East Stroudsburg University is nestled in the Pocono Mountains, which offer year-round outdoor recreation of all sorts for sports enthusiasts. From hiking in the fall to biking in the spring to swimming, golfing and fishing in the summer to snowboarding, skiing or tubing in the winter, there is plenty to do at any time of the year. Throw in shopping, great restaurants and plenty of attractions and there is something for everyone, no matter the season.

ESU is located approximately 75 miles west of New York City, 85 miles northeast of Philadelphia, 40 miles northeast of the Allentown/Bethlehem/Easton area and 40 miles southeast of Wilkes-Barre/Scranton.

The campus is 1/4 mile from exit 308, Interstate 80. Exit right onto Prospect Street. **To Reach Whitenight Field** — Turn right at the first light onto East Brown Street. Go up the hill 6/10th of a mile, take the first left onto Smith Street. Follow that street through one stop sign for another 2/10th of a mile and turn left at the Campus Ministry house. Field is down the hill.

Field Hockey Office, First Floor, Koehler Fieldhouse — Take right at the first light on East Brown Street. Go up the hill 6/10th of a mile, take the first left onto Smith Street. The fieldhouse is on the left on the corner of Smith and Normal streets.

The Science and Technology Center, a \$40 million state-of-the-art facility, will be open for the Fall 2008 semester.

Providing High-Quality, Higher Education

ESU - In its 116th Year of Service

Founded in 1893 as a Normal School, East Stroudsburg University has been offering quality higher education to the citizens of Pennsylvania for more than a century.

With an enrollment of more than 7,200 students, ESU has a strong commitment to academic excellence. Teacher education, the health sciences and programs associated with science and technology are just a few examples of fields of study experiencing unprecedented growth in enrollment.

With the university's unique programs in such areas as computer technology, bio-technology, chemical bio-technology and art and design, ESU is poised to offer its students another century of academic excellence.

The new \$40 million Science and Technology Center, a state-of-the-art facility, is the first new major academic building at ESU since 1979 and will be open for the Fall 2008 semester.

The Center features a planetarium, a rooftop observatory, and a wildlife museum of natural history, as well as research, classroom and office space for diverse departments from the sciences and mathematics to computer science.

This past summer, the campus invested over \$10 million dollars in safety and other improvement projects associated with storm water management and campus beautification.

The campus consists of 63 buildings on 213 acres and boasts a student-to-teacher ratio of 21 to 1.

More than 2,100 students reside in eight residence halls. The university also offers apartment-style housing for another 200 students and has added accommodations for an additional 540 students with the addition of University Ridge, a student apartment complex located adjacent to campus.

Approximately 74 percent of the students receive some form of financial aid, including scholarships, loans and grants.

The 2008-09 academic year will mark the university's 116th year of operation and the school has approximately 32,000 alumni.

ESU, like many other public colleges and universities across the country, started as a normal school, a professional school for the training of teachers.

ESU History

East Stroudsburg Normal School was founded to serve students in the state's normal school fourth district and had 320 students enrolled when classes started on September 4, 1893.

In 1926 after the state assumed control of the school, the original name was changed to **East Stroudsburg State Teachers' College**.

The school became **East Stroudsburg State College** in 1960 to reflected the school's expanded curriculum with liberal arts programs and graduate degrees.

In July 1983, the Pennsylvania General Assembly established the Pennsylvania State System of Higher Education consisting of 14 universities and **East Stroudsburg University** was born as a comprehensive regional institution.

ADMINISTRATORS

Dr. Robert J. Dillman
President

Dr. Robert J. Dillman is in his 13th year as president of East Stroudsburg University. He became the 12th president of the university in July of 1996 and has initiated ambitious enhancements that

will chart the institution's success into the future. Dr. Dillman has taken an active role in athletics and serves as the Chairman of the Board of Directors of the Pennsylvania State Athletic Conference.

