In addition to the NCAA Division II Play-offs, the MIAA has access to two certified bowl games this year.

This marks the second season the MIAA will be sending a representative to the Kanza Bowl in Topeka, Kan. to battle a Lone Star Conference foe.

The MIAA has been sending teams to the Mineral Water Bowl in Excelsior Springs, Mo. to take on a team from the NSIC since 2001.

The MIAA has had a representative in the NCAA Division II National Championships in each of the last six seasons and eight times in the last 12 years.

WELCH STADIUM

In 2010 Emporia State University will celebrate its 70th season in Francis G. Welch Stadium. The stadium is named in honor of ESU's long-time coach and athletic director. Welch guided the efforts of the Hornet football program from 1928-42, and then again from 1946-54. In those two spans, Welch won 115 games and is the all-time winningest coach in ESU football history. The Super Turf playing surface is named for the W.S. and E.C. Jones Trust that provided the lead gift for the artificial surface.

Opened in 1937 and dedicated in 1960, the stadium sits just north of beautiful Lake Wooster and has seated as many as 10,000 fans when bleachers were added in each end zone. Permanent lighting makes it possible to televise games and play at night.

The facility also has been used extensively by individuals outside the University community. Welch Stadium is the home field of the Emporia High School football team and has hosted the Hershey Track and Field State Championships, Special Olympics, the 1998, 2004 and 2008 Kansas Shrine Bowl. The 1995, 1999 and most recently the 2006 NCAA Division II National Track Championships were held here at the Zola Witten Track.

In 1992, the "GOING THE DISTANCE CAMPAIGN" was initiated. With its completion, track and field events once again were held at ESU. In 1995 and 1999, the NCAA Division II National Track and Field Championships were held on the new Zola Witten Track within Welch Stadium.

In 1994, as part of the campaign's second phase, the east and west side concession areas, restroom facilities, and entrances were renovated. A new scoreboard was hoisted into place at the south end of the stadium and a new landscaped fence was erected.

In 1997, the final phase was completed in time for the University's 100th season of intercollegiate football. The Hutchinson Family Pavilion is a three-tiered facility

which has enclosed theatre seating on the first floor, a president's box and four sky-boxes on the second floor, and a game-day management and media center on the third floor.

The facility was one of the first on the NCAA Division II level to offer enclosed sky-boxes and is still one of only a few across the nation.

The latest upgrades to the historic facility came prior to the 2006 season with the addition of the Super Turf playing surface and upgrade of the stadium's sound system.

The first game at Welch Stadium came on Armistice Day, 1937. The Hornets tied St. Benedict's College, 20-20. More than 6,000 fans saw the first game in the facility.

The Hornets gained a tie for the Central Intercollegiate Conference title by beating Pittsburg State, 7-0, on Homecoming 1951. Quarterback Bob Sherrer won the game with a 69-yard TD run.

The Hornets defeated Washburn on Homecoming 1972, 41-7. With the win, the Hornets won the Great Plains Athletic Conference and earned a berth in the Boot Hill Bowl Game.

In 1973, a record crowd of 10,000 saw the Hornets defeat Northern Colorado, 10-0, as the Hornets vaulted to a No. 3 ranking in the NAIA. ESU tied UNC for the Great Plains Athletic Conference championship in 1973.

The Hornets defeated Harding, 32-9, as ESU advanced to the NAIA semifinals in 1989. After winning on the road the following week at Adams State, ESU played for the national title against Carson-Newman.

The Hornets won their first ever Mid-America Intercollegiate Athletics Association game when they defeated Missouri Western, 23-22, before a crowd of more than 5,800 on September 21, 1991.

The Hornets defeated Washburn, 64-35, in front of a regional television audience, on October 30, 1997. Brian Shay became the school's all-time leading rusher and finished the game with an MIAA-record 469

all-purpose yards.

On September 19, 1998 the Hornets defeated Pittsburg State, 38-28, in front of 9,200 fans - the second largest crowd in Welch Stadium history.

Emporia State again defeated Pittsburg State on October 12, 2002 this time by a score of 13-3 on the way to the Hornets first postseason appearance since 1989.

The Hornets went 4-2 on the Jones Field at Welch Stadium turf in 2008, their best home record since 2003.

The addition of Jones Field at Welch Stadium to the Hutchinson Family Pavilion ESU has maintained its position as one of the finest football facilities at the NCAA Division II level in the nation.

FACILITIES

A new Super Turf artificial surface was installed at Welch Stadium in the summer of 2005.

A new sound system was installed in the summer of 2006, to enhance the enjoyment of the gameday experience for Hornet fans.

The Hutchinson Family Pavilion includes private suites and has served as a model for programs across the country wishing to upgrade their facilities.

A weight room, office complex, and locker room improvements were implemented during the 1999 season. These improvements were made possible by the generous support of individuals known as "Difference Makers."

The ESU football program is committed to providing an environment for the student-athlete which hopefully maximizes the potential for success.

Years Coaching at ESU: Fourth
ESU Record: 9-23 (.281)
Overall Record: 60-32 (.652)
College: Emporia State in 1992
Recruiting Area: Kansas

Former Hornet Garin Higgins enters his fourth season at his alma mater with a 60-32 record as a head coach after going 9-23 in his first three seasons at ESU.

Prior to ESU, Higgins compiled a 51-9 record (.857) as the head coach at Northwestern Oklahoma State University before becoming the co-offensive coordinator at NCAA Division II member Minnesota State in 2005. He was the offensive coordinator at Northeastern State University of the Lone Star Conference in 2006. NSU was 3-2 in the LSC, their first winning conference record since 2000.

While at NWOSU, the Rangers qualified for the NAIA playoffs five consecutive seasons, had three national title game appearances and he was named the Central State Football League Coach of the Year five straight years from 2000 through 2004. He also led the Rangers to five CSFL titles during that span. Higgins' offense rolled up over 42 points per game from 1999-2003 and his rushing offense led the nation in 1999 and 2000. The Rangers won 31 consecutive games from Oct. 1998 through December 2000 and were 15-3 against NCAA Division II schools under Higgins. His .857 winning percentage is the highest in NWOSU history.

Higgins has coached three players that have gone on to play in the NFL - Lynn Scott with the Dallas Cowboys, Sam Breeden with the Green Bay Packers and current Dallas Cowboy Patrick Crayton. In 2006 season he coached Jarrett Byers to the Lone Star Conference North Wide Receiver of the Year Award

"Emporia State can and will compete for conference championships in football," said Higgins. "And the MIAA is hands down the best conference in the nation."

A native of Blackwell, Okla. where he was an all-state quarterback, Higgins earned his undergraduate degree at Emporia State in 1992. He was a four-year letterman for the Hornets and helped lead the team to a national runner-up finish in 1989. He has been involved with four teams that have played for or won national championships as a player, coordinator or head coach.

"Emporia State provided me a wonderful experience as a student-athlete and I hope to do the same for my players," said Higgins. "We are going to recruit kids that want to come to ESU and represent this university well on the field, in the classroom and in the community."

Higgins and his wife Heather, a 1995 graduate of ESU, are the parents of three children - son Halen and daughters Harlee and Gracyn.

COACH HIGGINS

What brought you back to Emporia State?

First of all, anytime you get a chance to come back to your alma mater as the head football coach, it really is a dream come true and it is something I always thought about ever since I got into the profession. Second, along with being a great University and a great community, I think this is a great location to recruit kids too, to get an education and play football.

What are your goals for the 2010 season?

We definitely want to improve from last year. We need to begin to win those close games and beat an opponent that everybody else perceives us to be an underdog to. We have different goals within our program, but definitely would like to be in post season play this year whether it's the playoffs or a bowl game.

What most excites you about your third season?

We're beginning to look at our team picture and see 80-85% of the team begin to be players we recruited and watching the steps they have taken to become good football players. We are still relatively young in certain positions, but also have a veteran group in two of the most important positions at offensive and defensive line so it's exciting to continue to watch them compete and develop.

What should fans expect to see out on the field when they come to Welch Stadium?

We definitely want to be a team that plays with a lot of enthusiasm and energy. We'll respect our opponents, but want to have the attitude that we will never take the field without the belief that we will win.

How do you want the typical Hornet football player to be perceived?

A player that has a strong work ethic, is concerned about his teammates and is mentally and physically tough. Along with having the right type of character off the field.

When a player graduates from your program, what do you want them to remember from it?

I definitely want our player to have the same type of experience that I did as a student athlete at ESU. We want to be proud not only of our football program but of this great institution. We want them leaving here with a sense of pride that their alma mater is Emporia State University. We want them to be leaders in their communities and be a positive impact in everything they want to do in life.

Coaching: Bryce Saia is in his second season as the assistant head coach and secondary coach for the Hornets.

Saia spent the previous two seasons in the Arena Football League with the Arizona Rattlers. Last season, Saia served as the defensive line coach and special teams

coordinator, as the Rattlers advanced to the AFL playoffs.

Before joining the Rattlers, Saia spent four years, from 2004-2007, coaching the defensive line at Southern Illinois University under former ESU head coach Jerry Kill. The Salukis were ranked either first or second in sacks and against the rush in the Missouri Valley Conference during his tenure and in 2004 had the top ranked scoring defense in the nation.

From 1998-2003, Saia served as the defensive coordinator and defensive back coach at Coffeyville Community College. The Red Ravens led the Jayhawk Conference in total defense in 2003 and were consistently ranked in the top ten nationally in defense. Prior to his stint at CCC, Saia coached the linebackers at Butler County Community College in 1997.

College Experience:

He played linebacker for his father Tom Saia at Butler County CC from 1990-1991.

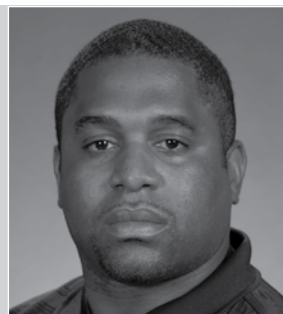

High School: He was a two-time all-state linebacker in high school, first as a junior at Buhler HS and again as a senior at El Dorado HS.

