Bryan Sailer begins his second season as the Hornets head coach. In 2011 he led the team to a 3-10-5 record and their first ever appearance in the MIAA Tournament.

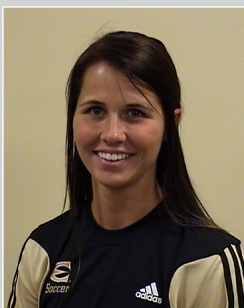

Sailer has been a winner everywhere he has coached with a combined collegiate and high school record of 244-68-12 at three schools, including a 59-23-2 record in four years at Barton CC in Great Bend, Kan. He was tabbed the Jayhawk Conference Coach of the Year in 2008 after guiding Barton to an 18-4 record in his second season at the helm. The 18 wins are a school record for a season and the four best single season win totals have all come under his watch.

During his four years the Cougars have broke records for the most goals in a game and season as well as nearly every individual mark. Shala Giardini's 59 goals in 2009 is a Region VI record for a season and a Top 5 NJCAA all-time mark.

Prior to Barton, Sailer spent ten years teaching and coaching in the Colorado High School system. He was the head boys soccer coach at Greeley West HS for two seasons, posting a record of 38-24-2 and a Northern Conference Championship. He began his coaching career as the girls and boys head coach at Fort Collins HS. His girls teams were 92-10-3 record, winning the conference championship every year and reaching the state championship match in 2003. He was tabbed Conference Coach of the Year three times and Colorado Coach of the Year once. He also coached the boy's team for four seasons at Fort Collins HS, going 55-11-3 with three conference titles and was a two-time Conference Coach of the Year.

Sailer played collegiately at Monroe Community College and was an all-conference pick at State University of New York-Brockport after graduating from Monroe.

Sailer and his wife Tasha have a three year old son Brayden, and a two month old daughter Addison.

BRITTANY GOOSEN

Assistant Coach - 1st Year

Education

Bachelor's - Nebraska '12

Speech Pathology

Hometown

Olathe, Kan.

College Playing Career

Nebraska

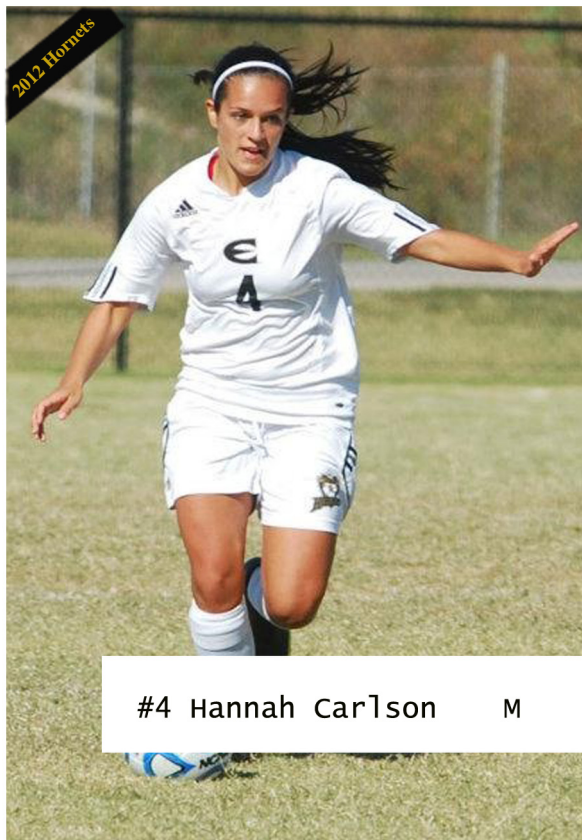

Brittany Goosen is entering her first season as a graduate assistant coach at Emporia State. She joins the Hornet staff after spending the last five years at the University of Nebraska.

She spent four seasons as a defender on the Cornhusker's back line and one season as an undergraduate assistant coach. Goosen started all 78 games of her career at NU as she helped the Huskers to 17 shutouts in her four seasons. She racked up one goal and two assists despite spending her entire career on the back line.

She is a graduate of Olathe South High School. She was a two-time All NSCAA All-Region selection and was twice named first team All-Kansas City Metro.

Meet the Hornets

#4 Hannah Carlson M

4

Hannah Carlson
Midfielder

Height: 5-4
Year: Junior
Major: Art Education
Hometown: Lawrence, Kan.

High School: Lawrence Free State
Parents: Skip and Anita Carlson
Birthdate: September 24, 1991

Carlson's Career Statistics									
Year	GP	G	A	Pts	Shots	Shot%	SOG	SOG%	GW
2010	14	0	1	1	8	.000	4	.500	0
2011	11	1	0	2	15	.067	7	.467	0
TOTAL	25	1	1	3	23	.043	11	.478	0

In two seasons with the Hornets Carlson has helped command the ESU midfield scoring her first career goal during the 2011 campaign before her season was cut short by injury. Carlson started all 11 games for the Hornets prior to the injury occurring. She had 15 shots on the year, seven of which were on frame. She is the Hornets primary corner taker on the right side of the field. Prior to being a Hornet she was second team All-State at Lawrence Free State High School.

#5 Mallory Walden M

5

Mallory Walden
Midfielder

Height: 5-3
Year: Sophomore
Major: Business
Hometown: Wichita, Kan.

High School: Bishop Carroll
Parents: Michael and Ann Walden
Birthdate: November 1, 1992

Walden's Career Statistics									
Year	GP	G	A	Pts	Shots	Shot%	SOG	SOG%	GW
2011	18	4	1	9	40	.100	24	.600	1
TOTAL	18	4	1	9	40	.100	24	.600	1

She was named honorable mention All-MIAA as she led the Hornets in goals with four and points with nine. She scored one game winner as she produced 24 shots on frame from her midfield position. She added on assist and started 18 games in his first season at ESU. Prior to coming to ESU she was an All-City performer at Bishop Carroll High School.

Meet the Hornets

#6 Mindi Lozenski M

6

Mindi Lozenski Midfielder

Height: 5-5
Year: Junior
Major: Biology/Health Promotions
Hometown: Easton, Kan.

High School: Leavenworth
Previous School: Allen CC
Parents: Matt and Vicki Lozenski
Birthdate: July 3, 1990

Lozenski's Career Statistics									
Year	GP	G	A	Pts	Shots	Shot%	SOG	SOG%	GW
2010	5	0	0	0	2	.000	1	.500	0
2011	18	0	3	3	18	.000	10	.556	0
TOTAL	23	0	3	3	20	.000	11	.550	0

Tied for the lead in assists as she served as one of the first reserves off the bench during the season for the Hornets. She has three assists in her 18 games as she came on in the Hornets midfield. Prior to coming to ESU She was a volleyball player at Allen County Community College, she faired well on the pitch in high school though scoring 26 career points to put her in the Leavenworth High School career top 10.

#9 Ashlyn Parker D

9

Ashlyn Parker Defender

Height: 5-7
Year: Sophomore
Major: Biology
Hometown: Topeka, Kan.

High School: Topeka Hayden
Parents: Gary Parker, Vicki Yingling
Birthdate: July 26, 1993

Parker's Career Statistics									
Year	GP	G	A	Pts	Shots	Shot%	SOG	SOG%	GW
2011	18	0	0	0	3	.000	2	.667	0
TOTAL	18	0	0	0	3	.000	2	.667	0

She started all 18 games for the Hornets in the backfield as part of the defense that held teams to the MIAA's second best goals against average of 1.22 on the season. She got three shots on the year two of which came on frame. Prior to coming to ESU she was the was three times named All-State and was the defensive player of the year at Topeka Hayden High School.

