THE EMU DEPARTMENT OF ATHLETICS

An unwavering commitment to building champions in the classroom, in the community, and in competition.

EMU Athletics is relentlessly committed to:

- The welfare & academic success of our student-athletes
- Following the rules of the University, MAC, and NCAA
- Providing a great fan and student-athlete experience
- Promoting diversity and inclusion within our department
- Building and maintaining exceptional facilities
- Competing for championships

Defining Principles

- Focus on the student-athlete
- Possess great integrity
- Aggressively promote Eastern Michigan

EMU enriches lives in a supportive, intellectually dynamic and diverse community. Our dedicated faculty balance teaching and research to prepare students with relevant skills and real world awareness. We are an institution of opportunity where students learn in and beyond the classroom to benefit the local and global communities.

EMU MEDIA POLICIES AND SERVICES

The EMU Athletic Media Relations Office offers a weekly release containing team and individual notes, statistics, reviews of past competitions and a look ahead to upcoming events. Additional information will include Mid-American Conference rankings, statistics and league notes.

CREDENTIALS AND PARKING

All credential requests should be directed to Greg Steiner at least one week in advance of home competitions. All media wishing to attend away competitions should contact the host institution regarding media policies and services. EMU does not issue parking credentials for men's golf. Parking for the Eagle Crest Golf Course can be found on a first-come, first-serve basis. Media personnel will be responsible for their own parking arrangements.

INTERNET ACCESS

There is currently no internet access or a phone line at the course. Media should make arrangements to secure a wireless broadband card through any cellular provider if they need internet access at the course.

INTERVIEWS

Head Coach **Bruce Cunningham** is available for interviews on an appointment-only basis after matches and practices. Personal interviews with the coach and players should be scheduled with the EMU Athletic Media Relations Office.

Individual players are available for interviews Monday-Thursday. Their availability will depend on practice and class schedules. Please give at least 24-hour advance notice so the players can be contacted and arrangements can be made. Home phone numbers for players and coaches **will not** be given out by the EMU Athletic Media Relations Office.

The coaching staff and players will be available for post-game interviews following a short cooling-off period.

WORLD WIDE WEB

The media can access all the latest EMU men's golf news on the athletic department's Web site, located at EMUEagles.com. The EMU Athletic Media Relations Office produces this Web site with the most up-to-date and extensive coverage of the Eagles. Golf information available on the EMU Web site includes statistics, rosters, press releases and notes.

DIRECTIONS TO THE CONVOCATION CENTER

By air:

Arriving at Detroit Metro Airport, take I-94 west to Michigan Avenue exit (exit 181B). Get in the far left lane and turn left on Hewitt Road. Head north on Hewitt for 2.5 miles, past Washtenaw Avenue. The arena is on the east side of the road.

From North:

U.S. 23 south to Washtenaw Avenue east (exit 37A); take Washtenaw to Hewitt Road; turn left on Hewitt and proceed to the Convocation Center.

From South:

U.S. 23 north to Washtenaw Avenue east (exit 37A); take Washtenaw to Hewitt Road; turn left on Hewitt and proceed to the Convocation Center.

From East:

(A) Take I-94 west to Michigan Avenue exit (exit 181B). Get in the far left lane and turn left on Hewitt Road. Head north on Hewitt for 2.5 miles, past Washtenaw Avenue. The arena is on the east side of the street.

(B) Take I-96 west to M-14 west. Follow M-14 to U.S. 23 south. Go south to Washtenaw Avenue east (exit 37A); take Washtenaw to Hewitt Road; turn left on Hewitt and proceed to the Convocation Center.

From West:

Take I-94 east to Michigan Avenue exit (exit 181). Turn left and get in the far left lane. Turn left on Hewitt and head north on Hewitt approximately 2.5 miles, past Washtenaw. The arena is on the east side of the road.

Eagle Crest Golf Course

The golf course is owned by Eastern Michigan University and is open to the golfing public. The golf club features an 18-hole championship golf course overlooking the picturesque Ford Lake in Ypsilanti Township. The par 72 course provides golfers with one of the most scenic and challenging courses in Southeastern Michigan.

The layout of the course - designed by Karl Litten of Boca Raton, Florida - is a challenge for both novice and seasoned golfers with several holes bordering the scenic banks of Ford Lake. The golf course has four sets of tees that provide a variety of choices for all golfers, and stretches to a length of 6750 yards from the championship markers.

Eagle Crest Golf Club has a USGA course stroke rating of 73.6 and a slope rating of 138 from the championship tees. Eagle Crest is home to both the EMU men's and women's golf teams, as well as the annual host site for the Michigan high school boys and girls state golf finals.

St. Joe's Sports Dome

The word came early on a chilly, but calm Sunday morning, Feb. 7, 2010. After a series of delays caused by snow and wind — and with a big storm coming later that week — it was time to raise the roof on Eastern Michigan's new indoor, multi-purpose athletic practice facility.

Workers started at 7 a.m. and, by 9 a.m., the big, white, synthetic roof had billowed to its full height. Inside, members of EMU's physical plant staff and construction workers admired the expansive space and thought of the athletes that would bring the place to life in the months to come.

"The kids are going to have a ball in here," said John Donegan, chief of operations for EMU's Physical Plant.

It was an improbable event, considering work on completing such a facility and inflating the roof took place heading into and during a Michigan winter. But mild late fall weather helped workers and staff accomplish a great deal, such as pouring 2.5 million pounds of footings concrete.

"We had a phenomenal November," Donegan said.

Light snow in January also helped. The area experienced less than 10 inches that year, compared to more than 30 inches in 2009. A one-inch dusting of snow delayed the inflation, but only for several days.

"We definitely won on the snow front," Donegan said. "If we'd have had a rough winter, this would have been a tough situation."

The facility, which costs \$3.9 million, is located on Westview Drive, off Huron River Drive, at the northeast corner of Rynearson Stadium.

The building will enable EMU's collegiate athletic teams and the Ypsilanti community to continue playing and practicing despite inclement weather. The facility will support intramural, recreational and club sporting events, as well as local sports leagues.

The facility is 410 feet long, 210 feet wide and 75 feet tall. It includes a welcome center and convertible space that can be configured for a football field, an international soccer field or four youth soccer fields. Leasing revenues are projected to cover maintenance and operating costs.

Despite the light Sunday mood, plenty of work remained after the inflation. Workers had to unfreeze the ground, level the concrete, install synthetic turf and complete the welcome center. The parking lot was then completed in warmer weather.

The Board of Regents approved the plan for the indoor facility at its June 2009 meeting, and it was unanimously approved by the state's Joint Capital Outlay Subcommittee in September.

The project was funded by the 2005 tuition increase, four percent of which was specifically dedicated to enhance the university's infrastructure. The four percent increase (or approximately \$4.4 million) has accumulated for the past four years, creating a pool of \$17.6 million.

GAMEABOVE

YPSILANTI, Mich. (EMUEagles.com) — GameAbove, a group of dedicated Eastern Michigan University alumni with various academic and professional backgrounds, today announced an \$8 million gift to build a state-of-the-art golf training facility to support EMU's championship collegiate program. The new facility will be named "The GameAbove Golf Performance Center" – dedicated to Eastern Michigan men's golf coach **Bruce Cunningham**.

The capital project was approved Dec. 13, 2020, by EMU's Board of Regents.

"I want to thank GameAbove for this transformative gift to our golf programs," said EMU Vice President/Director of Athletics **Scott Wetherbee**. "It has been a pleasure working with these fine alumni who care so deeply about our university to bring this opportunity to fruition. With this incredible new facility we will have the best, most state-of-the-art golf performance facility in the Mid-American Conference and the region. This will elevate our golf programs immediately as we look to compete on the national stage year in and year out. This announcement comes at a perfect time, with our men's golf team coming off their 2019 MAC Championship and our women's golf team winning both of their fall events this year. We cannot say thank you enough to GameAbove and all they are doing for Eastern Michigan University and Ypsilanti."

GameAbove's investment, which will include \$6 million to \$6.5 million toward construction and the remainder for 12 years of operational costs – enables the men's and women's golf teams to continue to compete at the highest level and further enhances the university's recruitment capabilities for the Division I program. EMU's men's golf team, for example, won the 2019 Mid-American Conference championship.

"A truly exceptional golf program deserves the best equipment and facilities to remain competitive in today's collegiate experience," said GameAbove spokesperson Denis Wolcott. "The group of dedicated Eastern Michigan University alumni who are behind GameAbove is excited and proud to further enhance the total academic and scho-

lastic environment at EMU."

"We also are honoring the incredible 27 years of coaching excellence by Bruce Cunningham. Bruce has truly built and guided one of the best collegiate golf programs in the conference," Wolcott said.

The facility will serve as the indoor training site for the Eastern men's and women's golf teams. The building will encompass approximately 15,000 square feet, and include locker rooms, offices, indoor putting and chipping, and simulators to support both indoor and outdoor training. The building will provide the University's golf teams with a state-of-the-art facility to train all elements of their game and allow the teams to train at a high level, even during inclement weather. Additionally, the facility will be used to host youth and community events to expand the teaching of golf in Ypsilanti and southeastern Michigan.

"The EMU women's golf team is so appreciative and thankful for this tremendous gift from GameAbove," said Head Women's Golf Coach **Stephanie Jennings**. "As an alum and former student-athlete, it brings me to tears because I'm thrilled about the progress of our program over the last 20+ years and the heights to which we can now reach. The new golf facility will be a complete game changer in how we recruit, how we train, and how we strive to achieve our goals of winning the MAC Championship and being a nationally ranked team."

