PAST NCAA NATIONAL CHAMPIONS

Laura Rand

1995 Outdoor Shot Put

Laura Rand won Emporia State's first NCAA Division II National Championship. The victory came in her home shot ring as ESU hosted the 1995 Outdoor Track and Field Championships.

Joyce Burnett

1997 Outdoor Javelin

Joyce Burnett won the 1997 javelin championship for the Hornets. Her mark of 167-00 in the old javelin is an ESU school record by over 16 feet and is the 12th best in Division II history.

Kadri Kelve

2003 3000m Steeplechase

Kadri Kelve's record setting championship came the same year she swept the cross country championship and indoor and outdoor distance races.

Jason Stuke

1998 Outdoor Shot Put

Jason Stuke won the outdoor shot championship in 1998 for his tenth All-American honor at ESU. His MIAA record of 62-02.02 is the seventh best mark in Division II history.

Rachel Goetz

2004 Outdoor Shot Put

The last throw of Rachel Goetz's career was a personal best and won the national championship in shot put. The win was her ninth All-American finish.

Laura Mayo

1998 Outdoor Hammer

Laura Mayo won the 1998 hammer for ESU with a school record toss of 188-09. That mark still stands as the seventh best hammer throw in Division II history.

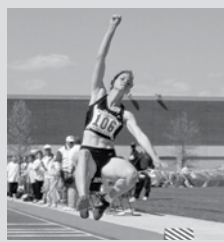

Andy Vogelsberg

2006 Outdoor Javelin

Andy Vogelsberg's throw of 245-03 is the second longest in NCAA Division II history and earned him the 2006 Outdoor javelin national championship.

Deandra Doubrava

1999 Outdoor 400m Hurdles 1999 Heptathlon

Deandra Doubrava is the most decorated athlete for ESU. Among her 14 All-American honors are championships in the heptathlon and 400m hurdles in 1999. Her school record of 5,394 points is 15th in Division II.

Jonel Rossbach

2008 Outdoor 5000m

Rossbach broke her own school record in the 5000m, running a 16:52.28 to overtake South Dakota's Ramsey Kavan on the final lap. It was the seventh time she had earned All-American honors.

Jennifer Robinson

2010 Outdoor High Jump

Robinson cleared a school record 5-09.25 (1.76m) to earn ESU's 13th outdoor national championship and the first ever in the high jump for the Hornet women.

ESU Indoor National Champions

Heather Leverington

1999/2001 Outdoor Shot Put

1999-2001 Indoor Shot Put

An Olympic Trials participant in 2000, Heather Leverington won five championships and has a runner-up finish to her credit. Her mark of 54-02.75 is the second best shot put in Division II history.

Josh Honeycutt

2009 Indoor Triple Jump

Won the National Indoor Championship in the triple jump before later in the year setting a new ESU outdoor record with a jump of 53-09-23. He is a four time MIAA Champion.

ESU HEAD COACH DAVE HARRIS

David Harris
18th Season

11 Time MIAA
Coach of the Year

2001 Division II
Women's Coach of
the Year

Dave Harris has just finished his 17th season as the head coach of the track and field and cross country programs at Emporia State in 2009-10. He is an 11-time MIAA Coach of the Year. Under his guidance, the Hornets have established themselves as a nationally prominent NCAA Division II power in both track and cross country as his athletes have earned 181 All-American honors, including 17 NCAA II individual championships since 1995. He was named the 2001 NCAA Division II Women's Outdoor Track Coach of the Year by the United States Track Coaches Association.

Harris won his 11th MIAA Coach of the Year Award in 2003 after leading the ESU women to their third straight outdoor track title and fourth outdoor championship in five years after finishing second indoors.

The Hornets swept both the indoor and outdoor MIAA women's championships in 2001 and 2002. Emporia State won the indoor title despite not having an indoor facility.

Harris was named the 2000 South Central Regional Men's Cross Country Coach of the Year.

His 2000 women's track team placed second at both the MIAA Indoor Championships and the MIAA Outdoor Championships. The men's team placed third at both meets.

In 1999 he became only the third coach to lead both the men's and women's teams to MIAA outdoor titles in the same season. The Hornets followed that with the school's first ever top four national finish by the women's team. He was named MIAA Men's and Women's and USTCA Women's Track Regional Coach of the Year.

In 1996 his outdoor teams posted their best combined finishes ever at an NCAA Championship event, placing fifth nationally on the women's side and seventh on the men's. His women's outdoor team also captured its first MIAA team championship.

In 1995, ESU captured first place at the MIAA Men's Outdoor Track and Field Championships and captured the school's first-ever women's conference title at the 1994 MIAA Cross Country Championships. The year culminated with ESU hosting the 1995 NCAA II Outdoor Track and Field Championships. In addition, the men's cross country program finished second in the MIAA and Jurmain Mitchell finished third at the NCAA Championships.

The leadership and direction of Harris was essential in bringing the NCAA Outdoor Championships to the Flint Hills in 1995, 1999 and again in 2006. He was heavily involved in the completion of the Zola Witten Track in 1993. It was Harris' enthusiasm and leadership which allowed the E-State community to embrace the enormous task of hosting these prestigious events.

Harris came to ESU in 1992 from the University of Nebraska, where he coached middle distance runners and men's sprinters and hurdlers. In his seven-year stint as an assistant coach for the Cornhuskers, Harris coached 31 All-Americans and three Olympians.

Harris received his bachelor's degree in physical education/social science and a master's degree in athletic administration from Truman State, formerly Northeast Missouri State University. At TSU, he was a four-year letterman in cross country and track and field and captained the track team for two years.

After college, Harris joined the elite section of the St. Louis Track Club sponsored by adidas. From 1979-81 he ran seven marathons with a personal best of 2:19.54 in New Orleans. At the 1979 Boston Marathon, he qualified for the 1980 US Olympic Trials with a time of 2:20.46. Harris retired from competitive road racing in 1981 to concentrate fully on coaching.

Harris is married to the former Kathy Bechhold, and the couple have two sons, John-David and Jared.

ESU ASSISTANT COACHES

STEVE BLOCKER

Steve Blocker is the head assistant coach at Emporia State and just completed his first full season.

Blocker was the first head coach at Culver-Stockton after the program was reinstituted in 2007 after a 30 year absence. In only two seasons as track and field coach, Blocker produced eight Heart of America Athletic Conference champions. At the national level, Blocker produced five NAIA All-America performers, including four in the pole vault and one in the decathlon.

Blocker went to Culver-Stockton following the 2006-07 season as an assistant coach at Santa Barbara City College in Santa Barbara, Calif. He was in charge of designing and implementing the sprint, hurdle and jump training programs as well as the strength training programs for all events at SBCC.

Blocker's first coaching stop was at his alma mater, the University of Northern Iowa, where he served as a volunteer assistant while earning his master's degree. While at Northern Iowa, Blocker helped develop the 60m hurdle school record-holder and two All-Missouri Valley Conference 60m hurdlers.

As a student-athlete at UNI, Blocker was a member of three Missouri Valley Conference championship teams. He was a regional qualifier in the 110m hurdles in 2003 and named all-MVC in the 60m hurdles in 2002.

RICK GINTER

Rick Ginter, who coached Hornet throwers to eight national championships and 29 All-American honors from 1995-2001, is in the first season of his second stint as the Throws coach at ESU.

ESU was dominant in the throwing events under Ginter. From 1995-2001, 14 different Hornets won 38 of a possible 72 MIAA championships in the throws. Eight of the 12 throws records at ESU are held by athletes that Ginter coached.

Ginter has spent the last eight years as the throws coach at Northern Heights HS. Under his guidance, the Wildcat throwers won eight Kansas State Championships and placed in the top ten at the state meet 14 times. Ginter, who competed for Emporia State, was the MIAA runner-up in the hammer during the 1994 season. Upon his graduation he was ranked second all-time in the hammer throw at ESU.

