2008-09 REVIEW

The 2008-09 Hornets entered the season with a lot of new players and picked eighth in the MIAA preseason poll. The Hornets would exceed expectations however going 18-10 and finishing third in the MIAA standings. Junior Lamar Wilbern was named second-team All-MIAA while Junior Tim Niles was named to the league's all-defensive team.

ESU opened the season with a tough road test at Eastern New Mexico. The Hornets got a career high 28 points from Jeremiah Box and earned an 87-55 win.

After a loss on the road at K-State the Hornets rolled to win six straight including home wins over Northwest Missouri and Missouri Western.

ESU then suffered its first conference loss on the road at Central Missouri. ESU would then win six of its next seven in MIAA play

including a four overtime victory on the road at Pittsburg State.

In the four overtime affair Lamar Wilbern had 27 points and 16 rebounds while Sophomore Adam Holthaus went for a career high 19 points.

ESU then struggled through a three game road stand dropping games at Fort Hays State, Northwest Missouri and Missouri Western.

ESU would rebound with wins over Nebraska-Omaha and Truman sandwiched in between losses to nationally ranked Central Missouri and Southwest Baptist.

ESU then dropped on to Missouri Southern and four themselves in fourth place needing to win out to earn the third seed in the tournament.

ESU outscored their opponents 263-211 over their final three games as they earned home wins

over Pittsburg State and Fort Hays State and earned a road victory at Washburn.

Adam Holthaus tied his career high with 19 points in the win over Pittsburg State. Lamar Wilbern was the Hornets leading scorer in both the Washburn and Fort Hays State game.

ESU found themselves in a tournament match-up with sixth seeded Washburn. ESU held a 43-35 lead going into the break, but could not hold off a Washburn comeback as the Ichabods scored 59 points in the final half to win 88-82 in Kansas City.

Robert Moores had a career high 31 points to pace the Hornets in the game.

ESU finished third in the MIAA last season after being picked eighth in the pre-season poll. They were led by Lamar Wilbern, who returns this season, in both scoring and rebounds.

2009-10 PREVIEW

The 2009-10 Hornets return five players that made more than ten starts last season. And also return an average of 25.5 bench points from last season. They will feature seven seniors and four juniors in an upper-classmen laden squad.

The Hornets leading scorer and rebounder from last season is making his return for his senior year. Lamar Wilbern averaged 15.9 points per game and 7.1 rebounds per game last season for the Hornets. He recorded six double-doubles last season.

He is joined at guard by Robert Moores who averaged 15.3 points and 3.1 assists per game. Moores only made 12 starts for the Hornets and scored the majority of his points as the first man off the bench.

Dustin Andrews who started 27 of 28 games for the Hornets last season returns for his senior

season. Last year he averaged 5.8 points per game and 2.3 boards per game.

Another returning starter from last season will be senior guard/forward combo Jeremiah Box. Box averaged 10.9 points and 4.0 rebounds per game last season.

Two significant bench contributors also return as junior Adam Holthaus who averaged 8.6 points and 4.6 boards last season and Tim Niles who averaged 9.5 points per game will vie for starting time.

Doug Moore, the Hornets other returning senior, will look to gain more playing time as the Hornet big man.

Juniors Matt Boswell and Jordan Stout also return to the squad after both saw time as a starter last season. Boswell averaged 2.4 points and made 14 starts and Stout averaged 3.1 points while making two starts last season.

The Hornets will also add several newcomers to the mix as they head into the 2009-10 campaign. Senior Danny McEvoy who is coming off a fine season as a Hornet wide receiver on the football team, will make the switch to basketball in winter.

Junior Matt Nelson a transfer from Allen County Community College will look to add some depth for the Hornets at the forward position.

Freshman Taylor Euler, from Emporia, will make his debut for the Hornets this season along with Freshman Abe Barnes from McKinney, Texas.

Jarvis Nichols, also scheduled to play his senior season with the Hornets, will miss the year due to injury.

Front row: Robert Moores, Taylor Euler, Tim Niles and Jordan Stout

Middle row: Jarvis Nichols, Lamar Wilbern, Jeremiah Box and Dustin Andrews

Back row: Abe Barnes, Doug Moore, Adam Holthaus, Matt Boswell and Matt Nelson

Full Name

David Edwin Moe

Family

wife Cristi,
son Barry,
daughter Lyndi,
son Tommy.

Birthdate

June 10, 1964

Things have come a long way since David Moe was named Emporia State's head coach on March 27, 2001. He inherited a team that had gone 9-17 the previous year and had not won a home conference game since February of 2000. In just two years Moe was named the Wilson/MIAA Coach of the Year after leading the Hornets to a second place finish in the always tough conference and has taken ESU to five straight winning seasons.

In 2008-09, despite being picked to finish eighth in the MIAA, Moe led the Hornets to an 18-10 record and third place finish in the MIAA.

In 2007-08 the Hornets got their first MIAA Tournament win as they knocked off #1 seeded Southwest Baptist as the #8 seed. The Hornets made it the MIAA Tournament Championship before falling to Northwest Missouri.

The Hornets opened the 2006-07 season with a record setting 16-game winning streak and moving as high as No. 8 in the National Polls. That play early earned the Hornets a bid in the NCAA Division II National Tournament where they will play in the South Central Region, which will be the second trip for the Hornets under Moe, at Warrensburg, Missouri.

The Hornets finished the 2003-04 season 22-6, ranked #22 in the nation and made their first ever appearance in the NCAA Division II national tournament. The 22 wins was a six game improvement on the floor for ESU over the previous year and an incredible 15 game turn around from the 2002 season.

In 2003-04, the Hornets went 14-4 in the MIAA to set a school record for conference wins in a season. ESU's home court, William L. White Auditorium, rocked as the Hornets went 15-0 at home, including wins over nationally ranked Washburn and 2004 Elite Eight team Northwest Missouri.

Moe's frantic pace has led to increased attendance at White Auditorium. After averaging between 1,100 and 1,500 fans from 1993-2002, the Hornets drew over 2,300 fans per game the last two seasons and ranked 13th in the nation in attendance in 2005-06. The Hornets outdrew 137 NCAA Division I teams last season.

Moe is the 16th head men's basketball coach and just the fourth coach since 1943 at Emporia State and has proven that hard work on the floor and good recruiting off it can lead to success. Hornets Brady Webb, Shawn Herrman and Wes Book have each been named MIAA Freshman of the Year under Moe and in 2003 ESU had it's first ever MIAA Player of the Year, Robbie Ballard.

At just 45 years of age, Moe has 15 years of experience at the NBA and NCAA Division I level. He had been an assistant at the University of Colorado since 1993. Prior to his stay in Boulder, Moe was an assistant coach for the Philadelphia 76ers. Other NBA experience includes work for the Denver Nuggets and Charlotte Hornets.

Moe began his professional coaching career at Texas Tech from 1988-91. He was a graduate assistant at the University of Kansas when the Jayhawks won the NCAA National Championship in 1988 under then coach Larry Brown.

Prior to his arrival at ESU, Moe had spent eight years as an assistant coach at the University of Colorado. His responsibilities included on the floor coaching, coordinating recruiting visits, advanced scouting of opponents and overseeing the organization of basketball camps.

"Coach Moe has spent his life learning from the best basketball coaches in the country," ESU Athletic Director Kent Weiser said. "He is held in high regard among his coaching peers and he brings unlimited potential to our men's basketball program."

Basketball has been a large part of Moe's life. His father, Doug, was the head coach of the Denver Nuggets for ten years and the Philadelphia 76ers for two years. The two are part of the famed Kansas-Carolina connection - Doug as a player at North Carolina and David as a graduate assistant at Kansas.

The 45-year old Moe is a native of Burlington, N.C. He prepped at Smoky Hill High School in Aurora, Colo. and played college ball at current NCAA Division II member Catawba before finishing his degree at Texas Lutheran in 1986. He is married to the former Cristi Griffin. The Moe's have two sons, Barry and Tommy, and a daughter, Lyndi.

ASSISTANT COACH WESLEY BOOK

Former Hornet Wesley Book will move down the bench as he begins his first year as ESU's assistant coach, after one season as a graduate assistant. The Emporia native was a member of the Hornet basketball team for four seasons from 2004-2008.

While playing for the Hornets Wes was an honorable mention All-MIAA selection and was also named the 2004-05 MIAA Freshman of the Year. He is a member of ESU's 1,000 point club finishing his career with 1,267 points good for 12th on the all-time list at ESU.

He was a 2004 graduate of Emporia High School where he was first-team All-State and was twice named the Centennial League Most Valuable Player. He averaged 23 points, seven rebounds and four assists per game for the Spartans.