As part of today's announcement, GameAbove will deposit its gift into a donor-advised fund dedicated for the new golf facility. Additionally, after the first 12 years of operation, there is an option to extend donations for operating expenses for another eight years.

"We cannot thank the GameAbove Advisory Board enough for their generosity and support of our golf programs," said Cunningham. "This will have a dramatic impact on our student-athletes skill set development and significantly enhance our off-season practice and training methods. The commitment by GameAbove to create a world-class, state-of-the-art indoor facility will ensure the continued growth of both programs and allow us to achieve our annual goals of competing nation-

ally and producing MAC Championships."

Cunningham was named the MAC Coach of the year in 2007, 2008, and 2019. He is one of only four men's golf coaches in league history to earn the accolade three-or-more times in a career.

"Eastern Michigan has provided me the professional courtesies and framework to build a nationally-relevant Division I golf program," Cunningham added. "This Performance Center is a testament to each and every student-athlete past and present, who committed their college career to EMU and were accountable to our values, goals and expectations. The former student-athletes deserve all the credit for taking equal ownership of the program and doing everything asked of them emotionally, mentally, and physically to leave the program each and every year better than when they entered. This facility will ensure our future pursuit of excellence through personal development, competitive spirit and team-work."

During his tenure, Eagle golfers have had some of their most successful years, finishing in the top three at the MAC Championships in 11 of the past 15 seasons. Furthermore, Cunningham has become accustomed to the NCAA experience, as he placed a team or an individual in six NCAA Tournaments during his time at EMU.

"This third gift in one month from GameAbove further demonstrates the organization's deep commitment to supporting the excellence of our University and our students," said Provost and Executive Vice President for Academic and Student Affairs **Rhonda Longworth**. "We are extremely grateful for this outstanding group of alumni and their desire to positively impact Eastern Michigan University."

"Our men's and women's golf programs are highly respected and this gift provides the foundation to take the programs to the next level - with facilities that will allow our students to compete with the best in the country," Longworth said. "At the same time, we are pleased to have already initiated processes to provide our faculty and students with access to the funds from the initial \$3.5 million gift under the "Faculty First and "Students Matter Most" initiatives developed by GameAbove."

The "Faculty First" initiative announced in November supports a range of faculty development endeavors. The "Student Matter Most" initiative focuses on providing financial resources for learning clubs, intramural sports, student government and student organization priorities, as well as solutions for student homelessness and housing insecurity, among other near-term needs.

About The GameAbove

At The GameAbove, our primary focus is to help shape, inspire and support the current and future students of Eastern Michigan University by reaching new heights in learning through transformation and inspiration in the educational experience. Together, we will strive for that next level of success with a GameAbove all others. The GameAbove family of organizations will also help improve the higher education experience by exploring and supporting the use of innovative financial models to sustain universities, creative giving within the community, enhancing the campus environment, elevating athletics and promoting pioneering academic programs. www.gameabove.com

YPSILANTI, Mich. (EMUEagles.com) —

Eagle Crest Golf Club, the home course of the Eastern Michigan University women's and men's golf teams, has been named the 16th best college golf course in the country in the annual Golfpass list compiled from ratings by golfers who've played the respective courses.

Eagle Crest, an 18-hole layout that features distinctive holes, spectacular lake views, and an extensive practice facility, climbed nine places from last year's rankings, which was the first time the course cracked the top 25 list.

Golfpass bills itself as the ultimate destination for traveling golfers who love to play, travel and learn more about how the sport of golf can be experienced around the world. The website seeks to be a one-stop, customized experience for golfers of all levels to find honest recommendations from their peers – and to offer feedback of their own – about any golf course they play.

Extensive improvements

The annual list, which this year changed its name from Golf Advisor to Golfers' Choice by Golfpass, determines its rankings lists from ratings and reviews submitted by members of its reviewing community throughout the year. The college courses must offer public access to be eligible.

Eagle Crest was designed by international golf architect Karl Litten and opened in 1989. It is the home course for the EMU men's and women's golf teams and features 10 different sets of tees for various

skill levels and ages.

The course has undergone considerable improvement since the implementation of a Jim Lipe master plan in 2012 that laid out the goal of becoming one of the premier resort golf courses in Michigan, said Wes Blevins, director of golf at Eagle Crest.

"For us to be recognized in this way for the second consecutive year says a lot," Blevins said. "This is a significant way to get noticed – by those who've played the course – and there are some terrific university courses on that list."

Blevins said recent improvements at Eagle Crest have included cart path removal, added drainage and a new cart path on the course's signature hole, the par-5 16th, which features a peninsular green and views of scenic Ford Lake.

"Over the past eight years we have performed tree removal for improved playability and visibility, constructed new tee box complexes to lengthen the course to 7,186 yards, and undertook renovation of bunkers and additions to greens along with continuing to focus on excellent customer service," Blevins said.

A distinct layout, on water

The Eagle Crest clubhouse, named after former EMU Regent and longtime administrator Roy Wilbanks, sits on a bluff overlooking Ford Lake in Ypsilanti Township. A bar & grille and patio offer some of the best views in Washtenaw County.

For three years, EMU has hosted Division I college women's golf teams during the fall at the Shirley Spork Invitational, and plans are in the works to host a Division 1

men's college invitational as well, Blevins said.

"(It's rare) to have a university golf course like this on a body of water, with no homes on the shore or bordering the course," Blevins said. "That's really what makes us special. This is a great thing for the University and the community. The planning and hard work is paying off."

"I can't wait to play it again"

Reviewers cited a variety of factors in ranking Eagle Crest highly, including the lake views, fast and playable greens and the golf shop and grille.

A first-time player at Eagle Crest savored how well the course played late this fall, during a warm day in November. "The views were awesome," the reviewer wrote. "The course was in really good condition for so late in the year. There are a variety of holes with different styles. I can't wait to play it again since I now know the layout."

A repeat Eagle Crest player added this endorsement: "This course gets a lot of play, but that never stops me from coming back. It's challenging and well cared for – up there with the best."

Another player came after hearing about Eagle Crest, and was not disappointed with the course or the food. "I heard so many good things about this course that I had to see it for myself, and I was not disappointed," the reviewer wrote. "The golf shop staff was super friendly to us ... We also had dinner at the restaurant, and the food was superb. I can't wait to come back next year."

About Eastern Michigan University

Founded in 1849, Eastern is the second oldest public university in Michigan. It currently serves more than 16,000 students pursuing undergraduate, graduate, specialist, doctoral and certificate degrees in the arts, sciences and professions. In all, more than 300 majors, minors and concentrations are delivered through the University's Colleges of Arts and Sciences; Business; Education; Engineering and Technology; Health and Human Services; and, its graduate school. EMU is regularly recognized by national publications for its excellence, diversity, and commitment to applied education.

Head Coach: Bruce Cunningham (Wittenberg, '85)

TM

BRUCE CUNNINGHAM

HEAD COACH

28TH YEAR AT EMU
WITTENBERG, 1985

The 2020-21 campaign marks the 28th year that Bruce Cunningham has been at the helm of the Eastern Michigan men's golf program.

During his tenure, Eagle golfers have had some of their most successful years, finishing in the top three at the Mid-American Conference Championships in 11 of the past 15 seasons. Cunningham was named the MAC Coach of the year in 2007, 2008, and 2019. He is one of only four men's golf coaches in league history to earn the accolade three-or-more times in a career.

In his time in Ypsilanti, Cunningham has become accustomed to the NCAA experience. The 27-year mentor placed a team or an individual in six NCAA Tournaments during his time at EMU. In 2010, Cunningham guided the Eagles to the 11th seed in the NCAA Northwest Regional. The team selection was the fourth NCAA berth in program history and the first as an at-large.

In 2009, Christopher Ross earned an at-large bid to the NCAA South Central Regional Championships in Stillwater, Okla. In 2008, the Eagles placed 14th at the NCAA Central Regional after a 15th-place showing at the 2007 NCAA East Regional, which was EMU's first team appearance in more than 60 years. Additionally, former EMU great Korey Mahoney qualified as an individual in both the 2005 and 2006 championships.

Cunningham guided the Green and White to its second consecutive MAC Championship in 2008. Trailing by one shot heading into the final threesome of the three-day, 72-hole tournament, the Eagles' Peter Sauerbrei completed his round with a par on the par four 18th. His Kent State opponent, David Ludlow, then missed a bogey putt and had to settle for a six to give Eastern Michigan the one-stroke victory, 1,171-1,172.

In 2007, Cunningham guided the Eagles to their first Mid-American Conference Championship. Heading into the championship's final 18 holes, Akron held a five-stroke lead over EMU. However, that all changed as the Eagles finished the final round at one-over par 289, while UA carded a nine-over 297. For the tournament, the Green and White fired a 1,138 (285-290-274-289) to equal the school record for the best 72-hole tournament total.

At Eastern Michigan Cunningham has mentored some of the best golfers in EMU history, including Jordan Young, Ed Maunder, Brent Goulding, Rob Couture, Jaysen Hansen and Jeff Mankiewicz, Brad Pemberton, and Graham Hill as well as Mahoney.

In addition to his duties as head coach, he was also the Head PGA Golf Professional at Eagle Crest Golf Club. He has served on the Mid-American Conference Golf Coaches Advisory Council since 2001. Cunningham was also a member of the NCAA District IV Golf Committee. He previously was the Chairman of the NCAA District IV Ethics Committee from 1997-2001.

The 55-year-old Cunningham came to EMU near the end of the 1994 spring season after serving as an assistant golf professional at Oakland Hills Country Club for five years. He is a Class-A PGA Golf Professional.