Eiler-Martin Stadium has undergone major upgrades under the president's direction. FieldTurf was installed this summer to give ESU a durable, all-weather surface at one of the premier venues in the PSAC. Lights were installed in the spring of 2007 and night games were played for the first time in school history last fall, and the track was resurfaced and expanded to eight lanes in 2005.

The president has spearheaded numerous building projects at ESU, including the new \$40 million Science and Technology Center, a state-of-the-art facility which is the first new major academic building at ESU since 1979 and will be open for the Fall 2008 semester.

Other campus additions include the Ahnert Alumni Center, which houses the University Office of Advancement and Alumni Relations, an admissions center addition at the front door of the campus in the Reibman Administration Building, and University Ridge, a new 10 building apartment-style housing complex. This past summer, the campus invested over \$10 million dollars in safety, storm water management and campus beautification projects.

Numerous new undergraduate and graduate programs in addition to other academic enhancements have been added during Dr. Dillman's tenure. He also initiated the University Business Accelerator, which offers real work business experience and entrepreneurship opportunities for students, faculty and viable new businesses.

While in college, Dillman competed in four sports — soccer, baseball, basketball and track & field — at SUNY New Paltz.

Dr. Dillman came to ESU from Fairmont (W.V.) State where he was president for eight years. He earned a master's degree at Penn State University and a Ph.D from Clark University, both in geography.

Dr. Tom Gioglio
Athletic Director

Dr. Tom Gioglio is in his fifth year as the Director of Athletics at East Stroudsburg University. As the Director of Athletics, he is responsible for providing leadership of an athletic department

which sponsors 22 teams with over 500 participating student-athletes and a staff of over 60.

Athletic facility renovations under Gioglio include the installation of FieldTurf at Eiler-Martin Stadium and Whitenight Field, lighting, outdoor track and concession area at Eiler-Martin Stadium and dugouts at Mitterling Field. There has also been a significant increase in revenue raised to enhance the athletic scholarship budget through fundraising initiatives sponsored through the Warrior Athletic Club, including the Television Fundraising Auction that was incorporated by Gioglio.

Gioglio serves on several committees both on campus and in the community. His involvement at ESU includes the President's Commission for Racial and Ethnic Diversity, the Student Athlete Center for Excellence, the Student Athlete Advisory Council, the Intercollegiate Athletic Committee, the PSAC Athletic Directors Governing Council and the PSAC Executive Committee.

Gioglio is the PSAC Athletic Trainers and Indoor Track Liaison, and a member of the National Association of Collegiate Directors of Athletics and the National Association of Division II Athletic Administrators. He is also a member of the Pocono YMCA Board and the Burnley Workshop of the Poconos Board.

A native of nearby Morristown, N.J., Gioglio previously served as Director of Athletics at Dakota State University and the University of Saint Mary in Kansas.

Gioglio earned his bachelor's degree in Physical Education at Montclair State University and his first master's degree in education at Mansfield University, and his second at Northern State in Aberdeen, S.D. He also holds a doctorate degree from West Virginia University.

Gioglio and his wife Melissa are the proud parents of two daughters, Kalista and Kinley.

Dr. Carey Snyder
Associate Athletic Director

Dr. Carey Snyder is in her 22nd year in the athletic department at East Stroudsburg University.

She has served as associate athletic director the past 20 years and is ESU's

Senior Women's Administrator. In addition to other responsibilities, she ensures that each student-athlete is eligible to play under NCAA guidelines, making sure the ESU athletic department complies with NCAA rules and regulations as well as maintaining the budget for the 22-sport intercollegiate athletic program.

Snyder prepares all athletic department comprehensive reports, including the Equity in Athletics Disclosure Act Report for the federal government and the NCAA. For 17 years, prior to 2005, she also coordinated event management for over 400 athletic contests annually.

She also monitors the athletic operating budget and the management of all away contests, including team travel, contracts and non-session arrangements.

