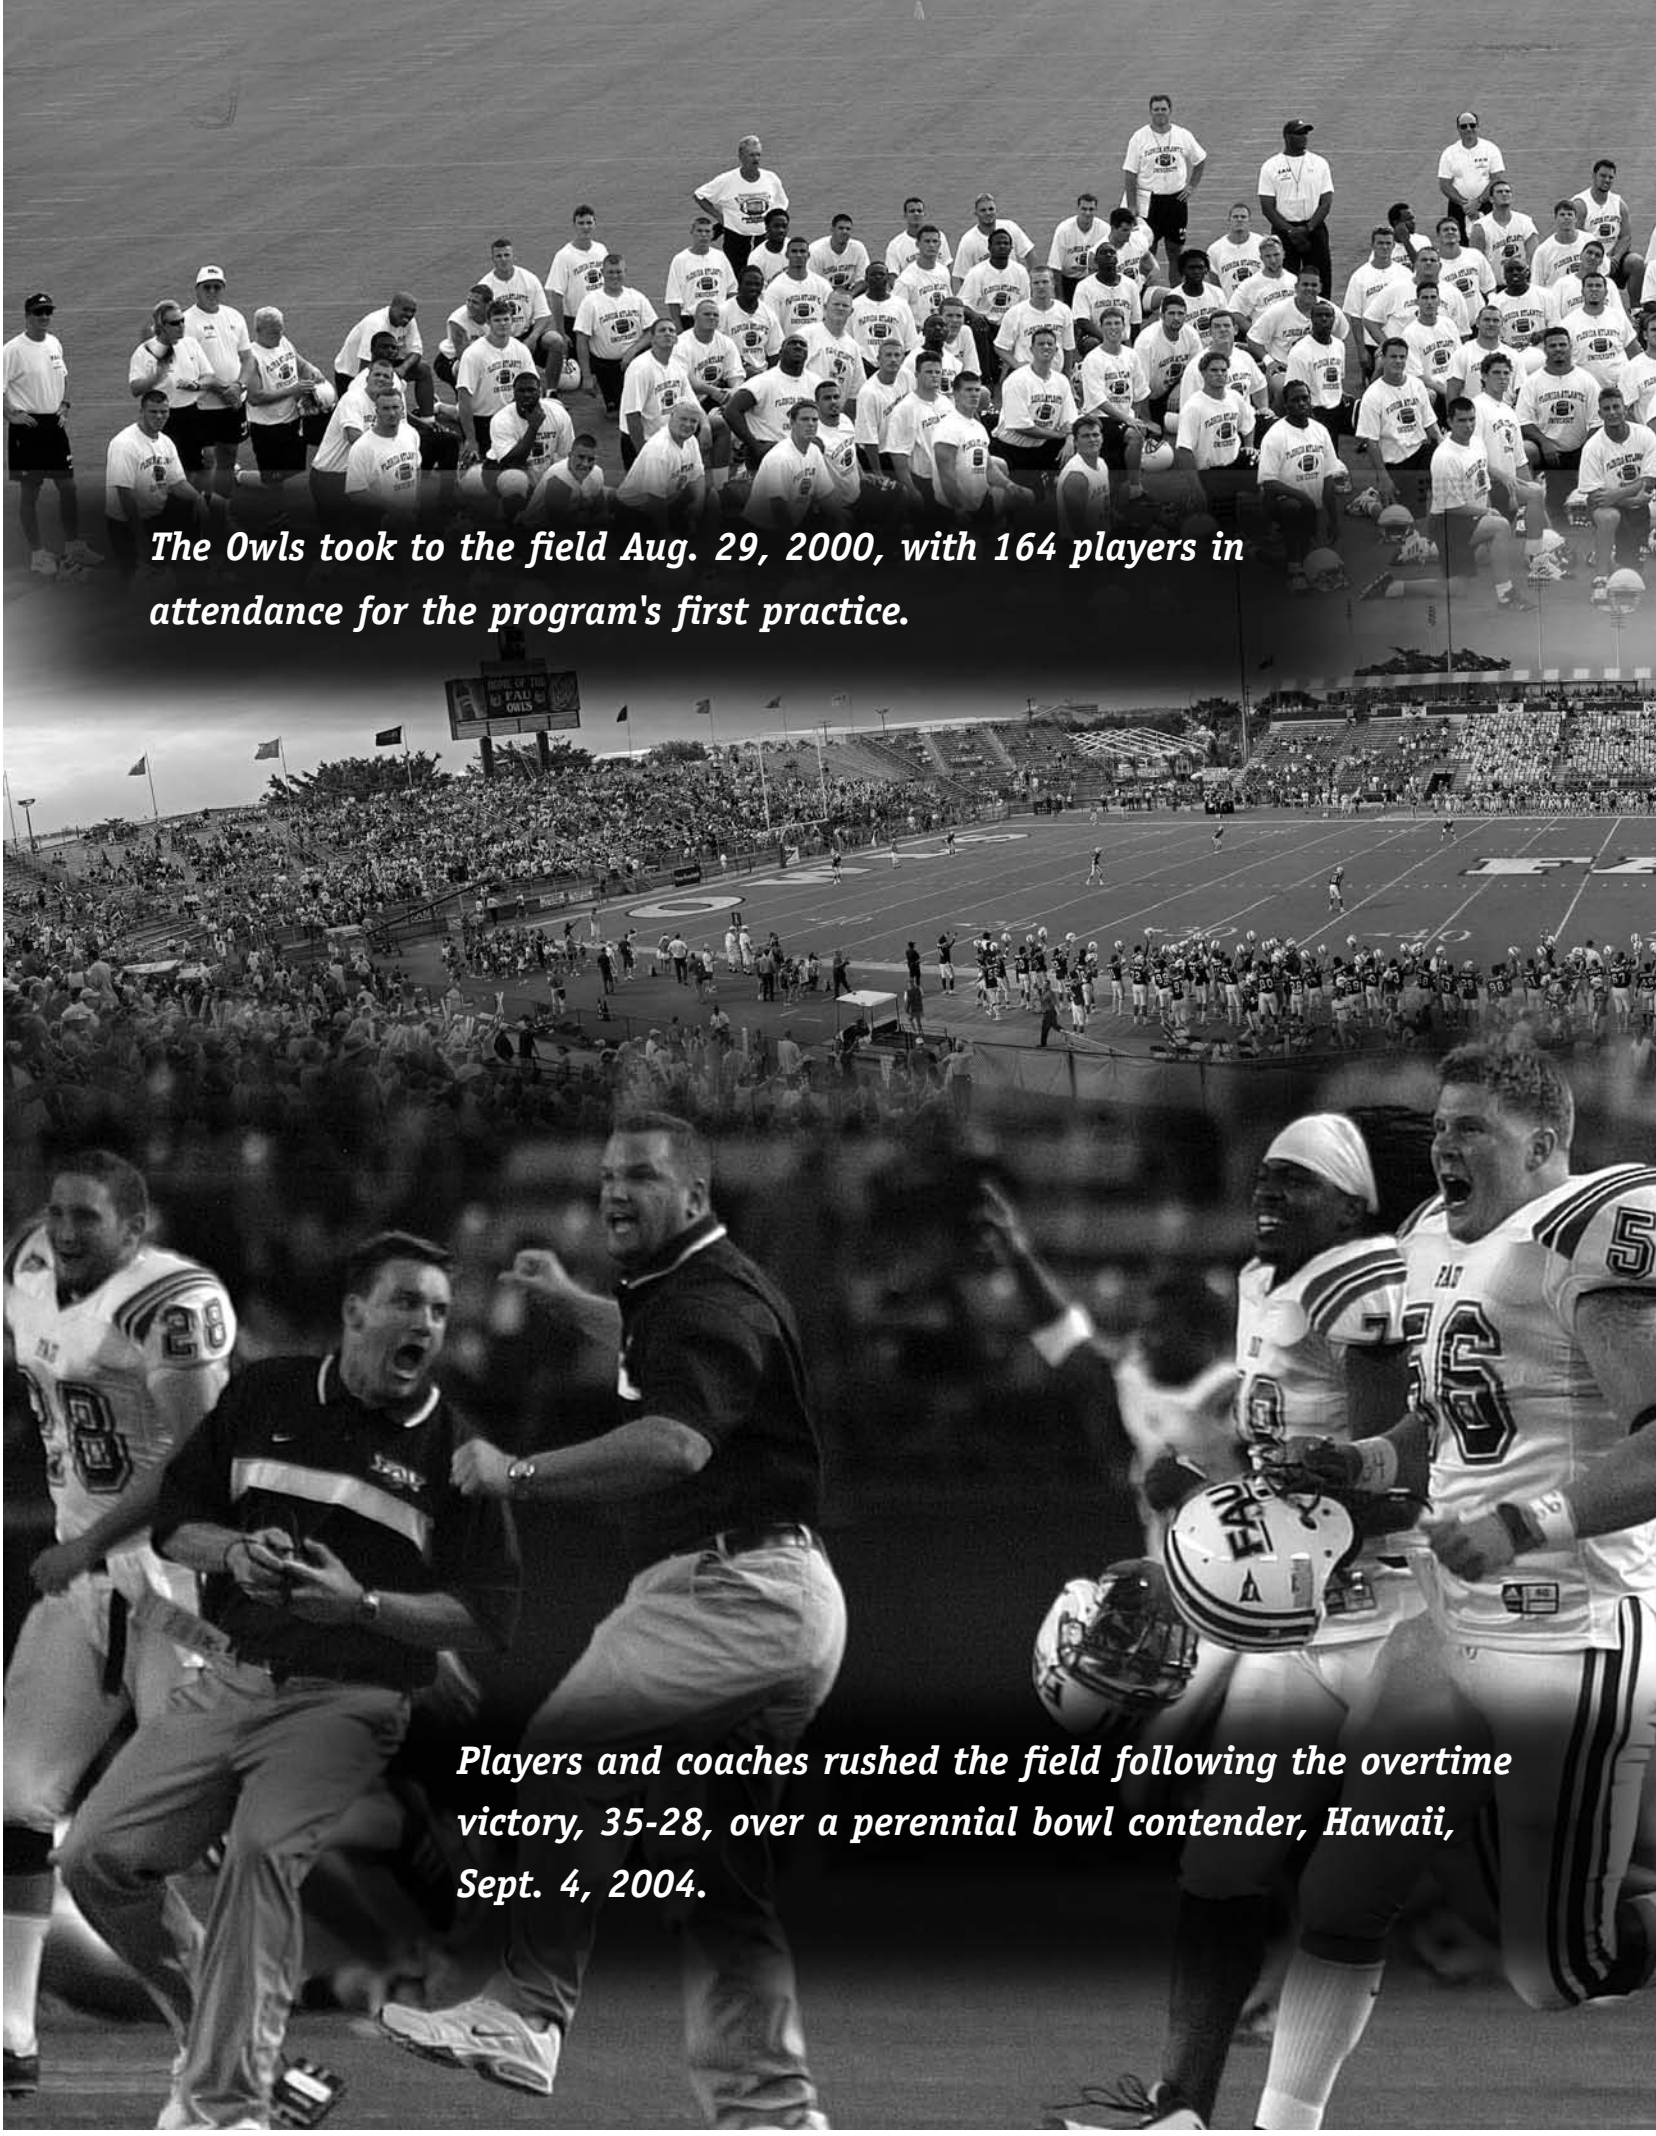
Owls in the Pros



The Owls took to the field Aug. 29, 2000, with 164 players in attendance for the program's first practice.

Players and coaches rushed the field following the overtime victory, 35-28, over a perennial bowl contender, Hawaii, Sept. 4, 2004.

Thunderstorms loomed Sept. 22, 2005, when FAU hosted its first-ever Sun Belt Conference game.

Possible New

Innovation

FAU is reviewing the concept of developing an "innovation village" on its Boca Raton campus that would include an on-campus, open-air stadium. The village would also include residence halls, retail stores, a hotel and restaurants. This will be a rallying point for all students, fans and alumni.

GAME DAY at FAU

FAU DANCE TEAM

In 2001, the team was ranked no. 10 nationally. In 2005, the team placed second in the nation in Open Dance at the National Dance Association competition in Daytona Beach, FL.

FAU MARCHING BAND

Florida Atlantic's marching band took the field in 2001, with the inaugural football team. For 2006, the band boasted a new look and a new energy.

FAU CHEER TEAM

The squad boasts a 1999 Pairs National Championship. FAU finished second at the NCAA 2001 and 2003 competitions.

FAU OWLS

Florida Atlantic University's Boca Raton campus was designated a burrowing owl sanctuary in 1971 by the Audubon Society. The bird found a safe home away from predators on the campus, which was once a U.S. Army Airfield during World War II. The feisty bird, traditionally associated with wisdom and determination, serves as the University's mascot.

Lockhart Stadium

2003 Semifinal game kickoff

Lockhart Stadium, which seats just more than 20,000, became Florida Atlantic University's home field in 2003, and what a home season it was. The year began with Valdosta State and ended when the Owls hosted the NCAA Division I-AA National Semifinal Game before an ESPN audience.

Directions to the stadium: Take I-95 to Commercial Blvd. Go less than a mile, turn right on NW 12th Ave. (Oriole Blvd.). Stadium is on the left.

The Shula Bowl

FAU vs. FIU, NOV. 24, 2006

Dolphin Stadium

The "Shula Bowl", named for legendary coach Don Shula, is the annual game between South Florida and Sun Belt Conference rivals Florida Atlantic and Florida International. The site of the Shula Bowl alternates between Dolphin Stadium and FIU Stadium (This year, the game will be played at the Orange Bowl as FIU Stadium is undergoing renovation). While Don Shula's name is synonymous with professional football in South Florida, he also has an impact on these two collegiate programs. FAU Head Coach Howard Schnellenberger served as Shula's offensive coordinator with the Dolphins for two Super Bowl appearances and during the only perfect season in NFL history. Former Florida International Head Coach Don Strock was a Miami Dolphin quarterback under Shula. The Owls lead the all-time series, 4-1. Florida Atlantic is the only program that will play in Dolphin Stadium, the Orange Bowl and "The Swamp" this season.

CEREMONIAL SETTEE

The "Ceremonial Settee," which is sponsored by the Florida Atlantic University Student Alumni Association and Hooters, has become a fixture at FAU home football games.

During each home game, three lucky student fans, who demonstrate undying, unquenchable and unadulterated Owl football energy get an incredible seat upgrade from their bleacher seats down to the field on the "Ceremonial Settee." They receive food, t-shirts and a fantastic view of the football game.

Covering the Owls

FAU Radio Network

The Florida Atlantic University (FAU) Radio Network will carry every football game during the 2007 season. WMEN 640 AM will begin its second season as the flagship station of FAU Athletics. WMEN 640 AM is located in Fort Lauderdale, and is a member of the James Crystal Group. Affiliate station, WPSL 1590 AM, will also once again be airing the FAU football broadcasts.

Dave LaMont serves as the play-by-play announcer and will be joined in the radio booth by Fred O'Connor. LaMont has called FAU games since the program's inception in 2001. He holds affiliations with Clear Channel Miami, Sun Sports TV, Westwood One, ESPN and ABC Sports.

LaMont will also be hosting "The FAU Sports Page Coaches Show featuring Coach Howard Schnellenberger." Every Monday evening during the football season, "The FAU Sports Page Coaches Show featuring Coach Howard Schnellenberger" is broadcast live on WMEN 640 AM. Fans are encouraged to call in or e-mail questions to the coach. Each week, Dave and Coach Schnellenberger will break down the previous week's action and preview upcoming opponents for the Owls.

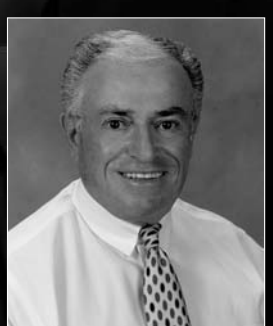
Dave Lamont

O'Connor was a coach at FAU from the program's inception until 2005. Overall, O'Connor has 30-plus years as a football coach on both the NFL and collegiate levels.

Steve Walsh

All games can be heard from north Miami-Dade County to the Treasure Coast on WMEN 640 AM and from the Treasure Coast through Port St. Lucie on WPSL 1590 AM.

All football broadcasts can also be heard at *www.fausports.com*.



Fred O'Connor

President Frank T. Brogan provided color commentary during the game against Northern Colorado.

CREDENTIALS

Media credentials are issued to members of the working media only. Working space in the press box is assigned on a first-come, first-served basis, with the circulation size taken into consideration. Please call in advance to allow phone lines to be assigned. There is no charge for parking with a parking pass. Requests for credentials and parking passes should be made in writing to:

Athletic Media Relations Office
Florida Atlantic University
777 Glades Road
Boca Raton, FL 33431

Requests can be also be faxed to 561.297.3963 or e-mailed to *kmccormi@fau.edu*.

Members of the media may pick up credentials at the Athletic Media Relations Office the Friday before each home game or, if necessary, at the Will Call window. The press box is located on the south side of the stadium.

PHOTOGRAPHERS

Per NCAA guidelines, still photographers and videographers are allowed to shoot from either sideline and the endzone. Photographers are not permitted in the team area between the 30-yard lines. Any photographer seen in the team area will be escorted from the field. Photographers will be asked to sign on agreement prior to shooting.

MEDIA SERVICES

Lockhart Stadium's media entrance is located in the center on the south side of the stadium. It opens 60 minutes prior to game time. Programs, media guides and game notes are available before the game, and complete statistical packages are distributed in the press box. Drinks, telephones and a fax also are available.

PHONE LINES

Phone lines can be ordered by calling Sharon Raysor at BellSouth at 800.625.8879, ext. 5316. Please call the FAU Athletic Media Relations Office for booth assignments prior to calling BellSouth.

INTERVIEWS

For interviews with Coach Schnellenberger, members of the staff and players during the season, contact the Athletic Media Relations Office. Requested players will be made available following prior approval by the coaches. Each Tuesday practice will begin a new week; players pre-requested will be available at 2:00 p.m. Coach Schnellenberger will host a weekly press conference at 2:00 p.m. each Wednesday during the season. The Athletic Media Relations Office will attempt to arrange a teleconference with the upcoming opponent at 2:30 p.m., Wednesday. The Sun Belt conference call will be 11:30 a.m. EST. each Monday. Coach Schnellenberger will be unavailable on Thursdays. However, Associate Head Coach Kurt Van Valkenburgh or either coordinator can be available. No player interviews may be conducted on Friday.

POST-GAME INTERVIEWS

Coach Schnellenberger will be available in the interview area located on the north side of the stadium. Credentialed media are welcome. FAU's locker room is closed. The interview policy for opponents will be set and announced by the opponent SID. FAU will assist in any way possible.

PRACTICE

As a general rule, all FAU practices are open to the public as well as the media. Reporters are asked to remain on the outside sidelines and not to talk to players or coaches during practice. There may be instances, however, when all or part of practice is closed. Please contact the FAU Athletic Media Relations Office in advance if planning to attend a practice session. Interviews may be conducted with the players and coaches following practice. Television crews are permitted to film at practice provided they adhere to certain guidelines. Video access is available during fundamental and individual drills only, with no filming during team work, including pass skeleton. Tripods are not permitted on the practice field. At all times, filming is at the discretion of FAU.

FILING REPORTS (PRINT MEDIA)

All members of the print media will have access to a phone line in the press box to file reports after the game and in the media room prior to or post practice.

PHONE INTERVIEWS

Contact the Athletic Media Relations Office to arrange phone interviews with coaches and players. All interviews will be arranged according to players' class, study and practice schedules. Players will be asked to return all phone calls. The Athletic Media Relations Office will not release players' telephone numbers.

FAU ON THE WEB

All team information may be accessed by connecting to the Florida Atlantic University Official Athletics Web site at *www.fausports.com*. Team statistics, roster, schedule and results can be accessed using this site. The game may also be followed via an audio link and via a text link. Streaming video is also an option for home games without television.

SUN BELT OPPORTUNITIES

Coach Schnellenberger will take part in the weekly Sun Belt Teleconference. Please call the Media Relations office 561.297.3163 for media information, time and number. It is also an opportunity to keep abreast of conference information, the player of the week honoree and injury information. Electronic media will also be provided with satellite coordinates for weekly feeds.

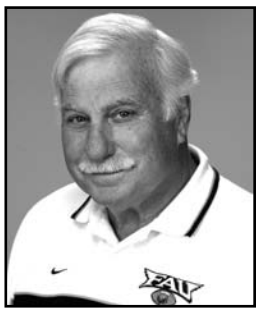
HEAD COACH

HOWARD SCHNELLENBERGER



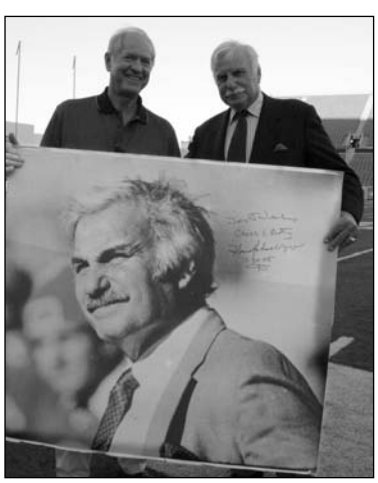
Howard Schnellenberger

DIRECTOR OF FOOTBALL OPERATIONS • HEAD COACH

AT FLORIDA ATLANTIC

Schnellenberger has resurrected two programs from virtual extinction. He joined the FAU staff May 1, 1998, with an unheard-of opportunity: build a collegiate football team from scratch. Since then, he raised more than $15 million and hosted an FAU football television show, a weekly radio show and has been a regular at luncheons and gatherings. In January of 1999 the Board of Regents approved FAU adding football. Twenty-five recruits signed in his first FAU class. Since that time each recruiting class is better than the last, each schedule is more difficult than the last and each milestone is one step closer to the program's first bowl appearance.

When the team took to the field for its first practice, Aug. 12, 2000, 164 players were dressed. FAU played its first scrimmage Sept. 23, 2000, and took to the field Sept. 1, 2001. It only took two games for FAU to have its first upset, defeating the No. 22 ranked team in the country, 31-28. Following three seasons, FAU holds the record for the fastest start-up program to earn a Division I-A victory, and is the fastest program to reach the Division I-AA playoffs. Schnellenberger was named the Sports Network South Coach of the Year following the 2003 season. The 2004 season was more of the same. The Owls stormed into Hawaii, with a hurricane hitting Florida's coastline at game time, and handed the Warriors their only home-field loss in 2004, defeating a bowl participant in just the 36th game of the program's existence. Proving it was not a fluke, the team defeated perennial Sun Belt power North Texas the next week. FAU then rattled off five-consecutive road victories to enter the 2004 home schedule 5-0. The Owls finished their first transitional season 9-3, and bid farewell to the senior class with a third consecutive "Shula Bowl" victory over FIU. 2005 was the first full season of Division I-A play, facing Kansas, Oklahoma State at home, Minnesota and Louisville, along with a full Sun Belt schedule. The young squad put together several outstanding performances sending Kansas into the locker room with a 9-7 lead, Oklahoma State with a 13-3 margin at the half, and Louisville, who entered the game ranked no. 14 at game time, with a 10-point cushion, 20-10. Florida Atlantic began 2006 picked as the second worst team in the country. With this as a motivation, the Owls used what Schnellenberger calls advanced training, its non-conference schedule, to finish with a 4-3 Sun Belt record and were in the hunt for the Sun Belt title deep into the season. The jump from a preseason eighth place finish to third in the Sun Belt was not as drastic as the prediction of finishing last in the country to defeating the last team in the country 31-0.