While at Oakland Hills Cunningham served as one of the teaching pros, responsible for giving lessons and clinics. He also assisted in the running of the 1991 U.S. Senior Open Championship. Also from 1989-93 Cunningham was the senior tournament director for the Junior Ping Tour presented by ESPN and Golfweek.

Prior to his five years at Oakland Hills, Cunningham was an assistant golf pro at Palm Aire Country Club for the winter seasons from 1987-89. He was the assistant pro at Marion (Ohio) Country Club from 1986-88.

A 1985 graduate of Wittenberg University, Cunningham was a two-time "Most Valuable Player" on the golf team and played in four national championships. He was also captain of the squad.

Cunningham is a native of Ashland, Ohio and attended Ashland High School where he was a three-time all-conference golfer, earning "Most Valuable Golfer" honors as well as serving as captain of the squad. He also played on the basketball team, and earned third-team all-league honors in that sport.

Cunningham and his wife, Marci, have two children, Allegra and Hagen.

THE BRUCE CUNNINGHAM FILE

Full Name: Bruce Lee Cunningham, II
High School: Ashland (Ohio), 1981
College: Wittenberg University - 1985; bachelor's in business administration

This is Eastern Michigan

Where We're Located

Eastern Michigan University is located in historic Ypsilanti, about 10 miles east of Ann Arbor, 40 miles west of Detroit and just 20 minutes from Detroit Metropolitan Airport. It is an area rich in academic, research, technological and recreational resources. The University also has sites in Livonia, Jackson, Traverse City, Flint, Detroit and Monroe.

EMU's 800 plus-acre campus of scenic flora and wooded areas includes 18 miles of walkways and jogging trails and has 122 buildings throughout the academic and athletic campuses. Eagle Crest – Eastern Michigan's conference center, golf course, and resort – is located on the banks of nearby Ford Lake. Ypsilanti plays a leading role in industry and education. The city and the University have forged close ties that have lasted more than 160 years.

What Makes Us Unique

In 1849, the Senate and House of Representatives of the State of Michigan formally paved the way for the establishment of Michigan State Normal School, with the exclusive purposes of instructing persons in the art of teaching; providing a good common school education; and giving instruction in the mechanic arts, husbandry, agricultural chemistry and the laws of the United States.

Since its inception, Eastern Michigan, first as a Normal School, then as a College and finally as a University, has grown and developed to respond to the ever-changing needs of society. Over the years, EMU has educated thousands of sons and daughters of Michigan, the nation, and the world.

The university currently serves 22,000 students who are pursuing undergraduate, graduate, specialist, doctoral and certificate degrees in the arts, sciences and professions. In all, more than 200 majors, minors and concentrations are delivered through the University's Colleges of Arts and Sciences; Business; Education; Health and Human Services; Technology, and its graduate school.

Eastern Michigan's exceptional faculty, students and alumni include CEOs from major businesses, a National Student Teacher of the Year, National Teacher of the Year, numerous Fulbright Scholars and Milken Family Foundation National Educators award winners, and several Michigan Teachers of the Year.

EMU is regularly recognized by national publications for its excellence, diversity, and commitment to applied education.

Our Students

With nearly 22,000 students, EMU provides a rich learning environment for the campus community. The University currently has approximately 18,000 undergraduates and 4,000 graduate students. Our students represent 49 states and 93 foreign countries.

Of undergraduate students, 72 percent are full-time and 59 percent are women. The most popular majors are education, business, social sciences and history, science and engineering, English, and the health professions. EMU's undergraduate population is approximately 66 percent white; 18 percent black; 3 percent international; 3 percent Asian-American; 4 percent Hispanic, 0.2 percent Native-American, and 6 percent not answered (i.e. elected not to respond to this inquiry).

Eastern Michigan offers a number of special academic programs to help students succeed. These include the Honors College; the Holman Success Center; distance learning; accelerated format programs; online, weekend and evening programs and courses; American Humanics certification; Study Abroad Tours; a specialized master's degree program for corporations offered onsite; a double master's degree; online technologies for education and training.

With more than 200 academic and social organizations, an extensive intramural sports program, 21 NCAA Division I-A sports and numerous cultural activities from which to choose, EMU students have diverse opportunities to become involved in campus life. Students' on-campus housing choices range from traditional dormitory-style rooms to apartments and include living/learning center options.

Faculty/Staff

Eastern Michigan University employs nearly 700 full-time faculty and 1,000 staff members. Ninety-four percent of EMU professors have doctoral degrees or terminal degrees in their field. The student to faculty ratio is 17:1.

Faculty work closely with students, and many involve students in their research. Recently, the University celebrated its 30th annual Undergraduate Symposium; a benchmark program for undergraduate research.

Community Outreach

Eastern Michigan is making an impact nationally by channeling its academic research as a means of solving real world problems. EMU currently has 14 research institutes and centers that focus on community building and civic engagement, quality, community and regional development, small business development, geospatial education, textiles, export assistance and product development.

EMU is well-known for merging theory and practice for the benefit of the community. Applied research leads to new knowledge, new jobs and new business. Annually, the university receives about \$15 million in revenues for sponsored research and community service activities.

The Alumni Association

Representing more than 160,000 alumni and friends, the Alumni Association sponsors social and service-related programs for more than 20 geographically-based and special-interest alumni chapters.

EMU's Economic Impact

Since its founding in 1849, Eastern Michigan has provided quality services to the residents of Ypsilanti, Washtenaw County, the State of Michigan and other states and nations.

EMU's total impact on the Michigan economy of an estimated \$3.7 billion annually reflects a return of more than \$42 for each dollar received from the state. The University's total impact on the Michigan economy results in a contribution of \$166 million in state tax revenue. Thus, EMU's impact on state government tax revenue is \$1.87 in taxes for each dollar received from the state.

Mission Statement

Eastern Michigan University is committed to excellence in teaching through traditional and innovative approaches, the extension of knowledge through basic and applied research, and creative and artistic expression.

Building on a proud tradition of national leadership in the preparation of teachers, we maximize educational opportunities and personal and professional growth for students from diverse backgrounds through an array of baccalaureate, master's and doctoral programs.

toral programs.

We strive to provide a student-focused learning environment that enhances the lives of students and positively impacts the community. We extend our commitment beyond the campus boundaries to the wider community through service initiatives, and public and private partnerships of mutual interest addressing local, regional, national and international opportunities and challenges.

Our History

Founded in 1849, when the state of Michigan was just 12 years old, Michigan State Normal School was designated by the state legislature as the first institution to educate teachers to serve the public schools. The University thus began, somewhat humbly, as the sixth teacher education institution in the nation. A campus that today comprises more than 800 acres was once a four-acre plot with one building and two programs of study – a classical course and an English Course.

The school's name changed several times – to Michigan State Normal College in 1899; to Eastern Michigan College in 1956; and finally to Eastern Michigan University in 1959. During its first 100 years, the institution certified thousands of teachers and developed the broad-based curricula that ultimately prepared it for university status.

Within that new university, three colleges emerged: Education, Arts and Sciences and the Graduate School. The University has since expanded three more times, adding the College of Business in 1964, the College of Health and Human Services in 1975, and the College of Technology in 1980. More recently, Eastern Michigan has developed Extended Programs and numerous community-focused institutes.

The university has enhanced its learning environment through structural initiatives during the past several years. Recent construction includes the Terrestrial and Aquatic Research Facility (1998), the Convocation Center (1998), the Bruce T. Halle Library (1998), the John W. Porter College of Education Building (1999), the Everett L. Marshall College of Health and Human Services Building (2000), the Village residence hall (2001), University House (2003), new Student Center (2006), and the new Science Complex (2010).

Fast Facts

Founded: 1849 - Michigan State Normal School
 Enrollment: Fifth-largest state institution in Michigan

Undergraduates: 14,872
 Graduates: 2,942
 Gender:
 Undergraduates: 60% female; 40% male
 Graduates: 66% female; 34% male
 Michigan residents: 92 percent
 President: James M. Smith
 Board of Regents: Eight-member board, appointed by governor

Faculty: 1,214
 Faculty holding Ph.D.: 93 percent
 New Freshmen Average GPA: 3.3
 New Freshmen Average ACT: 23
 New Freshmen Average SAT: 1,082
 Academic programs: 200 majors, minors and concentrations, plus 167 graduate degrees and certificate programs
 Doctoral programs: 4 - Clinical Psychology, Educational Leadership, Educational Studies, & Technology

Campus Size: 880 acres
 Athletic Affiliation: NCAA Division FBS (1-A)
 NCAA Conference: Mid-American Conference
 Mascot: Eagles
 Colors: Green and White

The City of Ypsilanti

Ypsilanti is a city in Washtenaw County with a population of 22,362. Originally a trading post established in 1809 by Gabriel Godfroy, a French-Canadian fur trader from Montreal, a permanent settlement was established on the east side of the Huron River in 1823 by Major Thomas Woodruff. It was incorporated into the Territory of Michigan as the village Woodruff's Grove. A separate community a short distance away on the west side of the river was established in 1825 under the name "Ypsilanti", after Demetrius Ypsilanti, a hero in the Greek War of Independence. Woodruff's Grove changed its name to Ypsilanti in 1829, and the two communities eventually merged.

Henry Ford and the automotive industry came to Ypsilanti in the 1930s and beautiful Ford Lake was created to generate hydroelectric power for the manufacturing plants. During World War II, Ypsilanti became home to the Willow Run Bomber Plant, a factory that would employ 100,000 workers.