Snyder is the founder and chair of the Women's Athletic Scholarship Golf Classic that raises scholarship dollars for women student-athletes. She currently serves on the Women in Sport Day Committee, the Intercollegiate Athletic Committee and the Gender Equity Planning Committee and has also served on the University Faculty Senate.

Prior to ESU, Snyder had a successful career as a volleyball and softball coach at California Lutheran University in Thousand Oaks, California.

She earned her B.S. from Springfield College in Physical Education and her Master's degree and Ph.D. in Athletic Administration from the University of Southern California.

Our Home — Whitenight Field

Whitenight Field is located on the north end of campus, below ESU's University Apartments.

Student-Athlete Center for Excellence

In 1998, ESU established a Student-Athlete Center for Excellence on campus. The center includes experts in exercise physiology, nutrition, academic counseling, psychological counseling and sport studies.

The SACE was created to provide all student-athletes with the guidance, counseling and instruction necessary to enhance their academic and athletic performance.

Academic services offered:

- Academic Counseling
- Assistance in acquiring tutorial services
- Assistance in declaring a major
- CHAMPS/life skills programming
- Professional career development skills
- Progress reports/academic monitoring
- Referral coordination to other university agencies

Exercise science services offered:

- Body composition analysis
- Dietary analysis
- Nutritional/psychological assessment
- Hydration or body water status
- Nutritional counseling

Student-Athlete Center for Excellence

Academic Coordinator for Athletics

Nancy Jo Greenawalt

Nancy Jo Greenawalt serves as the Academic Coordinator for Athletics. Her main responsibility is to organize an academic support structure for nearly 500 Warriors student-athletes.

Greenawalt has 24 years of experience in higher education, including 14

years at Albright College and 10 at ESU. During her time at Albright, she worked as the Associate Athletic Director for Women and Physical Education Department Chairperson. She has also served on numerous NCAA, national and regional committees.

A 1978 graduate of Albright College, Greenawalt was inducted into the Albright Athletic Hall of Fame in 1997 for her achievements earned as a five-sport student-athlete and head coach for volleyball, badminton and tennis. She earned her bachelor's degree in psychology from Albright and her master's degree in physical education from Penn State University.

COACH SANDY MILLER

Coach Sandy Miller

25th Year

Career Record: 281-193-10

Four NCAA playoff appearances

Sandy Miller enters her 25th season as head field hockey coach at East Stroudsburg University after leading the Warriors to their 21st straight year with at least a .500 record in 2007, when they finished 10-10.

Miller has a 281-193-10 record in her career as a head field hockey coach, and was also the Warriors' head women's lacrosse coach for 20 years, from 1985-2004.

Under Miller, ESU has qualified for the NCAA Division II Playoffs four times, including 2001 when the Warriors finished second. Other NCAA Playoff appearances came in 1987, 1988 and 1990.

The Warriors have made the PSAC Field Hockey Tournament nine times, finishing third three times and placing second in 2001. Miller's teams have also qualified for nine ECAC Division II field hockey championships and have won six titles (1989, 1993-96, 2002).

The team has enjoyed success in the classroom as well. In 2006, 13 players were named to the NFHCA Division II national academic squad. In 2004, the team posted a grade-point average of 3.38 and won its second straight NFHCA team award.

Miller was honored as the PSAC Coach of the Year in 1996 and was the NFHCA Division II Coach of the Year in 1993, 1994 and 2001 after leading ESU to the NCAA Division II championship game.

Miller has produced All-American players in 20 of the last 22 years, including each of the past 16. Overall, Miller has coached 34 All-Americans in her 24 seasons at ESU

Last year, senior back Karleigh Bowen and sophomore midfielder Nikki Trunzo were both named to the NFHCA All-America second team.

In 2006, Erin Due, Ashley Kocis, Katie Ord and Cara Senese were NFHCA All-Americans, with Senese being honored for the second straight year.

