- HEAD COACH
- FOURTH SEASON
- MONMOUTH '13

In just three years as Head Coach of the Stags, Carly Thibault-DuDonis has lifted the Fairfield University Women's Basketball program to new historic heights and in the national conversation as one of the best mid-major programs in the sport.

During her tenure, the Stags have boasted back-to-back MAAC Championships and NCAA Tournament appearances for the first time in program history. Fairfield has also received votes in the Associated Press (AP) Top-25 poll in two-straight seasons, receiving a No. 25 overall ranking during the 2023-24 campaign.

Fairfield has also posted a 59-7 overall record during their last two MAAC Championship seasons, marking the second-best winning percentage in the country over that span. In MAAC play, Fairfield

has tallied a 45-1 record which included a 42-game winning streak against conference opponents.

In just three seasons overall, "Coach Carly" has amassed a .771 winning percentage which ranks 14th among active Division I head coaches. Those victories include wins over 12 different conferences including the program's first-ever win against a SEC school. The Stags have also posted victories against the: ACC, Big East, and Big Ten.

She has also mentored eight All-MAAC selections including three All-MAAC First Team selections, as well as the 2023-24 MAAC Player and Rookie of the Year.

During the historic 2023-24 season, Coach Carly guided the Stags to a program-record 31 wins which featured a 29-game winning streak, the second-longest in the country behind only No.1 South Carolina. Those victories included a perfect 23-0 record against MAAC opponents culminating in capturing the MAAC Championship trophy and automatic bid into the NCAA Tournament.

The success of the Stags was noticed around the nation as Fairfield earned their first-ever national ranking in the AP Top-25 poll as well as receiving votes in the USA Today Coaches Poll. They finished the year in the top-five nationally in the College Insider Mid-Major Poll.

Her historic success was recognized among her peers as she was unanimously selected the MAAC Coach of the Year as well as pick-

ing up accolades around the region and nationally. She was voted the All-Met Coach of the Year and the ECAC Coach of the Year as well as being picked the Kay Yow National Coach of the Year by College Insider, an award presented annually to the Division I women's head basketball coach who embodies a winning spirit while displaying great character, on and off the court.

She was also one of five finalists for the inaugural Kathy Delaney-Smith Mid-Major Coach of the Year after leading the Stags to a 16-win improvement from the prior season, ranking in the top-15 all-time in NCAA Division I history.

Among the historic 31 wins in 2023-24, the Stags won a nation's best 15 road games including 14-straight which ranks in the top-20 in NCAA history.

In four seasons at Minnesota, Thibault-DuDonis brought three nationally-ranked recruiting classes to Williams Arena – including the first two five-star recruits in program history.

Her first foray into the Power 5 world brought Thibault-DuDonis to Mississippi State University, where the Bulldogs made back-to-back appearances in the NCAA National Championship Game and brought the first-ever SEC Regular Season Championship to Starkville.

ERIKA BROWN

- ASSOCIATE HEAD COACH
- FOURTH SEASON
- DELAWARE '17

X @CoachEBrown_

Brown enters her fourth season with the Stags and her first since being promoted to Associate Head Coach. She also experienced coaching spots at Saint Francis (Pa.) and Harcum College.

Brown has been an instrumental part in the Stags' historic success and was named to the WBCA Thirty Under 30, recognizing the 30 up-and-coming women's basketball coaches at all levels of the game.

Brown has helped the Stags to 74 wins in her three years on the staff, the most victories in a three-year span in program history. Fairfield holds a .771 winning percentage during that span, the 14th-best in the Division I landscape. Fairfield successfully defended their MAAC Championship with their second-straight conference title this past season. During Fairfield's two championship seasons, the Stags hold a 45-1 record against MAAC opponents.

As the team's defensive coordinator, Brown has motivated the Stags to

be one of the best defensive teams in the nation, ranking in the top-15 in scoring defense in each of the last two seasons. Fairfield has also ranked in the top-five in the conference in 3-point percentage defense and turnovers forced in all three years.

As the program's recruiting coordinator, Brown has led in the recruiting of six All-MAAC players including Meghan Andersen who earned First Team honors in back-to-back seasons. Andersen was also one of two major award winners in the last three years as she picked up the MAAC Rookie of the Year in 2024 while Raiana Brown was voted the MAAC Sixth Player of the Year in 2025.

