UNIVERSITY OF ILLINOIS

The University of Illinois at Urbana-Champaign is the state's classic land grant university, dedicated to building on its tradition of excellence in education, research and public engagement, and driven to innovate in each of these missions. True to its commitment to provide access to top quality higher education to all of Illinois, the Urbana campus regularly ranks among the "best buys" among American universities.

Nearly 3,000 faculty members lead more than 44,000 undergraduate, graduate and professional students in a process of discovery and learning in 17 colleges and schools and more than 150 research centers and institutes.

Illinois provides a diverse learning environment with students and faculty members from more than 120 nations, and a choice of 150 undergraduate majors. Students have opportunities ranging from participating in research or studying abroad, to leading one of more than 1,000 student organizations.

Illinois faculty members win the most prestigious national and international awards, including Nobel and Pulitzer prizes, Guggenheim Fellowships, Tony Awards, and National Medals of Science and Technology. Illinois alumni are similarly recognized; 11 have won Nobel Prizes.

Campus resources include one of the world's largest public university libraries, with its online resources and precious rare book collections, including the earliest specimen of printing in the world, the oldest book printed in moveable type, and the first folio of Shakespeare (1623).

HISTORIC FIRSTS AT ILLINOIS

1868 — first architectural instruction west of the Allegheny Mountains

1876 — establishment of the oldest continuous soil fertility research plots in the Unites States, the Morrow Plots

1893 — first school of library science west of the Alleghenies

1922 — invention of sound-on-film movies

935 — discovery of the essential amino acid threonine

1940 — invention of the betatron for high energy physics

948 — first comprehensive college program for students with severe physical disabilities

1952 — construction of the pioneering ILLIAC and ORDVAC computers

1959 — development of PLATO, the first computer used for direct education

1970 — construction of the first visible-spectrum semiconductor laser

1977 — discovery of a third life form, distinct from the forms that produce plants, animals and bacterial, called Archaea

1977 — development of the quantum well laser, which made compact disc players possible

1990 — invention of the e-mail program Eudora

1993 — development of the first browser for the world wide web, Mosaic, which was developed into Netscape

1996 — development of a processing method that extends the life of microchips as much as 50 times

2001 — development of self-healing plastics

2003 — the University Library's collection exceeds 10 million volumes, the largest collection of any public university in the world

2004 — development of the laser transistor

2005 — development of the world's fastest transistor and of a stretchable silicon that can be used to build high-performance electronic devices onto rubber substances

2006 — discovery of synthetic molecule that causes cancer cells to self-destruct

2007 — student invention allows wheelchairs to be controlled by thought

2008 — development begins on Blue Waters - expected to be the world's most powerful academic supercomputer

World-class research facilities include the National Center for Supercomputing Applications, Beckman Institute and the Siebel Center for Computer Science, and the campus community enjoys outstanding centers for the arts as well as Big Ten sports.

Finally, the University of Illinois at Urbana-Champaign is the only U.S. institution of higher education ranking in the top 10 in the three key metrics of international education: international student enrollment, total number of study abroad students, and the number of federally funded Title VI National Resource Centers for international and area studies. The campus has collaborative relationships with the best institutions around the world, which benefit students and faculty alike.

In its 2015 rankings, *U.S. News & World Report's America's Best Colleges* rated Illinois as the No. 11 public university and the No. 42 national university.

STATE FARM CENTER

Illinois has an outstanding home in State Farm Center. Known as Assembly Hall from its construction in 1963 to 2013, the iconic arena was renamed State Farm Center on April 29, 2013, with the announcement of a 30-year, \$60 million naming rights agreement. State Farm Center is undergoing a major renovation, which began following the conclusion of the 2014 season, dubbed the Illinois Renaissance. The \$169.5-million project includes a renovated seating bowl; the addition of four levels of premium seating; improved restrooms and concessions; a team store; air conditioning and many other amenities. Construction is occurring around each Fighting Illini basketball season, with the project scheduled to be completed in the fall of 2016.

The historic building opened on March 2, 1963, and continues to attract attention for its design and construction. Four hundred feet across, it at one time was one of only two edge-supported domes in the world. The roof is supported by 614 miles of one-quarter inch steel wire wrapped at the base of the dome under intensive pressure. The architect was Max Abramovitz, a distinguished University of Illinois alumnus.