Kocis achieved a first for the program in 2006, as she received the Honda Broderick Award as the most outstanding player in Division II. Kocis led the nation with 29 goals and 59 points and was also the first ESU player to be named PSAC Field Hockey Athlete of the Year.

Miller is also involved in many national organizations. She is the chairperson on the NFHCA Division II All-America Committee and the Division II Regional Advisory Committee. She is also the chair for the North-South Coach of the Year Award Committee.

She was formerly on the NCAA Field Hockey Sports Committee and was chair of the National Academic Squad and All-America committees. She was also the Division II representative on the NFHCA Board of Directors.

Miller has been involved in the development of ESU student-athletes for more than two decades in three different sports – field hockey, women's lacrosse and women's basketball.

In addition to being the head field hockey coach since 1984, Miller also coached the women's lacrosse team for 20 years and was an assistant women's basketball coach from 1984 through 1995.

In lacrosse, Miller was named the PSAC Coach of the Year in 2000 after ESU set a school record for wins with an 11-4 record and placed second in the conference.

An outstanding athlete at Lock Haven University, Miller earned 11 varsity letters in four sports and was chosen as the school's outstanding senior female athlete in 1983.

In field hockey, she was an All-American and a two-time All-PSAC first team selection while playing on two national championship squads.

She is still an active athlete and is regarded as one of the area's top female golfers.

The Lebanon, Pa. native earned a bachelor's degree from Lock Haven in 1983 and a Master's degree from ESU in 1988, both in Health and Physical Education.

ASSISTANT COACHES/SEASON OUTLOOK

Jane Koeniges Assistant Coach

Jane Koeniges is in her second full season as an assistant coach with the ESU field hockey program.

Koeniges came to ESU after spending more than a decade on the sidelines as an assistant coach at Lafayette College under head coach Ann Gold. She was also an

assistant women's lacrosse coach for Gold, and assists ESU head women's lacrosse coach Lynne Elphick in the spring.

Prior to joining Lafayette's staff, Koeniges served as the assistant varsity field hockey coach at Somers (Conn.) High School, as well as the assistant varsity softball coach at Belvidere (N.J.) High School.

She also had the opportunity to aid in the coaching of the New Jersey/Pennsylvania Elite Performance Training Center, which is intended to identify and train national team-caliber players from the local region.

A 1995 graduate of Springfield College with a degree in Physical Education, Koeniges also has an associate's degree from Mitchell College in New London, Conn. She resides in Allamuchy, N.J.

Graduate Assistants Domineque Scott Rosalyn Wentko

Domineque Scott, a four-year letterwinner and a 2008 graduate of ESU, returns to the field hockey program as a graduate assistant.

Scott started games during all four years of her collegiate career and had four goals and

five assists for the Warriors.

She is a native of Milton, Del. and a graduate of Cape Henlopen High School. She was the female Mid-Atlantic Region recipient of the Academic Momentum Award from the National Consortium for Academics and Sports in January 2008.

Rosalyn Wentko joins the ESU field hockey program as a graduate assistant coach following her collegiate career at Rutgers.

Wentko ranked in the top 10 in Division I in goals against average and save percentage in 2007 as a senior for the Scarlet Knights.

She was a three-sport athlete and letterwinner in high school in Dallas, Pa. and is pursuing a Master's degree in Exercise Science at ESU.

2008 SEASON OUTLOOK

The East Stroudsburg University field hockey program posted its 21st straight year with at least a .500 record after rallying to win the final four games of the 2007 season. The Warriors will look to carry that momentum into 2008, as head coach **Sandy Miller** returns 13 letterwinners and 11 players with starting experience as she begins her 25th season at ESU.

The Warriors' returners are led by senior back **Nikki Trunzo**, who started 19 games last season and was a second team NFHCA All-American selection.