Matt Walter

**Strength and Conditioning
Offensive Line/Special Teams**

Years Coaching at ESU: Second

College: Northwestern Oklahoma
State 2001

Coaching: Matt Walter begins his second season as ESU's Strength and Conditioning and Special Teams coach as well as wide receivers.

Walter spent the four previous seasons as the head strength and conditioning coach for the New Mexico State football team. Known to his athletes as 'The

Punisher' for his grueling strength, speed and agility training, Walter guided the Aggies to break numerous school records in lifting, running and jumping. He also implemented a nutrition supplement program as well as the Lifter of the Year Award, given to the most outstanding achiever during the Aggies' off-season program. Walter is also recognized as a National Speed & Explosion Association certified coach.

Walter previously served as the head strength and conditioning coach at Southeastern Louisiana for one year. Prior to that, Walter spent one year at Louisiana Tech as an assistant strength and conditioning coach.

College Experience: As a running back for coach Higgins at Northwest Oklahoma, Walter was named a 2000 NAIA Honorable Mention All-American as his squad finished as national runners-up. In 1999, Walter helped his team capture the NAIA National Title posting a 13-0 record.

2010 PREVIEW

YOUR SCHOOL. YOUR TOWN. YOUR TEAM.

It is said that football games are won and lost along the line of scrimmage. That Emporia State will be going into the 2010 season with a very experienced group on both sides of the line, bodes well for the Hornets as they enter head coach Garin Higgins fourth year at the helm.

OFFENSE

The Hornets were ranked second in the MIAA in rushing last season and will again need to run the ball in order to be successful. The depth should be it's best in coach Higgins four years, with three returners that have gained over 100 yards rushing in a game and three receivers coming back with over 200 yards last season.

Offensive Line

Returners made 42 of the 55 potential starts for the second ranked rushing team in the MIAA last season. The Hornets return all five starters from their last game of the year in which they outgained Washburn 254 yards to 169 yards. Even with the experience returning only two players, Ayo Ademiluyi (Sr./Dartford-Kent, UK) and Randy Holladay (Sr./Topeka, Kan.) are seniors for the Hornets this year. Jordan Godbersen (Jr./Olathe, Kan.) started nine games on his way to honorable mention All-MIAA status. Ben McKaig (Jr./Wichita, Kan.) and Lance Uhles (So./Norman, Okla.) started every game for the Hornets. Ademiluyi started ten games including the final seven of the season. Holladay saw action in seven games last season and is the other Hornet to start the final game of the year.

ESU also stressed line play in the recruiting process, bringing in ten new players for the offensive line. The headliner may be Deshaun Smith (Jr./Hutchinson, Kan.) a transfer from Butler CC. He was a Preseason All-American for the Grizzlies as a sophomore after helping the Grizzlies win the 2008 NJCAA National Championship. He went 72-5 in high school and junior college with four state championships at Hutchinson HS and a junior college national championship. The other transfer is Scott Powers (Jr./Sperry, Okla.)

Senior offensive lineman Ayo Ademiluyi started all 11 games at the offensive tackle spot for the Hornets.

from Northeastern Oklahoma A&M. He was a high school teammate of Hornet Kevin Smart at Sperry HS and newcomer Dasor Horton at Northeastern Oklahoma A&M. The eight other newcomers are all high school signees.

Running back

For the first time since the 2002 and 2003 seasons, the Hornets will return a running back that has gained over 200 yards in a game. Kevin Smart (Sr./Sperry, Okla.) was the leading rusher for ESU last season with 634 yards on just 112 carries. His 5.7 yards per carry and 11 rushing touchdowns ranked third among MIAA rushing leaders last season. Smart earned honorable mention All-MIAA honors last season. He will be joined in the back field by Adrian Abner (Jr./Desoto, Texas), another back with 100 yard rushing days to his credit. He gained 109 yards against Southwestern Oklahoma State last season after going for 115 yards at Nebraska-Omaha as a freshman. Derwin Hall (So./Blue Springs, Mo.) is an All-American sprinter for the Hornet track team and has the second fastest time in school history in the 60m dash. The newcomer to the backfield is Dasor Horton (Jr./Oklahoma City, Okla.) a transfer from Northeastern Oklahoma A&M. He was the eighth leading rusher in the nation last year for the Norse, gaining 1,065 yards in nine games. He picked up 922 yards and 17 touchdowns in his final six games last year, including 140 yards and three touchdowns against eventual national champion Blinn.

Tight End

The Hornets have a good mix of experience and youth at the tight end position. Tracy Hageman (Sr./Kingman, Kan.) is in his fifth year with the Hornets. He started with ESU as a quarterback and has also played the receiver and H-back position. Adam Schiltz (So./Ponca City, Okla.) had an outstanding year as a true freshman. He was one of four Hornets with over 200 yards receiving on the season.

Sheldon Smith passed for 188 yards and two touchdowns last season as well as rushing for 286 yards on 72 carries.

Wide receiver

Gone is honorable mention All-MIAA receiver Danny McEvoy, but a number of talented young players are ready to step up for the Hornets. Matt Coursen (Jr./Waverly, Kan.) and Brian Murphy (Jr./Lawrence, Kan.) are the veterans of the group, heading into their third year with the program. Coursen was the third leading receiver for ESU with 19 catches for 257 yards and a pair of touchdowns. Murphy added seven catches for 61 yards on the year. Shjuan Richardson (So./Muskogee, Okla.) was the second leading receiver for the Hornets last year with 20 catches for 265 yards. Another speedster, Richardson was a member of the ESU 400m relay team that placed ninth in the nation last spring. Andre Jones (Sr./Olathe, Kan.) is the only senior on the team after transferring to ESU from Butler CC. He had a season's best four catches for 36 yards against Central Missouri. The next appearance in a game will be the first for the rest of the receiving corps, with five red-shirt freshmen, three true freshmen and a transfer filling out the group.

Quarterback

ESU used four players at the quarterback position last season and seven players have lined up behind center for the Hornets in the last three years. Tyler Eckenrode (So./Houston, Texas) and Sheldon Smith (So./Oklahoma City, Okla.) were the only quarterbacks participating in spring drills for ESU and both have their own strengths. Smith is very effective running the ball and had 136 rushing yards against Washburn. Eckenrode is more effective with his arm, going 30 for 64 for 416 yards in his two full games as a starter before being sidelined with an injury. The two combined to start five of the last six games at quarterback last year. Justin Greene (So./Mainsfield, Ohio) played four games for Clark Atlanta last season. Jackson Bonnette (Fr./Corpus Christi, Texas) was the District MVP for Flour Bluff HS last season.

Senior Kevin Smart carried the ball 112 times 634 yards and a team high 11 touchdowns during the 2009 campaign.

DEFENSE

Eight of the Hornets opponents 49 touchdowns came on special teams or the direct result of ESU turnovers, while five more touchdowns and two field goals came on drives of less than 30 yards. Take away those points and the Hornet defense gave up just 25.6 points per game, which would have ranked fifth in the MIAA last season. ESU ranked third in the MIAA in total take aways behind National Champion Northwest Missouri and Mineral Water bowl Champion Missouri Western.

Defensive Line

This is one of the deepest and most experienced areas for the Hornets with six players that combined to start in the last six games of the year returning. Daniel Webb (Sr./Ft. Collins, Colo.) and Casey Finlayson (Sr./Burlington, Kan.) are both in their fifth year at ESU. Webb missed three games last year with an injury and would have ranked seventh in the MIAA last season in tackles for loss, but did not have enough games to qualify for the leaders. He was still 15th in the league in total sacks with 4.0 on the year. Finlayson has missed just one game in his career. Harold Ayodele (Sr./Dallas, Texas) was the only Hornet to start all 11 games for the d-line last season. He was fourth on the team in tackles with 64 last year. Tyrone Weaver (So./Charlotte, N.C.) started five of the last six games at defensive end as a freshman. Tim Chandler (So./Houston, Texas) found a home at defensive end, starting three of the last five games after making the transition from tight end at the midway point of last season. Dakota Hagler (So./Gilmer, Texas) started four games and played in all nine conference games as a true freshman. Kennedy Ezimako (Jr./Round Rock, Texas) comes to ESU after ranking second on Lone Star Conference co-champion and NCAA playoff team Midwestern State with six quarterback hurries.

Linebackers

The Hornets return all three starters at linebacker as well. Three starters return led by honorable mention All-MIAA pick Nathan Linsey (Sr./Lebo, Kan.),

the only senior in the group. Linsey ranked ninth in the MIAA in total tackles a year ago and tied for the league lead in fumble recoveries. Vince Harris (Jr./Cincinnati, Ohio) tied Linsey for the league lead in fumble recoveries and was fifth on the team with 52 total tackles. Matt Rosenhamer (Jr./Wichita, Kan.) is the other returning starter after splitting time between linebacker and defensive end his first two years at ESU. James Jones (Jr./Dallas, Texas) is in his fourth year with the Hornets. Taylor Beitler (Jr./Derby, Kan.) was the second leading tackler for Butler CC last season with 87 stops.

Secondary

This is the one area of the defense that was hit hard by graduation. Only three players that started a game last year return, and all of them are cornerbacks. Chris Woods (Sr./Midland, Texas) started six games in the defensive backfield after opening the year at wide receiver. He was fifth in the MIAA in interceptions with three in nine games played. He started 13 games for New Mexico State as a sophomore before transferring to ESU. Kameron Gee (Jr./Desoto, Texas) started six games last season at corner after seeing action in all 11 games as a freshman. Julian Dozier (So./Round Rock, Texas) started the final five games of last season as a true freshman. The Hornets lost both starting safeties from last season, but return Derek Lohman (So./Alva, Okla.) who started as a true freshman in 2008 before redshirting last season. Gerald Guerrier (Jr./Irvington, N.J.) came to ESU at the semester and should be in the mix at safety. He started three games and played in 12 at New Mexico State as a sophomore before transferring to Hofstra.

