MEDIA GUIDELINES

The 2024-25 Eastern Michigan University men's basketball media guide is designed to assist the media with its coverage of EMU men's basketball. Additional information, statistics, and photographs may be acquired by contacting Scott Beaton at sbeaton1@emich.edu or 248.880.6115.

PRESS CREDENTIALS

Requests for working press space should be made online at EMUEagles.com (click on INSIDE EMU and select Media Credentials/BASKETBALL in the center column) at least **48 hours** before the dates of the home contest. The request should be made by the sports director of the newspaper, magazine, radio or television outlet wishing to send a reporter(s) to the game. There will be no season passes issued for basketball in 2023-24. A new credential is required for each game.

Outlets that have made proper credential requests are entitled to receive copies of the final game statistics, play-by-play, and a scoring summary, as well as any press information provided by the competing institutions. Confirmation of the request will be made by EMU Athletic Media Relations personnel. Press credentials WILL NOT be issued to spouses, friends or children.

Press credentials can be picked up in the EMU Athletic Media Relations Office during the week of a home contest. All other credentials can be picked up at the Media Will Call window at the George Gervin GameAbove Center starting 60 minutes ahead of the scheduled tip time for each game.

PARKING CREDENTIALS/LIST

Eastern Michigan University does not issue parking passes as EMU does not charge for parking for basketball games. Parking is first-come, first served.

PHOTOGRAPHERS/VIDEOGRAPHERS

Photographers and videographers are issued similar credentials to press row media. Photographers and videographers are allowed to shoot from outside the dotted line surrounding the playing court and must remain in their assigned photo boxes throughout the game.

Throughout the game, cameras may not be taped/adhered to the playing surface unless permission is granted by the EMU Media Relations staff and tape provided by EMU Facilities and Operations will be the only tape permitted. Additionally, no cameras may be mounted to the goal/backboard with the exception of EMU Media Relations Photography.

MEDIA SEATING/WORK AREAS

Media seating will be located on the main concourse level above section 122 (see map at right) with photo boxes being assigned each game at the north and south ends of the arena. A seating chart for all three areas will be located in the media room located under section 125 and in the Media Seating area. Please reach out to EMU Media Relations with any questions and/or concerns.

RADIO

EMU basketball can be heard live on WEMU, 89.1 FM and on the Internet at EMUEagles.com and wemu.org.

VISITING RADIO

Visiting radio receives one reciprocal phone line and one Ethernet line for their game broadcasts. The visiting radio line is directly across from the visitors' bench. Should more lines be needed, please contact Greg Steiner at greg.steiner@emich.edu for arrangements.

AUDIO/VIDEO TRANSMISSIONS

No transmission of the game through audio or video - including social media 'live posts' - are permitted throughout the game with the exception of the licensed television broadcast and flagship radio stations with credentials from EMU Media Relations. Violation of this policy is grounds for removal from the venue and the revocation of credentials.

INTERVIEW POLICY (MID-WEEK)

In person interviews have been approved to resume for 2023-24 and will be arranged on an as needed basis by contacting Scott Beaton in the EMU Media Relations office. For out of town media, Zoom interviews remain possible as well.

Head Coach Stan Heath is available to speak to the media via phone Monday-Thursday. Individual players are available for interviews Monday-Thursday. Please contact Alex Ryan at least 48-hours in advance to set up interviews. Players should not be contacted for interviews at their residences, on their cell phones, via e-mail, Facebook, Twitter and all other social networking entities.

INTERVIEW POLICY (GAME DAY)

Following the normal 10 minute cooling period, Head Coach Stan Heath and select players will be made available to on-site media after each home game. EMU Media Relations also will stream the interviews via Zoom. Please contact Scott Beaton to receive the Zoom link.

Per the policy of the Mid-American Conference, no on-court interviews are permitted with the exception of the television broadcast. Interviews will only be permitted in the media work room.

WIRELESS INTERNET

For those with laptop computers that can automatically select an IP address, there is a wireless Internet connection available in the George Gervin GameAbove Center. See an Athletic Media Relations representative for the login password.

GOING GREEN

Starting with the 2010 season, Eastern Michigan University no longer prints media guides. Complete information, including a record book/media supplement will be made available on the basketball page at EMUEagles.com.

During games, statistics will NOT be printed for media members. Live statistics through Sidearm on EMUEagles.com will be available for each game. At the conclusion of the game, a full statistics book will be printed and available.

ON THE INTERNET

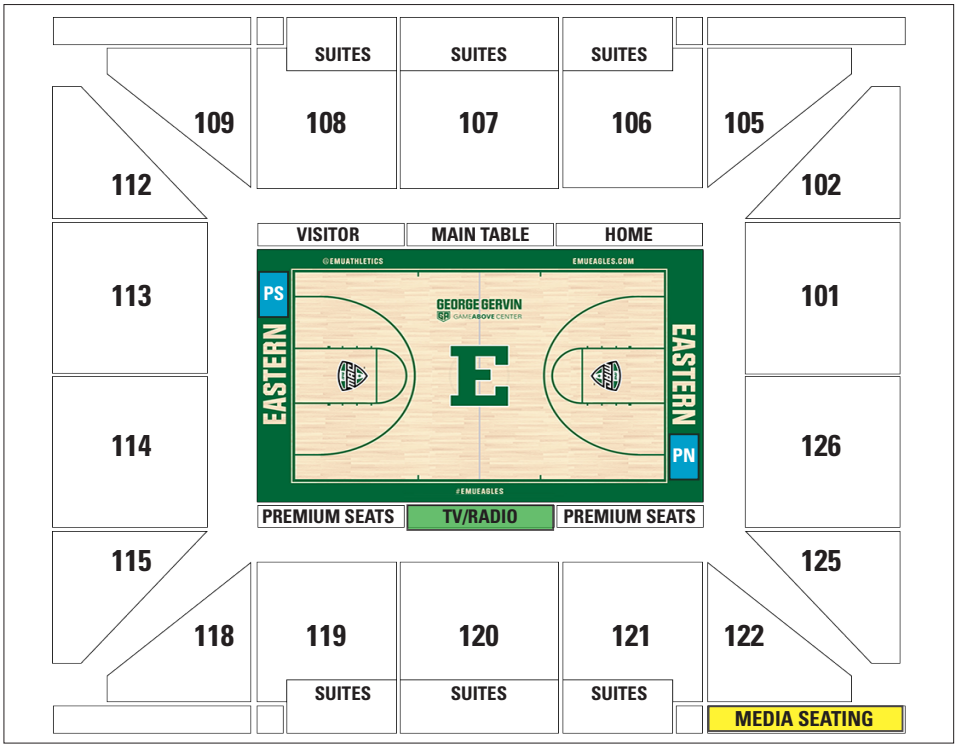

Information will be updated regularly at EMU's official athletics website. For media information, go to the men's basketball page to find updated PDF files containing, notes, statistics, rosters and schedules.

STAN HEATH

Head Coach • Fourth Season

Eastern Michigan, 1988

The 2023-24 season marks the third campaign with Stan Heath at the helm of the Eastern Michigan University men's basketball program. A three-year letterwinner at EMU from 1985-87 and 19-year head coaching veteran, Heath returned to the Ypsilanti campus to become the program's 30th head coach on April 12, 2021.

Through three seasons, Heath's EMU record sits at 31-62 overall and 16-40 in the MAC.

Tyson Acuff scored 21.7 ppg, ranking seventh in the nation to lead EMU to 13-18 overall clip and 6-12 mark in the MAC.

The Eagles retained the Michigan MAC Trophy after finishing 2022-23 with a 2-1 combined record against Western Michigan and Central Michigan.

Emoni Bates, who averaged 19.2 points per game, was drafted in the second round and 49th overall by the Cleveland Cavaliers, marking EMU's 15th NBA draft pick.

EMU finished 2022-23 8-23 overall and 5-13 in conference action.

In his first season in charge, the Eagles finished with a 10-21 record and went 5-15 in the Mid-American Conference. The Eagles opened the Heath Era with a close 68-62 loss at Indiana before winning a double-overtime thriller, 103-98, over Illinois State in Heath's first game back on campus. The Eagles would open the year 5-0 at home, marking the best opening to a home slate for a new Eastern coach since the 1996-97 season. Included in that streak was the fifth victory, a four-overtime triumph (92-88) over Florida International on George Gervin Day.

Heath also saw his team capture the Michigan MAC Trophy in his first year as the Eagles posted a 3-1 record in head-to-head contests against Central Michigan and Western Michigan.

Individually, Heath helped guide redshirt freshman Noah Farrakhan to an outstanding rookie season in which he led the way with 16.6 points per game, the seventh-best average in the MAC, the best among league freshmen and fifth-ranked among all freshman in the NCAA. Fellow rookie Mo Njie earned a place on the All-MAC Freshman Team (for true freshmen), becoming the first EMU player to earn the honor since 2016.

The 58-year old Heath has accumulated 15 years of collegiate head coaching experience with four NCAA tournament berths and one NIT appearance. Highlighted by an Elite Eight appearance in 2002 at MAC foe Kent State, Heath has also guided Arkansas (2006 and 2007) and South Florida (2010 and 2012) to the postseason.

Furthermore, Heath is a three-time Coach of the Year winner, earning the accolade from the MAC (2003), the Big East (2012) and the NBA G League (2021).

An outstanding recruiter throughout his career, Heath's signing classes have garnered national recognition. National media outlets ranked his efforts among the top 15 in the country in 2003, 2004, and 2006. In his tenure as a head coach, he has directed a total of nine players to all-league accolades and his rosters have featured a pair of freshman All-Americans, two conference defensive players of the year, and one sixth man of the year.

That recruiting prowess was once again made evident ahead of the 2022-23 season as Heath brought in four transfers, including former national No. 1 recruit Emoni Bates, for the fourth-ranked transfer class in the nation according to 247 Sports. The class also included a trio of players that were once finalists for Mr. Basketball awards in their home states, including both Tyson Acuff and Legend Geeter from Michigan and Jalin Billingsley from Ohio.

Prior to returning to his Alma Mater, Heath guided Orlando Magic's NBA G League affiliate, the Lakeland Magic, to a regular-season record of 9-6 (.600), including five victories in its final six games. The 5-1 finish earned Lakeland the sixth seed in the NBA G League Playoffs, where it went on to win the franchise's first NBA G League championship. For his efforts, he was named the 2020-21 NBA G League Dennis Johnson Coach of the Year.

Hired in 2017 as Lakeland's first head coach, Heath led the Magic to a record of 94-63 (.599) in four seasons. Lakeland posted a winning record each season under Heath, including a franchise-best 32-18 (.640) in 2018-19.

In 2020-21, the Magic sparkled on defense under Heath, leading the NBA G League in points allowed (101.5) and defensive rating (101.0). Lakeland also held opponents to the lowest field goal percentage (42.5) and three-point field goal percentage (29.1).

Before making the transition to the professional ranks, Heath worked three years as an assistant coach at Boston College under then Head Coach Jim Christian. Christian previously worked as an assistant coach with Heath at Kent State in 2001-02.