Trunzo will anchor the defense at right back, with junior **Kahla Doran** in the center and sophomore **Kira Edelman** on the left side. Edelman made 14 starts and Doran started six games last season to give all three players solid experience entering the 2008 campaign.

Sophomore **Kayla Cilenti** will play a key role when ESU lines up with a sweeper. Cilenti started the first six games of the season as a freshman.

Junior **Kierstyn DeNardo** is a returning second team All-PSAC selection in the midfield where she started all 20 games and recorded two goals and two assists last season.

Sophomore **Joanna Reckley** is yet another player who gained starting experience as a freshman, play center midfield, with DeNardo on the left side. Freshman **Michelle Tewell** has played very well for the Warriors in the preseason and is expected to fill the starting spot on the right side.

At forward, senior **April Sutton** is joined by three sophomores - **Caitlin Brownley**, **Monica Gombita** and **Brittany Kocis** - who all earned playing time and combined to score 14 goals as freshmen.

Sutton is a co-captain, along with Trunzo, and had four goals in 13 starts last season and has eight goals in her career.

Gombita led the Warriors with seven goals despite starting just three games in her first year at ESU. She scored six goals over the final six games, including multiple-goal efforts against Slippery Rock and Millersville.

Kocis, the younger sister of former Warriors Nicole and Ashley Kocis, scored four goals as a freshman, all in the second half of the season. Her sister Ashley was the Honda Broderick Award winner as the Division II field hockey player of the year in 2006.

Brownley also flashed her potential as a freshman and had three goals while starting two games.

In goal, senior **Carolyn Kising** enters her second year as a starter and was in the cage for the first 16 games. Junior **Megan Cappuccino** and sophomore **Jennifer Mullen** started two games each, and freshman **Maureen Ordnung** will also compete for playing time.

A solid freshman class will push for time to get on the field, along with a number of upperclassmen who have waited for an opportunity to contribute for the Warriors.

Junior **Molly McNeil** and sophomores **Katie Anderson** and **Amanda McGuire** will play at forward, while sophomores **Tesla Atkins**, **Tricia Nesdill** and **Kelsey Tucker** may be contributors in the midfield. Among the freshmen, **Kate Cottell**, **Lucrezia Manzione** and **Devin Whalen** will all see immediate action.

There are also changes in the PSAC, as the addition of Mercyhurst as a full member to the West and C.W. Post as an associate member to the East create two divisions for the first time. The top two teams on both sides will make the playoffs.

PSAC Overview

The Pennsylvania State Athletic Conference, with 57 years of organized competition, has evolved into one of the NCAA's largest and most heralded intercollegiate athletic conferences.

The 2008-09 academic year will be a groundbreaking one for the PSAC, as the league will expand beyond its original 14 members for the first time since its official formation in 1951. New full-time members Gannon University and Mercyhurst College, along with associate member Long Island University – C.W. Post, expect to complement the PSAC's already solid foundation.

With 16 full-time institutions, the PSAC shares distinction with the West Virginia Intercollegiate Athletic Conference as the NCAA Division II's largest in terms of membership. League expansion has brought acclaim through postseason opportunities, as well. In 2008-09, the Conference will sponsor 23 championships, the most for leagues in Division II.

Highly competitive on a regional and national level, PSAC schools annually combine to send nearly one-third of its teams into NCAA postseason play. Ultimately, the membership's success has yielded 40 NCAA team and 218 individual title winners.

While proud of its athletic accomplishments, the league also has evolved into one of Division II's finest from an academic standpoint. Today, well over a quarter of the PSAC's estimated 5,300 participants are honored each year as "Scholar-Athletes" for maintaining a grade-point average of 3.25 or better - a total that has nearly doubled since PSAC Scholar-Athletes were first recognized in the mid-1990s.

The PSAC was organized in 1951 for the purpose of promoting and administering men's athletic programs within the 14 state teachers colleges in the Commonwealth of Pennsylvania. In 1977, due to the interest and growth of women's athletics, the conference was restructured to provide for women's programs.