ROSS FELLOWS

Ross Fellows finished his second season as a graduate assistant with the Emporia State University track team. He coaches the horizontal jumpers for ESU.

Since coming to ESU the Hornets have won a national championship in the horizontal jumps, and have had four national qualifiers. Prior to coming Emporia State, Fellows participated in the horizontal jump events at Nebraska-Kearney where he was the 2005 Rocky Mountain Athletic Conference Freshman of the Year. He was also an All-American while competing for the Lopers.

MICHAEL COONEN

Michael Coonen just finished his first season as a graduate assistant at Emporia State. He is in charge of coaching the hurdles and sprints for the Hornets.

As an athlete, Coonen competed for the St. Cloud State Huskies. While competing for the Huskies he finished seventh in the Indoor 60 meter dash at the North Central Conference (now defunct) Championships. He finished third during his senior season at the NCC Outdoor Championships.

ERIN BLOCKER

Erin Wessely is in the first year as a graduate assistant at Emporia State. She coaches the pole vault and other jumps for the Hornets.

Prior to coming to ESU she served as an assistant at Culver-Stockton where she was in charge of the pole vault.

As an athlete, she competed at both Northern Iowa and the University of Kansas. While with the Jayhawks she placed second at the ESU Spring Twilight Meet in the pole vault.

While at Shawnee Mission East High School she won the state championship and was named the Sun Country Kansas Athlete of the year.

ERIC WELLMAN

Eric Wellman returns to Emporia State University as a graduate assistant after spending one year teaching and coaching at Wetmore Middle School and Wetmore High School. Originally from Horton, Kansas, Coach Wellman attended Emporia State University from 2003-2008, competing for the Hornet cross country and track & field teams. He was the men's high point scorer at the 2006 MIAA Indoor Championships, where he won the mile, 3000 (conference record) and anchored the winning and conference record distance medley relay. During his career, Wellman won five MIAA championships and was a three-time national qualifier. He holds the 4th best time in ESU history in the mile run at 4:08.85.

ZOLA WITTEN TRACK AT WELCH STADIUM

ZOLA WITTEN TRACK AT WELCH STADIUM

If you compete in track from elementary school through college in the state of Kansas, chances are you will have competed on Emporia State University's Zola Witten Track. One of the premiere outdoor track and field facilities in the Midwest, Zola Witten Track was the site of the 2006 NCAA Division II Outdoor Track & Field Championships after serving as host for the 1995 and 1999 D-II Championships. In addition, the facility has been selected as the site of the MIAA Outdoor Championships in 1997, 2002 and 2006 and was host to the 2007 MIAA Multi-Event Championships.

"This facility has gained a reputation as one of the finest in this region, if not the country," said ESU Track and Field Coach Dave Harris. "I had countless individuals who went out of their way to compliment our facility and everyone they encountered during their visits in Emporia."

The "Going the Distance" campaign began the reconstruction of the 62-year-old facility and attracted these major events to the Emporia community. Prior to the 1995 NCAA Championships, new rest rooms and concession areas were built to accommodate the event, and in 1997 construction was completed on the new Hutchinson Family Pavilion, three-level press box, luxury suite, and theater-seat complex.

"I think for any recruit, they need to feel comfortable wherever they are," said Harris. "I'm hopeful that youngsters get the opportunity to compete at our facility, because I really think they will enjoy the experience. That will be beneficial for us, once they become a recruited student-athlete."

The program also has benefitted from the increased recognition. ESU has won conference championships in women's cross country, men's outdoor and women's outdoor and indoor track since the completion of the facility.

"In the long run, I think the community and ESU will prosper because of the commitment made by so many to be associated with and provide a first-class facility at Emporia State University," added Harris.

Distance

Scandia, Kan./Pike Valley HS

AT ESU: Was named an ESPN The Magazine First-Team Academic All-American...was named the Dwight and Ida Curry Newberg Outstanding Senior...was the MIAA champion in the 1500m and placed third in the 800m at the conference championships...qualified for the national championships in the 3000m.

TRACK RECORDS

JONES PARK

The Jones Youth Recreation Park in northwest Emporia has been the home course of Hornet Cross Country since 1992. The rolling course begins with a westbound straightaway up a slight incline and then forces a fairly sharp 180 degree turn into the park. The course ends with an eastbound run down the same straightaway. Emporia State hosts the Jock's Nitch Open each fall at Jones Park. The course has been the sight of three MIAA Championships in cross country. The Hornet women won their first MIAA championship in 1994 on the course. ESU also hosted the 2001 and 2009 conference championships.

ZOLA WITTEN TRACK AT FRANCIS G. WELCH STADIUM

Zola Witten Track was dedicated on September 18, 1993 and has been the home of the Hornet track and field program since the spring of 1994. More than 285 individuals contributed to the two-year campaign which began in 1991 to raise \$350,000 for renovation of the track facility that is located in and around historic Welch Stadium. ESU Director of Alumni Affairs, Roy Mann, spearheaded the efforts to provide a first-class facility to Hornet athletes and started the successful "Going the Distance" campaign. ESU alum and former physical sciences professor, Gerald Witten, pledged \$50,000 to the campaign to name the track Zola Witten Track in honor of his mother. Seven Wittens have received 16 degrees from the institution. Among the improvements: a standard 400-meter track, addition of a triple jump runway on the west side, relocation of the steeplechase pit to the north end of the track, placement of chutes and striping to allow sprints and hurdles on both sides, a wider shot put area, and installation of new lights.

Over the past 95 years, the MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 12 NCAA team championships and, since 1964, 153 individual national titles. The MIAA currently conducts championships in eight sports for men and eight for women.

For the men, champions are crowned in football, cross country, basketball, indoor and outdoor track & field, baseball, tennis and golf. The women compete for titles in volleyball, cross country, soccer, basketball, indoor and outdoor track & field, softball, golf and tennis.

The MIAA turned a new page on July 1, 1992, when the NCAA Division II conference changed its name from the Missouri Intercollegiate Athletic Association to the Mid-America Intercollegiate Athletics Association.

The decision to make the change originated in 1989, when Pittsburg State University and Washburn University became the first schools outside the state of Missouri to gain membership in the MIAA.

The conference was first organized in 1912 with 14 member institutions. Of those original members, the University of Central Missouri, Truman State University, and Northwest Missouri State University still remain a part of the MIAA.

The first change in membership came in 1924, when the MIAA reorganized to include only the five regional Missouri state colleges: Central, Truman (at the time known as Northeast Missouri State), Northwest, Southeast Missouri State University and Southwest Missouri State University (now Missouri State).

Over the next 56 years, three schools joined the membership: the Missouri School of Mines (later the University of Missouri-Rolla) in 1935, Lincoln University in 1970, and the University of Missouri-St. Louis in 1980.

The 1980s brought the biggest changes in the conference. In 1981, Southwest Missouri State

University opted to move to NCAA Division I and the MIAA appointed its first full-time commissioner, Ken Jones, in July.

He would be in the position for 16 years, retiring in 1997. Former Gulf South and Metro commissioner Ralph McFillen succeeded Jones, serving 10 years before his retirement in 2007. Jim Johnson succeeded McFillen in July of that year.

Southwest Baptist University brought membership back to eight schools in 1986, before the major expansion of the conference in 1989. Pittsburg State, Washburn, Missouri Southern State College (now University) and Missouri Western State College (now University) *© formerly members of the Central States Intercollegiate Conference *© began competition in the 1989-90 season.

Southeast Missouri State left the MIAA following the 1990-91 season to move on to NCAA Division I, and was replaced by Emporia State University in the 1991-92 season.