Illinois opened play at State Farm Center on March 4, 1963, with a 79-73 victory over Northwestern. Since that first game, the Illini have accumulated a 578-157 (.786) record. Illinois has sold out a total of 256 games at State Farm Center and has ranked in the top 25 nationally in home attendance for 37 straight years, including in the top 17 for each of the last 16 seasons. Fans help turn State Farm Center into a sea of orange for every Illini home game, with practically every person in attendance proudly wearing orange. That, combined with the Orange Krush student cheering section surrounding the court, gives the Illini one of the best home court advantages in the country.

In seating capacity, State Farm Center ranks among the great arenas of major cities and is the largest arena in the state of Illinois outside of Chicago's United Center. Seating capacity for Fighting Illini basketball following State Farm Center renovations is 15,544.

The 2015-16 University of Illinois men's basketball record book is intended as the primary information handbook for media members covering the University of Illinois men's basketball program. This book has been designed to meet your needs in covering Fighting Illini basketball. If you find there is information not contained in this book that would be beneficial to your coverage of Illinois basketball, please let us know and we'll try to incorporate your suggestions into next season's guide.

The University of Illinois Athletics Communication staff is ready to assist you in your coverage of Illini basketball. Feel free to call on myself or any member of the staff! Thanks for your coverage of Illinois sports and . . . GO ILLINI!

MEDIA POLICIES

The University of Illinois record book is your source for information on the Fighting Illini basketball program. The Athletics Communication staff is here to help you in your coverage of Illinois basketball. Don't hesitate to call any member of our staff if you need assistance during the course of the year.

HOME GAME CREDENTIALS

Media and photo credential and parking requests for Illinois home games should be made online at **FIGHTINGILLINI.com/media**. Media season credential requests should be made by Friday, Nov. 6. Single-game requests should be made at least 10 days prior to the date of the game to ensure mail delivery. Otherwise, single-game credentials must be picked up prior to the game at media will-call. Illinois associate athletics director Kent Brown will review each application and individuals will receive an email notification following that review. No credential requests will be accepted over the phone.

Due to limitations in seating numbers, all requests will be prioritized according to published circulation numbers. Be specific when requesting the type of credential needed, either media or photo. Any non-working people in possession of a media credential will be asked to turn over the credential and leave the press area. Spouses, dates, non-workers and children are not permitted in the press seating areas. Media agencies that violate this policy may not be issued credentials for future games.

CREDENTIAL USE

Working credentials are subject in all respects to the Media Credential Criteria and Policies set forth by the Big Ten Conference and University of Illinois as in effect from time to time. Working credentials are issued for the sole purpose of providing facility access to an accredited agency's employee who has a legitimate working function (media or game service) in conjunction with this game or games. It is non-transferable and non-assignable and any duplication or alteration of this document is prohibited. Any unauthorized use of the credential subjects the bearer to ejection from the facility and prosecution for criminal trespass.

Any secondary use of any picture, photograph, audio description, video, film/tape, drawing or other description of a game taken or made by the accredited organization or individual to whom this credential has been issued (including, but not limited to use in delayed editorial or non-editorial advertising, sales promotion or merchandising) is prohibited without prior specific written approval of the University of Illinois or the Big Ten Conference. Nothing in these terms and conditions authorizes or allows

bearer to violate any of the trademarks, copyright and other proprietary rights of the University of Illinois or the Big Ten Conference. A maximum of two minutes (2:00) of game video footage (without audio) may be utilized during the one-week period following the conclusion of the game solely within regularly scheduled bona fide news programming distributed via television, and may not be distributed via the internet, wireless or other forms of media.

WEBSITES

Media credentials are issued for individuals who are affiliated with websites for national or regional television and news media organizations, e.g. USA Today, ESPN, Sports Illustrated, CBS Sports, Rivals, Scout, etc., for institutions that are conference members and non-conference opponents, and for the Big Ten Conference. The University of Illinois reserves the right to deny media credentials to any individual whose website is not affiliated with an official newsgathering organization.

LIVE IN-GAME BLOGGING AND ELECTRONIC TRANSMISSIONS

Media Agencies and Representatives shall not transmit or display any real-time video or audio, while the Event or live network presentation of the Event is in progress. Photographs or any text-based accounts or descriptions of the Event (including without limitation, any web log, blog, online journal or other web-based publication) during the event is only allowed with the advance written permission of the University of Illinois Division of Intercollegiate Athletics.