At Louisville in 2005 with a long-time fan.

FOR THE NATIONAL TITLE

Howard Schnellenberger has been part of four collegiate national championships. His 1983 Miami Hurricanes won that school's first title, defeating Nebraska in the 50th Anniversary Orange Bowl. He was offensive coordinator for Paul "Bear" Bryant at Alabama, when the Crimson Tide won championships in 1961, 1964 and 1965. He is one of a dozen active collegiate head coaches who have won a national title.

IN THE NFL

Schnellenberger has been part of seven NFL playoff teams and two Super Bowl championship staffs. He helped the 1972 Miami Dolphins to the NFL's only undefeated (17-0) season. Schnellenberger has recruited and/or coached such current and former pros as quarterbacks Jim Kelly, Bernie Kosar, Vinny Testaverde, Browning Nagle, and Jeff Brohm, and stars such as Michael Irvin, Brian and Bennie Blades, offensive tackles Bruce Armstrong and Jerry Crafts, fullback Carwell Gardner, wide receiver Earnest Givins, defensive end Joe Johnson, a first-round draft pick for the New Orleans Saints, defensive tackle Ted Washington, cornerback Ray Buchanan and defensive tackle Mike Flores. Schnellenberger's former offensive coordinator, Gary Stevens, and defensive coordinator Tom Olivadotti, currently have, or have had similar roles in the NFL. Three of his former assistants were on the staff of the Dallas Cowboys during their rise to consecutive Super Bowl titles.

BOWL GAMES

Schnellenberger's Miami teams defeated Virginia Tech and Nebraska in the Peach Bowl and Orange Bowl, respectively. At Louisville, he led the Cardinals to wins over Alabama (34-7) in the Fiesta Bowl and over Michigan State (18-7) in the Liberty Bowl. Overall, he has been part of nine bowl games.

AT MIAMI

Schnellenberger took over the Miami program that was near extinction in 1979. He installed the pro-style attack with quarterback Jim Kelly and led Miami to an Orange Bowl bid and the national championship four years later. His teams lost only two home games in five years while laying the groundwork for a program that went on to win three more national titles.

AT LOUISVILLE

A native of Louisville, Schnellenberger returned in 1985 to build a college football contender for the first time ever. His top team finished 10-1-1 and defeated Alabama in the Fiesta Bowl, the highlight of the most successful decade in U of L football history. His teams earned 90 percent of the school's all-time TV appearances, its top bowl bid ever, helped increase attendance by nearly 40 percent, an average over the past six years of more than 1,000 above stadium capacity. The Schnellenberger Era generated support for the university's 42,000-seat, on-campus stadium. His teams

played a coast-to-cost schedule against the top conferences in the nation and produced victories over such teams as Texas (1), Alabama (1), Michigan State (1), North Carolina (1), Virginia (1), NC State (1), West Virginia (1), Boston College (1), Arizona State (2), and Pittsburgh (4).

PERSONAL

Howard Schnellenberger learned his football tactics as a player for "Bear" Bryant and Blanton Collier at the University of Kentucky. He served as an assistant to Bryant at Alabama, moved on to pro ball as an assistant to George Allen (Rams) and Don Shula (Dolphins). He was head coach of the Baltimore Colts from 1973 to 74. He and his wife, Beverlee, have three sons: Stephen, Stuart and Tim. Stuart was a tight end/center on his father's 1983 national championship team. Grandchildren are Teather Ann, a former Miami Dolphins cheerleader, and Joey and Marcus.

COACHING ACCOMPLISHMENTS

AT FAU

Kurt Van Valkenburgh was among the initial staff and has been instrumental in the construction of the program. A linebacker has led the squad five of the program's six seasons in tackles. The team's season-ending MVPs have also been dedicated to the linebacker core. Chris Laskowski was the team's MVP in 2002 and co-MVP in 2003, and Shomari Earls walked away with the honor in 2005. The 2003 special teams, a unit Van Valkenburgh also focused upon, were credited with one TD, allowed no scores from a punt or a kick-off, and zero blocked kicks or punts. The 2004 season was more of the same. Special teams scored one TD, forced a safety and blocked four punts. Laskowski earned Defensive MVP honors while Earls garnered both the Defensive and Team MVP award in 2005. With such accolades for the players, honors for Van Valkenburgh were soon to follow. He was named the Top Assistant Coach by the All-American Football Foundation in 2005. Despite the program's most difficult schedule to date and the team's youth, especially among the linebackers, the linebackers continue to champion the defense. Two of the team's top-three tacklers at season's end were linebackers. Newcomer Frantz Joseph also earned Sun Belt Defensive Player of the Week honors and was awarded the team's Ramon Rickards Memorial Bone Award at the 2006 banquet.

Van Valkenburgh also oversees the recruiting process as well as many of the day-to-day administrative duties.

AT PURDUE

His defense established three defensive school records in the secondary and improved from 11th ranked pass defense in the Big-10 to the top five. He coached the no. 2 and no. 3 ranked players in interceptions in the conference. He tutored a defensive back who set the school record for passes broken up.

AT OKLAHOMA

His defense ended the season ranked 9th against the rush and 15th overall.

AT LOUISVILLE

He helped guide the team to a national ranking while playing one of the most difficult schedules in the country...defeated Michigan State in the Liberty Bowl.

AT MARYLAND

Three of his linebackers were drafted in the NFL (linebackers led the team in sacks for the first time in school history while leading the team in sacks for two consecutive seasons).

AT VANDERBILT

He helped to guide the team to its last bowl game, the Hall of Fame Bowl. One of his players, Leonard Coleman, was selected in the first round of the NFL draft. Van Valkenburgh was nominated for the Southeastern Conference Assistant Coach of the Year.

AT COLGATE

He led the team to a 10-1 record, the most victories in the school's history. Paul Lawler led the nation in interceptions.

AT SUNY ALBANY

The team finished undefeated.

PLAYING CAREER

Played three seasons as the starting linebacker at Springfield College (Springfield, MA).

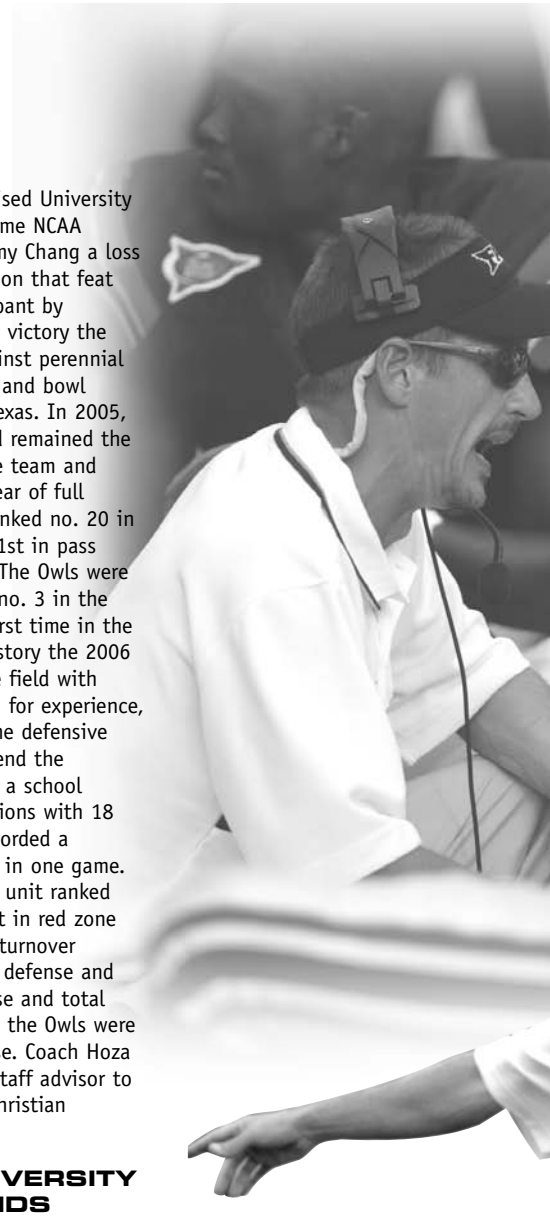
COACHING ACCOMPLISHMENTS

AT FAU

Hoza joined Florida Atlantic's staff in December of 1999, following the NCAA Division II playoffs. In just three competitive seasons at FAU Coach Hoza returned to the playoffs with the Owls. In 2003, the Owls' defense scored 36 points, held opponents to 21.9 points a game, had 37% third-down conversions, 39% fourth-down conversions, and made use of 17 interceptions, including two game-saving, by the defensive backs. The defensive backs averaged 39.5 tackles on the season. The 2004 and 2005 seasons were no different. Hoza's defense ranked among the best in Division I-A. In 2004, the Owls finished the season ranked 15th nationally in rushing defense, 16th in scoring defense, 10th in interceptions and 9th in TD passing percentage. His defense was the only team to give the highly praised University of Hawaii and all-time NCAA passing leader Timmy Chang a loss at home. FAU built on that feat over a bowl participant by following up with a victory the following week against perennial Sun Belt Champion and bowl participant North Texas. In 2005, the defensive squad remained the "big brother" of the team and finished the first year of full Division I-A play ranked no. 20 in pass defense and 31st in pass efficiency defense. The Owls were defensively ranked no. 3 in the Sun Belt. For the first time in the program's young history the 2006 defense took to the field with youth and the need for experience, especially among the defensive backs. At season's end the defensive backs set a school record for interceptions with 18 and Corey Small recorded a program-high three in one game. The 2006 defensive unit ranked first in the Sun Belt in red zone defense, second in turnover margin and scoring defense and third in pass defense and total defense. Nationally, the Owls were 16th in pass defense. Coach Hoza also serves as the staff advisor to the Fellowship of Christian Athletes.



AT THE UNIVERSITY OF REDLANDS

Team ranked first in the conference in scoring and total defense (1990, '91 and '92). The team won the conference championship in 1990, '91, '92 and finished second in 1993. Redlands also participated in the NCAA playoffs in both 1990 and 1992.

AT WHITTIER

As the head coach he started 16 freshmen, nine defensively. The squad ranked third in the conference in total defense in both 1994 and 1995. As seniors, his two recruiting classes both won conference championships.

AT HUMBOLDT

His defense ranked first in the conference in turnovers forced and second in total defense and scoring defense (1996).

AT ARKANSAS TECH

Team held opponents to 22 points and 328 yards, down from 38+ points and 439 yards prior to his arrival. The 1998 squad broke the school record for sacks in a season. In 1999 the Tech defense ranked second in the Gulf South Conference in points allowed. The squad allowed 18 points per game and was ranked third in the nation in turnovers forced (40). The team won the Gulf South Conference for the first time in the program's history and participated in the national playoffs (1999).

PLAYING CAREER

Played strong safety and outside linebacker at Slippery Rock University from 1982 to 84.

PROMINENT PLAYERS COACHED

Redlands Gary Giammoni, All-SCIAC (3 years), All-American, 17 interceptions over two-year period ('92-'93).

AT FAU

Is entering his third season as FAU's offensive coordinator and fourth season overall. He will have the luxury of working with the same quarterbacks for the second-consecutive season for the first time since coming to FAU in 2004. Sean Clayton and Rusty Smith both return as do two players who redshirted as freshmen. The core unit will fostered a strong spring season and should translate into a better preseason as the team prepares for its most difficult schedule yet. Nord's first season with the Owls saw the Kentucky native work with Jared Allen, a player who had mastered the system during his five-year career. Allen represented FAU in the Hula Bowl and was invited to participate in the Indianapolis NFL combines and later played in NFL Europe's championship as the starting quarterback. Danny Embick emerged as the starting QB following Allen's departure, but was a senior. Embick, an athletic quarterback who possessed the arm strength and readability to play the pro-style or dump it and run if need be, opened the season with a near victory over Kansas and earned Sun Belt Player of the Week honors. He also led the team in every aspect both on and off the field. At the start of the 2006 season, Nord wrestled with a neck-and-neck race that saw Smith start the first game, Clayton out-performed his younger counterpart until he was sidelined with an injury that opened the door once more for Smith. No matter who is under center, quarterbacks have flourished under Nord's tutelage.

AT UTEP

The Louisville, KY, native served as head coach for four seasons (2000-2003) at the University of Texas El Paso, where he tallied a 14-34 record. His first season as the Miner's head coach the squad posted an 8-4 record, which tied the Western Athletic Conference Championship for the first time in 44 years. The 8-4 record was the highest win total in 12 years. The four losses came at the hands of Oklahoma, Texas A&M, TCU and Boise State -- all on the road. Those teams had a combined record of 40-9 at the end of the season. The Miner's not only earned a spot in the Crucial.com Humanitarian Bowl, they also received votes for both top-25 polls, also for the first time in 12 seasons. Nord was named the WAC Coach of the Year and was one of 10 semifinalists for Football News' national Coach of the Year Award and one of four runners-up for national Coach of the Year by American Football Monthly.

Despite being decimated by injuries in 2002, UTEP knocked off state rival Rice in El Paso before a regional television audience. Nord came to FAU with the understanding of not only Coach Schnellenberger,

but the process of building from the ground up after he finished the 2001 campaign with 25 freshmen and sophomores listed on the two-deep. During his head coaching stint at UTEP, five Miners were selected in the draft, and a handful of others have signed free agent contracts.

With Nord as offensive coordinator, UTEP improved from 97th nationally in total offense in 1997 to 51st in 1998 and 43rd in 1999. In 2000, the Miners ranked 22nd nationally in scoring offense, 27th in passing offense and 36th in total offense. UTEP rated 19th in the country in passing efficiency defense.

Nord has 23 years of collegiate coaching experience. He came to UTEP in 1997 after previous coaching stops at Louisville (1981-94), Oklahoma (1995) and Pittsburgh (1996).

AT OKLAHOMA

Nord was the offensive coordinator at Oklahoma in 1995 under Schnellenberger and the wide receivers coach at Pittsburgh in 1996 under Johnny Majors.

AT LOUISVILLE

Nord was on staff at Louisville, his alma mater, when the Cardinals posted an 11-1 record in 1990, and won the Fiesta Bowl. Louisville also won the Liberty Bowl in 1993.

In all, Nord recruited and/or worked with five future NFL players at Louisville: Browning Nagle (formerly with the Atlanta Falcons), quarterback Jeff Brohm (formerly with the Denver Broncos), offensive lineman Bruce Armstrong (formerly with the New England Patriots), and wide receivers Ernest Givens (formerly with the Tennessee Oilers) and Mark Clayton (formerly with the Miami Dolphins).

COACHING ACCOMPLISHMENTS

Three Miners were named to The Sporting News' WAC All-Freshman Team in 2002 (RB Matt Austin, LB Thomas Howard, DL Chris Mineo). UTEP had two Sporting News freshman All-Americans in 2001 (DB Jahmal Fenner, LB Robert Rodriguez). DB D.J. Walker was named All-WAC for the third consecutive season in 2002. Led UTEP to its first-ever WAC title in 2000, and first conference championship in 44 years, earning WAC Coach of the Year honors. Nord was one of 10 semifinalists for Football News' national Coach of the Year Award. He also directed the Miners to their first bowl bid in 12 years. The Miners ranked 22nd nationally in scoring offense, 27th in passing offense and 36th in total offense. UTEP received votes in both polls for the first time in 12 years. QB Rocky Perez was eighth in the nation in passing efficiency, WR Lee Mays was eighth in the country in receiving and TE Brian Natkin received national honors as well.

A familiar figure on the Schnellenberger coaching staff, Nord reunited with the head coach after working on Schnellenberger's staffs at Louisville and at Oklahoma. He served as the Cardinals offensive coordinator during the rise to top-10 status and as Oklahoma's offensive coordinator during Schnellenberger's tenure.

1994-96	Cooper City High School (Assistant Coach Defensive Line)

AT FAU

Joe Corozza is in his second season as an assistant coach at FAU, primarily working with the tight ends, but is in his seventh season with the program. As a graduate assistant in 2005, Corozza began working with the tight ends, a group that was looking for an identity following graduation and injuries. At season's end, the tight ends accounted for more than 25% of the team's reception yards and nearly 16% of the team's touchdowns. Preseason hit the tight ends hard with several season-ending injuries. Youth prevailed, however injuries, also hit the emerging freshmen as the season progressed. Three players were among the game's rotation and six used the spring to vie for playing time in the fall.

Corozza came to FAU in the fall of 2001 as a volunteer and as a member of the inaugural staff. By the end of spring, he was hired as the strength and conditioning coach for the football program.

As an intern, he was responsible for the spring strength and conditioning program, among other duties, including assisting the defensive staff with opponent scouting reports, opponent offensive film breakdown, FAU defensive film cutups, assisting with defensive game-planning, and booth coaching.

Coach Corozza and Jennifer

J.P. TARAVELLA HIGH SCHOOL

He served as J.P. Taravella High School's assistant football coach from 1996 to '98, and was the varsity's defensive coordinator and defensive line coach in 1997. While at Taravella, he also served as the team's strength and conditioning coach.

COOPER CITY HIGH SCHOOL

Prior to J.P. Taravella, he served as Cooper City High School's assistant football coach from 1994 to '96. At Cooper City, Corozza was responsible for the defensive line as well as strength and conditioning.

CERTIFICATIONS

Corozza is certified as a health and fitness instructor by the American College of Sports Medicine and as a strength and conditioning specialist by the National Strength and Conditioning Association.

COLLEGIATE PLAYING CAREER

Defensive Lineman at Rampo College, Mawha, NJ, from 1991-92.

Following a professional playing career he sought out Schnellenberger once more in the hope of completing his University of Louisville degree. All that was needed was an internship that he was able to complete through the FAU athletic department. He used his down time to help the football program and got to know the players during spring practice. A position became available and with degree in hand he joined the staff as an assistant coach. Frost primarily focused his attention on the defensive ends a unit that saw marked improvement in total tackles and in sacks despite facing much larger offensive lines.

AT FAU

Joined the staff in March 2007, with the task of molding a core of seven returning receivers.

AT ARIZONA STATE

Jackson served as Arizona State's wide receiver coach from 2001-2006 and was part of head coach Dirk Koetter's original ASU staff. He accompanied Koetter from Boise State, where he also tutored the receivers from 1997-2000.

In his role, Jaskson oversaw one of the key elements in Koetter's high-octane offensive attacks, which was ranked in the nation's top-five during the 2004 and 2005 seasons. In his six seasons with ASU, Jackson guided two of the top receivers in ASU's history. In fact Derek Hagan concluded his career as ASU's all-time leader in receptions (258), receiving yards (3,939), touchdowns receptions (27) and 100-yard receiving games (18). Hagan was a two-time semifinalst for the Biletnikoff award, the second to be considered for the award, and was a first-team All-Pac-10 selection. Jackson worked with four All-Pac-10 selections during his tenure with ASU.

AT BOISE STATE

Jackson joined Koetter's staff in 1998 after then Boise State head coach Houston Nutt left for Arkansas. Jackson kept his title when joining Koetter's staff. The 2000 team featured five players averaging over 16.5 yards/catch, while the team finished with over 3,500 total passing yards. During the 1999 season, the Broncos finished second in the conference in passing offense, averaging better than 250 yards per game.

AT INDIANA STATE

Before coming to Boise State, Jackson was an assistant coach at Indiana State University from 1995-97. A 1992 graduate of the University of San Diego, Jackson was a four-year starter in the defensive backfield. He was named the team's Defensive Player of the Year as a senior.

Coach Jackson

AT REDLANDS

During the 1994 season, Jackson tutored all conference running back Matt Figuerea and second team all-conference player Anthony Jones.

AT UNIVERSITY OF SAN DIEGO

Worked with the defensive backs and running backs during his tenure.

WITH THE NFL

Guiding his career much like he would guide his receivers, Jackson worked on his game by serving two internships with the NFL. In 2003, he served as an intern and coach with the Detroit Lions as part of the National Football League's Minority Internship Program. In 1999, he served in the same capacity with the Philadelphia Eagles.

AT FAU

Joined Florida Atlantic University's staff in the spring of 2003, and began working with one of the more veteran-loaded positions on the squad. During his first season with the Owls he was forced to make transitions due to injuries. However, the defensive line was responsible for 158 total tackles. His second season was more of the same. The line tallied 146 tackles and was tweaked throughout the season. Rasheed worked with a very young line in 2005, and often times the line faced off against a much bigger and stronger offensive opponent. This paid off in 2006, when the line was faced with a similar situation by recording 197 total tackles and appling more pressure on opposing quarterbacks than ever before. Both Jervonte Jackson and Josh Pinnick were recognized among the Sun Belt's best, while Robert St. Clair continued to use his speed to force match up problems.

RUNNING BACKS

COACHING EXPERIENCE

Has 7 years of coaching experience.

2005-	Florida Atlantic Assistant (Running Backs)
2004-2005	Mountain View High School Assistant Coach (Running Backs)
2002-2003	UTEP Assistant Coach (Running Backs)
2000-2001	UTEP Graduate Assistant

AT FAU

Dave Serna joined the staff in the spring of 2005, assuming the role of running backs coach after playing and coaching offensive lineman much of his career. He took the transition head-on, knowing he would be working with a core of running backs that had a cumulative total of eight carries entering the season. Not only were his running backs young, but the receivers and the offensive linemen were also young, and he would need them all to grow at a rapid pace.

Despite the youth and a rotation of five backs or fullbacks, with two key losses both at fullback, the Owls had six games with more than 100 yards, including 227 yards on the ground against North Texas and D'Ivory Edgecombs' 118-yard performance, the first 100+ yard game for a back since Sept. 11, 2004, also against North Texas.

Serna was afforded the opportunity of a stronger line in '06, as well as the return of senior fullback Aaron Sanchez who missed '05. He made the most of it and saw sophomore Charles Pierre flourish. Pierre ended the season with four career games with 100+ yards, three were accomplished in '06. Sanchez concluded his senior season with 251 yards and his four-year career with 816 yards and nine rushing TDs. He also had five career receptions for scores.

COACHING ACCOMPLISHMENTS

Serna came to Florida Atlantic after a one-year stint as the running backs coach for Mountain View (Texas) High School, where he worked with Alex Miranda. Under Serna's tutelage, Miranda earned District 2-4A Offensive Most Valuable Player honors, was named Associated Press Class 4A Honorable Mention All-State, first-team El Paso Times All-City and ended his junior season ranked as the 5th best rusher in Texas Class 4A.