Upon its formation, the league did not have a standard competitive division. However, in 1980, the league voted to reclassify the entire conference to NCAA Division II. Although all 16 current institutions are members of Division II, eight schools also compete at the Division I level in select sports. PSAC schools enroll over 117,000 students and claim over 661,000 alumni, including 430,000 who reside in Pennsylvania.

The PSAC is governed by the presidents of the 16 member institutions. It employs a commissioner, two assistant commissioners and a director of media relations at its headquarters in Lock Haven, Pa.

Important NCAA Compliance Notice to Our Fans and Booster Club Members

One of the important foundations of the East Stroudsburg University athletic program is the devoted and passionate Warrior fans who support our teams. ESU athletics sincerely appreciates your interest, which stimulates and encourages our student athletes and energizes our university. We must be cautious, however, not to let enthusiasm for athletics lead us to conflict with the very specific rules and regulations of the National Collegiate Athletic Association (NCAA) or the Pennsylvania State Athletic Conference (PSAC).

By NCAA definition an "athletic representative" is any individual who has membership in East Stroudsburg University booster club, and/or who has made contributions to the booster club or the athletic department, and/or who is involved in any way in promoting the athletic program. An athletic representative is prohibited from providing student athletes with any "extra benefits." Examples of extra benefits include the provision of cash or loans, transportation, meals, clothes, housing, entertainment, gifts, and any other benefit offered to a student athlete.

As a member of the NCAA, East Stroudsburg University is responsible for institutionally controlling its athletic program. We are committed to developing competitive teams with goals that are consistent with the mission of ESU while maintaining the kind of responsible program in which we all take pride. Under this principle, the university is held accountable for the actions of all athletic representatives. ESU sincerely appreciates your strong support of the athletic program and we are grateful for all that you have done to make our program one of the best in the nation. If you have any questions regarding NCAA rules and regulations, please contact our athletic office at (570) 422-3642.

ESU appreciates your cooperation in assisting us with our NCAA compliance program.

FIELD HOCKEY HISTORY

This will be the 67th season of East Stroudsburg field hockey. The program started just before the United States entered World War II in 1941. Actually, there was campus interest in the sport before then. Field hockey was part of the program of the Women's Athletic Association which sponsored various sports days.

In 1930, the Stroud Courier wrote: "The members of the Women's Athletic Association are out for sports with their usual pep and rivalry. Every Monday through Thursday, this fun-loving group of girls engage in a lively game. Mondays are set aside for soccer, Tuesdays and Thursdays for tennis and Wednesdays bring out hockey enthusiasts."

In 1941, the first field hockey team was organized by Genevieve Zimbar, who already coached women's basketball at the school. There were 31 candidates for the squad, many of whom had prior experience with the sport.

The team's first game was against what was described as an experienced New York University team at Prospect Park in Brooklyn. Zimbar took 15 players on the trip, 11 of them seniors.

The Warriors won, 2-0, as Anne Butkowski scored the school's first-ever field hockey goal in the opening minutes of the second half on a pass from Ruth Woodhouse, who later scored the second goal.

During World War II, field hockey was the only fall sport on campus for two years. In 1944, with no football team competing, Homecoming Day featured a field hockey game against New York University. The Warrior women were supported that day by a cheerleading squad composed of freshmen boys bedecked in pajamas.

The school's first undefeated field hockey season was in 1949 as the Warriors finished 7-0-1, outscoring their opponents by 29 goals (34-5).

Center forward Jane Moffet scored 20 goals, a school record at the time, including six in a win over Moravian.

Zimbar relinquished her field hockey coaching duties in 1950 and was replaced by Katherine Griffin, who guided the Red and Black to eight straight winning seasons and a record of 34-8-17.

The early 1960s brought one of the finest players ever to campus in Christine Albright, a highly-skilled forward who made the All-College first team twice. She also coached the team two years (1964

and 1965) substituting briefly for Jan Bolen Garman, who began a 16-season coaching stint at the school in 1961.