Heath previously coached South Florida from 2008-14. While he was at USF, the Bulls recorded a pair of 20-win seasons and made an appearance in both the NIT (2009-10) and NCAA Tournament (2011-12).

No season was more special than the 2011-12 campaign, when Heath led the Bulls to their first NCAA Tournament in 20 years, tied the school record for wins in a season (22), and set the school record for conference wins in a season (12). He was named the Big East Conference Coach of the Year and helped USF get its first ever-wins in the NCAA Championship, as the Bulls advanced to the second round and fell one game shy of advancing to the "Sweet 16".

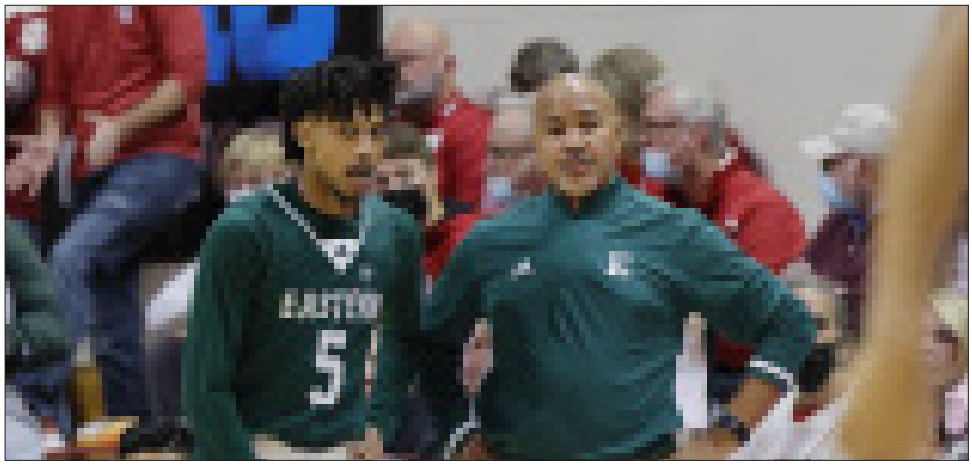

The Bulls also set the school record for scoring defense, holding opponents to a stifling 56.6 points per game. USF's scoring defense during 18 league contests (56.9 points per game) was a Big East record as well. Overall, Heath's team won five conference road games, their most ever, including a signature win at No. 18 Louisville.

In his third season in Tampa, Heath led the Bulls to USF's third 20-win season ever with a 20-13 record, and returned to the postseason for the first time since 2002 as the Bulls hosted NC State in the first round of the National Invitation Tournament. The Bulls also earned their first win in the Big East Championship and registered the school's best regular season Big East record with nine wins, more than doubling the previous season's four.

During the 2010-11 campaign Heath and the Bulls battled a pair of NCAA Final Four teams to overtime, defeating Virginia Commonwealth, 60-59, in Tampa and coming up short, 66-61, to eventual NCAA Champion UConn in Hartford. The Bulls also took Sweet 16 team BYU to double overtime (77-75) and lost by one point, 59-58, to Sweet 16 qualifier Marquette. USF ended the season with the 17th strongest schedule in the country, according to CollegeRPI.com.

The season was highlighted in the first round of the Big East Championship, when No. 15-seed USF overcame a 16-point first-half deficit to upset No. 10-seed Villanova, 70-69. The Bulls trailed, 49-33, at halftime, making the 16-point comeback the largest halftime deficit overcome in Big East Championship history. It was also USF's first victory over Villanova and its second-straight first-round win in the tournament.

USF led the conference in free throw shooting in 2010-11, hitting 74.3 percent (248-of-334) in league play. The Bulls' best night was an 88.9

percent (8-of-9) night against No. 9 Georgetown. Against DePaul on Jan. 27, the Bulls hit 12-of-12 in the first half and finished the night 17-of-21. The Bulls shot better than 70 percent in all but four league games that year.

The excitement of the 2009-10 season began to hit new heights when USF registered back-to-back victories over ranked teams, including No. 17 Pittsburgh (Jan. 31) and at No. 7 Georgetown (Feb. 3). The win over the Hoyas was USF's first-ever road win over a Top 10 team.

On Jan. 23 in Rhode Island, Heath and the Bulls defeated Providence, 109-105, in overtime for the first conference road victory of the season, which sparked a four-game Big East winning streak: at Providence, Seton Hall, No. 17 Pittsburgh, and at No. 7 Georgetown. During the four-game winning streak, USF earned national recognition, receiving votes in the Feb. 8 Associated Press Poll. USF had feature stories in national media as well, including Sports Illustrated, USA Today, SI.com and The Sporting News, to name a few.

USF finished with three-straight wins to end the regular season, including a road win at DePaul and a 75-68 win over UConn, which was an NCAA bubble team at the time.

USF won nine games away from the Sun Dome in 2009-10 (9-8), an enormous improvement over the previous season (2-15). The Bulls won three league games on the road in 2009-10, and only one in 2008-09.

Under Heath's tutelage, USF was led by an explosive junior guard named Dominique Jones, who ended the year as the only player in the country averaging at least 21.0 points, 6.0 rebounds, and 3.0 assists per game. At Providence, he had 46 points, 10 rebounds, and 8 assists. He was a first team All-Big East player, won the Big East scoring title and was named to the AP Honorable Mention All-America Team.

In his second season at USF, Heath led the Bulls to their most Big East wins (at the time) in 2008-09 and engineered the school's first victory against a top 10 ranked team. The Bulls posted a 7-7 record at home, highlighted by a 57-56 win Feb. 6, 2009, against No. 8 Marquette, ending a 32-game losing streak to teams ranked in the top 10.

In his seven seasons in Tampa, Heath guided two players to All-Big East honors, including first-team selection Kentrell Gransberry in 2007-08 and record-setting guard Dominique Jones, who captured first team honors his junior season and honorable mention laurels as a freshman and sophomore after being a unanimous pick on the All-Rookie Team.

Heath arrived at USF after serving as head coach at the University of Arkansas for five seasons. While with the Razorbacks, Heath guided the program to a pair of NCAA Tournament appearances (2006, 2007) and an overall record of 82-71. UA posted 20-win campaigns in each of his final two seasons, and 2006-07 was highlighted by a run to the championship game of the Southeastern Conference Tournament and subsequent participation in the NCAAs.

Heath got his first collegiate head coach job at Kent State in 2002. Under his guidance, the Golden Flashes finished with a 30-6 record that year and won the MAC regular-season and tournament titles. KSU came within one victory of reaching the NCAA Final Four before falling to Indiana at the South Regional finals of the NCAA Tournament.

Along the way, the Golden Flashes set school and MAC records for wins (30) and became the first MAC team to reach the Elite Eight since Ohio in 1964. KSU recorded a league-record 21-game winning streak, including a 17-1 mark in conference play. Overall, the Flashes beat three ranked teams in the NCAA Tournament, including No. 20 Oklahoma State, 69–61, No. 8 Alabama, 71-58, and No. 9 Pittsburgh, 78-73 in overtime.

KSU led the MAC in scoring defense (64.0 ppg), scoring margin (+11.9 ppg), field goal percentage defense (.418), rebounding margin (+5.0 rpg), and assist-to-turnover ratio (1.24), while also ranking second in three-point field goal percentage defense (.326) and turnover margin (+2.78). Of note, KSU suffered its five regular season losses by a total of 15 points.

Individually, Heath's 30 wins are tied for the third-most by a first-year head coach in NCAA Division I history with John Warren of Oregon (1945). Only Bill Guthridge of North Carolina (34 in 1998) and Bill Hodges of Indiana State (33 in 1979) won more. Heath was also voted the MAC Coach of the Year and named the national Rookie Coach of the Year by both CBSSportsline.com and CollegeInsider.com.

Heath began his collegiate career at Hillsdale College in 1989 as an assistant. After one season, he moved to Albion College where he was an assistant and the junior varsity head coach for two years. He worked at Wayne State University in Detroit the following three years, including serving as associate head coach in 1994 when WSU set a school record for victories (25-5), helping the then-Tartars win two Great Lakes Intercollegiate Athletic Conference (GLIAC) titles with a trip to the NCAA Division II Final Four in 1993.

After two seasons as an assistant at Bowling Green State University, he joined Tom Izzo at Michigan State University where he was an assistant for five years. During his tenure, MSU advanced to the NCAA Final Four on three occasions (1999, 2000 and 2001), highlighted by the NCAA National Championship in 2000. The Spartans compiled an overall record of 132-37 during his stay in East Lansing and also made one more "Sweet 16" (1998) trip and participated in the National Invitation Tournament (1997).

On March 19, 2001, Sports Illustrated featured "five college coaches waiting in the wings." Heath was on that list, along with assistant Leonard Perry of Iowa State, Florida assistant John Pelphrey, head coach Jeff Ruland of Iona, and Hofstra head coach Jay Wright. A month after that, he was named the head coach at Kent State.

Heath began his coaching career at the prep level, working for one season (1987-88) at Ypsilanti's Lincoln High School.

The 6-foot-1 former backup point guard played collegiate basketball at Eastern Michigan from 1983-87, earning varsity letters each of his last three seasons. Overall, Heath played in 65 contests in his career in the Green and White uniform.

Before arriving at EMU, Heath received all-state honors as a prep at Catholic Central High School in Detroit.

He earned a Bachelor's degree in Social Science form Eastern Michigan in 1988 and went on to receive a Master's degree in Sports Administration from Wayne State in 1993.

His family includes his wife, Ramona, and two sons, Jordan and Joshua.

BOB SIMON

Assistant Coach • Fourth Season

Eastern Michigan, 1989

The 2024-25 season marks Bob Simon's fourth year as an assistant coach with the Eastern Michigan University men's basketball program. Simon, who earned his degree from Eastern in 1989, works with the program's guards on the court.

Tyson Acuff scored 21.7 ppg, ranking seventh in the nation to lead EMU to 13-18 overall clip and 6-12 mark in the MAC.

The Eagles retained the Michigan MAC Trophy after finishing 2022-23 with a 2-1 combined record against Western Michigan and Central Michigan.

Emoni Bates, who averaged 19.2 points per game, was drafted in the second round and 49th overall by the Cleveland Cavaliers, marking EMU's 15th NBA draft pick.

EMU finished 2022-23 8-23 overall and 5-13 in conference action.

In his first season back in Ypsilanti, Simon worked with one of the Mid-American Conference's top scorers in Noah Farrakhan, who finished seventh in the league averaging 16.6 points per game, which also ranks as third-highest average among players returning in 2022-23. Farrakhan, who was ranked in the top 20 of six statistical categories, led the team in scoring and assists (61), and was third in steals (30).

On Jan. 4, 2022, with Head Coach Stan Heath sidelined because of health and safety protocols, Simon was called upon to lead the team in its game at Western Michigan University and guided the Eagles to an 85-79 win over the rival Broncos. While the win officially is credited to Heath, Simon lead a team to victory for the first since the 1999-00 season at Wayne State University (women's team).