EASTERN

MICHIGAN UNIVERSITY

Education First

TIMELINE

March 28, 1849: State Legislature passed Act No. 138 entitled "An Act to Establish a State Normal School."

Oct. 5, 1852: Official dedication of Michigan State Normal School.

March 29, 1853: Michigan State Normal School opens, offering two programs of study, a "classical course" and an "English course."

1854: Michigan State Normal School holds first commencement, with three graduates.

Sept. 1881: The student newspaper, *The Normal News*, is founded as a monthly.

1890: MSNS is the first Michigan institution to establish a department of geography.

Oct. 22, 1896: Theodore Roosevelt visits Michigan State Normal School.

Sept. 15, 1897: The student newspaper is renamed *The Normal College News*, published twice a month.

1897: MSNS is the first U.S. teacher's college to become a four-year institution.

April 28, 1899: Michigan State Normal School is renamed Michigan State Normal College.

1900: Student athletes unofficially adopt the nickname Normalites. Athletes could wear either a "Y" for Ypsilanti or an "N" for Normal.

1915: MSNC is the first U.S. teacher's college to establish training for teachers of the disabled.

Oct. 24, 1929: Athletic teams are named the Hurons.

July 1, 1956: Michigan State Normal College becomes Eastern Michigan College.

July 6, 1956: The student newspaper is renamed *The Eastern Echo*, a weekly publication.

June 1, 1959: Eastern Michigan College is renamed Eastern Michigan University.

1959: The College of Education is established.

1959: The College of Arts and Sciences is established.

Oct. 13, 1960: Senator John F. Kennedy visits Eastern Michigan University

1964: The College of Business is established.

1975: The College of Health and Human Services is established.

1980: The College of Technology is established.

1990: Eastern Michigan University begins the first phase of a \$213-million investment in campus renovations.

Jan. 30, 1991: The Board of Regents approve changing the Huron name and logo.

May 22, 1991: Board of Regents approve new EMU logo and nickname - the Eagles.

Sept. 9, 1994: The mascot "Swoop" is officially adopted.

Nov. 28, 1995: Groundbreaking for the Bruce T. Halle Library is held.

Oct. 30, 1996: President Bill Clinton visits EMU to present a speech on women in the business community.

Sept. 20, 1997: A "beaming ceremony" is hosted to celebrate construction of the new Convocation Center.

June 1, 1998: The official opening of the \$41-million Bruce T. Halle Library is held.

Oct. 9, 1998: Official dedication of the Bruce T. Halle Library takes place.

Jan. 1, 1999: Eastern Michigan University begins a year-long celebration of its sesquicentennial.

May 2000: President Bill Clinton delivers the commencement address at Eastern Michigan University's Convocation Center.

Sept. 21, 2004: A ground breaking Ceremony is held for the New \$37.5-million EMU Student Center.

May 14, 2008: Dr. Susan Martin is appointed the 22nd president of EMU by a unanimous vote of the EMU Board of Regents.

July 7, 2015: Dr. Susan Martin departs EMU exactly seven years after she began serving as president at Eastern

July 1, 2016: James M. Smith is appointed the 23rd president of EMU

The Board of Regents is the governing body of Eastern Michigan University. Its current format was created when the State of Michigan ratified a new constitution Jan. 6, 1964. The Board comprises eight regents who are appointed to eight-year terms by the governor.

"Other institutions of higher education established by law having authority to grant baccalaureate degrees shall each be governed by a board of control which shall be a body corporate. The board shall have general supervision of the institution and the control and direction of all expenditures from the institution's funds. It shall, as often as necessary, elect a president of the institution under its supervision. He shall be the principal executive officer of the institution and be ex-officio a member of the board without the right to vote. The board may elect one of its members or may designate the president to preside at board meetings. Each board of control shall consist of eight members who shall hold office for terms of eight years, not more than two of which shall expire in the same year, and who shall be appointed by the governor by and with the advice and consent of the Senate. Vacancies shall be filled in like manner."

— Michigan Constitution of 1963 (ratified 1964), Article 8

Eunice Jeffries

Eunice Jeffries, Chair

Eunice Jeffries was appointed to the Board of Regents by Governor Rick Snyder in December of 2016 to fill the seat of Beth Fitzsimmons, Ph.D., whose term had expired. She is appointed for a term expiring December 31, 2024. Eunice Jeffries received her Bachelor of Science Degree in Accounting and Business Administration from Fisk University in Nashville, Tennessee and received her Master of Business Administration from Northwood University in Midland, Michigan. Jeffries began her career in public service as a Congressional caseworker for United States Senator Spencer Abraham, within a year; Jeffries rose through the ranks and was promoted to Regional Director. In this role, Jeffries opened and managed the Senator's district office in Detroit. In 2001, Jeffries joined Governor Engler's Executive Office in Detroit as Associate Director. She represented the governor in Southeast Michigan and was charged with creating synergy between communities, clergy and government. These experiences led Jeffries to the opportunity to represent the Secretary of State, Terri Lynn Land, in Southeast Michigan as Director of Civic and Community Affairs in the Executive Office. In 2011, as a State Administrator of the Bureau of Branch Office Services, Jeffries served Secretary

Ruth Johnson and worked as an integral part of the Customer Service Administration. As the Executive Director of the Farmington Hills Foundation for Youth and Families, Jeffries served as the face of the organization and was responsible for implementing the Foundation's mission and vision by planning events, engaging key community stakeholders and managing the Board of Trustees. Jeffries went on to become involved with the Council of Michigan Foundations where she still serves as a mentor in one of CMF's flagship programs and is involved with the Michigan Forum for African Americans in Philanthropy. While at Beaumont Health, Eunice was responsible for government and community affairs for the organization. Eunice is currently the Metro Director for Read to a Child, a national non-profit that focuses on helping to foster a love of reading for elementary school students through a lunchtime reading program. Jeffries leads a team that works with volunteers who agree to enter into a 1:1 mentoring relationship with our youngest readers for a minimum of one school year. Having over twenty years of experience in public service, Eunice has spent much of her career as an active community member. She is affiliated with the Marygrove College Institute of Music and Dance as costume coordinator. Jeffries was recently appointed to the Farmington Hills Community Health Commission by the Mayor. Chairwoman Jeffries is currently Chair of the Finance and Investment Committee.

Michael Hawks

Michael Hawks, Vice Chair

Michael Hawks was appointed by Governor Rick Snyder in February of 2011 for an eight-year term. He was reappointed for a second eight-year term expiring December 2026. Hawks was born in Ann Arbor, Michigan and grew up in Ypsilanti Township. He graduated from Ypsilanti High School where he excelled in football and received a full athletic-scholarship from Eastern Michigan University. Hawks, a four-year letter winner, was the starting Noseguard the three seasons. While at EMU, he earned a bachelor's in business administration and subsequently earned a master's in higher education administration from Michigan State University. After completing his higher education, he served as Chief of Staff for the Majority Floor Leader in the Michigan House of Representatives and served on the Staff of the Speaker of the House. He currently serves as CEO of Governmental Consultant Services Inc. (GCSI) in Lansing, Michigan. GCSI is a bi-partisan multi-client lobbying firm that is consistently recognized as Michigan's number one rated firm. GCSI's diverse and prestigious portfolio includes many Fortune 500 companies, multi-national corporations, trade associations, municipalities, non-profits, authorities as well as many other entities in multiple sectors. Hawks individually has been consistently voted amongst the top lobbyists in the state by independent political surveys of Capitol insiders in a career spanning over 30 years. Regent Hawks has also been involved with many charitable and community organizations over the years. Regent Hawks is currently Vice Chair of the Board of Regents, serves as Chair of the Finance and Investment Committee, and is Chair of the Personnel and Compensation Committee. He previously served ten years as Chair of the Athletic Affairs Committee and Chair of the Eagle Administrative Services Board for eight years.

Dennis Beagen

Dennis Beagen

Dennis Beagen was appointed by Governor Snyder in December 2014 to replace Floyd Clack, whose term had expired. He is appointed for a term expiring December 31, 2022. He currently serves as vice chair of the Faculty Affairs Committee and vice chair of the Student Affairs Committee. Beagen was born and raised in Detroit, Michigan. Upon graduation from high school in 1963, he enrolled at Eastern Michigan University. He received his undergraduate degree from EMU in three years majoring in speech-communication with a minor in business management. After receiving his BS degree from Eastern Michigan University, he was admitted to graduate school at the University of Michigan while serving as a graduate teaching assistant at EMU. While serving as graduate teaching assistant in the Department of Speech & Dramatic Arts, Beagen volunteered to coach EMU students competing in intercollegiate forensics and debate. After completion of his MA degree from the University of Michigan in the summer of 1967, he was hired at EMU as a full-time instructor of speech, and assistant coach for the EMU Forensic/Debate team. He then enrolled at Wayne State University, and completed all course work for his doctoral program. In 1970, Beagen was appointed director of the EMU Forensic program. A position he held until 1981. During his tenure as director of forensics, EMU students achieved eight national team championships, four top speaker in the nation titles, and 27 individual national championships. In the summer of 1981, he was appointed administrative head of the Department of Communication, Media & Theatre Arts. He served in that role for more than three decades. During his tenure as department head for CMTA, Beagen also was appointed to interim administrative positions as associate provost for Academic Affairs, and dean of Continuing Education. Beagen was also appointed to numerous special assignments and task forces, including numerous EMU negotiating teams (faculty, professional technical, and clerical); chair of the 2005 President Search Committee; special assistant to the Provost for the Campaign for Scholars, and the recent Comprehensive Campaign; and chair of the Planning Committee for EMU's prestigious Undergraduate Research Symposium. He is the recipient of the EMU Alumni Association's Teaching Excellence Award, and the Dr. John Porter Distinguished Service Award. In 2003 he received the Institutional Values Award for Team Excellence (Undergraduate Symposium). He was also the recipient of the 2011 Presidential Award for Faculty and Staff Leadership in Advancement. After more than 45 years of service, Dennis Beagen was granted emeritus faculty/administrative status from the Department of Communication, Media & Theatre Arts and Eastern Michigan University.