In August 1991, Judy Willson was hired as the MIAA's first full-time sports information director. She left in 1994, and was succeeded by Matt Newbery, formerly the assistant sports information director at Pittsburg State. He became the assistant to the commissioner for media relations in 2005. Kellen Coleman replaced Newberry as Director of Communications for the 2008-09 season. A third full-time staff member was added in 2005, as former Emporia State track and field athlete Natasha Oakes was hired as the assistant to the commissioner for compliance. Larry House joined the staff in August 2007 as coordinator of external affairs.

The current membership of the MIAA is at 11 schools, with the departure of Missouri-St. Louis in 1996 and Missouri-Rolla in 2005, the forfeiture of membership by Lincoln in 1999 and the addition of Fort Hays State University in 2006 and the University of Nebraska-Omaha in 2008. The MIAA will move to 12 teams when Lincoln rejoins the league this year.

THE MIAA CHAMPIONSHIPS

HORNET CHAMPIONSHIPS IN THE MIAA

The Mid-America Intercollegiate Athletic Association has been very good to the Emporia State track & field and cross country programs. The Hornets have won ten conference championships in track and/or cross country since 1994.

The championship road began in 1994 with the women's cross country title. Michelle Daniel and Billi Ross led the way for E-State finishing 4th and 5th respectively on ESU's Jones Park course. ESU placed five runners in the top 15.

Later that school year the Hornet men captured the MIAA Outdoor Track & Field Championship. Jermaine Mitchell was the high-point scorer at the meet winning the 1500m, 5000m and 10,000m runs.

It was the women's turn to win the outdoor title in 1996 and they were led by an athlete that would become a familiar name to Hornet track fans. Deandra Doubrava was the high point scorer at the championships for the first time in 1996. She won the heptathlon and long jump and was a member of the championship 4x400m relay team.

In 1999 E-State became the first school since 1993 to sweep the men's and women's outdoor conference championships.

The men showed depth by placing athletes in 17 of 21 events, with multiple placers in nine events, to capture their second title in five years. Mike Giardine scored in all four events he was entered with wins in the discus and hammer to lead the Hornets with 30 points.

Deandra Doubrava put the finishing touches on an outstanding MIAA career by winning five individual championships and placing second in two other events to score 66 of ESU's 225 points in the meet. The 225 points were the most scored by a team since Southeast Missouri State totaled 237 in 1987. Doubrava went on to help E-State to a fourth place finish at the 1999 NCAA Championships by winning national championships in the heptathlon and the 400m hurdles.

Another Hornet exploded on to the scene at the 1999 Championships. Heather Leverington won her first outdoor national championship in Welch Stadium in 1999 and was a key contributor to E-State's continued success into the 21st century.

The Hornet women won their first MIAA Indoor Championship in 2001 as Leverington swept the weight throw and shot put titles. Emilee Hamlin was another two event winner for ESU with championships in the long jump and the triple jump.

The 2001 indoor title was a prelude to the women's third outdoor championship in six years. Emilee Hamlin was the MIAA high point scorer with 32 points. Leverington won the MIAA shot title with a meet record 50-10.25 put. She would go on to win her fifth national championship in the shot with a meet record of 53-5 in Edwardsville, Ill.

Emporia State became the eighth school to repeat as women's indoor champions with their victory in the 2002 MIAA indoor championships. Emilee Hamlin again led the way as high point scorer with 34 points. She set an MIAA and ESU record of 40-7.75 in the triple jump and won the long jump. Two other meet records were set by Hornets with Sarah Wuertz leaping 5-8 in the high jump and Rachel Goetz 57-3 in the weight throw. ESU scored 79 of their 120 points in field events.

The Emporia State women cruised to their second consecutive MIAA Outdoor Track & Field Championship in 2002 on the strength of seven individual championships and three runner-up finishes. Sarah Wuertz started the meet by winning her second heptathlon title in three years at the MIAA Multi-event Championships. The win was the third consecutive for ESU and the fourth time in five years a Hornet had won the heptathlon. Heather Leverington got things started by breaking her own record and leading a 1-2-3-4 ESU finish in the shot.

Wuertz ended up as the second leading scorer in the MIAA championships with 34 points in the meet. She joined Leverington as a double gold winner with a win in the javelin to complement her heptathlon championship. The win in the javelin broke her own ESU record in the event.

Kadri Kelve led the Hornets to their third straight Women's MIAA Outdoor Championship in 2003. The senior from Estonia capped the most dominating distance years in MIAA history with four first place performances in the four longest races at the MIAA Championships. She won the 10,000m, 5000m, 3000m and 3000m steeplechase after winning the 5000m, 3000m, mile, 800m indoors and the women's cross country championship. Sarah Wuertz became just the fourth woman in NCAA Division II history to win three conference heptathlon titles on her way to the Ken B. Jones Award as the top female student-athlete in the MIAA.

Emilee Hamlin became the first ESU athlete to sweep an event in her four years winning the women's triple jump as a freshman, sophomore, junior and senior. Kara Brockmeier won her second MIAA championship in the shot and Rachel Goetz took the discus to continue the Hornets domination of the weight events. ESU has won the last six women's shot put titles and last three discus championships.

In 2008 the Hornets had 25 overall MIAA champions in both indoor and outdoor track. For the ESU Women, Jonel Rossbach had seven individual titles while Brooke Kent scored five wins. Kenton Lonberger, Josh Honeycutt and Craig Saalfeld each scored two event titles for the men's team.

In 2009 ESU took six MIAA Championships in the outdoor meet and earned eight at the indoor meet. Vincent Howze was the only multiple winner in the indoor taking both the 400m dash and 60m hurdles. Outdoors, three men and three women took titles as Vincent Howze took his third title of the year.

In 2010 ESU earned seven Indoor Championships as Josh Schuler won in both the 60m and 200m dash. Outdoors, ESU got six titles as Josh Honeycutt earned his second and third titles of the year and the seventh of his career.

All told Hornet athletes have won 229 MIAA event championships in indoor and outdoor track since 1994.

For the fifth straight year the Emporia State University Athletic Department finished in the top fifty among nearly 300 NCAA Division II schools in the Learfield Sports Director's Cup. The Hornets made the select company thanks to top 20 finishes by six of the schools 15 athletic programs.

The first MIAA Championship for the volleyball team highlighted the fall sports season. The Hornets jumped out to an impressive 22-1 mark to open the season, winning 19 straight matches. ESU clinched their first outright MIAA Championship with a 3-0 win over Washburn in front of an MIAA record crowd of 2,432 in White Auditorium. The excitement grew as the Hornets played host to the NCAA South Central Regional. ESU averaged over 1700 fans for its three games in the regional and the South Central Regional in White Auditorium was the best attended regional tournament in the country. ESU ranked second in the nation in average attendance. Ting Liu and Arica Shepard each earned All-American honors with Liu named the Most Valuable Player in the MIAA.

With over 20 freshmen on the two-deep roster, the Hornet football team went 4-2 on the turf of Jones Field at Welch Stadium. The four home wins were the most by the Hornets since going 4-2 during the 2003 season. ESU was just 15 points from going 7-4 on the year with three losses by less than eight points. The excitement of the young team helped the Hornets rank 33rd in the nation in average attendance.

The ESU soccer team showed a four match improvement in the win column and played their first on campus match. The Hornets split the home season between the TRYSA Complex in northwest Emporia and the ESU Pitch north of the HPER Building. The move to campus helped the Hornets rank 35th in the nation in attendance.

Skyler Delmott and Katie Mona both earned All-MIAA status in cross country for the Hornets.

Winter saw the Lady Hornets capture their second straight MIAA Regular Season Women's Basketball Championship and seventh title in the last 12 years. ESU was 26-6 on the year, the seventh straight 20 win season and the sixth time they have eclipsed 25 wins under Brandon Schneider. Ida Edwards continued a four year run of Lady Hornets being named All-American, earning first-team WBCA/State Farm honors. Cassondra Boston also earned first-team All-MIAA honors for the Lady Hornets. ESU capped another successful run in White Auditorium going 14-1 on their home court. For the 12th straight year the Lady Hornets finished in the top six of the nation in attendance, averaging over 2,000 fans per game in White Auditorium.