Special Teams

The Hornets were just 17 of 25 on kicked extra points, went three of eight on two point conversions, only attempted four field goals with two makes, and were last in the MIAA in punt return average. On the bright side Tyler Chilson (Jr./Topeka, Kan.) was an honorable mention All-MIAA selection at punter and ESU ranked third in the league in net punting.

Punter

Chilson is back after averaging 39.7 yards per punt as a sophomore. That ranks third all-time at ESU behind Academic All-American Pat Amon's 41.9 in 2001 and Super Bowl Champion Kelly Goodburn's 40.8 yard average in 1984.

Kicker

Dustin Andrews (Sr./Greenwood, Mo.) made both of his field goal attempts last season and connected on seven of his last nine PAT attempts after joining the team for the fifth game of the year. He will be joined by three newcomers. Zane Guadagnuolo (Fr./Kennedale, Texas) was a first-team all-district selection last year for Kennedale HS. Zak King (Jr./Shawnee, Kan.) made nine of 11 PAT for Highland CC last season and connected on four of eight field goals for the Scotties. Brian Dorsey (So./Emporia, Kan.) comes to ESU after playing one season at Baker. He was a back up for the Wildcats, but hit 28 of 31 PAT as a senior for Emporia HS in 2008.

Returner

Brian Murphy (Jr./Lawrence, Kan.) was an honorable mention All-MIAA returner as a freshman when he averaged 12.8 yards per punt return and 19.9 yards per kick return. He set a school record with an 82 yard punt return against Western State in his first game as a Hornet. Shjuan Richardson (So./Muskogee, Okla.) had 21 kick returns for an 18.0 yard average and returned two punts for a 13.0 yard average last season.

SCHEDULE

The schedule sets up nicely for the Hornets this season. After opening up at Southwestern Oklahoma State (1-10 last season), ESU plays host to former MIAA member Missouri Science and Technology (4-7 last season). The Hornets four conference opponents on Jones Field at Welch Stadium went a combined 16-27 last season, with a combined road record of 4-15 in MIAA play.

Senior linebacker Nathan Linsey is the team's top returning tackler having recorded 82 stops last season and 7.5 tackles for a loss.

Linebackers Matt Rosenhamer (47) and Vince Harris (8) both recorded over 50 tackles last season.

Defensive back Kameron Gee had 35 tackles as well as one fumble recovery and three pass break-ups.

Emporia State's Sheldon Smith had 312 yards of total offense and was responsible for four touchdowns, but it wasn't enough as Washburn scored 21 points on two blocked punts and an ESU fumble on a kick-off as the Ichabods defeated the Hornets 56-35 in the Turnpike Tussle on Jones Field at Welch Stadium.

Smith ended the game seven of 13 for 176 yards and two touchdowns with an interception and gained 136 yards on 34 carries with two touchdowns. He became the first Hornet quarterback to rush for over 100 yards in a game since Kelton Copeland gained 116 against East Central (Okla.) in 2001. Danny McEvoy had three catches for 128 yards and two touchdowns.

2010 Spring Football Game

April 17, 2009

Attendance:

750

The Gold team got two field goals, an interception return and a late touchdown pass to post a 20-0 win over the Black team in the Emporia State spring football game.

The Gold team took the opening drive and advanced to the Black team's 20 yard line before settling for a Derek Jonas 37 yard field goal and a 3-0 lead. The big play in the drive was Tyler Eckenrode's 42 yard completion to Shjuan Richardson on the second play of the game.

Jonas gave the Gold team a 6-0 lead with a 38 yard field goal in the second quarter. The Gold defense had started the quarter with a goal line stand after the Black team had first and goal at the four yard line.

After a scoreless third quarter, Kameron Gee intercepted Sheldon Smith and returned it 36 yards for a 13-0 Gold lead. The best drive of the night was a 13 play, 70 yard drive that made it 20-0 with 1:22 left in the game. Adrian Abner and Kevin Smart combined to gain 59 of the yards on the ground before Sheldon Smith found Tracy Hageman in the end zone for a nine yard touchdown pass.

Abner and Smart combined to gain 90 yards on 18 carries with each back getting nine totes for the Gold team. Corey Jones had nine carries for 41 yards for the Black team.

Charleston Johnson had four receptions for 36 yards for the Gold team while Shjuan Richardson and Brian Murphy each had 42 yard catches for the Gold and Black teams respectively.

Eckenrode and Smith alternated at quarterback for both teams and combined to go 10 of 33 for 150 yards. Eckenrode was six of 22 for 120 yards with a four of nine effort for 67 yards with the Gold team.

Vince Harris had a game high nine tackles for the Black team while James Jones recorded seven stops for the Gold team..

Over the past 95 years, the MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 12 NCAA team championships and, since 1964, 153 individual national titles. The MIAA currently conducts championships in eight sports for men and eight for women.

For the men, champions are crowned in football, cross country, basketball, indoor and outdoor track & field, baseball, tennis and golf. The women compete for titles in volleyball, cross country, soccer, basketball, indoor and outdoor track & field, softball, golf and tennis.

The MIAA turned a new page on July 1, 1992, when the NCAA Division II conference changed its name from the Missouri Intercollegiate Athletic Association to the Mid-America Intercollegiate Athletics Association.

The decision to make the change originated in 1989, when Pittsburg State University and Washburn University became the first schools outside the state of Missouri to gain membership in the MIAA.

The conference was first organized in 1912 with 14 member institutions. Of those original members, the University of Central Missouri, Truman State University, and Northwest Missouri State University still remain a part of the MIAA.

The first change in membership came in 1924, when the MIAA reorganized to include only the five regional Missouri state colleges: Central, Truman (at the time known as Northeast Missouri State), Northwest, Southeast Missouri State University and Southwest Missouri State University (now Missouri State).

Over the next 56 years, three schools joined the membership: the Missouri School of Mines (later the University of Missouri-Rolla) in 1935, Lincoln University in 1970, and the University of Missouri-St. Louis in 1980.

The 1980s brought the biggest changes in the conference. In 1981, Southwest Missouri State University

opted to move to NCAA Division I and the MIAA appointed its first full-time commissioner, Ken Jones, in July.

He would be in the position for 16 years, retiring in 1997. Former Gulf South and Metro commissioner Ralph McFillen succeeded Jones, serving 10 years before his retirement in 2007. Jim Johnson succeeded McFillen in July of that year.

Southwest Baptist University brought membership back to eight schools in 1986, before the major expansion of the conference in 1989. Pittsburg State, Washburn, Missouri Southern State College (now University) and Missouri Western State College (now University) °© formerly members of the Central States Intercollegiate Conference °© began competition in the 1989-90 season.

Southeast Missouri State left the MIAA following the 1990-91 season to move on to NCAA Division I, and was replaced by Emporia State University in the 1991-92 season.

In August 1991, Judy Willson was hired as the MIAA's first full-time sports information director. She left in 1994, and was succeeded by Matt Newbery, formerly the assistant sports information director at Pittsburg State. He became the assistant to the commissioner for media relations in 2005. Kellen Coleman replaced Newbery as Director of Communications for the 2008-09 season. A third full-time staff member was added in 2005, as former Emporia State track and field athlete Natasha Oakes was hired as the assistant to the commissioner for compliance. Larry House joined the staff in August 2007 as coordinator of external affairs.

The current membership of the MIAA is at 11 schools, with the departure of Missouri-St. Louis in 1996 and Missouri-Rolla in 2005, the forfeiture of membership by Lincoln in 1999 and the addition of Fort Hays State University in 2006 and the University of Nebraska-Omaha in 2008.

Last time

ESU reached the Post-Season

ESU reached the NCAA Division II Playoffs in 2003. The Hornets held a 3-0 lead at the half before Winona State scored 10 unanswered points to grab a 10-3 victory. Tyler Paul rushed for 107 yards and Tad Hatfield passed for 150 yards.

Last time

ESU won in the post-season

In 2002 ESU knocked off Winona State 34, 27 in overtime at the Mineral Water Bowl. Tyler Paul scored on the Hornets overtime possession and ESU defense held Winona State to earn the victory in annual game held in Excelsior Springs, Mo. Paul ran for 224 yards and three touchdowns as quarterback Tad Hatfield passed for 236 yards. Justin Gray hit two field goals including one from 28 yards away with only two seconds remaining on the clock to send the game to overtime.

ESU Runningback Brian Shay rushed his way to the Harlon Hill Trophy and NCAA Division II Player of the Year in 1998.

ESU CENTENNIAL FOOTBALL TEAM

Twenty-five individuals were honored during the 1997 season, the institution's 100th of football competition, as members of the ESU Centennial Football Team, presented by Birch Telecom. More than 300 former players were considered for the honor which was based on playing career at ESU; awards, recognition and achievement as a Hornet football player; team success; and contribution to the overall betterment of the program. Fans from across the country sent in more than 350 ballots, with the top 100 vote-getters forwarded to a committee which boasted more than 120 years of association with the ESU program.

EMPORIA STATE UNIVERSITY™

YOUR SCHOOL. YOUR TOWN. YOUR TEAMS

The Emporia State Athletic Department had another outstanding year in competition as well as in the classrooms, stands and community during 2009-10. ESU finished 25th in the final Learfield Sports Director's Cup standings, highlighted by the Lady Hornets capturing the school's first NCAA Division II Women's Basketball National Championship. Over 120 ESU student-athletes earned academic recognition from the MIAA for maintaining a 3.00 cumulative GPA and over 40 were presented D-II Athletic Directors Association Academic Achievement Awards. For the seventh year in a row the Hornets drew over 100,000 fans to their home athletic events with three teams ranked in the top 15 nationally. Student-athletes from ESU's 15 sports teams contributed over 2,100 hours of community service during the past year.