Meet the Hornets

#11 Shannon Thomas

D

11

Shannon Thomas
Defender

Height: 5-4

Year: Sophomore

Major: Health Promotion

Hometown: Shawnee, Kan.

High School: Shawnee Mission Northwest

Parents: Martha and David Thomas

Birthdate: April 6, 1993

Thomas' Career Statistics

Year	GP	G	A	Pts	Shots	Shot%	SOG	SOG%	GW
2011	18	0	1	1	4	.000	2	.500	0
TOTAL	18	0	1	1	4	.000	2	.500	0

She started 18 of 18 games on the Hornets backline which held opponents to a league second best 1.22 goals per game. She will join teammate Ashlyn Parker as the two returning starters in the ESU backfield. Prior to her Hornet career Thomas was named All-Metro during her senior season at Shawnee Mission Northwest High School.

#14 Lindsey Allen

M

14

Lindsey Allen
Midfielder

Height: 5-5

Year: Senior

Major: Rehabilitation Services

Hometown: Eureka, Mo.

High School: Eureka

Parents: Juli and Mike Allen

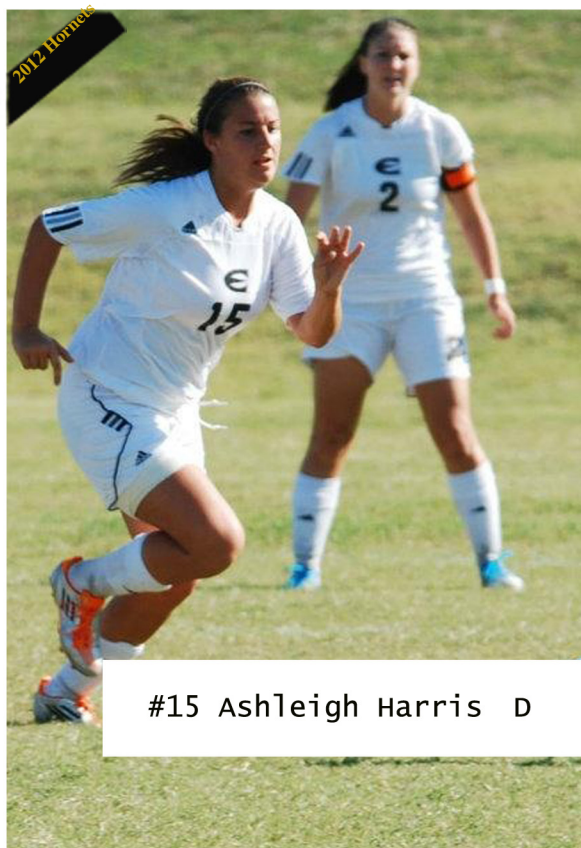

Birthdate: April 15, 1991

Allen's Career Statistics

Year	GP	G	A	Pts	Shots	Shot%	SOG	SOG%	GW
2009	12	0	0	0	2	.000	0	.000	0
2010	14	0	0	0	2	.000	0	.000	0
2011	5	0	0	0	0	.000	0	.000	0
TOTAL	31	0	0	0	4	.000	0	.000	0

She has now played in 31 matches for the Hornets in her career, primarily as a reserve. She has four shots as she has spelled the Hornet midfielders in the second half of many matches. Prior to coming to ESU she was named second team All-Conference at Eureka High School.

Meet the Hornets

#15 Ashleigh Harris D

15

Ashleigh Harris
Midfielder

Height: 5-5
Year: Sophomore
Major: Athletic Training
Hometown: St. Peters, Mo.

High School: Francis Howell Central
Parents:
Birthdate: August 17, 1992

Harris' Career Statistics									
Year	GP	G	A	Pts	Shots	Shot%	SOG	SOG%	GW
2011	6	0	0	0	4	.000	0	.000	0
TOTAL	6	0	0	0	4	.000	0	.000	0

She saw time in six matches before her 2011 campaign was cut short due to injury. Prior to coming to ESU she was the team captain and was named All-Conference at Francis Howell Central High School.

#16 Nichole Marean D

16

Nichole Marean
Midfielder

Height: 5-6
Year: Sophomore
Major: Business
Hometown: Peabody, Kan.

High School: Bishop Carroll
Parents: Pat and Janis Marean
Birthdate: August 12, 1992

Marean's Career Statistics									
Year	GP	G	A	Pts	Shots	Shot%	SOG	SOG%	GW
2011	16	0	0	0	3	.000	2	.667	0
TOTAL	16	0	0	0	3	.000	2	.667	0

She saw time in 15 games primarily as a reserve in the Hornet mid-field. She took three shots two of which she put on frame. Prior to coming to ESU she was a three year letter winner in soccer at Bishop Carroll High School.

Meet the Hornets

#20 Nikki Schmitz GK

20

Nikki Schmitz
Goalkeeper

Height: 5-8
Year: Senior
Major: Elementary Education
Hometown: San Antonio, Texas

High School: Douglass McArthur
Parents: Mike and Karen Schmitz
Birthdate: June 25, 1991

Schmitz's Career Statistics

Year	GP	Minutes	GA	GaAvg	Saves	W	L	T	Sho
2009	15	1261:05	33	2.36	91	1	12	0	1
2010	4	256:02	6	2.11	26	0	2	0	0
2011	13	1249:15	13	0.94	96	3	6	4	5
TOTAL	32	2766:22	52	1.69	213	4	20	4	6

She was named second team All-MIAA as she runed in the league's second best goals against average, only allowing 0.94 per game. She started 13 games and made a career high 96 saves earning three wins and recording five shutouts. Prior to her Hornet career she led the Douglas McArthur High School Brahma's to a 2007-08 State Championship.

#22 Jordan Foutch F

22

Jordan Foutch
Midfielder

Height: 5-5
Year: Sophomore
Major: Biology
Hometown: Omaha, Neb.

High School: Millard South
Parents: Cori Brock
Birthdate: August 4, 1993

Foutch's Career Statistics

Year	GP	G	A	Pts	Shots	Shot%	SOG	SOG%	GW
2011	17	2	0	4	23	.087	13	.565	1
TOTAL	17	2	0	4	23	.087	13	.565	1

She racked up two goals in 17 games for the Hornets and is ESU's second leading goal scorer among returners. She had the game winning goal for the Hornets in their 3-0 victory on the road at Southwest Baptist. Prior to coming to Emporia State Foutch was a four year letter winner in soccer at Millard South High School.

Meet the Hornets

#24 Karson Wilson D

24

Karson Wilson
Forward

Height: 5-11
Year: Sophomore
Major: Marketing
Hometown: Harrisonville, Mo.

High School: Harrisonville
Parents: Steve and Kim Wilson
Birthdate: December 12, 1992

Wilson's Career Statistics									
Year	GP	G	A	Pts	Shots	Shot%	SOG	SOG%	GW
2011	18	1	1	3	16	.062	7	.438	0
TOTAL	18	1	1	3	16	.062	7	.438	0

Scored a goal and added an assist for the Hornets as she appeared in all 18 games as a forward. She had 16 total shots seven of which came on goal. Prior to coming to ESU she was named honorable mention All-State as a senior and second team All-State as a junior at Harrisonville High School.

Meet the Hornets

0

Melanie Nuessen
Goalkeeper

Height: 5-11
Year: Freshman

Hometown: Americus, Kan.

Over the past 95 years, the MIAA has gained the reputation of being one of the top NCAA Division II conferences in the nation. MIAA student-athletes have won 12 NCAA team championships and, since 1964, 153 individual national titles. The MIAA currently conducts championships in eight sports for men and eight for women.