A year after becoming the first eight seed to advance to the MIAA Tournament Championship Game, the Hornet men finished third in the MIAA during the regular season with an 18-10 record. Lamar Wilbern finished in the top ten of the MIAA in scoring and rebounding on his way to second-team All-MIAA honors while Robert Moores led the nation in three point shooting accuracy. The Hornets were 12-2 in the confines of White Auditorium and were 16th in the nation in average attendance last season.

Josh Honeycutt provided the highlight for the indoor track & field season, winning the national championship in the triple jump. His effort led the Emporia State men to a 14th place showing nationally.

The ESU men had six individual championships and six runner-up performances as they finished second at the MIAA Indoor Championships. Vincent Howze led the Hornets with 21 points at the meet to earn MIAA Freshman of the Year honors.

The ESU women finished sixth in the MIAA team standings, just one point out of fifth, after placing second last season. Katie Mona won the women's Freshman of the Year award with 18.5 points. At the national meet the ESU women broke a string of scoring in 13 straight indoor national championship meets, which was the sixth longest active streak in the nation entering the championships.

The spring seasons again brought great success to Emporia State, highlighted by a national runner-up finish for the Hornet baseball team.

ESU won their second straight MIAA regular season championship before dropping four of eight games to end the regular season and bowing out of the MIAA tournament after just two games. The Hornets entered the NCAA South Central Regional as a fourth seed and opened the tourney with a 23-0 win over two seed Angelo State. ESU would go on to out-score their opponents 57-19 in five games at the regional, including a 15-6 victory over host Central Missouri in the championship game. In their second trip to the D-II World Series in four years, the Hornets defeated Grand Valley State, Mesa State and UC-San Diego before falling 2-1 to Lynn in the national championship game. Conner Crumbliss earned All-American honors for ESU and was drafted by the Oakland A's after setting numerous hitting records at ESU.

The Hornet softball team battled through the loser's bracket to pick up their sixth straight MIAA tournament title. ESU has gone 26-1 in the MIAA tournament over the last six years. With the tourney win the Hornets advanced to the NCAA tournament for the seventh time in school history. Miranda Campbell was named a Louisville Slugger/NFCA All-American for the second straight year.

Six Hornets scored individual championships and Emporia State had nine other runner-up finishes at the MIAA Outdoor Track and Field Championships. As a team, ESU placed third on the men's side and sixth with the women. The Hornet men placed 15th at the NCAA Outdoor Championships, the third straight year they have placed in the top 20 nationally, while the women were 36th.

With a move to a new region came a reduction in the number of tennis teams that could qualify for the national tournament. For the first time since 2004, neither ESU tennis team advanced to the NCAA tournament. Kevin Schoon was named the MIAA Sportsmanship Award in a vote of the league coaches and players. It is the third straight season an ESU player has earned that award.

Emporia State excelled in the classroom as well with 19 Emporia State student-athletes named MIAA Scholar Athletes during 2008-09. To earn this distinction, student-athletes must have a cumulative 3.50 grade-point average and earned All-MIAA honors in their sport over the past season. ESU is ranked tenth in the nation in producing Academic All-Americans named by CoSIDA in the 21st century. Hornet student-athletes have been named Academic All-America 16 times since 2000. Over half of the Hornet student-athletes made the ESU Athletic Director's Honor Roll with a 3.00 GPA over the previous semester.

All of the success on the field and in the classroom showed up in the attendance figures as well. Over 110,000 fans turned out for ESU home athletic events during the school year with volleyball, football, men's and women's basketball and soccer all ranked in the top 35 nationally.

The Hornet volleyball team set an MIAA single match record when 2,432 showed up for their MIAA championship clinching match against Washburn. ESU also drew over 2,000 for their regional final against Truman and ranked second in the nation in average attendance. The Lady Hornet basketball team ranked in the top six of the nation in average attendance for the 12th straight year.

This is the sixth-straight year in which ESU has gone over 100,000 in total attendance in all sports combined.

HORNETS WRAP UP ANOTHER SEASON OF SUCCESS

For the fifth year in a row, the Emporia State Athletic Department placed in the top 50 out of nearly 300 NCAA Division II institutions in the Learfield Sports Director's Cup standings. The Hornet baseball team led the way with a national championship game appearance.

Sport	Overall W-L	MIAA W-L	MIAA Finish	MIAA Tourney	NCAA Finish	National Ranking	Season Highlights

HORNETS DRAW OVER 100,000 FANS FOR 2008-09

More than four times the population of Emporia watched as Emporia State won three MIAA regular season championship in 2008-09. The Hornets drew 111,251 fans to 115 sporting events last year, averaging 967 spectators per event. That marked the sixth time that at least 100,000 fans saw the Hornets play.

ESU Attendance by Sport in 2008-09

Sport	Events	Total	Average
Baseball	25	3,364	134
Basketball - M	14	29,160	2,083
Basketball - W	15	30,761	2,051
Cross Country	1	750	750
Football	6	26,969	4,495
Soccer	10	2,083	207
Softball	19	3,958	208
Tennis	9	270	30
Track	3	1,750	583
Volleyball	13	12,196	938
Total	115	111,251	967

“YAPS, YELLOW JACKETS AND HORNETS”

Here come the Hornets! Go Hornets Go! How did Emporia State University really get to known as the Hornets?

A casual conversation between Vic Trusler and an Emporia Gazette reporter named Cecil Carle led the establishment of the Hornets as Emporia State's mascot. In the early 1930's, the Teachers College students were called the Yaps. It is uncertain why the students were called that except popular legend suggests that because they were teachers, they did a lot of "yapping." In any case, most of the students were not fond of the moniker.

Trusler, a legendary figure on campus in the "30's," and coach at Roosevelt High School, and Carle, without design, were instrumental in getting the name changed. Carle was seeking information on the official name of the Roosevelt High School team. Trusler suggested he call the Roosevelt team the Bluejackets since they wore blue jerseys.

In that momentous conversation, Trusler further commented that the students at the Teacher College really did not like being called the Yaps. Instead he suggested they be called the Yellow Jackets because the men wore yellow sweaters with black stripes on the sleeves. And, like the insect, they

had quite a sting to them. Nothing further was said, but the next Gazette article about the Teachers College referred to the students as Yellow Jackets.

The evolution of the name Yellow Jacket to Hornet is almost anti-climatic. A lack of newspaper space forced the Yellow Jacket to be shortened to Harnet. For a while the two names were interchanged and used throughout the state.

To further cement the Hornet tradition, the football team received new uniforms in 1936. They were almost entirely black prompting some to suggest that the team be called the Mud Daubers, which are yellowjackets, which are hornets, which game more sting to the legend.

"Corky" first appeared on the scene in 1934 when Paul Edwards, then a sophomore, made what he thought was a more representative figure of the school mascot than the stereotyped hornet being used. He entered it in a contest and finished second. Not to be discouraged Edwards redrew his hornet and showed it to Ray Maul, then manager of the Memorial Union, who thought he could "use the buzzard." The Corky figure would soon become popular on campus.

Edwards liked his Corky so much he patented the bug in 1936, which dated its 50th anniversary to 1986. During Homecoming 1987, Edwards dedicated a Corky the Hornet statue he sculpted and is now on display in the Memorial Union Bookstore. A large number of Corkys cropped up beginning in 2003 during a Parade of Corkys throughout Emporia and many of them are still on display in the community.

**The Corky Tradition -----
The Sting Lives On!**

Over the last three years, Emporia State has implemented several projects to upgrade their facilities. The projects continue to give Emporia State some of the finest venues in NCAA Division II.