WHAT THEY'RE SAYING ABOUT DAVID MOE

Roy Williams
North Carolina Head Basketball Coach

"I have known David for over 25 years and I'm extremely happy for him and the Emporia State community,"

Mark Turgeon
Texas A & M Head Basketball Coach

"David will do a great job recruiting and has a tremendous mind for basketball; but most importantly, he will be a great leader of his players and a role model for Emporia State University."

McKinney, Texas McKinney North HS

AT ESU

Will be in his first season with the Hornets out of McKinney North High School.

HIGH SCHOOL

A 2009 graduate of McKinney North High School...was a second team All-District performer for the Bulldogs during his senior season.

MEET THE HORNETS

Robbie Ballard (2002-03)

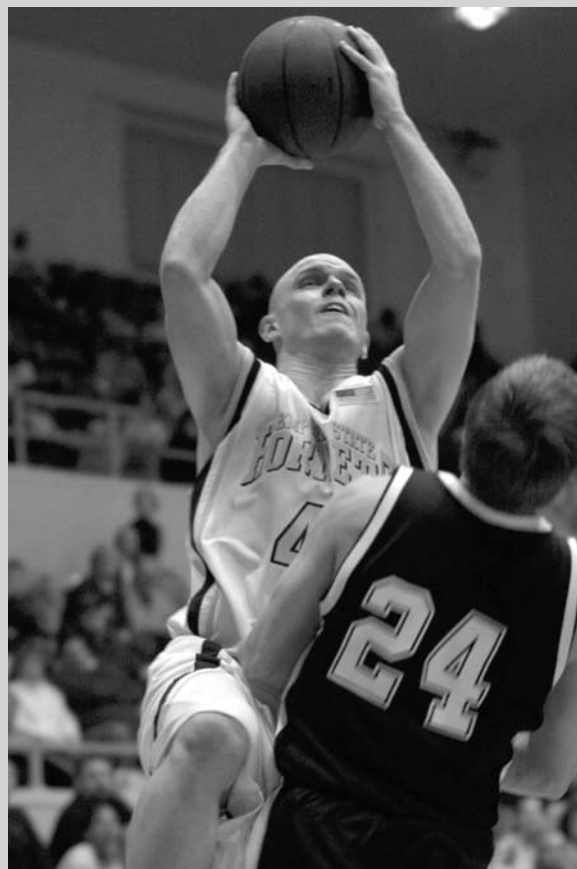

2003 NCAAII Bulletin All-American

Robbie Ballard had one of the greatest single-season performances in Emporia State history during the 2002-03 season. The 6-0 guard led the MIAA in scoring and was named the conference's player of the year. He became ESU's first All-American since 1994 on the basis of his MIAA leading 23.3 points per game, .912 free throw shooting, and 3.52 made treys per game.

Although the totals were impressive, some of his single-game performances boggle the mind and make it hard to single out his top performance. Consider the 25 second half points, including 20 straight points to pull the Hornets within a point of Washburn, in Topeka. It may have been his 29 point performance in an 84-63 victory over #11 Washburn in White Auditorium that broke a 13 game losing streak to the Ichabods. Or was it when he scored nine of ESU's 13 overtime points in a 90-85 win at Missouri Southern? The win was the Hornet's first road win over an MIAA team with a winning record since 1996. Of course it may have been his ESU record 49 point performance against Northwest Missouri. Not only did he set the MIAA record with 13 three pointers, he did it in a 109-89 victory over the third ranked defensive team in the MIAA that had advanced to the Elite Eight only a year earlier.

No matter what people think Ballard's signature moment was, one thing is certain. Working under coach Moe's system, he helped to revitalize the Hornet basketball program for the 21st century.

James McCallop (1991-1994)

1994 NCAAII Hansen's All-American
1994 NCAAII Bulletin All-American

James McCallop was a Division II Bulletin All-American as a senior and a first-team all-MIAA performer. The Kansas City, Kan., native is the second leading scorer in ESU history with 1,977 points in his 118 game career. He is the career leader in steals and free throws made at ESU. He averaged 23.1 points per game as a senior to lead the MIAA. He was a 2004 inductee into the ESU Athletics Hall of Honor.

Andy Uphoff (1990-1993)

1993 NCAAII NABC All-American

Andy Uphoff is the leading rebounder in ESU history with 1,000 rebounds and ranks eighth in career scoring with 1,373 points. Uphoff is the only Hornet to have 300 rebounds in three different seasons. He was a two-time first-team all-MIAA performer and was an honorable mention NABC All-American in 1993. He led the MIAA in rebounding as a junior and senior. He was a 2003 inductee into the ESU Athletics Hall of Honor.

Over the past 95 years, the MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 12 NCAA team championships and, since 1964, 153 individual national titles. The MIAA currently conducts championships in eight sports for men and eight for women.

For the men, champions are crowned in football, cross country, basketball, indoor and outdoor track & field, baseball, tennis and golf. The women compete for titles in volleyball, cross country, soccer, basketball, indoor and outdoor track & field, softball, golf and tennis.

The MIAA turned a new page on July 1, 1992, when the NCAA Division II conference changed its name from the Missouri Intercollegiate Athletic Association to the Mid-America Intercollegiate Athletics Association.

The decision to make the change originated in 1989, when Pittsburg State University and Washburn University became the first schools outside the state of Missouri to gain membership in the MIAA.

The conference was first organized in 1912 with 14 member institutions. Of those original members, the University of Central Missouri, Truman State University, and Northwest Missouri State University still remain a part of the MIAA.

The first change in membership came in 1924, when the MIAA reorganized to include only the five regional Missouri state colleges: Central, Truman (at the time known as Northeast Missouri State), Northwest, Southeast Missouri State University and Southwest Missouri State University (now Missouri State).

Over the next 56 years, three schools joined the membership: the Missouri School of Mines (later the University of Missouri-Rolla) in 1935, Lincoln University in 1970, and the University of Missouri-St. Louis in 1980.

The 1980s brought the biggest changes in the conference. In 1981, Southwest Missouri State University

opted to move to NCAA Division I and the MIAA appointed its first full-time commissioner, Ken Jones, in July.

He would be in the position for 16 years, retiring in 1997. Former Gulf South and Metro commissioner Ralph McFillen succeeded Jones, serving 10 years before his retirement in 2007. Jim Johnson succeeded McFillen in July of that year.

Southwest Baptist University brought membership back to eight schools in 1986, before the major expansion of the conference in 1989. Pittsburg State, Washburn, Missouri Southern State College (now University) and Missouri Western State College (now University) and formerly members of the Central States Intercollegiate Conference began competition in the 1989-90 season.

Southeast Missouri State left the MIAA following the 1990-91 season to move on to NCAA Division I, and was replaced by Emporia State University in the 1991-92 season.

In August 1991, Judy Willson was hired as the MIAA's first full-time sports information director. She left in 1994, and was succeeded by Matt Newbery, formerly the assistant sports information director at Pittsburg State. He became the assistant to the commissioner for media relations in 2005. Kellen Coleman replaced Newbery as Director of Communications for the 2008-09 season. A third full-time staff member was added in 2005, as former Emporia State track and field athlete Natasha Oakes was hired as the assistant to the commissioner for compliance. Larry House joined the staff in August 2007 as coordinator of external affairs.

The current membership of the MIAA is at 11 schools, with the departure of Missouri-St. Louis in 1996 and Missouri-Rolla in 2005, the forfeiture of membership by Lincoln in 1999 and the addition of Fort Hays State University in 2006 and the University of Nebraska-Omaha in 2008. Lincoln will rejoin the league in 2010.

W. L. WHITE AUDITORIUM

Throughout NCAA Division II programs, White Auditorium is regarded as one of the premier basketball arenas in the nation.

In the summer of 1999, the auditorium floor was replaced for the first time since 1940, using a Grade 1, one-inch thick, northern hardwood maple. The graphic design incorporates Emporia State's new logo and the finish brings out the natural beauty of the wood. Manufacturers are calling the White Auditorium playing surface "the best in the state of Kansas."

Built in 1940 as a product of President Franklin D. Roosevelt's Public Works Administration (PWA), William Lindsay White Auditorium serves the needs of the Emporia community and Emporia State University. Not only does the structure house the city's municipal offices, but it has served as the home of Hornet basketball since 1940. In the year 2005, White Auditorium will again be the site of the Kansas State High School Activities Association 6A State basketball championship and the Lyon County League basketball tournament which is the longest continuous running high school tournament west of the Mississippi. White Auditorium has hosted a state basketball championship in all but three years since 1955. White Auditorium also has served as the performing arts center for many of the top performers in the entertainment business.