The Lady Hornet basketball team led the way for ESU winning it's first NCAA Division II National Championship defeating Fort Lewis 65-53 in St. Joseph, Mo. The Hornet men's Indoor Track and Field team had ESU's other top 10 finish as they finished ninth at the National meet. The women's team managed a 14th place finish at the Outdoor meet to pair with their 18th place finish indoors. The men's team completed the outdoor season by finishing in 22nd overall. The other Hornet squad to earn top 25 honors was the ESU softball team which placed 17th falling in the regional championship game at Turnbull Field in Emporia.

The Hornets finished second among all MIAA schools in the Director's Cup and become the top finishing school from the state of Kansas. ESU has finished in the top four in the conference in five straight seasons and was the best finisher amongst conference schools during the 2007-08 season.

The Hornet football team got the school year started on a high note with a resounding 48-17 win over Southwestern Oklahoma State. A season's best 6,019 were in Welch Stadium as the Hornets won their season opener for the ninth straight year.

The ESU volleyball team provided most of the fireworks in the fall, reaching as high as #3 in the nation. The Hornets wound up 29-6 and advanced to the NCAA Tournament for the fourth time in five years, ending the season ranked 13th in the nation. A season high 2,165 fans packed into White Auditorium to see #8 Emporia State defeat #7 Washburn in five sets.

Emporia State plays in front of some of the largest crowds in the nation in most sports.

The Lady Hornet basketball team captured ESU's first NCAA D-II National Championship, defeating Ft. Lewis College 65-53 in St. Joseph, Mo.

Jessica Decker became the first Hornet soccer player to earn second-team All-MIAA honors since 2005 and was joined on the All-MIAA team by fellow sophomore Tessa Pettyjohn on the honorable mention list.

Emporia's Jones Park was the site of the 2009 MIAA Cross Country Championships. Will Hohmeier and Skyler Delmott each earned honorable mention All-MIAA as Emporia State placed fifth in the men's team standings while the women placed eighth.

Since ESU does not host indoor track & field meets, basketball is the only game in town when it comes to winter sports. After finishing second in the MIAA during the regular season and getting eliminated in the semifinals of the MIAA Tournament, the Lady Hornets went on a six game winning streak to capture the school's first NCAA Division II National Championship. ESU defeated Ft. Lewis College 65-53 in front of a standing room only crowd at the St. Joseph Mo. Civic Arena.

The Hornet men's basketball team advanced to the MIAA Tournament semi-finals for the third time in five years, despite missing a combined 44 games on the season from starters due to injuries.

The Emporia State men got four All-American performances on the way to a ninth place finish at the NCAA Division II Indoor Track & Field Championships. The ESU women also got a top 20 finish, placing 17th as a team. Josh Schuler and Jennifer Robinson both had national runner-up performances indoors. Schuler in the men's 200m and Robinson in the women's high jump. It was the first top ten finish for the Hornet men since they placed fifth in 1999 and the best finish for the women since placing 15th in 2004.

The spring sports season started with the Hornet baseball team ranked #1 in the nation. They would end the year 42-16 and ranked 24th nationally. ESU's 42-16 record marked the sixth straight 40 win season.

The ESU softball team won their unprecedented seventh consecutive MIAA Tournament Championship with a 10-1 victory over Neb.-Omaha. The Hornets shared the regular season title with the Mavericks, the fifth time in six years ESU had swept the regular season and tournament championships. Miranda Campbell was named the Daktronics Ron Lenz National Softball Player of the Year for ESU.

The ESU Hornets won their seventh consecutive MIAA Softball Tournament Championship with a 10-1 victory over Nebraska-Omaha in Overland Park, Kan.

The Hornet women's tennis team advanced to the MIAA semi-finals with an upset of Southwest Baptist in the first round. Kevin Schoon was named the MIAA Sportsmanship Award winner for the second consecutive year. It is the third straight year and fourth time in six years a Hornet has earned that honor.

Jennifer Robinson won her first national championship in the outdoor high jump.

The men's track & field team finished in the top 25 outdoors for the sixth straight year and have scored points in 16 of the last 17 national championship meets. Zach Rosenberger led the Hornet men as he tied for third in the pole vault.

Jennifer Robinson wrapped up the competitive school year with an individual national championship in the women's high jump as the ESU women placed 14th nationally. Robinson cleared a school record 5-09.25 (1.76m) to earn ESU's 13th outdoor national championship and the first ever in the high jump for the Hornet women. Brooke Kent had a runner-up finish in the triple jump with another school record.

Emporia State would bring home several awards from the MIAA Awards Dinner in June in Kansas City. In addition to Cassondra Boston's Ken B. Jones Award as the top female student-athlete in the conference, ESU received the inaugural MIAA Game Environment Award of Excellence, Dr. John Rich was named the first-ever MIAA Student-Athlete Advisory Committee (SAAC) Mentor of the Year and the Athletic Department was recognized for having the highest differential of student-athlete graduation rate above the overall student body graduation rate. Hornet tennis player Kirsten Ford was selected as the MIAA's representative to the NCAA Student-Athlete Advisory Committee.

Hornet Athletics In Top 25 of Director's Cup Again

With six of 16 sports programs finishing the season in the top 25, including an NCAA National Championship in Women's Basketball, Emporia State University placed 25th in the final 2009-10 Learfield Sports Director's Cup standings with 437.25 points. It is the sixth straight year ESU has finished in the top 50 nationally out of nearly 300 NCAA Division II schools.

"YAPS, YELLOW JACKETS AND HORNETS"

Here come the Hornets! Go Hornets Go! How did Emporia State University really get to known as the Hornets?

A casual conversation between Vic Trusler and an Emporia Gazette reporter named Cecil Carle led the establishment of the Hornets as Emporia State's mascot. In the early 1930's, the Teachers College students were called the Yaps. It is uncertain why the students were called that except popular legend suggests that because they were teachers, they did a lot of "yapping." In any case, most of the students were not fond of the moniker.

Trusler, a legendary figure on campus in the 1930's, and coach at Roosevelt High School, and Carle, without design, were instrumental in getting the name changed. Carle was seeking information on the official name of the Roosevelt High School team. Trusler suggested he call the Roosevelt team the Bluejackets since they wore blue jerseys.

In that momentous conversation, Trusler further commented that the students at the Teacher College really did not like being called the Yaps. Instead he suggested they be called the Yellow Jackets because the men wore yellow sweaters with black stripes on the sleeves. And, like the insect, they had quite a sting to them. Nothing further was said, but the next Gazette article about the Teachers College referred to the students as Yellow Jackets.

The evolution of the name Yellow Jacket to Hornet is almost anti-climatic. A lack of newspaper space forced the Yellow Jacket to be shortened to Harnet. For a while the two names were interchanged and used throughout the state.

To further cement the Hornet tradition, the football team received new uniforms in 1936. They were almost entirely black prompting some to suggest that the team be called the Mud Daubers, which are yellowjackets, which are hornets, which game more sting to the legend.

"Corky" first appeared on the scene in 1934 when Paul Edwards, then a sophomore, made what he thought was a more representative figure of the school mascot than the stereotyped hornet being used. He entered it in a contest and finished second. Not to be discouraged Edwards redrew his hornet and showed it to Ray Maul, then manager of the Memorial Union, who thought he could "use the buzzard." The Corky figure would soon become popular on campus.

Edwards liked his Corky so much he patented the bug in 1936, which dated its 50th anniversary to 1986. During Homecoming 1987, Edwards dedicated a Corky the Hornet statue he sculpted and is now on display in the Memorial Union Bookstore. A large number of Corky's cropped up beginning in 2003 during a Parade of Corkys throughout Emporia and many of them are still on display around campus and in the community.

FACILITIES

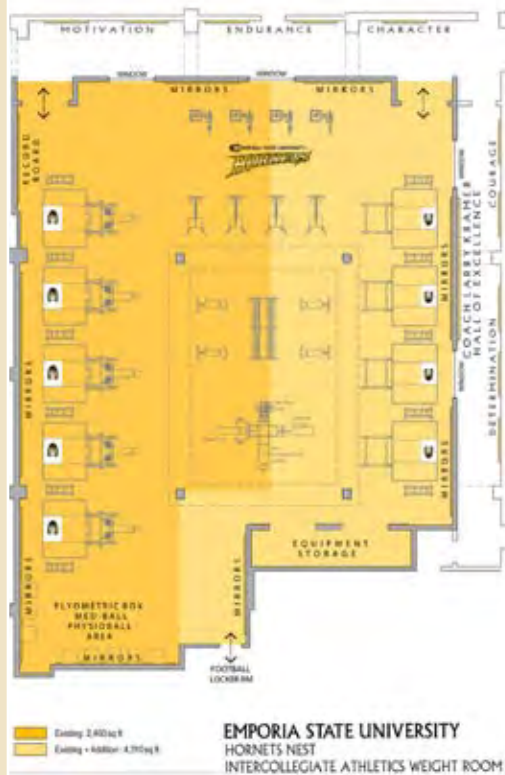

Over the last several years, Emporia State has implemented several projects to upgrade their facilities. The projects continue to give Emporia State some of the finest venues in NCAA Division II.

The Emporia State Athletics Weight Room was renovated and expanded over the summer into one of the top facilities in the MIAA. The renovation increase the area of the current "Hornet's Nest" from 2,460 square feet to over 4,300 square feet and includes state of the art equipment. When the current Hornet track and field weight room, located on the lower level of the HPER Building, is added to the total ESU will have over 6,000 square feet dedicated to athletic strength and conditioning.

Opened in 1937 and dedicated in 1960, Welch Stadium sits just north of beautiful Lake Wooster in the heart of the ESU campus. Crowds as large as 10,000 fans have watched games when bleachers were added in each end zone. Permanent lighting makes it possible to televise games and play at night.