The Emporia State Athletic Department recently announced plans to renovate and expand the ESU Athletics Weight Room into one of the top facilities in the MIAA. The renovation will expand the current "Hornet's Nest" from 2,460 square feet to over 4,300 square feet and includes state of the art equipment. That will place ESU in the top third of the MIAA in terms of weight room size. When the current Hornet track and field weight room, located on the lower level of the HPER Building, is added to the total ESU will have over 6,000 square feet dedicated to athletic strength and conditioning.

Opened in 1937 and dedicated in 1960, Welch Stadium sits just north of beautiful Lake Wooster in the heart of the ESU campus. Crowds as large as 10,000 fans have watched games when bleachers were added in each end zone. Permanent lighting makes it possible to televise games and play at night.

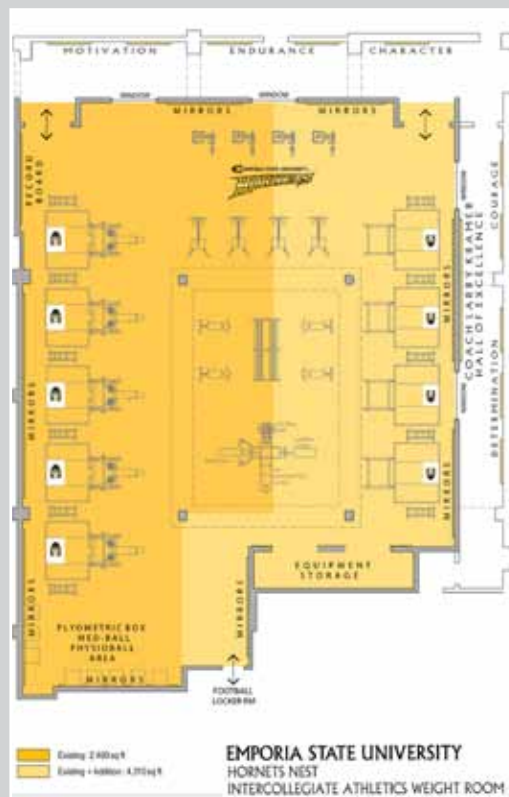

The facility also has been used extensively by individuals outside the University community. Welch Stadium is the home field of the Emporia High School football team and has hosted the Hershey Track and Field State Championships, Special Olympics, the 1998 and 2004 Kansas Shrine Bowl. The 1995, 1999, and 2006 NCAA Division II National Track Championships were held here as well.

A new Super Turf playing surface was installed at Welch Stadium in the fall of 2005. The new field is named Jones Field at Welch Stadium in honor of the W.S. and E.C. Jones Testamentary Trust, the lead contributor to the project. The Super Turf surface allows the Hornet football team multiple practices and games in the stadium that were not possible with the natural grass surface.

Zola Witten Track at Welch Stadium was resurfaced over the summer of 2005 as well. The resurfacing prepared ESU as the host site of the 2006 NCAA II men's and women's outdoor track and field national championships. The facility hosted the same event in 1995 and 1999.

The Hanna Clubhouse at the Trusler Sports Complex, just north of the ESU campus, has been in place since 2007. The facility houses locker rooms for baseball and softball, as well as coaches offices. It gives Hornet student-athletes on the teams a place to call home before and after games and practices. The second floor of the building serves as an observation deck where fans may have parties.

EMPORIA STATE FACILITY BREAKDOWN

Name	Sports	Capacity	Location
Jones Park	Men's and Women's Cross Country	1,000	24th Av. & Prairie St./NW Emporia
Milton Tennis Courts	Men's Tennis/Women's Tennis	100	1721 Morse Dr./ESU Campus
Trusler Sports Complex	Baseball/Softball	500/450	900 Trusler Rd./NE Emporia
ESU Pitch	Soccer	500	1890 Morse Dr./ESU Campus
Fran Welch Stadium	Football	7,000	1600 Morse Dr. ESU Campus
William Lindsay White Auditorium	Men's Basketball/Women's Basketball/Volleyball	5,000	111 E 6th Av/Downtown Emporia
Zola Witten Track	Men's Track and Field/Women's Track and Field	7,000	1600 Morse Dr./ESU Campus

Throughout NCAA Division II programs, White Auditorium is regarded as one of the premier basketball arenas in the nation. The 69 year old facility was upgraded during the fall of 2008 with a new scoreboard and video board as well as a new color scheme on the arena floor and the throughout the entire building.

The approximately \$270,000 improvement project was funded with City of Emporia general fund and Convention and Visitors Bureau money, along with contributions from ESU, the Walter S. and Evan C. Jones Trust, Emporia Sports Promotions, Inc., and Sunflower Gymnastics.

Mounted on the south wall of the arena, the video board displays everything from player photos and statistics to game action from the floor.

John Decker, ESU's graphic artist, created the color scheme, decorative striping and lettering design which gives the arena its bright new look. The auditorium's inch-thick maple floor was sanded and refinished as well.

Built in 1940 as a product of President Franklin D. Roosevelt's Public Works Administration (PWA), William Lindsay White Auditorium serves the needs of the Emporia community and Emporia State University.

ESU dedicated Milton Tennis Courts in 2004 in honor of former coach George Milton. Milton was a coach at ESU from 1966-99. The facility, located west of the HPER Building on campus, is used by the men's and women's tennis program and it hosted the Hornet women's first ever trip to the NCAA tournament in 2005. The Hornets also play matches at the Emporia High School Courts in northwest Emporia. The EHS complex has 12 lighted courts, allowing for men's and women's matches to be played at the same time

Jones Park in northwest Emporia is the home of the Emporia State cross country program. The park provides practice facilities and the host-site for the ESU Invitational, a meet hosted by ESU each year. In 2009, Jones Park will serve as the host site for the MIAA Championships in cross country.

For the first time in the programs eight year history, Hornet soccer will play their entire home schedule on the ESU campus. The ESU Pitch is located north of the HPER Building and provides easy access for Hornet fans.

Emporia State is committed to providing student-athletes with an environment that will maximize the potential for success. ESU's Health, Physical Education and Recreation Building houses offices for coaches and administrators, weight room facilities, a swimming pool, computer lab, five practice gymnasiums and a state-of-the-art training room. The practice gyms allow the baseball, softball and track and field teams a chance to practice indoors, as well as offer additional practice space for basketball and volleyball.

The computer lab in the HPER Building is just one of many available to student-athletes on the ESU campus. Over 200 computers are available on campus, providing ESU students the highest technologies available.

A swimming pool in the HPER Building provides student-athletes conditioning and an additional option for physical therapy.

The Emporia State training room facilities offer student-athletes the finest athletic medicine care available. Athletic trainers John Baxter, M.S., ATCR, and Leslie Kenney, M.S., ATCR, establish injury and illness prevention programs, evaluate and provide immediate care for injury or illness, rehabilitate and recondition athletic injuries, and provide health care administration, education and counseling as related to injury or illness, all under the supervision of team physician Dr. Marshall Havenhill, M.D. Assisting Baxter and Kenney are two certified graduate assistants and numerous undergraduate student assistants.

Emporia State student-athletes didn't just provide the Emporia community with exciting sports action throughout the year, the Hornets also provided the community with over 2,100 hours of community service during the 2008-09 year.

Working with organizations like the Make-A-Wish Foundation, Special Olympics, Rebuilding Together, Abundant Harvest Food Kitchen and several local elementary schools, the Hornets contributed over 2100 hours of community service. From painting homes for the disadvantaged, cheering on Special Olympics competitors, collecting canned foods and to recycling, Emporia State student-athletes could be seen all around Emporia lending their time.

A total of 19 Emporia State student-athletes were named MIAA Scholar Athletes in 2008-09. To earn this distinction, student-athletes must have a cumulative 3.50 grade-point average in two terms of attendance at the nominating institution, and earned All- MIAA honors in their sport over the past season.