Garman had a number of fine teams, with perhaps her best being the 1973 squad which was 6-3 and the 1977 team which finished 9-5, setting a school record at the time. Three-time All-College back Carol Myers led the first squad while high-scoring forward Hope Donnell (37 career goals) sparked the second.

Sandy Miller took over as head coach in 1984. Under her guidance, the Warriors have posted 19 straight non-losing seasons with 18 winning campaigns and a 10-10 record in 1998.

Miller's first winning team was in 1987 when the Warriors finished 13-8-1. They won their first PSAC playoff game that year, beating Shippensburg, 1-0. They also gained a berth in the NCAA Division III Field Hockey Championships for the first time.

The team made two other NCAA playoff appearances in 1988 and 1990. The only victory was in 1990 when Maureen McElwee's dramatic goal with eight seconds remaining provided the margin in a 1-0 win over Ohio Wesleyan.

There were many great players in the late 1980s with forward Karen Moliver setting a school record with 46 goals, forward Aimee Ross tallying 35 career goals and goalie Shelly Knapik gaining both field hockey and Academic All-America honors.

The 1990 Warriors set a school record for season victories in a 14-6-1 year and finished in the top eight in the nation. Forward Ann Marie Dellibovi banged home a school-record 22 goals including five goals in a 6-0 win over Wilkes. Wendy Newcomb set school marks for assists in both a season, 13, and a career, 32.

A new field hockey and lacrosse field was constructed on the north end of campus in 1991 and was named the Whitenight Field in honor of a long time coach of ESU women's teams.

From 1993-96, the Warriors captured four straight ECAC Division II field hockey championships. Link Stacie Fritz made the All-America first team three straight years while forward Kelly LaVerdure and Kim Singleton were two-time first team selections.

The 1995 team posted the best record in the school's history at 17-4 while the 1996 squad was 16-5 and beat perennial PSAC power Lock Haven, 3-2, for the first time in 29 years.

Warrior Firsts

Varsity Team: 1941

Head Coach: Genevieve Zimbar
Game: 2-0 win over New York University, 1941

Goal: Anne Butkowski

Assist: Ruth Woodhouse

Undefeated Season: 1949, 7-0-1

PSAC Playoff Win: 1987, 1-0 over Shippensburg

In 1998, goalie Katie Horst duplicated Knapik's feat by being named to both the National Field Hockey Coaches' Association and the GTE Academic All-America teams.

The 2000 squad set a school record for goals in a season with 70. The 2001 team placed second in the PSAC behind nationally-ranked Lock Haven, and went on to the NCAA Division II Final Four.

The Warriors lost to Bentley in the championship game, but the appearance earned them the honor of the best-ever NCAA finish by any ESU women's team in history.

In 2003 and 2004, the squad had the highest grade-point average in NCAA Division II and earned the National Field Hockey Coaches Association Division II National Academic Award.

Since 2000, the Warriors have had six players named to the Collegiate Field Hockey Coaches Association All-America first team.

Rachel Miller was chosen twice in 2001 and 2002. Shannon McCracken was chosen in 2002 and Sara Gorman a year later.

In 2004, midfielder Cara Senese and goalie Katie Fox were named to the team. Midfielder Nicole Kocis and back Katie Ord were named to the second team as was Jennifer Hyman in 2005. Karleigh Bowen and Nikki Trunzo were both second team selections following the 2007 season.

Ashley Kocis was a first team All-American and ESU's first recipient of the Honda Broderick Award as the most outstanding player in Division II following the 2006 season. Kocis led the nation with 29 goals and set ESU's career records with 56 goals and 126 points.

Sarah Cordora paced Division II with 14 assists during the 2006 season, and Miranda Fountain had the nation's top save percentage at .908. Cordora finished her career with 30 assists, second in school history.