For the men, champions are crowned in football, cross country, basketball, indoor and outdoor track & field, baseball, tennis and golf. The women compete for titles in volleyball, cross country, soccer, basketball, indoor and outdoor track & field, softball, golf and tennis.

The MIAA turned a new page on July 1, 1992, when the NCAA Division II conference changed its name from the Missouri Intercollegiate Athletic Association to the Mid-America Intercollegiate Athletics Association.

The decision to make the change originated in 1989, when Pittsburg State University and Washburn University became the first schools outside the state of Missouri to gain membership in the MIAA.

The conference was first organized in 1912 with 14 member institutions. Of those original members, the University of Central Missouri, Truman State University, and Northwest Missouri State University still remain a part of the MIAA.

The first change in membership came in 1924, when the MIAA reorganized to include only the five regional Missouri state colleges: Central, Truman (at the time known as Northeast Missouri State), Northwest, Southeast Missouri State University and Southwest Missouri State University (now Missouri State).

Over the next 56 years, three schools joined the membership: the Missouri School of Mines (later the University of Missouri-Rolla) in 1935, Lincoln University in 1970, and the University of Missouri-St. Louis in 1980.

The 1980s brought the biggest changes in the conference. In 1981, Southwest Missouri State University opted to move to NCAA Division I and the MIAA appointed its first full-time commissioner, Ken Jones, in July.

He would be in the position for 16 years, retiring in 1997. Former Gulf South and Metro commissioner Ralph McFillen succeeded Jones, serving 10 years before his retirement in 2007. Jim Johnson succeeded McFillen in July of that year. Dr. Bob Boerigter was named the new commissioner in late 2010.

Southwest Baptist University brought membership back to eight schools in 1986, before the major expansion of the conference in 1989. Pittsburg State, Washburn, Missouri Southern and Missouri Western formerly members of the Central States Intercollegiate Conference began competition in the 1989-90 season.

Southeast Missouri State left the MIAA following the 1990-91 season to move on to NCAA Division I, and was replaced by Emporia State University in the 1991-92 season.

In 1996 Missouri St. Louis left the league and was followed by Missouri Rolla in 2005. Lincoln forfeited their membership in 1999. Fort Hays State joined the league in 2006 and Nebraska-Omaha came in during the 2008 season. Lincoln rejoined the league this year to make the MIAA a 12-team league.

In August 1991, Judy Willson was hired as the MIAA's first full-time sports information director. She left in 1994, and was succeeded by Matt Newbery, formerly the assistant sports information director at Pittsburg State. He became the assistant to the commissioner for media relations in 2005. Kellen Coleman replaced Newbery as Director of Communications for the 2008-09 season.

A third full-time staff member was added in 2005, as former Emporia State track and field athlete Natasha Oakes was hired as the assistant to the commissioner for compliance. Larry House joined the staff in August 2007 as Assistant Commissioner for Championships and Business Development.

Emporia State Athletics in 2011-12

Hard work on the field of play, the classroom and the community paid off as Emporia State University Athletics in 2011-12. Emporia State finished in the top 100 out of over 300 NCAA Division II schools in the Learfield Sports Director's Cup standings, highlighted by another top ten finish from the Lady Hornet basketball team. It was the tenth straight year an Emporia State team finished in the top ten nationally in at least one sport. Over 140 Emporia State student-athletes earned academic recognition from the MIAA for maintaining a cumulative GPA of over 3.0 and 43 Hornets were presented DII Athletic Director's Association Academic Achievement Awards for holding a 3.5 cumulative GPA. Student-athletes from Emporia State's 15 sports teams contributed over 2,000 hours of community service during the past year.

For the tenth year in a row, Emporia State placed in the top 100 out of over 300 NCAA Division II schools in the Director's Cup which measures the overall strength of an athletic program based on NCAA play. Emporia State was among six MIAA schools in the top 100 out of 314 active NCAA Division II member institutions. All 11 MIAA members were ranked in the top 200, one of just two conferences in the nation and the only football playing league that can make that claim. The Hornets have finished in the top four of the MIAA in six of the last seven seasons and was the best finisher amongst conference schools with an 11th place showing during the 2007-08 season. Emporia State scored in five MIAA sponsored sports in the Director's Cup standings.

Emporia State plays in front of some of the largest crowds in the nation in most sports.

Emporia State fans showed up in great numbers throughout the school year. The Lady Hornet basketball team was ranked second in the nation in average attendance with over 2,200 fans per game. It was the 15th straight year Emporia State has ranked in the top six nationally and the tenth time in 15 years the Lady Hornets led the MIAA in average attendance. The Emporia State volleyball team was 17th in the nation in average attendance with 528 per game. This is the fourth straight year the Hornets averaged over 500 per game. Women's soccer and men's basketball each ranked 20th in the nation in average attendance while the Hornet football team was ranked 41st nationally. Over 100,000 fans turned out for 117 home events in 2011-12.

Emporia State was a perfect 20-0 in the MIAA regular season and won four straight at the conference tournament for their ninth MIAA Championship in the last ten years.

The Lady Hornet basketball team advanced to the South Central Regional Championship game to finish ninth nationally in the Director's Cup system and give Emporia State it's highest national finish of the year. The Lady Hornets made it to the MIAA Tournament Championship game for the second straight year, despite seven of their top ten players being either freshmen or sophomores.

The Emporia State softball team went undefeated against MIAA competition with a perfect 20-0 record in regular season play in coach Julie LeMaire's first

Emporia State Athletics in 2011-12

season. They then swept their way to their ninth conference tournament championship in the last ten years. They advanced to the regional championship game where they lost to eventual national runner-up Central Oklahoma 8-6 to place 17th nationally in the Director's Cup standings with just one senior on the roster.

Men's track and field placed 26th indoors and 41st outdoors while the women's indoor team was 42nd nationally to fill out the Hornets scoring in the Director's Cup. Under first year coach Steve Blocker, the men had three athletes earn All-American honors led by Andrew Etheridge's third place showing in the indoor 60m hurdles. Katelyn Mona had three individual championships at the MIAA Indoor Championships and then helped lead the Hornets to a third place showing at the conference outdoor meet.

The Emporia State volleyball team narrowly missed an NCAA Tournament berth, going 21-10 overall and 13-5 to finish third in the MIAA.

After a slow start, the Hornet football team won five of seven games down the stretch to join five other MIAA schools with at least five wins in each of the last two seasons. Emporia State has gone 7-4 on Jones Field at Welch Stadium over the last two years.

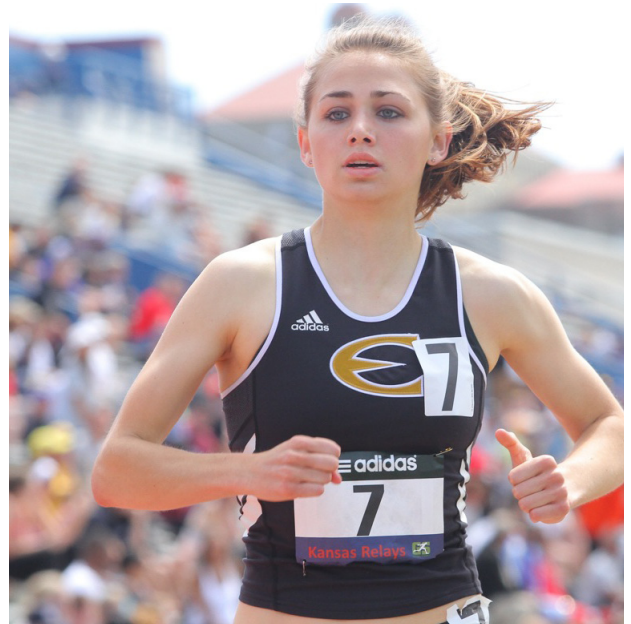

In coach Bryan Sailer's first season, the Emporia State soccer team tripled their win total from 2010 and qualified for the inaugural MIAA postseason tournament with the fifth seed.