Brown has also been instrumental in Fairfield's success in the classroom with the Stags being honored with 11 MAAC All-Academic members in the last two seasons. That number also includes four student-athletes being named to the CSC Academic All-District teams including Emina Selimovic who was awarded with the university's Bellarmine medal given to the student with the highest GPA in the graduating class.

Brown spent the 2021-22 season as an assistant coach at Saint Francis (Pa.) serving as the co-recruiting coordinator while working with the guards and wing players. As the co-recruiting coordinator, she secured five 2022 commitments for the Red Flash all along the east coast.

Brown played her collegiate career at the University of Delaware where she scored 1,402 points for the Blue Hens while earning three All-CAA honors. She was named a team co-captain her senior year and was honored with the Joyce Perry Coaches Award. She was voted the team MVP as their leading scorer in the 2014-15 season where her .436 3-point shooting percentage finished second in Delaware single season program history behind Elena Delle Donne.

ERIK JOHNSON

- ASSISTANT COACH
- FOURTH SEASON
- CALIFORNIA SAN DIEGO '94

X @Coach_EJohnson

Johnson begins his fourth season with the Stags and his 27th year of his coaching career. During his time with Fairfield, he has helped the program to two MAAC Championships and NCAA Tournament appearances while receiving votes in the national rankings in back-to-back seasons.

Before coming to Fairfield, Johnson served as the head coach at Boston College for six seasons after spending four years as the head coach at Denver. He led the Pioneers to a 72-52 record and a WNIT appearance during his tenure. Denver posted four-straight winning seasons while he was at the helm, the program's longest streak in 16 years.

During his stay with Boston College, the Eagles also showed an improvement in their shooting by hitting a program record 250 3-pointers and finishing 11th in the country with 8.9 3-pointers per game in the 2014-15 season.

Johnson was also an assistant coach at Boston College, helping the Eagles to a Sweet 16 appearance in the 2006 NCAA Tournament.

After his coaching stop at Boston College, Johnson went on to work with Positive Coaching Alliance, a national nonprofit organization that provides online tools and courses to assist young athletes and coaches on and off the field.

BLAKE DuDONIS

- ASSISTANT COACH
- FOURTH SEASON
- GARDNER WEBB '11

X @BlakeDuDonis

Blake DuDonis is entering his fourth season with the Stags as an assistant coach. During his time with Fairfield, he has helped the program to two MAAC Championships and NCAA Tournament appearances while receiving votes in the national poll in back-to-back campaigns.

He entered Fairfield after having experience in every stage of the coaching ladder, also spending three years as the head coach of the University of Wisconsin-River Falls.

With the Stags, DuDonis helped mentor eight All-MAAC honorees, including five from the uniquely designated 'road runner' position. Highlighted in that 'road runner' group is the two-time First Team honoree – Meghan Andersen, who broke the school's rookie scoring record with 497 points during the historic 2023-24 season.

Andersen also became the first sophomore in program history to reach 100 made 3-pointers. She was

also listed on the Becky Hammond National Mid-Major Player of the Year Watch List.

DuDonis coined the term 'road runner' to designate the speed, length, and athleticism of the team's post players.

In his first season, the Stags grabbed 36.7 rebounds per game, their highest average since the 2009-10 season.

He also was instrumental in the recruitment and development of Raiana Brown, who was named the MAAC Sixth Player of the Year following the 2024-25 season.

As the Head Coach at the University of Wisconsin-River Falls, he led the Falcons to their highest win total in six years. He would lead the Falcons to three victories over teams receiving votes in the Top 25 national poll.

DuDonis also served as an assistant coach at the University at Buffalo where he helped the Bulls to their first-ever appearance in the WNIT. He also assisted in the academic advisement of their student-athletes in route to a team GPA of 3.397, the highest in the department that year and highest in program history.

DuDonis also spent two seasons at his alma mater Gardner Webb where he served as the team's recruiting coordinator and also worked with the post players. s.

He started his 11-year coaching career at Merrimack as an assistant coach in 2011-12. He was the team's academic advisor with the squad holding a 3.53 GPA, the 12th-highest in the country.

As an assistant coach, she was in charge of the development of the post players and helped Kaylee Otlowski to an All-American Honorable Mention selection.

McKinnon was a four-year letter winner at Montclair State where she was a 1,000-point scorer for the Red Hawks. In her four seasons, she helped the team to 88 victories including two NJAC Championships and three appearances in the NCAA Division III Women's Basketball Tournament.

In his first season as the team manager, the Purple Eagles tallied 16 conference wins, setting a new program single-season record while enjoying their best MAAC finish in over 30 years.