UTEP

His collegiate experience, both as a player and as a coach, came under the direction of FAU's offensive coordinator Gary Nord. Serna played for Nord when Nord was an assistant coach at the University of Texas-El Paso. Serna first served as a student assistant for UTEP (1998-99). Upon his graduation in 1999 with a degree in mechanical engineering, he served as a graduate assistant. The two-year letterman was on staff in 2000, when the squad shared the Western Athletic Conference title and played in the Crucial.com Humanitarian Bowl. He was elevated to assistant coach in 2002 and began his career as a running backs coach. In 2002, the Miners ranked fourth in the WAC in rushing offense (154.1 ypg), including 300 yards against Sacramento State. UTEP rushed for over 200 yards in four games, three players posted 100-yard rushing games and Howard Jackson tied a school record with four rushing touchdowns in the first half versus Sacramento State. That same season saw four UTEP players rush for over 200 yards on the year, combining for 12 rushing touchdowns and at the season's conclusion Matt Austin was named to The Sporting News WAC All-Freshman team. In 2003, the Miners rated fourth in the WAC in rushing offense (169.3 ypg), rushed for more than 150 yards seven times, and over 200 yards on five occasions. Jackson became the eighth Miner to rush for 2,000 yards in a career and set a school record with four-consecutive 100-yard rushing games, and had a total of six. UTEP enjoyed a season that saw its top two backs average at least five yards per carry, and combined to score nine touchdowns. Under Serna's direction, Howard Jackson (2003) was the program's first 1,000 yard rusher in since 1999, first team All-WAC, and ranked no. 4 nationally as an all-purpose runner.

BOWL GAMES AS A PLAYER

1990	Gator Bowl
1994	Sugar Bowl

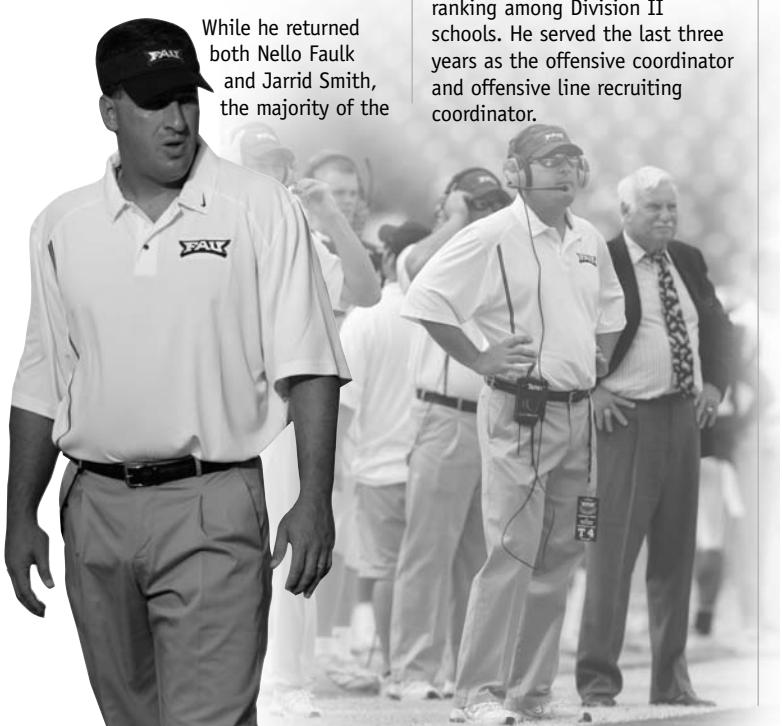
AT FAU

Dale Williams joined the staff in the spring of 2005 as the team's offensive line coach.

While he returned both Nello Faulk and Jarrid Smith, the majority of the line would be new and both Faulk and Smith would switch to new positions. As the season progressed through the non-conference games, the Owls began to solidify the line. Redshirt freshman Nick Paris quickly became a solid contributor. The unit also suffered the preseason loss of Brandon Jackson, but the slack picked up by several players, including John Rizzo, a freshman walk-on who was forced into a starting role, due to injuries, and played his way into a scholarship. The line showed its maturity in 2006 with better offensive statistics despite two new quarterbacks. Williams will need to replace Faulk in 2007 but will return the bulk of his unit and will have the opportunity to work with the young linemen recruited in the last two classes.

AT FINDLAY

Williams came to Florida Atlantic after a five-year stint at the University of Findlay, a program that finished 2002 with a 9-2 record and a no. 25 national ranking among Division II schools. He served the last three years as the offensive coordinator and offensive line recruiting coordinator.



AT GARDNER - WEBB

Prior to Findlay, Williams was the offensive line coach as well as the running game and recruiting coordinator at Gardner-Webb University. He was responsible for an offensive line that gained over 2,000 yards on the ground while mentoring Ben Fuller to first-team All-SAC honors two consecutive seasons.

AT NC GREENVILLE

His 1996-97 season was spent working with Steve Patton at North Carolina-Greenville. That season the Mounties offense was rated no. 4 nationally, averaging 31.0 points per game and 410 yards in total offense.

AT WVU

His coaching career began at West Virginia, his alma mater, where he was a graduate assistant from 1994-96. He earned both his undergraduate degree (liberal arts '94) and master's degree (athletic coaching education '96) from WVU.

Athletically, Williams was a three-year letterman and a two-year starter for the Mountaineers and was named the 1993 best lineman. He played in the 1989 Gator Bowl and the 1994 Sugar Bowl.

Following his collegiate career, the Cleveland, OH, native played one season of professional football for the Arena Football Leagues Cleveland Thunderbolts. His stint with the Thunderbolts was an opportunity to return home, where he had a standout career at perennial national power St. Ignatius (OH).

Peter Moore

GRADUATE ASSISTANT

Peter Moore began working with Florida Atlantic University's football program in 2004 as an intern and joined the staff as a graduate assistant in July of 2006.

Moore will serve as an offensive graduate assistant and will continue to work in areas he began as an intern, which includes, scouting, film breakdown, supervision of scout team during practice and game-day play tracking.

Prior to FAU, Moore served in a similar role at Jacksonville University, where he worked spring season and with recruiting.

Moore received his undergraduate degree in education with an emphasis in physical education and sport leadership from the University of North Florida in May 2005. While in Jacksonville, he worked as an intramural referee and for the city of Jacksonville in the Aquatics Division. He has also worked for the City of Fort Lauderdale and for Pines Learning Center as a pool manager and swim coach.

Moore is a 2000 graduate of St. Thomas Aquinas High School.

Nick Seta

GRADUATE ASSISTANT

Nick Seta joined the Florida Atlantic University football program in August of 2006 as a defensive graduate assistant.

Seta will be working with the defensive backs. His duties will include leading the scout team during practice, as well as breaking down film and assisting coaches from the booth during games.

Prior to joining the Owl's staff, Seta was the defensive coordinator and linebacker coach for Atlantic Community High School in Delray Beach, FL. During his tenure the team ranked in the top five in the state. He has also had a stint coaching the defensive line at Boca Raton Community High School.

Seta began his collegiate playing career at the University of Miami from 1997-1999. After transferring to FAU, he played for two years as a linebacker and won the special teams MVP for the Owl's 2001 squad. He has the honor of playing on FAU's inaugural football team as well as being the first football player to graduate from the program.

In 2006, Seta played linebacker for the East Coast Reapers of the SSFL. A Delray Beach resident, Seta has a degree in business administration and is a certified teacher.

Steve Cutcher

FOOTBALL AUDIO VISUAL COORDINATOR

Steve Cutcher joined the football staff in the fall of 2001. Like so many of Howard Schnellenberger's hires, Cutcher came with tremendous experience, especially in the area of football.

Cutcher came by way of the XFL Orlando Rage, a position he held during the spring of 2000. Along with his position with the XFL, he served as an assistant video coordinator at the University of Central Florida.

Prior to that, he was an offensive graduate assistant at UCF, working primarily with the quarterbacks and breaking down film of opponents.

At FAU, Cutcher is responsible for filming practices and games for the coaching staff. He is in charge of video analysis of opponents and self-scout of FAU. He also keeps an extensive library of high school football games for recruiting purposes.

Cutcher has also been a golf operations manager at Indian Springs Country Club. He has served as a football coach for youth teams and volunteered his time with high schools.

The Phoenix, AZ, native graduated from Palm Beach Community College with an associate of arts degree. He earned a bachelor of science degree in physical education from the University of Central Florida, where he also earned hours toward a master's degree.

Cutcher resides in West Palm Beach, FL.

Sean Todd

COORDINATOR OF FOOTBALL OPERATIONS

Sean Todd joined Florida Atlantic University's staff in June of 2001. He was initially hired to coordinate team travel, camps and clinics, direct game-day operations and manage special events.

He also handles all stadium issues as well as visiting team hosting, while continuing to expand his football role into the areas of recruiting and scheduling as well as serving as FAU's pro liaison to the National Football League.

The Georgetown, DE, native came to FAU by way of the Miami Dolphins, Ltd., where he served in various capacities for six years. Todd began as a facility operations intern, worked into a facility operations assistant and moved to operations assistant, where his responsibilities included all aspects of training camp, team travel and facility functionality.

While earning his master's of science degree in sports administration from St. Thomas University (1996), Todd gained experience at many of the country's greatest sporting events, including Super Bowl XXIX, the Delray Beach Tennis Championship, a USTPA event, Dan Marino's Charity Softball Game and the Lipton Tennis Championship. He has also worked for the Florida Panthers Hockey Club and the Florida Marlins Baseball Club.

Todd obtained a bachelor of arts degree in communication arts from Salisbury University in December 1993. He attended Sussex Central High School and is married to the former Laura Courtley, the director of athletics at St. Thomas University in Miami, FL. The couple has one daughter, Sidney Aerin (2).

OCTOBER 1998

A Football Founder's Trophy was built to signify the mountains the program has climbed and those who contributed money prior to an intercollegiate down being played. The Founders are immortalized on a column, designed after the Washington Monument and the Grand Canyon.

2006: Returned to the squad with a desire to play and to add both the strength and maturity needed among the otherwise young defensive backs…ended the year fourth in total tackles with 56…also recorded 2.5 tackles for a loss of three yards, including a sack for a loss of two…had four interceptions on the season and was among a defense that recorded the most single-season interceptions in the school's history…credited with one interception and a fumble recovery for a return of 12 yards in his first game back…also recorded nine tackles versus Clemson…that season-high mark stood until Nov. 18 when he recorded 13, including 10 solo against North Texas…his defensive game against UNT was highlighted by two interceptions each of which helped preserved the victory for the Owls.

2005: Broke his ankle the second to last scrimmage of the spring season…used the year as a redshirt season.

2004: Played in eight games a year ago, slowed by injuries…was the starting free safety against one of the nation's most prolific offenses, Hawaii…recorded a season-high seven tackles, six solo…second best game came against Florida A&M, recorded five tackles…broke up two passes and recorded one QB hurry…ended the year with 15 solo tackles and nine assists for 24 total tackles.

2003: Injuries among the defensive backs accelerated his game time…recorded a tackle in nine games…tallied four (3-1) in his first start, against Illinois State, and four (2-2) against Siena…ended his freshman campaign with 16 total tackles, including 11 solo…recorded a fumble recovery against Siena…was also a member of the special teams, returning four kick-offs for a total of 34 yards…his longest was 16 yards against Northern Colorado.

High School: Played for Clark Eakes at Felix Varela Senior High School, where he was a two-way starter…had 58 rushing attempts for 389 yards… recorded three receptions for 198 yards…returned six punts for 125 yards, including one TD… defensively had 82 tackles and eight interceptions, two for a score…earned second-team All-Dade honors and was the team's MVP… three-sport athlete (football, basketball and track).

Personal: Health administration major…son of Debra Callwood…born Dec. 8, 1985, in the U.S. Virgin Island, St. Thomas.

Limiting the mistakes is a goal not only for me but for the team. As you mature with a program you see better talent come into the program each year. As a freshman, we were a I-AA team that came so close to defeating UCF. We did knock off Middle Tennessee and went deep into the playoffs, hosting Colgate for the NCAA semifinal game. That was a great year, 11-3, and a great team, but the next year we were even better right out of the box winning the first five games, including Hawaii—we were the only team to beat Hawaii at home that year—and North Texas—who had never lost a Sun Belt game. Both had been to a bowl game the year before. I was so excited for 2005 but missed the year with an injury. That year, I grew in life and on the football field. Things began to slow down for me and I began to understand I needed to take care of school and my life. I began to understand the strength it took for my grandmother to raise five kids and two grandchildren as a single parent. I began to understand why education was so important and why she made sure everyone in my family attended college. I used to take it all for granted. I learned mistakes are what make the difference between success and failure. Maturity limits mistakes. Limited mistakes create success and success translates to victories. Victories are why we play.

My name is Taheem Acevedo. We set a record last season in interceptions. This season we want to break that record.

2006: Joined the squad for practice both in the fall and spring, but did not play.

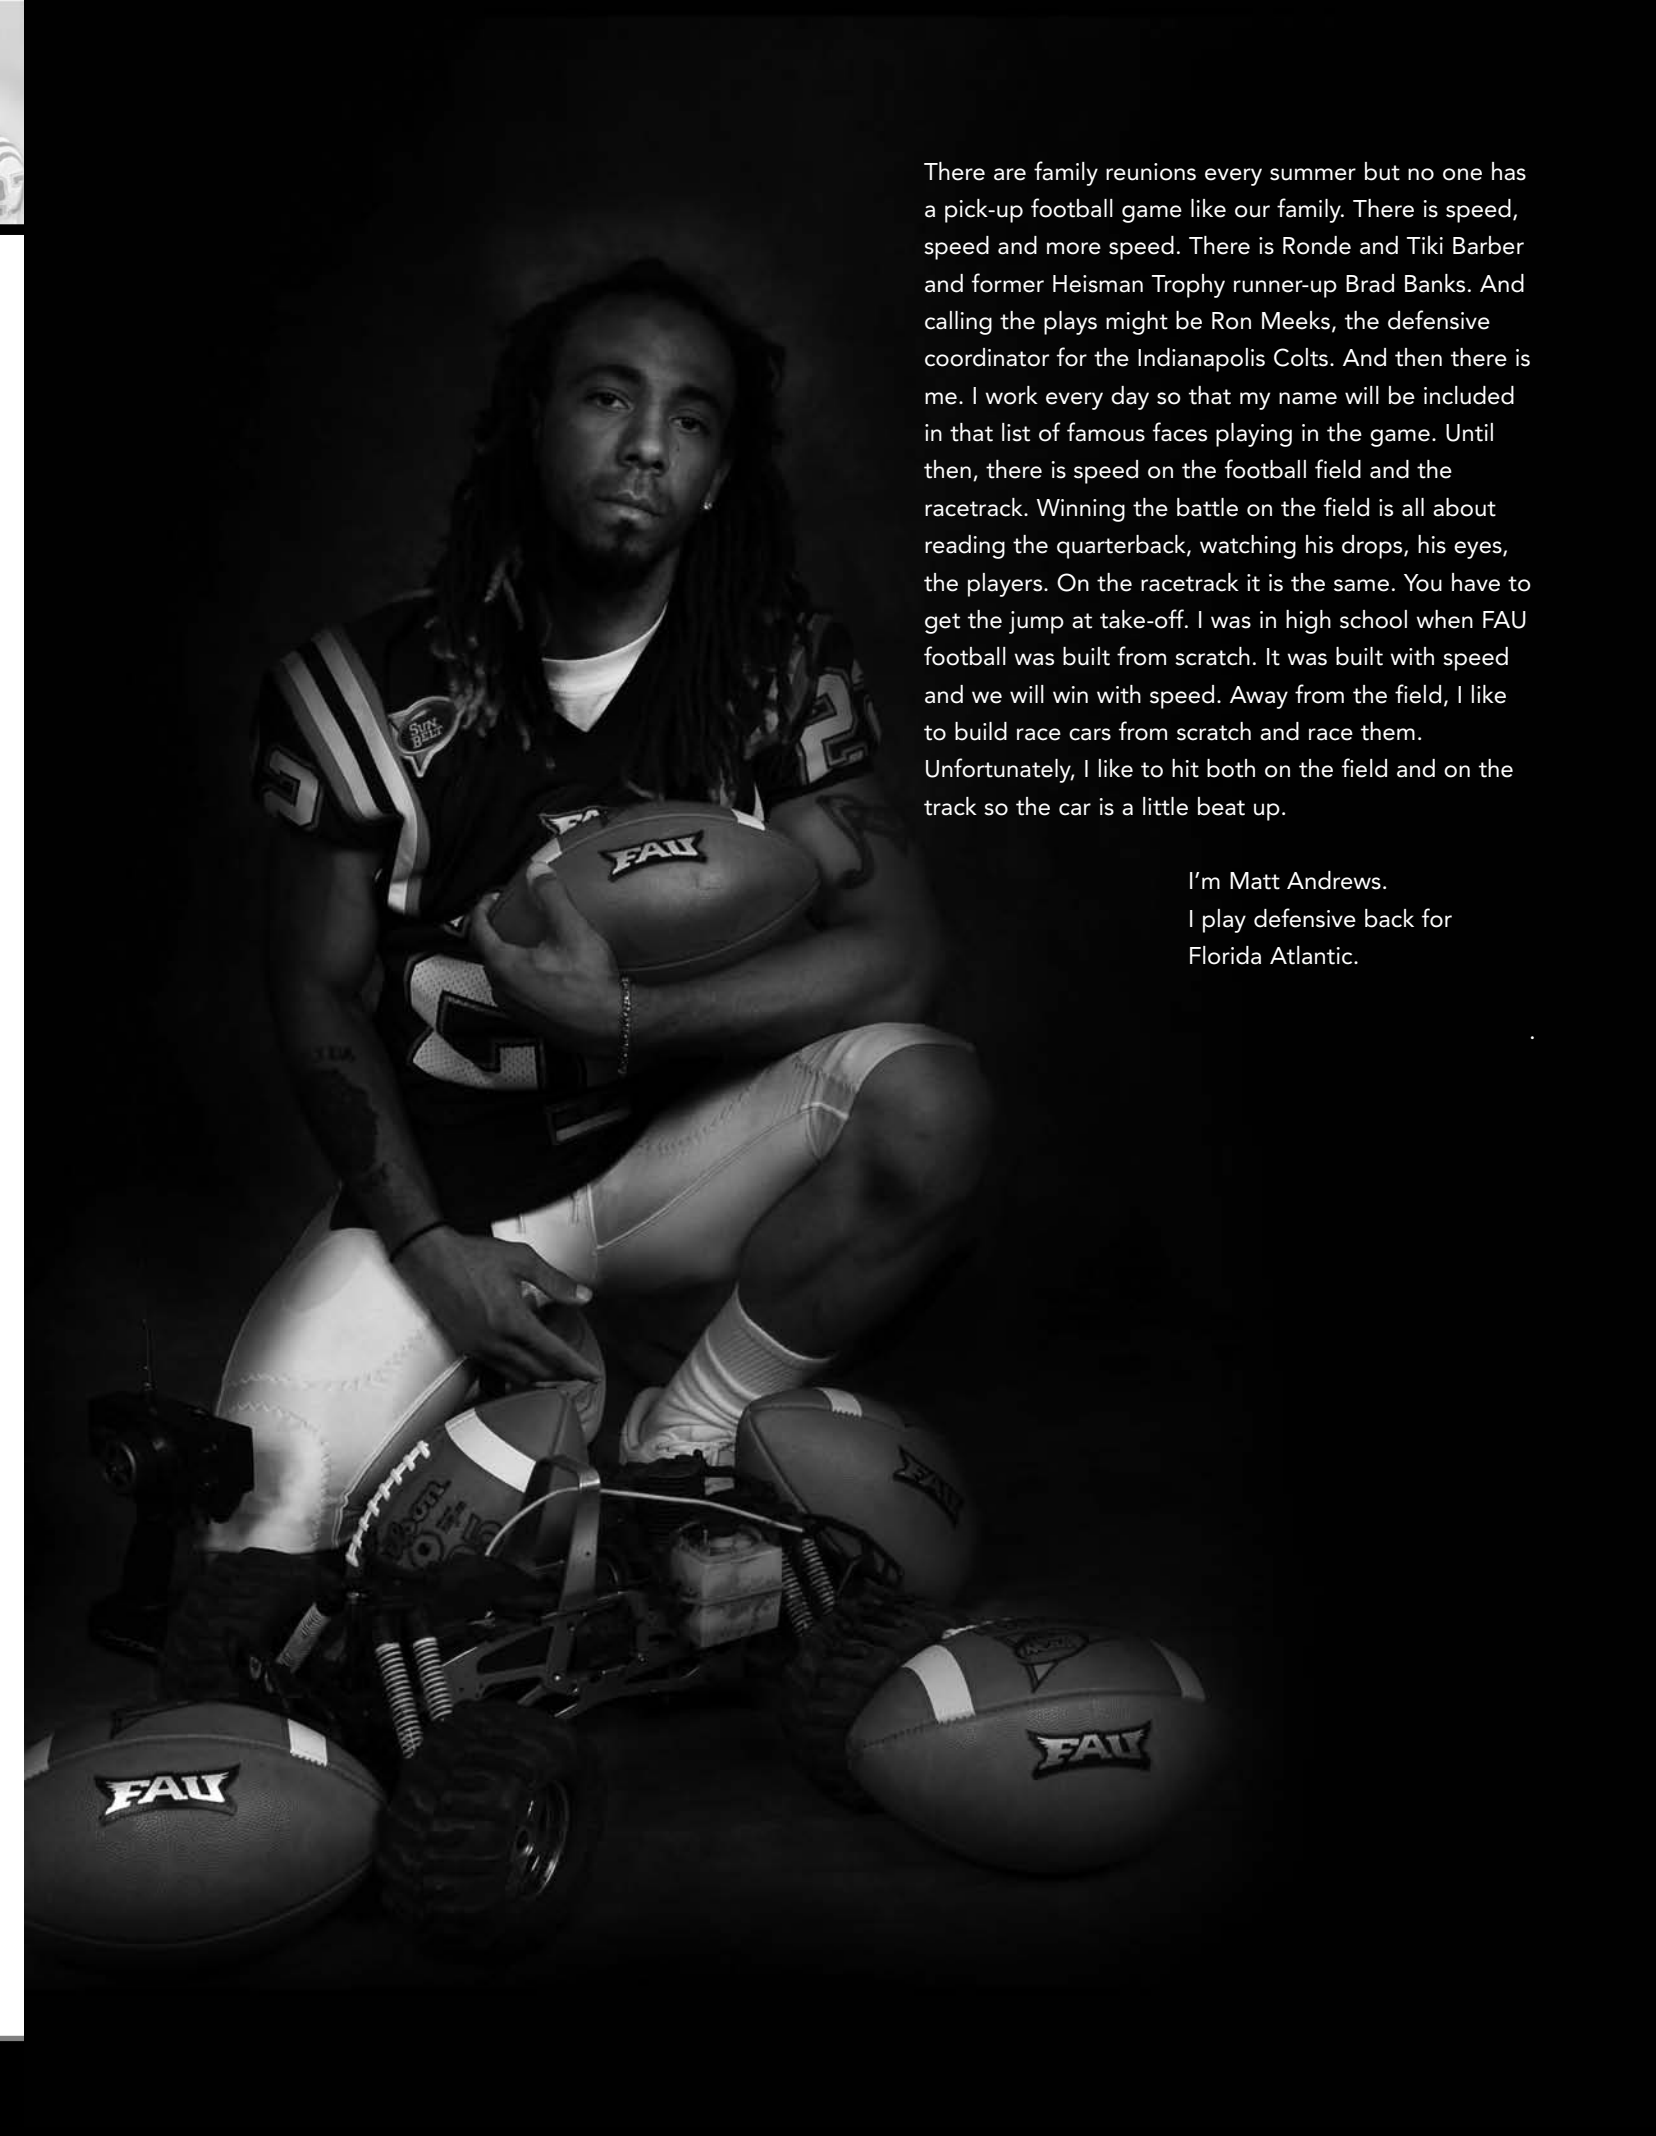
As a sophomore ('05): Played for coach Mike Clemons at Sacramento City College in California…recorded 52 tackles, 16 pass break ups, recovered two fumbles and forced another two…earned all-conference for his efforts as a sophomore…earned All-America honors…earned team's comeback player of the year award as a sophomore…led the defensive backs in tackles and pass deflections as a sophomore…also was a first team all-Nor-Cal Conference selection…JC football.com three star All-American.