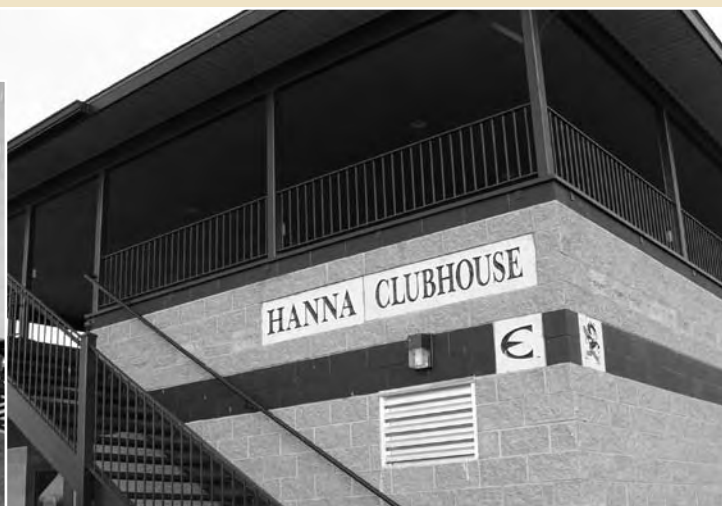

The facility also has been used extensively by individuals outside the University community. Welch Stadium is the home field of the Emporia High School football team and has hosted the Kansas Special Olympics, the 1998 and 2004 Kansas Shrine Bowl. The 1995, 1999 and 2006 NCAA Division II National Track Championships were held here as well.

A Super Turf playing surface was installed at Welch Stadium in the fall of 2005. The field is named Jones Field at Welch Stadium in honor of the W.S. and E.C. Jones Testamentary Trust, the lead contributor to the project.

Zola Witten Track at Welch Stadium was resurfaced over the summer of 2005 as well. The resurfacing prepared ESU as the host site of the 2006 NCAA II men's and women's outdoor track and field national championships. The facility hosted the same event in 1995 and 1999.

The Hanna Clubhouse at the Trusler Sports Complex, just north of the ESU campus, has been in place since 2007. The facility houses locker rooms for baseball and softball, as well as coaches offices. It gives Hornet student-athletes on the teams a place to call home before and after games and practices. The second floor of the building serves as an observation deck.

FACILITIES

Throughout NCAA Division II programs, White Auditorium, built in 1940 as a product of President Franklin D. Roosevelt's Work Projects Administration (WPA), is regarded as one of the premier basketball arenas in the nation. The 70 year old facility was upgraded during the fall of 2008 with a new scoreboard and video board as well as a new color scheme on the arena floor and the throughout the entire building.

The approximately \$270,000 improvement project was funded with City of Emporia general fund and Convention and Visitors Bureau, along with contributions from ESU, the Walter S. and Evan C. Jones Trust, Emporia Sports Promotions, Inc., and Sunflower Gymnastics.

In the fall of 2009 the original wooden balcony seats were replaced with modern black plastic seats, that include cup holders.

In addition to White Auditorium, the ESU basketball and volleyball teams also have a practice facility in the Health, Physical Education and Recreation Building on the Emporia State campus. The practice facility in the HPER underwent a major renovation during the summer of 2008. A new lighting system was installed as well as the playing court getting resurfaced to match the arena floor at White Auditorium.

ESU dedicated Milton Tennis Courts in 2004 in honor of former coach George Milton. Milton was a coach at ESU from 1966-99. The facility, located west of the HPER Building on campus, is used by the men's and women's tennis program and it hosted the Hornet women's first ever trip to the NCAA tournament in 2005. The Hornets also play matches at the Emporia High School Courts in northwest Emporia. The EHS complex has 12 lighted courts, allowing for men's and women's matches to be played at the same time.

Jones Park in northwest Emporia is the home of the Emporia State cross country program. The park provides practice facilities and the host-site for the ESU Invitational, a meet hosted by ESU each year. Jones Park was the host site for the 2009 MIAA Cross Country Championships.

For the first time in the programs eight year history, Hornet soccer played their entire home schedule on the ESU campus in 2009. The ESU Pitch is located north of the HPER Building and provides easy access for Hornet fans.

EMPORIA STATE UNIVERSITY™

YOUR SCHOOL. YOUR TOWN. YOUR TEAMS

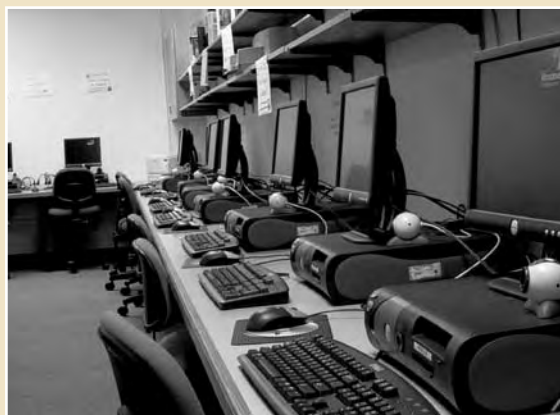

FACILITIES

Emporia State is committed to providing student-athletes with an environment that will maximize the potential for success. ESU's Health, Physical Education and Recreation Building houses offices for coaches and administrators, weight room facilities, a swimming pool, computer lab, five practice gymnasiums and a state-of-the-art training room. The practice gyms allow the baseball, softball and track and field teams a chance to practice indoors, as well as offer additional practice space for basketball and volleyball.

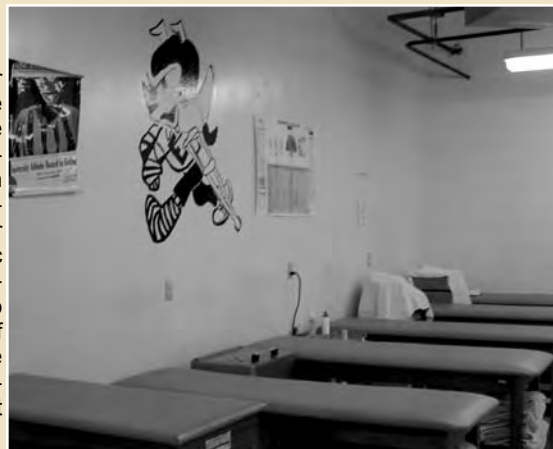

A swimming pool in the HPER Building provides student-athletes conditioning and an additional option for physical therapy.

The computer lab on the HPER Building is just one of many available to student-athletes on the ESU campus. Over 200 computers are available on campus, providing ESU students the highest technologies available.

The Emporia State training room facilities offer student-athletes the finest athletic medicine care available. Director of Sports Medicine John Baxter, along with full-time staff members Blaise Kriley and Leslie Kenney establish injury and illness prevention programs, evaluate and provide immediate care for injury or illness, rehabilitate and recondition athletic injuries, and provide health care administration, education and counseling as related to injury or illness, all under the supervision of Dr. Marshall Havenhill, M.D. Assisting the full-time staff are two certified graduate assistants and numerous undergraduate student assistants.

HORNETS IN THE COMMUNITY

Emporia State student-athletes didn't just provide the Emporia community with exciting sports action throughout the year, the Hornets also provided the community with over 2,100 hours of community service during the 2009-10 year.

Working with organizations like the Make-A-Wish Foundation, Special Olympics, Rebuilding Together, Abundant Harvest Food Kitchen and several local elementary schools, the Hornets contributed over 2100 hours of community service. From painting homes for the disadvantaged, cheering on Special Olympics competitors, collecting canned foods and to recycling, Emporia State student-athletes could be seen all around Emporia lending their time.

Our relationship has been and will continue to be very strong with Emporia. Our teams have been a constant in the community. The teams pay attention to the community perceives them and it is important that we maintain our great relationship.

MIAA Game Environment Award of Excellence

In response to the creation of the Division II game environment initiative, ESU created "The Sportsmanship Statement", which is presented by a student-athlete either live, via audio recordings, or filmed and shown on a video board to the fans before the start of home football, soccer, volleyball, basketball, softball and baseball contests. The statement encourages fans to cheer for their team while also showing respect to other players, fans, coaches and officials. In addition to the Sportsmanship Statement, the ESU SAAC also created the Sportsmanship Creed, which is displayed in each team's locker room. The Creed was designed to not only convey what it means to be a student-athlete at the institution, but to address how student-athletes should conduct themselves within the campus, community and on the field of play by reaffirming the ideas of Honor, Outstanding, Respect, Nobility, Enthusiasm, Teamwork and Support, better known as H.O.R.N.E.T.S.

MIAA SAAC Mentor of the Year

Dr. John Rich, Associate Dean of the ESU School of Business and the Faculty Athletics Rep at ESU, has assisted student-athletes to maintain their eligibility by reviewing NCAA rules they must follow and helping them complete their eligibility paperwork. He is constantly in contact with student-athletes either in the classroom or at sporting events. This year, he suggested the initiation of a chapter of the national athletic honor society, Chi Alpha Sigma, at ESU. Not only did he help organize the charter chapter and its initiating ceremonies, but he also made a financial donation to pay for the entry fee into the national organization. Dr. Rich was President of the MIAA from 2001-2003, and he has been a member and chair of many different MIAA committees. After attending an NCAA leadership conference with two student-athletes, he helped organize the first Senior Prom at ESU. It is greatly due to his efforts that this event continues successfully even after the originating student-athletes have graduated and moved on.

Graduation Rate Differential Award

The MIAA uses the graduation rate information from the Department of Education to compare its student-athletes academic success with that of the general student body. ESU had the graduation rate highest above its student body rate with 70 percent of its 2002-03 freshmen on athletically-related aid earn a degree within six years, which was 26 percentage points above the general student body rate.

THIS IS EMPORIA STATE UNIVERSITY

Emporia State University is a comprehensive Regents university primarily serving residents of Kansas by providing leadership in quality instruction, related scholarship and service. A student-centered institution, its central mission is to develop lifelong learning skills, impart society's cultural heritage, and education and prepare for both the professions and advanced study. Faculty, staff and students interact in a collegial atmosphere that fosters freedom of inquiry and expression.