Prior to his return to Ypsilanti, Simon amassed a wealth of highly successful Division I coaching experience, having served on the staffs at Siena College (2019-21), the University of Maine (2017-18), the University of Alabama (2015-17), Providence College (2011-15), Fairfield University (2006-11), and the University of Toledo (2000-06), in addition to a nine-year stint at Division II Wayne State (1991-00).

Simon spent two seasons at Siena and helped guide the Saints to a Metro Atlantic Athletic Conference (MAAC) Regular Season Championship and MAAC Tournament title. Siena posted a 20-10 overall record in 2019-20 including a 15-5 mark in conference play, while posting a perfect 14-0 record at the Times Union Center and ending the season on a 10-game winning streak.

Simon aided in the development of MAAC Player of the Year Jalen Pickett, and fellow First Team All-MAAC selection Manny Camper. Serving as the team's offensive coordinator, Siena led the MAAC in field goal percentage (45.9 – 64th nationally), scoring margin (+4.5), and scoring offense (72.2), while it also ranked 67th nationally in three-point field goal percentage (35.5).

During his two-year stint in Tuscaloosa, Ala., Simon helped guide Alabama to back-to-back NIT appearances as the associate head coach under former NBA coach Avery Johnson. Simon assisted in recruiting the No. 5 ESPN ranked incoming recruiting class in the nation to UA in 2017. In his first season at Alabama, the Crimson Tide broke a school record for threes made (259) and threes attempted (763), while also toppling four top-25 ranked teams for the first time since 2002.

Simon helped Head Coach Ed Cooley and Providence win the Big East Championship in 2014. The Friars reached back-to-back NCAA Tournaments in 2014 and 2015, and advanced to the NIT Quarterfinals in 2013. During his four seasons in Rhode Island, the final of which he served as associate head coach, Simon was instrumental in securing a pair of top-25 recruiting classes, highlighted by 2016 NBA Draft selections Kris Dunn and Ben Bentil, and Providence's second-ever 2,000-point, 1,000-rebound standout LaDontae Henton.

The Detroit, Mich., native first coached in the MAAC under Cooley as the associate head coach at Fairfield, where he served alongside Carmen Maciariello on the bench from 2008-11. Simon helped lead the Stags to 92 wins during his tenure, marking the most during a five-year span in program history. Fairfield earned a berth to the CIT in 2010, and achieved a school-record 25 wins, MAAC Regular Season Championship, and NIT Second Round appearance in 2011.

Simon first entered the Division I coaching ranks at Toledo, where he was the associate head coach of the Rockets for the final three years of his six-year tenure. Toledo posted three 20-win seasons, and captured a pair of NIT berths (2001 and 2004) during his time with Head Coach Stan Joplin.

He began his collegiate coaching career at Wayne State, which he helped lead the then-Tartars to the Division II Final Four in 1993. In his eight seasons with the men's basketball team, five of which he served as the associate head coach, he helped guide the Warriors to four NCAA Tournament appearances and three conference titles. During his final season at WSU in 1999-00, Simon shifted over to become the women's basketball head coach, where he led the Warriors to 13 wins and the program's second-ever conference tournament berth.

Simon began his coaching career with 10 years in the high school ranks at Thurston High School in Redford, Mich. (1981-87), and Anderson High School in Southgate, Mich. (1987-91).

A 1989 graduate of Eastern Michigan with his Bachelor's degree in Manufacturing Technology, Simon earned his Master's degree in Sports Administration from Wayne State in 1997.

Simon and his wife, Donna, have a daughter, Bobbie, and a son, Devin.

FIRST DANCE

After recording a fourth-place finish in the Mid-American Conference in 1986-87, the Eastern Michigan University men's basketball team entered the 1987-88 season with hopes of challenging for the league title.

The then-Hurons did indeed win the school's first-ever MAC men's basketball title and a whole lot more by the time the season officially came to a close, March 18, 1988, in Lincoln, Neb.

Senior center Grant Long and freshman point guard Lorenzo Neely were the catalysts for an over-achieving EMU squad that won the MAC regular-season and post -season titles, while qualifying for the school's first-ever NCAA-Division I Tournament appearance.

With Long providing the inside scoring punch with a 23.2 scoring average and Neely running the offense as the point guard, the Hurons won the MAC's regular-season title with a 14-2 record.

Heading into the MAC Tournament as the No. 1 seed, the Green and White knocked off Western Michigan, 95-88, in the first round and handed Ohio University a 94-80 setback in the championship tilt.

From there it was on to the Bob Devaney Sports Complex at the University of Nebraska in Lincoln for the NCAA regional.

The No. 15-seeded Hurons squared off against the No. 2-seeded University of Pittsburgh in the first round, March 18, 1988. The Panthers, paced by the highly touted threesome of Charles Smith (31 points), Demetreus Gore (24 points) and Jerome Lane (22), knocked off the Hurons by a 108-90 count.

Eastern was led by guard Brad Soucie with 26. Long, in foul trouble from the start, was limited to 15 points. Neely added 18 points.

For the season, Long was named MAC Player of the Year and Neely was voted MAC Freshman of the Year.

"On to the Sweet 16"

How sweet it was!

A veteran group of players proved that chemistry is indeed important on a basketball team as the 1990-91 squad put EMU on the national basketball map with an extended run at the NCAA Championship.

Playing with four seniors in the starting lineup, the 1990-91 team advanced all the way to the "Sweet 16" in the NCAA tournament before falling to national power North Carolina.

During that wondrous run into the third round of the NCAA tournament, the Green and White used a combination of power basketball (Marcus Kennedy), high-flying acrobatics (the Thomas twins, Carl and Charles), end-to-end action (Lorenzo Neely and Kory Hallas) and a bench that was small in numbers but big in heart (Joe Frasor and Roger Lewis) to capture the nation's imagination as a true "Cinderella" team.

Eastern was able to make it to the NCAA tournament after winning its second Mid-American Conference regular-season and post-season titles.

As MAC tournament champion, Eastern was automatically in the NCAA field of 64 and was sent to the Carrier Dome in Syracuse, N.Y., for the first round, seeded No. 12. Head Coach Ben Braun's crew came up with two big wins in Syracuse. In the first game, Eastern knocked off No. 5 seed Mississippi State, 76-56, and followed that up with a 71-68 overtime win over No. 13 seed Penn State. Those victories propelled EMU into the "Sweet 16" where the No. 1 seeded Tarheels of North Carolina, turned back a charged-up EMU team, 93-67.

Carl Thomas was magnificent against North Carolina, scoring 27 points in 33 minutes to earn a spot on the All-Regional team.

On the year, center Kennedy was named MAC Player of the Year and joining him on the All-MAC first team was Lorenzo Neely while Carl Thomas was a second-team All-MAC pick.

HITTING THE ROAD FOR THE NIT

It just doesn't get any more exciting than the Eagles' first-ever appearance in the National Invitation Tournament (NIT) March 16, 1995.

A young Eastern squad finished third in the Mid-American Conference regular season but came on strong in the league's postseason tournament before bowing to Ball State in the championship game.

With Ball State and Ohio receiving NCAA bids, the Green and White anxiously awaited a call from the NIT.

Eastern got the nod from the NIT and was sent to Peoria, Illinois, to face off against the Bradley Braves.

The Eagles made their first-ever NIT a memorable one with a heartbreaking 86-85 double-overtime loss to Bradley.

With 0:34 left in regulation and trailing by three, EMU guard Brian Tolbert connected on a three-point field goal to tie it and force the first overtime.

Eastern raced out to a 76-72 lead in the early stages of the first OT before Bradley rallied to tie at with 0:05 left, making a second overtime a necessity.

The Eagles held an 85-84 lead after Theron Wilson made two free throws, but Bradley won the game with 0:07 left on two free throws.

Eastern had four players in double figures, led by Brian Tolbert with 23, Theron Wilson adding 20, Kareem Carpenter, 19 and Earl Boykins, 13.

DOME DANCE - FIRST ROUND

The third trip to the NCAA Tournament was a charm for the Eastern Michigan University men's basketball team.

The 1995-96 Eagles turned in one of the most memorable seasons in school history, notching their third regular-season and postseason MAC titles and qualifying for a third appearance in the NCAA tournament.

Bowen Field House was charged with electricity Sunday, March 12, 1996, when the EMU squad, along with a huge group of fans and supporters, were on hand for the nationally televised NCAA Pairings Show.

The packed house of fans roared with excitement and anticipation when it was announced that Eastern Michigan and Duke would be opponents in the Southeast Regional to be played at the RCA Dome in Indianapolis, Ind.

The Duke Blue Devils entered the game seeded No. 8 while the underdog Eagles of Eastern Michigan were seeded No. 9.

Playing before a raucous crowd of 31,373 in the RCA Dome, along with a national television audience, the Eastern backcourt tandem of Earl Boykins (23 points) and Brian Tolbert (20) dominated, while Derrick Dial added 12 up front to lead the Eagles to a 75-60 decision in the first round.

DOME DANCE: SECOND ROUND

The second-round matchup had Eastern squaring off against No. 1-seeded UConn.

The Eagles came out with a vengeance against the heavily favored Huskies, racing to a 13-point lead, 32-19, with 12:09 left in the first half. Eastern held a 48-47 halftime lead.

The second half belonged to UConn, however, as the Huskies out scored EMU by a 48-33 margin for the 95-81 win.

Seniors Tolbert and Theron Wilson closed out their magnificent careers in style, with Tolbert scoring 36, including seven triples, and Wilson adding 18.

James Head (5) drives to the hoop against Duke during the 1995-96 NCAA tournament. EMU upset the Blue Devils, 75-60.

Derrick Dial (3) lays it up in the NCAA tournament win over Duke.

NCAA 1997-98: "A TEAM OF DESTINY"

The 1997-98 EMU Men's Basketball Squad: Front row (L-R): Manager Chad Double, Manager Nate Purcell, Assistant Coach Mike Shedd, Assistant Coach Lorenzo Neely, Head Coach Milton Barnes, Assistant Coach Tony Harvey, Assistant Coach Todd Lickliter, Manager Lonnie Griffin, and Manager Ben Bosserd. Back row (L-R): Jon Zajac, James Head, Derrick Dial, Jamaal Jenks, Avin Howard, Earl Boykins, Sharif Fordham, Charlie Eibeler, Corey Tarrant, Nkechi Ezugwu, and Ajani Williams.

A TEAM OF DESTINY HEADS TO CONNECTICUT

If there was ever a team of destiny, it was the 1997-98 Eastern Michigan University men's basketball squad.

Those 1997-98 Eagles seemed to have it all. Eastern possessed one of the most dynamic backcourts in the country in Earl Boykins and Derrick Dial. Add to that a veteran front line of Jon Zajac, James Head and Nkechi Ezugwu, and the Eagles were ready for postseason action.