The Hornet baseball team missed out on the NCAA Tournament for the first time since 2003, yet qualified for their tenth straight MIAA Tournament.

Emporia State qualified for the MIAA Men's Basketball Tournament in coach Shaun Vandiver's first year, becoming just the second coach to take his team to Kansas City in his first season as a head coach.

Nicole Jara went through the MIAA regular season undefeated at #1 singles and finished with an 18-2 overall record for the Emporia State women's tennis team. Five men earned honorable mention All-MIAA honors for the Hornet tennis team.

Five Hornets were named Capital One Academic All-District as voted on by CoSIDA while Katelyn Mona earned Emporia State's 18th Academic All-America honor of the 21st century. She finished her career as a finalist for the MIAA's Ken B. Jones Award as the top student-athlete in the conference.

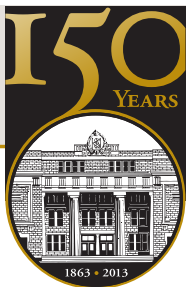

Katie Mona won three MIAA Championships and was a finalist for the Ken B. Jones Award as the top female student-athlete in the MIAA

Jocelyn Cummings scored a career high 27 points against Washburn to lead the Lady Hornets to the Regional Championship game.

HORNET ATHLETICS IN TOP 100 OF DIRECTORS CUP

With five of 15 sports programs competing in NCAA post season play, Emporia State University finished in the top 100 out of over 300 NCAA Division II schools in the Learfield Sports Director's Cup standings for the tenth straight year with 221.5 points. The Director's Cup measures the overall strength of an athletic program based on NCAA play.

“YAPS, YELLOW JACKETS AND HORNETS”

Here come the Hornets! Go Hornets Go! How did Emporia State University really get to known as the Hornets?

A casual conversation between Vic Trusler and an Emporia Gazette reporter named Cecil Carle led the establishment of the Hornets as Emporia State’s mascot. In the early 1930’s, the Teachers College students were called the Yaps. It is uncertain why the students were called that except popular legend suggests that because they were teachers, they did a lot of “yapping.” In any case, most of the students were not fond of the moniker.

Trusler, a legendary figure on campus in the 1930’s, and coach at Roosevelt High School, and Carle, without design, were instrumental in getting the name changed. Carle was seeking information on the official name of the Roosevelt High School team. Trusler suggested he call the Roosevelt team the Bluejackets since they wore blue jerseys.

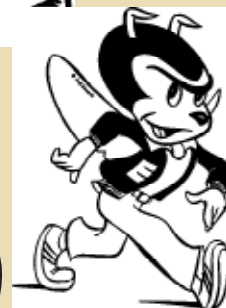

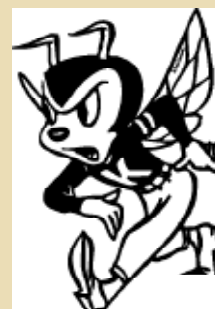

In that momentous conversation, Trusler further commented that the students at the Teacher College really did not like being called the Yaps. Instead he suggested they be called the Yellow Jackets because the men wore yellow sweaters with black stripes on the sleeves. And, like the insect, they had quite a sting to them. Nothing further was said, but the next Gazette article about the Teachers College referred to the students as Yellow Jackets.

The evolution of the name Yellow Jacket to Hornet is almost anti-climatic. A lack of newspaper space forced the Yellow Jacket to be shortened to Hornet. For a while the two names were interchanged and used throughout the state.

To further cement the Hornet tradition, the football team received new uniforms in 1936. They were almost entirely black prompting some to suggest that the team be called the Mud Daubers, which are yellow jackets, which are hornets, which game more sting to the legend.

“Corky” first appeared on the scene in 1934 when Paul Edwards, then a sophomore, made what he thought was a more representative figure of the school mascot than the stereotyped hornet being used. He entered it in a contest and finished second. Not to be discouraged Edwards redrew his hornet and showed it to Ray Maul, then manager of the Memorial Union, who thought he could “use the buzzard.” The Corky figure would soon become popular on campus.

Edwards liked his Corky so much he patented the bug in 1936, which dated its 50th anniversary to 1986. During Homecoming 1987, Edwards dedicated a Corky the Hornet statue he sculpted and is now on display in the Memorial Union Bookstore. A large number of Corky’s cropped up beginning in 2003 during a Parade of Corkys throughout Emporia and many of them are still on display around campus and in the community.

FACILITIES

Over the last several years, Emporia State has implemented several projects to upgrade their facilities. The projects continue to give Emporia State some of the finest venues in NCAA Division II.

The Emporia State Athletics Weight Room was renovated and expanded over the summer into one of the top facilities in the MIAA. The renovation increase the area of the current “Hornet’s Nest” from 2,460 square feet to over 4,300 square feet and includes state of the art equipment. When the current Hornet track and field weight room, located on the lower level of the HPER Building, is added to the total ESU will have over 6,000 square feet dedicated to athletic strength and conditioning.

Opened in 1937 and dedicated in 1960, Welch Stadium sits just north of beautiful Lake Wooster in the heart of the ESU campus. Crowds as large as 10,000 fans have watched games when bleachers were added in each end zone. Permanent lighting makes it possible to televise games and play at night.

The facility also has been used extensively by individuals outside the University community. Welch Stadium is the home field of the Emporia High School football team and has hosted the Kansas Special Olympics, the 1998 and 2004 Kansas Shrine Bowl. The 1995, 1999 and 2006 NCAA Division II National Track Championships were held here as well.

A Super Turf playing surface was installed at Welch Stadium in the fall of 2005. The field is named Jones Field at Welch Stadium in honor of the W.S. and E.C. Jones Testamentary Trust, the lead contributor to the project.

Zola Witten Track at Welch Stadium was resurfaced over the summer of 2005 as well. The resurfacing prepared ESU as the host site of the 2006 NCAA II men’s and women’s outdoor track and field national championships. The facility hosted the same event in 1995 and 1999.

The Hanna Clubhouse at the Trusler Sports Complex, just north of the ESU campus, has been in place since 2007. The facility houses locker rooms for baseball and softball, as well as coaches offices. It gives Hornet student-athletes on the teams a place to call home before and after games and practices. The second floor of the building serves as an observation deck.

FACILITIES

Throughout NCAA Division II programs, White Auditorium, built in 1940 as a product of President Franklin D. Roosevelt's Work Projects Administration (WPA), is regarded as one of the premier basketball arenas in the nation. The 70 year old facility was upgraded during the fall of 2008 with a new scoreboard and video board as well as a new color scheme on the arena floor and the throughout the entire building.

The approximately \$270,000 improvement project was funded with City of Emporia general fund and Convention and Visitors Bureau, along with contributions from ESU, the Walter S. and Evan C. Jones Trust, Emporia Sports Promotions, Inc., and Sunflower Gymnastics.

In the fall of 2009 the original wooden balcony seats were replaced with modern black plastic seats, that include cup holders.

In addition to White Auditorium, the ESU basketball and volleyball teams also have a practice facility in the Health, Physical Education and Recreation Building on the Emporia State campus. The practice facility in the HPER underwent a major renovation during the summer of 2008. A new lighting system was installed as well as the playing court getting resurfaced to match the arena floor at White Auditorium.