Michelle Crumm

Michelle Crumm

Michelle Crumm was appointed by Governor Rick Snyder in December of 2014 to replace Francine Parker, whose term expired. She is appointed for a term expiring December 2022. Michelle Crumm earned a Bachelor of Science degree in accounting from Purdue University and her Master's of Business Administration from the University of Michigan. Early on, Crumm served as an accountant at an automotive supplier and auditor at Plante and Morgan, later obtaining her license as a Certified Public Accountant. Following this, Crumm spent nearly five years at Kellogg Company. During her tenure at Kellogg, she was able to accelerate her career with experiences in internal audit, investor relations, and procurement. While working at Kellogg Company, Crumm became the Co-Founder and Chief Business Officer of Adaptive Materials, Inc. During her 12 years leading Adaptive Materials, Adaptive Materials was recognized for its dynamic growth with Ann Arbor SPARK FastTrack, Inc. 5,000, and Inc. 100 Energy Company awards. In this position, Crumm's leadership was proven instrumental in helping the fuel cell company transition from start-up to second stage. Making Adaptive Materials a fast growing, advanced manufacturing company and into a successful fuel cell manufacturing company. Adaptive Materials, Inc. was later acquired by defense industry giant Ultra Electronics in 2011. Since that time, Crumm has actively participated in many other start-ups as a founder and/or investor and currently has ownership in many local companies. Crumm has been widely recognized for her leadership. She was named "Executive of the Year" from Ann Arbor.com, "Most Influential Women" by Crain's Detroit Business, and one of Entering Women's "Women of the Year." Ernst and Young also awarded her the prestigious title "Entrepreneur of the Year." At this time, Crumm serves as Founder/CEO of Present Value executive coaching company. She is known for her energy, serial entrepreneur, and accomplishments in helping leadership teams develop and implement strategy. As a dynamic community participant, Crumm served on the Board of the Center for Entrepreneurship at the University of Michigan and is the former Chair of the Ann Arbor Area Community Foundation. Regent Crumm currently serves as Chair of the Athletic Affairs Committee and is Vice Chair of the Faculty Affairs Committee. In addition, Crumm is a member of the Personnel and Compensation Committee and serves on the Eagle Administrative Services Board.

Nathan K. Ford

Nathan K. Ford

Nathan K. Ford was appointed to the Board of Regents by Governor Gretchen Whitmer in December of 2020 to fill the seat of Mary Treder Lang, whose term had expired. He is appointed for a term expiring December 31, 2028. Ford is the associate vice president and director of public engagement for HNTB Corporation. Ford is a member of the COMTO Michigan Board and vice president of the Morehouse College Alumni Association Detroit Chapter. He holds a Bachelor of Arts in Business Administration from Morehouse College.

Dr. Jessie Kimbrough Marshall

Dr. Jessie Kimbrough Marshall

Dr. Jessie Kimbrough Marshall was appointed to the Board of Regents by Governor Gretchen Whitmer in December of 2020 to fill the seat of Jim Webb, whose term had expired. She is appointed for a term expiring December 31, 2028. Kimbrough Marshall, M.D., M.P.H. currently volunteers at community mobile clinics with COVID-19 testing and flu vaccinations in several counties in Michigan. Dr. Kimbrough Marshall previously served as the medical director for the Washtenaw County Health Department and as a practicing clinical assistant professor at the University of Michigan Medical School. She earned her Bachelor of Science from Eastern Michigan University, Doctor of Medicine from Wayne State University School of Medicine, and Master of Public Health from the Harvard School of Public Health.

Alexander Simpson

Alexander Simpson

Alexander Simpson was appointed to the Board of Regents by Governor Rick Snyder in December of 2016 to fill the seat of Jim Stapleton, whose term had expired. He is appointed for a term expiring December 31, 2024. A proud alumni, Simpson received his Bachelor of Science in Social Work from Eastern Michigan University in 2007. At EMU, he was a member of the Delta Nu chapter of Kappa Alpha Psi Fraternity Inc., presented at the Undergraduate Symposium, was a member of the Community Creed Task Force, served as a New Student Orientation Assistant, was a writer for the Eastern Echo, helped start the Student Conflict Resolution Center, won Homecoming King and, most importantly – met his wife, Danielle. After graduation from EMU, he matriculated on and received his Master of Social Work from the University of Michigan, School of Social Work in 2008, and his Doctor of Jurisprudence from Indiana University, Maurer School of Law in 2011. While in law school, he co-founded the Indiana Journal of Law and Social Equality. He received a Master of Business Administration from Northwestern University, Kellogg School of Management in 2017. Simpson began his legal career at Bodman PLC, a law firm that has been in Michigan since 1929. Bodman PLC provides counsel to companies and businesses. After participating in the firm's summer associate program, he worked as an associate attorney in the firm's Enterprise Procurement, Business, and Intellectual Property practice groups. In 2015, Simpson joined IHS Markit Ltd. as Legal Counsel and currently is a member of Corporate Counsel at Meijer Corporation. Simpson was previously appointed by Governor Rick Snyder to serve as a Board Member for the Michigan State Housing Development Authority. As a Board Member, Simpson was responsible for providing policy direction to MSHDA staff, authorizing bond issues, approving development loan commitments and evaluating programs. Alexander Simpson is the 2017-2018 President-Elect of the Wolverine Bar Association. The Wolverine Bar Association was created in the 1930s to coordinate the abilities of African American Lawyers in state of Michigan. Currently he works as an attorney for Microsoft. In his spare time Simpson coaches youth football, at Play 4 Fun Sports League, an organization that strives to provide quality sports programs, leagues, and clinics to kids. Regent Simpson serves as the Vice Chair of Student Affairs Committee, Vice Chair of the Audit Committee, and is a member of the Personnel and Compensation Committee.

James M. Smith, Ph.D.
President

Dr. James M. Smith is the 23rd president of Eastern Michigan University. He began his duties July 1, 2016.

Since joining EMU, President Smith has actively pursued several strategic initiatives, including adding new academic programs in high-demand areas, launching a Commission on Diversity and Inclusion to drive diversity and equity initiatives on campus, and investing in campus infrastructure to ensure a bright future for Eastern's students and employees.

Before coming to EMU, Smith served as president of Northern State University (NSU) in Aberdeen, South Dakota from 2009-16. For seven consecutive years (2008-2015), NSU was named by US News and World Report as one of the best undergraduate public institutions in the Midwest.

He has been an active fundraiser

and was instrumental in helping NSU obtain the largest donation in its history, a \$15 million gift.

Another NSU success was collaborating with the University of Jinan, in Jinan, China, to develop the first and only Confucius Institute in the Dakotas. The Confucius Institute has a specific three-part focus dedicated to the teaching of Chinese language, culture, and business practices. In addition to the traditional start-up funding provided, he was able to gain local and regional support of nearly \$500,000 to launch the initiative.

Smith, 62, who grew up near Columbus, Ohio, in Washington Court House, knew early on he

wanted to be a teacher. He always had admired teachers and enjoyed school. He became an elementary and middle school teacher after earning his Bachelor of Science

degree in Elementary Education, from Miami University in Oxford, Ohio, in 1979. He would go on to earn a Master of Education, Educational Administration, from Xavier University in Cincinnati and a Doctor of Philosophy, Educational Leadership, from Miami University.

Over the next 28 years, he served as an elementary school principal, a teaching fellow and assistant professor at Miami, director of the Experiential Program for Preparing School Principals at Butler University in Indianapolis, and director of the Educational Leadership Program and coordinator of doctoral studies at West Texas A&M University. Smith was also vice president for Economic Development at Bowling Green State University in Bowling Green, Ohio, before heading to NSU.

Smith's wife, Dr. Connie Ruhl-Smith, has an impressive resume of her own. She has been a teacher, author and administrator, and has done extensive work in student retention and student academic support, introduction of international partnerships, and much more.

Scott Wetherbee
EMU Vice President/Director of Athletics

The mark of an exceptional athletics program is the progress that is made each year. And under the leadership of Vice President and Director of Athletics **Scott Wetherbee**, the Eastern Michigan University department of athletics turned in extremely successful campaigns in each of his four years at the helm.

The 2019-20 season saw plenty of triumphs both on the field and in the classroom despite battling adverse conditions. Eastern won three MAC team titles and 11 individual league championships before the COVID-19 pandemic canceled the entire spring sports season.

EMU won its fifth consecutive women's cross country title while the women's indoor track & field team won its seventh Mid-American Conference championship. Women's soccer finished as the tournament runner-up, while women's basketball earned a berth into the semifinals for the first time since 2015. Additionally, swimming & diving took third-place at the MAC Championship and volleyball finished in third in the West Division race.

On the men's side, the men's cross country team notched its 23rd MAC title. Men's indoor track & field finished as the runner-up at its championship, while football punched its ticket to the postseason for the second consecutive season with an appearance in the Quick Lane Bowl in Detroit. Men's basketball clinched the Michigan MAC Trophy with a 67-63 victory over Central Michigan, Feb. 29.