2004: redshirted

2003: Earned All-America honors as a freshman and led the state in kick-off returns.

High School: Played for Coach Floyd at Boynton Beach High School, where he participated in the All-American All-Star game and was named to the Eastern Conference team.

Personal: Psychology/Arts and Letters major…son of Cynthia Barber and Marvin Andrews…born Oct. 14, 1985, in Boynton Beach…cousin to Ronde and Tiki Barber as well as former Heisman runner-up Brad Banks…also related to Ron Meeks, the defensive coordinator for the Indianapolis Colts.



There are family reunions every summer but no one has a pick-up football game like our family. There is speed, speed and more speed. There is Ronde and Tiki Barber and former Heisman Trophy runner-up Brad Banks. And calling the plays might be Ron Meeks, the defensive coordinator for the Indianapolis Colts. And then there is me. I work every day so that my name will be included in that list of famous faces playing in the game. Until then, there is speed on the football field and the racetrack. Winning the battle on the field is all about reading the quarterback, watching his drops, his eyes, the players. On the racetrack it is the same. You have to get the jump at take-off. I was in high school when FAU football was built from scratch. It was built with speed and we will win with speed. Away from the field, I like to build race cars from scratch and race them. Unfortunately, I like to hit both on the field and on the track so the car is a little beat up.

I'm Matt Andrews.
I play defensive back for

Haters influence me—those who say I'm too small; those who say I can't do it; those who say FAU can't win. I go on the field each and every day with everything to lose. Respect is not given, it is earned. I was a two-sport athlete until I ran into a wall tracking a baseball. I will work hard and get to the ball wherever it may be. In football, there is no hesitation—it is competition. There is one goal, a bowl; that is why we compete.

My name is Kris Bartels.
My team showed me respect in 2006 with the defensive MVP award.

People consider football a game of size, strength and aggression. It is all that, but it is also much more. The studying of plays and of film is vital but the mental and emotional aspect can be the difference in a game. I once had a coach that told me when the team is up, be the calming influence. When the team is down, be the motivator. The second key is to filter the things you hear. As a quarterback, you can't listen to the armchair. You have to focus on your game, not what is being said throughout the week or in the stands. One of my best college football moments began with a third and seven at the FAU 23. I was flushed from the pocket and ran for 47 yards. The next play was a 25-yard touchdown reception by Jason Harmon at the South Carolina 0. The hush that fell over the Gamecock crowd —70,000 strong—was amazing. My competitiveness comes from being one of three boys raised in a very competitive Midwest community. Being competitive made it difficult to sit out as a freshman at Michigan State and then again at FAU. There is no better example of state pride than through a collegiate football game. The trash talk among my teammates and I was at a high the week before last year's national championship bowl game and it came around again during "March Madness." Competition doesn't end when we walk off the field.

My name is Sean Clayton.
I'm one of six players who hail from outside the state of Florida.

Raised in Miami, like many of my teammates, I enjoyed a great high school career—most memorable was a fourth and six situation with the 6A state championship on the line. I remember it in slow motion. The signal called, the players set and I begin my assignment. It was a pass play that sailed over my head, much like watching a plane fly over. The 61-yard score for the title will be talked about for years to come. Florida Atlantic is building similar memories. Fortunately, my family has had the opportunity to travel the last five years and those memories will be cherished. An education was the only promise made to me by the FAU coaches, that's the only one I need. Football, like life, is up to me. As a man of God, I promise to work hard in everything I do on and off the field.

My name is William "B.J." Manley III. I'm a running back at FAU.

Speed is important in my game and my collegiate career. I began my career at another school where I ran track. Family, religion and more competitive football brought me home. Home is South Florida where I pulled down an interception as a high school senior that kept Hialeah from advancing to the playoffs. Home is where we gather with my family and Granny Sis for ox tails and a bunch of games and laughs. The Oxley fields are where I fly to the ball and prepare for FAU's next game.

Challenges are things that drive me, and being a winner is my motivation. My competitive attitude is what motivates me to prove to doubters that I can play the game of football at the highest level. Hard work is my calling card and that asset will eventually put us over the top for the Sun Belt championship. I'm a strong believer that if you work hard good things will happen. I'm going to make them happen.

The big stage is where I want to play. Small college football is where I began. Playing for Coach Schnellenberger is a once in a lifetime opportunity for me. This season, I will be able to take the field at Florida with him at the helm. My parents are first-generation Americans born here after their parents came from Cuba. They came here with nothing and have shown me what hard work is. My family inspires me every day. "Hard work" is what will be done in our fight for a Sun Belt Championship.

There is a saying among the surfers in my hometown of Satellite Beach: "Go big or go home." I try to live my life that way. I believe in putting it all out front. I believe my teammates know that when it's time to go I will be there. The conference championship is the only acceptable thing for this team. This senior class wants and needs to be remembered as the group that led the program to Division I-A status playing for "old school" coaches with new school dreams. FAU is no longer an obscure program. It is one that accepted the challenge of Hawaii and came away with an overtime win. It is the program that continues to challenge and will face the defending national champions.

Vision…my teammates and coaches share the same vision even though we are from very different places. First and foremost, championship football is what we strive to play. We have played the game our entire lives, some in city parks and playgrounds, some in open fields. But nowhere better than the "Glades" where there are packed bleachers and standing room only every Friday. Where there is green grass and kids playing everywhere. The Glades is where tailgaters bring wildlife to grill like rabbit, alligator and venison. It is where we first learn that we are only as good as our weakest link. My family is from Haiti. Seeking education for their eight children brought them to America. All eight have attended college.

My name is Cergile Sincere. I play football at Florida Atlantic and I'm sincere about sealing the deal.

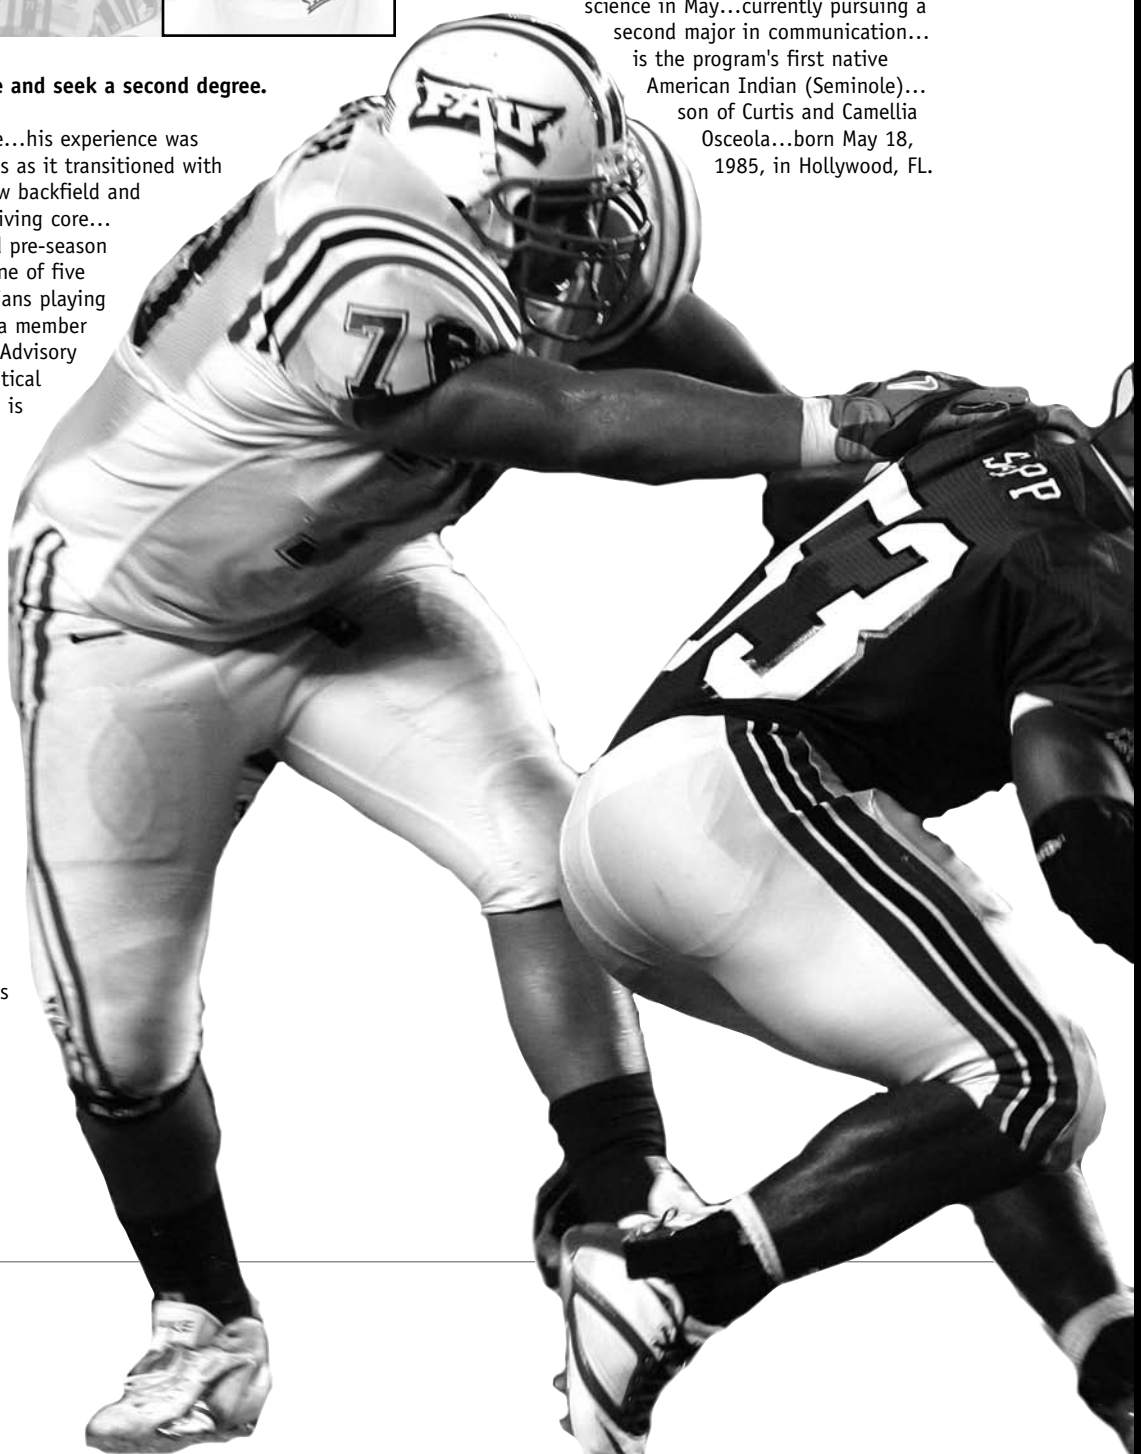
2005: Played in every game...began the year at center and then moved to left guard to create a faster offensive line.

2004: Used much of the spring and pre-season to work into the starting center role...the week before the season opener he moved to guard... praised by coaches for his work, but was sidelined with an ankle sprain prior to the Troy game, significantly hampering the offensive line...returned to action for the Edward Waters and FIU games.

2003: Practiced with the team in the fall but preserved the year of eligibility by redshirting.

High School: Played for Todd Dresser at Okeechobee High School...named to the South/Central Florida All-Star Team and participated in the Outback Bowl All-Star Game... voted most outstanding offensive lineman...three-sport athlete (football, basketball and track).

Personal: Graduated with a degree in political science in May...currently pursuing a second major in communication... is the program's first native American Indian (Seminole)... son of Curtis and Camellia Osceola...born May 18, 1985, in Hollywood, FL.



PLAYER PROFILE

I wore a shirt as a freshman that few understood. It read "Res…Life". The immediate thought is a reserved personality or an abbreviation for a dorm monitor. I am reserved but have never been a resident life supervisor. The "Res…Life" refers to an American Indian reservation. Living on the reservation is peaceful and family oriented—it's my home away from college and football. My grandfather was a blend of both football and reservation life and that is a role I would like to emulate. He served as the tribe's president yet made time for me to follow him around and introduced me to football. We traveled to games. I love playing football and the friendships that come with being on the team and have had the opportunity to take teammates home. They have experienced the unity and calm of the reservation and they have also experienced the fire I have to win. I graduated in May with a degree in political science and will work toward a degree in communication this season. Football brought my grandfather and me together. He has since passed, but it now brings my sisters and me together when we travel to Oklahoma State. I hope to work with the tribe and the tribal counsel, completing the circle started by my grandfather, Chief Fred Smith.

Raised in a Florida town where football is king. Raised in a state where there is no other game in November and December than football playoffs. Raised in a family of four boys, all playing football—two doing so in college—where the best video game is "NCAA Football." The best day of my football career was not on the field, it was at a desk with a National Letter of Intent laid before me. My family was there like they are at each of my home games and plan to be at every game of my senior year. The best day of my football career was signing to play football at Florida Atlantic. It was a huge weight lifted from my shoulders. I always knew I would stay in-state and had conversations with four Division I-A schools. The furthest away was FAU, but it was the school that would let me play the position I had played all my life. You go with your heart. In my heart I knew FAU was the place for me just like in my heart I know my youngest brother Gabriel is going to beat us in video games every time, no matter how competitive it gets. He practices the most.

I'm Dominick Walker, a fullback for Florida Atlantic. My greatest moment on the field is yet to come.

My senior campaign promises to be the one that proves perseverance pays. Born and raised in South Florida, college offered me the opportunity to try something different. I chose to attend school in the Northeast where both my parents had attended college and my father was a varsity letter winner. After just one year, I returned home and enrolled at FAU without talking to the coaches. Since that time, I have weathered the storm of college athletics and all that comes with it. I have started at fullback and have earned a starting spot at tight end, my natural position. It was a fight to make the team. It has been a fight to stay strong and to stay on the field. RUSTY SMITH

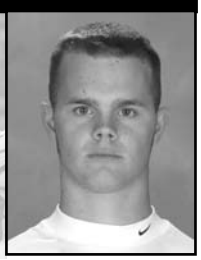
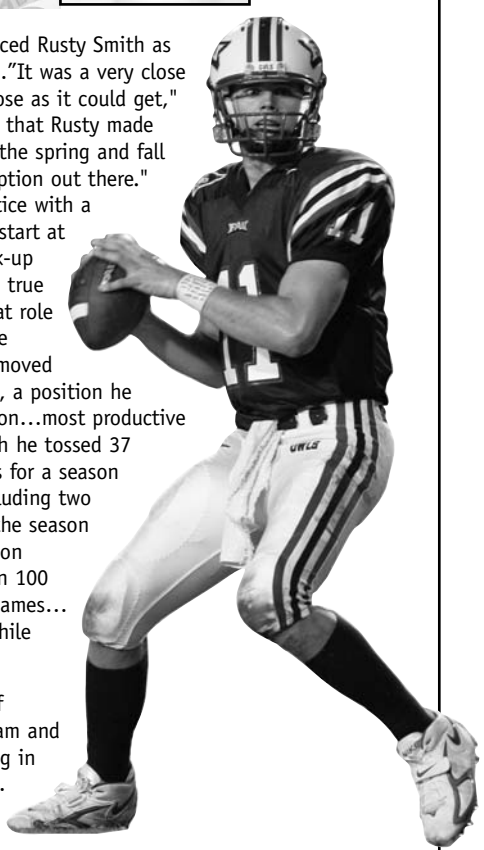
11

REDSHIRT SOPHOMORE
QUARTERBACK
6-5, 215
JACKSONVILLE, FL
SANDALWOOD
HIGH SCHOOL





2006: Schnellenberger announced Rusty Smith as the Owls' opening day starter…"It was a very close decision to make, almost as close as it could get," said Schnellenberger. "The fact that Rusty made such extraordinary progress in the spring and fall makes us think he's our best option out there." Smith had entered spring practice with a three-way race…following his start at Clemson, he moved into a back-up position, which allowed for his true development…he served in that role while averaging more than nine passes a game until an injury moved him back into the starting role, a position he held the remainder of the season…most productive game was against Troy in which he tossed 37 passes and connected 24 times for a season and career high 312 yards, including two touchdowns…longest pass of the season was a 54-yarder to Frantz Simeon against Troy…tallied more than 100 passing yards in his last four games… averaged 203.5 in that span while holding interceptions to three.

2005: Had a strong first fall of practice…traveled with the team and worked with the coaches calling in the play…elected to redshirt… following a strong fall he vied for a starting spot under center.

High School: Ran the offensive unit for Adam Guies…completed 105 passes in 176 attempts for 1,800 yards and 21 touchdowns, with just three interceptions as a senior…started for the North in the Jacksonville Shrine All-Star game…two-sport athlete (football and baseball).

Personal: Information management systems major…son of Russell and Melody Smith…born Jan. 28, 1987, in Jacksonville, FL.

FIVE RULES OF ATHLETIC COMPLIANCE

1 Only coaches and athletic department staff members are permitted to be involved in the recruiting process. Alumni, friends and "other representatives of athletic interest" who are not employed by the University are not permitted to contact a prospect (or members of the prospect's family) by letter, telephone or in-person (on or off campus) for the purpose of soliciting their participation in the athletic program. FAU faculty members are permitted to have contact with the prospects, but only while on the campus.

2 A prospect remains a prospect even after he or she signs a Letter of Intent or financial aid agreement to attend the University. The prospect does not lose his/her prospect status until the start of classes at FAU or the beginning of official team practice prior to the start of classes.

3 The prohibition of contact with a prospect is intended to relate to unavoidable incidental contacts with a prospect by representatives of a member institution's athletics interest. It is understood that such a contact is not prearranged by the athletics representative or an athletic department staff member; is not made for the purpose of recruitment of the prospect: and involves only normal civility. For example, if you meet a high school student or junior college student-athlete, you can talk with them about anything except FAU athletics. If you are attending a public function and find yourself talking to the parents of a prospect, you can talk about anything that doesn't relate to the athletic department.

4 If a student-athlete accepts any benefits or special consideration based on his or her status as an athlete or because of athletic skill, the student-athlete will lose all eligibility for intercollegiate athletic participation. Do not do anything for prospective or enrolled student-athletes without specific authorization from the FAU Athletic Compliance Office.

5 Representatives of athletic interest are reminded that NCAA rules regarding enrolled student-athletes remain in effect throughout the entire year, including summer breaks. When student-athletes complete their final season of eligibility, they must abide by NCAA rules until the end of that academic year and/or until they are no longer receiving athletically related financial aid.

CLEMSON, S.C. (AP) -Will Proctor got off to a solid start for Clemson, throwing for 166 yards and three touchdowns as the 18th-ranked Tigers defeated Florida Atlantic 54-6 on Saturday.

Chansi Stuckey had a 12-yard reception and C.J. Spiller a 10-yarder. Two plays later, Proctor lofted a perfect pass to Stuckey for a 30-yard touchdown pass.

Proctor watched Stuckey, the ACC's top pass-catcher in 2005, tiptoe near the back of the end zone for the TD, then the quarterback pumped his fists in celebration and rushed to hug his receiver.

The most emotion in the first half, though, came from coach Tommy Bowden, who angrily took on four officials after a Tiger fumble ended a second-quarter series and the coach didn't get the chance for a review.

Bowden rushed the field during a stoppage, then ripped off his headphones and punched the air as he yelled his objections. Bowden continued arguing at least three more times, jawing with field judge Gorham Wood, line judge Kevin Edwards, referee Brad Allen and back judge James Cole.

Bowden's very loud point proved moot three plays later when Florida Atlantic's attempt at a hook-and-ladder play was bobbled by tailback B.J. Manley and safety Michael Hamlin recovered for Clemson at the FAU 26. The turnover led to Reggie Merriweather 1-yard touchdown and put Clemson ahead 17-0.

The victory could be costly after linebacker Anthony Waters, their leading tackler last year who considered skipping his senior year for the NFL, was carried off the field with a sprained left knee late in the third quarter and Clemson up 31-6.

Sean Clayton led the Owls on their most successful first-half drive to Clemson's 11. But Clemson's Hamlin stopped that drive as well, with a 74-yard interception return. That led to a 14-yard TD pass from Proctor to Aaron Kelly.

Game 2

FLORIDA ATLANTIC 0 KANSAS STATE 45

MANHATTAN, Kan. (AP) -- Justin McKinney became the first Kansas State player in 70 years to run back an opening kickoff for a touchdown, and the Wildcats went on to beat Florida Atlantic 45-0 on Saturday night.

Dylan Meier threw for 125 yards and two touchdowns for the Wildcats (2-0), who extended their winning streak against Sun Belt teams to 10 straight games. It was the first shutout for Kansas State since a 45-0 win over Iowa State on Nov. 8, 2003.

After managing just 207 yards of offense in its first game, Kansas State rolled up 346 yards on the Owls (0-2). The Wildcats' defense, meanwhile, had three sacks and nine other tackles for loss, holding Florida Atlantic to 202 yards. Thomas Clayton returned to rush for 89 yards and one TD for Kansas State.

Kansas State's Jeff Snodgrass missed field-goal attempts of 22 and 49 yards before hitting a 37-yarder late in the second quarter for a 24-0 lead.

Snodgrass' second miss, early in the second, didn't hurt the Wildcats much. On the next snap, Bryan Baldwin intercepted Rusty Smith's pass and returned it 21 yards to set up Meier's 21-yard TD throw to Jermaine Moreira that made it 21-0.

Meier came out early in the fourth quarter, after throwing a 14-yard touchdown pass to Daniel Gonzalez for a 38-0 lead. His replacement, freshman Josh Freeman, threw an interception on his second snap and did not complete a pass in four attempts.

Sean Clayton played the first and third quarters and had 95 yards on 8-for-14 passing. Smith was 2-for-8 for 14 yards in the second and fourth quarters.

The Wildcats broke an offensive scoring drought with Yamon Figurs' 38-yard reverse for a 14-0 lead midway through the first quarter.

Clayton's 2-yard touchdown run put Kansas State up 31-0 in the third quarter, and Terry Petrie's 32-yard TD carry in the fourth closed out the Wildcats' scoring.

The game was delayed for 30 minutes by heavy rain and lightning between the first and second quarters.

STILLWATER, Okla. (AP) - Mike Hamilton ran for 85 yards and two touchdowns and Chris Collins scored Oklahoma State's first defensive touchdown in 15 games as the Cowboys beat Florida Atlantic 48-8, Saturday.