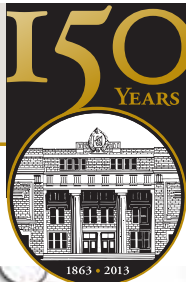

ESU dedicated Milton Tennis Courts in 2004 in honor of former coach George Milton. Milton was a coach at ESU from 1966-99. The facility, located west of the HPER Building on campus, is used by the men's and women's tennis program and hosted the Hornet women's first ever trip to the NCAA tournament in 2005. The courts were resurfaced and painted in US Open blue during the summer of 2011. The Hornets also play matches at the Emporia High School Courts in northwest Emporia. The EHS complex has 12 lighted courts, allowing for men's and women's matches to be played at the same time.

Jones Park in northwest Emporia is the home of the Emporia State cross country program. The park provides practice facilities and the host-site for the ESU Invitational, a meet hosted by ESU each year. Jones Park was the host site for the 2009 MIAA Cross Country Championships.

Emporia State Facility Breakdown

NAME	SPORTS	CAPACITY	LOCATION
Jones Park	Men's and Women's Cross Country	1,000	24th Av. & Prairie St./NW Emporia
Milton Tennis Courts	Men's Tennis/Women's Tennis	100	1721 Morse Dr./ESU Campus
Trusler Sports Complex	Baseball/Softball	500/450	900 Trusler Rd./NE Emporia
ESU Pitch	Soccer	500	1890 Morse Dr./ESU Campus
Fran Welch Stadium	Football	7,000	1600 Morse Dr. ESU Campus
William L. White Auditorium	Men's Basketball/Women's Basketball/Volleyball	5,000	111 E 6th Ave./Downtown Emporia
Zola Witten Track	Men's and Women's Track and Field	7,000	1600 Morse Dr./ESU Campus

FACILITIES

The computer lab on the HPER Building in just one of many available to student-athletes on the ESU campus. Over 200 computers are available on campus, providing ESU students the highest technologies available.

Emporia State is committed to providing student-athletes with an environment that will maximize the potential for success. ESU's Health, Physical Education and Recreation Building houses offices for coaches and administrators, weight room facilities, a swimming pool, computer lab, five practice gymnasiums and a state-of-the-art training room. The practice gyms allow the baseball, softball and track and field teams a chance to practice indoors, as well as offer additional practice space for basketball and volleyball.

The Emporia State training room facilities offer student-athletes the finest athletic medicine care available. Director of Sports Medicine John Baxter, along with full-time staff members Blaise Kriley and Leslie Kenney establish injury and illness prevention programs, evaluate and provide immediate care for injury or illness, rehabilitate and recondition athletic injuries, and provide health care administration, education and counseling as related to injury or illness, all under the supervision of Dr. Marshall Havenhill, M.D. Assisting the full-time staff are two certified graduate assistants and numerous undergraduate student assistants.

A swimming pool in the HPER Building provides student-athletes conditioning and an additional option for physical therapy.

HORNETS IN THE COMMUNITY

Emporia State student-athletes didn't just provide the Emporia community with exciting sports action throughout the year, the Hornets also provided the community with more 2,400 hours of community service during the 2010-11 year. The Emporia State Student Athlete Advisory Committee donated \$1,500 to the Make-A-Wish Foundation last year.

Student-athletes worked with organizations like the Make-A-Wish Foundation, Habitat for Humanity, Rebuilding Together, Abundant Harvest Food Kitchen and several local elementary schools on projects that included painting homes for the disadvantaged, dancing and visiting with the elderly at the Senior Prom, collecting canned foods and to recycling.

Our relationship has been and will continue to be very strong with Emporia and the Flint Hills area. Our teams have been a constant in the community. The teams pay attention to how the community perceives them and it is important that we maintain our great relationship.

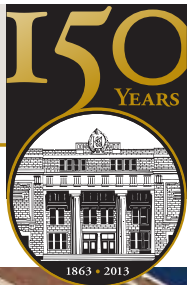

2011-12 Community Engagement Spotlight.

One new initiative that has been in place the last couple of years is the Hangin' with a Hornet mentoring program. This very successful program has paired up Emporia State athletes from all teams with Emporia Middle School students. Emporia State student-athletes meet at the Middle School for lunch with students each week to discuss academics and other topics the students would like guidance on. Over 50 ESU athletes chose to be mentors in 2010-2011.

MIAA Game Environment Award of Excellence

In response to the creation of the Division II game environment initiative, ESU created "The Sportsmanship Statement", which is presented by a student-athlete either live, via audio recordings, or filmed and shown on a video board to the fans before the start of home football, soccer, volleyball, basketball, softball and baseball contests. The statement encourages fans to cheer for their team while also showing respect to other players, fans, coaches and officials. In addition to the Sportsmanship Statement, the ESU SAAC also created the Sportsmanship Creed, which is displayed in each team's locker room. The Creed was designed to not only convey what it means to be a student-athlete at the institution, but to address how student-athletes should conduct themselves within the campus, community and on the field of play by reaffirming the ideas of Honor, Outstanding, Respect, Nobility, Enthusiasm, Teamwork and Support, better known as H.O.R.N.E.T.S.

EMPORIA STATE UNIVERSITY

THIS IS EMPORIA STATE UNIVERSITY

As the university begins to celebrate its 150th Anniversary, Emporia State is gaining the reputation as being the innovative university in the state of Kansas.

It's easy to see why. With aspirations to create an Honors College, launch a \$5.4 million renovation of two of its residence halls, begin work on Wi-Fi for the entire campus and completion of the stunning Memorial Union renovation, Emporia State is a university on the move.

In these and many other ways, Emporia State offers its students a life-changing private liberal arts college experience at a state university price.

The quality of Emporia State's academic programs is also well-known. The university's many accolades include a first-tier regional university designation by U.S. News and World Report, a top-four model teacher education program and international accreditation for our School of Business. The university's science and nursing programs prepare its graduates for rewarding health care careers that are sorely needed in Kansas.

The university's four schools and graduate and distance learning programs embody that quality. In fact, U.S. News and World Report has rated Emporia State's online program as one of the best in the nation. In addition, Emporia State University-Kansas City has robust degree and certificate programs for working adults.

The College of Liberal Arts and Sciences is called the heart of the university for a reason. Every major requires take liberal arts and sciences courses to graduate. From stellar programs in the sciences to music and theatre, the College of Liberal Arts and Sciences has built a reputation of excellence throughout its curriculum by creating critical and creative thinkers.

Likewise, Emporia State's School of Business educates students to become entrepreneurs, critical thinkers and ethical leaders in the workplace. Graduates hold leadership positions at some of the most significant companies in Kansas and the nation. The School of Business holds prestigious Association to Advance Collegiate Schools of Business International accreditation, a designation held by less than 5 percent of business schools worldwide. The accreditation is the "gold standard" that identifies business programs of the highest quality.

As a national leader in teacher preparation, the Teachers College has a rich history of preparing teachers to succeed in the classroom. Arthur Levine, former president of Teachers College, Columbia University, and president of the Woodrow Wilson National Fellowship Foundation, wrote "Educating School Teachers," a national study of America's education schools. He cited four "exemplary" programs in the nation, including Emporia State University. Emporia State is included for its curriculum, student teaching, partnerships (e.g., Professional Development Schools), and the commitment of the faculty to raise the quality of the entire state education system. "ESU is the Camelot for teacher education," Levine said.

THIS IS EMPORIA STATE UNIVERSITY

The School of Library and Information Management prepares its students to analyze and manage information on a global scale. With coursework through the doctorate level, SLIM offers graduate-level instruction for information managers in all professions. SLIM is the only school of library and information management in a 12-state region accredited by the American Library Association. Its programs, offered in numerous states across the nation, can lead to a Ph.D.