That group of four seniors, Boykins, Dial, Head and Ezugwu, had gone through the NIT wars as freshmen, and were joined by transfer Zajac in time for the NCAA Big Dance in 1995-96, where the Eagles gained a national reputation with an upset win over Duke before falling to No. 1 seed UConn.

Yet, despite a brilliant 22-10 record in 1996-97, the Eagles sat home at tournament time.

That postseason snub worked on the competitive egos of the Eagles and they responded with three great outings and won the Mid-American Conference postseason tournament title and the MAC Champion crown,

As the MAC representative to the NCAA Tournament, Eastern had hopes of making some noise at the dance, and when it was announced that EMU would meet Michigan State in the first-round game in Hartford, Conn., the players were excited to get a shot at the Big Ten Co-Champion Spartans.

With a national television crowd watching, and a sellout crowd of 16,105 on hand in the Hartford Civic Center, the No. 13- seeded Eagles displayed the poise that they had exhibited over the past four years, jumping to an early, 16-9 lead.

No. 4 seeded Michigan State then went to its huge size advantage shutting down the Eagles and recording an 83-71 win. Dial closed out his brilliant career with a game-high 29 points to go along with eight boards while his backcourt mate, Boykins, was held to 18 points in his final game for the Eagles. Zajac added 10 points for the Eagles.

POSTSEASON BOUND FOR THE FIRST TIME SINCE 1998

After a 16-year hiatus, the Eastern Michigan University men's basketball team made its first postseason appearance since the 1997-98 campaign when the Eagles earned a berth into the 2014 CollegeInsider.com Postseason Tournament (CIT).

Under third-year head coach Rob Murphy, the Green and White possessed one of the most talented teams in recent history, as the Eagles had a historic season. It was the first season that Eastern had won at least 20 games in a single year since the 1997-98 season. In addition to that feat, it was also a year that saw EMU tie the most wins since the 1996-97 season.

Eastern Michigan entered the Mid-American Conference Tournament as the No. 6 seed, earning its way to Cleveland, Ohio with a victory at home versus Central Michigan. On a neutral court, the Eagles used double-digit deficit comeback victories versus No. 7 Northern Illinois and No. 3 Buffalo in consecutive days to make its first run to the MAC Tournament Semifinal since the 1997-98 season. Despite a loss to the No. 2 seeded Toledo Rockets in the semifinal, the Green and White used its 21 wins to earn a spot in the 32-team field of the CIT.

Eastern opened the tournament with a contest versus Norfolk State. In its first postseason contest in 16 years, the men's basketball team came out victorious over the Norfolk State Spartans, 58-54, in the first round of the CollegeInsider.com Tournament, March 18, at the Convocation Center. The win marks the first postseason victory in program history since the 1995-96 campaign as well as the most wins for the Eagles (22-14) in a season since they totaled 22 wins in 1996-97.

EMU drained 19-of-46 (41.3 percent) from the field as well as 7-of-17 (41.2 percent) from three point land. Mike Talley had a team-high 14 points, including 11 in the first half. Ray Lee added 12 on 5-of-11 shooting. The Eagles shot 13-of-19 (68.4 percent) from the free throw line, making just enough down the stretch to secure the four-point win. On the opposite side of the floor, the nation's number one field goal percentage defense forced 17 turnovers that led to 18 points.

BACK-TO-BACK POSTSEASON PERFORMANCES

It took 16 years for the Eagles to return to the postseason but the EMU men's basketball team continued postseason play for the second straight season in 2014-15 by accepting a bid to the College Basketball Invitational when Eastern squared off with the University of Louisiana Monroe for the first time in school history.

EMU saw its 2014-15 campaign end Wednesday, March 18, at Monroe, 71-67, in the first round of the 2015 CBI. The Eagles trailed by as many as 16 in the second half, but roared back to take the lead with just over eight minutes remaining. Eastern, however, could not hang on as the Warhawks used free throws to ice the game.

Ray Lee led the Green and White in scoring with 17 points, on his way to becoming the first EMU student-athlete to notch 1,000 points in his career since Brandon Bowdry accomplished that feat, Jan. 3, 2010. Tim Bond put on a show as the "true" freshman went for 13 points, six assists, four rebounds, two blocks and two steals in the Eagles' season finale, while Trent Perry went a perfect 4-for-4 from the floor, including a pair of triples to record a career-high 10 points in the loss. Karrington Ward led the Green and White in rebounding with seven, while the Eagles shot a solid 14-of-15 from the charity stripe.

CIT 2017-18: "MORE TO PROVE"

The 2017-18 Men's Basketball Team: Front Row (L to R): Kevin McAdoo, Malik Ellison, Paul Jackson, Head Coach Rob Murphy, Jalen Brown, Jorden Peterson, Terry Harris. Middle Row (L to R): Strength Coach Sean Connaty, Assistant Coach Matt Cline, Graduate Assistant Andrew Kang, Student Assistant Arielle Bexten, Director of Operations Lakita Gantz. 'MORE TO PROVE' IN 2017-18

Eastern Michigan finished the 2017-18 season as one of the hottest teams in the Mid-American Conference, winning its last six games to vault itself into a first-round bye at the MAC Tournament. As the dream of an NCAA bid fell short in a one-point semi-final loss to the University of Toledo, the postseason dream lived on with an invitation to the CollegeInsider.com Tournament (CIT).

The Eagles began the tournament in the friendly confines of the Convocation Center, taking on Niagara University. The game, which pitted the Purple Eagles against the Eagles for the first time since the 1970-71 season, was a dominant display from start to finish by the Green and White.

Elijah Minnie paced the Green and White with a career-high 29 points on 12-of-19 shooting, converting 5-of-9 attempts from beyond the arc. James Thompson IV tallied 20 points and pulled down a team-high 16 rebounds for his 20th double-double of the season, while adding a team-best four blocks. Tim Bond fell just shy of a triple-double, recording 11 points, 12 boards, and eight assists, while also adding two steals.

Unfortunately for Eastern, the run towards a championship was stopped short in the CIT's second round against Sam Houston State, as the Eagles fell 69-62 at the hands of the Bearkats.

EMU trailed by as many as 18 points in the first half and by 12 at the halftime break, but were able to cut SHSU's lead down and tie the game on a Jordan Nobles corner three with just under two minutes to go at 62-62. Unfortunately for EMU, SHSU went on a 7-0 run in the final 1:50.

Freshman Kevin McAdoo led the way for Eastern with a career-high 23-point effort. Nobles knocked down four threes for a season-high 12 points, while fellow redshirt junior Paul Jackson scored all 12 of his points in the second half. Junior James Thompson IV led all players with 13 rebounds.

GEORGE GERVIN STATUE

Whether leading Eastern Michigan University's men's basketball team to the Final Four or pouring in over 25,000 points as a professional, **George Gervin** often stood tall on the court. Now, his likeness will stand tall outside the arena bearing his name.

A statue depicting The Ice Man and his signature finger roll was unveiled outside the George Gervin GameAbove Center, Aug. 31, 2023 with Gervin and his family on hand for the ceremony. The solid bronze statue and its base measure 16-foot-8 from the ground to the top of the basketball in his hand.

"To look at myself now and see how far time has went by, and I have a statue now at a beautiful university that I can see, and the world can see," mentioned Gervin. "There ain't nothing like it. I'm thankful."

The statue was crafted in Boise, Idaho, by Ben Victor before being transported to Ypsilanti where a base of granite was created specifically for the statue. Victor's creation features Gervin standing 11-foot-8 with a one-foot bronze cone connecting the statue to a four-foot granite base. All told, from inception to installation, the entire project took nearly 20 months.

"It takes your breath away," EMU President **Dr. James Smith** added. "It's really spectacular, and, as George says, it looks just like him when we have photos from when he played. And, of course, his cute line, 'I'm still handsome.'"

One of the all-time EMU greats, Gervin led the then-Hurons to the 1972 NCAA College Division Tournament Final Four as he averaged 29.5 points and 15.3 rebounds on the year. In his two-year career in Ypsilanti, the Detroit native scored 1,044 points and pulled down 562 rebounds. Following the 1971-72 season, he was named NCAA College Division First Team All-American by United Press International and the National Basketball Coaches Association.

Following his time with EMU, Gervin went on to star in both the American Basketball Association (ABA) and the National Basketball Association (NBA). Inducted into the NBA Hall of Fame in 1996, Gervin was selected one of the top 50 and top 75 players in NBA history. The NBA's Player of the Year in 1977-78, he scored more than 25,000 points during career and was named an NBA All-Star six times.

Gervin's No. 24 jersey was retired at EMU Jan. 17, 1986, and was the first retired in program history. Then, on Dec. 11, 2021, the Eagles captured a 92-88 victory over Florida International University in quadruple overtime inside the facility that saw its name changed that day from the Convocation Center to the George Gervin GameAbove Center.

1946

Providing leadership in education and diversity, in 2024 the Mid-American Conference moves into its 79th year of service to our students.

Since its inception in 1946, the Mid-American Conference has progressively grown and developed into one of the most aggressive Division I conferences in the country. One of only 10 football Bowl Subdivision (FBS) conferences, the MAC named Dr. Jon A. Steinbrecher as its eighth commissioner in March of 2009.

The league hosts championships in 24 sports, including neutral site events at some of the finest facilities in the nation, including football (Ford Field/Detroit) and men's and women's basketball (Rocket Mortgage Fieldhouse/Cleveland). The 2021 Football Championship Game will be the 18th in Detroit while the 2022 Basketball Tournaments will be the 23rd in Cleveland.

Steinbrecher has been aggressive in pursuing NCAA Championship events. The MAC served as the host for the 2015 NCAA Division I Men's Basketball Midwest Regional in Cleveland and the 2018 NCAA Division I Wrestling Championships, which set NCAA Wrestling three-day Championship total attendance and single-session attendance records. The MAC was also selected to host the 2020 NCAA Men's Basketball Tournament First and Second Rounds (cancelled due to the COVID-19 pandemic), and the 2024 Women's Final Four also at Rocket Mortgage Fieldhouse. The MAC has previously hosted both the 2012, 2014 and the 2019 NCAA Women's Bowling Championships under Steinbrecher's direction.

Several key MAC initiatives include the development of the first of its kind Conference-wide Mental Health Program, which includes a bi-annual Mental Health Summit to focus on student well-being, along with grassroots efforts with a Mental Health Awareness Week on each member campus. A comprehensive Diversity & Inclusion Program was created to accelerate the growth of minority candidates for collegiate job opportunities in coaching and administration, and the development of the MAC Academic Consortium to integrate across membership the next generation of leaders in higher education, providing leadership development opportunities among faculty and administration.

ESPN has exclusive television and digital distribution rights for MAC sporting events, and guarantees coverage of every football game, men's and women's basketball games and select Olympic sporting events. Through this ESPN partnership, the MAC and CBS Sports Network announced another four-year sublicensing agreement to expand its national coverage of football and basketball through the 2022-23 season.

During the 2019 season, the MAC set a Conference record with a total of eight bowl-eligible teams and matched a league record with a total of seven bowl invitations. The seven bowl invitations tie the Conference mark set in both the 2012 and 2015 bowl seasons.