Bobby Reid added one touchdown rushing and another passing for the Cowboys.

Hamilton scored on a 6-yard run in the first half and his 10-yard score on Oklahoma State's first possession of the second half made it 34-0.

Reid, who threw for 186 yards on 9 of 16 passing, added a 9-yard TD run to make it 41-0 and the Cowboys then pulled their starters.

Florida Atlantic got its first touchdown of the season when fullback Willie Rose scored on an 8-yard run with 9:04 to play, but Oklahoma State's Dantrell Savage answered with a 70-yard TD run.

Orie Lemon intercepted Rusty Smith's pass inside the Oklahoma State 5 to prevent another Owls score in the final 2 minutes.

The Owls (0-3) will play another opponent from a Bowl Championship Series conference next week, when Florida Atlantic plays at South Carolina.

Oklahoma State led 27-0 at halftime.

Perrish Cox set up Oklahoma State's first score with a 25-yard punt return to the Florida Atlantic 19. Two plays and a penalty later, Hamilton ran in for his first score.

Collins picked up Smith's fumble at the 3-yard line and took it to the end zone for Oklahoma State's first defensive touchdown since Nov. 27, 2004, when Jamie Thompson returned an interception 68 yards for a touchdown against Texas Tech.

The Cowboys made it 21-0 when Reid zipped a short pass to Adarius Bowman, and he used strong downfield blocks from fellow receivers D'Juan Woods and Ricky Price to turn it into a 69-yard score. Before then, Oklahoma State had 47 yards of total offense.

Jason Ricks added field goals from 30 and 41 yards.

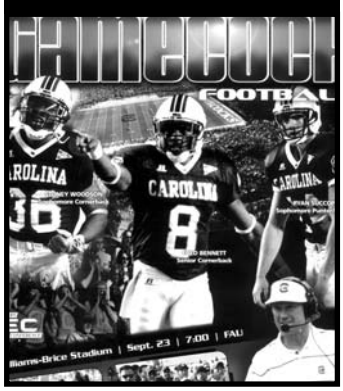
Game 4

FLORIDA ATLANTIC 6 SOUTH CAROLINA 45



COLUMBIA, S.C. (AP) -Sidney Rice caught a school record five touchdown passes from Syvelle Newton as South Carolina beat Florida Atlantic 45-6 on Saturday night.

The Gamecocks (3-1) rolled up 492 total yards. Rice had nine catches for 161 yards, while Newton was 13-for-20 for 216 yards. Freshman Taylor Rank led the rushers with 101 yards on 15 carries.

Rice had been held largely in check in 2006. An All-Southeastern Conference receiver last year as a freshman, he had just 12 catches and no touchdowns in the Gamecocks' first three games.

But Rice put on a clinic playing against the Owls' secondary, which had no one to stop him. He sold a fake, then dashed past the confused defender to catch his first score, a 23-yarder. Rice set the school record with his fourth receiving TD by catching a deflection off one of four defenders and dashing the last few yards for a 41-yard score. On his fifth touchdown pass, Rice outjumped the defender in the end zone to haul in a 19-yarder.

A highlight for Florida Atlantic was a four-play 80-yard drive that gave the Owls their first touchdown in the first half this season. It included a 47-yard run on third-and-7 by quarterback Sean Clayton and a 25-yard TD pass from Clayton to Jason Harmon on the next play.

Clayton led the Owls with 68 yards on five carries. Charles Pierre ran 10 times for 58 yards and Clayton and Rusty Smith combined to go 8-for-25 for 105 yards and an interception.

Saturday night's game featured coaches on both sides with national titles - Spurrier won his in 1996 at Florida, while Florida Atlantic coach Howard Schnellenberger won his championship in 1983 at Miami.

Both are rebuilding programs that have never come close to that kind of glory. Spurrier is at a school that has won one conference title in 113 seasons and has an all-time losing record, while Schnellenberger is trying to build a program in just its fifth season in Division I-A.

MONROE, La. (AP) - Florida Atlantic quarterback Sean Clayton went 12-of-18 for 164 yards and a touchdown on Saturday to edge by Louisiana-Monroe, 21-19, and win its Sun Belt Conference opener.

The win was the Owls (1-4) first against Louisiana-Monroe in three tries and their first of the season.

Louisiana-Monroe (1-3) outgained FAU in total offense, 407-336, but could not overcome two turnovers and six penalties.

After Kinsmon Lancaster, the Warhawks' quarterback, went down with an injury, Chance Payne filled in and completed 11-of-20 passes for 160 yards and a fourth quarter touchdown to wide receiver Darrell McNeal that closed the scoring at 21-19.

Notes:

Simeon Has Career Day
Frantz Simon caught a 46-yard reception at ULM, the longest of his career (2 years).

Holley Scores
Freshman Avery Holley scored his first collegiate touchdown on the second drive of the ULM game. Holley's score was the first, first quarter TD of the season for the Owls and gave FAU its first game lead of the season.

Charles Pierre scores
Carles Pierre scored his first TD of the season and the fourth of his two-year FAU career.

Defense Grabs two INTs
Sophomore Frantz Joseph grabbed his first collegiate interception with less than a minute ot go to end ULM's bid for a late second quarter TD. Rickey Bethel caught his first interception of his FAU career in the second half.

Injury:
Erick McIntosh suffered a broken foot.

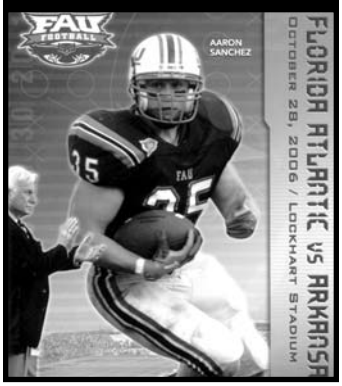
Game 8



ARKANSAS STATE 0 FLORIDA ATLANTIC 29

FORT LAUDERDALE, Fla. (AP) - Corey Small had three interceptions, including one returned for a touchdown, to help Florida Atlantic defeat Arkansas State 29-0 on Saturday.

B.J. Manley and Aaron Sanchez also scored touchdowns for Florida Atlantic. The Owls forced six turnovers, five interceptions and a fumble, and the Indians were shut out for the first time since 2003.

Florida Atlantic (3-5, 2-1 Sun Belt) won for the third time in its last four games. Arkansas State (5-3, 3-1) had a four-game winning streak snapped.

Quarterback Sean Clayton was 9-for-19 for 91 yards and a touchdown for Florida Atlantic, and Charles Pierre rushed for 122 yards on 24 carries.

Small's 22-yard interception return in the fourth quarter off quarterback Corey Leonard made the score 29-0.

Florida Atlantic first scored on a 21-play, 79-yard drive that was culminated by a 21-yard field goal by Warley Leroy for a 3-0 lead.

The Owls stretched their lead to 10-0 after Manley ran untouched through the Arkansas State defense for a 35-yard touchdown run in the second quarter. It was Manley's first touchdown of the season.

A fumble recovery by the Owls at the Indians' 46-yard line set up a 41-yard field goal in the second that made the score 13-0.

In the third quarter, a bad snap from center sailed over Arkansas State punter Brett Shrable's head and rolled inside the Indians 20-yard line. Shrable tossed the ball out of the end zone for a safety and the Owls went ahead 15-0.

Sanchez caught a 3-yard touchdown pass from Clayton in the fourth that pushed the lead to 22-0.

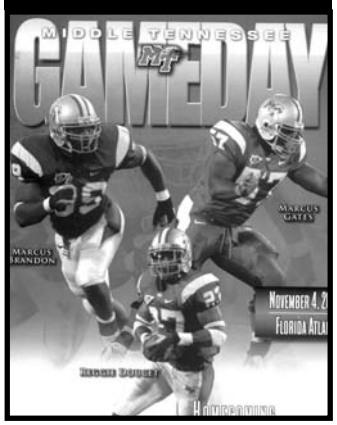
Game 9

FLORIDA ATLANTIC 14 MIDDLE TENNESSEE 35



MURFREESBORO, Tenn. (AP) -Eugene Gross rushed for a career-high 208 yards and scored two touchdowns to lead Middle Tennessee to a 35-14 victory over Florida Atlantic on Saturday.

Early in the game, Gross capped an 85-yard scoring drive in the first quarter with a 2-yard touchdown to give the Blue Raiders (6-3, 5-0) a 7-0 lead. Then with 44 seconds left before halftime, Gross scored on a 56-yard touchdown run.

The Owls (3-6, 2-2) used the two-minute offense effectively to cut the lead to 14-7 with 16 seconds left in the half. But at the beginning of the second half, Middle Tennessee's Damon Nickson returned the opening kickoff 94 yards for a touchdown.

The return was Nickson's second of the season, which tied a school record for most kickoffs returned for touchdown in a season.

The Blue Raiders, who rushed for 271 yards on the ground, improved to 5-0 in conference play for the first time since 1992 (an 8-0 start in the Ohio Valley Conference).

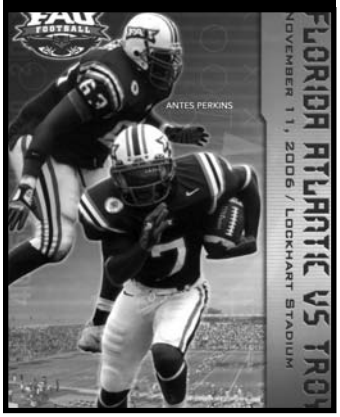
Game 10

TROY 24 FLORIDA ATLANTIC 14



FORT LAUDERDALE, Fla. (AP) - Omar Haugabook threw three touchdown passes in Troy's 24-17 win over Florida Atlantic on Saturday.

All three of Haugabook's TD passes were over 50 yards, and two went to Mykeal Terry. Haugabook finished the game 20-for-29 for 325 yards and one interception. Troy (5-4, 4-0 Sun Belt) won its fourth straight game.

Rusty Smith was 24-for-37 for 312 yards and two touchdowns for the Owls (3-7, 2-3). He also threw two interceptions.

The Trojans held a 17-10 lead after a 41-yard field goal by Greg Whibbs in the third quarter. Florida Atlantic tied the game 17-all on a 10-play, 82-yard drive capped by a 14-yard touchdown pass from Smith to Jamari Grant.

It didn't take long for Troy to retake the lead. Two plays after the ensuing kickoff, Haugabook tossed a 54-yard touchdown pass to Terry to make the score 24-17.

Florida Atlantic was driving late in the fourth quarter but Leodis McKelvin intercepted Smith in the end zone with 2:46 left.

Game 11

FLORIDA ATLANTIC 17 NORTH TEXAS 16

DENTON, Texas (AP) - Charles Pierre rushed for 116 yards and one touchdown to lead Florida Atlantic to a 17-16 victory over North Texas Saturday night.

Taheem Acevedo had a career-high two interceptions for Florida Atlantic (4-7, 3-3), including the one that ended North Texas' final drive with 1:12 remaining in the game.

Evan Robertson gained 201 yards and one touchdown rushing for the Mean Green (3-8, 2-4), more than doubling his personal best of 86 yards against Louisiana Tech on Nov. 4. It was North Texas' highest individual rushing total since Jamario Thomas ran for 291 yards on Nov. 13, 2004.

The Owls led 17-10 at halftime, but Denis Hopovac kicked field goals of 22 and 27 yards to pull North Texas within one early in the fourth quarter.

On its last possession, North Texas drove to the Florida Atlantic 35 before Acevedo picked off Matt Phillips to secure the win.

Johnny Quinn, who caught a pass for the 46th consecutive game, the third-longest streak in the nation, had nine catches for 81 yards to break the North Texas school record for career receptions (David Brown, 1991-94), completing the game with 183.

With North Texas ahead 10-3 late in the second quarter, Florida Atlantic scored two touchdowns off of turnovers in the final 3:04 to take a 17-10 lead into halftime. They tied it on Kris Bartels' 39-yard interception return, his first career touchdown.

Two plays later, Robert St. Clair recovered Daniel Meager's fumble on the North Texas 14-yard-line, leading to Pierre's 1-yard touch down run.

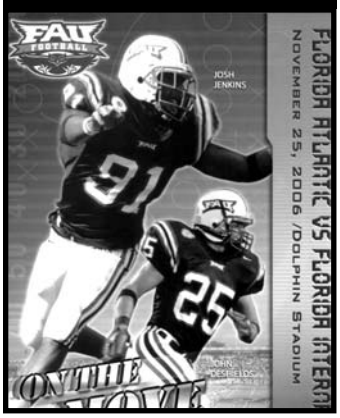
Game 12

FLA. INTERNATIONAL 0 FLORIDA ATLANTIC 31



MIAMI (AP) - Rusty Smith passed for two touchdowns to lead Florida Atlantic to a 31-0 victory over Florida International Saturday night.

The Owls finished with 361 total offense in the regular season finale at Dolphin Stadium. FAU finished with a 5-7 record and 4-3 in the Sun Belt Conference.

Smith, who finished with 178 passing yards, threw a 13-yard touchdown pass to Frantz Simeon in the game's opening drive and a 1-yard score to Aaron Sanchez in the second quarter.

Charles Pierre scored on a 4-yard run with 2:56 remaining in the first half, increasing FAU's lead to 21-0.

Warley Leroy converted on a 34-yard field goal 2:30 into the fourth quarter giving FAU a 24-0 lead and B.J. Manley closed the scoring with a 2-yard run with 6:28 remaining in the game.

The Golden Panthers had two final opportunities to avoid the shutout with eight seconds remaining from the FAU 14-yard-line but both passes fell incomplete.

The Owls scored on the opening drive with an 11-play, 65-yard drive culminated with Smith's flanker screen to Simeon, who outran the FIU defense to the end zone.

Smith's scoring strike to Sanchez ended a 76-yard drive to put the Owls ahead 14-0 with 14:08 remaining in the second quarter.

The Golden Panthers first reached Owls territory when Julian Reams ran nine yards to the FAU 47 midway through the second quarter. But the Owls held FIU on downs and Smith directed his third touchdown drive of the half, capped by Pierre's run.

FAU leads the all-time series 4-1 between the South Florida based schools.

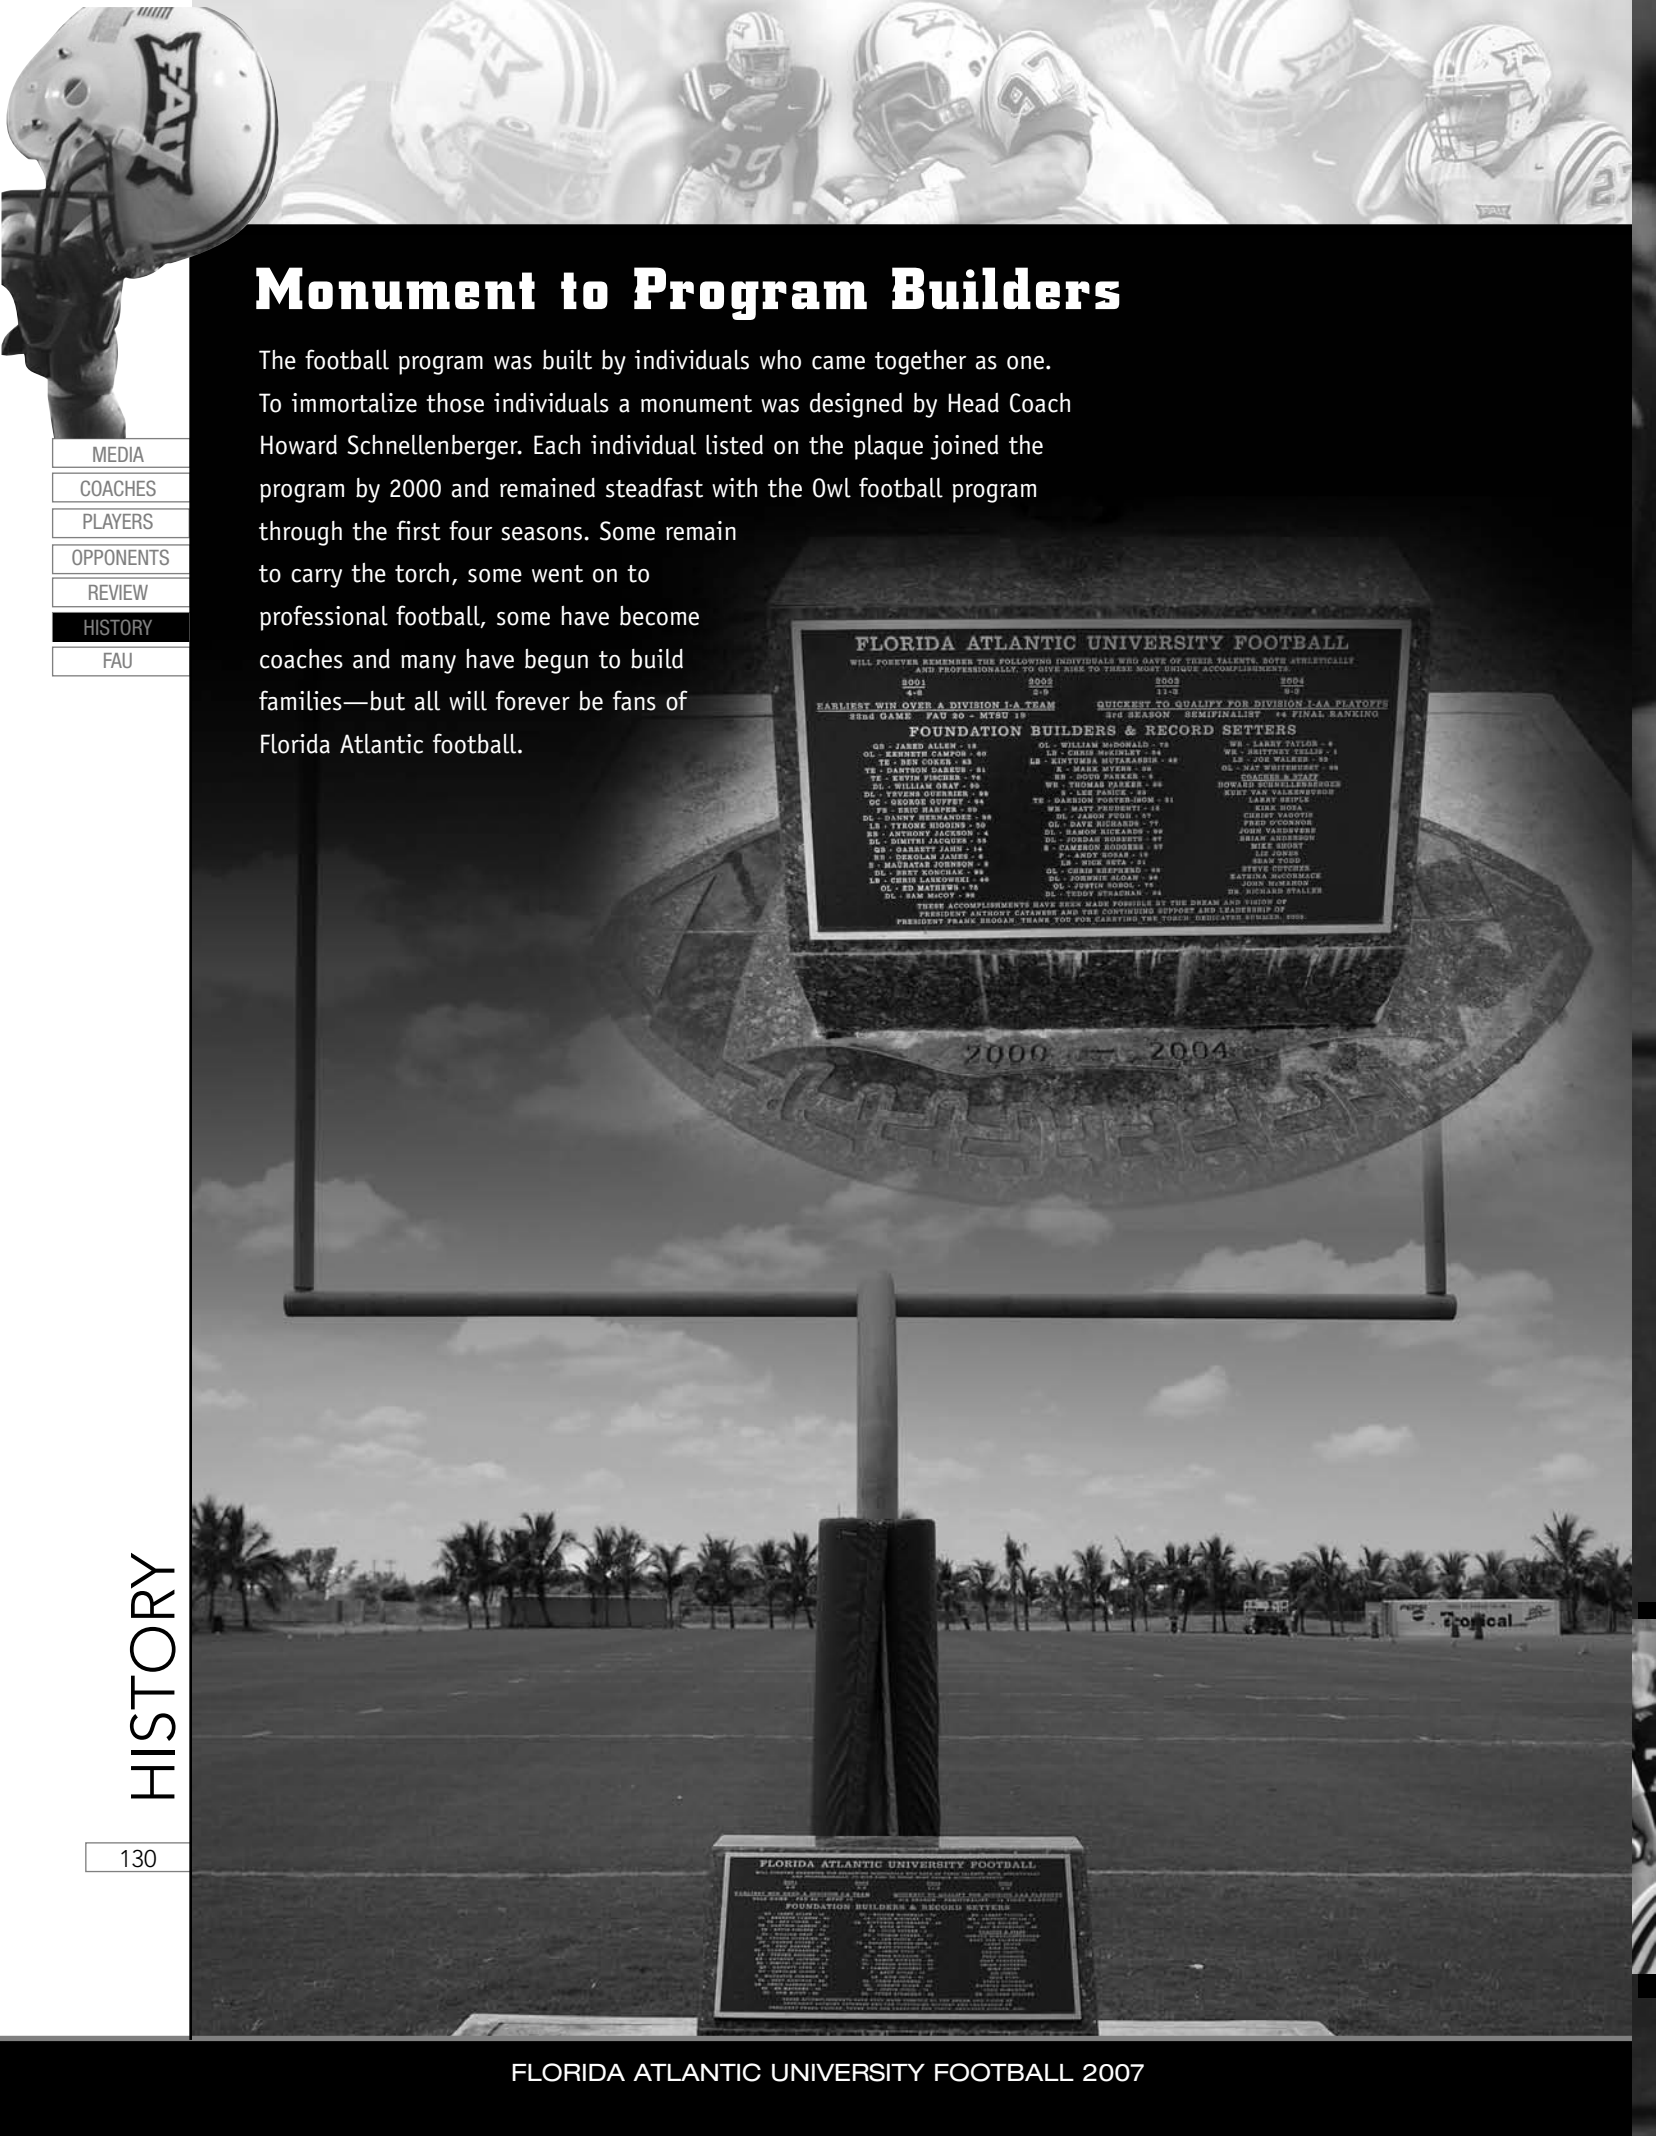
Monument to Program Builders

The football program was built by individuals who came together as one. To immortalize those individuals a monument was designed by Head Coach Howard Schnellenberger. Each individual listed on the plaque joined the program by 2000 and remained steadfast with the Owl football program through the first four seasons. Some remain to carry the torch, some went on to professional football, some have become coaches and many have begun to build families—but all will forever be fans of Florida Atlantic football.