ESU provides undergraduate educational opportunities designed to meet the broad goals of basic skill development and general education, as well as the more specific goals of a variety of programs in art and sciences, business, education, and library and information management.

Graduate programs serve needs and provide leadership within the region, the state and the Great Plains area. The university offers programs of national distinction in Education and Library and Information Management, including a Ph.D. in Library and Information Management.

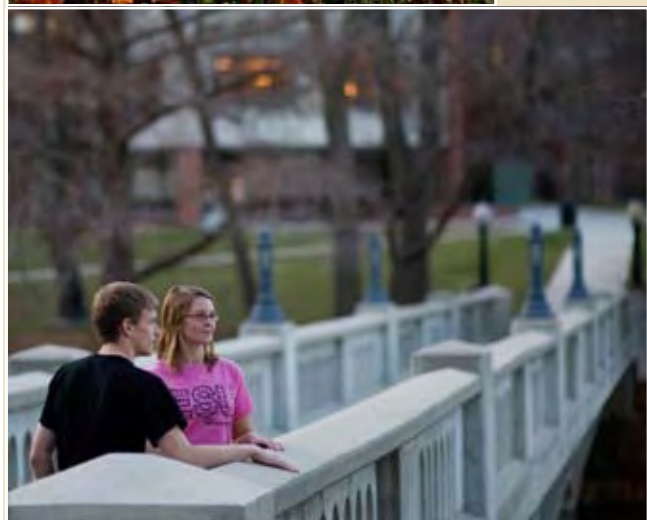

ESU's arts and sciences programs and offerings at the undergraduate and graduate levels provide a solid foundation for further learning, preparation for the many avenues of employment to which the basic disciplines lead, and the advanced knowledge necessary to enable professionals, including teachers, to move ahead in their fields and accept increased responsibilities and challenges.

As a national leader in teacher preparation, the Teachers College at ESU has a rich history of preparing teachers to succeed in the classroom. ESU offers well-established teacher preparation programs that support the growing need for quality teachers in all disciplines. ESU's teacher education program was selected as one of four "model" teacher preparation programs in the nation.

The School of Library and Information Management (SLIM) prepares students to analyze and manage information on a global scale. With coursework through the doctorate level, SLIM offers graduate-level instruction for information managers in all professions. SLIM is the only school accredited by the American Library Association in a 12 state area.

ESU's School of Business educates students to be entrepreneurs, critical thinkers and leaders in the workplace. Graduates hold leadership positions in some of the most prestigious companies throughout Kansas and the Nation. The School of Business is accredited by the Association to Advance Collegiate Schools of Business (AACSB International) AACSB, the mark of quality distinction most widely sought after by business schools. Less than one fourth of the business programs in the U.S. are accredited by AACSB International. The accreditation is the "gold standard" that identifies programs of the highest quality.

An \$18.5 million renovation of ESU's Memorial Union is currently underway and the total project is slated to be complete by fall of 2012. The Memorial Union was constructed in 1925 in memory of the students who fought and died in World War I. Additions were constructed in 1958, 1963 and 1972.

THIS IS EMPORIA STATE

As an institution of higher education, Emporia State University is committed to helping students, faculty, staff and administrators acquire those skills necessary to enable them to think critically, to question intelligently, and to analyze complex and diverse ideas in order to become thoughtful, educated world citizens.

In a recently-released survey, Emporia State University surfaces as an institution that enables close partnerships and communication between students and faculty. The National Survey of Student Engagement (NSSE), administered to freshmen and seniors, compares responses from Emporia State students with their peers at colleges and universities in Kansas and across the nation.

Emporia State University is an equal opportunity institution of higher education where individuals of diverse backgrounds and beliefs come to learn and work together professionally and respectfully. As a university, we seek to create and uphold high intellectual standards within a learning community, to make those intellectual standards accessible to all who engage in the learning process, and to foster a curiosity about life and society that will lead to informed and involved citizenship. Learning requires critical thinking about the production of knowledge and the various beliefs that people may hold, as well as opportunities to test and actively engage with new ideas.

EMPORIA CITY PROFILE

Among Emporia's notable citizens are William Allen White, editor and owner of The Emporia Gazette newspaper, and NASCAR Sprint Cup driver Clint Bowyer. Today, Emporia is a manufacturing, education, transportation, trade, medical and cattle center of the east-central Kansas region. Emporia is the county seat of Lyon County, with a total county population of approximately 35,500.

Located midway between Kansas City and Wichita on the Kansas Turnpike, Emporia is an important crossroads and trade area for the east-central Kansas population of approximately 85,000 people.

The Burlington Northern Santa Fe railroad mainline passes through Emporia. The Emporia Municipal Airport, with a 5,000 ft. hard surface runway, can accommodate most corporate aircraft.

Emporia State University is one of the finest medium-sized universities in the Midwest. More than 6,000 students are enrolled in outstanding programs in education, business, arts and sciences, library science and information management.

MEMORIAL UNION RENOVATIONS

Construction is currently underway on an \$18.5 million renovation of ESU's Memorial Union. The total project is slated to be complete by fall of 2012. The Memorial Union was constructed in 1925 in memory of the students who fought and died in World War I. Additions were constructed in 1958, 1963 and 1972.

Students approved, 739-181, a fee increase to help pay for the project.

A Lawrence architectural firm, Treanor Architects P.A., designed the renovation plan following a series of meetings with ESU students, staff and Emporia residents.

Included in the renovation:

- Creation of new student lounge space and performance area
- Renovation of the current student cafeteria
- An addition on the east side of the building featuring a new entrance, information center and Admissions office
- Redesigned entrances to the building's west, south and east sides
- Redesigned meeting spaces and traffic patterns inside the building
- Environmentally-friendly improvements to the building's heating, ventilation and cooling systems

MEMORIAL UNION RENOVATIONS

The process to get the renovation going has been a long one with the first meeting about the project occurring in 1999. Still, the effort didn't start in earnest until the fall of 2007. The current renovation plans aim to make the union into a "living room space" for ESU students, ESU President Michael Lane said.

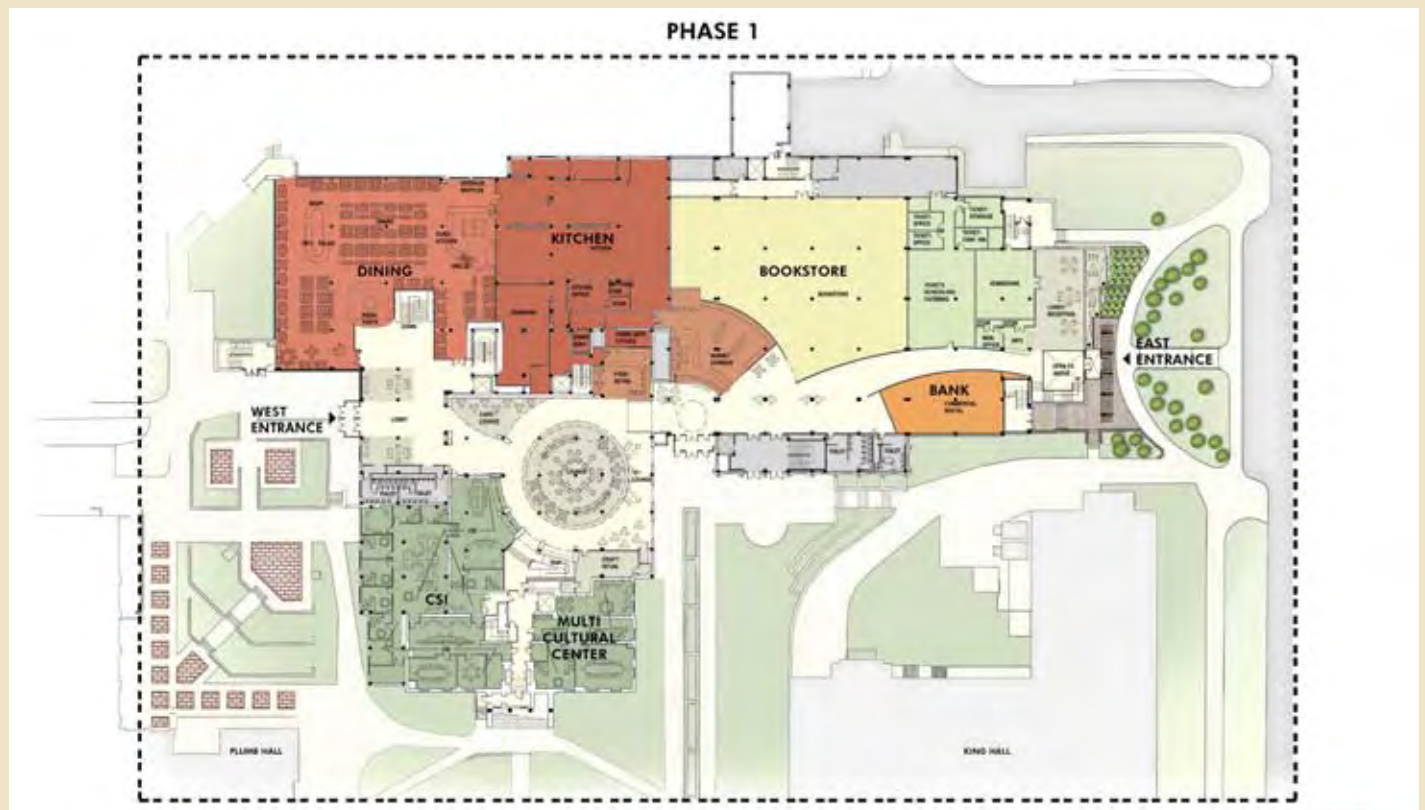

The Memorial Union has a long and storied history on the ESU campus. Originally opened in 1925, the union was built as a tribute to the students who fought and died in World War I. Since then, the union has had four additions.

"I think it's really critical to our current and future students," Lane said. "It really is supposed to serve as a functional meeting place, a social place, a gathering place, an eating place for our students as well as our faculty and staff."