Persevering under unusual circumstances, EMU student-athletes posted their highest semester and cumulative grade point average in school history in 2020. With more than 430 student-athletes, Eastern recorded a 3.516 winter semester GPA. It bettered the previous best of 3.238 set in the fall of 2016. EMU also added a cumulative 3.332 GPA, another department best previously set in the fall of 2018 at 3.27.

Furthermore, the year saw the Athletic Department open the Student-Athlete Performance Center on Aug. 27, 2019. The first major construction project on the

athletics campus since the opening of the Convocation Center in 1998, the \$20 million facility is the first phase of the department's plan to build a safe and highly-effective atmosphere for its student-athletes through the continual revitalization of its facilities and athletic campus.

Heavily supported by fundraising efforts, the 60,000 square foot structure houses the sports medicine, performance and equipment operations areas. Additionally, the facility has locker rooms, coaches' offices, and meeting spaces for the football team, while also including a new video board inside Rynearson Stadium.

The 2018-19 campaign was another record-setting season in both athletics and academics for Eastern. The Eagles finished near the top in the battle for the MAC's all-sports championships. It marked the eighth time in the past 12 years that Eastern Michigan placed inside the top-five spots in both standings.

Eastern Michigan won its fourth consecutive women's cross country title while the volleyball team won its first MAC Tournament Championship after finishing tied for second in the West Division. Women's swimming & diving finished as the runner-up at the championships for fifth consecutive season, while women's indoor track & field added a second-place finish.

On the men's side, the men's golf team notched its third MAC title and first since 2008 as it shared the team championship with Kent State University. Both men's indoor track & field and outdoor track & field also finished as the runner-up at their respective championships. Football finished tied for second in the West Division good for its best finish since the league switched to the divisional format in 1997.

Coupled with three MAC team titles and 15 individual league championships, the 2018-19 campaign was one of the most successful seasons in Eastern Michigan history. In the classroom, EMU student-athletes posted a cumulative 3.270 grade point average (GPA) during the winter semester, then the highest mark on record. It was the 19th term in a row EMU student-athletes had earned over a 3.0 GPA.

During Wetherbee's first year at EMU in 2017-18, the department took home two of the Mid-American Conference's top three institutional awards – the Cartwright Award and the Reese Trophy. The Cartwright Award is given for program excellence in academics, athletics and citizenship, while the Reese Trophy is for the top men's athletic program in the league.

The Eagles captured a combined five team championships and 38 individual league titles. For their efforts, 84 EMU student-athletes earned All-MAC honors in 2017-18.

In the classroom, EMU student-athletes posted a 3.259 cumulative grade point average (GPA) during the winter semester.

Wetherbee also helped increase EMU's fundraising efforts with more than \$15 million in cash and pledges (Fiscal Year 2018 over \$1.5 million, Fiscal Year 2019 over \$3 million, and Fiscal Year 2020 over \$10 million).

Additionally, EMU has generated four gifts of \$1 million-or-more, including: the first seven figure gift in Eastern Athletics history, an \$8 million gift for a new GameAbove Golf Performance Center (largest gift in school history), and a \$1 million sponsorship (largest in school history).

The 46-year-old Wetherbee was named to the position at EMU on June 26, 2017. A native of Kalamazoo, Mich., has more than 20 years of collegiate athletic administrative experience with a track record of enhancing every department he has served.

A veteran in the world of athletic administration, he is Eastern Michigan's 14th athletic director after spending the four years at Mississippi State University, including serving as the department's interim director of athletics from October-November 2016.

He has spent 20 years on the senior or executive staffs at five athletic departments, including EMU, MSU, East Carolina University, San Diego State University, and Fresno State University.

Named one of College AD's 2017 NEXT UP honorees, Wetherbee was picked as one of 13 senior level administrators who were believed to be ready to take the next step by some of the most respected athletic directors in the industry.

MSU's senior associate athletic director of external affairs from 2013 until May 2017, Wetherbee developed MSU's external unit into one of the most elite and recognized in all of college athletics. Recently promoted in June 2017 to Deputy Director of Athletics, he has built a department with the hiring of more than 20 new employees to cultivate a culture of innovation and brand consistency.

In 2015 and 2016, MSU's marketing department became the first back-to-back winner of the National Association of Collegiate Marketing Administrators (NACMA) Marketing Team of the Year. Meanwhile, MSU's Athletic Media Relations department was the recipient of the 2015 Football Writers Association of America's Super 11 Award.

Wetherbee has played a pivotal role in the growth of MSU Athletics since his arrival, serving on the executive staff that provides oversight to all 16 of the Bulldogs' varsity sports and overseeing an annual budget of \$87 million. He has spearheaded all aspects of MSU's external department, including marketing, media relations, video, equipment, facilities, game operations, licensing, adidas, Gatorade, and served as liaison to Bulldog Sports

The Scott Wetherbee File

Name: Scott Wetherbee
 Hometown: Kalamazoo, Mich.
 College: Ball State University - bachelor's degree in sports administration - 1997
 Family: Wife - Tracy; Children - Taylor and Spencer;

COLLEGIATE WORK EXPERIENCE

YEAR	SCHOOL	JOB TITLE
2017-Present	Eastern Michigan University	Vice President/Director of Athletics
June 2017	Mississippi State University	Deputy Director of Athletics
2013-17	Mississippi State University	Senior Associate Athletic Director for External Affairs
Oct-Nov. 2016	Mississippi State University	Interim Director of Athletics
2006-13	East Carolina University	Assistant Athletic Director for Marketing & Ticket Operations
2003-06	East Carolina University	Assistant Athletic Director for Ticket Operations
2002-03	San Diego State University	Assistant Athletic Director for Ticket Operations
2000-02	Fresno State University	Athletic Ticket Manager
1999-2000	Fresno State University	Assistant Athletic Ticket Manager
1997-99	Ball State University	Graduate Assistant
1997	Western Michigan University	Ticket Office Intern

Properties – the department’s third-party rights holder. He successfully negotiated new deals with Learfield, adidas, and Gatorade.

Wetherbee served as MSU’s liaison to the SEC Network. With that responsibility, he established a department that produced more than 100 live digital broadcasts during the 2016-17 athletic year. He was also the sport administrator for the Bulldogs’ baseball and volleyball programs.

In addition, he oversaw all branding, graphic, venue marketing, and video elements of MSU’s athletic facilities. That included the creation of a new \$1.3 million video board and hustle boards for Humphrey Coliseum, the vision for the largest videoboard in college baseball at Dudy Noble Field and new graphics in Davis Wade Stadium, Nusz Park, MSU Golf Facility, MSU Soccer Fieldhouse, and the Humphrey Coliseum locker rooms.

Wetherbee arrived in Starkville, Miss. after spending 10 years as an assistant athletic director at East Carolina where he directed the department’s marketing and ticket operations. He was part of an administrative team that led a \$60 million expansion and development project of ECU Athletic facilities since 2008. In 2011, his marketing ticket vision produced ECU football records in per game attendance (50,012), total attendance (300,069), and season ticket sales (24,188). He assisted the Pirate Club in increasing unrestricted annual giving by over 56 percent and membership growth by 78 percent.

Wetherbee was no stranger to developing brand strategies before his arrival at MSU. He served on multiple committees of East Carolina’s strategic planning process, and he was charged with creating a branding initiative to facilitate a consistent message through the department. He worked extensively with IMG Sports to expedite

contracts and sponsorship agreements, and he developed a technology team to coordinate social media initiatives.

From 2002-03, Wetherbee served as the assistant athletic director for ticket operations at San Diego State University. He directed ticket sales, oversaw the ticket office’s budget, and served on the department’s senior staff. One of his many accomplishments at SDSU was the designing and implementation of the men’s basketball’s reseating process, which allocated seats based on existing donor levels and the priority points system.

Prior to his stint at San Diego State, Wetherbee spent three years at Fresno State, serving as assistant athletic ticket manager from 1999-2000 before being promoted to athletic ticket manager in 2000. He directed all ticket sales and operations for over 100 athletic and special events annually and maintained the department’s budget. In addition to supervising the staff, Wetherbee created, designed, and maintained Fresno State’s first online ticket office – GoBulldogs.com.

Wetherbee got his start in athletics as a ticket office intern at Mid-American Conference rival Western Michigan University before spending two years as a graduate assistant in the Ball State University athletic ticket office.

Wetherbee earned a Bachelor’s degree in sports administration from Ball State in May 1997. He started his collegiate career at Ferris State University as a student-athlete on the baseball team before the program was discontinued.

He and his wife, Tracy, have two children: Taylor and Spencer.

CONVOCAATION CENTER

The Eastern Michigan University Convocation Center, in its 20th season as the crown jewel of EMU athletics, opened up a new era of excitement on the west campus of EMU in the fall of 1998.

The state-of-the-art, \$29-million facility is the result of a decade-long effort to improve and upgrade university facilities and followed closely the opening of the \$41-million Bruce T. Halle Library on the main campus.

Construction of the Convocation Center began in the spring of 1997 and culminated with its dedication game, Dec. 9, 1998, with a men's basketball game against the University of Michigan in front of a crowd of 7,647.

Since its opening, the Convocation Center has served as home court for the Eagles' men's and women's basketball and volleyball teams. The EMU wrestling team and women's gymnastics team have held several meets on the arena floor.

