talk, a popular area show, can be heard every Saturday morning from 8-9 a.m. Rahe is joined by Tim Miller and Steve Sauder.

Hornet Webcasts

All Hornet athletic events broadcasted by KFFX-FM, 104.9 will also be available online. Follow the "Hornet Broadcasts" link at www.emporia.edu/athletics to hear the live action all around the world.