"We want to upgrade the windows and lighting to make them environmentally friendly," Lane said, "as well as more efficient heating and cooling that will be environmentally friendly. The finishes will be done with environmentally friendly materials as well. We want to make the building as green as we can as well as comfortable for our students, faculty and staff."

In addition, the university is looking to move its admissions office to the union.

"(The union) will become the university's front door," Lane said, "and it needs to be attractive to current and prospective students."

A COMMITMENT TO QUALITY EDUCATION

•In the 2009-10 academic year, 53 percent of ESU's student-athletes achieved a grade-point average of 3.0 or better.

•Free health care, pharmacy, and legal services are available as part of your student fee package.

•In recent years, off-campus locations for courses at ESU have included the jungles of Peru, the caves and coral reefs of the Bahamas, and the castles of Spain.

•Nearly 500 students from almost 50 countries across the globe make up ESU's diverse international student population.

•Emporia State University and Kansas State University, both founded in 1863, were the first two universities in the state.

•ESU was one of the nation's first campuses to be accessible to the physically challenged.

•Every room in the ESU Residence Halls is wired for Internet access and wireless access is available across most of the campus. If you don't have a computer there are over 200 computers available in various labs across campus.

•ESU helped establish the National Teachers Hall of Fame, located in Emporia, in 1989.

•Modern and beautifully remodeled residence halls, along with fraternity and sorority houses, and married student apartments, provide excellent and comfortable living units to ESU students.

•ESU hosted the 1995, 1999 and 2006 NCAA Division II Outdoor Track and Field Championships, 1996 NCAA Women's Softball Championships, and 1998 NCAA II Cross Country Championships as well as numerous NCAA regional tournaments.

•Emporia State University, nationally known for its teacher preparation program, was named one of four 'model' teacher preparation programs in the nation in a report "Educating School Teachers" written by Arthur Levine, president emeritus of Columbia University Teachers College.

•ESU is the first and only university in the world to offer a four-year degree in Engraving Arts.

•Emporia State University was named one of the "Best in the Midwest" by the Princeton Review. One thing that puts this ranking above the rest is that it is based on student opinion data and surveys filled out by current ESU students.

•Over 93% of graduates from the ESU Teachers College remain in the profession after five years. Nationally, 30 to 50% leave the profession before completing three years in the classroom.

•Emporia State University's School of Business is proud to hold the distinction of being accredited by the Association to Advance Collegiate Schools of Business (AACSB). Less than ¼ of all business programs in the US hold this distinction. This accreditation is the "gold standard" that identifies programs of the highest quality.

ESU ADMINISTRATION

President

Dr. Michael R. Lane

Dr. Michael R. Lane became the 15th president of Emporia State University on November 1, 2006 and since then ESU Athletic teams have played in three national championship games, highlighted by the Lady Hornets 2010 NCAA Division II Women's Basketball National Championship. Under his watch the Hornet Athletic

program has seen thirteen of the fifteen athletic programs compete in NCAA postseason competition while maintaining a 3.00 cumulative GPA. ESU has maintained a top 40 standing in the Learfield Sports Director's Cup standings under his watch and was the top MIAA school, finishing #11 in the nation in the 2007-08 Director's Cup Standings.

The success is not only in the playing arena as ESU ranks in the top 20 in the nation in producing Academic All-Americans in the 21st century. Sportsmanship has also been high under Dr. Lane, with ESU winning the MIAA Game Environment Award of Excellence in 2010. The NCAA and National Association of Collegiate Marketing Administrators recognized Emporia State as the MIAA's recipient of the 2008 Community Engagement Award of Excellence.

"Athletics is a key part of the educational experience at Emporia State," says Lane. "We try to foster a positive environment of sportsmanship and integrity for our student-athletes."

Dr. Lane earned a Ph.D. in Accounting from Texas A&M University, a master's degree from Northeastern University and a bachelor's degree from Lowell Technological Institute (now the University of Massachusetts at Lowell).

A native of Melrose, Massachusetts, Dr. Lane's career in higher education began in Boston as an assistant professor of accounting at Northeastern University. As a professor at Bradley University he served as Chair of the Department of Accounting, Associate Dean of the College of Business and Director of the MBA Program. In 1994 he was named dean of the School of Business at Indiana University-Purdue University Fort Wayne. He later advanced to dean of the Campbell School of Business at Berry College in Rome, Ga. At Mansfield University of Penn., Lane served over four years as provost and vice president for academic affairs. Prior to coming to Emporia State, he was vice chancellor for academic affairs and provost at the University of Arkansas – Fort Smith.

Dr. Lane was active for many years in the American Accounting Association, serving on the board of the Midwest region. He served Beta Alpha Psi, the national accounting honors and professional fraternity for several years as faculty vice president at Northeastern University and Bradley University where he was selected as one of five "Outstanding Faculty Vice President" by the national organization. Dr. Lane also served on the national Council of Beta Alpha Psi.

As a business dean, Dr. Lane was active in regional activities of Association to Advance Collegiate Schools of Business (AACSB). Dr. Lane has published or presented more than two dozen papers and has written ethics cases for a principles of Accounting text book.

A strong advocate for international education, Dr. Lane has traveled internationally many times as an advocate for international education and collegiate partnerships. His international emphasis for ESU has been in Asia where he has visited with ESU partners in South Korea, Japan, and the People's Republic of China. Dr. Lane encourages all students to study abroad and experience the world.

President Lane is a member of Congressman Jerry Moran's Executive Committee. He recently completed a term as a member of the Math and Science Education Advisory Committee to the Kansas Legislature. He is currently a member of the Kansas Park Trust, Steering Committee for the Visitors Center at the Tallgrass Prairie National Preserve and a member of the Board of Directors of the Kansas Park Trust. He also serves on the Board of Directors for the Kansas Business Hall of Fame, the Regional Development Association of East Central Kansas and the National Teachers Hall of Fame. He serves on the Newman Regional Health Board of Trustees and on the Board of Directors of the Emporia Area Chamber of Commerce. He is a member of the Kansas Cavalry, and the Rotary Club of Emporia and a graduate of the 2009 Class of Leadership Kansas.

His wife, Dr. Peggy Lane, is the Chair and Professor in the Department of Accounting and Information Systems in the Emporia State University School of Business.

ESU ADMINISTRATION

Athletic Director

Kent Weiser

Under the leadership of Director of Athletics Kent Weiser, Emporia State has consistently competed at the national level in NCAA Division II on the field, in the classroom and in the stands. In the last five years, three different Hornet programs have competed in four national champi-

onship games, culminating with the Lady Hornets 2010 NCAA Division II Women's Basketball National Championship.

ESU has ranked in the top 50 of nearly 300 D-II schools in each of the last five years, highlighted by an MIAA best 11th place finish in the 2007-08 Director's Cup Standings. In the classroom, Emporia State is ranked in the top 20 in the nation in producing Academic All-Americans in the 21st century. The athletic and academic success has combined to place every ESU program in the top 25 in national attendance at some point during Weiser's ten year tenure.

The Hornets have won 23 MIAA regular season team championships and have finished in the top 20 of Division II in eleven different sports under Weiser's leadership.

ESU Athletics had five top 20 team finishes in 2009-10 as ten of 15 programs made the NCAA post-season. In addition to the Lady Hornets national championship in basketball ESU also picked up top 20 finishes by the men's and women's indoor track & field, softball, and women's outdoor track & field teams.

In the classroom ESU ranks in the top 20 in the nation among Division II schools with 16 Academic All-Americans in the 21st century. ESU regularly places over 50 percent of its student-athletes on the A.D.'s Honor Roll and has had an NCAA Top VIII Award winner under Weiser. Nine coaches hired by Weiser have been named MIAA Coach of the Year in their respective sports. During the 2003-04 school year Emporia State was the first NCAA Division II institution to advance to the postseason in football, men's and women's basketball, baseball and softball with 11 of ESU's 15 programs competing in the NCAA postseason.

Major capital improvements, such as the ESU Athletics Weight Room, Hanna Baseball/Softball Clubhouse, Jones Field SuperTurf, the artificial turf infield at Glennen Field, new scoreboards at the Trusler Sports Complex and White

Auditorium and the resurfacing of Witten Track have been completed under his watch with 100% of the nearly \$2 million coming from donors. These improvements have helped maintain those facilities as some of the best in the nation at the Division II level. His leadership of ESU's fund raising efforts led to the largest single gift for athletics scholarships in school history, a \$1.25 million contribution in 2004.

He helped establish the first department-wide shoe and apparel contracts in NCAA Division II, when ESU partnered with adidas in 2000. ESU is still just one of just two NCAA Division II athletic programs in the nation to be a Direct Sales Partner with adidas. The agreement stretches buying power of all 15 Hornet programs and is similar to programs designed for NCAA Division I institutions.

While other institutions were faced with reducing sports, Weiser spearheaded the effort to add women's soccer as a varsity sport, increasing participation opportunities for women at the University for the first time since 1980. His efforts helped ESU receive a grant from the NCAA in support of expanding administrative opportunities for women and minorities.

Weiser has been a guest panelist at numerous NCAA and NACDA meetings, including for the Division II Strategic Alliance Matching Grant Enhancement Program and the NCAA Leadership Institute for Minority Males.

Weiser, a native of Great Bend, Kan., received a Bachelor of Arts and a Master of Science in Education from the University of Kansas. He began his career in athletics at KU, where he worked from 1981-88. During that time, he held administrative positions as ticket manager and marketing director. He also served as the Kansas women's golf coach from 1984-88.

He was the associate director of development for Ottawa University from 1990-93. He joined Emporia State in 1999, after serving as associate athletic director at Oregon State University for six years.

Weiser is married to the former Amy Pangrac, and the couple has two daughters, Katie and Abby.

ESU ADMINISTRATION

Associate Athletic Director for External Operations

Shane Shivley

Shane Shivley is in his eighth year with the Emporia State Athletic Department. Promoted to Associate Athletic Director in August of 2006, Shivley directs and manages all income generating activities for the athletic department. This includes supervision of the marketing, ticketing, and facilities offices.