STATE FARM CENTER

All media will enter the arena through the Northeast Entrance of State Farm Center. After you enter the concourse, turn left and at your first left take the stairs or elevator down one flight to the media room (located on Mezzanine Level). We will have wireless internet access available in the media room where all press can work pregame and postgame.

The media room will open two hours prior to tip-off. You may secure roster sheets, media guides and pre-game notes and reserve a work space in this area.

PARKING

A limited number of media parking passes are available for 2015-16 men's basketball games at State Farm Center. Media parking passes will be issued for either the Northeast Lot, located on Fourth Street, or Lot E-14, located between First and Oak streets. The issuance of passes will be done on a priority basis with media who cover the University of Illinois basketball team on a regular basis holding the highest priority.

Requests will then be prioritized according to circulation for newspapers and coverage area for radio and television. A replacement pass WILL NOT BE ISSUED IF THE ORIGINAL IS LOST. To avoid game traffic, media are encouraged to arrive at least 45 minutes prior to tip-off.

WIRELESS INTERNET ACCESS

The workroom and press seating areas inside the arena will have a wireless internet network available for media. Members of the media and photographers who want to use a wireless connection at State Farm Center must pick up a wireless login and password sheet in the media workroom prior to the game. Please contact a UI Athletics Communication representative if wireless assistance is needed during the game.

COURTSIDE PHOTOGRAPHY

All photographers must work from within the designated areas behind the baselines of the playing court. The University of Illinois follows NCAA and Big Ten guidelines regarding event photography. Photo locations are first-come, first-served, but in the event of heavy demand for photo credentials for a particular game, shooting locations may be assigned by the UI Athletics Communication Office.

Strobes—Photographers wishing to use strobe equipment at Illinois home games must notify the Illinois Athletics Communication staff at least one week in advance of the game for which they are requesting. There is a charge for installation and/or use of such equipment. A maximum of two strobe units may be used for any individual game.

All photographs are to be used in coverage of Illinois basketball and cannot be sold for any commercial enterprise benefiting the photographer. Should photos be sold commercially, credential privileges could be terminated.

TELEPHONES

With wireless internet serving as the preferred method of media communication, phones lines are no longer provided in the media workroom. Any individual wishing to order phone lines for the season or for a single game should direct the request to AT&T (800) 321-8152 during regular business hours. Street address for State Farm Center is 1800 South First Street, Champaign, IL 61820.

POST-GAME INTERVIEWS

The University of Illinois will utilize the media room, located on the Mezzanine Level on the Northeast side of State Farm Center, for postgame interviews. John Groce and selected Illinois

MEDIA POLICIES

players will be brought to this area for interviews, along with the opposing head coach. Opposing players will be available outside their locker room. Player requests for the visiting team should be made through that school's SID. If you need to interview an Illinois player who has not been requested for the interview room, you must make arrangements with a member of the Illinois Athletics Communication staff. The normal schedule will begin with the visiting coach, followed by John Groce and selected Illinois players.

POSTGAME INFORMATION

Media are strongly encouraged to use the official University of Illinois athletics website, **FIGHTINGILLINI.com** to access the box score after home games. Updated Illinois season statistics also will be available following each game. Media can access a direct livestats feed of all home games at **illinois.statbroadcast.com**.

All persons wishing to receive releases, stats, or box scores should retrieve the information off the official UI athletics website at **FIGHTINGILLINI.com**. To receive releases via email, contact Derrick Burson (burson@illinois. edu).

FIGHTINGILLINI.COM

Illinois releases, statistics, audio and video of press conferences and live radio coverage of Fighting Illini games are available on the official University of Illinois athletics website, **FIGHTINGILLINI.com**. In addition to men's basketball, live audio and video is available for football, women's basketball, volleyball and baseball, and the coaches' radio show broadcasts.

INTERVIEW POLICIES

All interview requests for Illinois players, John Groce and members of the coaching staff must be cleared in advance through Derrick Burson in the Illinois Athletics Communication Office. Please give at least 24 hours advance notice for interview requests. Student-athletes are not available on the day of scheduled competition until after the event is completed. Players have been instructed not to talk to media who have not coordinated their requests through Athletics Communication.

JOHN GROCE INTERVIEWS

The media will have an opportunity to interview John Groce prior to every game, either in person at a press conference or via teleconference. To receive Groce's media schedule for the season, contact Derrick Burson or refer to the weekly basketball game notes. All Groce press conferences will be held on the eighth floor of the Press Box at Memorial Stadium (enter through Gate 10 and take the north service elevator), unless otherwise indicated.