Sports fans visiting ESU athletic events will benefit from the recently resurfaced and redesigned hardwood floor. The surface, designed by Shawn Honea and selected by a group of University and community leaders, was constructed by Wichcraft IMS, using a revolutionary Hilliard waterborne two-part epoxy. During the 1994-95 men's and women's basketball season, the Auditorium was renovated and bleacher seating was added to the south end of the court, expanding the seating capacity from 3,700 to 5,000.

ESU rents the auditorium on a year-to-year basis, saving the State of Kansas millions of dollars in tax funds annually. The University also uses the facility for winter commencement exercises, concerts, and various clinics.

HORNET HISTORY

Emporia State is the 15th winningest basketball program on the Division II level.

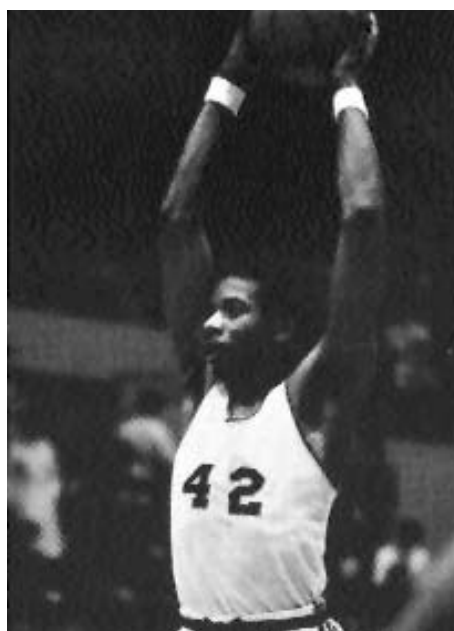

Former Hornet Andy Uphoff is the last player to repeat as rebounding champion in the MIAA (1991-92 & 92-93). His 1,000 career rebounds would rank 7th in the MIAA had he played his entire career in the league.

Former Hornet player and coach Ron Slaymaker is the only Emporia State Student-Athlete with his number retired.

Former Hornet Sean Robbins scored 45 points against Lincoln in 1995, the 10th best single-game effort in MIAA history.

Dale Cushinberry was the first Hornet with over 1,000 points and 700 rebounds. He is currently the principal at Highland Park HS.

James McCallop led the MIAA in scoring and steals in 1993-94. His 1,977 career points would rank fourth in the MIAA had he played his entire career in the league.

Former Hornet Brian Robinson holds four individual ESU records, including the school scoring record with 2,533 points.

For the fifth straight year the Emporia State University Athletic Department finished in the top fifty among nearly 300 NCAA Division II schools in the Learfield Sports Director's Cup. The Hornets made the select company thanks to top 20 finishes by six of the schools 15 athletic programs.

The first MIAA Championship for the volleyball team highlighted the fall sports season. The Hornets jumped out to an impressive 22-1 mark to open the season, winning 19 straight matches. ESU clinched their first outright MIAA Championship with a 3-0 win over Washburn in front of an MIAA record crowd of 2,432 in White Auditorium. The excitement grew as the Hornets played host to the NCAA South Central Regional. ESU averaged over 1700 fans for its three games in the regional and the South Central Regional in White Auditorium was the best attended regional tournament in the country. ESU ranked second in the nation in average attendance. Ting Liu and Arica Shepard each earned All-American honors with Liu named the Most Valuable Player in the MIAA.

With over 20 freshmen on the two-deep roster, the Hornet football team went 4-2 on the turf of Jones Field at Welch Stadium. The four home wins were the most by the Hornets since going 4-2 during the 2003 season. ESU was just 15 points from going 7-4 on the year with three losses by less than eight points. The excitement of the young team helped the Hornets rank 33rd in the nation in average attendance.

The ESU soccer team showed a four match improvement in the win column and played their first on campus match. The Hornets split the home season between the TRYSA Complex in northwest Emporia and the ESU Pitch north of the HPER Building. The move to campus helped the Hornets rank 35th in the nation in attendance.

Skyler Delmott and Katie Mona both earned All-MIAA status in cross country for the Hornets.

Winter saw the Lady Hornets capture their second straight MIAA Regular Season Women's Basketball Championship and seventh title in the last 12 years. ESU was 26-6 on the year, the seventh straight 20 win season and the sixth time they have eclipsed 25 wins under Brandon Schneider. Ida Edwards continued a four year run of Lady Hornets being named All-American, earning first-team WBCA/State Farm honors. Cassandra Boston also earned first-team All-MIAA honors for the Lady Hornets. ESU capped another successful run in White Auditorium going 14-1 on their home court. For the 12th straight year the Lady Hornets finished in the top six of the nation in attendance, averaging over 2,000 fans per game in White Auditorium.

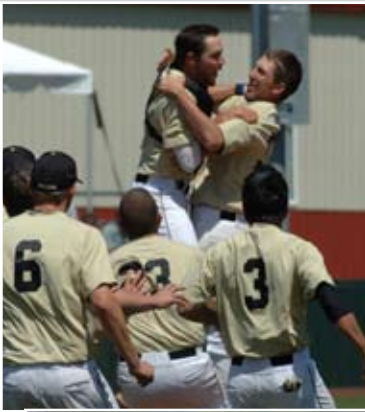

A year after becoming the first eight seed to advance to the MIAA Tournament Championship Game, the Hornet men finished third in the MIAA during the regular season with an 18-10 record. Lamar Wilbern finished in the top ten of the MIAA in scoring and rebounding on his way to second-team All-MIAA honors while Robert Moores led the nation in three point shooting accuracy. The Hornets were 12-2 in the confines of White Auditorium and were 16th in the nation in average attendance last season.

Josh Honeycutt provided the highlight for the indoor track & field season, winning the national championship in the triple jump. His effort led the Emporia State men to a 14th place showing nationally.

The ESU men had six individual championships and six runner-up performances as they finished second at the MIAA Indoor Championships. Vincent Howze led the Hornets with 21 points at the meet to earn MIAA Freshman of the Year honors.

The ESU women finished sixth in the MIAA team standings, just one point out of fifth, after placing second last season. Katie Mona won the women's Freshman of the Year award with 18.5 points. At the national meet the ESU women broke a string of scoring in 13 straight indoor national championship meets, which was the sixth longest active streak in the nation entering the championships.

The spring seasons again brought great success to Emporia State, highlighted by a national runner-up finish for the Hornet baseball team.

ESU won their second straight MIAA regular season championship before dropping four of eight games to end the regular season and bowing out of the MIAA tournament after just two games. The Hornets entered the NCAA South Central Regional as a fourth seed and opened the tourney with a 23-0 win over two seed Angelo State. ESU would go on to out-score their opponents 57-19 in five games at the regional, including a 15-6 victory over host Central Missouri in the championship game. In their second trip to the D-II World Series in four years, the Hornets defeated Grand Valley State, Mesa State and UC-San Diego before falling 2-1 to Lynn in the national championship game. Conner Crumbliss earned All-American honors for ESU and was drafted by the Oakland A's after setting numerous hitting records at ESU.

The Hornet softball team battled through the loser's bracket to pick up their sixth straight MIAA tournament title. ESU has gone 26-1 in the MIAA tournament over the last six years. With the tourney win the Hornets advanced to the NCAA tournament for the seventh time in school history. Miranda Campbell was named a Louisville Slugger/NFCA All-American for the second straight year.

Six Hornets scored individual championships and Emporia State had nine other runner-up finishes at the MIAA Outdoor Track and Field Championships. As a team ESU placed third on the men's side and sixth with the women. The Hornet men placed 15th at the NCAA Outdoor Championships, the third straight year they have placed in the top 20 nationally, while the women were 36th.

With a move to a new region came a reduction in the number of tennis teams that could qualify for the national tournament. For the first time since 2004 that neither ESU tennis team advanced to the NCAA tournament. Kevin Schoon was named the MIAA Sportsmanship Award in a vote of the league coaches and players. It is the third straight season an ESU player has earned that award.

Emporia State excelled in the classroom as well with 19 Emporia State student-athletes named MIAA Scholar Athletes during 2008-09. To earn this distinction, student-athletes must have a cumulative 3.50 grade-point average and earned All-MIAA honors in their sport over the past season. ESU is ranked tenth in the nation in producing Academic All-Americans named by CoSIDA in the 21st century. Hornet student-athletes have been named Academic All-America 16 times since 2000. Over half of the Hornet student-athletes made the ESU Athletic Director's Honor Roll with a 3.00 GPA over the previous semester.

All of the success on the field and in the classroom showed up in the attendance figures as well. Over 110,000 fans turned out for ESU home athletic events during the school year with volleyball, football, men's and women's basketball and soccer all ranked in the top 35 nationally.