The student athlete advisory committee

will be hosting the fourth annual Senior Citizen Prom in early April in the MU Ballroom. This year's event will feature the Tall Grass Big Band.

"Senior citizens play a big role in all of our athletic events and SAAC wants to show how much we appreciate them," said former ESU softball player and SAAC member Megan Grisell. "We learned about the senior prom idea at the NCAA Leadership conference and thought this would be a great way to get our new Community and Student Involvement team off the ground."

Our relationship has been and will continue to be very strong with Emporia. Our teams have been a constant in the community. The teams pay attention to how the community perceives them and it is important that we maintain our great relationship.

THIS IS EMPORIA STATE

Emporia State University is a comprehensive Regents university primarily serving residents of Kansas by providing leadership in quality instruction, related scholarship and service. A student-centered institution, its central mission is to develop lifelong learning skills, impart society's cultural heritage, and education and prepare for both the professions and advanced study. Faculty, staff and students interact in a collegial atmosphere that fosters freedom of inquiry and expression.

ESU provides undergraduate educational opportunities designed to meet the broad goals of basic skill development and general education, as well as the more specific goals of a variety of programs in art and sciences, business, education, and library and information management.

Graduate programs serve needs and provide leadership within the region, the state and the Great Plains area. The university offers programs of national distinction in Education and Library and Information Management, including a Ph.D. in Library and Information Management.

ESU's arts and sciences programs and offerings at the undergraduate and graduate levels provide a solid foundation for further learning, preparation for the many avenues of employment to which the basic disciplines lead, and the advanced knowledge necessary to enable professionals, including teachers, to move ahead in their fields and accept increased responsibilities and challenges.

As a national leader in teacher preparation, the Teachers College at ESU has a rich history of preparing teachers to succeed in the classroom. ESU offers well-established teacher preparation programs that support the growing need for quality teachers in all disciplines. ESU's teacher education program was selected as one of four "model" teacher preparation programs in the nation.

The School of Library and Information Management (SLIM) prepares students to analyze and manage information on a global scale. With coursework through the doctorate level, SLIM offers graduate-level instruction for information managers in all professions. SLIM is the only school accredited by the American Library Association in a 12 state area.

ESU's School of Business educates students to be entrepreneurs, critical thinkers and leaders in the workplace. Graduates hold leadership positions in some of the most prestigious companies throughout Kansas and the Nation. The School of Business is accredited by the Association to Advance Collegiate Schools of Business (AACSB International) AACSB, the mark of quality distinction most widely sought after by business schools. Less than one fourth of the business programs in the U.S. are accredited by AACSB International. The accreditation is the "gold standard" that identifies programs of the highest quality.

Fundraising is currently underway to launch an \$18.5 million renovation of ESU's Memorial Union. Construction of project's first phase is scheduled to begin next spring, and the total project is slated to be complete by fall, 2012.

The Memorial Union was constructed in 1925 in

memory of the students who fought and died in World War I. Additions were constructed in 1958, 1963 and 1972.

As an institution of higher education, Emporia State University is committed to helping students, faculty, staff and administrators acquire those skills necessary to enable them to think critically, to question intelligently, and to analyze complex and diverse ideas in order to become thoughtful, educated world citizens.

In a recently-released survey, Emporia State University surfaces as an institution that enables close partnerships and communication between students and faculty. The National Survey of Student Engagement (NSSE), administered to freshmen and seniors, compares responses from Emporia State students with their peers at colleges and universities in Kansas and across the nation.

Emporia State University is an equal opportunity institution of higher education where individuals of diverse backgrounds and beliefs come to learn and work together professionally and respectfully. As a university, we seek to create and uphold high intellectual standards within a learning community, to make those intellectual standards accessible to all who engage in the learning process, and to foster a curiosity about life and society that will lead to informed and involved citizenship. Learning requires critical thinking about the production of knowledge and the various beliefs that people may hold, as well as opportunities to test and actively engage with new ideas.

EMPORIA CITY PROFILE

Among Emporia's notable citizens are William Allen White, editor and owner of The Emporia Gazette newspaper, and NASCAR Sprint Cup driver Clint Bowyer. Today, Emporia is a manufacturing, education, transportation, trade, medical and cattle center of the east-central Kansas region. Emporia is the county seat of Lyon County, with a total county population of approximately 35,500.

Located midway between Kansas City and Wichita on the Kansas Turnpike, Emporia is an important crossroads and trade area for the east-central Kansas population of approximately 85,000 people.

The Burlington Northern Santa Fe railroad mainline passes through Emporia. The Emporia Municipal Airport, with a 5,000 ft. hard surface runway, can accommodate most corporate aircraft.

Emporia State University is one of the finest medium-sized universities in the Midwest. More than 6,000 students are enrolled in outstanding programs in education, business, arts and sciences, library science and information management.

•In the 2008-09 academic year, 53 percent of ESU's student-athletes achieved a grade-point average of 3.0 or better.

•Free health care, pharmacy, and legal services are available as part of your student fee package.

•In recent years, off-campus locations for courses at ESU have included the jungles of Peru, the caves and coral reefs of the Bahamas, and the castles of Spain.

•Nearly 500 students from almost 50 countries across the globe make up ESU's diverse international student population.

•Emporia State University and Kansas State University, both founded in 1863, were the first two universities in the state.

•ESU was one of the nation's first campuses to be accessible to the physically challenged.

•Every room in the ESU Residence Halls is wired for Internet access and if you don't have a computer there are over 200 computers available in various labs across campus.

•ESU helped establish the National Teachers Hall of Fame, located in Emporia, in 1989.

•Modern and beautifully remodeled residence halls, along with fraternity and sorority houses, and married student apartments, provide excellent and comfortable living units to ESU students.

•ESU hosted the 1995, 1999 and 2006 NCAA Division II Outdoor Track and Field Championships, 1996 NCAA Women's Softball Championships, and 1998 NCAA II Cross Country Championships as well as numerous NCAA regional tournaments.

•Emporia State University, nationally known for its teacher preparation program, was named one of four 'model' teacher preparation programs in the nation in a report "Educating School Teachers" written by Arthur Levine, president emeritus of Columbia University Teachers College.

•ESU is the first and only university in the world to offer a four-year degree in Engraving Arts.

•Emporia State University was named one of the "Best in the Midwest" by the Princeton Review. One thing that puts this ranking above the rest is that it is based on student opinion data and surveys filled out by current ESU students.

•Over 93% of graduates from the ESU Teachers College remain in the profession after five years. Nationally, 30 to 50% leave the profession before completing three years in the classroom.

•Emporia State University's School of Business is proud to hold the distinction of being accredited by the Association to Advance Collegiate Schools of Business (AACSB). Less than 1/4 of all business programs in the US hold this distinction. This accreditation is the "gold standard" that identifies programs of the highest quality.

DEGREES OFFERED AT ESU

School of Business

- Accounting
- Business Administration
- Business Education
- Computer Info. Systems

Jiangping Wang
Volleyball Assistant
(620) 341-5931

Bing Xu
Volleyball Coach
(620) 341-6085

**President****Dr. Michael R. Lane**

Dr. Michael R. Lane became the 15th president of Emporia State University on November 1, 2006. Under his watch the Hornet Athletics program has seen thirteen of the fifteen athletic programs compete in NCAA postseason competition while maintaining a 3.00 cumulative GPA. ESU has

maintained a top 40 standing in the Learfield Sports Director's Cup standings under his watch and was the top MIAA school, finishing #11 in the nation in the 2007-08 Director's Cup Standings.

The success is not only in the playing arena as ESU had an MIAA high two ESPN The Magazine Academic All-Americans in 2007-08 and ranks tenth in the nation in producing Academic All-Americans in the 21st century.