The Convocation Center has also served as the site for six Mid-American Conference Championships. EMU hosted the 2000, 2007 and 2014 MAC Gymnastics Championship and the 2002, 2009 and 2016 MAC Wrestling Championship. The arena has been the host site for 10 first-round MAC Women's Basketball Tournament games, eight first-round games for the men's basketball squad and four first-round MAC Volleyball Tournament games. The building also played host for the EMU women's basketball team's upset of the University of Michigan in the First Round of the 2011 Women's National Invitational Tournament (WNIT) and a pair of contests during the 2014 Women's Basketball Invitational (WBI). Meanwhile, the EMU men's basketball team hosted the first round of the 2014 and 2018 CollegenInsider.com Tournament for the program's first postseason home games.

The Convocation Center also played host to the 2008 WNBA's Eastern Conference Finals and the WNBA Championship, as the Detroit Shock utilized the facility for the playoffs.

Along with their commitment to EMU Athletics, the Convocation Center staff has brought some of the finest entertainers in the world to Ypsilanti. The Convo has hosted acts by the Black Crowes, Indigo Girls, Godsmack, Smashmouth, Ludacris, Bob Dillion, Toby Keith, Matchbox Twenty, Goo Goo Dolls, Dave Chapelle, John Mayer and Jay-Z.

The Convocation Center is also the site for EMU's spring and winter commencement ceremonies.

Among other events that have taken place include numerous youth sporting competitions, high school commencements, trade shows, job fairs, conventions, charity and community awareness events as well as a circus.

The 204,316-square-foot facility features three user-friendly levels — arena, concourse and office — and three seating configurations to maximize crowd capacity and space usage. The largest seating capacity is for center-stage entertainment activities, with 9,500 seats available. The capacity for basketball games is approximately 8,800.

EMU's athletic administration is located on the office level, along with offices for the EMU football, men's and women's basketball and volleyball coaching staffs. The EMU Athletic Media Relations Office, as well as offices for the Convocation Center staff, are located on the office level.

The main athletic training room and office space for EMU's sports medicine staff is located on the arena level as are strength and conditioning facilities and equipment rooms.

In the summer of 2012, the Convocation Center received a major face-lift, as a YESCO four-sided ceiling hung display sign, featuring video boards on all four sides, was installed above center court in the arena.

The fixture features four 10MM full color video boards, with each board's active area measuring 15.7-foot wide by 11.5-foot tall. In addition, the system also features three ribbon displays on the west and east sides and under the scoreboard. The arena will also showcase an integrated light emitting diode (LED) courtside scorer's table.

There is no doubt that the Convocation Center has become a special place for athletic events, but there is a warm spot in the hearts of Eastern Michigan fans for Bowen Field House, the home for men's and women's basketball games for 43 years.

Bowen was built in 1955 at a cost of \$1.25 million. The facility has 79,529 square feet of floor space and includes an eight-laps-to-the-mile indoor track. An additional 9,394 square feet, along with new permanent seating, a new court and upgrading of the facility was completed in 1982 at a cost of \$506,938.

Bowen still serves as home to EMU's track teams and also serves as a practice facility for many of Eastern's varsity squads.

Rynearson Stadium begins its 50th season at the home venue for the Eastern Michigan University football and track teams in 2017-18. Opened in 1969, the facility is named for the late Elton J. Rynearson, Sr., who coached football at Eastern Michigan for 26 seasons. His teams compiled a record of 114-58-15. In one six-year period, from 1925-30, Rynearson's teams won 40 games, tied two and lost just four.

The first game played in Rynearson Stadium was Sept. 27, 1969, when EMU upset the University of Akron, 10-3. The stadium was dedicated a few weeks later on Oct. 25, 1969, when EMU lost, 17-7, to the University of Tampa.

Over two million fans have seen EMU play in Rynearson. In 24 of the 49 years, Eastern has averaged more than 11,000 fans per home date. The 1995 season proved to be the record-breaking year for Rynearson Stadium attendance. A single-game record crowd of 25,009 was on hand, Sept. 16, 1996, to watch the Eagles dismantle UNLV, 51-6. That four-game '95 season also proved to be a best for season average attendance of 22,602.

Rynearson Stadium is set up for a capacity of 30,200 with the ability to expand for larger crowds. The stadium originally held 15,500, but additional seating and lighting were added in 1974 when the now-defunct Detroit Wheels used the facility for their World Football League games. The additional seating in 1974 brought the capacity to 22,227. During the summer of 1992, seating was added on the east side to bring capacity to the current total of 30,200.

Built for an approximate cost of \$1.4 million in 1969, Rynearson Stadium underwent a major renovation project in 1991 and 1992, which included installation of a StadiaTurf field, a new team building, an additional 10,000-plus seats, new bathroom facilities and concession stands, an expanded press box and state-of-the-art scoreboard were added at a cost of approximately \$13 million.

The playing field was originally natural grass. A sand-filled artificial surface, StadiaTurf, was installed in 1991. The StadiaTurf surface was replaced in May 1998, by an AstroTurf artificial surface. A FieldTurf surface was installed in the summer of 2005 and replaced again in 2014 when the color was switched to gray.

The press box is located on the top of the west-side stands. A second level was added as part of the renovations in 1991. The working media utilize the lower level while the top level is the University hospitality area for the stadium.

The EMU locker room is located in the team building at the north end of the stadium. The visitor's locker room is located below the stands on the west side of the stadium.

Elton J. Rynearson, Sr.

Elton J. Rynearson, former athletic director and coach at Eastern Michigan University, died Feb. 8, 1967. "Rynie" coached every varsity sport at one time or another during his 46 years of service to the University.

In his 28 years as head football coach, Rynearson compiled a won-lost-tied record of 114-58-15, including one stretch from 1925 to 1933 when his teams lost only six games.

In 1968, the Rynearson Scholar-Athlete Award was founded in his memory. It is given annually to the EMU football player who best combines athletic ability and scholastic excellence.

The word came early on a chilly, but calm Sunday morning, Feb. 7, 2010. After a series of delays caused by snow and wind — and with a big storm coming later that week — it was time to raise the roof on Eastern Michigan's new indoor, multi-purpose athletic practice facility.

Workers started at 7 a.m. and, by 9 a.m., the big, white, synthetic roof had billowed to its full height. Inside, members of EMU's physical plant staff and construction workers admired the expansive space and thought of the athletes that would bring the place to life in the months to come.

It was an improbable event, considering work on completing such a facility and inflating the roof took place heading into and during a Michigan winter. But mild late fall weather helped workers and staff accomplish a great deal, such as pouring 2.5 million pounds of footings concrete.

Light snow in January also helped. The area experienced less than 10 inches that year, compared to more than 30 inches in 2009. A one-inch dusting of snow delayed the inflation, but only for several days.

The facility, which costs \$3.9 million, is located on Westview Drive, off Huron River Drive, at the northeast corner of Rynearson Stadium.

The building will enable EMU's collegiate athletic teams and the Ypsilanti community to continue playing and practicing despite inclement weather. The facility will support intramural, recreational and club sporting events, as well as local sports leagues.

The facility is 410 feet long, 210 feet wide and 75 feet tall. It includes a welcome center and convertible space that can be configured for a football field, an international soccer field or four youth soccer fields. Leasing revenues are projected to cover maintenance and operating costs.

Despite the light Sunday mood, plenty of work remained after the inflation. Workers had to unfreeze the ground, level the concrete, install synthetic turf and complete the welcome center. The parking lot was then completed in warmer weather.

The Board of Regents approved the plan for the indoor facility at its June 2009 meeting, and it was unanimously approved by the state's Joint Capital Outlay Subcommittee in September.

The project was funded by the 2005 tuition increase, four percent of which was specifically dedicated to enhance the university's infrastructure. The four percent increase (or approximately \$4.4 million) has accumulated for the past four years, creating a pool of \$17.6 million.

Indoor Practice Facility Tale of the Tape

What:	Multi-purpose air-supported indoor facility
Where:	Located on corner of Huron River Drive and Westview drive
Cost:	\$3.9 million
Size:	410 feet long ; 210 feet wide; 75 feet tall; 86,000 square feet of convertible space
Covering:	Polyester material with steel cable grids (Arizon Company)
Playing Surface:	Artificial-FieldTurf
Designer/Builder:	Turner Construction
Architect:	BEI Associates, Inc.
Start of Construction:	November 2, 2009
Completion Date:	April 20, 2010
Usage:	EMU football, baseball, softball, women's soccer, men's and women's golf; Also available for rental to campus intramural and club teams and area teams.
Additional Construction:	1,100 -square foot welcome center; 100-vehicle parking lot

WHAT IS NCAA COMPLIANCE?

Eastern Michigan University is committed to operating its intercollegiate athletics program with the highest degree of integrity, sportsmanship, and professionalism, and we urge you to conduct yourself accordingly.

The Eastern Michigan University Office of Athletics Compliance is committed to a comprehensive compliance program that ensures institutional control over the department of athletics.

Our goal is to educate student-athletes, prospective student-athletes, institutional employees, community members, and boosters about the importance of adhering to NCAA, Mid-American Conference, and institutional rules.

A successful athletic department depends on the willingness of coaches, administrators, staff, student-athletes, and boosters to be aware of NCAA, MAC, and institutional rules.

All of us at Eastern Michigan University appreciate your support. Your commitment to rules compliance is necessary to ensure that the University, its student-athletes, and coaches remain in good standing. Our success is due to support from individuals who are cautious and knowledgeable of NCAA rules. Help us win with integrity!

QUESTIONS?

The information on this page contains only a small portion of the existing NCAA rules and regulations. If you have any questions about any NCAA, MAC, or institutional rules, please

ASK BEFORE YOU ACT!