The Hornet volleyball team set an MIAA single match record when 2,432 showed up for their MIAA championship clinching match against Washburn. ESU also drew over 2,000 for their regional final against Truman and ranked second in the nation in average attendance. The Lady Hornet basketball team ranked in the top six of the nation in average attendance for the 12th straight year.

This is the sixth-straight year in which ESU has gone over 100,000 in total attendance in all sports combined.

HORNETS WRAP UP ANOTHER SEASON OF SUCCESS

For the fifth year in a row, the Emporia State Athletic Department placed in the top 50 out of nearly 300 NCAA Division II institutions in the Learfield Sports Director's Cup standings. The Hornet baseball team led the way with a national championship game appearance.

Sport	Overall W-L	MIAA W-L	MIAA Finish	MIAA Tourney	NCAA Finish	National Ranking	Season Highlights
Baseball	49-14	29-7	1st	3rd	2nd	2nd	Appeared in NCAA Championship Game

HORNETS DRAW OVER 100,000 FANS FOR 2008-09

More than four times the population of Emporia watched as Emporia State won three MIAA regular season championship in 2008-09. The Hornets drew 111,251 fans to 115 sporting events last year, averaging 967 spectators per event. That marked the sixth time that at least 100,000 fans saw the Hornets play.

ESU Attendance by Sport in 2008-09

Sport	Events	Total	Average
Baseball	25	3,364	134
Basketball - M	14	29,160	2,083
Basketball - W	15	30,761	2,051

Volleyball	13	12,196	938
Total	115	111,251	967

“YAPS, YELLOW JACKETS AND HORNETS”

Here come the Hornets! Go Hornets Go! How did Emporia State University really get to known as the Hornets?

A casual conversation between Vic Trusler and an Emporia Gazette reporter named Cecil Carle led the establishment of the Hornets as Emporia State's mascot. In the early 1930's, the Teachers College students were called the Yaps. It is uncertain why the students were called that except popular legend suggests that because they were teachers, they did a lot of "yapping." In any case, most of the students were not fond of the moniker.

Trusler, a legendary figure on campus in the "30's," and coach at Roosevelt High School, and Carle, without design, were instrumental in getting the name changed. Carle was seeking information on the official name of the Roosevelt High School team. Trusler suggested he call the Roosevelt team the Bluejackets since they wore blue jerseys.

In that momentous conversation, Trusler further commented that the students at the Teacher College really did not like being called the Yaps. Instead he suggested they be called the Yellow Jackets because the men wore yellow sweaters with black stripes on the sleeves. And, like the insect, they had quite a sting to them. Nothing further was said, but the next Gazette article about the Teachers College referred to the students as Yellow Jackets.

The evolution of the name Yellow Jacket to Hornet is almost anti-climatic. A lack of newspaper space forced the Yellow Jacket to be shortened to Harnet. For a while the two names were interchanged and used throughout the state.

To further cement the Hornet tradition, the football team received new uniforms in 1936. They were almost entirely black prompting some to suggest that the team be called the Mud Daubers, which are yellowjackets, which are hornets, which game more sting to the legend.

"Corky" first appeared on the scene in 1934 when Paul Edwards, then a sophomore, made what he thought was a more representative figure of the school mascot than the stereotyped hornet being used. He entered it in a contest and finished second. Not to be discouraged Edwards redrew his hornet and showed it to Ray Maul, then manager of the Memorial Union, who thought he could "use the buzzard." The Corky figure would soon become popular on campus.

Edwards liked his Corky so much he patented the bug in 1936, which dated its 50th anniversary to 1986. During Homecoming 1987, Edwards dedicated a Corky the Hornet statue he sculpted and is now on display in the Memorial Union Bookstore. A large number of Corky's cropped up beginning in 2003 during a Parade of Corkys throughout Emporia and many of them are still on display in the community.

**The Corky Tradition -----
The Sting Lives On!**

Over the last three years, Emporia State has implemented several projects to upgrade their facilities. The projects continue to give Emporia State some of the finest venues in NCAA Division II.

The Emporia State Athletic Department recently announced plans to renovate and expand the ESU Athletics Weight Room into one of the top facilities in the MIAA. The renovation will expand the current "Hornet's Nest" from 2,460 square feet to over 4,300 square feet and includes state of the art equipment. That will place ESU in the top third of the MIAA in terms of weight room size. When the current Hornet track and field weight room, located on the lower level of the HPER Building, is added to the total ESU will have over 6,000 square feet dedicated to athletic strength and conditioning.

Opened in 1937 and dedicated in 1960, Welch Stadium sits just north of beautiful Lake Wooster in the heart of the ESU campus. Crowds as large as 10,000 fans have watched games when bleachers were added in each end zone. Permanent lighting makes it possible to televise games and play at night.

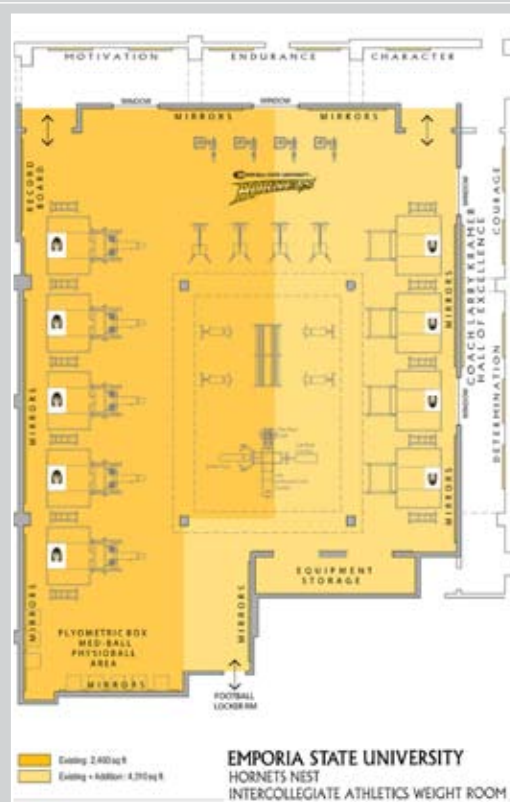

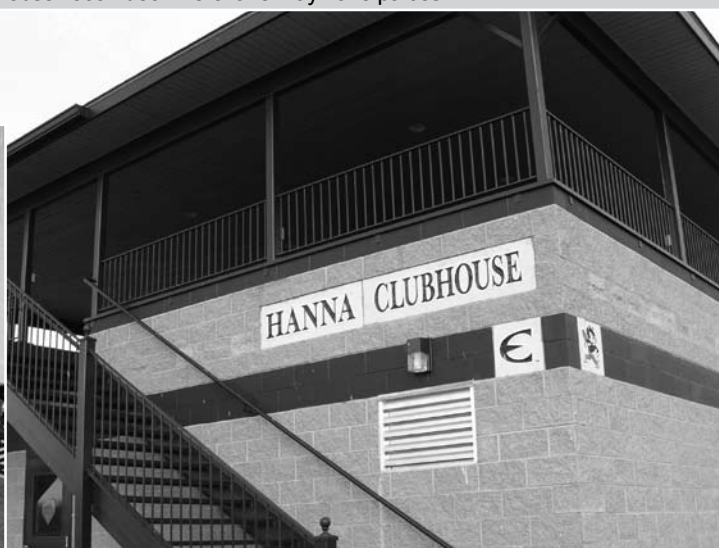

The facility also has been used extensively by individuals outside the University community. Welch Stadium is the home field of the Emporia High School football team and has hosted the Hershey Track and Field State Championships, Special Olympics, the 1998 and 2004 Kansas Shrine Bowl. The 1995, 1999 and 2006 NCAA Division II National Track Championships were held here as well.

A new Super Turf playing surface was installed at Welch Stadium in the fall of 2005. The new field is named Jones Field at Welch Stadium in honor of the W.S. and E.C. Jones Testamentary Trust, the lead contributor to the project. The Super Turf surface allows the Hornet football team multiple practices and games in the stadium that were not possible with the natural grass surface.

Zola Witten Track at Welch Stadium was resurfaced over the summer of 2005 as well. The resurfacing prepared ESU as the host site of the 2006 NCAA II men's and women's outdoor track and field national championships. The facility hosted the same event in 1995 and 1999.

The Hanna Clubhouse at the Trusler Sports Complex, just north of the ESU campus, has been in place since 2007. The facility houses locker rooms for baseball and softball, as well as coaches offices. It gives Hornet student-athletes on the teams a place to call home before and after games and practices. The second floor of the building serves as an observation deck where fans may have parties.