The NCAA and National Association of Collegiate Marketing Administrators recognized Emporia State as the MIAA's recipient of the 2008 Community Engagement Award of Excellence.

"Athletics is a key part of the educational experience at Emporia State," says Lane. "We try to foster a positive environment of sportsmanship and integrity for our student-athletes."

Dr. Lane earned a Ph.D. in Accounting from Texas A&M University, a master's degree from Northeastern University and a bachelor's degree from Lowell Technological Institute (now the University of Massachusetts at Lowell).

A native of Melrose, Massachusetts, Dr. Lane's career in higher education began in Boston as an assistant professor of accounting at Northeastern University. As a professor at Bradley University he served as Chair of the Department of Accounting, Associate Dean of the College of Business and Director of the MBA Program. In 1994 he was named dean of the School of Business at Indiana University-Purdue University Fort Wayne. He later advanced to dean of the Campbell School of Business at Berry College in Rome, Georgia. At Mansfield University of Pennsylvania, Lane served over four years as provost and vice president for academic affairs. Prior to coming to Emporia State University, he was vice chancellor for academic affairs and provost at the University of Arkansas – Fort Smith.

Dr. Lane was active for many years in the American Accounting Association, serving on the board of the Midwest region. He served Beta Alpha Psi, the national accounting honors and professional fraternity for several years as faculty vice president at Northeastern University and Bradley University where he was selected as one of five "Outstanding Faculty Vice President" by the national organization. Dr. Lane also served on the national Council of Beta Alpha Psi.

As a business dean, Dr. Lane was active in regional activities of Association to Advance Collegiate Schools of Business (AACSB). Dr. Lane has published or presented more than two dozen papers and has written ethics cases for a principles of Accounting text book.

President Lane is a member of Congressman Jerry Moran's Executive Committee. He also serves on the Advisory Committee for Science, Technology and the Future, chaired by Senator Pat Roberts. He recently completed a term as a member of the Math and Science Education Advisory Committee to the Kansas Legislature. He is currently a member of the Kansas Park Trust, and the Steering Committee for the Visitor's Center at the Tallgrass Prairie National Preserve. He also serves on the Board of Directors for the Kansas Business Hall of Fame, the Regional Development Association of East Central Kansas and the National Teachers Hall of Fame. He is a member of the Kansas Cavalry, Emporia Area Chamber of Commerce and the Rotary Club of Emporia.

President Lane's wife, Dr. Peggy Lane, is an Associate Professor in the Department of Accounting and Information Systems in the ESU School of Business. Their household includes a beagle (Lucy) and a cat (Brandy).

Athletic Director Kent Weiser

Under the leadership of Director of Athletics Kent Weiser, Emporia State has consistently competed at the national level in NCAA Division II on the field, in the class room and in the stands. ESU has ranked in the top 50 of nearly 300 D-II

schools in each of the last five years, highlighted by an MIAA best 11th place finish in the 2007-08 US Sports Academy Director's Cup Standings and a 12th place finish in 2005-06. In the classroom, Emporia State is ranked tenth in the nation in producing Academic All-Americans in the 21st century. The athletic and academic success has combined to place every ESU program in the top 25 in national attendance at some point during Weiser's nine year tenure.

The Hornets have won 22 MIAA regular season team championships and have finished in the top 20 of Division II in eleven different sports under Weiser's leadership.

The Hornets had six top 20 finishes in 2008-09 as ten of 15 programs made the NCAA post-season. ESU had top ten finishes in volleyball and a runner-up finish at the NCAA Championship Tournament by the Hornet baseball team highlighting the year. ESU also picked up top 20 finishes by the men's indoor track & field, softball, women's basketball, and men's outdoor track & field teams. ESU has played for a national championship in softball or baseball in three of the last four years.

In the classroom ESU ranks tenth in the nation among Division II schools with 16 Academic All-Americans in the 21st century. ESU regularly places over 50 percent of its student-athletes on the A.D.'s Honor Roll and has had an NCAA Top VIII Award winner under Weiser. Nine coaches hired by Weiser have been named MIAA Coach of the Year in their respective sports. Ten of ESU's 15 varsity programs earned Top 25 recognition at some point during the 2007-08 school year. During the 2003-04 school year Emporia State was the first NCAA Division II institution to advance to the postseason in football, men's and women's basketball, baseball and softball with 11 of ESU's 15 programs competing in the NCAA post-season.

Major capital improvements, such as the Hanna Baseball/Softball Clubhouse, Jones Field SuperTurf, the artificial turf infield at Glennen Field, new scoreboards at the Trusler Sports Complex and White Auditorium and the resurfacing of Witten Track have been completed under his watch with 100% of the nearly \$2 million coming from donors. These improvements have helped maintain those facilities as some of the best in the nation at the Division II level. His leadership of ESU's fund raising efforts led to the largest single gift for athletics scholarships in school history, a \$1.25 million contribution in 2004.

He helped establish the first department-wide shoe and apparel contracts in NCAA Division II, when ESU partnered with adidas in 2000. ESU is still just one of just two NCAA Division II athletic programs in the nation to be a Direct Sales Partner with adidas. The agreement stretches buying power of all 15 Hornet programs and is similar to programs designed for NCAA Division I institutions.

While other institutions were faced with reducing sports, Weiser spearheaded the effort to add women's soccer as a varsity sport, increasing participation opportunities for women at the University for the first time since 1980. His efforts helped ESU receive a grant from the NCAA in support of expanding administrative opportunities for women and minorities. Weiser has been a guest panelist at numerous NCAA and NACDA meetings, including for the Division II Strategic Alliance Matching Grant Enhancement Program and the NCAA Leadership Institute for Minority Males.

Weiser, a native of Great Bend, Kan., received a Bachelor of Arts and a Master of Science in Education from the University of Kansas. He began his career in athletics at KU, where he worked from 1981-88. During that time, he held administrative positions as ticket manager and marketing director. He also served as the Kansas women's golf coach from 1984-88.

He was the associate director of development for Ottawa University from 1990-93. He joined Emporia State in 1999, after serving as associate athletic director at Oregon State University for six years.

Weiser is married to the former Amy Pangrac, and the couple has two daughters, Katie and Abby.

**Associate Athletic
Director for External
Operations
Shane Shivley**

Shane Shivley is in his seventh year with the Emporia State Athletic Department. Promoted to Associate Athletic Director in August of 2006, Shivley directs and manages all income generating activities for the athletic

department. This includes supervision of the marketing, ticketing, and facilities offices.

Under his supervision the Hornets have spearheaded campaigns to construct the Hanna Baseball/Softball Clubhouse, SuperTurf for Jones Field at Welch Stadium, the resurfacing of the Witten Track, a remodel of the Basketball Practice Facility, Glennen Field Baseball Turf,

and a state of the art baseball hitting facility. These improvements have helped maintain those facilities as some of the best in the nation at the Division II level.

Shivley has also led efforts to increasing the annual athletic giving each year of his tenure. In 2008-09 Athletic giving topped \$1.12 million according to figures from the ESU Foundation.

A native of Parsons, Kansas, Shivley earned a bachelor's degree in business from Emporia State in 2000 and his Master's in Sport Administration from Wichita State in 2002.

He is married to the former Mary Decker. The couple are the proud parents of a daughter, Alexa and a son, Maddox.

**Associate Athletic
Director for Internal
Operations/SWA
Carmen Leeds**

Carmen Leeds is in her ninth year as Associate Director of Athletics for Internal Operations and Senior Woman Administrator (SWA). She oversees areas of NCAA compliance, CHAMPS/Life

Skills, student-athlete services and athletic training.

Carmen oversees the student-athlete advisory committee (SAAC) and community service. Under her supervision, each year ESU student-athletes perform over 2000 hours of community service. The student-athlete advisory committee has sponsored the annual Senior Citizen's Prom for the local community, winning the inaugural Community Engagement Award of Excellence for the MIAA. SAAC has raised over \$1,100 the past two years for the Make-a-Wish Foundation.