EMU Compliance Office

Sean P. McCarthy
 Assistant Athletic Director for Compliance

 EMUEagles.com/Compliance

FIVE RULES TO REMEMBER

1. FANS HAVE RESPONSIBILITIES

As an individual who is a season ticket holder, a member of an Eastern Michigan University booster organization (e.g., Eagles Pride, E-Gridiron Group), has made financial contributions to EMU, or been involved in promoting EMU's athletic program, you are considered a "Booster" and are required to adhere to an atmosphere of compliance. As a booster, your conduct reflects on the integrity of the entire university.

Once you support EMU Athletics, you retain that identity as a booster forever - the rules still apply! This is true even if the individual no longer contributes to, or is involved with, EMU's athletics program.

2. DON'T GIVE BENEFITS OR INDUCEMENTS

Student-athletes can only receive benefits that other students in the general population can receive. An extra benefit is any special arrangement by an EMU employee or booster to provide a current or prospective student-athlete (or the athlete's relatives or friends) a benefit not expressly authorized by the NCAA. Examples of impermissible benefits include, but are not limited to:

- Gifts of cash, clothing, equipment or any other tangible item;
- A special discount, payment arrangement or credit on any purchase or service;
- Loan of money or co-signing of loans;
- A vehicle, use of a vehicle, or any transportation expenses;
- Free or reduced-cost services, purchases or rentals;
- Entertainment on- or off-campus; or
- Free or reduced-cost rent or housing.

The best way to support EMU student-athletes is by donating to Eagles Pride!

3. LEAVE THE RECRUITING TO US!

You're passionate about your EMU Athletics programs and you want everyone to know it! But remember, only EMU coaches and athletic department staff members are permitted to be involved in the recruiting process. Boosters should be aware of the following:

- Do not contact a prospective student-athlete (or members of the prospect's family) by letter, telephone, e-mail, text, online (Facebook, Twitter), or in-person (on- or off-campus) for the purpose of soliciting their participation in EMU's athletic programs.
- Do not contact a prospect's coach, principal, or counselor in an attempt to evaluate the prospect;
- Do not become involved in making arrangements for a prospect (or the prospect's relatives or friends) to receive money or financial aid of any kind;

- Do not visit a prospect's school to acquire films or transcripts in an attempt to evaluate the prospect's academic or athletics eligibility;
- Do not have contact with a prospect (or the prospect's relatives or friends) during any of their visits to EMU's campus;
- Do not contact student-athletes enrolled in other four-year institutions regarding the possibility of transferring to EMU.

Even though there are many rules prohibiting your involvement with prospects and the recruiting process, as a booster you are permitted to do the following:

- Notify EMU coaching staff about noteworthy prospects in your area;
- Attend a prospect's athletics event on your own initiative, as long as you do not have contact with the prospect (or the prospect's parents or coach);
- Continue existing friendships, provided you do not solicit the prospect's enrollment.

Please note, a prospective student-athlete (prospect) is a student who has started classes for the 9th grade (7th grade for Basketball). Students enrolled in preparatory schools and two-year colleges are also considered prospects. An individual remains a prospect even after he/she signs a National Letter of Intent.

If you know of a talented athlete, please let the coaching staff know, and we'll do the rest!

4. KNOW THE CONSEQUENCES!

EMU is responsible for the actions of its boosters. If a booster recruits or provides impermissible benefits to a current or prospective student-athlete (or the athlete's relatives or friends), EMU may be subject to penalties from the NCAA and Mid-American Conference. When a violation occurs, regardless of the intention, it can:

- Jeopardize the eligibility of prospective and current student-athletes;
- Result in the EMU athletics program being penalized by the NCAA and/or the Mid-American Conference; and
- Cause you to lose benefits or privileges associated with the athletics department (i.e., booster membership, ticket privileges).

5. ASK BEFORE YOU ACT!

The NCAA Rules are not limited to the above, and they are often misunderstood. If you have any doubt or questions, please contact the Office of Athletic Compliance. We strongly encourage open communication between fans, supporters, and the EMU Athletic Department.

Remember, our success is due to support from individuals who are cautious and knowledgeable of NCAA rules. Help us win with integrity!

NOT ALWAYS THE EAGLES

Since the 1991 season, Eastern Michigan University athletic teams have gone by the nickname "Eagles." The Eagles name was officially adopted on May 22, 1991, when the EMU Board of Regents voted to replace the existing Huron nickname and logo with the new one.

EMU originally went by the nicknames "Normalites" and "Men from Ypsi" and various other titles down through the years before "Hurons" was adopted in 1929.

The "Hurons" first came into being as the result of a contest sponsored by the Men's Union in 1929. On Oct. 31 of that year, a three-person committee, composed of Dr. Clyde Ford, Dr. Elmer Lyman and Professor Bert Peet, selected the name "Hurons" from the many entries in the contest.

The name was submitted by two students, Gretchen Borst and George Hanner. Hanner was working at the Huron Hotel at the time of the contest and was no doubt as much influenced by his place of employment as by the Huron Indian tribe. The runner-up name in that contest was Pioneers.

EMU began investigating the appropriateness of its Huron Indian logo after the Michigan Department of Civil Rights issued a report in October 1988 suggesting that all schools using such logos drop them. The report indicated that the use of Native American names, logos and mascots for athletic teams promoted racial stereotypes. At that time, four colleges, 62 high schools and 33 junior high/middle schools in Michigan used Indian logos or names.

The EMU Board of Regents voted to replace the Huron name with Eagles, taken from three recommendations from a committee charged with supplying a new nickname. The other two final names submitted were Green Hornets and Express.

GREEN, WHITE AND YELLOW?

The EMU Eagles' colors are green and white, but the track and cross country teams both feature yellow on their uniforms. There is a reason these teams stand out, and the history behind it goes back to 1967. EMU Hall of Fame Head Coach **Bob Parks** offered some insight to the story behind how the yellow came about.

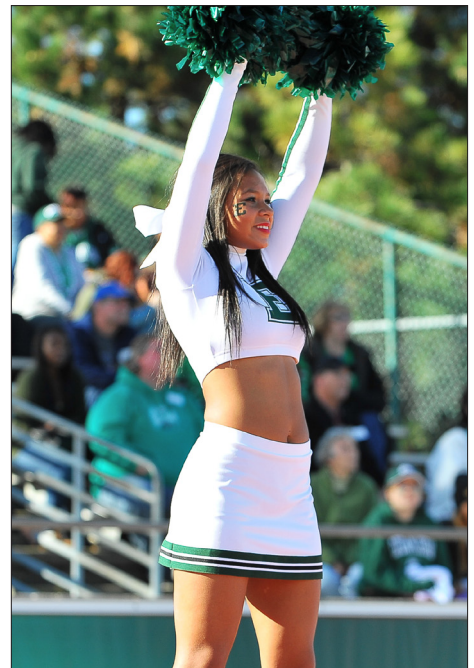

"When I got to EMU in January 1967, the team was wearing dark green singlets and dark green shorts. In that season, we ran a meet at Western Michigan University, and the finish line was beneath the balcony which was very dark. In the hurdle final, there were six men, three from Michigan State and three from EMU. MSU's uniforms were almost identical to ours. When the finish positions were announced, we got the short end of the stick. You could hardly see the runners under the dark balcony area, and they got the finish wrong. At that point, I decided to get uniforms that showed up better.

"Back then, Kansas was a big name in collegiate track, and they wore pink shorts and powder blue singlets with pink lettering. Everyone thought they were great. I decided to copy them and ordered orange shorts and green singlets with white lettering trimmed in orange. We wore them for about four years, but the Regents decided that all of our teams should be wearing green and white. When they made us get rid of the orange and green, I ordered green and gold, colors I had always liked. At first, they weren't going to let us use them, but I pointed out that our football team was wearing green and gold. Our administration could hardly argue with me, since our gridders were wearing it too."

"We have worn it ever since, and it is known from coast to coast, as our men have done traditionally well nationally. It also differentiates us from MSU and Ohio University's color schemes. The green and gold does show up well at the finish line, but nowadays they use computer cameras, so it is less of a problem as it was in the 60s and 70s."

EMU OLYMPIANS THROUGH THE YEARS

EMU has had a track representative at the summer Olympic Games since Hayes Jones in 1960. The Eagles have had 18 representatives in 56 years, 15 men and three women.

SOME OF EMU'S PROMINENT ALUMNI

- Charlie Batch, Lionel Dalton, Jason Jones, T.J. Lang, Barry Stokes, Kevin Walter – professional football players
- Ron Campbell – President, Tampa Bay Lightning
- Fred Cofield, Earle Higgins, Harvey Marlatt, George Gervin, Grant Long, Derrick Dial, Earl Boykins, Carl Thomas, Charles Thomas – professional basketball players
- General John G. Coburn -- One-of-eight four-star generals in the United States
- Hayes Jones -- Olympic gold medalist
- Bruce T. Halle -- Founder and CEO of Discount Tire Co.
- John Heffron -- Winner of NBC's Last Comic Standing in 2004
- Greg Mathis -- Judge and later TV personality
- Lloyd Olds - Designed the zebra shirt worn by referees
- Dean Rockwell -- Olympic team wrestling coach in 1964
- Rocky Roe -- Major League Baseball umpire
- Jack Roush -- CEO and owner of Roush Racing
- Rodney Slater -- Former U.S. Secretary of Transportation
- Shirley Spork -- Co-founder of the LPGA
- Bob Welch -- Cy Young Award winner

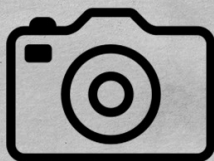

E-CLUB HALL OF FAME

The Eastern Michigan University alumni varsity letterwinners club, E-Club, sponsors the EMU Athletic Hall of Fame.
