ATTENTION PARENTS, FANS & SPECTATORS

In conjunction with Mid-American Conference and NCAA regulations, we ask that all parents, fans and spectators remain on cart paths, or in the rough, and approximately 15 yards from the players at all times. This includes the driving range and practice greens. There may be no communication between players and spectators that could be deemed advice of any nature for the duration of the 18 holes. All institutional personnel, with the exception of the designated coaches, are considered spectators. The Virtues Golf Club and the Mid-American Conference thank you for your cooperation.

Virtues Golf Club's par-72, 7,243-yard parkland-style course was designed by renowned golf course architect Arthur Hills to blend seamlessly with its pristine natural surrounding, just 40 miles from downtown Columbus.

The course wanders gracefully from ridge top to valley, featuring wide rolling fairways and immaculate greens framed by stately stands of mature trees, with panoramic views around every rugged bend. Play today at the No. 74 course in Top 100 Public Courses in America by Golf Digest.

Formerly known as Longaberger Golf Club, the Virtues Golf Club is Ohio's No. 1 public golf course. The design tumbles

across rolling hills, stretching from the ridge top down to the valley floor. Wide, undulating fairways flow seamlessly to immaculately manicured greens bordered by beautiful mature trees. The setting will make you feel as though you've been transported to southern Appalachia.

You'll be greeted with stunning panoramic views everywhere you turn. Be careful though, because the dramatic slopes make the golf course just as challenging as it is scenic. Multiple sets of tees keep Virtues G.C. playable for golfers of all skill levels, but no matter which you choose to play from, a bevy of uneven lies await you.

Providing leadership in education and diversity, the Mid-American Conference moves into its 70th year of service to our students.

Since its inception in 1946, the Mid-American Conference has progressively grown and developed into one of the most aggressive Division I conferences in the country. One of only 10 football Bowl Subdivision (FBS) conferences, the MAC named Dr. Jon A. Steinbrecher as its eighth commissioner in March of 2009.

The league has grown its commitment to championships by expanding its commitment to neutral site post-season events – football (Ford Field, Detroit), men's and

women's basketball (Quicken Loans Arena, Cleveland), softball (Firestone Stadium, Akron) and baseball (All Pro Freight Stadium, Avon, Ohio). The MAC secured a four-year contract extension with Ford Field to host the Marathon MAC Football Championship Game through the 2019 football season, anchored a six-year contract extension for the MAC Men's and Women's Basketball Tournaments at Quicken Loans Arena through the 2023 season, and stabilized a five year contract extension through the 2020 season for the MAC Baseball Tournament at All Pro Freight Stadium in Avon, Ohio.

In addition to growing its commitment to MAC championships, Steinbrecher has strategically positioned the MAC's participation in hosting NCAA events and championships. The MAC recently served as the host for the 2015 NCAA Division I Men's Basketball Midwest Regional at Quicken Loans Arena in Cleveland and will also serve as host of the 2018 NCAA Division I Wrestling Championships, also at Quicken Loans Arena. The MAC has previously hosted both the 2012 and 2014 NCAA Women's Bowling Championships under Steinbrecher's direction.

Based in Cleveland since July 1999 following a 15-year stay in Toledo, Ohio, the MAC has established historic measurements in both football and men's and women's basketball since moving to Northeast Ohio. The MAC was founded as a five-school league on February 24, 1946 in Columbus, Ohio with Ohio, Butler, Cincinnati, Wayne State and Western Reserve admitted as charter members. The Mid-American Conference membership consists of 12 universities across five states (Illinois, Indiana, Michigan, New York and Ohio).

In 1946 men's basketball was the first competitive sport in the MAC, which now sponsors a total 23 sports. Women's sports were brought into the conference's structure in 1980. For men, there are 11 championships sponsored in football, basketball, baseball, cross country, soccer, swimming and diving, indoor track and field, outdoor track and field, wrestling, golf and tennis. For women, 12 championships are sponsored in basketball, softball, volleyball, cross country, field hockey, golf, soccer, swimming and diving, gymnastics, indoor track and field, outdoor track and field and tennis.

WHAT IS NCAA COMPLIANCE?

Eastern Michigan University is committed to operating its intercollegiate athletics program with the highest degree of integrity, sportsmanship, and professionalism, and we urge you to conduct yourself accordingly.

The Eastern Michigan University Office of Athletics Compliance is committed to a comprehensive compliance program that ensures institutional control over the department of athletics.

Our goal is to educate student-athletes, prospective student-athletes, institutional employees, community members, and boosters about the importance of adhering to NCAA, Mid-American Conference, and institutional rules.

A successful athletic department depends on the willingness of coaches, administrators, staff, student-athletes, and boosters to be aware of NCAA, MAC, and institutional rules.