PLAYER INTERVIEWS

Players will be available to the media prior to every game on one designated day, either before or after practice, at a time and location to be dictated by the practice and travel schedule. Player interviews will normally take place at the Ubben Basketball Practice Facility, but also could occur at State Farm Center if that is the location of practice on a scheduled day of media availability. Media will be alerted to the day, time and location of player interviews via email from Derrick Burson. Media unable to attend the player interview opportunities should contact Burson to arrange a phone interview.

BASKETBALL PRACTICE

Illinois basketball practices are closed to the media and public. Most practices will be held at the Ubben Basketball Practice Facility, except for isolated times when the team will practice at State Farm Center. Please note that ALL team areas – locker room, film room, weight room and training room – are off limits to members of the media. In order to avoid congestion on the court, media arriving at Ubben for interviews should wait in the lobby area on the first level. Illinois' game day shootarounds are also closed to the media and only available to the television announcers broadcasting the game.

JOHN GROCE RADIO SHOW

The John Groce Radio Show airs statewide on the Fighting Illini Sports Network. The show originates from Buffalo Wild Wings in Savoy and is hosted by Illini play-by-play announcer Brian Barnhart. It airs most Mondays from 7-8 p.m., beginning Dec. 7. A complete schedule of the show will be listed in the weekly basketball notes update.

FIGHTING ILLINI SPORTS NETWORK

(L-R): Former Illini great Jerry Hester and Brian Barnhart team up for basketball broadcasts on the Fighting Illini Sports Network.

The 43-station Fighting Illini Sports Network brings Illinois basketball to fans across the state and Midwest with Brian Barnhart and Jerry Hester calling the action from courtside.

Barnhart is in his 14th season as the "Voice of the Illini" after a long stint in professional baseball, including two years as the play-by-play voice of the Anaheim Angels. Barnhart serves as the voice of the Fighting Illini Sports Network, providing play-by-play coverage of football and men's basketball and as the host of the statewide coaches call-in programs held weekly during the season (Tuesdays at 7 p.m. for football, Mondays at 7 p.m. for basketball).

A native of nearby Tolono, Barnhart graduated from Unity High School and Liberty University before beginning a 15-year career in professional baseball in 1986. He served as the play-by-play voice of the Lynchburg Mets and Salem Buccaneers before moving up to the Oklahoma City 89ers, the Class AAA affiliate of the Texas Rangers, from 1988-94. Barnhart did high school football and other sport play-by-play for 11 years and was also the voice for Oklahoma Baptist basketball from 1992-94 and Oklahoma City Blazers minor league hockey in 1993. From 1996-98, he handled news, sports and play-by-play at WWLS in Oklahoma City.

In 1998, Barnhart was named the play-byplay announcer for the Angels and spent two full seasons with the American League club before returning to the Champaign-Urbana area in 2000. He currently is a news and sports announcer at WDWS-AM 1400 in Champaign. During the 2007 season, Barnhart was honored by the Illinois Broadcasters Association with the Silver Dome Award for Best Sports Play-by-Play for his call of Illinois' football upset of No. 1 Ohio State. He received the Silver Dome again in 2008 for his call of the Illini's ninth straight Braggin' Rights win over Missouri, and earned a third-straight Silver Dome in 2009 for his play-by-play description of Illinois' school-record come-from-behind win at Clemson. Barnhart was named the 2008 Illinois Sportscaster of the Year by the National Sportscasters and Sportswriters Association, becoming just the second downstate sportscaster to win the award since 1959.

Jerry Hester is now in his 11th season serving as the expert analyst on Fighting Illini Sports Network men's basketball broadcasts. Hester started at Illinois from 1994-98 and was a key member of the UI's 1998 Big Ten Championship team. Following graduation, he played professionally in Poland, England and Italy. Hester is currently a financial advisor with The Downey Group.

The statewide Fighting Illini Sports Network is managed by Fighting Illini Sports Properties and encompasses all sponsorship and operational elements. Fighting Illini Sports Network programming includes hour-long pregame and postgame shows around live football and men's basketball games, plus coverage of women's basketball, volleyball and baseball, along with the "Illini Today" daily report.

The "John Groce Show" can be heard in-season, statewide on the Fighting Illini Sports Network on Mondays beginning Dec. 7 at 7 p.m.