EMPORIA STATE FACILITY BREAKDOWN

Name	Sports	Capacity	Location
Jones Park	Men's and Women's Cross Country	1,000	24th Av. & Prairie St./NW Emporia
Milton Tennis Courts	Men's Tennis/Women's Tennis	100	1721 Morse Dr./ESU Campus
Trusler Sports Complex	Baseball/Softball	500/450	900 Trusler Rd./NE Emporia
ESU Pitch	Soccer	500	1890 Morse Dr./ESU Campus
Fran Welch Stadium	Football	7,000	1600 Morse Dr. ESU Campus
William Lyndsay White Auditorium	Men's Basketball/Women's Basketball/Volleyball	5,000	111 E 6th Av/Downtown Emporia
Zola Witten Track	Men's Track and Field/Women's Track and Field	7,000	1600 Morse Dr./ESU Campus

Throughout NCAA Division II programs, White Auditorium is regarded as one of the premier basketball arenas in the nation. The 69 year old facility was upgraded during the fall of 2008 with a new scoreboard and video board as well as a new color scheme on the arena floor and the throughout the entire building.

The approximately \$270,000 improvement project was funded with City of Emporia general fund and Convention and Visitors Bureau money, along with contributions from ESU, the Walter S. and Evan C. Jones Trust, Emporia Sports Promotions, Inc., and Sunflower Gymnastics.

Mounted on the south wall of the arena, the video board displays everything from player photos and statistics to game action from the floor.

John Decker, ESU's graphic artist, created the color scheme, decorative striping and lettering design which gives the arena its bright new look. The auditorium's inch-thick maple floor was sanded and refinished as well.

Built in 1940 as a product of President Franklin D. Roosevelt's Public Works Administration (PWA), William Lindsay White Auditorium serves the needs of the Emporia community and Emporia State University.

ESU dedicated Milton Tennis Courts in 2004 in honor of former coach George Milton. Milton was a coach at ESU from 1966-99. The facility, located west of the HPER Building on campus, is used by the men's and women's tennis program and it hosted the Hornet women's first ever trip to the NCAA tournament in 2005. The Hornets also play matches at the Emporia High School Courts in northwest Emporia. The EHS complex has 12 lighted courts, allowing for men's and women's matches to be played at the same time

Jones Park in northwest Emporia is the home of the Emporia State cross country program. The park provides practice facilities and the host-site for the ESU Invitational, a meet hosted by ESU each year. In 2009 Jones Park will serve as the host site for the MIAA Championships in cross country.

For the first time in the programs eight year history, Hornet soccer will play their entire home schedule on the ESU campus. The ESU Pitch is located north of the HPER Building and provides easy access for Hornet fans.

Emporia State is committed to providing student-athletes with an environment that will maximize the potential for success. ESU's Health, Physical Education and Recreation Building houses offices for coaches and administrators, weight room facilities, a swimming pool, computer lab, five practice gymnasiums and a state-of-the-art training room. The practice gyms allow the baseball, softball and track and field teams a chance to practice indoors, as well as offer additional practice space for basketball and volleyball.

The computer lab on the HPER Building is just one of many available to student-athletes on the ESU campus. Over 200 computers are available on campus, providing ESU students the highest technologies available.

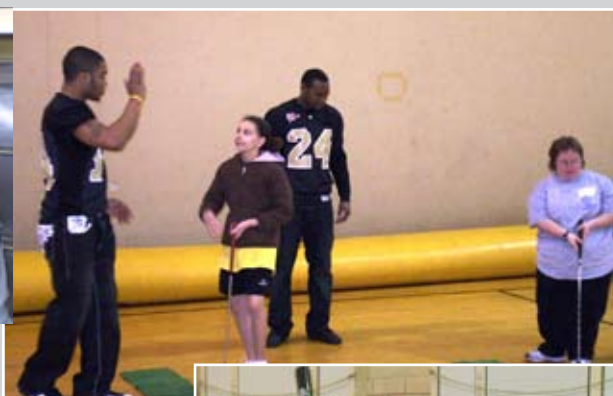

A swimming pool in the HPER Building provides student-athletes conditioning and an additional option for physical therapy.

The Emporia State training room facilities offer student-athletes the finest athletic medicine care available. Athletic trainers John Baxter, M.S., ATCR, and Leslie Kenney, M.S., ATCR, establish injury and illness prevention programs, evaluate and provide immediate care for injury or illness, rehabilitate and recondition athletic injuries, and provide health care administration, education and counseling as related to injury or illness, all under the supervision of team physician Dr. Marshall Havenhill, M.D. Assisting Baxter and Kenney are two certified graduate assistants and numerous undergraduate student assistants.

Emporia State student-athletes didn't just provide the Emporia community with exciting sports action throughout the year, the Hornets also provided the community with over 2,100 hours of community service during the 2008-09 year.

Working with organizations like the Make-A-Wish Foundation, Special Olympics, Rebuilding Together, Abundant Harvest Food Kitchen and several local elementary schools, the Hornets contributed over 2100 hours of community service. From painting homes for the disadvantaged, cheering on Special Olympics competitors, collecting canned foods and to recycling, Emporia State student-athletes could be seen all around Emporia lending their time.

A total of 19 Emporia State student-athletes were named MIAA Scholar Athletes in 2008-09. To earn this distinction, student-athletes must have a cumulative 3.50 grade-point average in two terms of attendance at the nominating institution, and earned All- MIAA honors in their sport over the past season.

The student athlete advisory committee

will be hosting the fourth annual Senior Citizen Prom in early April in the MU Ballroom. This year's event will feature the Tall Grass Big Band.

"Senior citizens play a big role in all of our athletic events and SAAC wants to show how much we appreciate them," said former ESU softball player and SAAC member Megan Grisell. "We learned about the senior prom idea at the NCAA Leadership conference and thought this would be a great way to get our new Community and Student Involvement team off the ground."

Our relationship has been and will continue to be very strong with Emporia. Our teams have been a constant in the community. The teams pay attention to the community perceives them and it is important that we maintain our great relationship.

THIS IS EMPORIA STATE

Emporia State University is a comprehensive Regents university primarily serving residents of Kansas by providing leadership in quality instruction, related scholarship and service. A student-centered institution, its central mission is to develop lifelong learning skills, impart society's cultural heritage, and education and prepare for both the professions and advanced study. Faculty, staff and students interact in a collegial atmosphere that fosters freedom of inquiry and expression.

ESU provides undergraduate educational opportunities designed to meet the broad goals of basic skill development and general education, as well as the more specific goals of a variety of programs in art and sciences, business, education, and library and information management.

Graduate programs serve needs and provide leadership within the region, the state and the Great Plains area. The university offers programs of national distinction in Education and Library and Information Management, including a Ph.D. in Library and Information Management.

ESU's arts and sciences programs and offerings at the undergraduate and graduate levels provide a solid foundation for further learning, preparation for the many avenues of employment to which the basic disciplines lead, and the advanced knowledge necessary to enable professionals, including teachers, to move ahead in their fields and accept increased responsibilities and challenges.

As a national leader in teacher preparation, the Teachers College at ESU has a rich history of preparing teachers to succeed in the classroom. ESU offers well-established teacher preparation programs that support the growing need for quality teachers in all disciplines. ESU's teacher education program was selected as one of four "model" teacher preparation programs in the nation.

The School of Library and Information Management (SLIM) prepares students to analyze and manage information on a global scale. With coursework through the doctorate level, SLIM offers graduate-level instruction for information managers in all professions. SLIM is the only school accredited by the American Library Association in a 12 state area.

ESU's School of Business educates students to be entrepreneurs, critical thinkers and leaders in the workplace. Graduates hold leadership positions in some of the most prestigious companies throughout Kansas and the Nation. The School of Business is accredited by the Association to Advance Collegiate Schools of Business (AACSB International) AACSB, the mark of quality distinction most widely sought after by business schools. Less than one fourth of the business programs in the U.S. are accredited by AACSB International. The accreditation is the "gold standard" that identifies programs of the highest quality.

Fundraising is currently underway to launch an \$18.5 million renovation of ESU's Memorial Union. Construction of project's first phase is scheduled to begin next spring, and the total project is slated to be complete by fall, 2012.

The Memorial Union was constructed in 1925 in

memory of the students who fought and died in World War I. Additions were constructed in 1958, 1963 and 1972.

As an institution of higher education, Emporia State University is committed to helping students, faculty, staff and administrators acquire those skills necessary to enable them to think critically, to question intelligently, and to analyze complex and diverse ideas in order to become thoughtful, educated world citizens.

In a recently-released survey, Emporia State University surfaces as an institution that enables close partnerships and communication between students and faculty. The National Survey of Student Engagement (NSSE), administered to freshmen and seniors, compares responses from Emporia State students with their peers at colleges and universities in Kansas and across the nation.