Emporia State prides itself on its hands-on, student-centered approach to education. Along with its commitment to student success, the university has set the bar high for education outcomes. In fact, 90 percent of our graduates have a job or are in graduate school six months after graduation from the university.

Moreover, 85 percent of the seniors who responded to the recent National Survey for Student Engagement say they would choose Emporia State again if they could start their college career over.

CITY OF EMPORIA PROFILE

Emporia State University is located next to downtown Emporia, a vibrant town of about 27,000 with coffee shops, restaurants, a wonderful art deco theatre and an arts scene that includes a symphony orchestra, which links with Emporia State's renowned music program. Its system of city parks rivals Kansas' best.

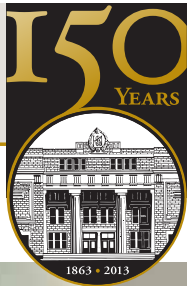

Emporia was founded Feb. 20, 1857, and hailed as "the loveliest site in the world for a town." Named for a Greek market center, Emporia has thrived as a focal point for manufacturing and trade. Four major highways intersect in Emporia — Interstate 35, the Kansas Turnpike, U.S. Highway 50 and Kansas Highway 99. Emporia is an important crossroads for the east-central Kansas population. With nearly 700 lodging rooms, 80 dining choices and 30 meeting facilities, Emporia is a great meeting place for regional, state and national conferences and events.

Serving as the county seat, Emporia is the largest city in Lyon County, covering 8.97 square miles. The city's population is about 26,760, and Lyon County has a population of 35,935.

Because the Emporia State University Teachers College is embedded in the area's schools, the city's and area's elementary and secondary school systems are exemplary.

Emporia is known as the "Front Porch to the Flint Hills," the state's most magical landscape with the world's largest tract of undisturbed tall grass prairie. The beautiful Flint Hills also offer the following outdoor experiences:

- Twenty miles from town is the Tallgrass National Prairie Preserve with fishing and more than 40 miles of hiking trails.
- Ready to bike? At the north end of campus, there's College Trails, Emporia's oldest single track trail system. It consists of a network of winding trails that run along the Neosho River.
- Looking for more fishing? Consider the John Redmond Reservoir and Melvern Lake, where you can boat, camp, swim, bike and hike 30 minutes from town.
- Looking to spot an American bald eagle? Just 30 minutes away is the Flint Hills National Wildlife Refuge in Hartford.

MEMORIAL UNION RENOVATIONS

A \$20 million renovation of Emporia State's Memorial Union was completed this year. The Memorial Union was constructed in 1925 in memory of the students who fought and died in military wars. Additions were constructed in 1958, 1963 and 1972.

By an 80-20 percent margin, ESU students approved a fee increase to help pay for the project.

A Lawrence architectural firm, Treanor Architects P.A., designed the renovation plan following a series of meetings with ESU students, staff and Emporia residents.

Included in the renovation was:

- Creation of new student lounge space and performance area;
- Renovation of the current student resident dining;
- An addition on the east side of the building featuring a new entrance, information center and admissions office;
- Redesigned entrances to the building's west, south and east sides;
- Redesigned meeting spaces and traffic patterns inside the building;

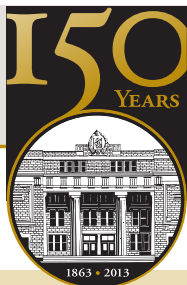

MEMORIAL UNION RENOVATIONS

The Memorial Union has a long and storied history on the ESU campus.

On Aug. 15, 1922, — 90 years ago — the Memorial Union was incorporated as a legal entity in 1922. This set in motion the earnest efforts of students and faculty to raise money to build this memorial to Emporia State students who made the supreme sacrifice in service to the country during the Spanish-American War and WWI. The first phase opened on Founders' Day, Feb. 15, 1925 becoming the first student union building west of the Mississippi River, the second student veteran memorial union, the eighth oldest student union in the U.S., and the 15th student union in the world.

■ Pre – Professional Programs

Areas in the pre- professional programs with local accreditations:

Agriculture, chiropractic, dental, engineering, journalism, law, medical, medical technology, nursing, optometry, osteopathic medicine, pharmacy, physical therapy, social work, veterinary medicine.

- Access to health care and pharmacy are available with or without insurance as part of the student fee package
- In recent years off-campus locations for courses at Emporia State have included the Jungle of Peru, the caves and coral reefs of the Bahamas and the castles of Spain.
- Nearly 500 student from almost 25 countries across the globe make up Emporia State's diverse international student population
- Emporia State University and Kansas State University, both founded in 1863, were the first two universities in the state.
- Emporia State was one of the nation's first campuses to be accessible to the physically challenged.
- Within two years, the entire campus will be wired for wireless internet access.
- Emporia State helped establish the National Teachers Hall of Fame in 1989.
- A major \$5.4 million renovation of two of Emporia State's residence halls will enhance students' on-campus experience. Along with sorority and fraternity houses, all provide excellent and comfortable living units to students.
- Emporia State hosted the 1995,1999, and 2006 NCAA Division II Outdoor Track and Field Championships, 1996, NCAA women's Softball championships, and 1998 NCAA II Cross Country Championships as well as numerous NCAA regional tournaments.
- Emporia State University's Teachers College is nationally known for its teacher preparation program and was named one of four "model" teacher preparation programs in the nation in report "Education School Teachers" written by Arthur Levine, president emeritus of Columbia University Teachers College.
- Emporia State is the first and only university in the world to offer a four-year degree in engraving arts.
- More than 80 percent of graduates from the Teachers College remain in the profession after five years. Nationally, 30 to 50 percent leave the profession before completing three years in the classroom.
- Emporia State University's School of Business is proud to hold the distinction of being accredited by the Association to Advance Collegiate Schools of Business International. Less than 5 percent of all business programs worldwide hold this distinction. This accreditation is the "gold standard" that identifies programs of the highest quality

EMPORIA STATE ADMINISTRATION

Michael D. Shonrock, Ph.D.

President

When Dr. Michael D. Shonrock became the 16th president of Emporia State University on Jan. 3, 2012, he brought a leadership style influenced by another 16th president — Abraham Lincoln.

“Get out of the office and circulate among the troops” is one tenet of Lincoln’s leadership. Dr. Shonrock is always ready to give and receive high fives and fist bumps with students, faculty and staff alike when he walks across campus.

Lincoln also believed in building strong alliances. For Dr. Shonrock, this means building relationships with faculty, staff and students on campus; alumni and current and future donors; as well as members of the Emporia community, Kansas Board of Regents, Kansas legislators and other academic institutions in the state.

Since March, Dr. Shonrock has been traveling the state of Kansas, meeting with community college partners, media outlets and the public at alumni events. On campus, Dr. Shonrock is a strong advocate for shared governance and works closely with representatives of the Faculty Senate, Classified Assembly and Associated Student Government as well as a new Unclassified Staff Senate.

Partnering with the Emporia community is key to strengthening both the town and university, according to Dr. Shonrock. A Hornet Telethon held in April and organized by the Admissions office was a significant event from this partnership. During the telethon, community leaders worked telephones to contact newly admitted students and welcome them to campus. Other campus and community members spent the same time writing postcards to the new students.

With the enrollment management team, Dr. Shonrock is looking beyond student recruitment to student retention, a key component to increasing enrollment. One goal involves research opportunities for students.

Emporia State has a good reputation for undergraduate research, and Dr. Shonrock has recommended the experience be expanded so that all undergraduate students have the opportunity to participate in research and creative activities. Other goals include enhancing the honors program experience and extending a leadership studies minor. During the Fall 2012 semester, Dr. Shonrock plans to teach an introductory leadership course.