Shivley has also led efforts to increasing the annual athletic giving each year of his tenure. In 2008-09 Athletic giving topped \$1.12 million according to figures from the ESU Foundation.

Under his supervision the Hornets have spearheaded campaigns to construct the Hanna Baseball/Softball Clubhouse, renovate and expand the ESU Athletics Weight Room, install SuperTurf for Jones Field at Welch Stadium, the resurfacing of the Witten Track, a remodel of the Basketball Practice Facility, Glennen Field Baseball Turf, and a state of the art baseball hitting facility. These improvements have helped maintain those facilities as some of the best in the nation at the Division II level.

A native of Parsons, Kansas, Shivley earned a bachelor's degree in business from Emporia State in 2000 and his Master's in Sport Administration from Wichita State in 2002.

He is married to the former Mary Decker. The couple are the proud parents of a daughter, Alexa and a son, Maddox.

Associate Athletic Director for Internal Operations/SWA

Carmen Leeds

Carmen Leeds is in her tenth year as Associate Director of Athletics for Internal Operations and Senior Woman Administrator (SWA). She oversees areas of NCAA compliance, CHAMPS/Life Skills, student-athlete services and athletic training.

Under her supervision, each year the ESU Student-Athlete Advisory Committee perform over 2,000 hours of community service. SAAC has raised \$3,400 the past three years for the Make-a-Wish Foundation.

The student-athlete advisory committee has sponsored the annual Senior Citizen's Prom for the local community, winning the inaugural Community Engagement Award of Excellence for the MIAA. ESU won the 2010 MIAA Game Environment Award, for creating a positive sports environment, spearheaded

by the SAAC's development of the ESU Sportsmanship Creed. SAAC was also awarded the "Outstanding Recognized Student Organization" at Emporia State University.

She currently serves on the NCAA Student-Athlete Affairs Advisory Committee and is the Student Athlete Advisory Committee liaison for the MIAA. She is a past member of the NCAA Division II national women's basketball committee and NCAA softball regional advisory committee. She has been a facilitator at the NCAA Leadership Conference, the Division II Regional Leadership Conference and NCAA CHAMPS/Life Skills Orientation Conference.

She was formerly the head women's basketball coach and SWA at South Carolina-Upstate. She coordinated the Athletes Can Educate (ACE) program and implemented the school's Student-Athlete Advisory Committee (SAAC). As basketball coach, she had a 100 percent graduate rate among four-year players.

She received her bachelor's degree from Appalachian (N.C.) State and her master's from Clemson University.

She is married to Greg Leeds, a 1984 ESU graduate, and the couple has three sons, Brian, Matt and Parker.

ESU ADMINISTRATION

Assistant Athletic Director for Media Relations

Don Weast

Don Weast has been in charge of media relations at Emporia State for ten years and is in his 11th year as a full-time member of the ESU Athletic Department.

Promoted to the title of assistant athletic director for media relations in 2003, Weast oversees media relations, publications and Web

site management for the 15 sport intercollegiate athletic program at ESU.

His office has won three Best in Nation awards from CoSIDA for publication excellence. Hornet student-athletes have been voted to All-American honors 24 times and Academic All-American honors 16 times, including three national players of the year and two Academic All-Americans of the Year.

A 1998 graduate of ESU, Weast was a sports supervisor at the Emporia Recreation Commission prior to returning to ESU as a student in the sports information office in 1997.

After a year of graduate work at Central Missouri, he returned to ESU in 1999 as the director of sports promotions. He began his association with the Hornets as a student athletic trainer in 1986. Weast spent part of the 1989-90 season with the now defunct Topeka Sizzlers of the CBA as an athletic trainer.

He earned his BFA from Emporia State in 1998 and is married to the former Terri Kaiser, a 1998 MLS graduate of ESU. The couple have a daughter, Emma and a son, Jack.

Director of Athletic Publications

Josh Slaughter

Josh Slaughter is in his fourth full year as Assistant Director of Athletic Media Relations and Director of Athletic Publications at Emporia State after coming in February of 2007. His responsibilities include designing media guides, preparing

game notes and other game day responsibilities. During his time as baseball contact five players have been named All-Americans and Keith Hernandez was named the 2008 NCAA Division II Player of the Year.

Prior to coming to Emporia State, Slaughter was a Kansas Press Association (KPA) award winning photojournalist with the Osage County Herald-Chronicle in Osage City, Kan. He has also been read as a freelance journalist and columnist for several area newspapers. He served as one of the radio voices of the NAIA VSN All-Star Football game played in Kansas City from 2007-09.

He is a 2006 graduate of Sterling College where he was involved in both print and broadcast journalism. While in college he was both a Kansas Association of Collegiate Press (KACP) and Kansas Collegiate Broadcasters (KCB) award winner. He was the very first radio voice of the Sterling College Warriors when Sterling College Radio went on air in 2005. He also hosted a national NAIA Athletics Radio Show called "Evening the SCOR" from 2005 to 2006.

He was a 2003 graduate of Chaparral High School in Anthony, Kan., where he was a two-year letterwinner in baseball and golf.

ESU ADMINISTRATION

Director of Marketing

Jake Bassett

Jake Bassett is in his first year as the Director of Athletic Marketing for Emporia State University. He spent part of the 2009-10 school year volunteering with the Hornet Athletic Department.

A former football player for the Hornets, Bassett worked in professional sports with the Kansas City Royals, and Tampa Bay Rays of Major League Baseball, the Kansas City Wizards of Major League Soccer as well as the National Football League's Tampa Bay Buccaneers.

His primary duties at Emporia State revolve around overseeing the sponsorships and advertising revenue as well as the direction of athletic marketing and promotional efforts. He also oversees much of the department's print production, enhancement of student and fan participation, enhancement of game-day atmosphere and assisting with all phases of event management and operations.

Bassett graduated from Emporia State with a bachelor's degree in Communications in 2007 and went on to receive a Master's Degree in Sports Management from Wichita State in 2009. A native of Junction City, Kan., he is married to the former Shanna Williams.

Director of Operations & Event Management

Cody Moors

Cody Moors is in his third year as Director of Athletics Operations/Events and Facilities. He oversees game management of home events, scheduling and maintenance of the athletic buses, and oversees the athletic facilities of ESU Athletics.

Moors served as the ESU Athletic Administrator for the 2009 Division II Leadership Academy assisting student-athletes in developing leadership action plans to take back to their universities. Along with his national leadership training, he has implemented the "Hangin' with a Hornet" mentoring program for Emporia Middle School to help develop social, academic, and leadership skills for 7th and 8th graders, as well as ESU Student Athletes.

Prior to coming to ESU, Moors served eight years as an At-Risk Aid/Event Supervisor for Eisenhower Middle School in Manhattan, Kan. He served as the Head Wrestling Coach for two years and an assistant coach for six years. He was actively involved in the supervision and athletic event game management for EMS. Moors is a 2008 graduate of Kansas State University with a Bachelor of Science degree in Sociology.

He is married to the former Jessi Decker, a 2003 graduate of Emporia State, and the couple has one daughter Madison.

Athletic Business Manager

Davonne Hinz

Davonne Hinz is in her 12th year as the athletic business manager at Emporia State. The Melvern, Kansas native has been at Emporia State since 1985 and has worked in the Hornet Athletic Department since 1995.

She is responsible for the day to day business operations of the 15 sport athletic program at ESU and maintains the budget for the Hornet athletic department.

She has a daughter, Kelsi.

ESU ATHLETICS MEDIA RELATIONS

HPER 113 • 1200 Commercial • Box 4020
Emporia KS 66801

Emporia State University media guides assist you in your coverage of the Hornets and the Mid-America Intercollegiate Athletics Association. Additional information may be requested by calling Don Weast at (620) 341-5526 or via e-mail at dweast@emporia.edu. His office is housed in the HPER Building, Room 113.

Credentials

Credentials for all Hornet events may be obtained by calling Weast by noon one-day prior to a home game. Your name will be placed on the media pass list located at the entrance to facility. Should you need a credential for a road contest, you are advised to make your request at least one week prior to the road trip so we can place you on our media list.

Parking

Parking around ESU Athletic venues is not reserved for members of the media. Please arrive in plenty of time to ensure a parking spot close to the facility.

Game Services

A media packet including a game program, press release, statistics, etc., is available to media before the game. Complete statistics will be available following the game.

ESU Post-event Interviews

ESU head coaches and selected players will be available in a designated interview area following a brief cooling-off period. Please give a list of requested players to ESU athletic media relations personnel.

Please check with the opponent SID for their post-game policy.

Mid-week Interviews

Practice is open to the media during the week. Please check with Don Weast for the time. Should you need to do a mid-week interview with a player, we request 24-hours notice in meeting your demands.

ESU on the Radio

For the 20th straight season, Hornet athletics can be heard on KFFX-FM, 104.9. ESU football and men's and women's basketball, along with selected baseball and softball games, will be broadcast. Emporia's Radio Stations (KFFX-FM, KVOE AM and FM) will once again provide ESU fans with the best source for keeping up with the Hornets. Salina native Greg Rahe is in his 20th year of serving as the Voice of the Hornets. Rahe has been honored by the Kansas Association of Broadcasters and taken first place for "sports play-by-play" in a Kansas medium market.

In addition to game coverage, Rahe will host a weekly show "Hornet Talk" on Mondays at noon. Saturday Morning Sports Talk, a popular area show, can be heard every Saturday morning from 8-9 a.m. Rahe is joined by Tim Miller and Steve Sauder.

Hornet Webcasts

All Hornet athletic events broadcasted by KFFX-FM, 104.9 will also be available online. Follow the "Hornet Broadcasts" link at www.emporia.edu/athletics to hear the live action all around the world. Video webcasts of MIAA games in the sports of football, men's and women's basketball will be available on a pay per view basis through B2tv.com.