History was made this past postseason as the University at Buffalo and Kent State University claimed their first bowl victories in program history. The Bulls topped Charlotte in the Makers Wanted Bahamas Bowl (31-9), while the Golden Flashes defeated Utah State in the Tropical Smoothie Café Frisco Bowl (51-41). Ohio University clinched its program-record third straight bowl win and fifth bowl victory in program history courtesy of a 30-21 triumph over Nevada in the Famous Idaho Potato Bowl.

The MAC increased its primary bowl agreements to a Conference-best six guaranteed games in the next bowl cycle (2020-25). The MAC will make annual appearances in the Famous Idaho Potato Bowl, Bahamas Bowl, Arizona Bowl and Quick Lane Bowl, and will be in a rotation to appear in the Camellia Bowl, Cheribundi Boca Raton Bowl, Cure Bowl, Tropical Smoothie Cafe Frisco Bowl, Lending Tree Bowl, New Mexico Bowl, and the newly-created Myrtle Beach Bowl.

HISTORY OF THE MAC

Based in Cleveland since July 1999 following a 15-year stay in Toledo, Ohio, the MAC has established historic measurements in both football and men's and women's basketball since moving to Northeast Ohio.

The MAC was founded as a five-school league on February 24, 1946 in Columbus, Ohio with Ohio, Butler, Cincinnati, Wayne State and Western Reserve admitted as charter members. The Mid-American Conference membership currently consists of 12 universities across five states (Illinois, Indiana, Michigan, New York and Ohio).

In 1946 men's basketball was the first competitive sport in the MAC, which now sponsors a total 24 sports. Women's sports were brought into the Conference's structure in 1980. For men, there are 11 championships sponsored in football, basketball, baseball, cross country, soccer, swimming and diving, indoor track and field, outdoor track and field, wrestling, golf and tennis. For women, 13 championships are sponsored in basketball, softball, volleyball, cross country, field hockey, lacrosse, golf, soccer, swimming and diving, gymnastics, indoor track and field, outdoor track and field and tennis.

EASTERN MICHIGAN UNIVERSITY

Where We're Located

Eastern Michigan University is located in historic Ypsilanti, about 10 miles east of Ann Arbor, 40 miles west of Detroit and just 20 minutes from Detroit Metropolitan Airport. It is an area rich in academic, research, technological and recreational resources. The University also has sites in Livonia, Jackson, Traverse City, Flint, Detroit and Monroe.

EMU's 800 plus-acre campus of scenic floral and wooded areas includes 18 miles of walkways and jogging trails and has 122 buildings throughout the academic and athletic campuses. Eagle Crest – Eastern Michigan's golf course and resort – is located on the banks of nearby Ford Lake.

Ypsilanti plays a leading role in industry and education. The city and the University have forged close ties that have lasted more than 160 years.

What Makes Us Unique

In 1849, the Senate and House of Representatives of the State of Michigan formally paved the way for the establishment of Michigan State Normal School, with the exclusive purposes of instructing persons in the art of teaching; providing a good common school education; and giving instruction in the mechanic arts, husbandry, agricultural chemistry and the laws of the United States.

Since its inception, Eastern Michigan, first as a Normal School, then as a College and finally as a University, has grown and developed to respond to the ever-changing needs of society. Over the years, EMU has educated thousands of sons and daughters of Michigan, the nation, and the world.

The university currently serves thousands of students who are pursuing undergraduate, graduate, specialist, doctoral and certificate degrees in the arts, sciences and professions. In all, more than 200 majors, minors and concentrations are delivered through the University's Colleges of Arts and Sciences; Business; Education; Health and Human Services; Technology, and its graduate school.

Eastern Michigan's exceptional faculty, students and alumni include CEOs from major businesses, a National Student Teacher of the Year, National Teacher of the Year, numerous Fulbright Scholars and Milken Family Foundation National Educators award winners, and several Michigan Teachers of the Year.

EMU is regularly recognized by national publications for its excellence, diversity, and commitment to applied education.

Our Students

With over 16,000 students, EMU provides a rich learning environment for the campus community. The University currently has approximately 13,500 undergraduates and 3,000 graduate students. Our students represent 49 states and 93 foreign countries.

Of undergraduate students, 71 percent are full-time and 60 percent are women. The most popular majors are education, business, social sciences and history, science and engineering, English, and the health professions. EMU's undergraduate population is approximately 62 percent white; 17 percent black; 3 percent international; 3 percent Asian-American; six percent Hispanic, 0.2 percent Native-American, and 6 percent not answered (i.e. elected not to respond to this inquiry).

Eastern Michigan offers a number of special academic programs to help students succeed. These include the Honors College; the Holman Success Center; distance learning; accelerated format programs; online, weekend and evening programs and courses; American Humanics certification; Study Abroad Tours; a specialized master's degree program for corporations offered onsite; a double master's degree; online technologies for education and training.

With more than 200 academic and social organizations, an extensive intramural sports program, 19 NCAA Division I-A sports and numerous cultural activities from which to choose, EMU students have diverse opportunities to become involved in campus life. Students' on-campus housing choices range from traditional dormitory-style rooms to apartments and include living/learning center options.

Faculty/Staff

Eastern Michigan University employs more than 1,140 faculty members. Ninety-four percent of EMU professors have doctoral degrees or terminal degrees in their field. The student to faculty ratio is 17:1.

Faculty work closely with students, and many involve students in their research. Recently, the University celebrated its 30th annual Undergraduate Symposium; a benchmark program for undergraduate research.

Community Outreach

Eastern Michigan is making an impact nationally by channeling its academic research as a means of solving real world problems. Our History

Founded in 1849, when the state of Michigan was just 12 years old, Michigan State Normal School was designated by the state legislature as the first institution to educate teachers to serve the public schools. The University thus began, somewhat humbly, as the sixth teacher education institution in the nation. A campus that today comprises more than 800 acres was once a four-acre plot with one building and two programs of study – a classical course and an English Course.

The school's name changed several times – to Michigan State Normal College in 1899; to Eastern Michigan College in 1956; and finally to Eastern Michigan University in 1959. During its first 100 years, the institution certified thousands of teachers and developed the broad-based curricula that ultimately prepared it for university status.

Within that new university, three colleges emerged: Education, Arts and Sciences and the Graduate School. The University has since expanded three more times, adding the College of Business in 1964, the College of Health and Human Services in 1975, and the College of Technology in 1980. More recently ,Eastern Michigan has developed Extended Programs and numerous community-focused institutes.

The university has enhanced its learning environment through structural initiatives during the past several years. Recent construction includes the Terrestrial and Aquatic Research Facility (1998), the Convocation Center (1998), the Bruce T. Halle Library (1998), the John W. Porter College of Education Building (1999), the Everett L. Marshall College of Health and Human Services Building (2000), the Village residence hall (2001), University House (2003), new Student Center (2006), and the new Science Complex (2010).

The City of Ypsilanti

Ypsilanti is a city in Washtenaw County with a population of 19,435. Originally a trading post established in 1809 by Gabriel Godfroy, a French-Canadian fur trader from Montreal, a permanent settlement was established on the east side of the Huron River in 1823 by Major Thomas Woodruff. It was incorporated into the Territory of Michigan as the village Woodruff's Grove. A separate community a short distance away on the west side of the river was established in 1825 under the name "Ypsilanti", after Demetrius Ypsilanti, a hero in the Greek War of Independence. Woodruff's Grove changed its name to Ypsilanti in 1829, and the two communities eventually merged.

Henry Ford and the automotive industry came to Ypsilanti in the 1930s and beautiful Ford Lake was created to generate hydroelectric power for the manufacturing plants. During World War II, Ypsilanti became home to the Willow Run Bomber Plant, a factory that would employ 100,000 workers.

Welcome Home 2025

EMU's Welcome Home 2025 Plan is an equity initiative that will transform on-campus student housing to ensure that EMU students have access to quality and affordable housing with modern technology that meets the demands of today's academic world. EMU's student housing facilities have generally been neglected for decades, and it is time to reverse this trend and invest in housing for our students.

EMU and its partners will invest more than $200 million from 2022-2024 to construct new on-campus student housing, renovate existing housing, and demolish outdated housing. The exact timeline and project details will be determined over the next several months in close partnership with the campus community.

The need for quality and affordable on-campus student housing with modern technology standards became even more apparent during the COVID-19 pandemic, when many students struggled with housing affordability and access to technology. The Welcome Home 2025 Plan will address this gap by upgrading EMU's student housing facilities to meet 21st Century standards.

New and Renovated Housing Facilities

The goal is to complete all housing renovations and new construction in advance of the Fall 2024 academic semester. Benefits and considerations of the overall phasing schedule include: More quickly complete all capital improvements to benefit the student experience; Provide additional opportunities for improvements through cost savings; Ensure that there are enough available beds for students that want to live on campus during the development period; Better align the diversity of unit-type offerings with student preferences during construction and upon completion.

He would go on to earn a Master of Education, educational administration, from Xavier University in Cincinnati and a Doctor of Philosophy, educational leadership, from Miami University.

Over the next 28 years, he served as an elementary school principal, a teaching fellow and assistant professor at Miami, director of the Experiential Program for Preparing School Principals at Butler University in Indianapolis, and director of the Educational Leadership Program and coordinator of doctoral studies at West Texas A&M University. Smith was also vice president for Economic Development at Bowling Green State University in Bowling Green, Ohio, before heading to NSU.

Smith's wife, Dr. Connie Ruhl-Smith, has an impressive resume of her own. She has been a teacher, author and administrator, and has done extensive work in student retention and student academic support, introduction of international partnerships, and much more. As Director of Development for International Relations at Eastern, she actively engages the campus community with international development opportunities.

Scott Wetherbee
EMU Vice President/Director of Athletics

The mark of an exceptional athletics program is the progress that is made each year. And under the leadership of Vice President and Director of Athletics Scott Wetherbee, the Eastern Michigan University department of athletics has experienced tremendous success in competition, the classroom, as well as in the community.

During his tenure, Eastern Michigan has won 16 Mid-American Conference team championships and 92 MAC individual championships. Furthermore, 298 EMU student-athletes have collected All-MAC honors and 703 have collected Academic All-MAC recognition under his leadership. All told, Eastern has won 155 MAC team titles since 1973, the most of any league institution over that span.

In addition, Wetherbee continues to work on the department's plan to build a safe and highly-effective atmosphere for its student-athletes through the continual revitalization of its athletic facilities. EMU opened the Student-Athlete Performance Center on Aug. 27, 2019, marking the first major construction project on the athletics campus since the opening of the Convocation Center in 1998. Additional projects include artificial turf at the soccer/lacrosse complex, a locker room for the swimming & diving team, and an expanded erg room for the rowing program.