HISTORY

Football Timeline

A 40-member committee, comprised of faculty, students, alumni and community leaders, was announced, March 11, 1997. The committee's charge was to study the feasibility of FAU adding NCAA Division I football. February 1998 concluded the year-long feasibility study. President Anthony J. Catanese and Athletic Director Tom Cargill began the search for the program's first coach.

MAY 1, 1998

Howard Schnellenberger hired as Director of Football Operations.

MAY 1998

Schnellenberger began speaking wherever two or more gathered. It is estimated he has appeared on FAU's behalf more than 600 times in the last three years.

JUNE 1998

Howard Guggenheim becomes first Football Founder of the Inner Circle.

JULY 1998

Schnellenberger attended the State of Florida Football press conference. It was the first football presence FAU would have among other state universities.

OCTOBER 1998

A Football Founder's Trophy is built to signify the mountains the program has climbed and those who contributed money prior to an intercollegiate down being played. The Founders are immortalized on a column, designed after the Washington Monument and the Grand Canyon.

OCTOBER 17, 1998

FAU takes a trip to the University of Louisville for the Cardinals Stadium Opening.

NOVEMBER 11, 1998

FAU travels to the University of South Florida, a state university that recently added football.

DECEMBER 1998

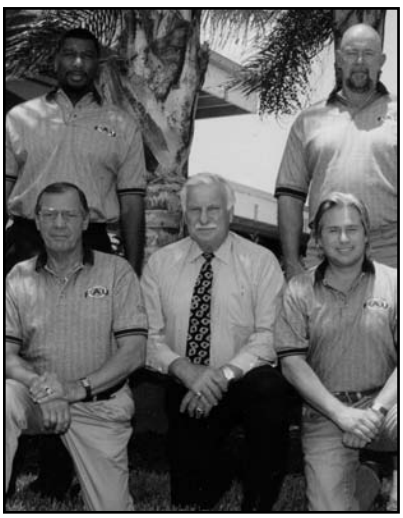
FAU leaves the gridiron for the Intracoastal Waterway for its first boat parade. FAU appeared in five boat parades in 1998 and 1999.

FEBRUARY 15, 1999

President Catanese lights a bonfire to ignite a homecoming tradition. It was the first of three to be held prior to kick-off.

MARCH 11, 1999

FAU President Anthony J. Catanese and Head Coach Howard Schnellenberger, on the Capitol Building's lawn, receive approval from the now defunct Board of Regents, to add football at FAU.



MAY 1999

First coaches are a temporary staff hired to recruit for the month of May.

JULY 1999

Howard Schnellenberger is awarded a seven-year contract as head coach and announces Tom Oxley's donation for the Athletic Center and practice fields.

SEPTEMBER 29,1999

FAU celebrates the ground breaking for the Tom Oxley Athletic Center.

OCTOBER 1999

The Boca Raton Female Football League (BFFL), founded by Football Founder Yvonne Boyce, hosts a women's only luncheon, featuring soccer star Brandi Chastain, to heighten football awareness.

NOVEMBER 6, 1999

Football participates in the American Diabetes Walk, one of several charitable services the program has participated in during its initial phase.

JANUARY 2000

Oxley Center construction begins with ground clearing and baseball "B" field reconstruction.

FEBRUARY 2, 2000

FAU's first signing day featured a "pot luck" dinner and future player announcement.

MARCH 2000

FAU Football wins the International Bed Race, held in Hawaii.

AUGUST 28, 2000

The first practice was held in the Palm Beach Community College Gym, on FAU's Boca Raton Campus, due to inclement weather. More than 160 students tried out for the team.

AUGUST 29, 2000

FAU football takes the field for the first time.

SEPTEMBER 23, 2000

"Dream Team" puts together "Fall FestivOwl" celebrating the squad's first scrimmage, with a barbeque and a celebrity roast, which featured Don Shula, Jim Kelly and other friends and former players under Coach Schnellenberger.

OCTOBER 19, 2000

FAU signs a three-year deal to play all home games at Pro Player Stadium, home of the Miami Dolphins.

NOVEMBER 2000

FAU ends season with a scrimmage at Pro Player Stadium.

FEBRUARY 7, 2001

Second Signing Day. "Pot Luck" tradition continues. Five players who sign are among the *Sun-Sentinel's* top-100 high school recruits.

MARCH 7, 2001

FAU holds its third annual celebrity golf tournament and second annual fishing tournament.

SEPTEMBER 1, 2001

Lt. Governor Frank T. Brogan tosses inaugural game's coin.

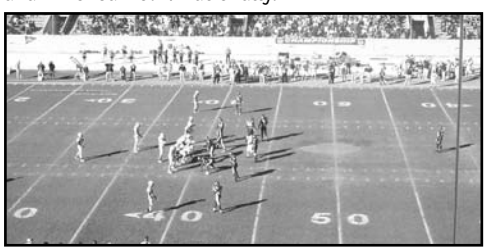
Kick-off!

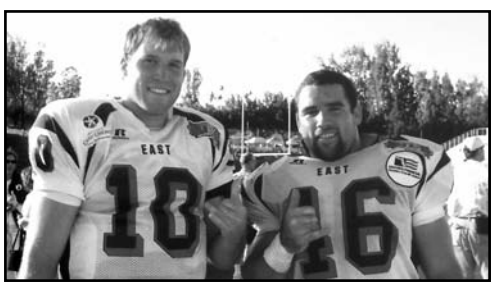
AUGUST 28, 2003

Defeated first I-A opponent; fastest program to do it (22nd game).

DECEMBER 2003

Sun Belt offers conference invite. Bethune-Cookman first playoff game. FAU advanced to the semifinals and finished No. 4 nationally.





END OF SEASON 2004

In 2004, the squad opened the season with five consecutive victories, all on the road, and two were against bowl participants in both 2003 and 2004. Two players instrumental in that success were Jared Allen and Chris Laskowski, both invited to play in the Hula Bowl.

FIRST SUN BELT CONFERENCE GAME

Louisiana-Monroe September 22, 2005.

SEPTEMBER 9, 2005

First nationally televised game at Dolphin Stadium against Oklahoma State.

2006

First Sun-Belt Conference winning record 4-3.

RAMON RICKARDS BONE AWARD

Ramon Rickards (1981-2006) was a member of FAU's first recruiting class and graduated with his fellow foundation builders in May of 2005. The team's "hardest hitter" award was named in his honor at the 2006 Football Banquet. Frantz Joseph was the first recipient. Chris Laskowski, a teammate of Rickards, presented the award

"The Owl football program, still in its infancy, is being built by young men like Ramon," said FAU Head Coach Howard Schnellenberger. "Ramon accepted the challenge to come to FAU on the belief of what would come. He quickly became a teammate and leader who propelled FAU into the Division I-AA playoffs and eventually to Division I-A. Ramon will forever be remembered as a young man who was instrumental in the evolution of this program."

Frantz Joesph

FLORIDA ATLANTIC UNIVERSITY

FLORIDA ATLANTIC UNIVERSITY™

With comprehensive academic programs and seven campuses along Florida's southeast coastline, Florida Atlantic University has earned its reputation as a center of excellence in higher education. FAU is home to approximately 26,000 students from the Treasure Coast through Broward County and the alma mater of more than 100,000 proud alumni worldwide.

As a meeting place designed for both traditional and nontraditional students, FAU offers more than 170 bachelor's, master's, specialist's and doctoral degrees through its nine colleges.

"Regardless if you are an undergrad looking for the full university experience or a researcher seeking the next big discovery, FAU provides an environment that breeds success," says Frank T. Brogan, FAU alumnus and president.

Building on its rich tradition as a teaching university, FAU continues to develop as an active research institution dedicated to seeding Florida's economy with high-tech enterprise. Collaboration with organizations such as Scripps Research Institute and Torrey Pines Institute for Molecular Studies as well as it's recent acquisition of Harbor Branch Oceanographic Institution offer FAU students and faculty unique research opportunities and access to leading-edge technology.

JUST CONSIDER FAU'S NUMBERS:

- *A world-class faculty boasting more than 1,000 professors and instructors offers career expertise and personal attention to students*
- *Hundreds of student organizations, fraternities and sororities enrich life on and off campus*
- *18 NCAA Division I athletic teams that provide student-athletes with opportunities to excel in class and in sport*
- *More than $100 million in financial aid each year for students*

Frank T. Brogan

PRESIDENT — FLORIDA ATLANTIC UNIVERSITY

Legendary Coach Don Shula, President Brogan and Athletics Director Craig Angelos following FAU's third-consecutive Shula Bowl victory.

FRANK T. BROGAN became became the fifth president of Florida Atlantic University in March 2003. Previously, he was lieutenant governor of Florida, the state's commissioner of education, superintendent of schools in Martin County, Florida, and a principal, assistant principal, dean and fifth-grade teacher in Martin County public schools.

President Brogan and his twin brother, John, were born in Cincinnati, Ohio, the youngest of six children. The first member of his family to graduate from college, President Brogan received a bachelor's degree in education *magna cum laude* from the University of Cincinnati in 1976. Two years later, he moved to Florida to teach at Port Salerno Elementary School on the Treasure Coast. He continued his education at FAU earning a master's degree in education in 1981. In rapid succession, he became dean of students at Indiantown Middle School, assistant principal and then principal at Murray Middle School, Martin County's elected superintendent of schools, Florida's commissioner of education (the youngest person ever to hold that office), and, in 1999, lieutenant governor on the Bush-Brogan ticket. He had just been elected to a second term as lieutenant governor when he decided to seek the presidency of his alma mater, FAU.

Athletics Director Craig Angelos, President Brogan and son Colby John

President Brogan has been a champion of public education all his life. He considers his most important achievement as commissioner of education to have been building greater accountability into Florida's public school system, and he is a strong advocate of accountability in higher education as well. His goals for FAU include supporting its continued growth as an important center of teaching, research and public service activities; increasing access to higher education across the University's seven-county service region; encouraging diversity in FAU's student body, faculty and staff; supporting world-class research initiatives; fostering close, mutually supportive relationships with the communities the University serves; and making FAU an ever-stronger engine of economic development for South Florida.

In addition to championing education, President Brogan has served as a leader for other important causes. During the past few years, he has become especially involved in the fight against cancer — a disease that claimed the life of his first wife, Mary. He has used his remarkable speaking ability to crusade in the fight against breast cancer and he currently serves as statewide chairman of Florida's Dialogue on Cancer. He has received a public service award from the Pioneers in Prostate Cancer.

For 2007-08 President Brogan was named vice president of the Sun Belt Conference's Executive Committee—an eight-person team providing oversight for conference through approval of conference-wide rules/ legislation, the conference office budget and tournament championship sites as well as other duties.

Dr. Roy Levow

NCAA FACULTY ATHLETICS REPRESENTATIVE

DR. ROY LEVOW was named Florida Atlantic University's NCAA Faculty Athletics Representative by President Brogan in May 2007.

Levow's efforts will blend nicely with his relationships as the past president of the University Faculty Senate, a position that saw him hold a seat on the Board of Trustees.

Levow is a professor and associate chair for Broward programs in the department of Computer Science and Engineering at Florida Atlantic. He joined FAU in 1970 with the charge of establishing the University's first program in computer science housed in the mathematics department. He later transferred to the computer systems department and then joined the computer science department when it was formed.

He has served terms as chair of mathematics and computer science and engineering. Most recently, he was responsible for developing the undergraduate degree program in information engineering technology for students with an AS degree in computing technology.

Upon Levow's arrival at FAU he became involved in faculty governance and has three times served as head of the university/faculty senate. He has also served the University in a variety of advisory roles on issues related to computing.

Dr. Levow earned his bachelor's and doctoral degrees in mathematics and applied mathematics, respectively, from the University of Pennsylvania. Prior to FAU he held positions in industry and at the University of Hawaii.

Craig Angelos DIRECTOR OF ATHLETICS

CRAIG ANGELOS was named director of Athletics at Florida Atlantic University in July 2003, assuming oversight responsibility for the institution's 17-team intercollegiate athletic programs. Since that time the total number of sports has grown to 18 and the department services more than 500 student-athletes.

Angelos enthusiastically embraced his multi-faceted role and has moved at a rapid pace to take the program to newer heights, by working with President Brogan, FAU students and staff. His philosophy for running a successful intercollegiate athletic program is built on four fundamental principles: institutional control, academic excellence, fiscal integrity and winning championships.

He took over a young athletic department and immediately negotiated entrance into the Sun Belt Conference (one of the 11 1-A conferences) and developed a plan and to lead the institution's transition from NCAA Div. I-AA to I-A. He initiated the University's brand identity campaign which came to conclusion in 2005 and has become a revenue stream for both the University and athletics. Along the way, a television contract was secured in 2004 that saw ESPN and Fox Sports become regulars at both home and away football contests; something FAU has repeated year after year. The department also became the fourth university within the state of Florida to have an all-sports apparel deal with Nike, joining Florida State, Florida and Miami. In 2005-06 the bar of success was raised with seven of the 10 sponsored FAU sports advancing to postseason play. In all, FAU captured five conference women's championships and was one of just eight schools nationally to capture five or more women's championships. His leadership in 2006-07 saw the Owls flourish in the department's first full-season in the Sun Belt Conference and the Atlantic Soccer Conference.

During Angelos' tenure, the Owls have captured 12 conference titles and FAU has represented the University in postseason competition 17 times. Four individuals earned All-America status while two earned Academic All-America honors. The department's commitment to a holistic approach to student athlete excellence shows with more than 35% of the student-athletes maintaining a 3.0 GPA and with the National Consortium for Academics and Sports honoring FAU as an Academics and Sports Outreach and Community Service Program Honor Roll member in 2005. This was made possible in part due to the recent creation of a Champs/Lifeskills program that assists the student-athletes development in the areas of academic and athletic excellence, personal and career development and community service.

Perhaps, most significantly, under Angelos' leadership the department has been able to develop a balanced budget plan and has witnessed a steady rise in community involvement and donor commitment providing more scholarship dollars each year.

His complete renovation of fundraising measures has resulted in major gift increases of 400%, an Owl Club fund increase of 130% and an increase in special event revenue of 150%. Angelos' efforts to market the teams, build a fan base and showcase the University on national television have greatly enhanced the overall image of the athletics program.

Angelos has also hired two new basketball coaches. In April 2005, he brought Matt Doherty back to the college ranks. In just one season, men's basketball revenues tripled and attendance more than doubled. That foundation, laid by both Angelos and Doherty, was continued in 2006-2007 by former associate head coach and newly

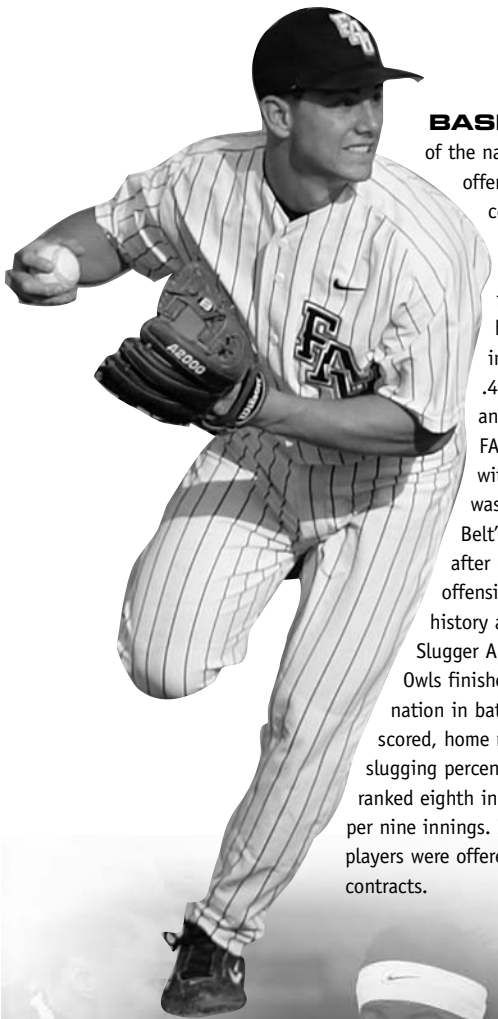
hired head coach Rex Walters. Attendance continued to climb and under Walters' direction the Owls hosted the first round of the Sun Belt Conference tournament in a basketball environment that is unmatched in the Owls 18-year history.

Almost immediately after his arrival at FAU, Angelos initiated a master plan and review of all athletic facilities. His plan's implementation began in the fall of 2006 with a new $4.5 million track and field complex that opened in the spring of 2007 and welcomed fans with the first spring game being played in April on the new field. Weeks prior to the track opening celebration, a $10 million renovation began on the arena called home by the men's and women's basketball team as well as volleyball. Perhaps the gem of the projects includes the plan of building an on-campus football venue that would solidify the athletic department's position among top-tier institutions. More importantly, the entire University would benefit by his vision of developing an "innovation village" that would create much needed additional student housing, retail establishments, additional parking, and a hotel and conference center.

Prior to coming to FAU, he was the deputy director of Athletics and chief operating officer at Indiana University. While there, he supervised many aspects of the athletic department including the football program and was instrumental in negotiating a Nike contract for 23 of its 24 sports. Previously, he was at the University of Miami (FL) for eight years, serving in a variety of positions but primarily as the second in command under UM's athletics director Paul Dee. Prior to Miami, he spent three years at the NCAA as a legislative assistant interpreting the association's rules and regulations. He has served as an intercollegiate athletics administrator for nearly 16 years.

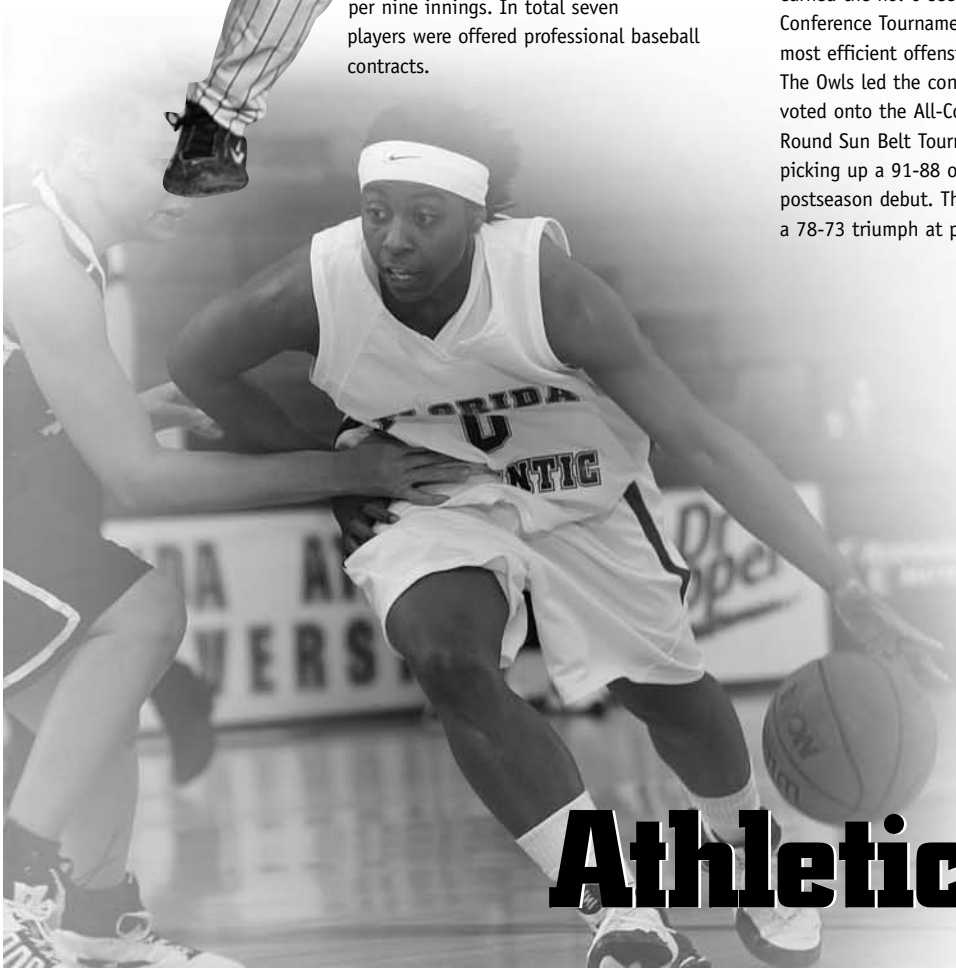
A graduate of the Creighton University School of Law in Omaha, NE, Angelos worked for a short time in a mid-size litigation firm in Los Angelos, CA. However, he ultimately decided to combine his legal background and his love for athletics and gravitated towards a career in intercollegiate athletics. During his undergraduate years at Brigham Young University in Provo, UT, Angelos was the starting first baseman on the varsity squad. He later played for one year in the Italian professional baseball league in Buttrio, Italy.