Under Dr. Shonrock’s leadership, Emporia State is embarking on a much-needed housing project — upgrading and renovating Singular and Trusler residence halls. Already on a long-term plan, the project was moved up by allocating on-campus resources to complete the work. Work also is under way to expand the wireless network to cover the entire campus.

A self-described futurist, Dr. Shonrock is focusing on Emporia State’s heritage — the regional institution celebrates its 150th anniversary in 2013 — to determine how to strengthen its future and reinforce the belief that Emporia State provides a private college experience at a public university price. An upcoming “President’s Report on Innovations and Aspirations for Emporia State University” will show how the institution can become what Dr. Shonrock refers to as a “Division 2-plus.”

Dr. Shonrock earned a bachelor’s degree in geography with a chemistry minor and a master’s degree in college student personnel from Western Illinois University, an education specialist degree from Pittsburg State University in Kansas and his Ph.D. in higher education administration from the University of Kansas.

He has worked in higher education senior administration for more than 20 years. With his wife, Karen, Dr. Shonrock has a history of community involvement, what he calls paying “civic rent,” or giving back.

In Emporia, the Shonrocks attend First United Methodist Church. Dr. Shonrock will soon serve on the board of the United Way of the Flint Hills. He attends meetings of the Regional Development Association of East-Central Kansas, the Emporia Area Chamber of Commerce board and the Chamber’s Joint Economic Development Activity Committee and looks forward to joining the RDA and Chamber as a board member in the future.

EMPORIA STATE ADMINISTRATION

Kent Weiser

Athletic Director

Under the leadership of Director of Athletics Kent Weiser, Emporia State has consistently competed at the national level in NCAA Division II on the field, in the classroom and in the stands. In the last five years, three different Hornet programs have competed in four national championship games, culminating with the Lady Hornets 2010 NCAA Division II Women's Basketball National Championship.

Emporia State University has ranked in the top 50 of nearly 300 D-II schools in each of the last five years, highlighted by an MIAA best 11th place finish in the 2007-08 Director's Cup Standings. In the classroom, Emporia State is ranked in the top 20 in the nation in producing Academic All-Americans in the 21st century. The athletic and academic success has combined to place every ESU program in the top 25 in national attendance at some point during Weiser's ten year tenure.

The Hornets have won 23 MIAA regular season team championships and have finished in the top 20 of Division II in 11 different sports under Weiser's leadership.

Emporia State Athletics had five top 20 team finishes in 2009-10 as ten of 15 programs made the NCAA post-season. In addition to the Lady Hornets national championship in basketball, Emporia State also picked up top 20 finishes by the men's and women's indoor track & field, softball, and women's outdoor track & field teams.

In the classroom Emporia State ranks in the top 20 in the nation among Division II schools with 16 Academic All-Americans in the 21st century. Emporia State regularly places over 50 percent of its student-athletes on the A.D.'s Honor Roll and has had an NCAA Top VIII Award winner under Weiser. Nine coaches hired by Weiser have been named MIAA Coach of the Year in their respective sports. During the 2003-04 school year Emporia State was the first NCAA Division II institution to advance to the postseason in football, men's and women's basketball, baseball and softball with 11 of Emporia State's 15 programs competing in the NCAA postseason.

Major capital improvements, such as the Emporia State Athletics Weight Room, Hanna Baseball/Softball Clubhouse, Jones Field SuperTurf, the artificial turf infield at Glennen Field, new scoreboards at the Trusler Sports Complex and White Auditorium and the resurfacing of Witten Track have been completed under his watch with 100 percent of the nearly \$2 million coming from donors. These improvements have helped maintain those facilities as some of the best in the nation at the Division II level. His leadership of Emporia State's fund raising efforts led to the largest single gift for athletics scholarships in school history, a \$1.25 million contribution in 2004.

He helped establish the first department-wide shoe and apparel contracts in NCAA Division II, when Emporia State partnered with Adidas in 2000. Emporia State is still one of just two NCAA Division II athletic programs in the nation to be a Direct Sales Partner with Adidas. The agreement stretches buying power of all 15 Hornet programs and is similar to programs designed for NCAA Division I institutions.

While other institutions were faced with reducing sports, Weiser spearheaded the effort to add women's soccer as a varsity sport, increasing participation opportunities for women at the University for the first time since 1980. His efforts helped Emporia State receive a grant from the NCAA in support of expanding administrative opportunities for women and minorities.

Weiser has been a guest panelist at numerous NCAA and NACDA meetings, including for the Division II Strategic Alliance Matching Grant Enhancement Program and the NCAA Leadership Institute for Minority Males.

Weiser, a native of Great Bend, Kan., received a bachelor of arts and a master of science in education from the University of Kansas. He began his career in athletics at KU, where he worked from 1981-88. During that time, he held administrative positions as ticket manager and marketing director. He also served as the Kansas women's golf coach from 1984-88.

He was the associate director of development for Ottawa University from 1990-93. He joined Emporia State in 1999, after serving as associate athletic director at Oregon State University for six years. Weiser is married to the former Amy Pangrac, and the couple has two daughters, Katie and Abby.

EMPORIA STATE ADMINISTRATION

Shane Shivley

Senior Associate Athletic Director for External Operations

Shane Shivley is in his tenth year with the Emporia State Athletic Department. As Senior Associate Athletic Director, Shivley directs and manages all income generating activities for the athletic department. This includes supervision of the marketing, ticketing, and facilities offices. With his vision, the Hornets have spearheaded campaigns to upgrade facilities across the board. The Trusler Sports Complex has seen development of the Hanna Baseball/Softball Clubhouse, Glennen Field Baseball Turf, and a state of the art baseball hitting facility. Welch Stadium has seen the installation of SuperTurf for Jones Field and Witten Track has been resurfaced. Within the HPER Building, Emporia State has remodeled the Basketball Practice Facility, renovated and expanded the Emporia State Athletics Weight Room and Larry Kramer Hall of Excellence and renovated locker rooms for men's basketball, track and field and tennis. These improvements have helped maintain Emporia State University facilities as some of the best in the nation at the Division II level. Shivley has also led efforts to increase the annual athletic giving each year of his tenure. In 2009-10 Athletic giving topped \$1.45 million according to figures from the ESU Foundation.

In 2011, Shivley served as a speaker at the 2011 NAADD Convention in Orlando, FL speaking on the topic of "The Changing Culture of Raising Funds in Intercollegiate Athletics". Shivley also serves as a member of the South Central Regional Baseball Selection Advisory Committee.

A native of Parsons, Kansas, Shivley earned a bachelor's degree in business from Emporia State in 2000 and his Master's in Sport Administration from Wichita State in 2002.

He is married to the former Mary Decker. The couple are the proud parents of a daughter, Alexa and a son, Maddox.

Carmen Leeds

Senior Associate Athletic Director for Internal Operations/Senior Woman Admin.

Carmen Leeds is in her 12th year as Senior Associate Director of Athletics for Internal Operations and Senior Woman Administrator (SWA). She oversees areas of NCAA compliance, CHAMPS/Life Skills, student-athlete services, game management and athletic training. Carmen oversees the student-athlete advisory committee (SAAC) and community service. Under her supervision, each year ESU student-athletes perform over 2,000 hours of community service and SAAC has raised \$3,400 the past three years for the Make-a-Wish Foundation.

The student-athlete advisory committee has sponsored the annual Senior Citizen's Prom for the local community, winning the inaugural Community Engagement Award of Excellence for the MIAA. SAAC also won the 2009 NCAA Game Environment Award, a national award that recognized our schools commitment to creating a positive sports environment, which was spearheaded by the SAAC's development of the ESU Sportsmanship Creed. SAAC was also awarded the "Outstanding Recognized Student Organization" at Emporia State.