Under his guidance, Eastern Michigan Athletics has secured more than $20 million in cash and pledges to help upgrade facilities and further enhance the student-athlete experience. EMU has generated six gifts of $1 million or more, including the first seven-figure gift in Eastern Athletics history, an $8 million gift for a GameAbove Golf Performance Center (the largest gift in school history), $2.7 million to rename the campus arena in honor of former student-athlete and NBA Legend George Gervin, and a $1 million sponsorship (largest in school history).

Eastern Michigan also continues to expand opportunities for female student-athletes with the addition of women's lacrosse as the EMU's 19th varsity sport. The team begins play in the 2022-23 academic year.

Overall, Wetherbee has made 10 head coaching hires in his time at Eastern Michigan, and will welcome new leaders for lacrosse and tennis in June 2022. He also hired volleyball head coach Darcy Dorton, men's basketball head coach Stan Heath, women's golf head coach Stephanie Jennings, gymnastics head coach Katie Minasola, swimming head coach Derek Perkins, and baseball head coach Eric Roof. Additionally, he promoted Sue Parks from head women's track & field/cross country to oversee both the men's and women's programs.

Wetherbee chairs several MAC committees, including the Volleyball Coaches, the Basketball Game Management, and the league's 75th Anniversary Celebration. Furthermore, he is the only AD in the league to have earned Diversity, Equity, and Inclusion (DEI) certification from participation in conference-wide continuing educational activities.

In 2021-22, EMU took home team titles in men's cross country and men's indoor track & field to go along with 14 MAC individual titles. Meanwhile, the football program played in its fourth bowl game in the previous six seasons. Prior to 2016, Eastern had reached bowl eligibility just twice in its history and had earned the opportunity to play in a postseason bowl just once (1987 California Bowl).

Additionally, home to "The Iceman" took on a whole new meaning with the announcement of the renaming of the school's on-campus arena on Dec. 11, 2021. The Convocation Center was renamed the George Gervin GameAbove Center in honor of former student-athlete and NBA Legend George Gervin. The change was made possible through a generous commitment by GameAbove. The group committed funding to improve the facility's technology infrastructure and enhance the student-athlete and visitor experience, including upgrades to athletic training facilities, team meeting rooms, visitor suites, and the E-Club Athletic Hall of Fame.

In total, Eastern Michigan Athletics brought in $5 millions in gifts during Fiscal Year 22 for just the second time ever.

During the 2020-21 campaign, Eastern Michigan captured three conference team championships in men's cross country, men's indoor track & field, and gymnastics. The cross country title was the program's 24th, while the indoor crown was the team's 16th. Meanwhile, gymnastics collected its fourth tournament title en route to punching its ticket to the NCAA Regionals for just the third time as a team.

The 2019-20 season saw plenty of triumphs both on the field and in the classroom despite battling adverse conditions. Eastern won three MAC team titles and 11 individual league championships before the COVID-19 pandemic canceled the entire spring sports season.

EMU won its fifth consecutive women's cross country title while the women's indoor track & field team won its seventh Mid-American Conference championship. Women's soccer finished as the tournament runner-up, while women's basketball earned a berth into the semifinals for the first time since 2015. Additionally, swimming & diving took third place at the MAC Championship and volleyball finished in third in the West Division race.

On the men's side, the men's cross country team notched its 23rd MAC title. Men's indoor track & field finished as the runner-up at its championship, while football punched its ticket to the postseason for the second consecutive season with an appearance in the Quick Lane Bowl in Detroit. Men's basketball clinched the Michigan MAC Trophy with a 67-63 victory over Central Michigan, Feb. 29.

Persevering under unusual circumstances, EMU student-athletes posted their highest semester and cumulative grade point average in school history. With more than 430 student-athletes, Eastern recorded a 3.516 winter semester GPA. It bettered the previous best of 3.238 set in the fall of 2016. EMU also added a cumulative 3.332 GPA, another department best previously set in the fall of 2018 at 3.27.

Furthermore, the year saw the Athletic Department open the Student-Athlete Performance Center on Aug. 27, 2019. Heavily supported by fundraising efforts, the 60,000 square-foot structure houses the sports medicine, sports performance, and equipment operations areas. Additionally, the facility has locker rooms, coaches' offices, and meeting spaces for the football team, while also including a new video board inside Rynearson Stadium.

The 2018-19 campaign was another record-setting season in both athletics and academics for Eastern. The Eagles finished near the top in the battle for the MAC's all-sports championships. It marked the eighth time in the past 12 years that Eastern Michigan placed inside the top-five spots in both standings.

Eastern Michigan won its fourth consecutive women's cross country title while the volleyball team won its first MAC Tournament Championship after finishing tied for second in the West Division. Women's swimming & diving finished as the runner-up at the championships for the fifth consecutive season, while women's indoor track & field added a second-place finish.

On the men's side, the men's golf team notched its third MAC title and first since 2008 as it shared the team championship with Kent State University. Both men's indoor track & field and outdoor track & field also finished as the runner-up at their respective championships. Football finished tied for second in the West Division good for its best finish since the league switched to the divisional format in 1997.

Coupled with three MAC team titles and 15 individual league championships, the 2018-19 campaign was one of the most successful seasons in Eastern Michigan history. In the classroom, EMU student-athletes posted a cumulative 3.270 GPA during the winter semester, then the highest mark on record. It was the 19th term in a row EMU student-athletes had earned over a 3.0 GPA.

During Wetherbee's first year at EMU in 2017-18, the department took home two of the Mid-American Conference's top three institutional awards – the Cartwright Award and the Reese Trophy. The Cartwright Award is given for program excellence in academics, athletics, and citizenship, while the Reese Trophy is for the top men's athletic program in the league.

The Eagles captured a combined five team championships and 38 individual league titles. For their efforts, 84 EMU student-athletes earned All-MAC honors in 2017-18.

In the classroom, EMU student-athletes posted a 3.259 cumulative GPA during the winter semester.

Wetherbee also helped secure approval for Phase I of the Championship Building Plan for a new sports medicine and training facility.

The 47-year-old Wetherbee was named to the position at EMU on June 26, 2017. A native of Kalamazoo, Mich., has more than 25 years of collegiate athletic administrative experience with a track record of enhancing every department he has served.

A veteran in the world of athletic administration, he is Eastern Michigan's 14th athletic director after spending four years at Mississippi State University, including serving as the department's interim director of athletics from October-November 2016.

He has spent time on the senior or executive staffs at five athletic departments, including EMU, MSU, East Carolina University, San Diego State University, and Fresno State University.

Named one of College AD's 2017 NEXT UP honorees, Wetherbee was picked as one of 13 senior-level administrators who were believed to be ready to take the next step by some of the most respected athletic directors in the industry.

from 2013 until May 2017, Wetherbee developed MSU's external unit into one of the most elite and recognized in all of college athletics. Recently promoted in June 2017 to Deputy Director of Athletics, he has built a department with the hiring of more than 20 new employees to cultivate a culture of innovation and brand consistency.

In 2015 and 2016, MSU's marketing department became the first back-to-back winner of the National Association of Collegiate Marketing Administrators (NACMA) Marketing Team of the Year. Meanwhile, MSU's Athletic Media Relations department was the recipient of the 2015 Football Writers Association of America's Super 11 Award.

Wetherbee played a pivotal role in the growth of MSU Athletics since his arrival, serving on the executive staff that provides oversight to all 16 of the Bulldogs' varsity sports and overseeing an annual budget of $87 million. He has spearheaded all aspects of MSU's external department, including marketing, media relations, video, equipment, facilities, game operations, licensing, adidas, Gatorade, and served as liaison to Bulldog Sports Properties – the department's third-party rights holder. He successfully negotiated new deals with Learfield, adidas, and Gatorade.

Wetherbee served as MSU's liaison to the SEC Network. With that responsibility, he established a department that produced more than 100 live digital broadcasts during the 2016-17 athletic year. He was also the sport administrator for the Bulldogs' baseball and volleyball programs.

In addition, he oversaw all branding, graphic, venue marketing, and video elements of MSU's athletic facilities. That included the creation of a new $1.3 million video board and hustle boards for Humphrey Coliseum, the vision for the largest videoboard in college baseball at Dudy Noble Field, and new graphics in Davis Wade Stadium, Nusz Park, MSU Golf Facility, MSU Soccer Fieldhouse, and the Humphrey Coliseum locker rooms.

Wetherbee arrived in Starkville, Miss. after spending 10 years as an assistant athletic director at East Carolina where he directed the department's marketing and ticket operations. He was part of an administrative team that led a $60 million expansion and development project of ECU Athletic facilities. In 2011, his marketing ticket vision produced ECU football records in per-game attendance (50,012), total attendance (300,069), and season ticket sales (24,188). He assisted the Pirate Club in increasing unrestricted annual giving by over 56 percent and membership growth by 78 percent.

Wetherbee was no stranger to developing brand strategies before his arrival at MSU. He served on multiple committees of East Carolina's strategic planning process, and he was charged with creating a branding initiative to facilitate a consistent message through the department. He worked extensively with IMG Sports to expedite contracts and sponsorship agreements, and he developed a technology team to coordinate social media initiatives.

From 2002-03, Wetherbee served as the assistant athletic director for ticket operations at San Diego State University. He directed ticket sales, oversaw the ticket office's budget, and served on the department's senior staff. One of his many accomplishments at SDSU was the designing and implementation of the men's basketball's reseating process, which allocated seats based on existing donor levels and the priority points system.

Prior to his stint at San Diego State, Wetherbee spent three years at Fresno State, serving as assistant athletic ticket manager from 1999-2000 before being promoted to athletic ticket manager in 2000. He directed all ticket sales and operations for over 100 athletic and special events annually and maintained the department's budget. In addition to supervising the staff, Wetherbee created, designed, and maintained Fresno State's first online ticket office – GoBulldogs.com.

Wetherbee got his start in athletics as a ticket office intern at Mid-American Conference rival Western Michigan University before spending two years as a graduate assistant in the Ball State University athletic ticket office.

Wetherbee earned a Bachelor's degree in sports administration from Ball State in May 1997. He started his collegiate career at Ferris State University as a student-athlete on the baseball team before the program was discontinued.

He and his wife, Tracy, have two children: Taylor and Spencer.

GEORGE GERVIN GAMEABOVE CENTER

The George Gervin GameAbove Center (formerly the Convocation Center), in its 26th season as the crown jewel of EMU athletics, opened up a new era of excitement on the west campus of EMU in the fall of 1998.

The state-of-the-art, $29-million facility is the result of a decade-long effort to improve and upgrade university facilities and followed closely the opening of the $41-million Bruce T. Halle Library on the main campus.

Construction of the George Gervin GameAbove Center began in the spring of 1997 and culminated with its dedication game, Dec. 9, 1998, with a men's basketball game against the University of Michigan in front of a crowd of 7,647.

Since its opening, the George Gervin GameAbove Center has served as home court for the Eagles' men's and women's basketball and volleyball teams. The EMU wrestling team and women's gymnastics team have held several meets on the arena floor.