The 45-year-old Angelos and his wife, Kristin, have been married for 22 years. They will gain another intercollegiate prospective in 2007-08 as their eldest daughter Alayna (18) joins the women's basketball team at BYU. The couple has five other children, Alexis (15), Abigail (12), Austin (10), Aaron (7) and Alivia (4).



BASEBALL... used one of the nation's most powerful offenses to reach the conference tournament in the team's first year in the Sun Belt. For the first time in program history, the team had two individuals finish with a .400-plus batting average, and Robbie Widlansky broke FAU's single-season mark with a .430 average. He was also named the Sun Belt's Player of the Year after posting one of the best offensive seasons in Sun Belt history and earned Louisville Slugger All-American honors. The Owls finished in the top-10 in the nation in batting average, runs scored, home runs per game and slugging percentage, while FAU hurlers ranked eighth in strikeouts per nine innings. In total seven players were offered professional baseball contracts.

MEN'S BASKETBALL earned the no. 6 seed in the Sun Belt Conference Tournament, thanks to the conference's most efficient offensive attack in terms of field goal percentage. The Owls led the conference in assists and had two athletes voted onto the All-Conference Second-Team. FAU hosted a First Round Sun Belt Tournament game against Florida International, picking up a 91-88 overtime win in Head Coach Rex Walters' postseason debut. The other highlight win during the season was a 78-73 triumph at perennial power Western Kentucky.



WOMEN'S BASKETBALL saw Head Coach Chancellor Dugan pick up win no. 100 against Akron on November 17, 2006. She is just the second FAU women's basketball coach to reach the century mark, joining Wayne Allen, who finished with 167 wins. Dugan was also nominated for the Palm Beach County Coach of the Year award. The Owls picked up their first Sun Belt win against New Orleans at the FAU Arena.

Athletic Review

CHEER TEAM performs regularly at home and away football games, men's and women's basketball home games and is a constant at community events. The squad, shorthanded due to injury, placed 12th at nationals in 2007 and performed an exhibition at King of the Jungle in Fort Lauderdale. The team finished second in 2001 and 2003 at the NCA competition and owns a national pairs championship.

CROSS COUNTRY finished 5th on the women's side and 11th on the men's at the Sun Belt Championships under Head Coach Alex Smolka. The women had two runners who narrowly missed qualifying for the NCAA National Championships with strong showings at the NCAA Regional. The women's team won three meets during the year, while the men earned one victory and three top-three finishes.

DANCE has garnered national attention in the last few years. The squad performs at football and basketball games, as well as pep rallies and charitable events, featuring dozens of routines and nearly as many creative outfits and dance styles. The program placed second in the nation in 2005 at the National Dance Association competition and helped raise money for programs such as Breast Cancer Awareness during the 2006-07 season.

FOOTBALL played the nation's fourth most difficult non-conference schedule. The experience gained got the Owls off to a threatening Sun Belt start, startling many who had picked the league's newcomer last. FAU finished 4-3 in the Belt and were in the hunt for a bowl appearance late into the season. The Owls played before a record crowd at Clemson, faced off against Steve Spurrier and also traveled to Kansas State and Oklahoma State. The inexperienced team showed maturity and ability with several players, specifically Frantz Simeon, being listed among the nation's statistical leaders. At season's end, Nello Faulk worked out for several NFL teams and attended the Jaguar's mini-camp. Two players continued to shine in Europe and Lawrence Gordon returned to the CFL.

MEN'S GOLF had three top-five finishes in its first season under Angelo Sands, who was hired on Nov. 17, 2006 as the head coach. The Owls have seven projected returners, giving the 2007-08 squad a veteran presence that will help boost the program under the direction of Sands.

WOMEN'S GOLF finished third at the Sun Belt Conference Tournament under the guidance of Head Coach Joan Joyce. The Owls had an individual take top honors three times in 2006-07, and the team won the Cincinnati Springs Invitational. Sophomore Praewnapa Phol-Uayporn earned All-Conference honors and was a strong candidate for the NCAA Regional.

MEN'S SOCCER had an eventful year under Head Coach Kos Donev. The team advanced to the finals of the Atlantic Soccer Conference Tournament in its first year in the league. FAU would end the season with a 7-9-1 record and place two players on the All-Atlantic Soccer Conference second team.

WOMEN'S SOCCER had a seven-game winning streak at one point and posted eight more shutouts on the way to earning the no. 4 seed in the Sun Belt Championship Tournament. The Owls advanced to the second round before falling to eventual conference champion Denver. FAU placed three on all-conference teams and two on the all-tournament team. A 2-1 win over rival Miami highlighted the 2006 campaign.

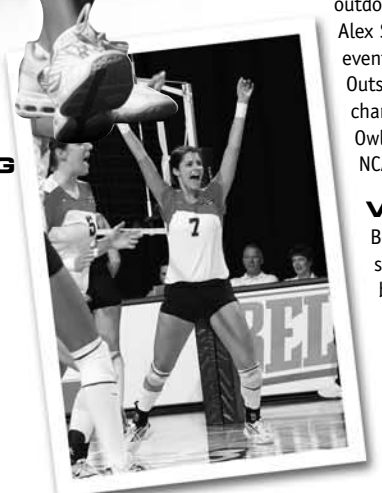
SOFTBALL won both the regular season and postseason Sun Belt Championships and swept the Sun Belt's Player, Pitcher and Coach of the Year awards. The Owls had the highest RPI of any team not invited to participate in an NCAA Regional. It was just the second time since 1999 that FAU did not participate in a regional. The Owls won three games on Championship Saturday to emerge from the loser's bracket as conference champions, their 10th postseason title in the last 11 years.

MEN'S TENNIS saw the development of standout freshman Olivier Sajous, as he rocketed up the national rankings to no. 63, the highest ranking ever for an FAU individual. The Owls played every opponent tough, despite a roster made entirely of newcomers, with seven defeats by the slimmest of margins (4-3) and nearly upset the no. 2 seed Middle Tennessee, in the Sun Belt Tournament's opening round under the direction of second-year Head Coach David Komie.

WOMEN'S TENNIS earned a spot in the Sun Belt Conference Tournament under Head Coach Mary Dailey in the team's first season as a conference member. All but one of the squad's top six performers are projected to return. The Owls claimed victories over Central Arkansas, Dartmouth, New Jersey Tech, Duquesne, Sacred Heart, Siena and Arkansas State in 2006-07.

WOMEN'S TRACK AND FIELD earned 8th place finishes at both the indoor and outdoor Sun Belt Championships under Head Coach Alex Smolka. Owl freshman Friederike Feil won two events and was named Freshman of the Year and Outstanding Women's Track Performer at the indoor championships. During the outdoor campaign, the Owls produced three automatic qualifiers for the NCAA East Regional.

SWIMMING AND DIVING defended their Sun Belt Conference crown and had a swimmer advance to the NCAA Championships for the third time in the last four years. Head Coach Steve Eckelkamp and Diving Coach Ashleye Henyan both earned Women's Coach of the Year honors. The men's team finished fifth at the Sun Belt Championship and broke three school records during the season.



VOLLEYBALL advanced to the Sun Belt Conference Tournament in the team's first season as a conference member. The team will be the first to play in the newly renovated FAU Arena, which underwent a $10 million facelift over the summer. Head Coach Jody Brown is approaching his 200th win at FAU.

Michelle Brown, Ed.D.

ASSOCIATE ATHLETICS DIRECTOR/ DIRECTOR OF THE CENTER FOR ACADEMIC EXCELLENCE

DR. MICHELLE DOMAS BROWN is Dr. Michelle Domas Brown was named the director for the Student-Athlete Center for Academic Excellence in 2005.

Brown, who reports to the Dean for Undergraduate Studies, oversees the student athlete center for academic excellence, serves as a liaison between the athletic and academic communities at FAU and is responsible for coordinating the NCAA's Academic Progress Rate (APR) initiatives. Her primary objective is to ensure that student-athletes have the resources and support structure in place to reach their educational goals.

Brown has been at FAU since 1997. Before taking her position with the SACAE in October 2002, she was an assistant director for Freshman Programs. Throughout her tenure at FAU, she has worked with students in many capacities focusing on their personal development and academic success.

The balance between academics and athletics has been a very important part of Brown's life.

Brown earned a full athletic scholarship in volleyball at West Virginia University. She had a successful athletic career, earning several awards, including GTE Region-2 All-Conference Academic First Team and the Atlantic-10 All-Conference First Team. Brown continues to hold individual WVU records in career digs and service aces. She graduated with honors in four years with a bachelor of arts in international studies and foreign languages.

Having earned the Atlantic-10 Post Graduate Scholarship and a graduate teaching position, she continued her education by earning a master of arts in foreign language from West Virginia University. In 1995, Brown married Jody Brown and returned to Boca Raton where her husband became FAU's head volleyball coach. While working full-time at FAU, she earned her doctorate in education in educational leadership, higher education administration.

Dr. Brown and Jody have one son, Kaja (3).

Quentin Ball

ASSOCIATE DIRECTOR, CENTER FOR ACADEMIC EXCELLENCE

QUENTIN BALL joined the Florida Atlantic University academic staff in fall 2005, after a one-year stint at Saint Peter's College. His primary responsibilities include coordinating the academic efforts for the football team.

Ball came to FAU from Saint Peter's College in Jersey City, New Jersey, where he was the academic/ athletic coordinator. His main role at Saint Peter's was to determine and certify the eligibility of student-athletes. Additionally, he was responsible for the advisement of all student-athletes and monitored every student-athlete's degree progression. He served as the CHAMPS/ Life Skills Coordinator and assisted with the SAAC. Outside of his athletic department duties he served on the President's Enrollment Council and was a charter member of the First Year Experience Committee.

Prior to Saint Peter's, Ball worked at USF for nearly two years in a similar role. There he primarily advised the men's and women's basketball student-athletes. He was involved in many of the changes that took place throughout the growth of the athletic academic program during the time the school was selected to join the Big East Conference. Additionally, Ball was the practice coordinator and floor manager when USF hosted the NCAA Men's Basketball Tournament 1st and 2nd Round.

Ball received his master's degree in human performance with a specialization in sport management in December 2001, from the University of Alabama. While working toward his degree he also completed a graduate assistantship at the school's Center of Athletic Student Services. His primary responsibilities involved working as a graduate academic counselor to the football and men's basketball programs.

The St. Louis, Missouri native graduated from the University of Florida in 2000, with a bachelor's degree in business administration with a concentration in sports management. During his four years at UF he served as a student manager for the men's basketball program. He was a member of the program when the team played for the National Championship in 2000.

He is married to the former Shannon Brubaker of Gainesville, FL.

FLORIDA ATLANTIC UNIVERSITY is committed to each student-athlete as a total person. Participation in athletics is important, but it represents only one aspect of a student-athlete's college experience. Student-athletes at Florida Atlantic University have the opportunity to participate in one of the top athletic programs in the country. More importantly, they have the opportunity to earn a degree from an outstanding academic institution, one that will provide them with the necessary skills and experiences to find success and fulfillment well beyond college.

The University's commitment to the student-athlete is a dual one. Participation in the athletic arena is not viewed as an obstacle to the attainment of one's educational goals, rather it is seen as a complementary activity. Each supports the other. Athletic excellence is stressed, but academic achievement is never compromised.

The University realizes that student-athletes are required to commit a large percentage of their personal time to University-sponsored athletic activities. For this reason, the University recognizes the need for a support program for its intercollegiate athletes. The Student-Athlete Center for Academic Excellence is designed to assist all student-athletes in achieving their educational goals.

Academic counselors work collaboratively with faculty and campus advising centers to ensure that student-athletes are taking the appropriate classes and making progress toward their degrees. Counselors also work with students on a variety of learning enhancement activities, including study skills and time management strategies. In addition to individualized counseling, a comprehensive tutorial program is also available to student-athletes through the Academic Center. Tutors come highly recommended by faculty and they are generally available to work with students in all subject areas.

The Student-Athlete Center for Academic Excellence also coordinates community outreach and "life skills" activities for FAU student-athletes. FAU takes considerable pride in the accomplishments of our student-athletes in the community. In fact, the FAU Athletic Department was recognized recently by the National Consortium of Academics and Sport as one of the top universities in the country for commitment to community service.

CHAMPS/Life Skills Program

Florida Atlantic's CHAMPS/Life Skills Program made a transition in 2006-2007 from a program that was administered through the Center for Academic Excellence to one that is embraced by the entire athletics department.

PERSONAL DEVELOPMENT

The Student-Athlete Center for Academic Excellence offers a variety of personal development programs for student athletes. In recent years, FAU's personal development programming has been conducted through a series of workshops designed to help students not only make a successful transition to college life, but also to prepare them for success beyond FAU once they graduate. Recent workshops have focused on time management, study skills, drug and alcohol awareness, gambling, financial planning, sport psychology, health and wellness topics and better interview techniques.

FAU's Life Skills program also includes sections for the First Year Experience course (SLS 1501) that are specifically designed for freshmen student-athletes. While the curriculum for these classes will follow the traditional SLS model that is currently in place at FAU, certain topics (e.g., time management, freshmen transitional issues, drug and alcohol education, communicating with the media, etc.) are taught in a manner that will help meet the unique needs of the student-athlete population. Students' involvement with this class has had a positive impact on their academic performance and helps them build a community.

STUDENT-ATHLETE ADVISORY COUNCIL (SAAC)

Each athletic team at FAU has at least two representatives on the Student-Athlete Advisory Council (SAAC), a leadership and service organization that exists for the betterment of the student-athlete experience. SAAC meetings provide students with a vehicle to express any concerns they may have with existing practices and to offer suggestions for improvements in the future. The SAAC also organizes a wide variety of community outreach activities each semester. Senior soccer player Megan Coyne served as president of FAU's SAAC in a year that saw SAAC participate in several outreach events including fundraisers for the American Cancer Society and for the University of New Orleans. Coyne was also selected by the Sun Belt Conference to represent its 11 members at the National SAAC Meetings. SACC organized a holiday party and donated gifts to a community of underprivileged youth, worked a YMCA haunted house and visited several local elementary schools. In 2007-2008 Chris Eberthart (baseball) will serve as the SAAC president, Jarrid Smith (football) vice president, Jessica Badder (women's soccer) secretary and Brittney Comer (women's soccer) will serve as the treasure.

CAREER DEVELOPMENT

Florida Atlantic is located in the third best real estate market in the U.S. Boca Raton's miles of sandy coastline and direct flights into every major city in the U.S. has attracted multiple Fortune 500 businesses and there is nearly 5.4 million square feet of prime office space. Simply said, students athletes are afforded the opportunity to be teamed with some of the best mentors in the country. FAU's mentor program is designed to match FAU student athletes with business people in the greater South Florida community with similar fields of interest. Mentors become off-campus advisors to students, able to introduce students who are well schooled in theory to the real and practical world of business. The program is also a fine opportunity for students to make friends in the business community and receive advice and help from successful people.

COMMUNITY SERVICE

Throughout the academic year, FAU's student-athletes continuously interact with several community organizations through clinics, fundraisers, and educational enhancement initiatives in schools, after-school programs, and non-profit organizations. Here are a few organizations that teamed with the Owls in 2006-2007

- YMCA
- JC Mitchell
- Girl Scouts
- American Cancer Society
- Dixie Manor Community Center
- Local Elementary Schools

FAU's student-athletes, coaches, and administrators show a commitment to service as they are involved in a wide range of community outreach activities throughout the year. FAU believes in the importance of interaction between the student-athletes and the community and strives to uphold a broad based program of service to the greater South Florida region. This comprehensive community outreach program helps the student-athletes develop an appreciation for and a life-long commitment to volunteerism.

Athletic Department Administration

MELISSA DAWSON
Associate AD, Senior Woman Administrator

Melissa Dawson became Florida Atlantic University's Associate Athletic Director and Senior Women's Administrator June 1, 2001. She is the University's first person to hold the SWA position, in a full-time capacity, demonstrating the University's commitment both togrowth and to the development of women's sports.

Since coming to Florida Atlantic, Dawson has placed her fingerprints on the quality of game operations. Included in her overall plan to improve facilities was the recent addition of a track complex and to bring the arena back on-line after a complete renovation. She also works hand-in-hand with the training and equipment rooms to encompass the needs of the entire athletic department. She supervises several individual teams and spearheads the department's efforts to assure the equity and student welfare of the entire department, many times taking the lead from the SAAC committee, which she sponsors.

Dawson came to FAU from Florida State University. While the title of SWA is new for her, the inner working of college athletics is not. The Inverness, FL native held various positions at FSU during her 12-year tenure.
She began as an equipment manager for the Seminoles and continued her career in an administrative role, primarily working with women's volleyball, basketball and softball. She graduated in April of 1992, from Florida State, with a bachelor of science in physical education.

The following fall, Dawson's title changed once again to Assistant Home Event Manager, a position that provided her the opportunity to coordinate all invitationals, conference championship and NCAA tournaments hosted by FSU.

She was again promoted in August of 1993 to Assistant Director of Athletic Facilities and Operations, a position she held until her departure from FSU for FAU. As FSU's Assistant Director of Facilities, Dawson directly supervised the daily operations of volleyball, soccer and softball and assisted in the daily game operations for tennis and swimming. She also served as the manager for eight athletic facilities was the liaison between FSU and Nike and supervised an equipment staff of five, all while earning a master of science in athletic administration in April of 1996.

She has served as the tournament director or assistant tournament director for ACC Championships, NCAA Regional Championships, a 24-team softball tournament and the 1996 NCAA Division I Women's Tennis Championship.

ED HAYWARD
Associate AD, Director of Compliance

Ed Hayward came to FAU in March 1996, with the daunting task of establishing a strong compliance office while preparing and guiding the University through the NCAA Self Study. He accomplished task one and has proved invaluable as both a certification officer and as an ear for coaches, players and administrators, especially in problem resolution.

Hayward was rewarded in the winter of 1999 with a promotion to Associate AD at which time he assumed the responsibility of overseeing several sports. He has been a constant through the administrative changes.

Hayward came to FAU after serving as Florida International University's Compliance Retention and Academic Support Athletic Coordinator from January 1992 to February 1996.

While at FIU, he was directly responsible for the academic support of 240 student-athletes, evaluation of incoming transcripts, intervention and retention group for at-risk students, the academic study hall program and interpretation of NCAA bylaws and rules.

Hayward, who received his masters of science in sports administration in December of 1991 from St. Thomas University, came to Florida from Tennessee Technological University where he served as Admissions Counselor for the University's Office of Admissions from 1988 to 1990.

While at Tennessee Tech, he was responsible for gathering academic profiles of recently admitted students, the presentations to prospective students and their parents, community college and high school visits, and evaluation of transcripts.

Hayward, who received his B.A. with an emphasis in journalism in 1988 from Tennessee Tech University, became involved with the support and advisement of Foot Fraternity Inc (football) while working at Tech and continued his community support upon becoming a resident of Miami. He was a four-year letterman for the Golden Eagles ('83-'85, '97) and in the program's extended history is one of seven to rush for 1,000 yards (1,021 '85).

He has been a road race coordinator for the Miami Runners Club and has served on the board of directors. Hayward also volunteers for Boys Town of Florida, Miami division, and was a football coach for the North Miami Parks' Recreation Department.

Hayward resides in Miami with his wife, Lisa, and three children, Christian (11), Myles (8) and Virginia Brya (4).

RANDY LANGEJANS
Associate AD, Business Operations

Randy Langejans joined the Florida Atlantic staff in June of 2004, with the responsibility of overseeing the fiscal operations of the athletics department.

Since coming to Florida Atlantic, Langejans has been instrumental in growing and managing a competitive budget for 18 sports along with numerous department support areas. He also assisted with the development of a comprehensive business plan for the department, which included a balanced three-year model forecast.

Langejans joined the Owls after spending 20 years in various roles at Northern Arizona University. At NAU, he started as a graduate assistant football coach, moved into the areas of athletic ticketing and event management before his role in business operations, which began in 1990.

In that capacity, the Northern Arizona graduate was responsible for the fiscal affairs of the athletic department, which included all sports camp activity. As he developed into his role, Langejans was afforded additional responsibilities, which included event management, football scheduling and travel. During his last two years at NAU, he also oversaw the day-to-day operations of football, men's basketball, and the men's and women's cross country and track and field teams.

He has served as the tournament manager for a number of conference post-season events as a member of the NCAA Division I men's tennis national committee of which he was the national chair during the 2004 season.

A former 20-year high school sports official, he earned his degree in recreational leadership with an emphasis in business administration in 1984.

Langejans and his wife, Bonita, were married in Maui in March of 2006, and reside in Boynton Beach.

BRIAN MCNEELY
Associate AD

Brian McNeely joined the staff at Florida Atlantic University in the winter of 2007 as an Associate Athletics Director, a position that will work hand-in-hand with Athletics Director Craig Angelos as well as each the FAU administrative team members.

McNeely brought nearly 30 years of college athletic experience to an athletic program that has been competing in intercollegiate baseball for less than 30 years basketball for less than 20 seasons and football for just seven.

His broad based experience as a collegiate football coach and as a president/CEO and founder of two corporations, will serve the department well as it continues to grow and strive for new successes.

McNeely began his coaching career at Butler County Community College in 1978-1979 as an assistant coach and as a head coach from 1982-84. He has also coached at Pratt Community College (1981), University of Kansas (1985), Garden City Community College where he served as the head Football Coach and Assistant Dean of Admissions from 1986-1991. McNeely then roamed the sidelines as Idaho State University's Head Coach from 1992-1996. McNeely then moved from an educational environment to non-for profit when he began fundraising and served as the director for Fellowship of Christian Athletes (1998-99). He returned to college athletics on a fulltime basis in 2000 when he served as the University of Colorado's Director of Football Operations/ Recruiting. McNeely delved back into coaching at Indiana University where he served as the Assistant Head Football Coach and Recruiting Coordinator from 2002-2004.

Seeing a communication and research need for college recruiters, McNeely founded and serves as the CEO of a Sports Management company. He also serves as the President and Founder of Global Refuge International, an organization that provides international relief and developmental organization for acute medical care around the world. Two of his three children currently work for GRI.

McNeely has been married for 28 years and has three children (Shaunessy, Jaden and LoriAnne).

TERRY MOHAJIR
Associate AD, Development

Terry Mohajir was named Florida Atlantic University's Associate Athletics Director for Development in December 2004, and assumed new responsibilities in December of 2006 as the Associate AD for External Relations. The added responsibilities of overseeing development, marketing, ticket sales, corporate sales and the media relations department are both a compliment to his ability to raise unrestricted dollars necessary to balance the athletic department's budget and the need to centralize efforts.

Since coming to Florida Atlantic he has been heavily involved in creating a comprehensive fundraising program with a focus on major gifts, the annual fund and special events. Since Mohajir arrived, the department has enhanced the major gift program 400 percent, and has increased Owl Club giving 130 percent. In addition, the special events revenues have increased 150 percent. He also coordinates all fundraising efforts for the proposed 170 million dollars worth of facilities expansions.