Emporia State University is an equal opportunity institution of higher education where individuals of diverse backgrounds and beliefs come to learn and work together professionally and respectfully. As a university, we seek to create and uphold high intellectual standards within a learning community, to make those intellectual standards accessible to all who engage in the learning process, and to foster a curiosity about life and society that will lead to informed and involved citizenship. Learning requires critical thinking about the production of knowledge and the various beliefs that people may hold, as well as opportunities to test and actively engage with new ideas.

EMPORIA CITY PROFILE

Among Emporia's notable citizens are William Allen White, editor and owner of The Emporia Gazette newspaper, and NASCAR Sprint Cup driver Clint Bowyer. Today, Emporia is a manufacturing, education, transportation, trade, medical and cattle center of the east-central Kansas region. Emporia is the county seat of Lyon County, with a total county population of approximately 35,500.

Located midway between Kansas City and Wichita on the Kansas Turnpike, Emporia is an important crossroads and trade area for the east-central Kansas population of approximately 85,000 people.

The Burlington Northern Santa Fe railroad mainline passes through Emporia. The Emporia Municipal Airport, with a 5,000 ft. hard surface runway, can accommodate most corporate aircraft.

Emporia State University is one of the finest medium-sized universities in the Midwest. More than 6,000 students are enrolled in outstanding programs in education, business, arts and sciences, library science and information management.

MEMORIAL UNION RENOVATION

Fundraising is currently underway to launch an \$18.5 million renovation of ESU's Memorial Union. Construction of project's first phase is scheduled to begin next spring, and the total project is slated to be complete by fall, 2012. The Memorial Union was constructed in 1925 in memory of the students who fought and died in World War I. Additions were constructed in 1958, 1963 and 1972.

Students approved, 739-181, a fee increase to help pay for the project.

A Lawrence architectural firm, Treanor Architects P.A., designed the renovation plan following a series of meetings with ESU students, staff and Emporia residents.

Included in the renovation:

- Creation of new student lounge space and performance area

- Renovation of the current student cafeteria

- An addition on the east side of the building featuring a new entrance, information center and Admissions office

- Redesigned entrances to the building's west, south and east sides

- Redesigned meeting spaces and traffic patterns inside the building

- Environmentally-friendly improvements to the building's heating, ventilation and cooling systems

The process to get the renovation going has been a long one with the first meeting about the project occurring in 1999. Still, the effort didn't start in earnest until the fall of 2007

The Memorial Union has a long and storied history on the ESU campus. Originally opened in 1925, the union was built as a tribute to the students who fought and died in World War I. Since then, the union has had four additions.

The current renovation plans aim to make the union into a "living room space" for ESU students, ESU President Michael Lane said.

"I think it's really critical to our current and future students," Lane said. "It really is supposed to serve as a functional meeting place, a social place, a gathering place, an eating place for our students as well as our faculty and staff."

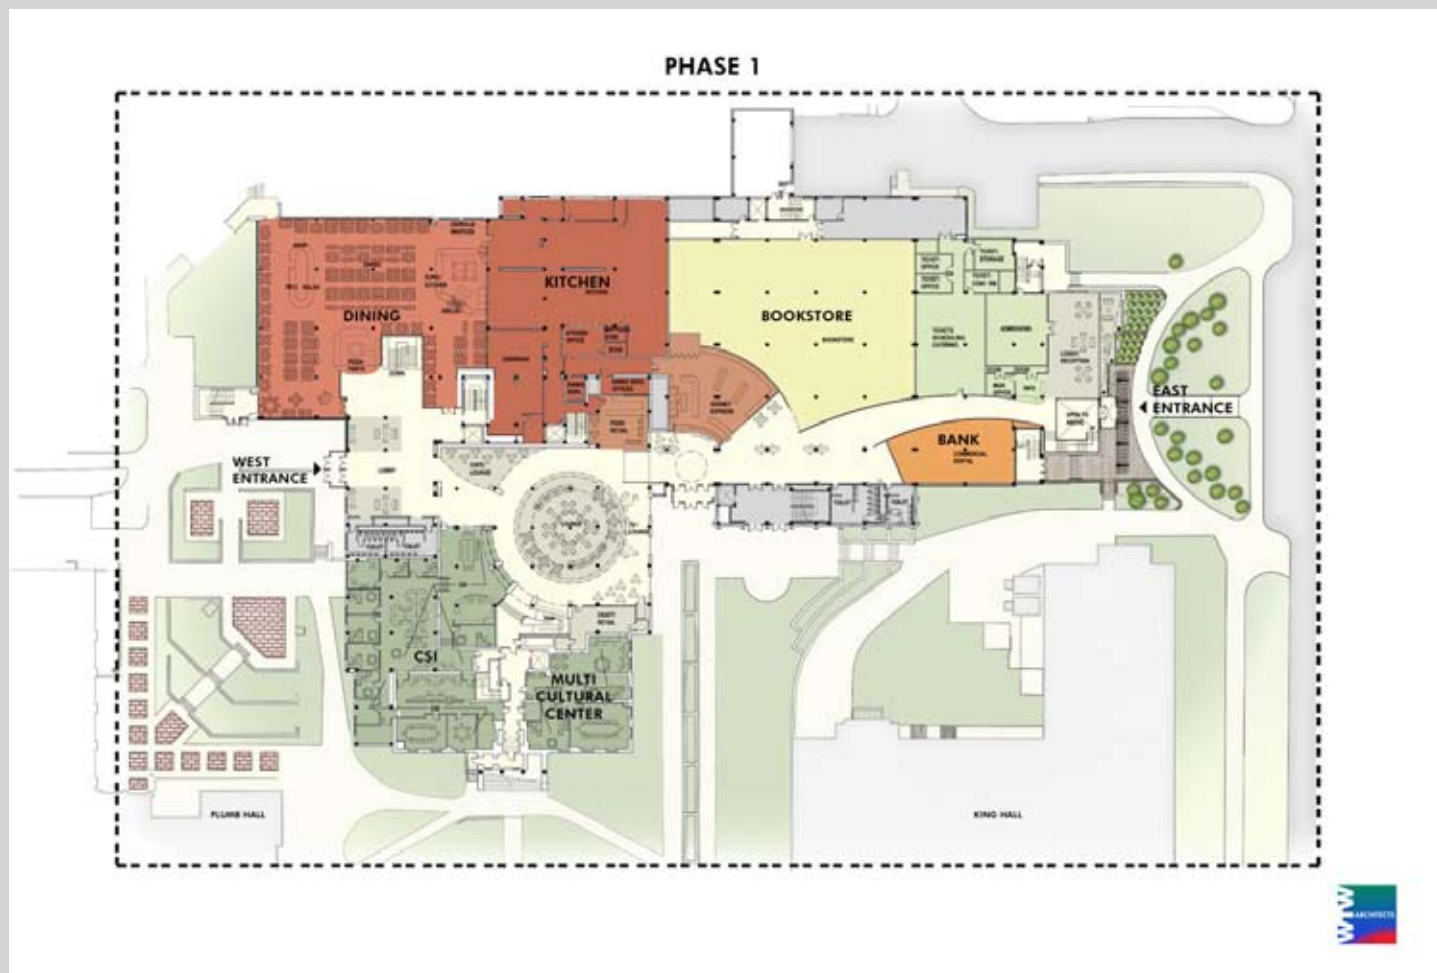

The renovation also looks to make the union a greener building.

"We want to upgrade the windows and lighting to make them environmentally friendly," Lane said, "as well as more efficient heating and cooling that will be environmentally friendly. The finishes will be done with environmentally friendly materials as well. We want to make the building as green as we can as well as comfortable for our students, faculty and staff."

In addition, the university is looking to move its admissions office to the union.

"(The union) will become the university's front door," Lane said, "and it needs to be attractive to current and prospective students."

The project has been broken into two phases, with construction on Phase One scheduled to start in spring of 2010. The renovation should be finished by the start of the fall 2012 semester.

•In the 2008-09 academic year, 53 percent of ESU's student-athletes achieved a grade-point average of 3.0 or better.

•Free health care, pharmacy, and legal services are available as part of your student fee package.

•In recent years, off-campus locations for courses at ESU have included the jungles of Peru, the caves and coral reefs of the Bahamas, and the castles of Spain.

•Nearly 500 students from almost 50 countries across the globe make up ESU's diverse international student population.

•Every room in the ESU Residence Halls is wired for Internet access and if you don't have a computer there are over 200 computers available in various labs across campus.

•ESU helped establish the National Teachers Hall of Fame, located in Emporia, in 1989.

•Modern and beautifully remodeled residence halls, along with fraternity and sorority houses, and married student apartments, provide excellent and comfortable living units to ESU students.

•ESU hosted the 1995, 1999 and 2006 NCAA Division II Outdoor Track and Field Championships, 1996 NCAA Women's Softball Championships, and 1998 NCAA II Cross Country Championships as well as numerous NCAA regional tournaments.