At the national level, she currently serves on the NCAA Committee on Women's Athletics and NCAA Student-Athlete Affairs Advisory Committee. Carmen was selected as a 2011 NCAA Pathways Program participant. At the conference level she is the chair of the Legislation and Handbook Committee and the Student Athlete Advisory Committee liaison for the MIAA. She is a past member of the NCAA Division II National Women's Basketball Committee and NCAA Softball Regional Advisory Committee. Carmen also has been asked to be a

facilitator at the NCAA Student Athlete Affairs Symposia, NCAA Leadership Conference, the NCAA Division II Regional Leadership Conference, NCAA CHAMPS/Life Skills Orientation Conference.

A native of Black Mountain, North Carolina, Leeds earned her bachelor's degree from Appalachian State University (N.C.) and her master's of education from Clemson University. She began her collegiate career in athletics at Clemson University as an assistant women's basketball coach and then served as the head women's basketball coach at Brevard College from 1992-95.

She was the head women's basketball coach and Senior Woman Administrator at South Carolina-Upstate from 1995-99. She coordinated the Athletes Can Educate (ACE) program and implemented the school's Student-Athlete Advisory Committee (SAAC). As basketball coach, she had a 100 percent graduate rate among four-year players.

She is married to Greg Leeds, a 1984 ESU graduate, and the couple has three sons, Brian, Matt and Parker.

EMPORIA STATE ADMINISTRATION

Don Weast

Assistant Athletic Director for Media Relations

Don Weast has been in charge of media relations at Emporia State for 11 years and is in his 12th year as a full-time member of the Emporia State University Athletic Department.

Promoted to the title of assistant athletic director for media relations in 2003, Weast oversees media relations, publications and website management for the 15 sport intercollegiate athletic program at Emporia State.

His office has won three Best in Nation awards from CoSIDA for publication excellence. Hornet student-athletes have been voted to All-American honors 32 times and Academic All-American honors 17 times, including three national players of the year and two Academic All-Americans of the Year.

A 1998 graduate of Emporia State, Weast was a sports supervisor at the Emporia Recreation Commission before returning to the university as a student in the sports information office in 1997.

After a year of graduate work at Central Missouri, he returned to Emporia in 1999 as the director of sports promotions. He began his association with the Hornets as a student athletic trainer in 1986. Weast spent part of the 1989-90 season with the now defunct Topeka Sizzlers of the CBA as an athletic trainer.

He earned his BFA from Emporia State in 1998 and is married to the former Terri Kaiser, a 1998 MLS graduate of Emporia State. The couple have a daughter, Emma, and a son, Jack.

Daniel Watanabe

Assistant Director of Athletic Media Relations/Publications Coordinator

Daniel Watanabe is in his first year as the Assistant Director of Athletic Media Relations at Emporia State. He comes to Emporia State from Metropolitan State College in Denver, Colo.

As an intern with the Metro State athletic department, he wrote feature articles and season previews for several Road Runner sports. He also served as the music coordinator during basketball season and was the public address announcer and scorekeeper for Metro State baseball and softball.

Prior to entering athletics as a profession, Watanabe was a youth advisor for four years at Alternative Homes for Youth in Greeley, Colo. In this role he served as a mentor for at risk youth.

A Denver, Colo. native, he is a 2007 graduate of the University of Northern Colorado. He was a member of Lambda Chi Alpha and served as the fraternity's officer for recruitment, education, social programs and intramural athletics.

EMPORIA STATE ADMINISTRATION

Luke Kriley

Director of Operations

Luke Kriley is in his first full year as the Director of Athletic Operations at Emporia State.

He oversees game management of home events, scheduling and maintenance of the athletic busses and oversees the Hornet Athletic facilities.

He is a Certified Strength and Conditioning Specialist by the National Strength and Conditioning Association and is a member of USA Weightlifting.

Davonne Lowry

Athletic Business Manager

Davonne Lowry is in her 12th year as the athletic business manager at Emporia State. The Melvern, Kan., native has been at Emporia State since 1985 and has worked in the Hornet Athletic Department since 1995.

She is responsible for the day-to-day business operations of the 15 sport athletic program at Emporia State and maintains the budget for the Hornet athletic department.

She is married to Tom Lowry, and the couple has a daughter and son-in-law, Kelsi and Tanner Coble.

Arica (Shepard) Ahlvers

Director of Athletic Marketing

Former Emporia State All-American volleyball player Arica (Shepard) Ahlvers is in her first year as the Director of Athletic Marketing for the Hornets.

Ahlvers was a three-time AVCA All-American and holds Emporia State single season and career records in kills, kills per set, double figure kills matches and 20-plus kill matches. Before coming to Emporia State Athletics, she worked as a marketing and sales consultant for Country Legends 106.9 in Topeka.

Her primary duties at Emporia State revolve around generating sponsorships and advertising revenue for the athletic department as well as marketing and promotional efforts. She oversees Emporia State's game day atmosphere and assists with all phases of event management and operations.

A native of Rossville, Kan., Ahlvers graduated from Emporia State in 2010 with a bachelor's degree in marketing. She married Cole Ahlvers, a former football player at Benedictine College.

EMPORIA STATE ATHLETICS MEDIA RELATIONS

HPER 113 • 1200 Commercial • Box 4020 • Emporia KS 66801

Emporia State University media guides assist you in your coverage of the Hornets and the Mid-America Intercollegiate Athletics Association. Additional information may be requested by calling Don Weast at (620) 341-5526 or via e-mail at dwest@emporia.edu. His office is housed in the HPER Building, Room 113.

Credentials

Credentials for all Hornet events may be obtained by calling Weast by noon one-day prior to a home game. Your name will be placed on the media pass list located at the entrance to facility. Should you need a credential for a road contest, you are advised to make your request at least one week prior to the road trip so we can place you on our media list.

Parking

Parking around ESU Athletic venues is not reserved for members of the media. Please arrive in plenty of time to ensure a parking spot close to the facility.

Game Services

A media packet including a game program, press release, statistics, etc., is available to media before the game. Complete statistics will be available following the game.

Emporia State Post-event Interviews

Emporia State University head coaches and selected players will be available in a designated interview area following a brief cooling-off period. Please give a list of requested players to Emporia State athletic media relations personnel.

Please check with the opponent SID for their post-game policy.

Mid-week Interviews

Practice is open to the media during the week. Please check with Don Weast for the time. Should you need to do a mid-week interview with a player, we request 24-hours notice in meeting your demands.

Emporia State on the Radio

For the 20th straight season, Hornet athletics can be heard on KFFX-FM, 104.9. ESU football and men's and women's basketball, along with selected baseball and softball games, will be broadcast. Emporia's Radio Stations (KFFX-FM, KVOE AM and FM) will once again provide Emporia State fans with the best source for keeping up with the Hornets. Salina, Kan., native Greg Rahe is in his 20th year of serving as the Voice of the Hornets. Rahe has been honored by the Kansas Association of Broadcasters and taken first place for "sports play-by-play" in a Kansas medium market.

In addition to game coverage, Rahe hosts a weekly show "Hornet Talk" on Mondays at noon. Saturday Morning Sports Talk, a popular area show, can be heard every Saturday morning from 8-9 a.m. Rahe is joined by Tim Miller and Steve Sauder.

Hornet Webcasts

All Hornet athletic events broadcasted by KFFX-FM, 104.9 will also be available online. Follow the "Hornet Broadcasts" link at www.emporia.edu/athletics to hear the live action all around the world. Video webcasts of MIAA games in the sports of football, men's and women's basketball will be available on a pay per view basis through B2tv.com.