The George Gervin GameAbove Center has also served as the site for six Mid-American Conference Championships. EMU hosted the 2000, 2007 and 2014 MAC Gymnastics Championship and the 2002, 2009 and 2016 MAC Wrestling Championship. The arena has been the host site for 10 first-round MAC Women's Basketball Tournament games, nine first-round games for the men's basketball squad and four first-round MAC Volleyball Tournament games. The building also played host for the EMU women's basketball team's upset of the University of Michigan in the First Round of the 2011 Women's National Invitational Tournament (WNIT) and a pair of contests during the 2014 Women's Basketball Invitational (WBI). Meanwhile, the EMU men's basketball team hosted the first round of the 2014 and 2018 CollegeInsider.com Tournament for the program's first postseason home games.

The George Gervin GameAbove Center also played host to the 2008 WNBA's Eastern Conference Finals and the WNBA Championship, as the Detroit Shock utilized the facility for the playoffs.

Along with their commitment to EMU Athletics, the George Gervin GameAbove Center staff has brought some of the finest entertainers in the world to Ypsilanti. The Convo has hosted acts by the Bob Segar, Black Crowes, Indigo Girls, Godsmack, Smashmouth, Ludacris, Bob Dylon, Toby Keith, Matchbox Twenty, Goo Goo Dolls, Dave Chapelle, John Mayer and Jay-Z.

The George Gervin GameAbove Center is also the site for EMU's spring and winter commencement ceremonies. Among other events that have taken place include numerous youth sporting competitions, high school commencements, trade shows, job fairs, conventions, charity and community awareness events as well as a circus.

The 204,316-square-foot facility features three user-friendly levels — arena, concourse and office — and three seating configurations to maximize crowd capacity and space usage. The largest seating capacity is for center-stage entertainment activities, with 9,500 seats available. The capacity for basketball games is approximately 8,800.

EMU's athletic administration is located on the office level, along with offices for the EMU football, men's and women's basketball and volleyball coaching staffs. The EMU Athletic Media Relations Office, as well as offices for the George Gervin GameAbove Center staff, are located on the office level.

The main athletic training room and office space for EMU's sports medicine staff is located on the arena level as are strength and conditioning facilities and equipment rooms.

In the summer of 2012, the George Gervin GameAbove Center received a major face-lift, as a YESCO four-sided ceiling hung display sign, featuring video boards on all four sides, was installed above center court in the arena.

The fixture features four 10MM full color video boards, with each board's active area measuring 15.7-foot wide by 11.5-foot tall. In addition, the system also features three ribbon displays on the west and east sides and under the scoreboard. The arena will also showcase an integrated light emitting diode (LED) courtside scorer's table.

The arena was officially renamed in honor of EMU alum and NBA Hall of Famer George Gervin, Dec. 11, 2021. Dubbed "George Gervin Day," the arena hosted more than 5,000 spectators as the men's basketball team used four overtimes to defeat Florida International in the longest game in school history.

There is no doubt that the George Gervin GameAbove Center has become a special place for athletic events, but there is a warm spot in the hearts of Eastern Michigan fans for Bowen Field House, the home for men's and women's basketball games for 43 years.

Bowen was built in 1955 at a cost of $1.25 million. The facility has 79,529 square feet of floor space and includes an eight-laps-to-the-mile indoor track. An additional 9,394 square feet, along with new permanent seating, a new court and upgrading of the facility was completed in 1982 at a cost of $506,938.

Bowen still serves as home to EMU's track teams and also serves as a practice facility for many of Eastern's varsity squads.

RYNEARSON STADIUM

Rynearson Stadium begins its 53rd season as the home venue for the Eastern Michigan University football and track teams in 2021-22. Opened in 1969, the facility is named for the late Elton J. Rynearson, Sr., who coached football at Eastern Michigan for 26 seasons. His teams compiled a record of 114-58-15. In one six-year period, from 1925-30, Rynearson's teams won 40 games, tied two and lost just four.

The first game played in Rynearson Stadium was Sept. 27, 1969, when EMU upset the University of Akron, 10-3. The stadium was dedicated a few weeks later on Oct. 25, 1969, when EMU lost, 17-7, to the University of Tampa.

Over two million fans have seen EMU play in Rynearson. In 24 of the 49 years, Eastern has averaged more than 11,000 fans per home date. The 1995 season proved to be the record-breaking year for Rynearson Stadium attendance. A single-game record crowd of 25,009 was on hand, Sept. 16, 1996, to watch the Eagles dismantle UNLV, 51-6. That four-game '95 season also proved to be a best for season average attendance of 22,602.

Rynearson Stadium is set up for a capacity of 30,200 with the ability to expand for larger crowds. The stadium originally held 15,500, but additional seating and lighting were added in 1974 when the now-defunct Detroit Wheels used the facility for their World Football League games. The additional seating in 1974 brought the capacity to 22,227. During the summer of 1992, seating was added on the east side to bring capacity to the current total of 30,200.

Built for an approximate cost of $1.4 million in 1969, Rynearson Stadium underwent a major renovation project in 1991 and 1992, which included installation of a StadiaTurf field, a new team building, an additional 10,000-plus seats, new bathroom facilities and concession stands, an expanded press box and state-of-the-art scoreboard were added at a cost of approximately $13 million.

The playing field was originally natural grass. A sand-filled artificial surface, StadiaTurf, was installed in 1991. The StadiaTurf surface was replaced in May 1998, by an AstroTurf artificial surface. A FieldTurf surface was installed in the summer of 2005 and replaced again in 2014 when the color was switched to gray.

The press box is located on the top of the west-side stands. A second level was added as part of the renovations in 1991. The working media utilize the lower level while the top level is the University's hospitality area for the stadium.

The $20 million Student-Athletic Performance Center was added to the north endzone in 2019 after the team building was demolished prior to the 2018 season.

Elton J. Rynearson, Sr.

Elton J. Rynearson, former athletic director and coach at Eastern Michigan University, died Feb. 8, 1967. "Rynie" coached every varsity sport at one time or another during his 46 years of service to the University.

In his 28 years as head football coach, Rynearson compiled a won-lost-tied record of 114-58-15, including one stretch from 1925 to 1933 when his teams lost only six games.

In 1968, the Rynearson Scholar-Athlete Award was founded in his memory. It is given annually to the EMU football player who best combines athletic ability and scholastic excellence.

EMU SPORTS DOME

The word came early on a chilly, but calm Sunday morning, Feb. 7, 2010. After a series of delays caused by snow and wind — and with a big storm coming later that week — it was time to raise the roof on Eastern Michigan's new indoor, multi-purpose athletic practice facility.

Workers started at 7 a.m. and, by 9 a.m., the big, white, synthetic roof had billowed to its full height. Inside, members of EMU's physical plant staff and construction workers admired the expansive space and thought of the athletes that would bring the place to life in the months to come.

It was an improbable event, considering work on completing such a facility and inflating the roof took place heading into and during a Michigan winter. But mild late fall weather helped workers and staff accomplish a great deal, such as pouring 2.5 million pounds of footings concrete.

Light snow in January also helped. The area experienced less than 10 inches that year, compared to more than 30 inches in 2009. A one-inch dusting of snow delayed the inflation, but only for several days.

The facility, which costs $3.9 million, is located on Westview Drive, off Huron River Drive, at the northeast corner of Rynearson Stadium.

The building enables EMU's collegiate athletic teams and the Ypsilanti community to continue playing and practicing despite inclement weather. The facility supports intramural, recreational and club sporting events, as well as local sports leagues.

The facility is 410 feet long, 210 feet wide and 75 feet tall. It includes a welcome center and convertible space that can be configured for a football field, an international soccer field or four youth soccer fields. Leasing revenues are projected to cover maintenance and operating costs.

Despite the light Sunday mood, plenty of work remained after the inflation. Workers had to unfreeze the ground, level the concrete, install synthetic turf and complete the welcome center. The parking lot was then completed in warmer weather.

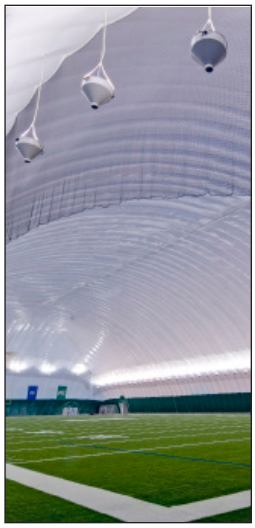

The Board of Regents approved the plan for the indoor facility at its June 2009 meeting, and it was unanimously approved by the state's Joint Capital Outlay Subcommittee in September.

The project was funded by the 2005 tuition increase, four percent of which was specifically dedicated to enhance the university's infrastructure. The four percent increase (or approximately $4.4 million) has accumulated for the past four years, creating a pool of $17.6 million.

In June 2019, the facility was renamed the St. Joe's Sports Dome through a partnership with Saint Joseph Mercy Health System (SJMHS). This athletics collaboration reflects a further expansion of the longstanding relationship between neighboring EMU and St. Joseph Mercy Ann Arbor, one of SJMHS' five hospitals across southeast Michigan.

INCARNATI ATHLETIC CENTER

More than 300 alumni, donors and guests joined staff from the Eastern Michigan University Department of Athletics and campus administration to usher in a new era in EMU athletics with the grand opening of the Incarnati Athletic Center, Aug. 27, 2019. In use by student-athletes since mid-July, the event welcomed members of the public to the new facility for the first time. The facility was renamed in 2023 from the Student-Athlete Performance Center in recognition of EMU Regent Emeritus Phil Incarnati.

The first major construction project on the athletics campus since the opening of the Convocation Center in 1998, the Student Athlete Performance Center is the first phase of the athletic department's plan to build a safe and highly-effective atmosphere for its student-athletes through the continual revitalization of its facilities and athletic campus.

Breaking ground in the fall of 2018, the new sports medicine and training facilities provides a 63,000 square foot structure that houses the sports medicine, performance and equipment operations areas. Additionally, the facility has locker rooms, coaches' offices, and meeting spaces for the football team, while also including a new video board inside Rynearson Stadium. Designed to enhance the student-athlete and fan experience at Eastern Michigan, the two story building offers a wide variety of operational spaces and amenities which allow for that goal to be met.

When entering the building, students and guests first walk along a beautiful 18-foot by 16-foot Block E brick hardscape in which donors shared their EMU stories and support of the project. Through the main entrance is the Clouse Family Atrium, a 1,288 square foot welcome room that displays the championship success of Eastern Michigan athletics throughout its history. The atrium also features a floor-to-ceiling glass panel entrance to Rynearson Stadium, and a 12 foot tall replica Mid-American Conference championship trophy. The trophy, which boasts a large "147," across the front, showcases EMU's athletics success in the MAC, including its conference-best 147 team championships.

The east side of the main-floor houses a new equipment room, which includes offices, a full-service laundry facility, and extensive storage spaces for athletic apparel and uniforms, as well as a state of the art strength and conditioning center. Dubbed "T.J.'s Garage," in honor of EMU great and former NFL Pro-Bowler T.J. Lang, the Thomas J. Lang Strength and Conditioning Center, named after T.J.'s late father, provides 7,000-plus square foot performance center, which includes inlaid weight tracks, cardio training, plyometic training, and a nutrition center. Two roll up garage doors serve as the football team's entrance into "The Factory," at Rynearson Stadium.