All of us at Eastern Michigan University appreciate your support. Your commitment to rules compliance is necessary to ensure that the University, its student-athletes, and coaches remain in good standing. Our success is due to support from individuals who are cautious and knowledgeable of NCAA rules. Help us win with integrity!

QUESTIONS?

The information on this page contains only a small portion of the existing NCAA rules and regulations. If you have any questions about any NCAA, MAC, or institutional rules, please

ASK BEFORE YOU ACT!

FIVE RULES TO REMEMBER

1. FANS HAVE RESPONSIBILITIES

As an individual who is a season ticket holder, a member of a booster organization, has made financial contributions to an athletic department, or been involved in promoting athletic program, you are considered a "Booster" and are required to adhere to an atmosphere of compliance. As a booster, your conduct reflects on the integrity of the entire university.

Once you support an athletics program, you retain that identity as a booster forever - the rules still apply! This is true even if the individual no longer contributes to, or is involved with, the athletics program.

2. DON'T GIVE BENEFITS OR INDUCEMENTS

Student-athletes can only receive benefits that other students in the general population can receive. An extra benefit is any special arrangement by a University employee or booster to provide a current or prospective student-athlete (or the athlete's relatives or friends) a benefit not expressly authorized by the NCAA. Examples of impermissible benefits include, but are not limited to:

- Gifts of cash, clothing, equipment or any other tangible item;
- A special discount, payment arrangement or credit on any purchase or service;
- Loan of money or co-signing of loans;
- A vehicle, use of a vehicle, or any transportation expenses;
- Free or reduced-cost services, purchases or rentals;
- Entertainment on- or off-campus; or
- Free or reduced-cost rent or housing.

The best way to support student-athletes is by donating!

3. LEAVE THE RECRUITING TO US!

You're passionate about your athletics programs and you want everyone to know it! But remember, only coaches and athletic department staff members are permitted to be involved in the recruiting process. Boosters should be aware of the following:

- Do not contact a prospective student-athlete (or members of the prospect's family) by letter, telephone, e-mail, text, online (Facebook, Twitter), or in-person (on- or off-campus) for the purpose of soliciting their participation in athletic programs.
- Do not contact a prospect's coach, principal, or counselor in an attempt to evaluate the prospect;
- Do not become involved in making arrangements for a prospect (or the prospect's relatives or friends) to receive money or financial aid of any kind;
- Do not visit a prospect's school to acquire films or transcripts in an attempt to evaluate

the prospect's academic or athletics eligibility;

- Do not have contact with a prospect (or the prospect's relatives or friends) during any of their visits to campus;
- Do not contact student-athletes enrolled in other four-year institutions regarding the possibility of transferring.

Even though there are many rules prohibiting your involvement with prospects and the recruiting process, as a booster you are permitted to do the following:

- Notify coaching staff about noteworthy prospects in your area;
- Attend a prospect's athletics event on your own initiative, as long as you do not have contact with the prospect (or the prospect's parents or coach);
- Continue existing friendships, provided you do not solicit the prospect's enrollment.

Please note, a prospective student-athlete (prospect) is a student who has started classes for the 9th grade (7th grade for Basketball). Students enrolled in preparatory schools and two-year colleges are also considered prospects. An individual remains a prospect even after he/she signs a National Letter of Intent.

If you know of a talented athlete, please let the coaching staff know, and we'll do the rest!

4. KNOW THE CONSEQUENCES!

The University is responsible for the actions of its boosters. If a booster recruits or provides impermissible benefits to a current or prospective student-athlete (or the athlete's relatives or friends), the school may be subject to penalties from the NCAA and Mid-American Conference. When a violation occurs, regardless of the intention, it can:

- Jeopardize the eligibility of prospective and current student-athletes;
- Result in the athletics program being penalized by the NCAA and/or the Mid-American Conference; and
- Cause you to lose benefits or privileges associated with the athletics department (i.e., booster membership, ticket privileges).

5. ASK BEFORE YOU ACT!

The NCAA Rules are not limited to the above, and they are often misunderstood. If you have any doubt or questions, please contact the Office of Athletic Compliance. We strongly encourage open communication between fans, supporters, and the Athletic Department.

Remember, our success is due to support from individuals who are cautious and knowledgeable of NCAA rules. Help us win with integrity!

- All yardages measured to center of greens.
- Please repair ball marks, replace divots and rake bunkers.
- Please observe cart path rules - carts return to path at posts.
- Lighting, if you see it, "Flee it." Thunder, if you hear it, "Clear it."
- Please play "Ready Golf".

USGA RULES GOVERN ALL PLAY

All persons on or about these premises assume all risk of injury/loss to themselves or personal property, and also assume all liability to others of their acts. We reserve the right to refuse admission to golf course or clubhouse, and cancel play privileges at any time.