•Emporia State University, nationally known for its teacher preparation program, was named one of four 'model' teacher preparation programs in the nation in a report "Educating School Teachers" written by Arthur Levine, president emeritus of Columbia University Teachers College.

•Emporia State University and Kansas State University, both founded in 1863, were the first two universities in the state.

•ESU was one of the nation's first campuses to be accessible to the physically challenged.

•ESU is the first and only university in the world to offer a four-year degree in Engraving Arts.

•Emporia State University was named one of the "Best in the Midwest" by the Princeton Review. One thing that puts this ranking above the rest is that it is based on student opinion data and surveys filled out by current ESU students.

•Over 93% of graduates from the ESU Teachers College remain in the profession after five years. Nationally, 30 to 50% leave the profession before completing three years in the classroom.

•Emporia State University's School of Business is proud to hold the distinction of being accredited by the Association to Advance Collegiate Schools of Business (AACSB). Less than 1% of all business programs in the US hold this distinction. This accreditation is the "gold standard" that identifies programs of the highest quality.

**President****Dr. Michael R. Lane**

Dr. Michael R. Lane became the 15th president of Emporia State University on November 1, 2006. Under his watch the Hornet Athletics program has seen thirteen of the fifteen athletic programs compete in NCAA postseason competition while maintaining a 3.00 cumulative GPA. ESU

has maintained a top 40 standing in the Learfield Sports Director's Cup standings under his watch and was the top MIAA school, finishing #11 in the nation in the 2007-08 Director's Cup Standings.

The success is not only in the playing arena as ESU had an MIAA high two ESPN The Magazine Academic All-Americans in 2007-08 and ranks tenth in the nation in producing Academic All-Americans in the 21st century.

The NCAA and National Association of Collegiate Marketing Administrators recognized Emporia State as the MIAA's recipient of the 2008 Community Engagement Award of Excellence.

"Athletics is a key part of the educational experience at Emporia State," says Lane. "We try to foster a positive environment of sportsmanship and integrity for our student-athletes."

Dr. Lane earned a Ph.D. in Accounting from Texas A&M University, a master's degree from Northeastern University and a bachelor's degree from Lowell Technological Institute (now the University of Massachusetts at Lowell).

A native of Melrose, Massachusetts, Dr. Lane's career in higher education began in Boston as an assistant professor of accounting at Northeastern University. As a professor at Bradley University he served as Chair of the Department of Accounting, Associate Dean of the College of Business and Director of the MBA Program. In 1994 he was named dean of the School of Business at Indiana University-Purdue University Fort Wayne. He later advanced to dean of the Campbell School of Business at Berry College in Rome, Georgia. At Mansfield University of Pennsylvania, Lane served over four years as provost and vice president for academic affairs. Prior to coming to Emporia State University, he was vice chancellor for academic affairs and provost at the University of Arkansas – Fort Smith.

Dr. Lane was active for many years in the American Accounting Association, serving on the board of the Midwest region. He served Beta Alpha Psi, the national accounting honors and professional fraternity for several years as faculty vice president at Northeastern University and Bradley University where he was selected as one of five "Outstanding Faculty Vice President" by the national organization. Dr. Lane also served on the national Council of Beta Alpha Psi.

As a business dean, Dr. Lane was active in regional activities of Association to Advance Collegiate Schools of Business (AACSB). Dr. Lane has published or presented more than two dozen papers and has written ethics cases for a principles of Accounting text book.

President Lane is a member of Congressman Jerry Moran's Executive Committee. He also serves on the Advisory Committee for Science, Technology and the Future, chaired by Senator Pat Roberts. He recently completed a term as a member of the Math and Science Education Advisory Committee to the Kansas Legislature. He is currently a member of the Kansas Park Trust, and the Steering Committee for the Visitor's Center at the Tallgrass Prairie National Preserve. He also serves on the Board of Directors for the Kansas Business Hall of Fame, the Regional Development Association of East Central Kansas and the National Teachers Hall of Fame. He is a member of the Kansas Cavalry, Emporia Area Chamber of Commerce and the Rotary Club of Emporia.

President Lane's wife, Dr. Peggy Lane, is an Associate Professor in the Department of Accounting and Information Systems in the ESU School of Business. Their household includes a beagle (Lucy) and a cat (Brandy).

**Athletic Director
Kent Weiser**

Under the leadership of Director of Athletics Kent Weiser, Emporia State has consistently competed at the national level in NCAA Division II on the field, in the class room and in the stands. ESU has ranked in the top 50 of nearly 300 D-II

schools in each of the last five years, highlighted by an MIAA best 11th place finish in the 2007-08 US Sports Academy Director's Cup Standings and a 12th place finish in 2005-06. In the classroom, Emporia State is ranked tenth in the nation in producing Academic All-Americans in the 21st century. The athletic and academic success has combined to place every ESU program in the top 25 in national attendance at some point during Weiser's nine year tenure.

The Hornets have won 22 MIAA regular season team championships and have finished in the top 20 of Division II in eleven different sports under Weiser's leadership.

The Hornets had six top 20 finishes in 2008-09 as ten of 15 programs made the NCAA post-season. ESU had top ten finishes in volleyball and a runner-up finish at the NCAA Championship Tournament by the Hornet baseball team highlighting the year. ESU also picked up top 20 finishes by the men's indoor track & field, softball, women's basketball, and men's outdoor track & field teams. ESU has played for a national championship in softball or baseball in three of the last four years.

In the classroom ESU ranks tenth in the nation among Division II schools with 16 Academic All-Americans in the 21st century. ESU regularly places over 50 percent of its student-athletes on the A.D.'s Honor Roll and has had an NCAA Top VIII Award winner under Weiser. Nine coaches hired by Weiser have been named MIAA Coach of the Year in their respective sports. Ten of ESU's 15 varsity programs earned Top 25 recognition at some point during the 2007-08 school year. During the 2003-04 school year Emporia State was the first NCAA Division II institution to advance to the postseason in football, men's and women's basketball, baseball and softball with 11 of ESU's 15 programs competing in the NCAA postseason.

Major capital improvements, such as the Hanna Baseball/Softball Clubhouse, Jones Field SuperTurf, the artificial turf infield at Glennen Field, new scoreboards at the Trusler Sports Complex and White Auditorium and the resurfacing of Witten Track have been completed under his watch with 100% of the nearly \$2 million coming from donors. These improvements have helped maintain those facilities as some of the best in the nation at the Division II level. His leadership of ESU's fund raising efforts led to the largest single gift for athletics scholarships in school history, a \$1.25 million contribution in 2004.

He helped establish the first department-wide shoe and apparel contracts in NCAA Division II, when ESU partnered with adidas in 2000. ESU is still just one of just two NCAA Division II athletic programs in the nation to be a Direct Sales Partner with adidas. The agreement stretches buying power of all 15 Hornet programs and is similar to programs designed for NCAA Division I institutions.

While other institutions were faced with reducing sports, Weiser spearheaded the effort to add women's soccer as a varsity sport, increasing participation opportunities for women at the University for the first time since 1980. His efforts helped ESU receive a grant from the NCAA in support of expanding administrative opportunities for women and minorities. Weiser has been a guest panelist at numerous NCAA and NACDA meetings, including for the Division II Strategic Alliance Matching Grant Enhancement Program and the NCAA Leadership Institute for Minority Males.

Weiser, a native of Great Bend, Kan., received a Bachelor of Arts and a Master of Science in Education from the University of Kansas. He began his career in athletics at KU, where he worked from 1981-88. During that time, he held administrative positions as ticket manager and marketing director. He also served as the Kansas women's golf coach from 1984-88.

He was the associate director of development for Ottawa University from 1990-93. He joined Emporia State in 1999, after serving as associate athletic director at Oregon State University for six years.

Weiser is married to the former Amy Pangrac, and the couple has two daughters, Katie and Abby.

**Associate Athletic
Director for External
Operations
Shane Shivley**

Shane Shivley is in his seventh year with the Emporia State Athletic Department. Promoted to Associate Athletic Director in August of 2006, Shivley directs and manages all income generating activities for the athletic

department. This includes supervision of the marketing, ticketing, and facilities offices.

Under his supervision the Hornets have spearheaded campaigns to construct the Hanna Baseball/Softball Clubhouse, SuperTurf for Jones Field at Welch Stadium, the resurfacing of the Witten Track, a remodel of the Basketball Practice Facility, Glennen Field Baseball Turf,

and a state of the art baseball hitting facility. These improvements have helped maintain those facilities as some of the best in the nation at the Division II level.