Next to the locker room are eight team meeting rooms which house different position groups individually. The area also includes a full-team meeting room equipped with state-of-the-art audio-video equipment, "Block E," branded seating, and a theatre design, which allows the entire team to see and hear clearly.

Down the Michael Hawks Hall on the ground floor is the Phil Incarnati Football Locker Room, a modern space with an industrial flair that includes 115 lockers and access to the Brian Clouse Players Lounge, a space that allows football student-athletes to study, and bond with teammates.

The top-floor portion of the newly constructed building is home to a sports medicine center, hydrotherapy room, recruiting lounge, and entertainment corridor, among other offices.

At nearly 5,000 square feet, the sports medicine center features rehabilitation equipment, medical examine rooms, athletic training offices and medical storage. The space allows student-athletes across multiple sports the opportunity to be treated by an exceptional staff in first-class facilities. Attached to the sports medicine center is the hydrotherapy room. Containing three in-ground therapy pools, the hydrotherapy room features a underwater treadmill pool, a cold plunge pool, and a hot/cold therapy pool.

Overlooking Rynearson Stadium is the recruiting lounge. The 638 square-foot lounge offers a dynamic new entertainment space which is sure to enhance recruiting and alumni experiences for years to come. Along with the lounge comes the entertainment corridor. The corridor will be able to be utilized for entertainment opportunities for invited alumni, friends and fans of Eastern Michigan.

Located on top of the building, the LED display measures 29 feet high by 53 feet wide. The entire scoreboard structure will measure 40 feet high by 60 feet wide to bring more than 2,000 square feet of visual real estate to events held at the stadium. The LED portion of the scoreboard will feature a 15HD pixel layout, the premier technology for outdoor sports used at many professional facilities. A fixed-digit scoreboard is a part of the project to provide standard game information including score, time remaining, down and distance, and more.

NCAA COMPLIANCE

WHAT IS NCAA COMPLIANCE?

Eastern Michigan University is committed to operating its intercollegiate athletics program with the highest degree of integrity, sportsmanship, and professionalism, and we urge you to conduct yourself accordingly.

The Eastern Michigan University Office of Athletics Compliance is committed to a comprehensive compliance program that ensures institutional control over the department of athletics.

Our goal is to educate student-athletes, prospective student-athletes, institutional employees, community members, and boosters about the importance of adhering to NCAA, Mid-American Conference, and institutional rules.

A successful athletic department depends on the willingness of coaches, administrators, staff, student-athletes, and boosters to be aware of NCAA, MAC, and institutional rules.

All of us at Eastern Michigan University appreciate your support. Your commitment to rules compliance is necessary to ensure that the University, its student-athletes, and coaches remain in good standing. Our success is due to support from individuals who are cautious and knowledgeable of NCAA rules. Help us win with integrity!

QUESTIONS?

The information on this page contains only a small portion of the existing NCAA rules and regulations. If you have any questions about any NCAA, MAC, or institutional rules, please

FIVE RULES TO REMEMBER

1. FANS HAVE RESPONSIBILITIES

As an individual who is a season ticket holder, a member of an Eastern Michigan University booster organization (e.g., Eagles Pride, E-Gridiron Group), has made financial contributions to EMU, or been involved in promoting EMU's athletic program, you are considered a "Booster" and are required to adhere to an atmosphere of compliance. As a booster, your conduct reflects on the integrity of the entire university.

Once you support EMU Athletics, you retain that identity as a booster forever - the rules still apply! This is true even if the individual no longer contributes to, or is involved with, EMU's athletics program.

2. DON'T GIVE BENEFITS OR INDUCEMENTS

Student-athletes can only receive benefits that other students in the general population can receive. An extra benefit is any special arrangement by an EMU employee or booster to provide a current or prospective student-athlete (or the athlete's relatives or friends) a benefit not expressly authorized by the NCAA. Examples of impermissible benefits include, but are not limited to:

- Gifts of cash, clothing, equipment or any other tangible item;
- A special discount, payment arrangement or credit on any purchase or service;
- Loan of money or co-signing of loans;
- A vehicle, use of a vehicle, or any transportation expenses;
- Free or reduced-cost services, purchases or rentals;
- Entertainment on- or off -campus; or
- Free or reduced-cost rent or housing.

The best way to support EMU student-athletes is by donating to Eagles Pride!

3. LEAVE THE RECRUITING TO US!

You're passionate about your EMU Athletics programs and you want everyone to know it! But remember, only EMU coaches and athletic department staff members are permitted to be involved in the recruiting process. Boosters should be aware of the following:

- Do not contact a prospective student-athlete (or members of the prospect's family) by letter, telephone, e-mail, text, online (Facebook, Twitter), or in-person (on- or off-campus) for the purpose of soliciting their participation in EMU's athletic programs.
- Do not contact a prospect's coach, principal, or counselor in an attempt to evaluate the prospect;
- Do not become involved in making arrangements for a prospect (or the prospect's relatives or friends) to receive money or financial aid of any kind;
- Do not visit a prospect's school to acquire films or transcripts in an attempt to evaluate the prospect's academic or athletics eligibility;
- Do not have contact with a prospect (or the prospect's relatives or friends) during any of their visits to EMU's campus;
- Do not contact student-athletes enrolled in other four-year institutions regarding the possibility of transferring to EMU.

Even though there are many rules prohibiting your involvement with prospects and the recruiting process, as a booster you are permitted to do the following:

- Notify EMU coaching staff about noteworthy prospects in your area;
- Attend a prospect's athletics event on your own initiative, as long as you do not have contact with the prospect (or the prospect's parents or coach);
- Continue existing friendships, provided you do not solicit the prospect's enrollment.

Please note, a prospective student-athlete (prospect) is a student who has started classes for the 9th grade (7th grade for Basketball). Students enrolled in preparatory schools and two-year colleges are also considered prospects. An individual remains a prospect even after he/she signs a National Letter of Intent.

If you know of a talented athlete, please let the coaching staff know, and we'll do the rest!

4. KNOW THE CONSEQUENCES!

EMU is responsible for the actions of its boosters. If a booster recruits or provides impermissible benefits to a current or prospective student-athlete (or the athlete's relatives or friends), EMU may be subject to penalties from the NCAA and Mid-American Conference. When a violation occurs, regardless of the intention, it can:

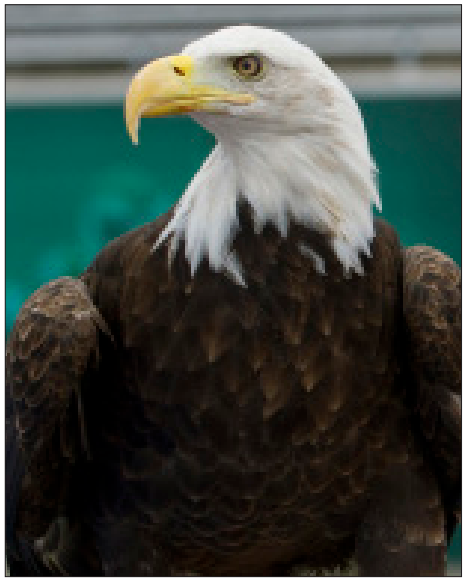

- Jeopardize the eligibility of prospective and current student-athletes;
- Result in the EMU athletics program being penalized by the NCAA and/or the Mid-American Conference; and
- Cause you to lose benefits or privileges associated with the athletics department (i.e., booster membership, ticket privileges).

5. ASK BEFORE YOU ACT!

The NCAA Rules are not limited to the above, and they are often misunderstood. If you have any doubt or questions, please contact the Office of Athletic Compliance. We strongly encourage open communication between fans, supporters, and the EMU Athletic Department.

Remember, our success is due to support from individuals who are cautious and knowledgeable of NCAA rules. Help us win with integrity!

THE EMU IDENTITY

NOT ALWAYS THE EAGLES

Since the 1991 season, Eastern Michigan University athletic teams have gone by the nickname "Eagles." The Eagles name was officially adopted on May 22, 1991, when the EMU Board of Regents voted to replace the existing Huron nickname and logo with the new one.

EMU originally went by the nicknames "Normalites" and "Men from Ypsi" and various other titles down through the years before "Hurons" was adopted in 1929.

The "Hurons" first came into being as the result of a contest sponsored by the Men's Union in 1929. On Oct. 31 of that year, a three-person committee, composed of Dr. Clyde Ford, Dr. Elmer Lyman and Professor Bert Peet, selected the name "Hurons" from the many entries in the contest.

The name was submitted by two students, Gretchen Borst and George Hanner. Hanner was working at the Huron Hotel at the time of the contest and was no doubt as much influenced by his place of employment as by the Huron Indian tribe. The runner-up name in that contest was Pioneers.

EMU began investigating the appropriateness of its Huron Indian logo after the Michigan Department of Civil Rights issued a report in October 1988 suggesting that all schools using such logos drop them. The report indicated that the use of Native American names, logos and mascots for athletic teams promoted racial stereotypes. At that time, four colleges, 62 high schools and 33 junior high/middle schools in Michigan used Indian logos or names.

The EMU Board of Regents voted to replace the Huron name with Eagles, taken from three recommendations from a committee charged with supplying a new nickname. The other two final names submitted were Green Hornets and Express.

GREEN, WHITE AND YELLOW?

The EMU Eagles' colors are green and white, but the track and cross country teams both feature yellow on their uniforms. There is a reason these teams stand out, and the history behind it goes back to 1967. EMU Hall of Fame Head Coach **Bob Parks** offered some insight to the story behind how the yellow came about.

"When I got to EMU in January 1967, the team was wearing dark green singlets and dark green shorts. In that season, we ran a meet at Western Michigan University, and the finish line was beneath the balcony which was very dark. In the hurdle final, there were six men, three from Michigan State and three from EMU. MSU's uniforms were almost identical to ours. When the finish positions were announced, we got the short end of the stick. You could hardly see the runners under the dark balcony area, and they got the finish wrong. At that point, I decided to get uniforms that showed up better.

"Back then, Kansas was a big name in collegiate track, and they wore pink shorts and powder blue singlets with pink lettering. Everyone thought they were great. I decided to copy them and ordered orange shorts and green singlets with white lettering trimmed in orange. We wore them for about four years, but the Regents decided that all of our teams should be wearing green and white. When they made us get rid of the orange and green, I ordered green and gold, colors I had always liked. At first, they weren't going to let us use them, but I pointed out that our football team was wearing green and gold. Our administration could hardly argue with me, since our gridders were wearing it too."

"We have worn it ever since, and it is known from coast to coast, as our men have done traditionally well nationally. It also differentiates us from MSU and Ohio University's color schemes. The green and gold does show up well at the finish line, but nowadays they use computer cameras, so it is less of a problem as it was in the 60s and 70s."
