FAIRFIELD PREP SENIOR ATHLETE

(GRAD AT GRAD)

A Fairfield Prep senior leader will:

- **Be trustworthy leaders that coaches can rely on.**
- **Never put their sport over their academic progress, community service, religion or family.**
- **Leverage their athletic profile to bring their community together.**
- **Understand the role that athletics has in a healthy lifestyle and make responsible decisions in high-stress, public situations.**
- **Win and lose with equal dignity, grace and perspective and become great teammates who look out for and support vulnerable community members.**
- **Compete until the last whistle regardless of the score, while openly appreciating those who make their athletic participation possible.**