She currently serves on the NCAA CHAMPS/Life Skills Advisory Team and NCAA Softball Regional Advisory Committee. She is a past member of the NCAA Division II national women's basketball committee. She has been

a facilitator at the NCAA Leadership Conference, the Division II Regional Leadership Conference and NCAA CHAMPS/Life Skills Orientation Conference.

She was formerly the head women's basketball coach and SWA at South Carolina-Upstate. She coordinated the Athletes Can Educate (ACE) program and implemented the school's Student-Athlete Advisory Committee (SAAC). As basketball coach, she had a 100 percent graduate rate among four-year players.

She received her bachelor's degree from Appalachian (N.C.) State and her master's from Clemson University.

She is married to Greg Leeds, a 1984 ESU graduate, and the couple has three sons, Brian, Matt and Parker.

**Assistant Athletic
Director for Media
Relations****Don Weast**

Don Weast has been in charge of media relations at Emporia State for ten years and is in his 11th year as a full-time member of the ESU Athletic Department.

Promoted to the title of assistant athletic director for media relations in 2003, Weast oversees media relations, publications and Web site management for the 15 sport intercollegiate athletic program at ESU.

His office has won three Best in Nation awards from CoSIDA for publication excellence. Hornet student-athletes have been voted to All-American honors 19 times and Academic All-American honors 16 times, including two national players of the year and two Academic All-Americans of the Year.

A 1998 graduate of ESU, Weast was a sports supervisor at the Emporia Recreation Commission prior to returning to ESU as a student in the sports information office in 1997.

After a year of graduate work at Central Missouri, he returned to ESU in 1999 as the director of sports promotions. He began his association with the Hornets as a student athletic trainer in 1986. Weast spent part of the 1989-90 season with the now defunct Topeka Sizzlers of the CBA as an athletic trainer.

He earned his BFA from Emporia State in 1998 and is married to the former Terri Kaiser, a 1998 MLS graduate of ESU. The couple have a daughter, Emelie Rae.

**Director of Athletic
Publications****Josh Slaughter**

Josh Slaughter begins his fourth full year as Assistant Director of Athletic Media Relations and Director of Athletic Publications at Emporia State after coming in February of 2007.

His responsibilities include designing media guides, preparing game notes and other game day responsibilities. During his time as baseball contact seven players have been named All-Americans and Keith Hernandez was named the 2008 NCAA Division II Player of the Year. He is a member of the National Collegiate Baseball Writers Association Regional Committee.

Prior to coming to Emporia Josh was a Kansas Press Association award winning photojournalist with the Osage County Herald-Chronicle in Osage

City, Kan. He has also been read as a freelance journalist and columnist for several area newspapers.

He is a 2006 graduate of Sterling College where he was involved in both print and broadcast journalism. While in college he was both a KACP and KCB award winner. He was the very first radio voice of the Sterling College Warriors when Sterling College Radio went on air in 2005. He also hosted a national NAIA Athletics Radio Show called "Evening the SCOR" from 2005 to 2006.

He was a 2003 graduate of Chaparral High School in Anthony, Kan., where he was a two-year letterwinner in baseball and golf.

**Director of Marketing**
Tim Callahan

Tim Callahan is in his second year as the Director of Athletic Marketing for Emporia State University. He set records for athletic marketing income in his first year at ESU.

Prior to coming to Emporia, Tim spent time at the University of Nebraska Kearney as well as at the University of North Texas. Both of these positions were actively involved with running the day-to-day marketing and promotions operations.

His primary duties at Emporia State revolve around overseeing the sponsorships and advertising revenue as well as the direction of athletic marketing and promotional efforts. He also oversees much of the department's print production, enhancement of student and fan participation, enhancement of game-day atmosphere and assisting with all phases of event management and operations.

Callahan graduated from the University of Nebraska Kearney with a bachelor's degree in Exercise Science in 2003 and went on to receive a Master's Degree in Sports Administration in 2005. He is a native of Greeley, Neb.

**Director of Operations & Event Management**
Cody Moors

Cody Moors is in his second year as Director of Athletics Operations/Events and Facilities. He oversees game management of home events, scheduling and maintenance of the athletic buses, and oversees the athletic facilities of ESU Athletics.

Moors served as the ESU Athletic Administrator for the 2009 Division II Leadership Academy assisting student-athletes in developing leadership action plans to take back to their universities. Along with his national leadership training, he has implemented the Hangin' with a Hornet mentoring program for Emporia Middle School to help develop social, academic, and leadership skills for 7th and 8th graders, as well as ESU Student Athletes.

Prior to coming to ESU, Moors served eight years as an At-Risk Aid/Event Supervisor for Eisenhower Middle School in Manhattan, Kan. He served as the Head Wrestling Coach for two years and an assistant coach for six years. He was actively involved in the supervision and athletic event game management for EMS. Moors is a 2008 graduate of Kansas State University with a Bachelor of Science degree in Sociology.

He is married to the former Jessi Decker, a 2003 graduate of Emporia State, and the couple has one daughter Madison.

**Athletic Business Manager**
Davonne Hinz

Davonne Hinz is in her eleventh year as the athletic business manager at Emporia State. The Melvern, Kansas native has been at Emporia State since 1985 and has worked in the Hornet Athletic Department since 1995.

She is responsible for the day to day business operations of the 15 sport athletic program at ESU and maintains the budget for the Hornet athletic department.

She has a daughter, Kelsi.

ESU Athletic Media Relations

HPER 113 • 1200 Commercial • Box 4020
Emporia KS 66801

Emporia State University media guides assist you in your coverage of the Hornets and the Mid-America Intercollegiate Athletics Association. Additional information may be requested by calling Don Weast at (620) 341-5526 or via e-mail at dweast@emporia.edu. His office is housed in the HPER Building, Room 113.

Credentials

Credentials for all Hornet events may be obtained by calling Weast by noon one-day prior to a home game. Your name will be placed on the media pass list located at the entrance to facility. Should you need a credential for a road contest, you are advised to make your request at least one week prior to the road trip so we can place you on our media list.

Parking

Parking around ESU Athletic venues is not reserved for members of the media. Please arrive in plenty of time to ensure a parking spot close to the facility.

Game Services

A media packet including a game program, press release, statistics, etc., is available to media before the game. Complete statistics will be available following the game.

ESU Post-event Interviews

ESU head coaches and selected players will be available in a designated interview area following a brief cooling-off period. Please give a list of requested players to ESU athletic media relations personnel.

Please check with the opponent SID for their post-game policy.

Mid-week Interviews

Practice is open to the media during the week. Please check with Don Weast for the time. Should you need to do a mid-week interview with a player, we request 24-hours notice in meeting your demands.

ESU on the Radio

For the 19th straight season, Hornet athletics can be heard on KFFX-FM, 104.9. ESU football and men's and women's basketball, along with selected baseball and softball games, will be broadcasted. Emporia's Radio Stations (KFFX-FM, KVOE AM and FM) will once

again provide ESU fans with the best source for keeping up with the Hornets. Salina native Greg Rahe is in his 19th year of serving as the Voice of the Hornets. Rahe has been honored by the Kansas Association of Broadcasters and taken first place for "sports play-by-play" in a Kansas medium market.

In addition to game coverage, Rahe will host a weekly show "Hornet Talk" on Mondays at noon. Saturday Morning Sports Talk, a popular area show, can be heard every Saturday morning from 8-9 a.m. Rahe is joined by Tim Miller and Steve Sauder.

Hornet Webcasts

All Hornet athletic events broadcasted by KFFX-FM, 104.9 will also be available online. Follow the "Hornet Broadcasts" link at www.emporia.edu/athletics to hear the live action all around the world.