Shivley has also led efforts to increasing the annual athletic giving each year of his tenure. In 2008-09 Athletic giving topped \$1.12 million according to figures from the ESU Foundation.

A native of Parsons, Kansas, Shivley earned a bachelor's degree in business from Emporia State in 2000 and his Master's in Sport Administration from Wichita State in 2002.

He is married to the former Mary Decker. The couple are the proud parents of a daughter, Alexa and a son, Maddox.

**Associate Athletic
Director for Internal
Operations/SWA
Carmen Leeds**

Carmen Leeds is in her ninth year as Associate Director of Athletics for Internal Operations and Senior Woman Administrator (SWA). She oversees areas of NCAA compliance, CHAMPS/Life

Skills, student-athlete services and athletic training.

Carmen oversees the student-athlete advisory committee (SAAC) and community service. Under her supervision, each year ESU student-athletes perform over 2000 hours of community service. The student-athlete advisory committee has sponsored the annual Senior Citizen's Prom for the local community, winning the inaugural Community Engagement Award of Excellence for the MIAA. SAAC has raised over \$1,100 the past two years for the Make-a-Wish Foundation.

She currently serves on the NCAA CHAMPS/Life Skills Advisory Team and NCAA Softball Regional Advisory Committee. She is a past member of the NCAA Division II national women's basketball committee. She has been

a facilitator at the NCAA Leadership Conference, the Division II Regional Leadership Conference and NCAA CHAMPS/Life Skills Orientation Conference.

She was formerly the head women's basketball coach and SWA at South Carolina-Upstate. She coordinated the Athletes Can Educate (ACE) program and implemented the school's Student-Athlete Advisory Committee (SAAC). As basketball coach, she had a 100 percent graduate rate among four-year players.

She received her bachelor's degree from Appalachian (N.C.) State and her master's from Clemson University.

She is married to Greg Leeds, a 1984 ESU graduate, and the couple has three sons, Brian, Matt and Parker.

**Assistant Athletic Director for Media Relations****Don Weast**

Don Weast has been in charge of media relations at Emporia State for ten years and is in his 11th year as a full-time member of the ESU Athletic Department.

Promoted to the title of assistant athletic director for media relations in 2003, Weast oversees media relations, publications and Web site management for the 15 sport intercollegiate athletic program at ESU.

His office has won three Best in Nation awards from CoSIDA for publication excellence. Hornet student-athletes have been voted to All-American honors 19 times and Academic All-American honors 16 times, including two national players of the year and two Academic All-Americans of the Year.

A 1998 graduate of ESU, Weast was a sports supervisor at the Emporia Recreation Commission prior to returning to ESU as a student in the sports information office in 1997.

After a year of graduate work at Central Missouri, he returned to ESU in 1999 as the director of sports promotions. He began his association with the Hornets as a student athletic trainer in 1986. Weast spent part of the 1989-90 season with the now defunct Topeka Sizzlers of the CBA as an athletic trainer.

He earned his BFA from Emporia State in 1998 and is married to the former Terri Kaiser, a 1998 MLS graduate of ESU. The couple have a daughter, Emelie Rae.

**Director of Athletic Publications****Josh Slaughter**

Josh Slaughter begins his third full year as Assistant Director of Athletic Media Relations and Director of Athletic Publications at Emporia State after coming in February of 2007.

His responsibilities include designing media guides, preparing game notes and other game day responsibilities. During his time as baseball contact five players have been named All-Americans and Keith Hernandez was named the 2008 NCAA Division II Player of the Year.

Prior to coming to Emporia Josh was a Kansas Press Association award winning photojournalist with the Osage County Herald-Chronicle in Osage City, Kan. He has also been read as a freelance journalist and columnist for several area newspa-

pers. He is also currently one of the radio voices of the NAIA VSN All-Star Football game played in Kansas City every May.

He is a 2006 graduate of Sterling College where he was involved in both print and broadcast journalism. While in college he was both a KACP and KCB award winner. He was the very first radio voice of the Sterling College Warriors when Sterling College Radio went on air in 2005. He also hosted a national NAIA Athletics Radio Show called "Evening the SCOR" from 2005 to 2006.

He was a 2003 graduate of Chaparral High School in Anthony, Kan., where he was a two-year letterwinner in baseball and golf.

**Director of Marketing****Tim Callahan**

Tim Callahan is in his second year as the Director of Athletic Marketing for Emporia State University. He set records for athletic marketing income in his first year at ESU.

Prior to coming to Emporia, Tim spent time at the University of Nebraska Kearney as well as at the University of North Texas. Both of these positions were actively involved with running the day-to-day marketing and promotions operations.

His primary duties at Emporia State revolve around overseeing the sponsorships and advertising revenue as well as the direction of athletic marketing and promotional efforts. He also oversees much of the department's print production, enhancement of student and fan participation, enhancement of game-day atmosphere and assisting with all phases of event management and operations.

Callahan graduated from the University of Nebraska Kearney with a bachelor's degree in Exercise Science in 2003 and went on to receive a Master's Degree in Sports Administration in 2005. He is a native of Greeley, Neb.

**Director of Operations & Event Management****Cody Moors**

Cody Moors is in his second year as Director of Athletics Operations/Events and Facilities. He oversees game management of home events, scheduling and maintenance of the athletic buses, and oversees the athletic facilities of ESU Athletics.

Moors served as the ESU Athletic Administrator for the 2009 Division II Leadership Academy assisting student-athletes in developing leadership action plans to take back to their universities. Along with his national leadership training, he has implemented the Hangin' with a Hornet mentoring program for Emporia Middle School to help develop social, academic, and leadership skills for 7th and 8th graders, as well as ESU Student Athletes.

Prior to coming to ESU, Moors served eight years as an At-Risk Aid/Event Supervisor for Eisenhower Middle School in Manhattan, Kan. He served as the Head Wrestling Coach for two years and an assistant coach for six years. He was actively involved in the supervision and athletic event game management for EMS. Moors is a 2008 graduate of Kansas State University with a Bachelor of Science degree in Sociology.

He is married to the former Jessi Decker, a 2003 graduate of Emporia State, and the couple has one daughter Madison.

**Athletic Business Manager****Davonne Hinz**

Davonne Hinz is in her eleventh year as the athletic business manager at Emporia State. The Melvern, Kansas native has been at Emporia State since 1985 and has worked in the Hornet Athletic Department since 1995.

She is responsible for the day to day business operations of the 15 sport athletic program at ESU and maintains the budget for the Hornet athletic department.

She has a daughter, Kelsi.

ESU Athletic Media Relations

HPER 113 • 1200 Commercial • Box 4020
Emporia KS 66801

Emporia State University media guides assist you in your coverage of the Hornets and the Mid-America Intercollegiate Athletics Association. Additional information may be requested by calling Don Weast at (620) 341-5526 or via e-mail at dweast@emporia.edu. His office is housed in the HPER Building, Room 113.

Credentials

Credentials for all Hornet events may be obtained by calling Weast by noon one-day prior to a home game. Your name will be placed on the media pass list located at the entrance to facility. Should you need a credential for a road contest, you are advised to make your request at least one week prior to the road trip so we can place you on our media list.

Parking

Parking around ESU Athletic venues is not reserved for members of the media. Please arrive in plenty of time to ensure a parking spot close to the facility.

Game Services

A media packet including a game program, press release, statistics, etc., is available to media before the game. Complete statistics will be available following the game.

ESU Post-event Interviews

ESU head coaches and selected players will be available in a designated interview area following a brief cooling-off period. Please give a list of requested players to ESU athletic media relations personnel.

Please check with the opponent SID for their post-game policy.

Mid-week Interviews

Practice is open to the media during the week. Please check with Don Weast for the time. Should you need to do a mid-week interview with a player, we request 24-hours notice in meeting your demands.

ESU on the Radio

For the 19th straight season, Hornet athletics can be heard on KFFX-FM, 104.9. ESU football and men's and women's basketball, along with selected baseball and softball games, will be broadcasted. Emporia's Radio Stations (KFFX-FM, KVOE AM and FM) will once again provide ESU fans with the best source for keeping up with the Hornets. Salina native Greg Rahe is in his 19th year of serving as the Voice of the Hornets. Rahe has been honored by the Kansas Association of Broadcasters and taken first place for "sports play-by-play" in a Kansas medium market. In addition to game coverage, Rahe will host a weekly show "Hornet Talk" on Mondays at noon. Saturday Morning Sports Talk, a popular area show, can be heard every Saturday morning from 8-9 a.m. Rahe is joined by Tim Miller and Steve Sauder.

Hornet Webcasts

All Hornet athletic events broadcasted by KFFX-FM, 104.9 will also be available online. Follow the "Hornet Broadcasts" link at www.emporia.edu/athletics to hear the live action all around the world.