Mohajir joined the staff after serving in a similar role at the University of Missouri-Kansas City from 1997-2004. As the assistant athletics director for external relations at UMKC, Mohajir oversaw all marketing and promotions, sports information, fundraising, radio and TV contracts, corporate sales, tickets and event operations. While at UMKC, Mohajir was responsible for a 450 percent increase in the educational athletics endowment. He oversaw an 80 percent increase in sponsorships and an 89 percent upswing in the athletics fund donor base. There was also a 33 percent increase in ticket revenue under his direction. One of his more visible accomplishments was leading the fundraising and construction efforts for a new training room and strength and conditioning center.

Prior to working at UMKC, Mohajir was a football ticket sales and promotions account executive for the University of Kansas from 1996-97, and was an assistant offensive line and gameday special team's football coach for the Jayhawks from 1993-96. Mohajir graduated from Arkansas State with a major in sports management and a minor in marketing in 1993, where he was a starter on the football team. He earned a master's degree in sports management from the University of Kansas in 1997.

Mohajir and his wife, Julie, have two daughters, Maria (6) and Molly (4).

SHELLEY BINEGAR
Assistant AD, Director of Ticket Operations
Owl Club

Shelley Binegar joined Florida Atlantic University in January of 2004 as an assistant athletics director and director of ticket operations.

In 2005, Binegar moved from the ticket office to the development office where she now oversees the Owl Club, FAU's official booster organization, along with maintaining oversight of the ticket office. Under her guidance Owl Club giving has increased 130%. Binegar is also responsible for planning the Athletics Department's special events, including the Owl Club Dinner and Auction, Golf Tournament, Hall of Fame Banquet, football tailgates, and Owl Watch parties. Over the past two years special events revenues have increased 150%.

In addition to her development and ticket responsibilities, Binegar serves as the department's liaison for the Student-Athlete Mentor Program, which matches current student athletes with community members in areas of study and expertise.

Binegar came to FAU following a four-year stint at Ohio University, where she was the director of ticket operations. Binegar, an Athens, OH native, returned to Ohio after spending a year at the University of Wisconsin as an office assistant in the athletics ticket office.

A 1998 graduate of Bowling Green State University, she earned a bachelor's degree in sport management with a minor in marketing. She went on to earn a master's degree in sport administration from Ohio University in 1999. Binegar has one cat, Smokey (8).

DEXTER LAMONt
Assistant AD
Director of Marketing and Licensing

Dexter LaMont was hired as director of marketing for Florida Atlantic University in July of 2002. LaMont is responsible for developing marketing and promotion plans to increase attendance/ticket sales for all home events, enhancing advertising inventory, and incorporating clients needs into game-day experiences, all in an effort to increase spectator interaction. He also serves as the liaison for collegiate licensing with SMA for the University.

Prior to joining FAU, LaMont served two years as the director of women's marketing and promotions at Oklahoma State University. His duties included the marketing management of all Cowgirl athletics, including game operations and public and community relations.

Prior to his appointment at OSU, LaMont was a marketing assistant at Florida State University for two years. His primary responsibilities included marketing management for volleyball, softball, and all other Seminoles Olympic sports. He also assisted in a similar capacity with football and women's basketball.

LaMont graduated from Florida State University in 1998, and is married to the former Shannon Edwards.

KATRINA MCCORMACK
Assistant AD, Director of Media Relations

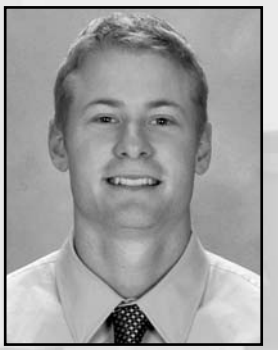
Katrina McCormack came to Florida Atlantic in July of 1991 with the responsibility of a one person NCAA Division II department that handled all media relations activity for 14 sports. Since that time, FAU has moved to Division I, joined a conference, set in motion a move to another conference, and added three additional sports.

She has enjoyed working NCAA Championship events for volleyball, softball, baseball, the national men's soccer championship, women's basketball, men's basketball, including the round of 16, and most recently served as media coordinator for the Division I-AA Football Semi-Final Championship. McCormack also spent the summer of 1996 working at the Olympics.

While McCormack primarily works with football, she also writes for several on-campus magazines, oversees the implementation of the Web site, broadcast outlets and day-to-day functions of the department.

McCormack resides in Boca Raton with her husband, John, and sons Conor and Shane.

Medical Staff



John Burnside HEAD TRAINER

John Burnside joined Florida Atlantic University's athletic training staff in March of 2006 from McNeese State University where he was an assistant athletic trainer. Prior to that he spent a season with NFL Europe working for the Cologne Centurines as an assistant athletic trainer. Prior to heading overseas, he served as a seasonal intern for the Carolina Panthers from July 2004 through January 2005.

Coming to FAU marks his return to the college ranks but, his first without dual responsibility of academics and work. Burnside served as a graduate assistant at LSU from June 2002 through June 2004, which included the Tigers National Championship season. He was also responsible for both men's and women's track and field, which also captured a national title.

Prior to LSU, Burnside served as a student-athletic trainer at UCF and was involved with the 2002 Gridiron Classic.

Burnside obtained his master's degree from LSU in the spring of 2004 with an emphasis in exercise physiology. He earned an undergraduate degree in athletic training from UCF in 2002. The South Florida native holds certification with the NATA, the America Heart Association and the National Society of College Scholars.

Richard Staller, D.D.S.

TEAM DENTIST

There is an old saying of "put your money where your mouth is." Dr. Richard Staller, Florida Atlantic University's 48th Football Founder, joined in head coach Howard Schnellenberger's efforts to bring football to the FAU campus and has backed up his efforts by helping with the Owl Club and by working with the athletic training staff. He is the department's first and only team dentist and has totally dedicated himself to making the life experience of student-athletes better, through his efforts to institute a custom mouth guard program for all FAU athletes as well as treating all other dental needs. His devotion to the program and family was also a perfect link when he encouraged the athletic department's Champions Club to support a scholarship drive by naming a quarterback scholarship in honor of his father. Dr. Staller also currently serves as president of the Owl Club, the official booster organization of FAU Athletics.

Dr. Staller, who currently practices in Delray Beach with his staff and three dental specialists, is a graduate of Villanova University and Temple University School of Dental Medicine. He is a member and fellow of many national and international organizations including the Academy of General Dentistry, the Academy of Cosmetic Dentistry, the International Congress of Oral Implantology, and the International Academy for Sports Dentistry. Dr. Staller is on staff at several local hospitals and has lectured extensively all over the United States on various dental topics including cosmetics, implants, reconstruction, and sports dentistry.

Athletic Facilities

THE TOM OXLEY ATHLETIC CENTER

Tom Oxley, a local businessman, FAU alum and avid polo enthusiast, stepped forward with a donation that allowed the athletic center to become a reality. The 54,000-square-foot, state-of-the-art facility houses the football locker room, training room, weight room, meeting rooms and coaches' offices. The Oxley Center also houses individual locker rooms for women's track, soccer, softball and volleyball, as well as the respective coaches' offices. The athletics director and administrative staff also call the Oxley Center home. All FAU students are welcome to use the computer study labs and classrooms. The facility overlooks the baseball "B" field, FAU Field, FAU Softball Stadium, the Boca Raton Airport and two football practice fields.

TENNIS COURTS

FAU's men's and women's tennis programs make use of two tennis facilities. The newly renovated FAU courts complete the athletic complex, with six lighted courts nestled among FAU Stadium, the Aquatic Center and FAU Field. The two programs also utilize Patch Reef Park, a facility that houses 17 lighted tennis courts and locker rooms for both teams.

TRACK AND FIELD COMPLEX

FAU Track opened on January 11, 2007 and was available for immediate use by FAU's indoor/outdoor track and cross country programs, as well as the entire student body. The $4.2 million project features FieldTurf in the center of the eight-lane track, along with four long jump pits, a high jump area and two pole vault pits. FAU Track is located directly behind FAU Arena and east of FAU Softball Stadium.

Facilities

BASEBALL STADIUM

FAU Stadium is home to one of the most respected and successful programs in NCAA baseball history. The Owls, who were ranked as high as no. 8 nationally in 1999, utilize both FAU Stadium and the "B" field, which is used primarily as a practice facility. The "B" field was the original home of the baseball program, but with growing support, FAU Stadium was constructed in 1991. Plans are once again in the works for a new baseball facility as part of Florida Atlantic's efforts to maintain top-notch athletic facilities. FAU Stadium features AAA baseball lighting, is known as the best playing surface in South Florida and recently received an endorsement from Cal Ripken Jr. FAU fans enjoy the beach/picnic atmosphere along each foul line where beach chairs, coolers and family fun are a staple.

FOOTBALL PRACTICE FIELDS

The two full-sized football practice fields behind the Oxley Center are used not only by the Owls' booming football program, but by several other teams within the athletic department as a means for strength training and conditioning. The field features a commemorative memorial, dedicated to the program's first senior class in 2004.

SOCCER CHAMPIONSHIP PLAYING FIELD

FAU Field was completed as part of a 10-year development program to create five on-campus soccer fields in conjunction with the Greater Boca Raton Beach Tax District. FAU hosted the Atlantic Sun Conference women's soccer championship in 2000 and 2003, and the University has served as a practice site for several international teams, Team USA and the women's soccer professional combines. Recently, the U.S. Under-20 team faced Guatemala on FAU Field in front of 1,600 fans.

AQUATIC CENTER

The Aquatic Center features an Olympic-sized meter pool and is home to FAU's men's and women's swimming and diving programs. The pool has hosted the Independent Collegiate Conference Swim Meet and has served as the winter training facility for hundreds of collegiate swimmers and features a diving well for one and three meter events. The dive team also utilizes the facilities at the Coral Springs Aquatic Center for platform practice and competition.

FAU ARENA

FAU Arena opened its doors to women's basketball in 1984. Men's basketball and women's volleyball joined FAU Arena as tenants in 1988. The facility seats 5,000 and underwent a $10 million renovation in the summer of 2007. In addition to a new roof, renovated men's and women's locker rooms and an upgraded exterior, chair backs were added to the bleachers and a new video scoreboard was hung to give FAU Arena an exciting new feel as the programs grow in the Sun Belt Conference.

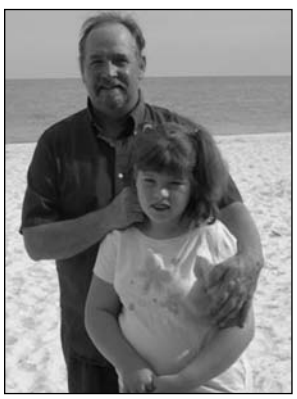
SOFTBALL STADIUM

FAU Softball Stadium houses the most successful program in Florida Atlantic's history. Through the assistance of FAU football, Hooters, Inc. and the State of Florida Title IX fund, the Owls can continue their success in one of the top facilities in the country. The Owls, who recently captured their 10th postseason conference championship in the last 11 years, play on a field lined with palm trees and a beautiful view of South Florida sunsets. The stadium is complete with concession stands, a press box and a covered batting cage along with recently remodeled dugouts

Mike Short

EQUIPMENT MANAGER

MICHAEL SHORT joined FAU Football in the fall of 2000 and was instrumental in the purchase of all equipment and the layout of the Tom Oxley Center's Equipment Room. Just four years later, Short was recognized by his peers as the South Region Equipment Manager of the Year.



Short and daughter Kirsten

Short first met Coach Schnellenberger after he transferred from the University of Georgia and became a student manager at the University of Miami, where Schnellenberger was coaching.

Short's 23-year relationship with UM (1977-2000) saw him develop professionally from a student manager to the university's equipment manager, a position he held from 1987 to 2000. He is one of a handful who experienced the team's rise from near extinction to the '80's dominance, to the fall of the early 90's and its return to power in 1999. Short was a member of the staff for three National Championship teams at the University of Miami ('83, '89, '91).

Short has published two articles on equipment management in *Athletic Business*. He has also served as a speaker at three AEMA (Athletic Equipment Managers Association) conventions on shoulder pad fitting. He is a frequent speaker at high schools throughout Miami-Dade and Broward counties. He also serves on the advisory council for Schutt Athletic, Riddell, and World Sporting Goods.

The Miami native has one daughter, Kirsten Leigh (13).

Adam Pantelakos

ASSISTANT EQUIPMENT MANAGER

Tony Smith

HEAD STRENGTH AND CONDITIONING COACH

TONY SMITH was named Florida Atlantic University's head strength and conditioning coach in May of 2005.

He came to FAU from the University of Mississippi where he served as the senior strength and conditioning coach since 2001, and where he worked directly with football and men's basketball.

Prior to Ole Miss, Smith served a stint at the University of Findlay where he was the director of strength, speed and conditioning for 26 sports, working directly with football, and both men's and women's basketball.

From 1999-2001 he served as a graduate assistant at Clemson University where he assisted with 14 intercollegiate athletic teams and worked directly with football. His work at Clemson followed a two-year stop at Gardner-Webb University where he was the director of strength, speed and conditioning.

He has also worked as a defensive line coach at both Gardner-Webb, where he was a student coach from 1997-1998, and at North Greenville College from 1995-97.

Smith served in the military and earned a rank of E-4 and received the Outstanding Achievement Award and Good Conduct Medal.

His professional achievements include working with Ole Miss at the Cotton Bowl as well as the 2002 NCAA men's basketball tournament, the 2000 Gator Bowl and the 1999 Peach Bowl with Clemson, assisting with Gardner-Webb's record NCAA Division II turnaround in 1997 when the team improved from 2-9 to 8-3, and North Greenville College's five victories as an inaugural program.

Smith is certified by the Collegiate Strength and Conditioning Coaches Association (CSCCa) and is a Specialist in Sports Conditioning (SCC) by International Sports Science Association. He is also a member of the Collegiate Strength and Conditioning Coaches Association.

Outstanding Owls

The following are just a few of many outstanding Owls — alumni of FAU — who have gone on in their professional careers to achieve success and recognition. These individuals are representative of the many FAU alumni who are making a difference in their professions and in their communities.

R. David Paulison
BA '70

R. David Paulison is the administrator of the Federal Emergency Management Agency (FEMA). Appointed by President George W. Bush, Paulison reports directly to the secretary of Homeland Security. Paulison may be called upon by the president to serve as a member of the Cabinet in the event of natural disasters or acts of terrorism. Paulison has more than 35 years of experience in emergency management. Beginning as a firefighter and paramedic, he became fire chief in Miami-Dade, Florida. Paulison was selected as "Fire Chief of the Year" by his colleagues from the state of Florida in 1993.

Steve Swanson
MAS '86

NASA Astronaut and FAU alumnus, Steve Swanson, 46, launched into space on June 8, 2007 as the flight engineer of shuttle mission STS-117. A native of Steamboat Springs, Colorado, Dr. Swanson finished his undergraduate degree in engineering physics at the University of Colorado in 1983 before coming to FAU, where he earned his master's in applied science in 1986. The next year, Swanson joined NASA as a systems engineer, working on a shuttle simulator. After earning a doctorate in computer science from Texas A&M, he was accepted into NASA's astronaut candidate training school. Now, Swanson has finally experienced his first space flight.

Luis Alberto Moreno
BBA '76

Luis Alberto Moreno has been president of the Inter-American Development Bank in Washington, D.C. since July of 2005. Prior to that, he served as Colombia's ambassador to the U.S. for seven years. Moreno received his bachelor's degree in business administration and economics from FAU in 1976, earned his MBA from the American Graduate School of International Management at Thunderbird University and was a Neiman Fellow at Harvard University. A distinguished speaker and commentator on Latin America, Moreno recently lectured at FAU on improving opportunities for low-income residents in Latin America and the Caribbean.

Lisbeth Barron
BBA '82

Lisbeth R. Barron is a senior managing director at Bear Stearns, leading its investment banking efforts for clients in film & television, music, location-based entertainment, and licensing & merchandising. She joined the company in 1997 as a partner and was elected to the President's Advisory Council in 2003. She has consummated over $50 billion in strategic advisory assignments and capital-raising transactions. Barron graduated from FAU with a degree in international business and finance in 1982. She earned her MBA from Harvard Business School.

Marc J. Philippon
BA '87

Dr. Marc J. Philippon, one of the world's leading orthopaedic surgeons, has been a partner at the Steadman Hawkins Clinic in Vail, Colorado, since 2005. Philippon is acclaimed for performing arthroscopic joint preservation surgery to treat painful hip injuries. A surgical consultant for the National Football League, National Hockey League, National Basketball Association and Major League Baseball, Philippon has treated many recognizable names from the world of professional sports including Greg Norman, Lynn Swann, Tara Lipinski and Mario Lemieux.

Julie Hilsenbeck
DNS '06

Dr. Julie Hilsenbeck has more than 20 years experience in hospital management. Currently she is the vice president for Patient Care Services and chief nursing officer for Boca Raton Community Hospital. She is responsible for the overall development of patient care initiatives and the delivery and quality of patient care. Before joining the hospital, Hilsenbeck was a national senior director for operations, with responsibility for more than 70 facilities, at Tenet HealthCare.

Skipp Orr
BA '76

Dr. Robert (Skipp) M. Orr was recently appointed chairman of the board of the Panasonic Foundation, succeeding former Vice President Walter Mondale. Living and working in Japan for 25 years, Orr served as president of Boeing Japan from 2002 to 2007. He also held positions at Motorola Japan and Nippon Motorola. In addition, he has taught at the university level in Japan. Orr also served as special assistant in the United States Agency for International Development from 1981 to 1983. Orr holds a bachelor's degree in history from FAU in 1976 and a master's degree in government from Georgetown University. He earned his Ph.D. degree in political science from the University of Tokyo.

Marc Kudisch
BFA '88

Marc Kudisch has, since his graduation from FAU in 1988, found great success as an actor and director. His first major role was in the national touring company of *Bye Bye Birdie*. His debut on Broadway was in the 1993 revival of *Joseph and the Amazing Technicolor Dreamcoat*. He garnered Tony Award nominations for his work in *Thoroughly Modern Millie* and for his performance in *Chitty Chitty Bang Bang*. Other roles on Broadway include *Bells Are Ringing, The Wild Party and Assassins*. Television appearances have included an episode of *Sex and the City* and *As The World Turns*.

Richard DiMarchi
BS '74

Dr. Richard D. DiMarchi has played a pivotal role in diabetes research. Earning his undergraduate degree in chemistry from FAU in 1974, he continued his education in the biochemistry Ph.D. program of Indiana University (IU). He was a postdoctoral associate at Rockefeller University and is currently the Chair in Biomolecular Sciences and Professor of Chemistry at IU. For more than 20 years he headed endocrine research and product development at Eli Lilly & Company and retired as the company's Group Vice President. Currently he is co-founder and board chairman of Ambrx, Inc.

THIS IS THE SUN BELT CONFERENCE

FAU's swimming and diving team won the University's first Sun Belt Conference Championship in 2006, repeated in 2007

While there are 31 NCAA conferences that sponsor multiple sports, the Sun Belt is one of only eleven to participate in the Bowl Championship Series (BCS) and Division 1-A football, now known as the Football Bowl Subdivision. The Sun Belt was formed in 1976 with six members competing in four men's sports, and today comprises 13 institutions of higher learning while sponsoring 19 championship sports for men and women. The conference has influence in a region that carries significant importance, as its membership is spread out over eight states that represent 113 total electoral votes. Thus, if you carry the Sun Belt, you are almost half way to the White House!

The Sun Belt Conference enters its 32nd season in 2006-2007 with a proud history of athletic and academic success. The conference sponsors 10 women's sports — basketball, cross country, golf, soccer, softball, swimming and diving, tennis, indoor and outdoor track and field, and volleyball; and nine men's sports — baseball, basketball, cross country, football, golf, swimming and diving, tennis, and indoor and outdoor track and field.

Each of the 19 sports has seen numerous team and individual accomplishments, and 12 Sun Belt Conference schools are currently graduating its student athletes at a rate higher than their school's student body. All Sun Belt schools are committed to excellence in the 21st century, and facility upgrades and expansion are occurring on virtually every campus.

Because of its status as a member of the Division 1-A football coalition, the Sun Belt Conference has a permanent seat on the NCAA's 16-member Board of Directors. As a result, the conference has a crucial voice on some of the most pressing issues in college athletics and will always have a role in the implementation of any future NCAA legislation and guidelines.

The conference continues to utilize television to grow and promote the league. Adding volleyball, baseball and softball to the conference's television package has resulted in more national and regional television exposure for the league than at any time in its history. The conference's regional television package enables live telecasts of Sun Belt events to reach over 20 million households. Additionally, ESPN televised the conference's men's basketball championship game for the 27th straight season in 2007, marking its longest affiliation with any conference in the country.

The Sun Belt Conference has partnered with XOS Technologies, Inc. to deliver a full-service, customized, public and premium web site to provide fans with a broad range of real-time information and content about the conference's athletic teams. The Sun Belt is one of the few conferences in the nation to provide video highlights and features on its website from each of the league's respective championships. This technology serves as a great recruiting tool for schools by enabling anyone in the world with internet access to view the conference's championship events, and fans in five different countries viewed the conference's most recent soccer championship.

The softball team captured the 2007 Sun Belt Conference Championship.

Prominent Sun Belt alumni include United States Secretary of State Condoleezza Rice (Denver), NFL Hall of Fame football player "Mean" Joe Greene (North Texas), Arizona Diamondbacks All-Star baseball player Luis Gonzalez (South Alabama), former member of the United States Senate and House of Representatives John Breaux (Louisiana-Lafayette), country music superstar Tim McGraw (Louisiana-Monroe), and actor Andy Garcia (Florida International).

The conference's first 30 years have also produced numerous individual national champions along with Olympic track medalists including Earl Bell, Tom Hill and Al Joyner (Arkansas State), Hollis Conway (Louisiana-Lafayette), and Tayna Lawrence (Florida International). Old Dominion's Anne Donovan received the Naismith Trophy recognizing the nation's top women's basketball player in 1983, helped the United States win the Olympic gold medal in 1984, and helped the Lady Monarchs capture the national championship in 1985 (one of eight women's Final 4 appearances by Sun Belt schools: Old Dominion — 1983, 1985; Western Kentucky — 1985, 1986, 1992; Louisiana Tech — 1994, 1998, 1999). Sun Belt teams have also participated in the men's NCAA Final 4 (UNC-Charlotte in 1977), the College World Series (Louisiana-Lafayette in 2000), the women's College World Series (Louisiana-Lafayette in 1993, 1995, 1996, 2003), and had 10 players selected in the first round of the NBA Draft.

The Sun Belt Conference is led by Commissioner Wright Waters, who is in his eighth full year as commissioner. He was named the conference's fourth commissioner in February of 1999 following the tenures of Vic Bubas (1976-1990), Jim Lessig (1990-1991), and Craig Thompson (1991-1998). The league's annual all sports champion is awarded the Vic Bubas Cup, named after the conference's first commissioner.

The conference office has been headquartered in downtown New Orleans since 2000 after moving from suburban Metairie, La., where it had been based since 1991. Prior to moving to the "Big Easy," the league was based in Tampa, Fla., from 1977-1991. The original conference office was located in Charlotte, N.C., from 1976-77.
